The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ANNUAL REPORT.

TO THE BENEFICIARIES OF THE TEMPORALITIES BOARD.

As intimated in last report, the suit of "*Dobie versus the Temporalities Board*," which had been decided in favour of the Board in the Court of Queen's Bench, was appealed to Her Majesty's Privy Council towards the close of 1880. In the month of July, 1881, the case was argued before the Privy Council: present, Lord Blackburn, Lord Watson, Sir Barnes Peacock, Sir Montague Smith, Sir Robert P. Collier, Sir Richard Couch, Sir Arthur Hobhouse. The Solicitors for the Board were Messrs. Bompas, Bischoff and Dodgson of London, and Mr. John L. Morris of Montreal.

On the 21st of January, 1882, their Lordships delivered their judgment in the case. *Inter alia*: (1) That the Act of the Legislature of the Province of Quebec, 38 Vict. ch. 64, amending the Act of the Province of Canada, 22 Vict. ch. 66, under which the Temporalities Board was incorporated, was *ultra vires*, and that consequently the Board by which the Fund was administered subsequent to the Union was not duly constituted. (2) Their Lordships declined to declare that the Temporalities Fund should be vested in the minority who did not enter into the Union. (3) Their Lordships further declined to declare that the ministers who went into the Union ceased to be members of the Presbyterian Church of Canada in connection with the Church of Scotland, or that they had no longer any right to the benefits of the Temporalities Fund. (4) Their Lordships stated that "the Parliament of Canada is the only Legislature having power to modify or repeal the provisions of the act of 1858. (5) "Their Lordships are of opinion that neither the respondents' (*i. e.* the Board) own costs, nor those in which they are found liable to the appellant, ought to come out of the trust fund. The appellant's costs must therefore be paid by the members of the respondent corporation as individuals."

Application having been made to the Dominion Legislature for an Act to amend the Act of the late Province of Canada, 22 Vict. ch. 66, an Act was passed during the last session of said Legislature, and assented to by His Excellency the Governor-General on the 18th of May. The provisions of the said Act are identical with those of the Act of the Quebec Legislature 38 Vict. ch. 64, save and except that the clause in section 2, providing "that the successors of ministers of congregations in the Province of Quebec, existing at the time of the union, which do not enter into such union, shall retain the same rights to the benefits of the Temporalities Fund which they would have had if such union had not taken place," is omitted; and the following clause was inserted respecting the final disposition of the Fund: "After the first and third classes of payments named in section one shall have been extinguished and provision shall have been made for the annual receipt in perpetuity of the sum provided for in the second class of payments (viz. Queen's College), each congregation which declined to become a party to the union and which shall not have entered the union before the time of the extinction of such payments; shall be entitled to a share of the residue, such share to be in the proportion of one to the whole number of congregations on the Synod roll on the fourteenth day of June, 1875, the date of the union." The Act further provides for a meeting of the Beneficiaries within 12 months from the passing of this Act.

FINANCE. The payments made to ministers since the date of last report partially cover the claims of three half-years. Acting under the advice of its Solicitor and the written opinion of Mr. Strachan Bethune, Q.C., at a meeting held on the 17th day of May, 1881, the Board instructed the Secretary to make the usual payments to all the Beneficiaries that became due on 31st December, 1880, but which had not been paid at that time, and also to issue cheques for the usual amounts to the commuting and privileged ministers and to Queen's College on the 30th June and 31st December, 1881. The expenditure for the year, including as already stated one full half-year's payments and the partial half-yearly payments, was \$41,659.87—of which there was paid to the ministers \$33,917; to Queen's College, \$3,000; for law expenses, \$2,707.50; ordinary expenses of management, \$831.77; and transferred to the contingent account, \$1,200; interest on overdrawn account, \$3.60. The balance due the bank, as per statement of account at the 1st of May, was \$444.62; to which must be added two outstanding cheques for \$219 each; making the balance due the bank \$882.62 the 1st of May last.

THE ASSETS, as per accompanying memorandum, amount at this date to \$307,805.38. There was realized from the liquidation of the Consolidated Bank of Canada, \$5256.96. The only new investments made during the last twelve months are two mortgages, one for \$3700 and one for \$12,000—both at 6 p. c.

THE CHANGES ON THE ROLL are as follows: The Rev. Walter Ross, of Beckwith, died on 7th July, 1881, aged 48; Rev. James C. Muir, D.D., of Georgetown, died on the 9th of July, 1881, aged 83; Rev. Thomas Scott, of Plantagenet, died 7th August, 1881, aged 65; Rev. Alexander Forbes, of Waterdown, died on 30th October, 1881, aged 68; Rev. Telesphore Brouillette, removed to Centreville, Washington Territory, U.S., in 1881; and Rev. H. D. Steele joined the Church of England in 1881. The aggregate amount paid to these ministers yearly was \$1900. The number of commuting ministers now on the roll is *twenty-seven*. Two of these are professors in Queen's College. Intimation has been received, however, that one of them, the venerable Dr. Williamson, has retired from active duty in the College. Of privileged ministers there are *nine*, one of whom is a professor in Queen's College. Of non-privileged ministers there are *ninety*, three of whom obtained leave from the General Assembly to retire from the active duties of the ministry.
