R.S.C., c. 18, not to apply to future appointees over forty-five years of age.

SUPERANNUATION

Conditions of allowance.

3. The Governor in Council may grant to any person who has served in an established capacity in the Civil Service for ten years or upwards, and who has attained the age of sixty years, or is incapacitated by bodily infirmity from properly performing his duties, a superannuation allowance calculated on his average yearly salary during the then last three years, and not exceeding the following rates; that is to say:—

Rates of allowance.

(a) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;

Maximum rate for 35 years.

Breaks in service not to be counted.

(b) If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted, and the Order in Council made in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 2.

Governor in Council may add to service of persons appointed on account of special qualifications.

4. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years' service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the Order in Council made in the case; and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed; and the Order in Council in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 3.

Preliminary inquiry by Treasury Board.

5. The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board—

(a) Whether the person it is proposed to superannuate is eligible within the meaning of this Act; and—

(b) Whether his superannuation will result in benefit to the service, and is therefore in the public interest; or—

(c) Whether it has become necessary in consequence of his mental or physical infirmity:

Report of Board.

2. No civil servant shall be superannuated unless the Treasury Board reports that the eligible within the meaning of this Act and that such superannuation will be in the public interest. 46 V., c. 8, s. 4.

6.* A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of three and one-half per cent per annum on such salary, if it is six hundred dollars or upwards, and of three per cent per annum thereon, if it is less than six hundred dollars, such deduction to be carried to the credit of a fund called the Civil Service Superannuation Fund, No. 2, to which shall be added by the Government annually such a sum as may be sufficient to make the amount thereof equal to the value of the prospective annuities payable therefrom, as hereinafter mentioned, to the several contributors thereto, upon an estimate or valuation thereof based upon the H. M. Mortality Table of the Institute of Actuaries of Great Britain and a rate of interest of six per cent per annum; but such deduction shall be made only during the first thirty-five years of service. 46 V., c. 8, s. 5 and 56 V., c. 12, s. 3.

APPENDIX No. 3.

56 VICTORIA.

CHAP. 13.

An Act respecting Government Civil Service Insurance.

[Assented to 1st April, 1893.]

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. This Act may be cited as *The Civil Service Insurance Act*. Short title.

2. In this Act, unless the context otherwise requires, the expression "Minister" means the Minister of Finance and Receiver-General. defined.

3. The Minister may contract with any person to whom *The Civil Service Superannuation Act* applies, or who may be hereafter appointed to a permanent position in any branch of the Public Service of Canada, for the payment of a certain sum of money to be made upon the death of such person. Insurance contracts authorized.

2. Any such contract is hereinafter called the "insurance contract"; the person so contracting with the Minister is hereinafter called the "insured"; and the amount so contracted to be paid is hereinafter called "insurance money." Interpretation.

4. When the insured is a married man or a widower with children, the insurance contract shall be for the benefit of his wife, or of his wife and children, or of his wife and some one or more of his children, or of his children only, or of some one or more of them; and when the insurance contract is effected for the benefit of more than one, the insured may apportion the insurance money among them as he deems proper. Apportioning of insurance in case of married man or widower with children.

Apportionment in case of unmarried man.

5. When the insured is an unmarried man, the insurance contract shall be for the benefit of his future wife, or of his future wife and children, and the insured may apportion the insurance money among them in such manner as he sees fit; but if, at the maturity of the contract, he is still unmarried, or is a widower without children, the insurance money shall fall into and become part of his estate.

Form of apportionment.

6. Any apportionment under the next two preceding sections may be made in the insurance contract, or by a declaration endorsed thereon or annexed thereto and signed by the insured.

"Children" defined.

7. When it is stated in the insurance contract, or in a declaration endorsed thereon or attached thereto, that the insurance contract is for the benefit of the wife and children generally, or of the children generally, of the insured, without specifying their names, then the word "children" shall mean all the children of the insured living at the time of his death whether by the same wife or by different wives.

Share of person dying before the insured.

8. Where an apportionment has been made as hereinbefore provided and one or more of the persons in whose favour the apportionment has been made die in the lifetime of the insured, the insured may, by an instrument in writing endorsed on or attached to the insurance contract, declare that the shares formerly apportioned to the persons so dying shall be for the benefit of the wife and children of the insured, or of one or more of them, as he sees fit; and in default of such declaration, the shares of the persons so dying shall be for the benefit of the survivor, or of the survivors of such persons in equal shares if more than one; and if all the persons so entitled die in the lifetime of the insured, the insurance money shall fall into and become part of the estate of the insured.

If there is no apportionment.

9. When no apportionment is made of the insurance money as hereinbefore provided, all persons interested shall be held to share equally therein.

Minister may decline to contract.

10. The Minister may decline to enter into an insurance contract in any case where there are, in his opinion, sufficient grounds for his declining to do so.

Tables to be prepared.

11. The Minister shall cause tables to be constructed fixing the premiums to be paid by the insured to the Minister as the consideration for such insurance contracts, and also all other tables necessary for the carrying out of the provisions of this Act.

Basis of tables.

2. All such tables shall be based on the H. M. Mortality Table of the Institute of Actuaries of Great Britain, and on

a rate of interest of six per cent per annum, no allowance being made for expenses.

3. Such tables shall be framed so that the premium to obtain an insurance contract may be paid in one sum, or in annual, semi-annual, quarterly, or monthly instalments, and either during the life of the insured or during a limited period.

Premium,
how payable.

12. The minimum and maximum amounts payable at death which may be contracted for under this Act shall be one thousand dollars and two thousand dollars respectively.

Amount of
insurance li-
mited.

13. Every applicant for insurance shall furnish with his application a medical certificate in such form as is prescribed by the Minister.

Medical cer-
tificate.

14. The Governor in Council may from time to time make regulations for the following purposes under this Act :

Regulations
by Governor
in Council.

(a.) For regulating the mode and form of making contracts ;

(b.) For prescribing the mode of proving the age and identity and the existence or death of persons ;

(c.) For prescribing the mode of paying sums of money in connection with insurance contracts ;

(e.) For prescribing the accounts to be kept and their management ;

(f.) For determining beforehand the cases or classes of cases in which insurance contracts may be surrendered and a cash surrender value paid therefor, or a free or paid-up insurance contract issued instead thereof, and for prescribing the manner in which such cash surrender value or amount of paid-up insurance shall be determined ;

(g.) For any other purpose for which it is deemed expedient to make regulations in order to carry this Act into effect.

15. In the event of any person to whom *The Civil Service Superannuation Act** now applies taking advantage of the provisions of this Act, a deduction at the rate of three per cent per annum shall be made from the salary of such person towards making good the superannuation allowance provided for by the said Act, such deduction to be instead of the deduction now payable under section six of the said Act.

Additional
payment if
insured now
comes under
R.S.C., c. 18.

16. The provisions of this Act shall be carried out by the staff of the Finance Department, under the direction and supervision of the Superintendent of Insurance.

Superinten-
dent of insu-
rance

report

17. The said superintendent shall, within three months after the thirtieth day of June in each year, prepare for the Minister a statement showing the amount received for premiums during the twelve months ending on the said thirtieth day of June for all insurance contracts entered into previous to the said date, and the amount of all sums paid in connection therewith during the said period, the number of new contracts entered into since the previous statement and the gross amount thereof, with such further details and particulars as are deemed advisable.

To be laid
before Parlia-
