NOTE.—We have done the best we could with the data at hand to make the following summary exact, but, doubtless, have fallen into some errors, especially in the averaging of salaries, as we cannot be sure just how many ministers and preachers were stationed. In general, we have assumed that such appointments were made where the Minutes say "One to be sent," or "To be supplied." The table is approximately, though most likely not absolutely, correct.

MINUTES OF THE PROCEEDINGS
OF
THE LONDON CONFERENCE
OF
THE METHODIST CHURCH,
HELD IN THE CITY OF LONDON, ONTARIO, 1889.

The Conference began its Sessions in the Dundas Centre Methodist Church, in the City of London, on Thursday, June 6th, 1889, at 9 a.m.

The President, Rev. JAS. GRAHAM, announced the 683rd hymn. The 4th chapter of 2nd Corinthians was read, and the Conference prayer-meeting was continued until 10 a.m.

As members of this Conference, the laymen elected by the several Districts were reported to the Conference.

An appeal was made to the chair on the point—"Is the election of a lay delegate to this Conference, who is not a member of the District electing him, legal?"

The President ruled in the affirmative.

The roll was called; 105 ministers and 42 laymen answered to their names.

The President presented the Report of the Transfer Committee:—

Transferred from this Conference.—Rev. J. V. Smith, Rev. S. T. Bartlett, Rev. John Wood, Rev. J. M. Hodson, M.A., Rev. E. B. Ryckman, D.D.

It was resolved that the hours of Sessions be as follows:—

Conference to meet at 9 a.m., adjourn at 12 noon; reassemble at 2 p.m. to adjourn at 5.30.

A certified copy of the first draft of stations was laid on the table and, on motion of B. Clement, seconded by Wm. Hayhurst, it was accepted as read.

The Conference adjourned at 11.50, the President pronouncing the benediction.

Afternoon Session.

A communication was received and submitted to the Conference from the Rev. T. B. Leith, of the Detroit Conference, applying for admission into the London Conference, which, on motion of Dr. Ryckman, was laid on the table.

The Conference then proceeded to the election of President. The Rev. WM. McDONAGH was elected on the first ballot.

QUESTION.—What Ministers or Probationers for the Ministry have died during the year?**WILLIAM YOKOM.**

Rev. Wm. Yokom departed this life in great peace on the 30th day of April, 1889, in the town of Aylmer. Brother Yokom was born in St. Catharines, Ont., September 17th, 1819, and was converted to God September 3rd, 1838, under the labors of the Rev. Leonard Salisbury. He became an exhorter in the Methodist Church while a young convert, afterward a local preacher, travelling some five years under the Presiding Elder. He became a member of the Niagara Conference of the late Methodist Episcopal Church in 1858. His first appointment was to the Walsingham Circuit, thence to Chatham, and after twenty years of faithful service in the itinerancy, he closed his effective ministry on the Tilson-

burg station in 1879. Since that time he has held the ever-honored position of an approved superannuated minister of the Church of God unto the close of his natural life. Brother Yokom has left on earth to mourn his departure a sorrowing widow, three daughters, one son—now in the ministry in the United States—and a large circle of warm friends. As the closing moments of his life drew near, with his beloved wife and family around him, he waved his hand twice toward his heavenly home, bowed a final farewell, and sweetly fell asleep in Jesus. A suitable funeral service was held in the Methodist Church, Aylmer, May 2nd, conducted by the Rev. W. S. Pascoe, D.D., after which six ministers bore his mortal remains to the Aylmer cemetery, where they await the resurrection of the just.

THOMAS HANNA.

In the Canada Conference Wesleyan Minutes of 1845, in answer to the question, "Who have travelled one year?" we have the name of Thomas Hanna. He was born in Armagh, Ireland, in 1815, emigrated with his father's family in 1820 to Canada, and settled in Augusta. He was converted when about seventeen years of age, commenced to preach in 1839, and in 1845 was recommended to the Wesleyan ministry. He had spent some years on circuits, and two at Victoria College, when, at the Conference of 1850, held in Brockville, he was admitted into full connexion, and set apart to the full work of the ministry by the President, the Rev. Matthew Richey, D.D., just three years after the second union with the British Conference. After travelling for a great many years on Circuits, he was appointed to Walpole Island, where his labors were made a blessing to the aborigines of that place. While there he passed through the deep waters of personal affliction and trying family bereavement, which he bore with Christian fortitude; and a few months before his own death he lost his devoted wife. At our last District Meeting, in the summer, he said he lost four of his children through his residence on Walpole Island, in the mission house there. He became superannuated in 1881, and took up his abode near Port Lambton. He spent a great deal of his time, especially the last year, in preaching and lecturing on adjoining circuits, until a short time before his decease, so that it may be said of him he ceased at once to work and live. Joseph Hill, in his retirement writes (the two were received and superannuated at the same time): "As a preacher, his sermons showed that he was a Bible student, and he preached some of the best sermons I have ever heard. And I have never heard him preach a sermon that did not evidence the fact that he was competent, 'rightly dividing the Word of Truth.'" The venerable Dr. Sanderson says that when he had charge of the Cobourg District, Brother Hanna was a man of great energy and devotion to his work. Possessing more than average ability, he was popular on the fields of labor he occupied, and quite successful in winning souls to Christ. As a controversialist, he was more than ordinarily able, and more than one thoughtless disputant had reason to regret provoking Brother Hanna to a wordy contest, in which he was uniformly victorious. He had a large and generous heart, and his best powers were consecrated to God, and employed for the enlargement of the kingdom of His redeeming Lord. His last illness was short. When he was asked if he was prepared to die, he said he had been prepared for a long time, and would soon enjoy the kingdom. His last words expressed his abiding confidence in the merits of Christ, "my Saviour." On Sunday, April 7th, 1889, aged seventy-four years, in the forty-fifth year of his ministry, he passed away to be with his Saviour forever. Six of his brethren bore his remains to the silent tomb. The chairman, Rev. W. Hayhurst, assisted by other ministers, as nearly all in the Chatham District were there, conducted the funeral services and consigned his body to the grave. He leaves five children to mourn his departure. Another aged member of the Conference has gone. They are being gathered home one by one. Let us emulate his virtues, and with him wear the victory's crown forever.

WILLIAM T. TURNER.

Rev. W. T. Turner, of Harrow, London Conference, was born in London, England, July, 1842. His father with two children emigrated to Toronto, Ont., on the death of his wife. In attendance on the faithful ministrations of Rev. George Young, D.D., he was led to Christ in the spring of 1861. From that period he was enabled to prove faithful in the service of the King of kings. He expressed himself years after as rejoicing that by the grace of God he had never consciously backslidden. He subsequently went to live in Detroit, and united with the Methodist Church, of which the noted Dr. Buckley was then pastor, under whose fatherly care and loving counsels he received much benefit that gave character to his after life. From that faithful minister he received his first license to preach. Shortly afterwards he returned to Ontario, and lived for a time in Seaforth. From that town he was drafted into the noble army of Christ's itinerants, and was sent to the Howick Mission. Brother Turner was ordained at the Wesleyan Conference of 1873, and was united in marriage to Miss Mary H. Horsey, of Toronto, who now mourns the loss of one of the most loving of husbands. On all his fields his devoted labors were abundantly blessed in the ingathering of many souls. For his work he manifested singular and marked ability. Many to-day bear witness to his painstaking and faithful efforts that resulted in their conversion.

His pulpit ministrations were full of sound doctrine. Well versed in our standard theology, possessed of a strong intellect, he was quick in discerning truth or delusive fallacy. He had a keen insight of character, and was blessed in a high degree with that invaluable gift, common sense. Of a kind and generous disposition, he delighted in conferring favors when in his power, often relieving suffering and poverty, quietly and liberally from his slender income. He had uncommon strength of purpose, that saw no obstacle too great to overcome. His integrity was unbending, never swerving from his honest convictions, no matter how tempted. Characteristically modest, he was ever disposed to manifest deference to others. He was carefully loyal to all the institutions of the Church, and strongly conservative of its interests. His last illness was of short duration. On his removal to Oxley, Harrow Circuit, it was found necessary to renovate both the church and parsonage in that place. Our brother entered heartily into those schemes. On November 4th, at the Quarterly Meeting, he preached with seemingly unusual unction and power. To all present it was a precious profitable time. At the close of the prayer-meeting, after the evening service, he earnestly urged the friends to keep the spiritual fire burning, and, as the church was unfinished, he invited them to hold their prayer-meeting in the parsonage during the week, little thinking of the purpose for which they would so soon assemble. On the following Tuesday he was stricken with a disease which baffled the skill of an attentive physician and tenderest care of kind friends. Notwithstanding their unremitting efforts, he passed suddenly away on Sunday, November 11th, 1888. He remained conscious until the last, and though suffering intensely, would speak in glowing terms of the bright prospects before him, and, breaking forth in rapturous exclamations, could be heard in the streets shouting the praises of the Most High. His end was grandly triumphant, and his chamber of death to all present was one of the privileged spots of earth, quite on the verge of heaven. Strong men bowed in tearful joy, and said then and since: "Let me die the death of the righteous, and my last end be like his." A very large concourse of friends assembled from the different neighboring fields on which he had labored. Ten of his brother ministers were present, and many of them, led by his worthy and much beloved Chairman, Rev. Wm. Bryers, gave very touching testimony to the piety, usefulness, manliness and sterling worth of the departed. His remains were then tenderly borne by his brethren to their present resting place in an adjacent cemetery. Seldom has a people manifested more marked kindness in the sickness and demise of a beloved pastor, who was to them a comparative stranger, but who had wonderfully endeared himself to both young and old, in his short sojourn among them.

QUE

JAMES ALBERT IVISON.

Rev. James Albert Ivison was born near Newcastle, Northumberland County, England, on the 28th of November, 1831. In early boyhood he obtained a new heart. In his nineteenth year he came to Canada, and about two years afterward entered the ministry of the Methodist Church, where for nineteen years he labored earnestly and with success. About this time his health failed, and for some ten years he sustained a superannuated relation, making his home in Strathroy, for whose people he formed a strong attachment. As soon as restored health permitted, he joyfully re-entered the work, and for a period of nearly six years again declared the Gospel so dear to his own soul, until he fell in the midst of his work. From Heb. vii. 25, "Wherefore he is able also to save them to the uttermost that come unto God by Him, seeing He ever liveth to make intercession for them," his last sermon was preached on Sabbath, March 31st, 1889, with an earnestness that well befitted the ambassador of Jesus Christ in his last utterances to dying men. About three weeks of painful illness, endured with patience and resignation, brought him to the banks of the river across which came suddenly the "Welcome home!" "Well done!" and front the banks of the beautiful St. Clair he passed to the shores of the sea which John saw in his Patmos vision. In the early morning of April 18th, the cheerful, happy Christian had left wife, work, and friends, and what he believed to be one of the happiest homes on earth, to be "forever with the Lord." In life he had many friends who loved and trusted him, and to-day there are many who feel and mourn his absence. His mind during the year dwelt much on the thought of heaven and life there. Shortly before his death he spoke of his strong faith in Jesus, and the certainty of his "triumph in Him." In looking back, his sorrowing wife will take comfort in the sympathy felt for her, and the respect shown to his memory by his brethren of the Ministerial Union of Sarnia and Port Huron, and by those who conducted his funeral obsequies. In the St. Clair Church a brief and impressive service was conducted by the Rev. Thomas Cullen, assisted by the Revs. S. G. Staples and J. H. Stinson, after which his remains were taken to Strathroy for burial. Here, after seemly and suitable services, conducted by the Rev. W. McDonagh, assisted by the Revs. George Brown, J. Neeland and J. K. Williston, his body was quietly laid in the arms of its mother-earth, to await the coming day. On the following Sabbath evening his funeral sermon was preached in Sarnia Methodist Church by the pastor, the Rev. T. Cullen; and at the close, brief and appropriate addresses were delivered by the Rev. Dr. Thompson, of St. Andrew's Presbyterian Church, and Chief Jacobs, interpreter of the St. Clair Reserve. "He died at his post." When the work is finished, and the eventide has come, may his dear wife and people meet him in the land beyond the twilight where the shadows never gather.

REPORT OF STATISTICAL COMMITTEE.

Your Committee beg to report that the Statistical returns have been carefully compiled, and we here present the following summary :—

It is gratifying to be able to state that these figures indicate an increase in the membership and in every one of the Connexional Funds—especially noticeable in the Educational Fund.

Your Committee recommend that in future the Secretaries of Districts meet together before the opening of Conference, and be prepared to place accurate and completed schedules in the hands of the Secretary of Conference, so that the Statistical Committee may be able to verify and tabulate results, without being called to meet and rectify the errors and discrepancies, which have annually taken so much of their time.

THE SUNDAY-SCHOOL COMMITTEE.

Your Committee are pleased to report that success attends the labors of all Sunday-school workers throughout the Dominion, and it affords us much pleasure in being able to report that our own Conference comes in for its full share. Comparison with last year shows that there has been an increase of 100 in church membership, among officers and teachers, with 200 conversions, and of 400 meeting in class; thus giving the additional influence of more than 500 consecrated lives in connection with this department of church work. among officers, teachers, and scholars, of 800, we are enabled to report a grand total of nearly 30,000 engaged in Sunday-school labors within the bounds of our own Conference.

Your Committee beg to recommend as follows :—

1. That more attention be given to the attendance of the children at the regular church services. With this end in view, we would suggest that once during the quarter the church services be so arranged and conducted as to be made especially interesting and profitable to the interests of the Sunday-school; and that pastor, parents, officers, and teachers heartily co-operate in trying to encourage the children and young people to take part in these services.

2. That in every possible way the principles of Temperance be taught in our schools. We recommend that one service each quarter be devoted to the study of this important subject, and that the total abstinence pledge be introduced in all our schools. We would suggest the advantage gained by having, where possible, these pledges placed in conspicuous places for public inspection, and that the full number of signers be reported annually to the Conference.

3. Your Committee would call attention to the large number of schools which have no regular teachers' meetings for the study of the lesson, and would recommend that the ministers endeavor to secure closer attention to this, so that the teachers themselves may receive benefit, and be able, without depending so largely on lesson helps, to teach the Word of God.

4. We regret to report a growing neglect of the use of the Catechism in our schools, and suggest that each Superintendent of a Circuit recommend and insist on the study of the Catechism in all primary classes of our Sabbath-schools.

5. We recommend that the Sunday-school Report be read with the pastoral address in each congregation and Sabbath-school, and that each minister see that his Sabbath-school Superintendents are made aware of this request.

6. It affords us much pleasure to report an increase of more than \$200 in the missionary offerings, making a grand total of nearly \$2,500 for the year; and we recommend that attention be called to the Disciplinary recommendation for Juvenile Missionary Societies in all our Sabbath-schools.

7. We are pleased to notice the increasing demand for the excellent periodicals and publications of our own Book Room, and we recommend that the attention of all Sunday-school Committees be called to the advantages gained by and importance of using Methodist literature in all our Sabbath-schools, in preference to foreign publications.

All of which is respectfully submitted.

THE MEMORIAL COMMITTEE.

Your Committee, having considered the communications referred to them, came unanimously to the following conclusions, and beg to report accordingly:—

In regard to the special resolution from Chatham District, respecting certain communications that have appeared in the public press, etc., etc., your Committee beg leave to report to Conference, that in their opinion the communications have to some degree been uncharitable, and hope for improvement in the tone and expression of newspaper correspondence relative to the interests of our Church. But, at the same time your Committee is of the opinion that the memorial takes too gloomy a view of the matter when it speaks of this correspondence as "Endangering the peace and prosperity of the Church"; and your Committee also commend the advice of the memorialists, suggesting to "both ministers and laymen the wisdom of taking time to consider any vexed question, soberly and together, and with a view to the Glory of God."

2. In reference to the memorials from Glencoe East and West Side Churches, your Committee beg to report a follows :

That after careful consideration of the matter on hand, and with a desire to advance the interests of Methodism, and the cause of God, as well as to sustain the action of our Church courts and Discipline; we recommend that the Circuit now known as the Glencoe Circuit, be continued as at present.

We further recommend the sale of the two properties in question, the proceeds of such sale, after all liabilities have been met, to be used in the erection of a new church suitable to the necessities of the amalgamated congregations.

3. Respecting the memorials from Windsor District and St. Thomas First, Quarterly Board in *re* the invitation system, and the composition of the Stationing Committee, your Committee have come to this conclusion :

That whereas this Conference is not a legislative body, and cannot, therefore, make laws pertaining to the administration of the Church, we recommend, that this matter be not introduced into this Conference as there is no probability of effecting any satisfactory change in the present state of affairs; but that all memorials of this nature be passed on to the General Conference for their consideration.

SUPERANNUATION FUND.

Annual Report of the Board for the Year ending July 31st, 1888.

I have pleasure in again presenting to the Board the Annual Exhibit of the state of the Fund.

Although the past year has been one of great stringency in money matters, the income of the Fund has been sufficient to meet the claims of the year, and to pay off the balance against the Fund, with which the year was commenced.

The amounts apportioned to the several Districts have been paid, with comparatively trifling exceptions, and the claimants have received their full allowances.

I am sorry, however, to say that quite a number of our most poorly paid ministers have been compelled to make up deficiencies which should have been paid by their Circuits; but so willingly has this been done, in obedience to the law of the Church, that in very few instances have I heard any complaint.

The estimates for the coming year have been very carefully made, and I venture, with some hesitation, to recommend that the percentage be no higher than 6%, the same as last year, although that may leave a small deficiency against the Fund.

The coming year will be a trying one, arising from several causes. The amount of assessable income has not materially increased. The number of additional claimants is greater than usual, and their claims exceptionally heavy. There will probably be a falling off in the Interest account, as we will have to make a change in the securities of a considerable amount of our Investments, and the interest has been very closely collected.

The above is the Treasurer's Report, as adopted by the Board.

JOHN BREDIN, *Secretary*.

IN, Secretary.

In the years preceding the General Conference of 1886, the salaries of the General Superintendents were paid in part by the Missionary and Educational Funds, on the ground that the advocacy of the chief officers of the Church did very materially benefit these departments of the Church work.

According to the then existing law, the Fund paid only \$2,000 annually for the above purpose, or at the rate of \$8,000 for the full quadrennium. The legislation of the General Conference of 1886 (I think, unwisely) enacted that the whole amount required for the above purpose should be paid by the Fund, which amount during the quadrennium is \$18,400, an increase of \$10,400 during the four years on this one item.

The General Conference, through the Financial Committee, provided for meeting this increased claim, by apportioning to the several Annual Conferences, on what they considered an equitable basis, such sums as they deemed necessary to meet these claims, and the Conferences, through their representatives, accepted such apportionments. (See Journal, page 251.)

I consider the estimates made by the Financial Committee of the General Conference to be moderate and approximately correct, and I think the whole of these apportionments will be required to meet the claims against the Fund during the quadrennium.

The following tabulated statement will show how far the several Conferences have been successful, up till the 1st of September, 1888, in raising the amounts required from them respectively. According to the estimates of the Financial Committee of the General Conference, I would say just here, in addition, that one-half of the quadrennium is now past, and one-half of the estimated amount should be in the Treasurer's hands.

From the above facts and figures, it will be seen that less than one-half of the amount estimated as necessary has been paid in the past two years by the Conferences; \$15,080 required, say \$7,150 paid, and \$7,930 still deficient on the two years. These figures speak more eloquently than anything I could say. What is to be done? This is a question properly belonging to the several Annual Conferences. That something should be done, and done generally and promptly, I think all will admit. The next meeting of the Annual Conferences should not be allowed to pass without very decided action. All the Conferences might not be disposed to take the same action; some might be disposed to adopt an additional collection to make up the balance, while others might prefer to do it by a private subscription among the friends of the Church. The amount should be raised in some way by each of the Conferences.

To prevent misunderstandings, it may be necessary to say that, as our year closes on the 31st of August, and the year in the Annual Conferences closes about June, it will be in vain to expect that our figures will agree with those returned in the Minutes of the several Annual Conferences.

THE TEMPERANCE COMMITTEE.

When we consider the progress the cause of Temperance has made we thank God and take courage.

Though the Canada Temperance Act has met with reverses, yet we believe the temperance sentiment is stronger to-day than ever. By the defeat of the Act we have gained better knowledge of the strength of the liquor traffic, and to-day men are thinking, watching, and comparing.

We have also learned that if we would reach the goal to which, as a Church, we have long since started, we must remember that hard work and practical living, and not mere sentiment, must prevail. Perhaps there never was a more critical time in the history of the Temperance movement in this country, than the present hour. For years we employed moral suasion, with a good measure of success. We were then given an Act which was in some measure prohibitory. Perhaps we relied too much on the Act and too little on action for success.

The work is now only begun, and, as a Church, we will be satisfied with nothing less than Prohibition for the Dominion of Canada. In the past we have been looking to the political parties in this country to give us what we asked for, viz.:—A measure that could be successfully sustained, but they have persistently refused to do so. We feel that the political parties of this country have been recreant to the trust reposed in them, regarding this matter, and we see no way of securing Prohibition, at an early date, save by cutting loose from party lines, and by using our franchise to sustain that party only that will give us a prohibitory measure for the Dominion.

Possibly we could not do better than ask ourselves the question, Are we willing to sacrifice our political prejudices for the sake of obtaining that which we are seeking, viz., prohibition for this Canada of ours?

Brethren, we must learn to vote as we pray. Your Committee would strongly urge upon the ministers of this Conference the importance of keeping the Temperance question before their people by preaching Temperance sermons, and having the total abstinence pledge signed by the children in our Sabbath-schools.

We would make mention of the great good effected by the Women's Christian Temperance Union, and express our unqualified approval of their method and work.

We would also call the attention of our people to the importance of having the Crooks' Act put in force at a very early date, and taking all possible measures to prevent licenses being granted to sell intoxicating liquors where a requisite number of the electors can be found to prevent it.

We appreciate the sound, wholesome, and attractive temperance teaching of our Sunday-school publications, and recommend its continuance.

On motion of Rev. R. C. Parsons, seconded by Rev. T. T. George, it was recommended that the Rev. W. W. Shepherd, T. R. McNair, and A. I. Snyder, with Messrs. James Shepherd and Henry Smith, be a Committee to gather statistics and confer with similar Committees of the other Conferences touching Temperance legislation.

THE COMMITTEE ON THE STATE OF THE WORK.

Your Committee on the State of the Work record their devout thankfulness to God for a year of rich blessing and of gracious results in every department of the Church.

The divine benediction upon the general and special work of the Church enables us to report an increase of membership, allowing for all losses, of over 900 souls.

We rejoice in the success of our accredited Conference evangelists, but desire to emphasize the importance of all our people, on the various Circuits, gathering around their respective ministers. Such united efforts cannot fail to result, through the blessing of God, in large ingatherings to the fold of Christ.

Our Sunday-school work is marked by progress in numbers and intelligent equipment. We feel, however, that more earnest efforts should be directed toward the salvation of the children.

We are glad to report a handsome increase in all our Connexional Funds; while the Educational Fund marks an advance of \$400, after liberal contributions to Federation.

Compared with the past, the general survey gives abundant cause for thanksgiving, while at the same time the privileges and the doors of usefulness that God has opened to us demand a deeper and wider consecration to the Master's work.

J. W. ANNIS, *Chairman*.

THE COMMITTEE ON THE JESUITS' ESTATES ACT.

Resolved,—1. That this Conference now assembled in the City of London solemnly and earnestly protests against the permitted aggressions of the hierarchy of the Church of Rome to the serious prejudice of our civil and religious liberty. More especially do we protest against the recent Acts passed by the Quebec Legislature, and not disallowed by the Dominion Government, for the incorporation and for the endowment of the Jesuits—a society which has been banished from England in 1579, and the act re-affirmed not less than four times between that date and 1791; outlawed by an Act of the Imperial Government in 1829; disqualified by Imperial statute to hold any property within the British Empire; and further disqualified from holding property in Canada when Quebec was surrendered to Great Britain, and whose estates were confiscated and taken possession of by the Crown in 1774, and applied for educational purposes under the control of the Provincial Legislature, according to Act of Imperial Parliament in 1831, and affirmed by the Parliament of Canada in 1856; and which society, further, has been expelled from nearly every Christian and civilized country throughout the world—Roman Catholic as well as Protestant—because of its influence in the subversion of government and the corruption of morals; and which society, for similar and other causes, was abolished by the Pope of Rome Clement XIV., in 1773.

Resolved,—2. That we further protest against the recognition of the

authority of the Pope in any civil affairs of a British province as a dishonor done to our Queen—as in the Jesuits' Estates Act; and further, against the appropriation of public funds to ecclesiastical and sectarian uses, as a discrimination betwixt religious bodies, and subversive of the principle of separation of Church and State, as recognized in the British North America Act; and we further declare that our best aid and unceasing influence shall be given to all legitimate efforts to secure the disallowance of these unconstitutional and pernicious Acts by petition to the Governor-General in Council, by application to the courts of law, and, if needful, by appeal to Her Most Gracious Majesty the Queen.

Resolved.—3. Whilst thus moderately setting forth our conviction and determination, we disclaim all intention and desire to interfere with the rights of our Roman Catholic fellow citizens in civil and religious matters, conceding to them, to their fullest extent, what we claim for ourselves, but not a jot more. We desire earnestly the peace and prosperity of our country, and justly cast upon aggressors the responsibility for disasters which we gravely apprehend will ensue.

We stand for the honor of the Crown, the equality of rights, the liberty of the subject, and the full freedom of worship according to the dictates of conscience for all classes; and, whatever the cost may be, by the grace of God, we will stand for these to the end.

I. B. AYLESWORTH, LL.D., *Chairman*.

G. R. SANDERSON, D.D., *Secretary*.

THE COMMITTEE ON SABBATH OBSERVANCE.

Believing that a proper observance of the Christian Sabbath, lies at the foundation of true success, whether of the individual, the Church, or the nation, we recognize the great responsibility of the Church to do her utmost to secure universal recognition and obedience to God's great commandment to "remember the Sabbath day to keep it holy," and to exercise great care that her own example be pure in this respect.

While we recognize with profound gratitude that, perhaps, in no country in the world, is the Lord's Day more honored than in our own fair Dominion, we, nevertheless, view with concern the many forms of Sabbath desecration that are all too common in our midst—such as excursions, pleasure parties, general recreation, railway and steamboat traffic, and other unnecessary labor. And we would urge upon all Christians to draw the line distinctly in these matters.

We are pained to observe the extent to which Sunday visiting is indulged in by our members and their families in many localities, and we fear this evil is growing, because the sin and evil results of the custom are not set before our people with sufficient force and frequency. We would recommend that suitable reference be made to this evil in our Conference Annual Address.

Having observed that funerals are held more frequently on Sabbath than on other days, and believing that this causes much unnecessary labor, and also materially interferes with our Sabbath services, and our Sunday-school work, we would recommend that all our ministers with the aid of the Quarterly Boards, and in conjunction with the ministers of other de-

We would urge upon our own people and the communities in which they labor, to avoid all manufacturing and other labor, such as cheese making etc., etc., on the Sabbath.

We believe that some good has been accomplished by the memorials and petitions to corporations and governments, especially in reducing the amount of traffic on some of the great lines of travel on this continent; but we are persuaded that in view of the great strength of the Christian churches, this line of work would be made a much greater power if greater system, and more general co-operation could be secured. With a view to this end, we would recommend the appointment of a Conference Standing Committee, to confer with other Conference and Church Committees, and have a general outlook and oversight of this work in the interim of Conference. We would also suggest that the following be said committee for this year:—The President of the Conference, Rev. T. Cosford, J. Philp and James Whiting, and Messrs Ransom Pierce, of Ridgetown, Wm. Bowman, of London and James Beatty, of Sarnia.

Further, we would recommend that all our ministers preach at least once on the subject of Sabbath Observance at each appointment on their circuits.

REPORT OF EXAMINING BOARD.

The Annual Meeting of the Board of Examiners for London Conference was held in the King Street Methodist Church, London, on the 17th and 18th of April, 1889.

The Examiners were all present, though, as usual, some were late in attendance.

Nine probationers and four candidates appeared for examination.

One first-class, five second-class, and one third-class certificate, were granted. Two candidates for probation failed in the preliminary course.

At the Public Meeting on the Thursday evening, the President, Rev. Dr. Pascoe, and Rev. Wm. McDonagh delivered able and instructive addresses.

The Board recommends to the Conference:—

1. That A. C. Courtice, B.D., J. W. Annis, M.A., and John Learoyd, be members of the Board.

2. That the other members of the Board be as they were last year, with the exception of those who are now removing from the Conference.

3. That J. G. Scott be Secretary of the Board.

4. That Watford be the place of next meeting.

E. B. RYCKMAN, *Secretary*.

Moved by Rev. J. R. Gundy, Seconded by Rev. Dr. Sanderson, and *Resolved*,—That we desire to place on record our high appreciation of the valuable services of Rev. Dr. Ryckman, who for many years has been associated with the work of this Board, and for the past two years has performed the onerous duties of Secretary of the Board with great efficiency; and our extreme regret that we shall be deprived of his valuable services, on account of his transfer to the Montreal Conference.

We also record our regret at the separation from this Board of Rev. J. V. Smith, on account of his transfer to the Toronto Conference; and we hope and pray that the divine blessing may continue with these beloved brethren, and that their usefulness in the future may be even greater than in the past.

VACANCIES IN GENERAL CONFERENCE FILLED.

In view of the action of the General Conference Special Committee, authorizing the Annual Conferences to arrange for the filling of vacancies which have occurred in their representation since the last General Conference—the names of two laymen being reported as having died—the laymen of the Conference were directed to withdraw to the parlor of the church, for the purpose of electing representatives to fill the vacancies thus created.

The ballot resulted in the election of Ransom Pierce, of Ridgetown, in place of the late Thos. Schlenker, of Ridgetown, and of George Robinson, of London, in the place of W. H. Armstrong, of Strathroy.

REV. JAMES GRAY.

Moved by Rev. W. W. Shepherd, seconded by Rev. E. Fessant, and *Resolved*,—That the cordial and hearty thanks of the Conference are due, and are hereby tendered, to the Rev. James Gray, Treasurer of the Superannuation Fund of this Church, for his able management of said Fund, and we beg to assure the Treasurer that we have the fullest confidence in his management of said trust.

BOOK STEWARD.

Moved by Rev. Dr. Sanderson, seconded by Rev. W. W. Shepherd, and

Resolved,—That this Conference has listened with great pleasure to the Report presented by Rev. Dr. Briggs, showing, as it does, satisfactory advance in the issues, sales, and profits of the establishment. The Conference would, at the same time, express emphatically its approval of the successful measures adopted for the erection of the new Book Room, now nearly completed, on Richmond Street, Toronto, and which, when completed, will be the largest and best equipped book and printing establishment in the Dominion. For this we are largely indebted to the Book Steward, and to him we cheerfully accord the merited commendation.

REV. DR. POTTS.

Moved by Rev. Dr. Sanderson, seconded by Rev. J. R. Gundy, and *Resolved*,—That this Conference is in warm sympathy with the General Secretary of the Educational Society in his laudable and successful efforts to advance the financial and general interests of the Educational Society, and we voluntarily pledge ourselves to co-operate with him in all his labors throughout the Conference, to promote all the educational interests of the Connexion.

COLLEGE FEDERATION.

Moved by Rev. Dr. Ryckman, seconded by Rev. J. G. Scott, and *Resolved*,—That this Conference is convinced that, all things considered, the federation of Victoria University with the Provincial University, in pursuance of the action of the General Conference, is the true policy of the hour in regard to our Educational affairs; expresses its regret for the action of those anti-federationists who have resorted to the extreme

ALMA COLLEGE.

Moved by the Rev. Jos. Philp, seconded by the Rev. J. V. Smith, and *Resolved*,—1st. That we have listened with very great satisfaction to the Report of Alma Ladies' College, St. Thomas, as presented by the Rev. B. F. Austin, B.D. We rejoice in the successful completion and opening of McLachlin Hall, and in the growing efficiency and enlarged success of an institution of which we all are justly proud. We can assure the worthy Principal and the Board of Management that we shall gladly assist them at any time in the accomplishment of the work which they labor to do.

2nd. That the Report now presented be printed in the Minutes.

REPORT OF ALMA COLLEGE.

DEAR FATHERS AND BRETHREN,—We are grateful to a kind Providence that has preserved the lives and blessed the labors of our teachers and students through another year. We rejoice that we are able to report a year of prosperity, both in regard to the numbers in attendance and the quantity and quality of the work done in the various departments. We continue to receive the patronage of all Christian denominations, and have reason to believe that there is a growing public confidence in the thoroughness and efficiency of the work done within our halls. The completion and opening of McLachlin Hall marks an epoch in the history of our school. The building is not only of surpassing beauty, but most admirably adapted to the needs of collegiate work. It has so increased the capacity of the College that at least seventy more resident students can now be received, besides giving us a chapel with seating capacity of 500, some six additional class-rooms and an art gallery, which has been pronounced the finest in the Province.

We are glad to report healthy religious interest in the school, manifested by the attendance upon prayer and praise services in the College, and class-meetings and other voluntary services. Our College Missionary Society is doing a grand work in educating the minds and hearts of the young women, and inspiring them with burning interest in the world's evangelization. Three of our former students are now in China and Japan, and others are contemplating work in the mission field.

Our enrolment has been 175 students—140 residents and 35 day pupils. Of the total enrolment, 15 come from the United States. Our attendance was somewhat lessened by the prevalence of small-pox epidemic in an adjoining community.

Our Natural Science Department has been enlarged, and more efficiently equipped with needed apparatus. Our Music Department was never better attended or more firmly established in public favor. Our Commercial Department continues to attract and qualify young women for efficient services in business life. Our full Literary Course, with its Departments of Science, Mathematics, Literature, Languages, Christian Evidences and Philosophy, is giving young women an intellectual training of a thoroughly liberal and distinctively Christian character.

Our Art Department, with its new gallery and apparatus, is attracting students from all parts of Ontario, and in the recent Departmental Examinations more than retained its former high reputation—Alma winning 108 certificates in all, taking the only four full advanced certificates given in the Province, and winning, in addition, two gold medal certificates.

The response to the appeal for aid in the building of the McLachlin Hall has been encouraging. There has been subscribed nearly \$12,000—St. Thomas contributing \$5,000. Over \$6,000 of the amount subscribed has been paid. The total expenditure incurred to date on the new building is \$19,000.

The increasing sympathy shown the College in its work furnishes good grounds for expecting that there will be forthcoming all needed financial aid to keep the school fully equipped and thoroughly abreast of the times, and to enable it to do its share in retaining the education of Protestant girls in Protestant hands. It is a well-known fact that the numerous convents with which we compete are practically endowed through the gratuitous services of their teachers, and also liberally supported through accumulated benefactions of zealous friends of convent education. It is the undisguised aim of the convent system to control the education of women, and all Protestant colleges for women should be in such financial condition as to offer educational advantages as inviting as the best, and at rates that will remove all temptation for extending Protestant patronage to convent-schools.

The ladies' colleges should be powerful auxiliaries to the Missionary and Educational work, and should be recognized and affiliated in compact organization with our central university work. The fullest realization of this depends in measure upon the support of the ministers of the Conference, who can do much to awaken interest, promote patronage and direct benefactions.

The Board highly appreciates the expressions of confidence made by the Conferences, as well as the hearty co-operation of many individual members thereof, and has derived much benefit from the advice and counsel of the associate members appointed by this Conference.

Signed in behalf of the Board of Management of Alma College.

B. F. AUSTIN, *Principal*.

R. I. WARNER, *Secretary*.

welcome Rev. A. Burns, D.D., LL.D., among us, the Principal of the pioneer ladies' college of the Dominion. We rejoice in the refining influence which the institution has exerted on the mind of our Church and country; and we assure its gifted Principal that he will always be welcome to the London Conference, and heartily wish him more abundant success in his important work; and that the report of the Wesleyan Ladies' College, now read, be inserted in the Minutes of this Conference, in connection with this resolution.

REPORT OF THE WESLEYAN LADIES' COLLEGE, HAMILTON.

DEAR BRETHREN,—To our Church belongs the honor of having the first University chartered in Canada—Victoria College, and the first College incorporated for the higher education of women—the Wesleyan Ladies' College, of Hamilton. The first is prosperous, in good health, and doing a grand work. Others will speak to you about it. The second is equally healthy, and doing work that may tell as much on the future prosperity of the country. Each was the first of its class—incorporated in the British Empire.

The Hamilton Ladies' College was instituted with the idea that neither for buildings nor current expenses should the Church be appealed to; and, although it is in part governed by the Church, it has never cost the Church a dollar.

As there are more than 240 of our graduates, and thousands of our ex-students scattered throughout the country, many of you know the history of the Institution, and are conversant with the work it is doing. We are pleased to be able to say that the College was never so well prepared for thorough and advanced work—never so well equipped as it is now. The examination papers for all its advanced classes are prepared and valued by outside examiners—graduates of other colleges. Our course runs through four years, and is a fine preparation for an intelligent life, whether that life be spent in educating and adorning the home, or devoted to pursuits of a professional character.

We are always proud of our equipment in Music and Art, and some marked improvements are in progress. You will be pleased to see the prominence we give to Biblical Studies, Evidences of Christianity, Mental and Moral Science—and in this respect, as indeed in all others, we are workers together with you. We have had a prosperous year, educationally, and will graduate, on the 17th, a good class of over a dozen in the different departments. We trust that we may have your active endorsement. We are sure the Institution never merited it so much. Wishing you all the happiest results in your labor of love, we are, brethren,

Very sincerely yours,

Whitby, in a statement of the affairs of the College, and in setting forth the various advantages of that institution as to tuition, healthfulness and convenience of location, this Conference desires to express its great gratification with the account presented of the ever-increasing prosperity that attends the work of this school for the higher education of the young ladies of the Church and of the country. The larger number of pupils enrolled during the past year, the increased facilities for imparting instruction in the several departments, the admirable equipment of the College in the way of scientific apparatus, and the erection, during the year, of a large and well-furnished gymnasium for the purpose of physical culture, are all gratifying evidences of the prosperity of the Institution, and auguries of continued career of many years of usefulness and honor.

MOUNT ELGIN INDUSTRIAL INSTITUTE.

Moved by Rev. G. H. Thompson, seconded by Rev. A. Langford, and *Resolved*,—That, having heard the report of the Principal of Mount Elgin Institution, Rev. W. W. Sheppard, we would express to him and his staff of co-workers, the unbounded pleasure we have in hearing of the continued prosperity of this institution, especially the religious successes of the past year.

We would also express our confidence in the present Principal's ability for his position, and assure him of our continued prayers for the prosperity of his department of Indian work.

ALBERT COLLEGE, BELLEVILLE.

Moved by Rev. Dr. Aylesworth, seconded by Rev. Dr. Sanderson, and *Resolved*,—That this Conference rejoices in the prosperity of Albert College in its increased facilities for Educational work and in its great advantage to the work of the church, and trusts that the highest expectations of the Principal will be realized in its future prosperity.

WOMAN'S MISSIONARY SOCIETY.

Moved by Rev. Dr. Ryckman, seconded by Rev. Dr. Aylesworth, and *Resolved*,—That this Conference has listened with unmingled pleasure to the paper, presented by Mrs. J. H. McMechan on "Woman's work for Woman," and hereby gives expression to its admiration of the faithfulness, heroism, patience and power exhibited by Christian women. And, among them there are none nobler or more self-denying than those of our own Church, in securing contributions to the Mission Fund, in circulating Missionary literature, and even in visiting dark, heathen lands, and peoples under the thrall of a corrupt Christianity, to teach in the schools and, in every way possible to them, to disseminate Gospel truth. We assure the Ladies, who have brought this interesting subject before us to-day, of our cordial sympathy and our willingness to help them in making this dark world brighter, and this sinful human race better in all its departments and generations.

THE ANNUAL ADDRESS

OF THE

LONDON CONFERENCE OF THE METHODIST CHURCH

TO THE

CHURCHES UNDER ITS CARE.

FATHERS AND BRETHREN,—“Grace be to you and peace from God the Father, and from the Lord Jesus Christ.” The lapse of another year has brought us together in our Annual Conference, where the work of the past year has been under review, and the work of the future year arranged for. According to time-honored custom we address our annual epistle to the Churches committed to our care. Very great interests are entrusted to the Church, and grave responsibilities rest upon it, which is the body of Christ, and by which the mighty purposes of God concerning our race are to be wrought out. Surely no one can stand upon the watch-tower, and, looking out over the world, contemplate the dark scenes which sin presents, or hear the cry of those who are ready to perish, without feeling a terrible and crushing sense of responsibility as the thought comes home that we are our brother's keeper. Nor can we, nor dare we if we could, shake off the burden, or, by apathy and indifference, allow to pass the golden opportunities for usefulness which multiply themselves on every hand.

The reports of the year show a gratifying increase of membership. We have reason to thank God and take courage. We should never forget that we are God's workmen. To us, as members of the Church, belongs the work; and often, to many of us, it seems painfully and slowly that the work is accomplished. But to us belong the promises. How great they are! There is the promise of the abiding presence of Him whose power called the world from naught and rolls the stars along. There is the promise of the Comforter, by whose sweet counsels we are upheld and encouraged when pressed by life's sorest needs. There is the promise of assured success. The Kingdom must and shall be given to the Son. Failure cannot be thought of, nor shall we fail to share the certain triumph if we do not shirk the inevitable work.

In order that this work may be better accomplished, and the hope of this reward become brighter, let us pledge ourselves to a renewed consecration to God and His cause. “This year for Jesus should be our watch-word.” If each member of the Church would give the Holy Ghost full control of his heart, we would be astonished at what would be accomplished, even in a single year. A higher type of religious experience worked out on a higher plane of religious life, contains the secret of true success in working for the Master.

tends to do: i

While pledging ourselves and urging you to this personal consecration, we would remind you of the supreme importance of family religion. Maintain family prayer as you would hold fast to your hope of heaven. Never let the fire upon the family altar burn dim, as it surely will if it be neglected, even for a day. Let the house be a place for the systematic instruction of the children in those things which make for righteousness. This work cannot be entirely delegated to the Sunday-school and Catechumen class, so as to release parents and guardians from all responsibility. God's word to Moses has never been abrogated: "And these words which I commend thee this day shall be in thy heart, and thou shalt teach them diligently to thy children." It has been well said that if the same efforts were made with the children before the age of fifteen years, that are made afterwards, to recover them from the world, a very much larger proportion of our young people would be found in communion with the Church.

While giving due heed to the family at home, do not be unmindful of the claims of our Sunday-school work. This is often the connecting link between the home and the Church.

Intimately connected with the subject of religious instruction, are our publications. In these days the declaration of the wise man, that of making many books there is no end, is abundantly justified. Books and periodicals of every kind and in every style are poured in ceaseless streams all over the land. It is no longer the case as it once was, when a man wrote a book because he had a truth to tell, and felt, "woe is me if I tell it not," and published it without much thought of the pecuniary profits to be made out of it. Most books now are written and published with a view to making money, and the moral instruction of the people is a secondary consideration, or is not considered at all. It is of great importance, therefore, that you give attention to reading, and especially to what you read. We confidently commend to you the productions of our own publishing house in Toronto. The imprint of that house upon book or periodical is a guarantee that it is sound in its teaching and pure and healthful in its moral tone and tendency. Our Sunday-school publications are among the best, and for our purposes and the use of our schools are the very best that can be obtained for the money. The *Methodist Magazine* occupies a unique place in Canadian literature. Its like is not to be found among Canadian publications. Its monthly visits cannot fail to have a healthful and refining influence upon the family. Its price places it within easy reach of all but the poorest; and to those who cannot afford the high-priced imported magazines, and yet feel the need of placing in the hands of young people reading matter which will combine entertainment and instruction in just proportions, the *Magazine* affords an opportunity which ought not to be neglected. The *Christian Guardian* hardly needs that we should here again commend it to you; yet we cannot omit the honored name. We feel that we can honestly claim for it that it is the best religious weekly published in the Dominion; and that it is, of its class, one of the cheapest. It ought to be much more widely circulated than it is. It is a fearless advocate of the cause of evangelical religion. It contains a store of interesting and wholesome family reading suitable for old and young. And besides this, it does what no other paper in our country pretends to do: it treats from a Methodist standpoint questions of special

interest to our Church, and gives information concerning the growth of religion among us. We earnestly hope that this year it may reach many homes that have hitherto missed its influence.

From time to time the interests of our educational institutions have been brought to your notice. It is one of the standing principles of Methodism, that our Church take means to exert her due share of influence upon the higher education of the country. The various colleges of the Church for the training of young men and young women in the more advanced paths of learning are well equipped and well furnished with everything necessary for the accomplishment of their work. So that there exists no necessity for subjecting our young men to the alienating influence of purely secular colleges, or sending our daughters within the dangerous, enchanted ground of Romish convent schools. Much anxiety exists in some quarters with regard to the future of Victoria University. The danger is not that this or that policy should prevail with respect to that institution, but that the sympathies of the people should grow cold toward it. So long as our people stand by the college with loyal and liberal attachment, there can be no doubt of its increased influence for good in the country.

Among all the various enterprises of the Church, none is more fitted to awaken enthusiasm in the heart of every lover of our Lord than the cause of Christian Missions. Great things have been done in the past. Yet how much remains to be done. And what magnificent opportunities for doing it. Effectual doors for preaching the Gospel are open on every hand. From the frozen north, from the sunny south, and from the isles of the sea, it is the same outstretched hand and anxious cry, "Come over and help us." Opportunities are not wanting. Men are not wanting. But how can they go except they be sent. In so many cases it is the money to send them that is wanting. There is no lack of capital for any business enterprise. There is no lack of money to supply the worldly-minded with pleasure and amusement. It is only when it is necessary to assert the claims of our Lord, and to win the world for Him, that it seems hard to raise the means. Surely these things ought not to be. If the amounts of money spent by nominally Christian people for the gratification of a taste and desire for pleasure—including travel and attendance at pleasure resorts—were diverted for even one year into the coffers of the various missionary societies, it would give such a mighty impetus to missionary work as would bring the day of the Lord near. Think on these things, and let this great work, which is so much in the heart of the Master, be in your hearts, and upon your conscience, until all around "from the silent hills to the sounding sea" the light and salvation of our God shall be made known.

In conclusion, suffer a few more words of exhortation. "Remember the Sabbath day to keep it holy." The so-called claims of business and of pleasure are more and more infringing upon the sacredness of the day. Be very jealous of its sanctity. Much better err on the side of over-strictness than on the side of laxity.

It is more than ever necessary to be faithful to our principles and record on the question of Temperance. In view of the apparent set-back of Prohibition by the general repeal of the Scott Act, it is of unspeakable

in t

importance that both by word and example we set forth the duty of abstaining from all which intoxicates.

Pursue after holiness, not a false holiness, which contents itself with conjuring up ecstatic experiences, but that true holiness, which begins with a sound experience of divine power, purifying the heart and subduing the will, and, moreover, transforms the character into the divine image, and conforms the life to the perfect will of God.

"Be not conformed to the world." The love of the world is not consonant with the love of Christ. Separation and consecration are required of all those who would enjoy the divine favor, and lay hold on eternal life.

"And now the God of peace that brought again from the dead our Lord Jesus, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do His will, working in you that which is pleasing in His sight, through Jesus Christ, to whom be glory forever and ever. Amen."

WM. McDONAGH, *President*.

J. R. GUNDY, *Secretary*.

ERRATUM.—In the Table on page 22, giving the total membership for all the Conferences, the returns for Japan District should not appear, as they are included in those for the Toronto Conference.

"RICH AND INDISPENSABLE."—A. T. Pierson, D.D.

REPORT OF THE CENTENARY CONFERENCE

ON THE

PROTESTANT MISSIONS OF THE WORLD.

HELD IN LONDON, JUNE, 1888.

Edited by the REV. JAS. JOHNSTON, F.S.S., Sec'y of Conference.

TWO LARGE 8VO VOLUMES OF 600 PAGES EACH.

PRICE PER SET	If to be sent by Post or Express	\$1.75 NET
	If delivered in Toronto	1.50 "

The REV. ARTHUR T. PIERSON, D.D., of Philadelphia, in a note just received, regretting that the volume reached him too late for the *Missionary Review* of January, says:—"It cannot be commended too highly. I will take twenty-five copies, to give away myself. I think no volumes have been published in our day so rich and indispensable to Students of Missions. (Signed) ARTHUR T. PIERSON."

The REV. ALEX. SUTHERLAND, D.D., General Missionary Secretary, Methodist Church:—"The publication of the Report of the World's Missionary Conference, recently held in London, marks an epoch in the history of Missions. The two volumes comprise the richest treasury of Missionary literature ever given in the world, and are indispensable to every one who desires to be well informed on this, the foremost religious question of the day. A. SUTHERLAND."

Toronto, Dec., 20th, 1888.

A Companion Volume to the London Missionary Conference Report.

THE Missionary : Year : Book FOR 1889-90.

CONTAINING

Historical and Statistical Accounts of the Principal Protestant
Missionary Societies in America, Great Britain and the
Continent of Europe.

The American edition, edited by REV. J. T. GRACEY, D.D., of Buffalo, embraces about 400 pages, one-fourth being devoted to the work of American Societies, and will contain Maps of India, China, Japan, Burmah and Siam; also a language Map of India and comparative diagrams illustrating areas, population and progress of Mission work. Jas. Johnston, F.S.S., as a companion volume to the Report of the Century Conference on Missions.

FIVE POINTS

RESPECTING DR. POTTS' NEW BOOK,

FAITH MADE EASY

The Critics make the following essential points:

- 1. IT IS TIMELY.** This is a skeptical age, and an antidote is required. The *Baltimore Methodist* says:—"This book will help the believer to stop mouths of the fool." The *Methodist Review* says: "Of the many books issued from the religious press of the country, few are so well adjusted to the modern spectacle of agnosticism in collision with faith, or so adroitly uncover the strategic positions and the infirm method of assault on one side, or so comprehensively proclaim the truth, with its auxiliary points, on the other, as this substantial octavo from one of the gifted writers of Methodism."
- 2. IT IS POPULAR.** It was made for the people. Bishop Newman remarks, "while it is scholarly, it makes plain for the average mind." General Fisk pronounces it magnificent.
- 3. IT IS BRIEF, YET COMPREHENSIVE.** Most theologians require about ten volumes in which to set forth doctrines and evidences of Christianity, but here you have them in one volume of 550 pages. The *Religious Telescope* pronounces it "one of the best books in the range of theological literature."
- 4. IT IS BRIGHT AND USABLE.** The *Westeyan Advocate* observes that there are "suggestions for many sermons in it." The *Sunday-School Journal* notes that "It is broken up into short articles, with a journal brightness in them which makes the book not only readable, but also enjoyable."
- 5. IT IS OF PERMANENT VALUE.** It will live when other books are dead. The *Westeyan Advocate* notes that it is "rich in the truths which have blessed many believers, supported many when assailed by doubt."
