FERGUSON & WALLACE

CAMPBELLTON HAS NEW TOWN HALL

New Building Credit to Town and Will Provide Needed Facilities.

Except for a few minor details Campbellton's new municipal building on Town Hall street is complete. The building is situated on a corner of the town and at a convenient site for the town and is a credit to Campbellton's steady growth. The building is of concrete with a classical facade. It has a total cost of \$120,000. The new town hall occupies a site immediately next to the town hall. The building is 60x80 so that the two fine buildings side by side have a total frontage of 120 feet.

The Council Chamber on the second floor is probably the chief feature of the new building. This hall is seven feet in length and thirty feet wide providing ample room for some time at least as he goes to the town officials and several hundred citizens should they wish to attend the meetings of the council. To take care of this comfortable seats have been provided. The chamber is finished as is the whole interior, in clear birch with a natural finish, and the great white expanse of the ceiling has a pleasing dome effect.

The building has three front entrances from Roseberry St. The east entrance opens on the highway giving access to the upper floor; the middle entrance leads to the town offices while the west entrance gives ingress to the court room and police station. The new court room is spacious and well lighted and is a decided improvement on the old quarters in the Fireman's Hall.

The new town offices comprise four different apartments, the town clerk's office directly facing the entrance, the office of the town engineer to the west of the entry, the town treasurer's office on the east and a store-room to the rear. A convenient entrance had given easy access to all three offices which are suitably laid out and very tastefully finished. A spacious brick vault has also been provided. This is located at the rear of the treasurer's office.

There is little doubt but what citizens generally will be well pleased with the new Town Hall. Besides being sorely needed to handle the town's increasing business, the new factory way, an up-to-date Municipal Building is quite in order with the numerical growth of the town, for Campbellton is steadily approaching the status of a city.

U.N.B. COLLEGE OUT OF MERGER

Premier Announces University to Remain at Fredericton.

Fredericton, Feb. 20.—University of New Brunswick is definitely out of the proposed federation of universities of the Maritime provinces. This was definitely decided by the provincial government here tonight, an announcement to that effect being made by Hon. P. J. Veniot, premier, when the executive council adjourned shortly before midnight. The government approved of the recommendations of the university senate on the proposals for a federation of universities of the Maritime provinces with headquarters at Halifax as made by the Carnegie Foundation of New York.

Adoption of the federation proposals would have involved removal of the University of New Brunswick, which is located in Fredericton and is the second oldest college in Canada, from the province, which maintains it as the head of its educational system. The announcement was not simplified by any details tonight but a statement for the record for the session will be issued here tomorrow morning.

The board of education tonight gave the approval of kindergarten work in the public schools of the province, as advocated by women's organizations in St. John. Kindergarten kindergarten work in the local schools, however, is left optional with the local board of school trustees.

HAD LEG BROKE
Gordon Adams son of Mr. Ernest Adams met with an unfortunate accident about a week ago. While scuffling with some school chums he was thrown to the ground, with other boys falling upon him. His leg was broken above the knee as the result. The little fellow was driven to his home and Dr. Dunsmuir set the fracture.

MASS MEETING AT OPERA HOUSE

Rev. W. D. Wilson and Mr. Donald Fraser Address Audience.

A fairly well attended meeting of citizens was held in the Opera House at 8:30 Tuesday evening for the interest of the prohibition law. His Worship Mayor McKay acted as chairman and introduced the speakers, Rev. W. D. Wilson and Mr. Donald Fraser. The Rev. Mr. Wilson said there were many who said the prohibition law was a failure. He differed with them. "We who could have been an untidy people could be sober when the right of drunkards on our streets was an every day thing," he said. "We who could have been a lawless people could be law-abiding when the right of drunkards on our streets was an every day thing."

The following resolutions were read by Rev. E. E. Boothroy and adopted unanimously by standing vote:—
1. This mass meeting of Campbellton citizens hereby expresses its appreciation of the report of the Premier, Hon. P. J. Veniot, to the effect that the N. B. Prohibition Law shall be rigidly enforced. As Temperance people of this town, we pledge support of the Premier and others concerned in such urgently needed, added effort towards law enforcement. We believe that if all responsible officers, including policemen, do their duty, the law will be a great success.

2. We recognize, however, that in the business of the liquor export Houses there exists a severe handicap to the adequate enforcement of the law. We believe that if all responsible officers, including policemen, do their duty, the law will be a great success.

3. In the matter of the recent appointment of the Chief Inspector of the Liquor Vendors for this town, we must do protest most strongly. These appointments were made in the face of vigorously expressed Temperance sentiment of this town. In our opinion, the appointments were made either to more conveniently supply the permitted sale of liquor as medicine, etc., they were made to encourage the sale of liquor for revenue purposes and under the camouflage of medical requirements. It is a latter motive is transparently dishonest and unworthy any self-respecting body of Law Administrators. The former intention is absurd, inasmuch as all the bona-fide needs of liquor for medicinal purposes etc., could be fully and easily supplied by the two previously appointed vendors. The more easy of access liquor is made, the more difficult of enforcement of the law is made. We therefore strenuously protest against the additional appointments.

NEW NAME IS ATLANTIC REGION

Eastern Division Cut off at Riviere du Loup—Other Divisions Also Named.

Ottawa, Feb. 20.—The names of the three grand divisions of the Canadian National Railways were decided upon here today by the President, Sir Henry W. Thornton, after consultation with his principal operating officials. The lines in the Maritime Provinces and as far west as Riviere du Loup and Monk in Quebec will be known as the Atlantic region of the system. The lines from Riviere du Loup and Monk in the east to Fort William and Port Arthur in the west as well as that section of the Grand Trunk Railway west of the Detroit and St. Clair rivers in the United States, will be known as the Eastern region, and the lines from Port Arthur and Fort William to the Pacific coast as the Western region.

STOP! Sharp Curve Ahead Look out for 'THE SILVER CAR'

LOCAL AMATEURS SCORE A SUCCESS

Sparkling Comedy Ably Presented by Local Players on Monday Night.

The Lyric Dramatic Club scored another decided success on Monday night when that sparkling comedy "The Private Secretary" was presented at the Opera House under the direction of J. J. Bernier. The occasion was the first of a capacity audience which was enthusiastic in its hearty applause.

In choosing a vehicle through which to provide theatre-patrons with an evening of ideal entertainment the Dramatic Club made a wise selection in "The Private Secretary." This delightful comedy has stood the test of public opinion for a number of years and has proved a genuine pleasure wherever it has been shown. In casting his characters Mr. Bernier showed good judgment for each player was well suited to his role.

The plot of "The Private Secretary" is well known to require repetition here. It's many lighter-provoking situations, its abundance of humorous complications and its surprising and intriguing twists all contrive to make the vehicle of consummate plot construction, and it is safe to say that each and every player admirably rose to the possibilities of his and her part.

Thomas G. Adams in the leading male role of Rev. Robt. Spalding, alias "the private secretary," handled his part with the precision and judgment of a professional evoked repeated cheers of applause and vociferous laughter from the appreciative spectators. To his well deserved laurels previously won J. J. Bernier added fresh leaves by his life-like portrayal of the hilarious Mr. Cattermole who was fat, gruffy and sixty and whose eccentricities of disposition and temperament tickled the risibilities of the audience into unceasing mirth. Miss Vera George as Mrs. Stead, the landlady, caught the right spirit of her part, and demonstrated histrionic ability far above the average.

Gordon T. Kennedy as Mr. Marshall, M. P., took the part for which he was responsible in most creditable style and his work met with well deserved approval from all. Leo Wagner as Harry Marshall and Lionel Roy as "a Tailor of Bond Street" both scored successes and received merited applause. In making his debut on the local stage Alonzo Louden interpreted the role of Douglas Cattermole with most judgment and secured a decided hit. In their respective parts the Misses Corrine Roy and Arnette LeClair did splendidly as did also Robert Neely as John the butler.

The musical numbers were a most enjoyable part of the programme. That "We Now Might Wonder," a duet by Mrs. Whitney MacDonald and P. James Murray was splendidly rendered as was also a selected solo by Mrs. MacDonald. "O'er The Billowy Sea," a solo by Leo Wagner was especially good.

N.B. GOVT IS IN SESSION

Premier and Cabinet Ministers Discuss Plans for Opening of House.

Fredericton, Feb. 20.—Dr. Violet, M. L. A. elect for Madawaska, has telegraphed from New Jersey that he will return to the province from his winter sojourn in the Southern States in time to be present at the opening of the provincial legislature here on Thursday, March 8th, and that he will second the address in reply to the speech from the throne. His colleague, Hon. J. E. McEwen, member of the government without portfolio, presented a message to the above effect to Hon. Peter J. Veniot, the Premier, this morning, and thus the programme of formalities for the opening of the legislature session was completed. James D. McKenna, Mayor of Sussex and M. L. A. elect for Kings, will move the address.

Other plans in connection with the session of the legislature, including the subject matter of the speech from the throne and the preliminary legislative programme, will be considered before the conclusion of the meeting of the government which opened here this morning.

The short time the cabinet met was taken up with hearing a delegation and considerable communications upon the routine schedule. A. H. Lindsay of the Canadian National Railway staff at Moncton appeared before the government relative to inclusion of certain matters in connection with the national railways, in the work of the public schools as has already been adopted in some other provinces. A memorial of protest against suggestions made by fire insurance interests recently was read but consideration deferred.

All this talk about Ford being another Lincoln is probably a subtle scheme to advertise his other car.

POOR COAL MAKES TROUBLE

Electric Light Plant Seriously Handicapped Today—Only One Engine Running.

Because of conditions in the United States, and poor railway deliveries, the electric light plant has been seriously handicapped during this week. On Monday it was found that the big gas producer which supplies gas for the large engine, was being badly clogged up. Despite all that the staff could do this grew gradually worse, until Tuesday noon this producer had to be taken down and the engine had to be shut down. Every effort was made to have matters improved before dark, but without avail. The gas producer was being used Tuesday night the entire residential section was in darkness, but the small engine produced enough current to light the business section.

After working all night the crew at the power house were able to cut the slag out of the big producer and power was back to normal last evening. Two carloads of coal shipped twenty-four days ago have not yet reached the American line, but it is hoped they will arrive here shortly.

The fact that our plant here is now carrying a constant overload, and also that Campbellton is weekly demanding more current, would spur the local authorities along to arrange for additional current for next fall.

CELEBRATE THEIR SILVER WEDDING

Mr. and Mrs. A. C. Belle-Isle Pleasantly Surprised Sunday Evening.

Sunday evening was made a very pleasant occasion for Mr. and Mrs. A. C. Belle-Isle by a number of thoughtful friends who remembered that this couple will reach the 25th anniversary of their marriage before the week is out. To add to the enjoyment of the occasion the principals were taken completely by surprise at the home of Mr. and Mrs. B. Legere where they were deeply impressed by the hearty congratulations and good wishes of their friends.

Dr. A. Martin read a suitable address and presented the happy couple with a chest of silver. Mr. Belle-Isle responded with appropriate remarks and expressed sincere thanks to this unexpected demonstration of kindness and good wishes.

The musical numbers were a most enjoyable part of the programme. That "We Now Might Wonder," a duet by Mrs. Whitney MacDonald and P. James Murray was splendidly rendered as was also a selected solo by Mrs. MacDonald. "O'er The Billowy Sea," a solo by Leo Wagner was especially good.

FRASER COMPANIES, LTD. MAKE GOOD SHOWING

Montreal, Feb. 21.—The annual report of the Fraser Paper Companies, which show from one of the machines and struck McMillan full in the body one-half inch. The injured man was taken to the hospital at Chatham \$1,000,400 for 1921. With deductions for bond interest, depreciation, etc., there remains a balance at credit of surplus account of \$523,759.

WAS SEVERELY INJURED BY FLYING SHIM

James McMillan of Chatham, who is working in Flaherty and Harrison's mill at Digman's, about 12 miles out of Chatham had a narrow escape from death last Monday. A shim flew from one of the machines and struck McMillan full in the body one-half inch. The injured man was taken to the hospital at Chatham \$1,000,400 for 1921. With deductions for bond interest, depreciation, etc., there remains a balance at credit of surplus account of \$523,759.

'LOSE GAMES FOR ARCHER CUP

Local Rinks Win Out by Two Points Only—Last End Kept Cup.

Two rinks of Chatham curiers under skip Irvine and Burke arrived here on the Ocean Limited last evening and met two Campbellton rinks, on Monday it was found that the big gas producer which supplies gas for the large engine, was being badly clogged up. Despite all that the staff could do this grew gradually worse, until Tuesday noon this producer had to be taken down and the engine had to be shut down. Every effort was made to have matters improved before dark, but without avail. The gas producer was being used Tuesday night the entire residential section was in darkness, but the small engine produced enough current to light the business section.

After working all night the crew at the power house were able to cut the slag out of the big producer and power was back to normal last evening. Two carloads of coal shipped twenty-four days ago have not yet reached the American line, but it is hoped they will arrive here shortly.

The fact that our plant here is now carrying a constant overload, and also that Campbellton is weekly demanding more current, would spur the local authorities along to arrange for additional current for next fall.

PASS RESOLUTION OF APPRECIATION

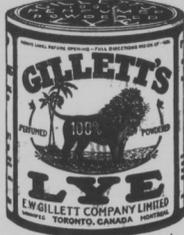

Executive of N. B. Temperance Alliance Appreciates Premier's Decision.

Fredericton, N. B., Feb. 17.—A resolution, expressing the appreciation of Premier Veniot's published statement regarding his purpose of enforcing prohibition, was passed by the executive of the New Brunswick Temperance Alliance yesterday afternoon, assuring him of the full and active support of the Alliance in this undertaking.

The resolution also draws the attention of Premier Veniot and the members of the provincial government to the fact that one of the greatest hindrances to adequate enforcement lies in the existence of the export liquor warehouses in the province and the revenue derived therefrom, and urges that immediate steps be taken to bring into force recent federal legislation which would remove the export liquor houses from the province.

A resolution placing the Alliance on record as being unalterably opposed to the administration of the prohibition law for the purpose of raising revenue for the province was also adopted.

Messrs. Watson and Alexander will show real professionalism in "Triss; or Beyond the Rockies" at the Opera House on Monday night next. Come and enjoy a treat.

GAINED 65 POUNDS!

Five years ago when I was first married, I had wonderful energy. I could go on all day long without feeling the least bit fatigued. I had a great appetite and could eat anything. I weighed 145 pounds. I used to be busy every minute of the day and when the day was over I could go to bed and never wake up during the night. Thirteen months ago my first baby was born. After that my energy seemed to leave me. I was tired all the time. I had to force myself to do my household duties. Instead of being a pleasure as formerly, these duties became a real task. I lost all desire for food and nothing would tempt me. I had to make myself eat. I would go to bed at night and toss from side to side for hours at a time. After a while I would doze off only to find that I had been sleeping for ten or fifteen minutes. Naturally when morning came, not having slept, I started the day completely tired out. I was shaky and nervous. The least noise would startle me and make my heart race. I could see that my husband was worried. I was losing weight every week and had already lost 54 pounds. I tried all kinds of tonics, but they didn't help me. One night, a friend told me that Carnol had saved his wife's life, so his interest upon my trying it. Six weeks after I began taking Carnol, my weight increased from 90 pounds to 155, an increase of 65 pounds. And, am I well these days? Every morning I fairly jump out of bed ready to tackle anything and every minute of the day is a joy to me now.

Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money.

Sporting News

BOWLING. By rolling 136 on a single string with candlepins at the Bourdreaux Bowling Alleys Guy Wyers, the local bowling champion with a record of 146, capped the weekly prize last Saturday afternoon for the third time. The previous week the prize was captured by Ern Boudreaux, manager of the alleys, with a score of 131.

In the friendly matches here last Thursday between curlers from Dalhousie and Bathurst the local club lost to the former club by two points and to the latter by one. Each club put four rinks on the ice. In the afternoon the locals played two rings against each of their visitors, winning both matches from Dalhousie and winning one and tying one with Bathurst. In the evening they lost all four matches.

The score is as follows: Afternoon Matches. Dalhousie M. MacKay, 5; Skip 15; A. Barberie, 5; J. T. Mowat, 14; Skip 12. Bathurst W. W. McNeil, 14; G. W. Ellis, 14; C. A. Alexander, 14; Skip 14. Totals 29-37.

Evening Matches. Dalhousie E. R. Shirley, 12; Skip 16; D. F. McMillan, 12; W. Kingston, 12; Skip 14. Bathurst W. W. McNeil, 14; G. W. Ellis, 14; C. A. Alexander, 14; Skip 14. Totals 24-30.

Match total 52-63. Dalhousie 48 Campbellton 46.

PLANS MADE FOR LEAGUE CHAMPIONSHIP. The executive of the New Brunswick and Prince Edward Island Amateur Hockey League met in the Dufferin Hotel here yesterday and arranged for the games to decide the supreme honor of the league. A schedule of game was arranged, with the first between Sussex and Charlottetown, winners in their respective sections of the league at the last named place on February 22. Those present at the meeting were Dr. Stirling, President; A. T. O'Brien, Chairman; M. V. O. Stockes, J. D. McKenna and G. P. Bolton, Sussex; George Melbade, Chairman and J. A. McEachern, Charlottetown; Jack Tweedie was named as referee for the series, with orthodoxy of Springfield as substitute.

Chatham and Bathurst have yet to decide the championship of their section, so the schedule names the North Shore instead of a town. The schedule is as follows: February 22—Sussex at Charlottetown. February 28—North Shore at Sussex. March 5—North Shore at Charlottetown. March 9—Charlottetown at Sussex. March 12—Charlottetown at North Shore. March 16—Sussex at North Shore.

MARITIME HOCKEY. TITLE UP SET. Decision of the trustees of the Morton & Thompson trophy, indicative of the Maritime Provinces hockey championship, that in view of weather conditions that have prevailed in late years, all games for the trophy must be played not later than March 31, virtually means that there can be no meeting of the N. B. and P. E. I. League champions with the Nova Scotia title holders this season, inasmuch as the N. B. and P. E. I. League play-off will not be completed until March 16th.

Considerable surprise is expressed in hockey circles that the trustees of the Morton & Thompson trophy did not make known their decision before the play-off schedule of the N. B. and P. E. I. League is arranged. There is a very prevalent opinion around here that the N. B. and P. E. I. League winners will be a much superior team to anything uncovered so far this season by the Nova Scotia amateurs.

CHARLOTTETOWN, P. E. I., Feb. 19.—The last hockey game of the N. B. and P. E. I. League, eastern section, Bathurst defeated Dorchester 6-2 here on Saturday.

The final standing of the eastern section of the N. B. and P. E. I. League follows: Games Played Goals Scored Points

Table with 4 columns: Team, Games Played, Goals Scored, Points. Rows include Charlottetown, Bathurst, Dorchester, and others.

AMONGS WIN EASTERN SECTION. Charlottetown, P. E. I., Feb. 19.—The last hockey game of the N. B. and P. E. I. League, eastern section, Bathurst defeated Dorchester 6-2 here on Saturday.

The final standing of the eastern section of the N. B. and P. E. I. League follows: Games Played Goals Scored Points

Table with 4 columns: Team, Games Played, Goals Scored, Points. Rows include Charlottetown, Bathurst, Dorchester, and others.

WINTER SPORTS IN MONTREAL AND QUEBEC

C. N. R. Offers Best of Train Services From All Maritime Provinces Points. Winter Carnivals are in full swing in both Quebec and Montreal, and there are daily programmes of winter pastimes such as skating, tobogganing, snow-shoeing, curling, bob-sledding, skating, etc., for everybody to enjoy.

Both cities offer many features of enjoyment to the visitors and these in much of life, sparkle and gaiety in winter climate that is beautiful and invigorating.

Via Canadian National Railways there is the finest of rail service to both cities from all Maritime Provinces points. The "Ocean Limited" and "Maritime Express" are all steel trains of most modern equipment, affording the traveller the maximum of travel comfort. Bed, reservations, etc., will be made by nearest ticket agent. Feb. 4-8-w.

DRUGS FOR THE KLONDIKE. Dr. S. McL. Doherty passed through here Saturday night enroute to Montreal where he will join a party bound for the Klondike. He took with him half a barrel of drugs with which to alleviate the thousand and one ills the man is heir to in that region. The drugs were purchased from A. McMacdonald, our popular druggist.

NEAT SUPPLEMENT. The Union Advocate, Newcastle, issued a neat supplement last week, devoted to the interests of the Highland ball.

WALTER E. RICHARDS, who last Saturday was brought home from River du Loup mill, returned from a severe attack of inflammation of the lungs, passed away yesterday afternoon.

THE FIGHT AT BATHURST. The sparring match at Bathurst, Thursday evening between W. Sears of Campbellton and Prof. J. W. Barbour of Washington, formerly of Bathurst, was witnessed by a full hall about two hundred being present. The match was a six round bout and well contested. Decision not given.

MR. JOHN MORTON, formerly angler on the day freight steamer Montreal, was the latest ever held in town.

FUNERAL OF LATE WM. H. BASTIN. On Thursday afternoon—last the funeral of the late Wm. H. Bastin was held from his late residence at 2300 St. John street, the largest ever held in town.

AMONG THE PROFESSIONALS. Among the professional names in the law office of Messrs. Murray, McLatchy, Barristers, R. T. D. Allen, barrister; J. C. Barberie, barrister, Dalhousie; J. S. Allan, barrister, Bathurst; John Montgomery, St. John.

AMONG THE ADVERTISEMENTS. The names of many well known Campbellton firms, Duncan & McLennan, J. E. Miller, E. Sullivan, J. & D. A. Harquail, John B. Christopher, McEwen Show Store, Bruce & Henderson, A. McMacdonald, McKenzie & Flett, T. Wran & Co., K. Shive, Gen. Vermette and others.

A SHORTAGE OF 30,000,000 LBS. The Tea Business, like nearly everything else, has been having its hard times since the war. Unfavorable tea growing weather, labor troubles on the plantations, and the unsettled political atmosphere generally, have so seriously reduced this year's crop that the world is now faced with a shortage of over 30,000,000 lbs., or more than two years' supply for the whole Dominion of Canada.

REARING THE CALF. (Part Two). We will assume now that the breeding has been properly done, and that we have the calf ready to feed. From birth to weaning the whole question is one of development. How can the calf be fed and handled so as to make the most valuable cow? The answer to that question is largely concerned with the matter of food. If the calf is properly fed and handled, it will be rapid and satisfactory. It should not be necessary to take this for granted, as the importance of developing size and feeding capacity in the young heifer. If we study good producing cows we will find that they are usually bred with the average size for their breed, and that whether or not they have actually been big cows they have always been big eaters. It is absolutely imperative that the calf be fed from the start. Growth is obtained for less feed when the calf is young than at any other time. A given amount of feed will produce from one to two years old. This shows the economy of Mr. Alexander Ryan on Sunday.

Bake Bread the Quaker Way

CAMPBELLTON—J. P. Jephson, Campbellton—J. M. Bennett, Campbellton—J. M. Bennett, Campbellton—J. M. Bennett, Campbellton.

feeding liberally in early life. The calf should be given with the cow for the first one or two days after it is born. In this way it gets properly started with the colostrum or first milk given by the cow. After two days the cow may be tied up in the stall and the calf taught to drink from the pail. It is extremely important that the calf should not be overfed at this time, and that care is taken to prevent scours. When indigestion with resultant scours is set up, the calf falls to make growth and may be permanently injured for life. Farmers tell us that a calf that has had a bad case of scours will often carry a weak digestive system all its life and will be inclined to scour whenever fed liberally. When the calf is taught to drink from the pail the milk should be sweet, clean and warm and moderate in quantity. Attention to these details will practically insure success unless the calf was born prematurely and weak. Two or four quarts of new milk per day is enough for a start. The amount given will depend on the size of the calf. Watch the calf when drinking and be sure she is not given enough to make her feel full. Keep her on the hungry side. New milk may be fed for 10 to 15 days and then gradually make it up to two quarts and by the time the calf is three months old the milk may be increased to as much as 8 or 10 quarts per day.

The grain mixture may consist of 1 part bran, 1 part oats and one-half part meal. Start with a handful of grain and gradually increase to two pounds per day when three months old. It is important that the grain mixture be made up in a clean bucket and that the mixture be gradually increased to two pounds per day when three months old. It is important that the grain mixture be made up in a clean bucket and that the mixture be gradually increased to two pounds per day when three months old.

Mr. Joseph Carey has gone to Campbellton to reopen his meat market. Mr. Standish, representing the Colonial Fertilizer Co., was at Mr. John Steele's last week. Mr. Ferguson spent a few days at the home of Miss Alice Henderson has been visiting her sister, Miss Muriel in New Carlisle.

Miss Eunice Pritchard is visiting friends in Campbellton. Miss Elizabeth Ryan spent the week-end at her home here. Miss Edna Kruse spent the week-end at her home here.

Campbellton, N. B., Feb. 22, 1923.

PROGRESS AND THE CITIZENS.

With the completion of its splendid new municipal building, Campbellton has filled a long needed want in an adequate way and added another fine building to the rapidly growing number here. And this is only one of the several notable improvements which long planned for, have become realities during the present local administration, which has proved itself most aggressive and dominated by an optimistic spirit in keeping with the rapid advancement of our town.

The fine new municipal building on Roseberry Street is something that every loyal citizen will take a certain pride in, not only because a requirement of long standing has been well provided for, but also because the erection of this up-to-date building indicates something of Campbellton's forward march towards the status of a city. And this steady advancement is no dream. To hark back to the disaster of 1910 conjures up a sorry picture which, when compared with the Campbellton of today, presents an amazing contrast and a transition which was wrought through industry and perseverance. Of course there have been mistakes. Indifference and discouragement have at times also contrived to hinder the town's progress. But these things belong to the past. It is for the officials now appointed by the people and the citizens generally to press on confidently. The gratifying progress achieved should prove an incentive and there should be no sagging of effort and no abating of interest. It is the duty and privilege of all taxpayers to keep informed on every problem that arises, every proposal that is made and every scheme advanced, and now with a spacious council chamber for the board meetings citizens will have an unprecedented opportunity of studying and weighing every proposition that concerns their rights and privileges. Our town is rapidly advancing but its growth must be founded upon the satisfaction of the rate payers. Therefore citizens should take an active interest and be willing to co-operate. When a merger requiring careful deliberation is weighed on the scales of public opinion the wiser course is more easily recognized and the chances of making serious mistakes are greatly dissipated.

NOTE AND COMMENT.

France is not the first creditor to be obliged to take strong measures with a dead-beat. Ask any bill collector. Economy seems to be the legislative watchword these days. Which proves that a diplomatic form of government truly reflects public opinion. "Lost Island in the Pacific Ruled by a Woman"—Headline. Not the first thing to be so ruled by any means.

WANTED—A cure for badness that will not be displaced when you put your hat to a lady.

OUT ON TICKET OF LEAVE.

Young Babain who was sentenced to two years in Dorchester penitentiary in 1921 for stealing from a steamer which was loading here at the time was given his freedom on a ticket of leave on Monday. He reported to the local police here on Tuesday and according to the regulations of the ticket of leave system will be obliged to report to the authorities each month until the expiration of his term next fall. It is hoped that his primitive confinement of about one and a half years has shown him the error of his youthful ways and that he will take the opportunity given him and settle down as a law-abiding and useful citizen.

NEW METHODS IN TEACHING.

An interesting experiment is being conducted in a New York primary school. Its theory, which doubtless did not originate with it, is that a child learns more rapidly by experience. Thus a scholar in its new special classes will not be merely told that 36 inches make a yard, but will measure off a yard of goods to prove and illustrate the fact. Goods are used entirely in teaching arithmetic. Geography will be taught by a series of little journeys in which children will take a train by proxy, will have the journey described in detail and will be told what sort of a place and person will be found at its end. The New York experiment probably has numerous counterparts. At any rate, it is interesting, as is any new department that promises improvement in what is frequently and correctly described as the most important type of public service, teaching the child. It is possible that the school above mentioned may be carrying this interesting experiment too far. That is frequently a tendency in newly formulated methods of reform or improvement. But the idea in itself is a commendable one. Explanatory demonstration and practical experience have been proven invaluable aids in teaching the young for they serve to make a more indelible impression on the mind. All leaders in education may not advocate imitating the New York school but nevertheless it should be open to suggestions on this matter. It is worthy of consideration at least.

TRAGIC DEATH AT LUMBER CAMP

Jacquet River Young Man Fatally Injured in Woods Last Week.

Another fatality was added to the already long list of accidents which have occurred in the lumber woods this winter, when a young man named Furlotte, belonging to Jacquet River lost his life last week at a lumber camp on Jacquet River. The accident occurred at a landing where the unfortunate young man was at work. Reports say that the landing did not actually give way, but that two large logs fell, knocking Furlotte down and rolling over him. Although the experience had been rather painful the young man did not seem to think he was seriously hurt for he got up and in spite of the protests of his companions walked half way to the camp which was located almost two miles from the scene of the accident. At this point, however, he became too weak to go on and submitted to being carried the rest of the way.

NOTE AND COMMENT.

France is not the first creditor to be obliged to take strong measures with a dead-beat. Ask any bill collector. Economy seems to be the legislative watchword these days. Which proves that a diplomatic form of government truly reflects public opinion. "Lost Island in the Pacific Ruled by a Woman"—Headline. Not the first thing to be so ruled by any means.

SPORTING NEWS

SENSATIONAL DOUBLE-HEADER.

On Thursday evening last the local skating rink was the scene of the first double-header in hockey here this season. A good crowd attended the event and were kept on edge by the fast clean play which was of an exceptionally good brand for minor league hockey. Both matches were replete with sensational moments; clever stick-handling was also a feature of the evening; some snappy combination play was exhibited by both teams and individual rushes of incredible speed lent variation to the proceedings and repeatedly withdrew the keen edge of the crowd's interest. Many fans who ventured forth rather dubiously to see the junior hockeyists in action enjoyed a genuine surprise and were enthusiastic in their praise, declaring that several of the local league players could make a commendable showing with the senior sextette. Moreover, some of the members of our regular team paid the local hockeyists flattering compliments after their fine exhibition on Thursday night.

BANKERS 5—HIGH SCHOOL 5.

The Bankers and High School teams appeared on the ice first and their fine play provided a hour of most interesting entertainment. Both teams put up a spirited struggle and kept the spectators going. After ten minutes of overtime play the match concluded in a tie, the score standing 5-5. By their showing in this fast clean game these two teams give evidence of considerable improvement. Their stick-handling is becoming more effective and their passes and dodges less erratic.

GOVERNOR PUGSLEY HAS RESIGNED.

Ottawa, Ont., Feb. 16.—The resignation of Hon. William Pugsley, Lieutenant Governor of New Brunswick, has been received, to take effect the end of this month. He will be succeeded by W. F. Todd, of St. Stephen.

Bankers Goal Jamson Fraser Defence Ferguson Steeves Hadley R. Henry Wing Duff W. Currie Spares G. Fraser McBeath L. wing Stewart H. Metzler R. wing Duff W. Currie Spares G. Fraser

BANKERS HAVE A COACH.

The Bankers sextette, one of the teams in the local league, has secured the services of Walter Froude, who is employed at the Soldiers' Memorial Hospital, as coach of their team. Mr. Froude has an extensive knowledge of Canada's national winter sport, having been associated with other hockey teams before coming here, and the Bankers are showing a marked improvement under his management.

CHATHAM WINS AGAIN.

In the postponed game in the northern section of the N. B. and P. E. I. League between Shediac and Chatham on the latter's ice, the Chatham team won by a score of 10 to 3. The Shediac squad put up a spirited fight for honors but although in apparent good form their defence line could not block the fast individual rushes of their opponents.

BANKERS PLAY DALHOUSIE.

The rink in Dalhousie was last night the scene of a fast clean game of hockey when the Campbellton Bankers crossed sticks with the Dalhousie sextette. The contest which was a most interesting one, ended in a tie of 1-1 no scoring being done until the third period. The Dalhousie boys showed some nice hockey while the Bankers did some of their best work this season. After the game had progressed well into the third stanza, Henry on the local wings shot the first goal of the evening. For a time it looked like a victory for the visitors but just before the bell rang Dalhousie tied the score.

IMPROVING.

Many friends will be glad to learn that Mr. L. J. Jodary, who recently suffered a severe paralytic stroke, is now greatly improved and is able to converse with friends.

Newspaper Notes of Town and County Gathered by Graphic Staff

HAND AT RINK. The past night, hand will be at the rink Wednesday night instead.

CONGRATULATIONS. Congratulations are being extended to Mr. and Mrs. Joseph Dunsmuir upon the arrival of one at the Soldiers' Memorial Hospital on Sunday, Feb. 19th.

GOING TO QUEBEC. The club Campbellton will this year be represented by one rink at the Quebec of home of Messrs. H. E. Stiver, H. Bell, from St. John, and Chas. McNeil, from Campbellton, to-night to take part in the spring matches.

HERE A BUTLER. Miss Irene Stevens has proved her worth as a butler, having disposed of Rev. F. E. of, without aid, over two hundred of these letters for the last three months. The "Tris", which will be staged at the Opera House on Monday night next.

DEATH OF A CHILD. Mr. and Mrs. Harry Norman have the sympathy of the community in the death of their bright little son, 10 months old, Robert Norman, which passed away on Sunday, Feb. 19th. The funeral services were held on Tuesday afternoon, Rev. F. E. Boothroy officiating.

SMELTS GO HIGH. The tide during the extension of time granted to the small fishermen in the north shore failed to yield up the hoped for catches and as a result many fishermen along the Bay Chaleur have barely succeeded in breaking even on the winter's work. As a result of this scarcity of smelts and the keen competition of several buyers the price has advanced to an almost unprecedented level; some persons being offered last week in some quantities.

HAS MANY OFFERS. A St. John's commercial man is authority for the report that "Miss Canada" has been offered \$14,000 by a Halifax firm for the use of her photograph in advertising brands of row night chocolates, and that she has also been offered \$40,000 by a cigar manufacturer for the use of her photograph in advertising brands of row night cigars. Neither offer, he said, has been accepted by Miss Blair, as she wishes to do nothing to decrease the high reputation of the position conferred upon her.

MARRIED IN VANCOUVER. The marriage of Mrs. Elizabeth McNeil of Vancouver on February the 14th last, to Mr. W. J. Kent of Bathurst has just been reported. The dowry, consisting of a house at the home of the bride's brother, Mr. J. Alex. mediate Hendry, from where the happy couple left on an extended honeymoon trip inspecting through Western Canada and the United States. Mr. Kent who is a local general merchant of Bathurst is well known here and to be and his wife, to a number of good wishes of his many friends and if extended. Mr. and Mrs. Kent the party will return in April and will make their home in Bathurst.

BAND AT RINK. Owing to the band drama Monday night, band will be at the rink Wednesday night instead.

CONGRATULATIONS. Congratulations are being extended to Mr. and Mrs. Joseph Dumas upon the arrival of a son at the Soldiers' Memorial Hospital on Sunday, Feb. 19th.

GOING TO QUEBEC. Campbellton will this year be represented by the rink at the Quebec of some cooking on Saturday, Feb. 24th, from 8 to 9 o'clock. Admission 25 cents.

HERE'S A MUSTER. Miss Irene Stevens has proved herself a fine hunter, having disposed of, without aid, over two hundred advance tickets for the band drama "Tina," which will be staged at the Opera House on Monday night next.

DEATH OF A CHILD. Mr. and Mrs. Harry Norman have the sympathy of the community in the death of their bright "Belle," a month old son, Robert Given, which occurred on Sunday. The funeral services were held on Tuesday afternoon, Rev. F. E. Boothroyd officiating.

SMELTS GO HIGH. The price during the extension of the grant to the small fishermen on the north shore failed to yield up the hoped for catches and as a result many fishermen along the Bay of Fundy have heavily succeeded in breaking even on the winter's work.

HAS MANY OFFERS. A St. John commercial man is authority for the report that "Miss Canada" has been offered \$14,000 by a Halifax firm for the use of her photograph to advertise brands of chocolates and that she has also been offered \$40,000 by a cigar manufacturer of Montreal for the use of her photo for a "Miss Canada" brand of cigars.

MARRIED IN VANCOUVER. The marriage of Mrs. Elizabeth McNeil of Vancouver on February the 14th inst. to Mr. W. J. Kent of Bathurst has just been reported.

LOCAL LEAGUE GIVEN TROPHY. Interest in the local hockey league has become more keen and also more general since the McLennan Foundry has donated a handsome trophy to the league.

SIX MONTHS IN JAIL. As a result of engaging in the manufacture of intoxicating liquor in a locality up in the I. N. E. district John Best will be taken to Dalhousie jail this evening to serve a sentence of six months, passed upon him by Judge Matheson this morning.

WATCH FOR "THE SILVER CAR". Coming this Way.

PASSED THROUGH. Messrs. James Robinson ex-member of Parliament and J. D. Crockett of Newcastle passed through here on Sunday night's Limited for Montreal.

MARRIED. The marriage of Harold Horne Hunter and Marguerite Flanagan, was solemnized yesterday Feb. 21 by Rev. F. E. Boothroyd in the Wesleyan Parsonage.

NOTED SKATERS COMING HERE. The management of the rink announces that Winslow and Carthage, two famous fancy and speed skaters are to be here on next Thursday night, March 1st.

WILL SEND DELEGATION. The Campbellton branch of the N. B. Temperance Alliance and the W. C. T. U. will send delegates who will form a part of the temperance delegation which is to appear before the local government on March 21st.

CARNIVAL TO-MORROW NIGHT. The second carnival of the season will be held in the skating rink tomorrow night under the auspices of the Soldiers' Memorial Hospital Aid. Details have been carefully arranged and the event promises to be a thorough success.

VENDORS WARNED. Warnings have been sent out to the local men who hold government licenses for the sale of liquor that their licenses will be taken away immediately if they violate the Prohibition laws.

LOCAL LEAGUE GIVEN TROPHY. Interest in the local hockey league has become more keen and also more general since the McLennan Foundry has donated a handsome trophy to the league.

SIX MONTHS IN JAIL. As a result of engaging in the manufacture of intoxicating liquor in a locality up in the I. N. E. district John Best will be taken to Dalhousie jail this evening to serve a sentence of six months, passed upon him by Judge Matheson this morning.

WATCH FOR "THE SILVER CAR". Coming this Way.

SPECIAL THIS WEEK. Bales 100 Pounds 20c per pound at THE CAMPBELLTON CASE AND GARRY STORE.

SELLARVILLE. Mr. Alexander Ryan spent a few days in town last week.

Mr. Lloyd Anderson of Flat Lands was here on Thursday the guest of Mr. Duncan Ryan who was Matapedia on Wednesday.

Miss Elizabeth Ryan spent the week-end at her home here. Miss Daniel vs. Dalhousie on Saturday inst. Edna Kruse spent the week-end in Flat Lands the guest of Miss Violet Anderson.

Mrs. Wallace Furlotte of Campbellton spent Friday here the guest of her parents, Mr. and Mrs. Jas. MacLeod.

Mr. A. LeFury spent the week-end here the guest of Mr. Jas. MacLeod.

Mr. and Mrs. Earl MacLeod were in town on Saturday.

Mr. Thomas Montgomery of Flat Lands was the guest of Mr. J. Adams on Sunday.

NEW CARLISLE.

I wonder if Chandler has been wip-off the map as their correspondent puts it, well I think they have.

Our New Carlisle hockey team played them in Chandler on the 10th inst. and were defeated by the score of 6 to 4.

The Chandler correspondent speaks about good sports in Chandler, well I beg to differ with him or her, there is not one sport in Chandler, the Captain of the New Carlisle hockey team has been trying to arrange a return game but nothing doing.

It is that our rink is too small but that is not the question, they are frightened to play on New Carlisle ice.

Never again will New Carlisle hockey team play with such a bum bunch of sports. There is more sport in one Dalhousie player than in the whole population of Chandler.

The Dalhousie team played two games this season on our small ice. If our rink is big enough for a team like Dalhousie, I think it is big enough to hold our Chandler friends.

If our boys had a rink like Chandler has they would run away with the Chandler team. They have speed to burn and one thing is they are not cowards. They will play any team on the coast or elsewhere.

Now in closing I wish to say that I think the Chandler team has fallen into their own white wash barrel for if they have not, they would surely be sports enough to give our New Carlisle boys a return match.

PORT DANIEL CENTRE. Weather during the week has been very clear and cold without the usual accompaniment of snow-storms.

Hockey! Hockey! What's the matter with hockey? It's alright! Port Daniel vs. Dalhousie on Monday, 12th inst., resulted in the score of 2 to 1 in favor of Dalhousie.

Port Daniel vs. Chandler on Saturday inst. at 8 p.m., resulted in score of 3 to 1 in favor of Chandler.

friend of St. Simon, Que., was a guest sometime ago of Rev. Father styles. Born on January 8th, 1923, at the Montreal Maternity Hospital, to Mr. and Mrs. Alfred McKeale (nee Mary Maloney) of Douglastown, a daughter, Mr. Louis Ughart of Barachois, was a visitor to Douglastown some time ago.

Mrs. Elbert Doolittle and baby of Montreal, are spending the winter here as the guests of her parents, Mr. and Mrs. Edward Autrey.

We report with regret that Mr. Gordon Rooney and Mr. Thomas Bond are confined to their homes as the result of an accident. We hope to see them around soon.

Miss Annie Morris returned to Montreal last week, after spending a month in the hospital.

Congratulations are being extended to Mr. and Mrs. James Kennedy upon the arrival of a daughter at their home last week.

Miss Kezian Gaul returned to Valleyfield, Que., on Monday, being called on recently by the serious illness of her mother, Mrs. James Gaul.

The marriage of Miss Minnie White daughter of Mr. and Mrs. Horatio White of Brilliant Cove to Mr. and Mrs. Ambrose Bourque, son of Mr. and Mrs. Ambrose Bourque of St. George de Malabre, Que., took place quietly on Monday morning, Feb. 22nd, 1923, at St. Patrick's Church, Douglastown, Rev. Father F. F. Gauthier of St. Simon officiating.

Immediately after the ceremony Mr. and Mrs. Bourque drove to their home in St. Georges, where they will make their home.

Congratulations are in order to Mr. and Mrs. Arthur Grant on the occasion of the arrival of a bouncing baby boy at their home on Tuesday.

We are pleased to report that Mrs. Jeanne Gaul is much improved at the hospital after her recent serious illness.

Everybody will be glad to learn that Mrs. Valentine Maloney of Lacaracoe is convalescent after her recent serious operations in the Royal Victoria Hospital, Montreal.

On Monday evening Miss Kate Kennedy entertained very pleasantly at a card party of three tables. A delightful evening was spent, the time being largely given to card playing, music and dancing.

Mr. and Mrs. Rooney has returned to St. Anne de la Riviere, Que., to resume his work with the Gaspe Bay Mills after spending a short but very enjoyable holiday here at his old home.

A petition is being signed here and forwarded to the Provincial Government for the construction of a steel bridge over the York River at Gaspe Basin. We sincerely trust that this plan which will add much to the convenience of our citizens as well as to those of Gaspe will be successfully carried out.

It has been announced by His Eminence Cardinal Beign that Rev. Father Gerald J. McShane pastor of St. Patrick's Church, Montreal, will be made an auxiliary Bishop to His Grace, Rev. Paul H. Bruchesi, Archbishop of Montreal. Rev. Father McShane was the pastor of his birth and the twenty-fifth of his ordination to the Holy Priesthood, is one of the most widely known and respected clergymen in the new of his promotion will be received with great joy by the entire Irish Catholic population of the province of Quebec. In the promotion of our fifth pastor to a higher office St. Patrick's Parish suffers the loss of an exceptionally eloquent preacher, a faithful friend, a wise and gentle pastor, and a man of high character.

Rev. Father McShane has been in charge of St. Patrick's since the year 1917 and during his stay there he has endeavored to improve the parish and to assist the people in their spiritual needs. He is a man of high character and a man of high ability. He is a man of high character and a man of high ability.

Rev. Father McShane has been in charge of St. Patrick's since the year 1917 and during his stay there he has endeavored to improve the parish and to assist the people in their spiritual needs. He is a man of high character and a man of high ability.

Invalid Delicacies In Bottles in Cubes

USED MEDICINE FOR 33 YEARS

All Failed and Then Thomas Boudreau Found Immediate Relief in One Bottle of Dreo.

Thomas E. Boudreau of Moncton, N.B., is 60 years old and for half his life suffered untold agonies from that dread disease—rheumatism.

For thirty-three years he took medicines in his distress and was never improved at the torture of rheumatic pains, but it was not until he discovered Dreo that his ailment began to improve.

Mr. Boudreau is so enthusiastic over Dreo that he spreads the good news in these words: "I have taken all kinds of medicines for thirty-three years to cure my rheumatism and stomach trouble. After using only one bottle of Dreo my stomach trouble is gone and my rheumatism is better. I am going to continue the full treatment of Dreo and I recommend it to anybody."

Dreo is being specially introduced in Campbellton by Wm. J. Gauthier, and is sold by good drug stores everywhere.

Mr. Ernest Barter is spending a few weeks with his daughter, Mrs. F. C. MacNaughton, Des Side, Que.

Mrs. W. G. Fleck, accompanied by her son, Dr. W. W. Fleck, left on Saturday for Boston, where they will visit friends for a week or two.

St. Mary's Hall was tastefully decorated for the many friends of Mrs. James C. MacNaughton who were present at the funeral of Mrs. M. Moore.

The Rev. Alexander Mackay, held service here Sunday at three o'clock. He will also conduct prayer meeting Wednesday evening at seven o'clock.

On Monday evening, Mrs. W. J. Climpson gave a birthday party in honor of her daughter, Ena, who was celebrating her seventeenth birthday.

About twenty guests were present on the happy occasion. Dancing and vocal and instrumental music were much enjoyed. Just before midnight delicious refreshments were served, after which the guests left for their homes.

Mrs. K. Fleck, accompanied by her son, Dr. W. W. Fleck, left on Saturday for Boston, where they will visit friends for a week or two.

OF INTEREST TO WOMEN

THE BEST TRAINING FOR WOMEN. "The best training for women is in the home."

There is no servant church or school that can take the place of a mother's care," declared Mrs. A. McAnnamond, of Medicine Hat, Alta., before the Ottawa Women's Club recently.

Mrs. McAnnamond criticized the modern idea prevalent by many mothers of this generation in leaving the care of their children to a servant or governess, contending that they had only themselves to blame if their children were not all their ambition had led them to expect.

"If a mother becomes interested in clubs and organizations, it is surely for the sake of the child," Mrs. McAnnamond added. "The hope of motherhood was quickly and the responsibility of motherhood is a very high ideal; morally and spiritually."

The Legal Aid Society of New York which recently issued a booklet for husbands has followed it with a similar set of commendations for wives.

Following exhibition of Egyptian styles of 3000 years ago in Broadway and Fifth Avenue windows, the International Silk Show will today commission Miss Hazel Slaughter, dress designer, to go to Egypt and study the ancient creations discovered with the excavation of the Pharaoh's tomb at Luxor.

According to fashion authorities any Pharaoh would feel at home at the American social functions this spring and summer. The creations now displayed in ultra-fashionable shops have a striking likeness to those found in the Valley of the Kings. Painted silks, revile hair ornaments and carved beads are among exhibits.

SOME NEW RECIPES. Fruit Tapioca. 1/2 cup pearl tapioca, 1/2 cup apples, 2/3 cup cold water, 3/4 teaspoon cinnamon, 1/2 cup sugar, 1/2 cup currant jelly, 1/2 cup milk, 1/2 cup sherry wine or fruit juice, 1/2 cup seeded raisins.

Soak tapioca in cold water overnight or for several hours. Cook in same water in double boiler with salt and cinnamon until transparent. Remove from range and add currant jelly, sherry wine or fruit juice, almonds (blanched and sliced), raisins (cut in pieces) and citron (cut in thin slices). Sweeten to taste. Turn into a serving dish, cool slightly, and serve with this cream.

Cocoanut-Cinger Gems. 1/2 cup butter, 1 level teaspoon ginger, 1/2 cup molasses, 1 level teaspoon soda, 1/2 teaspoon salt, 1/2 cup chopped raisins, 1 cup sugar, 2 cups flour, 1 teaspoon cinnamon, 1/2 cup milk, 2 eggs.

Cream butter and sugar, add molasses and beaten egg yolks; then add milk in which soda has been dissolved. Combine salt, flour and ginger and gradually stir into first mixture, then add raisins and stir stiffly beaten egg whites. Fill well greased gem-pans full. Remove some of the cream from baked and fill with preserves or jelly and chopped nuts. Frost with a thick coconut frosting.

Excellent Lemon Mince-meat. 1/2 cup shortening, 2 large lemons, 1 teaspoon powdered cinnamon, 1 apples, 1 teaspoon powdered ginger, 2 cups currants, 1 teaspoon salt, 1/2 cup chopped nut meats, 1/2 pound chopped and candied lemon peel, 1/2 teaspoon powdered allspice, 1/2 teaspoon grated nutmeg, 1 1/2 cups sugar, 4 teaspoon powdered cloves, 1/2 cup seeded raisins.

Extract Juice from lemons and remove pips. Now put lemons into mangle, cover with cold water, and boil until lemon feels quite tender. Change water at least twice, drain and pound peel to a paste, add apples, coriander, peeled and chopped, lemon peel, shortening, currants, raisins, salt, spices, lemon juice, nut taste. Put in a shell that has been previously baked, cover with a meringue made with the whites of the eggs and four tablespoons of sugar.

Times Raisin Pie. 1 cup seeded raisins, 2 table-spoons butter, 2 egg yolks, 1/2 cup dried currants, 2 table-spoons lemon juice, 1 pint apricot juice, sugar to taste.

Stew the raisins and currants in the apricot juice. Add the butter, egg yolks, lemon juice and sugar to taste. Put in a shell that has been previously baked, cover with a meringue made with the whites of the eggs and four tablespoons of sugar.

Four rhines of Dalhousie. Curries first look by fifteen feet high. The rhines were: L. Blanchard, E. L. Gouffo, D. G. Stewart, J. B. McKay, skip, F. Troy, C. Bernard, A. Powell, F. Barbicic, skip.

To Easy. First Dentist—What do you think of the dentist office in Yorkville? The escape here makes my waiting room one of the safest places in the building. Second Dentist—Safe nothing! I lost twelve patients that way.

Four Years After

BY Canon F. G. Scott, C. M. G., D. S. O.

(Chapter Four)

The three gallant had been the pride of the Canadian... The three gallant had been the pride of the Canadian...

impression upon the memory. Now we had no fears and the blue sky was prominent as a child's eyes.

When we came to the ruined garden of Bedford House, there has been no attempt as yet to clear the place so that the old buildings might be seen.

We turned off by the road towards the left, and the 14th battalion had rested in the field which leads to our old home.

We had no time to visit "Swan Chateau" or "Belgian Chateau". Both of them now are absolute ruins.

We had to hurry back, and reached Poperinghe in time for a rather late lunch. The Fair was still in full swing.

I read many names of friends whom I had known and once again I felt that I had forgotten some back in my mind.

Here was one young officer whom I remembered in the old days at Valenciennes and Salisbury.

The railway embankment has been thoroughly restored and no trace of the weird little houses which once were just before the second battle of Ypres.

We started off by the side of the branch canal, through St. Jean, and onward up the road to Welje.

Only broken stumps of trees remained on both sides of the road. The whole region had been devastated by the war.

The farmhouses had been built in the old situations. Welje, as we saw it first before the 2nd battle of Ypres, was an ordinary Belgian village.

Our journey was very bumpy, and well might it be so, for artillery, both German and English, had often been concentrated upon that region.

We could not resist the temptation to wander through the masses of tangled weeds and look for souvenirs. We found remains of old trench lines.

The roads were very broken so we had to drive very cautiously. The roads were very broken so we had to drive very cautiously.

It was hard to realize the noise of battle that once made these peaceful fields shiver as though with an earthquake.

We retraced our steps to Welje and then continued up the main road leading behind us now the remains of St. Julien and recalling those of Passchendaele.

At that past seven Colonel Roy turned up and with the sun still high in the heavens we started off to the front.

At half-past seven Colonel Roy turned up and with the sun still high in the heavens we started off to the front.

CORNS Lift Off with Fingers. Doesn't hurt a bit! Drop a little "Freezone" on an itching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

When we reached the rise in the ground called Bellevue we found two pillboxes on it still intact.

The farmhouses had been built in the old situations. Welje, as we saw it first before the 2nd battle of Ypres, was an ordinary Belgian village.

Our journey was very bumpy, and well might it be so, for artillery, both German and English, had often been concentrated upon that region.

We could not resist the temptation to wander through the masses of tangled weeds and look for souvenirs.

The roads were very broken so we had to drive very cautiously. The roads were very broken so we had to drive very cautiously.

It was hard to realize the noise of battle that once made these peaceful fields shiver as though with an earthquake.

We retraced our steps to Welje and then continued up the main road leading behind us now the remains of St. Julien and recalling those of Passchendaele.

NEVER FURGE! That a grown person run-down in body or strength, or a child that does not progress healthfully, finds Scott's Emulsion of pure vitamin-bearing cod-liver oil a real help in restoring normal health and strength. Take Scott's Emulsion - it helps sustain vitality!

PERSONALS

Mrs. P. A. McDonald is spending a few days in St. John. Coun. A. S. Arsenau, Upper Charlo is in town to-day. Miss Nellie Kerr spent the week-end visiting Bathurst friends. Mr. Murray Nichol of New Mills was a visitor to town on Tuesday. Miss Rosa Boudreau has returned from a visit to Bathurst. Mr. Donald MacCallum spent the week-end in Bathurst. Mr. Alexander McNeoh of New Mills was in town on Tuesday of this week. Misses Blanche and Helen Crocker are visiting friends in St. John, Fredericton and Pokok. Miss Eunice Pritchard of New Richmond, P. Q., is the guest of her aunt, Mrs. T. Geo. Miller. The many friends of Miss Leonie Leclair will be pleased to learn that she is gradually recovering from a recent illness. Mrs. W. A. Mott and Master Walter of Dalhousie, spent the week-end in town the guests of Mrs. Geo. G. McKeanie. Mrs. D. A. Kierstead and family left on Sunday night's Limited for Niagara Falls, Ont., where they will reside in future. Mr. Alton Price, accompanied by the Misses Annie Price and Jean Warman, spent Wednesday in Tide Head the guest of friends. Messrs. F. E. Jordan, of the Cham Gazette and A. L. Ross of the Commercial, were in town Wednesday evening, cutting for the Archer cup. Mrs. H. M. Armstrong was hostess at the "Tea Hour" yesterday afternoon from four to six. A most enjoyable time was spent by those present. Misses Evelyn Frenette and Audrey Doyle were the guests of Mr. and Mrs. Edgar Coy, Montreal, last week, en route to their homes in Jacques River after a pleasant trip to Boston. Mr. Geo. G. McKenzie left Sunday evening on a buying trip to Montreal and Toronto. While in Montreal Mr. McKenzie attended the Textile Exhibition which is being held at the Mount Royal this week. Mr. Geo. Kerr entertained at a small Stag Party of two tables last evening. The guests were Messrs. Dr. L. G. Pinnall, A. T. LeBlanc, J. J. Bernier, Col. Wood (St. John), R. B. Rossborough, Thos. Wran, and Mr. Patterson (St. John). Mrs. M. M. Mowat was hostess at a bridge of five tables on Thursday evening last. The prize winners were Mrs. W. F. Napier, first prize, Mrs. Geo. G. McKenzie, second prize, and Miss Mills, consolation prize. The guests were Mrs. H. V. Muirgrave, Mrs. Thos. Matheson, Mrs. F. E. Shep-

EARTHQUAKE IN SOUTH. St. Salvador, Feb. 21.—A strong earth shock was felt here yesterday for about 50 seconds. No damage resulted. GREEK TROOPS ON MOVE IN THRACE. Turk Intends Attacking in That Quarter, Report States. Sofia, Feb. 21.—A heavy concentration of Greek troops is being massed around Demoulin, facing the sector along the Maritima river where British troops are holding the neutral zone. Reports state that the gravest tension exists and it is feared that the Turks intend to cross to Thrace, attacking the light British forces if they resist.

hard, Mrs. R. K. Shives, Mrs. W. F. Napier, Mrs. S. W. Dimock, Mrs. Jasper Davison, Mrs. S. H. Langley, Mrs. H. H. Lunan, Mrs. H. A. Carr, Mrs. Allen McRae, Mrs. Haynes (Philadelphia), Mrs. A. I. Morrison, Mrs. Frank Matheson, Mrs. Day (Maryville), Mrs. B. B. Rossborough, Mrs. Blais, Miss Graves, Miss Madge Musgrave, and Miss Nita McDonald. Mrs. Geo. S. Kerr and Miss Rita Kerr were joint hostesses at a bridge of four tables Tuesday evening. Miss Marie Thompson carried off the ladies' prize and Mr. G. A. Mowat the gentleman's prize, while Miss Ada Wyers drew the consolation prize. The guests were Misses Freyda Davison, Marie Thompson, Jeannette Duncan, Ada Wyers, Nita McDonald, Nan Wetmore, Estella Bruce, Messrs. G. A. Mowat, Col. Wood (St. John), Fred Mowat, Lindsay Sullivan, Earl Mowat, A. K. Shives, Wm. Ferguson and George Wallace.

The resolution accepting Mr. Palmer's resignation was moved by Hon. B. Frank Smith, of East Florenceville, and met with general approval. Those who spoke included G. D. Richards, M.L.A., J. Starr Tait, of St. John, Hon. J. E. M. Baxter, M. P., R. B. Hanson, M. P., L. P. D. Tilley, of St. John, J. L. White, of Grand Falls, and some others. Hon. Mr. Baxter, in closing his remarks, said that he wished to warn the party to the matter of selecting the ground upon which the next election would be run. Since the Premier was an Academician, he declared, there might be some who would array the people of one race against those of another in order to gain a temporary victory. He abhorred such a policy, and said that no man should cast a slur upon any one for his racial descent or religion. The fact that Hon. P. J. Veniot was a Roman Catholic and of French descent had not prevented his being called to the premiership of the province. The Premier was a keen politician and very resourceful.

Somebody ought to get out a pocket edition of the encyclopedia britannica to go with the pocket typewriter. ENGLISH BOYCOTTED. Dublin, Feb. 21.—Eamon De Valera, rebel chieftain today, proclaimed a boycott on English goods, forbidding his followers to sell or buy them. The Free State, starting a campaign to exterminate insurgent organizations, paraded 1,400 diva guards who were reviewed by President Cosgrave.

LUMBER PRICES SHOW IMPROVEMENT

Material Which Sold at \$32 a Thousand Last Year, Now Up to \$45.

St. John Journal.—A well-known business man of this City, who has been traveling over every part of the province since the first of the year in connection with his affairs, informed the Journal yesterday that the prices of lumber in the American market had advanced very considerably. Material which was bringing about \$32.00 last year is selling for \$45.00 per thousand, and the supply is very meagre indeed. Mr. Blanchard of the Blanchard Lumber Co., of Boston, which buys very extensively in this section, stated that it was almost impossible to get the quantities or the dimensions demanded by the trade. He spoke of the increased price as not being, in his opinion, a more fluky, but that while it might not keep up at the present high figures, the prices for the cut of 1923 would be very much greater than those of 1922.

The lumbermen, however, are not anxious apparently to sell the new cut in advance. It would almost seem as if such favorable contracting terms would invite them to close for the sale of whatever quantities they expected to have, but this is not so. Instead they name prices ranging from \$34. to \$45. for different sizes, lengths and qualities of lumber, but even then, they do not care to sell at the present time. Taken as a whole, it is thought by those who have observed the situation closely, that lumbermen are inclined to gamble with the situation and hold out for prices which may be unreasonable.

THE OPPOSITION PARTY CONVENTION

Resignation of John D. Palmer Accepted and Nothing Further Done.

St. John, Feb. 21.—Members of the Provincial Opposition party throughout New Brunswick found themselves in the same position to-day that they were in a year ago. The party convention held in St. John yesterday accepted the resignation of J. D. Palmer, of this city, as leader and took no further action aside from adopting a resolution of the character usually passed on such occasions.

It was pointed out to the convention that the selection of a House leader remained the party's members of the Legislature, and Charles D. Richards, M. L. A., who has always retained the confidence of his colleagues in the House, will continue to act as House leader. J. Bennet Hachey, of Bathurst, was chairman of the convention and G. Carle Logan, of St. John, was secretary. The press were not admitted, but reports indicate that the convention was marked by some bitter exchanges and that considerable difficulty was experienced in keeping the boisterous ones present reasonably restrained.

The resolution accepting Mr. Palmer's resignation was moved by Hon. B. Frank Smith, of East Florenceville, and met with general approval. Those who spoke included G. D. Richards, M.L.A., J. Starr Tait, of St. John, Hon. J. E. M. Baxter, M. P., R. B. Hanson, M. P., L. P. D. Tilley, of St. John, J. L. White, of Grand Falls, and some others. Hon. Mr. Baxter, in closing his remarks, said that he wished to warn the party to the matter of selecting the ground upon which the next election would be run. Since the Premier was an Academician, he declared, there might be some who would array the people of one race against those of another in order to gain a temporary victory. He abhorred such a policy, and said that no man should cast a slur upon any one for his racial descent or religion. The fact that Hon. P. J. Veniot was a Roman Catholic and of French descent had not prevented his being called to the premiership of the province. The Premier was a keen politician and very resourceful.

The remains arrived on this morning's mail and were conveyed to the home of his sister, from whom they were taken to the funeral home. The funeral service was held this afternoon at 2:30 o'clock, under the auspices of the Masonic Order, of which order deceased was an honored member. Rev. W. W. McNair officiating.

The funeral services both at the house and grave were largely attended. Interment was made in the Campbellton Cemetery.

Benjie G. Nelson. The death occurred at his home at Hill Brook, N. B., on Thursday morning, Jan. 11th, of Mr. Benjie G. Nelson, one of the most respected citizens of that place, and his passing away has cast a gloom over the entire community. Mr. Nelson was born at Campbellton, New Brunswick, sixty-nine years ago, but came to Hill Brook when a young man and settled on the farm where he died on the 11th inst. By his industry and thrift he made his farming a success and became one of the most prosperous farmers in the county. He enjoyed the best of health until a few years ago, when "bragg" troubles began to bother him. After repeated operations, each of which relieved him temporarily, his vitality began to lower and he then tried X-ray treatments. These, though seemingly helpful, would not cure him and at last, under the great strain and physical suffering and courage given away and he passed peacefully to his home above. During his illness he was lovingly waited upon by his entire family. In his home Mr. Nelson was one of the kindest of men, and it was a pleasure to

OBITUARY

James P. Joudry. The sad intelligence of the death of James P. Joudry which reached here Monday was received with feelings of deep regret. The sad event occurred in Hamilton, Ont., on Monday of this week. The late Mr. Joudry who was in his twenty-fifth year was highly regarded here and his passing will be mourned by a particularly large circle of friends.

In November, 1915, he enlisted for overseas service, going overseas with the 12th Battery C. F. A., in which Battery he served until the signing of the Armistice. He was slightly shell shocked which greatly impaired his health. While taking a business course in Hamilton he contracted influenza, from which he never fully recovered. About a year ago he entered the Mountain Sanitarium, where he passed peacefully away as above stated on Monday.

The deceased young man leaves to mourn the loss of an affectionate son and brother, his bereaved father, L. T. Joudry, who is at present quite ill at his home here, two sisters Elizabeth, R. N., of Hamilton, Ont., and Mrs. B. Stevens of Campbellton, and two brothers, Fred of Prince Rupert, and Lawrence of Tacoma, Wash., to whom the sympathy of the community is extended.

The remains arrived on this morning's mail and were conveyed to the home of his sister, from whom they were taken to the funeral home. The funeral service was held this afternoon at 2:30 o'clock, under the auspices of the Masonic Order, of which order deceased was an honored member. Rev. W. W. McNair officiating.

The funeral services both at the house and grave were largely attended. Interment was made in the Campbellton Cemetery.

Benjie G. Nelson. The death occurred at his home at Hill Brook, N. B., on Thursday morning, Jan. 11th, of Mr. Benjie G. Nelson, one of the most respected citizens of that place, and his passing away has cast a gloom over the entire community. Alaska. To all these sorrowing relatives we extend heartfelt sympathy in the great loss they have sustained. Mrs. A. D'Amboise. It is with deep regret that we record the death of a highly esteemed parishioner of St. John the Evangelist, in the person of Mrs. A. D'Amboise, who passed away at her home here on the 4th of February. Deceased was in her ninety-fourth year, and who had always enjoyed perfect health, was ailing but a short time, and her death came as a severe blow to all. The service was held on the 6th inst. at the R. C. Church of St. John the Evangelist, Rev. Father St. Laurent officiating and her remains were laid to rest in the parish cemetery. Deceased leaves to mourn her loss, two sons, Thomas at home and Joseph of Cross Point, beside a number of grand-children and a large circle of friends. Her loss will be keenly felt, by all for to know her was to love her and esteem her. She was a devoted christian, and always extended a willing hand in sickness or sorrow. Among the crowd which gathered to pay their last tribute were few who had not witnessed the effects of her modesty and piety. To the bereaved family and friends we extend our heartfelt sympathy.

Next To Your Character Comes Your HOME

The one secluded spot where you may rest in the sanctuary of those you love, where you may muse undisturbed in your own best thoughts and where, above all other places on earth you can establish and maintain an atmosphere which will tend towards peace and happiness.
