“THE LADY OR THE TIGER—WHICH?”

When the late Frank R. Stockton's novel bearing the above title was placed on sale, he became the Literary Lion of the hour, and a lady in New York city gave a dinner in his honor. Being very curious to learn the sequel to the unfinished tale, the lady had the ices made in the form of a lady and of a tiger, and when serving them the hostess said to Mr. Stockton: "The Lady or the Tiger— which?" only to have her plans upset by his cool reply: "Thank you, I will have some of both."

On page A of Eaton's Latest Catalogue we are told that:

"There is not and never has been one cent of outside money in The T. Eaton Co., Limited." *How very limited!* In the same firm's advertisement in The Mail and Empire, of Toronto, on Saturday, the 10th of August, I find the advertisement which I have cut out and will have reproduced here, not only word for word, but also in a similar size and style of type.

Please Charge My D. A.—!

An easy way of settling your bills, isn't it? No tire-some delay while waiting for change. No need even to take a purse when you go shopping, and no bother hunting for the right sum for a C.O.D. parcel while the driver waits at the door. And not only is a Deposit Account a great convenience, but your money is not lying idle. While on deposit it earns 5% on the Daily Credit Balance up to \$1,000 and 3% on any amount over \$1,000. Interest is computed twice yearly. Money may be withdrawn or deposited at any time. (It is necessary to always maintain a credit balance.) An itemized statement of all goods purchased, and deposits made, is rendered at the end of each month. These statements are most useful for past references. It is easy to open an account. A deposit is first made at the D. A. Office, when a number is given you and your signature recorded. For further information apply or write to the D. A. Office, Fourth Floor.

I also find on the same page, the statement that the company "still carries on its founder's principles of cash and one price, and that the lowest."

On page 259 of their catalogue they offer White, Marbled and Fancy Table Oil Cloths, 45 inches wide, at 45 cents per yard.

On page 508 they offer Sanitas Oilcloth Wall Coverings, 45 inches wide, at 55 cents per yard.

Doubtless enough of their customers, who are not well posted, will follow Stockton's example and take "some of both," in about these proportions: two yards of the 45 cent to cover the kitchen table and twenty to forty yards of the 55 cent to cover the wall of the kitchen, bath room, etc. This ought to pay fairly well when you, my readers, are made aware of the fact that there is not and has not been the fraction of a cent difference in the cost of "SANITAS" and PLAIN WHITE OR MARBLED OILCLOTH either at the factory or from any wholesale house in Canada.

"The Keen Kutter's" sale price for White, Marbled, or "Sanatile" is 45c. per yard.

I am under the disadvantage of buying this month, i. e. since an advance of nearly 50 per cent. in price, and yet am willing and glad to deliver on short notice all of the "SANATILE" or WALL OILCLOTH that any of my customers require, and find it hard to believe that a firm who doubtless have hundreds of cases of this one article on hand, have not forgotten all about their Founder's Slogan: "One price—and that the lowest." My price for the above until a few weeks ago was 28 cents for White, Marble or "Sanatile." DO I DESERVE YOUR CASH? DO I GET A FAIR SHARE OF IT?

Barnum said: "_____"

Well what odds what he said, when a huge corporation employing, they state in the same catalogue, 25,000 hands (?), tell us one story in their latest catalogue, and an entirely different one in "Canada's Greatest Daily Newspaper" in their own home town. The French have a saying: "It is to laugh." What a broad smile must light the faces of Toronto's Bankers and of Canada's Manufacturers and Wholesalers when they read the "Tommy Rot" about "Outside" Money. When the fact that they risked hundreds of thousands of dollars in cash and merchandise in The T. Eaton Co., Ltd., made such a concern possible, and I state without fear of contradiction that presently there are hundreds of thousands of dollars belonging to their customers on "Deposit Account," and how very naive this gem is! While on deposit it earns 5 per cent up to \$1,000, and three per cent on any money over \$1,000. Interest is computed twice yearly. It is a poor compliment to the brains which they credit their customers with to assume that they have forgotten how they beat the same rule when the Dominion Government Savings Bank really tried to enforce it. Why risk, yes risk your good money at 5 per cent when you can obtain five and one-half per cent on Victory Bonds, AND ABSOLUTE FREEDOM FROM ALL MERCANTILE RISK?

N. B.—Please note that if I was fortunate enough not to have one cent of "outside" money invested in my "Peanut Stand" I am not sure that you would have the present opportunity to secure the BARGAINS which my sale affords. My Stock is Limited; the Time is Limited. If you knew what I know about prices in the near future you would "keep up with the procession."

I have not taken Robert Simpson & Co., Ltd., into consideration as my quotations in last week's MONITOR for 29 in. Prints, 18c. is vs. their 28c. for the same width and quality, and \$3.40 for twelve-quarter [70x84 inch] best Flannelette Blankets against their \$3.98 delivered I believe puts them out of the running.

Please note Days and Business Hours and come as early and as often as possible.

My Store is open until October the 1st, Mondays and Tuesdays, 9 a.m. until 6 p.m. Saturdays 9 a. m. until 11 p.m., OLD TIME.

My Store will be open on Tuesday nights, but will NOT be open at any time on Wednesdays, Thursdays or Fridays.

WALTER SCOTT, - "THE KEEN KUTTER"

Granville street, Bridgetown, Next door Public Telephone Office

Eber Turnbull has returned from Princeton, and was accompanied to the station by her sister, Mrs. Stevens, of Princeton.

SMITH'S COVE

Charlotte Weir is visiting in Annapolis Valley. Stella Woodman and Fern Coombs, who have been visiting Mrs. Woodman at Kentville, returned on Saturday. Rachel Cornwell and sister, Harvey, who have been visiting their mother, Mrs. Margaret Cornwell, and to Rosindale, Mass., last week. A public school re-opened on Monday, with Miss Alva Young, of Annapolis, as principal, and Miss Franklin, of Acaciaville, in the charge.

Deanery Meeting at Weymouth

The clergy of the Rural Deanery of Weymouth met in chapter at Weymouth on Tuesday and Wednesday last. Those present were: the Rev. W. Driffield, Dean; E. Underwood, secretary; Dr. Ball, J. Reeks, M. Taylor, S. H. Morris; while Rev. J. Boyd, an old member of the Deanery, and Canon Vroom, of King's College, and Canon V. E. Rego were valued visitors, and Rev. Rego was welcomed as a new member of the Deanery. At the opening prayers the Rev. Harris addressed the chapter work of the Diocesan Mission of the Archbishop's Fund, usual reading and translations of the Testament led up to an able paper by W. S. H. Morris. Other papers were read, one on the Revision of the Prayer Book by Rev. Canon Vroom, and "Conscience" by the Rural Dean, H. L. Jones, Esq., of Weymouth. The Deanery representative Board of Governors, of King's College, gave a full and interesting report on the work and affairs of that institution.

Usual necessary business was transacted, including arrangements for the next meeting, probably at Annapolis in November. The official Deanery service took place at the Parish Church on Tuesday evening, when the Rural Dean celebrated the Holy Communion, and an address on the subject was given by Mr. Leggo, of Granville Ferry. A song was said in St. Peter's Church on Monday and in St. Thomas' Church on Tuesday. The Rural Dean preached at the former service and Mr. Leggo at the latter.

The clergy dined at the Rectory on Wednesday. The Rector and Mrs. Jones took tea as the guests of Mrs. H. L. Jones, of King's College, at her home. The weekly meetings at hospitable Weymouth are always enjoyable functions, and no exception, and the pleasure of the gathering was enhanced by the weather.

Many will learn with regret of the death of Mr. Wm. VanBlarcom, which took place at the home on Tuesday, 20th inst., after a short illness. Mr. VanBlarcom was highly esteemed by a large circle of friends. He has left a mourning widow and one sister, Mrs. T. B. Condon. The funeral services were held on Thursday afternoon, 22nd inst., and were conducted by the Rev. J. Appleby, of Sydney, C. B., assisted by the Rev. H. Patterson and Rev. I. Brindley. The large number of neighbors and acquaintances who were present gave evidence of the esteem in which he was held by the community in which he had so long resided.

PORT GEORGE

Aug. 27
Capt. James Parks has very poor health at time of writing.
The farmers have been improving the fine weather by getting their hay stored.
Our school opened Monday, Aug. 26, with Miss Elsie Hines, of this place, as teacher for the coming year.
The bean supper which was held in the hall Aug. 25th was a success, \$33 being realized. Proceeds for church purposes.

"The Queen of the Basin" on Fete.
A correspondent writes: On Wednesday last, Aug. 21st, the annual garden party was held on the Rectory grounds, Clementsport. The scene was truly lovely. On the grassy hill, gay with bunting swaying in the gentle breeze of an ideal summer day, moved a happy holiday crowd. Here and there dotted among the trees were gaily decorated booths where fancy articles, ice cold drinks, ice cream, etc. could be obtained. The tooting of horns, the rapid purring of the engines, proclaimed the arriving and departing of the happy visitors. All were charmed with the scene. Old friends were encountered on every side, and old times lived again. Many availed themselves of the opportunity of visiting the historic church which is in course of restoration. During the afternoon a "war tea" was served, and under a spacious awning the tables were rapidly filled and re-filled. Band music on an excellent phonograph provided entertainment for all, and at the close of a perfect day concluded the third successive garden party, with gross receipts of \$470.00.
The Rector, Church Wardens, Vestry and congregation wish to thank all those who in any way contributed to the success it was, and cordially invite them to next year's gathering.

Fruit Shippers Please Take Notice
A telegram has been received from Geo. E. McIntosh, of the Ottawa office, who is in charge of fruit transportation, reading as follows:
"In compliance with an order of Board of Railway Commissioners, commencing on Aug. 15th, shipments originating in territory east of and including Port Arthur and Fort William are subject to an increase of 25 per cent on existing freight rate.
Shipments originating at points west of and including Port Arthur and Fort William are subject to an increase of 25 per cent on rates effective prior to March 15th last.

Acting Commissioner.

GIRLS! LEMON JUICE IS SKIN WHITENER
How to Make a Creamy Beauty Lotion For a Few Cents
The juice of two fresh lemons strained into a bottle, containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and beautifier.
Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

Situation Serious for Germany.
Paris, August 22—(Havas Agency)—Never has the situation of the Germans been so serious as at present, which augurs well for the future, says L'Homme Libre, in discussing the results of Wednesday's fighting.
The Germans have been deprived of all hopes of making a last stand on their present front and the Allied offensive is costing him dearly, the Figaro says.
The battle is no longer a German battle, declares Le Matin, but the battle of Marshal Foch, to whose will all events appear to be subject.
A man is a fool to be jealous of a good woman, and he is a fool to be jealous of a worthless one.
As fast as some men make opportunities others grab them.

RHEUMATISM ARRESTED
Many people suffer with lame muscles and stiffened joints because blood impurities have invaded the system and caused rheumatism.
To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Try it.

A Great Institution.
On Major's Hill, Ottawa, across the canal from the Parliament buildings and overlooking the chaudiere and the city of Hull, stand two modern buildings of interest to the public. The first is the Mint; the second, the Archives. The first is a national treasury of gold and silver bullion, minted; the second is a treasury of national knowledge. It contains records of the various government departments; also correspondence, pamphlets, books, plans and maps relating to the history of all localities of the Dominion. It contains ten thousand plans and maps and a million of manuscripts, all catalogued and indexed, ready for instant use. In fact, students and writers of history are constantly found there, drawing from that copious well of information. The public correspondence and papers of Nova Scotia's great commander, Joseph Howe, have recently been put there, in company with the records of a great array of Canadian notabilities. A collection, constantly growing, is being made of municipal, civic and church records guaranteeing their preservation, when the time comes to write the history of any county or town. It is calculated that about three-quarters of such records have been lost by fire or otherwise destroyed, and where such losses are constantly occurring, it is desirable that persons holding papers or documents that throw light on the doings and sayings of our ancestors should proceed at once and make them safe for the future by placing them in the archives.

NEW ELECTRIC LIGHT RATES

Beginning September 1st, 1918, the
following electric light rates and rules
for the town of Bridgetown went into
effect, as ordered by the Board of Com-
missioners of Nova Scotia:

METER RATES

Churches, summer hotels and short
term users shall be entitled to current
at the rate of 20 cents per K.W.H. On
bills paid not later than the 10th day
of the month following that in which
the same is contracted, the discounts
following shall be allowed:

On amounts up to \$3.06 a discount of
2 per cent.
On amounts over \$3.03 and up to
\$21.59, a discount of 15%.
On amounts over \$10.99 and up to
\$10.99, a discount of 12 1/2%.
On amounts over \$21.59 a discount of
20%.

No bill for electric current to any
customer shall be rendered for less
than a minimum monthly charge of
\$1.53. All other customers shall be
entitled to receive electric current at
the rate of 18 cents per K.W.H. On
bills paid on or before the 10th day of
the month in which they become pay-
able the discounts following shall be
allowed:

On amounts up to \$3.43 a discount
of 12 1/2%.
On amounts over \$3.43 and up to
\$11.13, a discount of 15%.
On amounts over \$11.13 and up to
\$22.21 a discount of 20%.
On amounts over \$22.21 a discount of
25%.

No bills to customers entitled to
these rates shall be rendered for less
than a minimum monthly charge of
\$1.71.

FLAT RATES

Churches—At a flat rate of 15c per
month per light, net.
Shops and stores at a flat rate of:
\$1.00 per month for one light,
\$1.50 per month for 2 lights,
\$1.75 per month for 3 lights.

Over three lights and up to and in-
cluding twelve lights at the rate of
52 cents per light per month.
Over twelve lights at the rate of 46
cents per light per month.

Residences and other domestic ser-
vices at the flat rate of:
\$1.00 per month for 1 light,
1.50 per month for 2 lights,
1.75 per month for 3 lights,
2.00 per month for 4 lights,
2.15 per month for 5 lights.

Over 5 lights, and up and including
10 lights, 38 cents per light per month.
Over 10 lights, 30 cents per light per
month.

The above flat rates shall apply to
incandescent lamps having a rating of
40 watt and under. If lamps of
larger wattage are installed rates
shall be increased in direct proportion
to the wattage.

Lamps of higher wattage than 40
shall pay the increased rate from the
first day of the month in which it is
installed.

Public halls, summer hotels and
other short term users shall not be
entitled to the above flat rates, but
shall take metered service. Devices
using electric current for heating or
power, shall take service through
meters.

The following rules shall be applic-
able to all customers of electric cur-
rent:

All bills for current shall become
payable on the first day of the month
following that in which the service is
rendered.

The company shall have the right to
discontinue the service if the bill
remains unpaid on the 20th of the
month for the preceding month's
supply.

The company shall have free access
to the premises of the customer at all
reasonable hours, for the purpose of
examining the meters, lamps, wires
and other appliances or for the re-
moval of the meter or the disconti-
nuance of the service.

If the meter for any cause does not
properly register, then the probable
amount of current consumed shall be
estimated on the basis of a corres-
ponding month of the next preceding
year, or if not available, the preced-
ing month of the current year.

Applicants for service may be re-
quired to deposit with the company a
sum equal approximately to two
months' supply. The amount of de-
posit to be held by the company as
collateral security for the payment of
bills. Interest at the rate of six per
cent per annum shall be paid on all
such deposits, and when the consumer
ceases to use the supply and pays all
bills the deposit shall be returned with
interest.

The company shall furnish electric
current from the usual starting time
in the afternoon to the usual shutting
down time in the morning, meaning an
all night service.

The company shall furnish electric
current for street lighting service,
during the hours above set out, at the
rate of \$18.00 net per 40 Watt lamp
per year as stated in five year contract
now in force and filed November 9th,
1917.

EXTENSIONS.

The foregoing schedule of rates and
charges shall apply only to connec-
tions to existing commercial circuits.
When extensions of such circuits are
necessary, the customer may, in addi-
tion to such rates, be required to pay a
reasonable proportion of the cost of
installing such extensions.

TEMPORARY BUSINESS.

When the supply of current is used
for a less period than six months, the
customer shall pay the company the
cost of labor and of making and dis-
continuing the connections.

The Oregon prune crop this year has
broken all records and it is estimated
as the greatest in that State and also
in Washington. The crop has already
been sold, which will be between
45,000,000 and 60,000,000 pounds.

An Appreciation.

Terribly sudden to the friends of
Harry MacKenzie was the tidings that
he had died of wounds, conveyed in a
telegram from Ottawa received by his
brother, Mr. Arnold MacKenzie of this
town, an account of which appeared in
last Wednesday's MONITOR. His
wound must have been mortal from the
first and his death quite rapid, as no
intimation of his having been wounded
had been received until his death was
announced.

I knew Harry well and the sad tid-
ings affected me much. I had always
been interested in him. His bright
personality, as he would stop and chat
when I met him on the street, or about
the Larrigan Factory, where he work-
ed, appealed to me. He was not a re-
served disposition. He was always
open and breezy, and the glance of his
clear steel grey, or blue eye, as he
looked you full in the face, and his
animated manner as he talked, indi-
cating the energy that was in him
which developed, would in time have
given him rank among the masters
of industry. Harry enlisted during the
early months of 1915, and in October of
the same year was in the trenches in
France.

That was the time of England's
"darkest hour of peril." That com-
parable infantry of Britain's little
army which, crossing the English
Channel, took its place beside
France in Belgium, and from there
in the "slow retreat of England" from
the Somme to Mons, the tide of
battle was turned, had perished. There
were none to take its place and hold
the line against the hordes and hordes
of Germans which assailed them. But
oh! how few we had to hold the line.
How short the munitions. How in-
adequate the resources to hold back
the ever dominant Germans, with the
devil inspired intentions of warfare
such as no age has ever conceived.
Had those few in the trenches failed us,
had the grit and determination of the
British and Canadian lads not held it
out until Great Britain got ready and
America was aroused to a sense of its
duty to destroy the spirit and force of
evil incarnated in the German soul, we
shudder at the fate of the world.

It was not enthusiasm or love of ad-
venture which resolved him to enlist,
but because he thought it was his duty
to go. He had never been connected
with any military Corps, and so his
warlike spirit had not been cultivated.
It was a higher motive that actuated
him—the conscience sense
of the duty he owed his country,
and in going to the front he gave
up a good deal. Under his brother
Arnold, the head of a large concern,
he was learning the methods of suc-
cessful business, and in course of time
would have had a prominent part in
the industrial activities of this country.
I learn that shortly after enlisting he
was promoted and at the time of his
death was Acting Sergt-Major. And
now he sleeps in Flanders "where the
lilies grow." Peace to his ashes. His
friends will ever remember him.
JOHN IRVIN.

A Guaranteed Cure.

The Annapolis Spectator neglected
to state whether this spray is adminis-
tered outwardly or inwardly, but
kindly recommends the following:

People troubled with cabbage
worms are recommended to use Dal-
matian or Pyrothrum powder if either
can be procured, or if administered
in early growth, spray with arsenate
of lead, diluted to about one pound to
forty gallons of water.

Gored by a Bull.

On Sunday afternoon as Mr. Inno-
cent Conroy, of Concession, Digby Co.,
was attending his cattle, he was ce-
liberately assailed by his bull which
gored him in the right thigh and in-
flicted a wound some twelve or four-
teen inches in extent. The aid of
two medical men was requisitioned
and the injury received prompt atten-
tion. The infuriated animal refused to
be controlled and to prevent further
injuries he was shot.

Any kind of success worth having
never arrives unexpectedly.

What the Moon Can Tell

A clear moon indicates frost.
A single halo around the moon in-
dicates a storm.

If the moon looks high cold weather
may be expected.

If the moon looks low down warm
weather is promised.

A double halo around the moon,
means very boisterous weather.

If the moon changes with the wind
in the east, then shall we have bad
weather.

If the moon be bright and clear
when three days old, fine weather is
promised.

When the moon is visible in the day
time, then may we look forward to
cool days.

When the points of the crescent of
the new moon are clearly visible, frost
may be looked for.

If the new moon appear with its
points upward, then will the month be
dry, but should the points be down-
ward, more or less rain must be ex-
pected during the next three weeks.

General Elmsley Selected to Command

Brigadier-General J. H. Elmsley,
C. M. G., D. S. O., Royal Canadian
Dragoons, has been selected to com-
mand the troops which are now being
mobilized in Canada for service in
Siberia.

General Elmsley is at present in
England, where he and the Minister
of Militia, in consultation with the
Imperial authorities, are concerting
methods of procedure. He is in his
fortieth year, and is a staff college
graduate. He was dangerously
wounded in the South African war
(King's and Queen's Medals) and he
has served in India.

In the year 1914 General Elmsley
proceeded overseas with his regiment,
and in due course was appointed to
command the 8th Brigade (Canadian
Mounted Rifles).

Very Gratifying.

Addressing some public school boys
recently on the subject of "Tact," the
Archdeacon of London, remarked that
even the Church cannot invariably be
depended upon to say the appropriate
word. For instance, he continued,
there was once a certain vicar who
had long been eager to see an exten-
sion of the parish burying ground.
At length his wish was gratified.

Soon after the opening he felt called
upon to speak a few words of con-
dolence to a widower who was setting
out tributes of flowers.

"Good afternoon, my dear sir," said
the dear vicar, approaching breezily,
"good afternoon." He gazed around
in a contented way. "Our new cem-
tery," he went on, "seems to be filling
up nicely."

**Cincinnati Authority Tells How to Dry
Up any Corn or Callus so it
Lifts Right Off.**

You corn pestered men and women
need suffer no longer. Wear the shoes
that nearly killed you before, says this
Cincinnati authority, because a few
drops of freezezone applied directly on a
tender, aching corn stops soreness at
once and soon the corn loosens so it
can be lifted out, root and all, without
a bit of pain.

A quarter of an ounce of freezezone
costs very little at any drug store, but
is sufficient to take off every hard or
soft corn or callus. This should be
tried, as it is inexpensive and is said
not to inflame or even irritate the sur-
rounding tissue or skin.

If your wife wears high heels she
will be glad to know of this.

The Japanese Steamer's Crew.

An interesting group on the steam-
er Empress from Digby to St. John
Saturday says the Telegraph, was
composed of eighteen officers and fifty-
seven men of a Japanese steamer that
was torpedoed and sunk by a German
submarine. They were men of splen-
did physique and very intelligent
looking but they could not speak En-
glish fluently. The captain spoke En-
glish and those who could con-
verse were very reticent regarding
their experiences and would not talk
about the sinking of their ship. They
left Saturday night for the Pacific,
east and from thence will sail for
their own country.

Prisoners and Guns Taken by Allies

PARIS, August 14—Since the be-
ginning of the Allied counter-offensive
on July 18, the Allies have taken more
than 70,000 prisoners, and more than
a thousand guns, the Echo De Paris
states today. In addition; it is esti-
mated, more than ten thousand
machine guns have been captured from
the enemy.

The Gaylord Sentinel says this hap-
pened to a woman teacher in the gram-
mar grade, when she asked her class,
"What tense am I speaking in when I
say, 'I am beautiful?'" A small boy
replied, "The past tense, ma'am."

The average man can't realize how
easy it is to pass the contribution plate
and forget to chip in until he tries it.
How very easy are some of the tasks
we imagine difficult.

HAPPY DAYS AT COLONIAL ARMS

Deep Brook Has Had a Very Successful Tourist Season.

On Friday, August 30th, a large party of young folks came to the "Colonial Arms" Hotel in several automobiles from Paradise, N. S. After a splendid dinner, for which the "Arms" is especially noted, they went to Digby by motor boat returning in time for supper. Songs and dancing in which the guests of the Hotel joined, ended a merry evening.

As the beautiful summer season was drawing to a close, on Saturday night the "Colonial Arms Hotel" was the scene of a gay masquerade dance and bonfire. The guests, dressed in costume, varying according to their ingenuity and taste, filed in fantastic style down through the lovely pine grove to the cove, whose glistening white sand has no rival in all Nova Scotia. There a huge bonfire was already for the touch off.

The prize winner of costumes, who represented a French aviator, was accorded the honor of lighting the pyre. Perhaps the daintiest costumes were those of Pierrette and Pierrot, while Mutt and Jeff distinguished themselves in acrobatic feats.

The genial host, Capt. J. D. Spurr, was master of sports. Races of all descriptions, feats of strength and darning, and games of sorts made the night merry. Songs and laughter woke the far echoes over the incoming tide. Late coming automobile parties joined in a dance on the beautifully polished floors.

Many plans were made, before the guests dispersed for the night, for a repetition of similar gaffes for next summer, at the beautiful "Arms."

Gave His Life For His Country.

Melbourne Goucher, of Albany Cross, Annapolis County, has received the sad intelligence that his son, Pte. Pearley Parker Goucher, No. 3182044, D. Company, 1st Depot Battalion, died of pneumonia at the Military Hospital, Liverpool, England, on August 18th. Pte. Goucher joined his company at Halifax, on April 26th, 1918, and went into training at Aldershot in May, sailing for overseas service about August 10th. No particulars have been received but it seems likely that Pearley, who was not a strong boy, was taken sick on board the ship and entered the hospital on arrival at Liverpool. He was 23 years of age, greatly beloved by his family, which consists of the parents and a brother and sister. Everybody speaks very highly of the deceased and the family have the sympathy of the whole community.

Sunday Night's Memorial Service.

A large number of people attended the memorial service in the Bridgetown Baptist church last Sunday evening in honor of Acting Sgt. Major Harry T. MacKenzie and Pte. Herman A. Hyson, both of whom have paid the supreme sacrifice as reported in our last issue. Rev. M. S. Richardson, pastor of the church, preached a very interesting and appropriate sermon. He was assisted in the services by Rev. D. K. Grant, the Presbyterian church being closed especially for the occasion. The music was excellent and the church very tastefully trimmed with flags, potted plants, cut flowers, etc. All present were deeply impressed with the entire service.

Saint John Helresses

The Misses Mary and Maria Prescott Easson, of St. John, have seen left an estate valued at \$150,000 to \$200,000, by their aunt, Mrs. Gordon Monzie, nee Mary Ansley, of Philadelphia, Pa. The young ladies are natives of Bridgetown and are half sisters of C. F. Easson, Esq., recently manager of the Bank of Nova Scotia in Toronto, and formerly on the staff of the same bank in this, his native town.

Killed in Action.

A telegram announces the sad news that Pte. Chester Peter Brinton, son of Mrs. J. Brinton, Port Lorne, was killed in action, August 22nd. No further particulars are available at present.

Local Happenings

The regular monthly meeting of the Town Council was held last night. Rev. M. S. Richardson will preach at West Dalhousie next Sunday afternoon.

Rev. W. J. W. Swetnam will preach in Granville next Sunday afternoon.

A meeting of the Women's Institute will be held in the Council rooms next Wednesday afternoon at 3.30.

The Labor Day races at Aylesford were good, and well attended, many being present from Bridgetown.

The Knights of Columbus Army Hut Campaign conducted throughout this province now stands at more than \$100,000.

We wish to call special attention to the public auction at South Williamston, Sept. 10th, advertised in another column.

A full attendance of the Second Degree team is especially requested in Crescent Lodge, I. O. F., tomorrow (Thursday) evening.

There will be a pantry sale in the Red Cross rooms Thursday afternoon, Sept. 12th, from 3 to 5 o'clock. Service flags will also be for sale.

Miss Florence Sanderson, of Bridgetown, won the first prize in this district offered in the Halifax Chronicle contest, which is a Chevrolet auto.

Labor Day passed off very quietly at Bridgetown. Many enjoyed the day out of town, automobiling and driving. Others entertained visitors.

We wish to state that all advertisements for our classified columns must be paid in advance unless received from our merchants, who have a regular account with us.

Yarmouth Telegram: A local auction was before Stipendiary Pelton Friday morning and was fined \$10 for running his auto Thursday evening without the rear red light burning.

A great improvement would be made in the roads if local people would follow the example of Rev. W. I. Morse, one of our summer residents, by repairing defective places near their properties.

Mail by air has become an actuality in Canada. The Postmaster General has now given his authority for a weekly aerial letter mail between Toronto and Ottawa, which will be carried through the medium of the Royal Air Force.

Death of Mrs. A. G. Herbert

The death of Mrs. Lucinda, wife of Conductor A. G. Herbert, occurred at her home in Annapolis, Thursday night after an illness extending over several months, aged 63 years. The deceased was a native of Peggy's Cove, Halifax Co. and had a large circle of friends wherever she was known. She was an adherent of St. Luke's Episcopal church and when health permitted an active worker in the church, her husband being elected Warden of the same church for several years. She leaves a husband, two daughters, Mrs. Frank Howes and Miss Beatrice at home, and three sons, A. B. Herbert, Annapolis, E. R. Herbert and G. C. Herbert, Yarmouth; also two brothers, Charles Hiltz, Brickton, N. S., Ephraim Hiltz, Kingsport, and two half brothers, Eben Corkum, of Hubbards, N. S., and Alpheus T. Corkum, of Boston, Mass. The funeral took place from her late residence on Saturday the services being conducted by Rev. T. C. Mellor, rector of St. Luke's, assisted by Rev. H. S. Wainwright.

Great sympathy is extended to the husband and family in their bereavement.

Death of C. Ashley Harrison.

FREDERICTON, N. B., August 30, 1918.—C. Ashley Harrison died early this afternoon at his home in Margerville, aged 59 years. He was a member of the firm of A. & C. A. Harrison and was one of the largest market gardeners of the province. He is survived by his father, Hon. Archibald Harrison, two sisters, Mrs. William Tharrott, of Fredericton, and Miss Lizette at home, his wife, formerly Miss Clara S. Roach, of Clarence, Nova Scotia; four sons and one daughter. Death was sudden, following a very brief illness. The funeral service was at home, his wife, formerly Mrs. Harrison was a man of wide and varied interests, very active in the public life of this vicinity and will be very much missed in all the work of the neighbourhood and the church.

Death of Mrs. R. F. Lockett.

Maria Longley Lockett, wife of R. F. Lockett passed away Friday night, August 23rd, at the home of her daughter, Mrs. V. H. Crusselle, of Kirkwood, Ga., U. S. A. Mrs. Lockett was 77 years of age, was born in Paradise, N. S., and lived for many years in Annapolis, N. S., and Berwick, N. S. She is survived by her husband, daughter and a grandson, V. H. Crusselle, jr. She has many relatives and friends in this section who will be grieved to learn of her demise. (Annapolis and Berwick papers please copy).

Married in Yarmouth.

BURTON-WHITMAN A very pretty wedding was solemnized in the U. B. church at South Ohio, Yarmouth county, at 2 o'clock on Wednesday afternoon, when Miss Martha, daughter of Mr. Parker Whitman, formerly of Strong & Whitman, Bridgetown, but now of Vancouver, B. C., was married to Mr. J. Donald Burton, elder son of Mrs. G. E. C. Burton, of Yarmouth. The service was performed by Rev. D. H. Maitland, pastor at South Ohio, who was assisted by Rev. J. L. Miner, of Philadelphia, uncle of the bride.

Casualties.

WOUNDED—Victor G. Turnbull, Digby; C. E. Jones, Bear River; J. Wesley, Weymouth North; W. S. Hogan, Plympton.

SUNDAY SCHOOL CONVENTION

Forty-Fourth Annual Session Held at Nictaux, A Big Success.

The 44th annual Convention of the Annapolis County S. S. Association, which was held in the Methodist church, Nictaux Falls, on August 28th, was a decided success.

Fifty-three delegates, including ten pastors, six superintendents, thirty teachers were present and thirty schools were represented.

The morning session opened with a devotional service, conducted by Rev. S. A. MacDougall, which was helpful and inspiring.

The leading features of the morning were the President's address, a report on the elementary work by Mrs. C. S. Balcom, and a paper, subject, "The pastor in relation to the S. S.," by Rev. G. H. Gage. These were much appreciated by all present.

In the afternoon a Round Table Conference on selected subjects were both helpful and interesting. The speakers were Rev. I. A. Corbett, Dr. W. N. Hutchins, Rev. W. R. Turner and Rev. M. Brindley.

The Secty.-Treas. report was not as encouraging as we would wish, yet we hope for greater things next year, and we trust that those who may be present at our next County Convention may meet with a surprise.

EVENING SESSION

Evening session opened with a song service, conducted by Rev. Geo. Hudson.

After minutes of afternoon session were read, Rev. S. J. Boyce, of Lawrencetown, gave an address which was an incentive to S. S. workers to go forth with a stronger determination to win souls for the Master.

After music by choir, Rev. W. A. Ross, Field Secretary for New Brunswick and P. E. I., spoke on the "S. S. of the Future." The training of the child of today determines the S. S. in the years that lie before us.

Solo by Mrs. Bustin, of Melborn Square and Rev. M. Brindley, of Granville, were pleasing features of the evening. This closed the best County Convention held for many years.

The people of Nictaux Falls regard this Convention as a blessing to them and it has created a determination in the hearts of our S. S. workers to do more and better work for the Master in the future.

Officers for coming year:—

President—I. J. Whitman, Torbrook. 1st Vice—Rev. D. K. Grant, Middleton. 2nd Vice—Rev. S. J. Boyce, Lawrencetown.

Secty.-Treas.—Annie L. Saunders, Nictaux Falls.

Rec. Secy.—Mrs. Amos Frail, Clementsport.

Supt. Children's Division—Mrs. C. S. Balcom, Lawrencetown.

Supt. Young People's Work—Chipman Moore, Nictaux Falls.

Supt. Adults' Home—Rev. I. A. Corbett, Paradise.

Supt. Missionary—Mrs. J. N. Hines, Hanley Mount.

Supt. S. S. Education—Rev. Geo. Hudson, Annapolis Royal.

Supt. Temperance—L. W. Elliott, Clarence.

Supt. Administration—Dr. Hutchins, Middleton.

County Representative for Prov. Executive—I. J. Whitman.

Delegate to Prov. Con.—Mrs. Frail, Clementsport.

Prov. S. S. Worker—C. F. Armstrong, Middleton.

GERMAN SPIES IN MAINE

Naval Officers Sought Information Regarding Eastport Waterfront.

EASTPORT, Maine, August 22.—Word was received here last night that a party of armed fishermen and farmers had been searching Campbell Island, off the New Brunswick coast, a few miles from here, for two men who are said to have questioned a young woman closely last night regarding Eastport waterfront matters and to have threatened her with death if she revealed anything about them. The young woman, Miss Willa Wilson, is the daughter of a prominent resident of the island.

According to her story, the two men, apparently foreigners, wore naval uniforms covered by long linen coats and carried revolvers. She said they offered her a large sum of money for information as to the location of the post office and banks in Eastport, the nature of the waterfront and whether a newly built four masted vessel had left the port. When she refused to tell them anything, she said the men disappeared into the woods, after warning her that if she mentioned their presence to anyone she would be killed.

So far as known here today the searching party had no trace of the men.

St. Isidore, P. Q., Aug. 18, 1894. Minard's Liniment Co., Limited

Gentlemen,—I have frequently used MINARD'S LINIMENT and also prescribed it for my patients always with the most gratifying results, and I consider it the best all-around Liniment extant.

Yours truly,

DR. JOS. AUG. SIROIS.

Capt. Stanley Doane, of Barrington, who is interested in the starting of a shipyard at Barrington, was in Shelburne last Friday. The captain says that prospects look bright. The idea is to conduct operations in the old Doane yard, which is an ideal spot.

The Canadian journalists who toured England and France, have returned home via New York.

It is truly wonderful how fascinating most things are to people that are none of their business.

CORRESPONDENCE

Our Schools. To the Editor of the MONITOR: Dear Sir:-Is it a fact that the Bridgetown Schools are costing annually three thousand five hundred dollars? Is the general development of those who attend these schools measuring up to this expenditure? Are there not some weak places in the management that may be strengthened by those who have to do with the education of the youth of our town? Does the lack of punctuality interfere with the daily work of the pupil? Is the regularity of the pupils sufficient to guarantee keeping pace with the average member of his class? Are the pupils applying themselves in their general work so as to face the terminal examinations for grading? Are all the homes having children eligible for school represented in one or more of the rooms? These are questions for thought and practical action on the part of the ratepayers of this town and especially the school commissioners, teachers and parents. INQUIRER.

Pointed Paragraphs "Not guilty," is an innocent remark. Yet the way of some transgressors is altogether too smooth. About nine-tenths of what people say doesn't amount to anything. Every old lady likes to tell how beautiful she was when she was a girl. If a married man admits he's a fool, it's his wife's duty to agree with him. After the cow jumped over the moon she probably wandered down the milky way. If there is anything a man detests more than another, it is a speaking portrait of his wife's mother.

HOYT'S STONE WORKS

Town Electric Power and Air Compression System Working Perfectly

[Middleton Outlook] The Outlook man stepped into Hoyt's Stone Works on Monday to see how the new electric power was working.

Along with the ten horse power electric motor operated from the town power house at Nietaux Falls Mr. Hoyt has installed a pneumatic system of modern type. Three sets of tools are operated by compressed air. One of these is a surfacer and the other two are used for smoothing and lettering the stone.

Mr. Hoyt now has one of the most up-to-date stone finishing plants in the province and as he has plenty of orders on hand the Middleton Granite and Marble Works will be a busy place for the remainder of the season.

YOUNG WOMAN KILLED

Team Crashed Into Automobile and Killed Miss Flora Bishop

Saturday night Wolfville was shocked by an accident which resulted in the death of Miss Flora Bishop, a young lady of New Minas. At half-past ten an automobile driven by a Mr. Smith, a soldier, and containing Miss Bishop, her sister, Dorothy, and a Miss McInnis, was bound for Kentville, when it met a team driven by Ainsley McDow, of Gaspereaux.

Maine Pastor Held on Wife Murder Charge

Wells, Depot, Me.—Rev. Henry H. Hall, since January 1 pastor of the Union Baptist church here, was arrested by Sheriff A. Roberts yesterday on the charge of the murder of his wife, Mrs. Minnie Stevens Hall, on the night of June 11, at a bridge about three-quarters of a mile from the railroad station.

Mrs. Hall died in the Trull Hospital at Biddeford in the early morning of June 12, without regaining consciousness, from a fracture of the skull, which her husband said at the time she received when she fell from the bridge into a pile of rocks in the stream below.

The county prosecutor asserted evidence had been unearthed that Hall had paid attention to a pretty eighteen-year-old French-Canadian girl Kate Gerow. He said Hall had admitted to him that he had been attentive to Kate's sister, Grace Gerow, twenty-one years old.

It is said Hall, who is thirty-eight years old, commenced his ministerial life in the provinces, afterwards going to Maine.

German People Along Rhine Expect An Allied Invasion

The population along the Rhine expects an Allied invasion, is the opinion of a Dutch woman of German descent who has just returned to Amsterdam from visiting relatives in a small village near Bonn, on the Rhine.

"The belief that German soil is to remain inviolate to the last has disappeared completely and on the Rhine every one expects a foreign invasion sooner or later.

"The ravages of Allied aircraft are simply terrific. When you read: 'There was some material damage, it means that whole streets were torn up with a heavy casualty list to complete the picture.'"

A Golf Story.

Opie Read was playing a three-handed match with two other players named Sterrett and Adams. Read sliced his drive and the ball went into an abandoned quarry, where he descended after it.

Presently the two waiting outside heard a serious of whacks, and after a bit out comes the ball with Read in hot pursuit.

"How many shots in the quarry?" asked Adams.

"Three," said Read.

Adams turned to Sterrett and they both laughed.

"Why," said he, "Bill and I heard six plainly."

"I know," said Read, "but three of them were echoes."

Number, Please; But Don't Yell

Madame Housewife and Mr. Office Manager, imagine yourself strapped to a telephone several hours a day with every sort of voice talking into your ear, voices too faint, too loud, untrained, indistinct, yelling voices, bad pronunciation, worse enunciation! You would probably be raving before the end of an hour, to say nothing of being rankly impolite! I would!

Personally I imagine nothing so trying to delicate feminine nerves as to sit at a telephone desk for a length of time obliged to listen to those far away voices, yet I have never heard a "phone girl" "sass back" over the wire, despite provocation. To me it is a wonder.

Doubtless listening on a wire without nerve shock can become a habit, just as unrefined politeness can become a habit.

The fault with the man or the woman at your end of the wire, Mr. Office Manager and Mrs. Housewife, is that he or she is too likely to forget that at the other end is, not a machine, but a delicate human mechanism. Electric wire can carry forever all your ill-tempered talk and never be maddened. But the delicate ear at the central receiver leads to delicate nerves, vastly more marvellous than all the electric inventions in the world.

What you shout at and command, may be a frail girl, as sweet and refined and ambitious as your daughter. She may be a girl of sensitive body and brain, with a heart as big as all out doors, loving and sympathetic and most lovable.

Moreover, she may be supporting her mother or her sisters by sitting at a telephone desk, and her work may be as important and as dignified to her as yours to you.

Of course, every "Central" is schooled to make the best of your harsh words and I am sure it is less of a nerve wear on her than we think.

But, why yell and get "mad" when the "stupidity and slowness" may be yours, your impossible, mumbling, muffled voices? Listen to Central talk and try to imitate her, for she has been trained to the business.

Though your yelling may not hurt the operator, it does two things. It impedes a public convenience, like the trucks on the car track that get you all fussed up when you are in a hurry. Also it hurts you, first in the ill effects of temper, and second in the hardening of your sympathies toward a fellow human and worker.

Mrs. Housewife, Mr. Office Manager, remember number please, but don't yell. If you yell at Central and display such manners, she certainly has "your number."

1 quart of milk. 1 cupful of sugar. 2 eggs. 4 tablespoonfuls of cornstarch.

1 teaspoonful of salt. 1/2 teaspoonful of vanilla.

Beat the eggs and sugar until well mixed; then add the cornstarch, which has been mixed with a little cold milk. Add all to the hot milk in a

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.

double boiler. Cook for thirty-minutes; cool and add the salt and flavoring. Freeze. Half a cupful of fruit, chopped fine, may be added when the custard is part frozen.

Pat's Nether Portion

Passing the "Blue Lion," the priest caught Pat coming out with a jug.

"Pat, what is it you have in that jug?" asked the reverend gentleman, looking very solemn.

"Whiskey, sorr," answered Pat.

"To whom does it belong?" asked the good man.

"To me and me brother John, sorr."

"Well, Pat, pour yours out and be a sober man."

"I can't, sorr," answered Pat; "mine's at the bottom."

Berry Milk Sherbet

1 quart of milk. 1 cupful of berry juice. 1 cupful of sugar. 1 tablespoonful of lemon juice.

Put the sugar and fruit juice into a bowl; stir until the sugar is dissolved; put the milk into a tureen that has been packed in ice and salt (three parts ice and one part salt); then add fruit juice and lemon juice. Turn at once. Raspberry, strawberry and loganberry juices are used the same way, or one may use fruit juice from rich canned fruits or berries, using sugar to taste.

A Plucky Celt.

A soldier was brought into the field hospital suffering from many wounds. The doctor asked his nationality.

"Sure, I'm half an Irishman," was the reply.

"And what's the other half?"

"Holes and bandages."

Milk Sherbet

1 quart of milk. 1 cupful of sugar. 1 tablespoonful of vanilla. Mix these ingredients and freeze the mixture in the manner described in the recipe for berry milk sherbet.

DRIVING BACK THE GERMANS

The Road Being Literally Jammed With Prisoners

WITH THE BRITISH ARMY IN FRANCE, September 2—(By the Associated Press, 4 P. M.)—The British have pierced the Drocourt-Queant line, in a fierce battle, which has been raging since dawn and which will probably prove to be one of the most important of the war, Canadian and English troops, at last reports, had at one point, driven in about five kilometres or a little more than three miles, and were still going.

The fighting was as furious as any since the war began and increased in intensity as the British battled their way forward, meeting the ever growing resistance of the enemy, who had put in every available man and was rushing up reserves at the rear.

Thousands of prisoners have been captured. The roads to the British rear are literally jammed with them.

There has been fierce fighting in Dury, which has been taken by the British, and Mount Dury, which the Germans held in great strength has been stormed. The British went on after killing enormous numbers of the enemy. The Germans died fighting here, as elsewhere.

Cagnicourt wood and Cagnicourt have been captured, and Bois de Bouche to the southeast, is reported to have been occupied.

MAKING THE WOMEN FIGHT

Americans Say They Found Girls Chained to Hun Machine Guns

More stories are coming from France of German girls having been found by American troops in a condition of collapse chained to German machine-guns.

Milton George Hess, a nineteen year old private in the trench mortar battery of the 3rd Artillery brigade, 3rd division of regulars, has written his father, Emile Hess, of 511 Eighth Avenue, Brooklyn, under date of August 3, saying:

"When our men took prisoners the other day, they found about six girls chained to machine-guns. They took the poor things prisoners, who claimed they were forced to fight."

Letters have been received from other men serving with the American forces in France to the same effect.

Captain Franklin P. Haller, Jr., in command of company D, 111th infantry, wrote his parents in Philadelphia recently that his company had captured a German machine-gun crew manned by women. John Mack, of No. 108 Munson street, Astoria, L. I., has received a letter from his son, Philip Mack, with the 165th infantry in which he said, "It is an absolutely true fact that our division has taken women prisoners who were chained to machine-guns, and who were in from fright and shock."

OBITUARY

Lieut. Edward Jeffrey, Canadian Expeditionary Force.

A fortnight or more ago, in our Margaretsville items, we chronicled the death of Lieut. Edward Jeffrey. Since then word has been received from England that his death took place in France, as the result of very severe wounds, on July 20th.

Most of our readers will remember Mr. Jeffrey in connection with his work in the little church—St. Peter's-by-the-Sea, Young's Cove, and at Margaretsville. He was a son of the Rev. Mr. Jeffrey, at present Rector of Witbourne, Newfoundland. Edward Jeffrey received his early education in Newfoundland. He then went to England, and after spending some time at St. Augustine College, Canterbury, came to Nova Scotia to enter the University of King's College, Windsor. He was studying for the sacred ministry and as a Divinity student was in charge of the Bay of Fundy mission with stations at Young's Cove and Margaretsville during the summer months of 1912 and 1914. In fact he was engaged in this work when the war broke out, but no sooner had Great Britain entered the fray than he at once offered his services to the Canadian Minister of Militia. This was even before it was decided to send any expeditionary force from this Dominion. Eventually he enlisted as a Private and was assigned to the 17th Nova Scotia Battalion.

After spending some weeks at Middleton he, with others, proceeded to Valcartier. Shortly after arrival there he transferred to the 14th Montreal Highlanders, with which he sailed to England in due course as one of the first 30,000 men to go from Canada. The history of that gallant band has been written so often as not to need any retelling here,—their experience on Salisbury Plains, their early days in France, the second battle of Ypres when the Germans first used gas, etc. After four years comparatively few are left to tell the tale, but an imperishable record has been made which will enhance the fame of Canada for all time.

After fourteen months in France with that 1st Canadian Contingent, Edward Jeffrey received his promotion to a commission. The necessary special training gave him a well earned respite in England, but when he was just about to return to France he was taken ill and had to undergo an operation for appendicitis. This prolonged his rest from actual warfare until last April, when he was posted to the 16th Reserve Battalion and sent again to the front. Just how much fighting he had seen before being wounded is not yet known, but the end came, as stated above, on July 20th. Perhaps it has been given to few men to so endear themselves to all with whom they came into contact as it was given to the subject of this obituary. There was something about him that made him a welcome guest always. He was essentially a man and essentially good. Had he lived long enough to attain the rank, you could almost conceive of him as of "the beloved captain," so beautifully described by Donald Hankey in that wonderfully thought-provoking book entitled "A Student in Arms." Yes, Edward Jeffrey was "a student in arms," and as such, we can well believe he left a fragrant memory amongst his comrades even as he did in those places where he worked in the Bay of Fundy Mission and elsewhere.

Besides immediate relatives in Newfoundland, the deceased leaves a widow and young son (born last December) in England and a brother, also a member of the Expeditionary Force.

MARINE NEWS

Schrs. Flora M. and Valdemar loading hard coal at New York City. E. VanBlarcom, Digby.

The Yarmouth Trading Co.'s schooner Wilfred L. Snow, Capt. Adam D'Eon, which sailed on Tuesday on a fresh fish trip, returned to Yarmouth on Thursday afternoon.

Yarmouth Herald: Mr. and Mrs. F. B. Lent, of Westport, arrived in Yarmouth by the Keith Cann on Wednesday and left Thursday by the D. R. for St. Mary's Bay points, where Mr. Lent is interested in shipping.

Owing to a very large number of ship carpenters employed at the Yarmouth Shipbuilding Co.'s yards in the rural sections, which necessitates their raising under present conditions, before leaving, the establishment has reverted to old time.

The drifters from Short Beach, Maitland, and vicinity are out making long stops of fish, particularly herring. Buyers are eager on the coast, awaiting their return and are paying \$1.17 per bushel. On Wednesday Eugene Harris was high in securing about thirty-five bushels, which selling at about \$3.50 per rel, made a "fair" night's work.

Mr. Arthur Boutwell, manager of the trawler Triumph, was recently captured by the German submarine and converted into a raider. The Triumph when she was captured, arrived in Yarmouth on Tuesday afternoon and Wednesday morning went to Wedgeport, where they were the afternoon they left by schooner Digby en route to St. John.

Shippers of the Dominion are keenly watching the progress of the definite announcement of the resumption of the steamship service between Yarmouth and Boston. Arrangements have been practically completed whereby a weekly service will be put in effect early in September. The greater portion of the steamer's space will probably be used this fall for the handling of potatoes destined for Havana, the crop in the Valley being estimated forty per cent in excess of normal.

Fish arrivals at Digby: D. Spence & Co.: 10,500 lbs. mixed fish boats; shipped 140 boxes haddock, 12 boxes fillets, 2 barrels fresh haddock, 1 barrel fresh hake; Martin Fish Corporation, per steamer 215 qts. dry hake 15,712 lbs. hake, Schrs. Souvenir, 4742 lbs. salt hake; other sources, 2422 lbs. fresh hake, 12,612 lbs. fresh haddock, 3,400 lbs. fresh cod, 615 qts. At H. B. Hayden's: 43,370 lbs. hake, 3,300 lbs. cod, 10,130 lbs. fresh cod. Shipped 1,250 lbs. fresh-pickled cod, 2,000 lbs. pollock, 380 lbs. haddock.

The annual memorial service for the 28 fishermen of Gloucester who lost their lives at sea during the year, was held Sunday afternoon at the Blynnan Bridge and was attended by several thousand people. A large number of the summer residents of the North Shore, who were delivered by the Rev. Charles H. Williams, of Oberlin, summer resident, who declared that the sinking of the Gloucester boats by the Huns had no sadder, the least to frighten the fishermen but had, if anything, aroused the fighting blood. During the service the waters of the bay were spangled with flowers by children, led by Scouts. Two companies of the guard were present.

Manitoba Makes Another Record in Butter Exports

MANITOBA expects to export butter to the value of over \$1,000,000 this year. When it is remembered that up to a very few years ago, it was necessary for this province to import butter for its home needs, the growth of the dairy industry there is remarkable. In 1916 fifty-eight cars of butter were exported. Last year the number was increased to ninety-six cars. Up to June of this year, with the grass season only well begun, fifty-six cars of butter had been sent out of the province. This number compares with twenty-five cars in the corresponding period of last year. Butter is made up in fifty-five pound solids and four hundred boxes make up a car-load, so that at present prices each car-load is worth \$10,000.00. There is every indication that the present rate of export will be maintained, if not accelerated, during the year. All the exported butter from Manitoba is being sent to Montreal for shipment to the Allied nations in Europe.

The cheese industry is also progressing. It is only so far back as 1912 that fifty to fifty-five car loads of cheese were brought into the province for local consumption. With the output of the provincial factories increasing continually, the quantity exported was considerably reduced last year, and now for the first time in the history of the province a full carload of cheese is on its way for consumption elsewhere. The consignment to Winnipeg a few days ago for Montreal, where it will be graded and shipped overseas. Although still in its infancy and capable of considerable growth yet, the dairy industry in Western Canada has been developing rapidly during the last few years. A high standard of quality is striven for, the aim being to produce butter of the best flavor with long keeping qualities. That the efforts in this direction have met with some measure of success is evidenced by the growing demand for Manitoba butter from these provinces—a demand which is far greater than the output.

Pasteurization is almost universal in the creameries of Western Canada, and more than ninety per cent of the butter made in Manitoba this year will be from pasteurized cream. The application of the Storch test has been very satisfactory in enabling the dairy officials to determine whether this process has been properly carried out. At rural points the cream is tested in the creamery by a travelling inspector. In the laboratories of the Department of Agriculture the test is applied to representative samples of butter. When the Department now tests and grades a carload of butter, it can, to all practical purposes, test just how long it can stand in cold storage without deterioration.

At the present time the creameries are receiving forty-three cars of standard grade of butter, forty-two cars of No. 1 and forty cents for No. 2.
