Hockey.

WOLFVILLE 7, WINDSOR 4.
In one of the fastest games of hockey seen here for some time the Wolfville boys defeated the Windsor settable last Friday night by the score of 7 to 4. There were about 500 spectators present and the enthusiasm ran high. The weather had been quite mild all day but the management kept the ice in good condition. At about nine o'clock Lloyd Black, of Amherst, lined the men up and started the game. After five minutes of end to end rushes, Shaw made a clever rush carrying the puck the length of the ice and scoring the first goal for the home team. Play continued in Windsor territory and shots were rained at the goal. Eagles finally got past accounts for number two, and he was followed almost immediately by Baird, making the score 3-0. The visitors tried hard to score but were unable to do so, and the period ended with play in centre ice. Less than two minutes after the second period commenced, Eagles added another to the score. The Windsor boys now began to play in earnest and some fast hockey followed. Fraser and Sexton got away on some sensational rushes. Play was carried into Wolfville's territory, and Sleep and Webster were kept busy. The defense could not be penetrated and soon the forward line got away on a combination rush which resulted in another goal for Wolfville. Fast play followed and Stackhouse was given a rest. After some hard playing Windsor got their first goal. Play continued in Wolfville's territory and J. Smith made the score 5-2. Murray was sent to the boards and the period ended with play around Windsor's goal. In the third period the players were greatly annoyed by the thick tobacco smoke that filled the rink. Play was carried into Wolfville's territory and J. Smith scored. Eagles soon followed Harley was sent to the boards. Shaw added another to the home team's score. Windsor got busy and scored again making it 7-4. The visitors tried hard to even up the score but were unable to do so, and the game ended with Wolfville the victors.

WOLFVILLE 5, YARMOUTH 1.
A small crowd of spectators witnessed the game on Tuesday night between the Wolfville and Yarmouth teams. It was a poor exhibition of hockey and resulted in an easy win for Wolfville, the score being 5-1. At the end of the first period the score stood 2-1. The home team scored three more goals in the second period. In the third period there was no scoring. The game was rough at times. Coach Macdonald, of Acadia, retreated in a very satisfactory manner. The standing of the teams is now as follows:

| GAMES WON | GAMES LOST |
|-------------|------------|
| Wolfville 4 | 1 |
| Windsor 4 | 3 |
| Kentville 4 | 3 |
| Yarmouth 0 | 4 |

Safe and Sure for Little Ones.
Baby's Own Tablets are safe and sure medicine for little ones. They never fail to regulate the bowels, soothe the stomach, and cure all minor ills of babyhood and childhood. Concerning them Mrs. Duncan Joy, Vancouver, B. C., writes: "I always keep Baby's Own Tablets in the house and give them to my little one when ever needed, as I think them the safest and surest remedy a mother can give her children. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont."

The completion of the C. P. R. to the coast made the development of British Columbia possible. In London now the agent of the great province can proudly boast that British Columbia has 250,000,000 acres of public lands. Of this only 2 per cent. has been sold. It has 25,000,000 acres reserved for homesteads, of which at least 2,000,000 have been surveyed and are ready for settlers, and the settlers are coming fast owing to the splendid prospects of the province to the better class of Britons—people with a little money, who would find in the Pacific province the conditions missing the customs and usage and climate and scenery of the Mother Country.

Of course the British Columbia government has been active during the last few years, but the C. P. R. made the last impression, with its subsidies, its loans, its equipment of growth and minerals, and especially with its beautiful stories of possibility for the entire class of Britons, who would be asked only to migrate with their families on a social party with them.

Municipal Council.

The late Municipal Council of Kings County met in special session at the Court House, Kentville, on Tuesday, January 13th, at 10 o'clock, a. m. The meeting was called for the purpose of electing a Clerk in the place of the late Col. Chipman, as the legal formalities necessary at the opening of a new Council require the presence of a regularly appointed Clerk. Councillors were all present except Messrs. Balsar, Anderson and Reid. The Warden in the Chair, Barclay Webster, Esq., acted as Clerk pro tem.

Collier L. Dodge, Esq., was chosen Clerk upon the first ballot. Minutes of April Term, 1913, and of Special Term held July 25th, were read and confirmed. The Warden suggested that, before adjournment, the Council should appoint a Committee to prepare a minute in reference to the death of the late Col. Chipman. Councillors Woodbury, Donaldson and Griffin were selected as members of this Committee. The minute which they prepared was as follows:

We, the members of the Municipal Council of the County of Kings, desire to convey to the family of the late Col. L. DeV. Chipman an expression of our sympathy with them in their sad bereavement and to place on record our appreciation of the fact that in his removal, the Municipality has sustained the loss of an official of genial manner, of excellent judgment and of marked ability, who has served the County faithfully during the whole of a long and useful life. The Council of 1910 having dissolved, the Councillors elect as per returns of polling held on November 4, 1913, convened in the Council Chamber, answered by their names and took the required oaths. Coun. T. H. Morse was elected Warden upon the first ballot, and was sworn into office and briefly addressed the Council. Coun. C. A. Campbell was chosen Deputy Warden. The Committee on Lunatics reported that a further number of harmless insane had been transferred from Dartmouth to Truro. The Report of Board of Revision and Appeal was read. Some individual assessments had been changed, but the relative standing of the wards remained as fixed by the assessors. The valuation is some \$40,000 in excess of that of last year.

Report of Health Officer read. Letters from the W. C. T. U. were read asking that work be provided for prisoners under sentence. Reports Trustees School Lands Horton and Cornwallis, were read and approved. A petition for incorporation to lay out: road from Lanenburg County line to Lake Paul, rendered a report which was referred to Committee on Roads and Bridges to report at April Term. Mr. Foster also reported in re new street along waterfront in Canning. He had been unable to make agreement with owners of land and had set matter to appraisers whose report he submitted.

Mr. N. W. Eaton, one of the owners of lands affected, was heard in opposition to the report. Consideration was deferred until the following day when Sir Frederick Borden appeared before the Council and stated the case from another point of view. The report was then received and adopted and the road established. A petition for change in a highway labor district in Ward 5 was read and prayer granted. A. Foster was appointed Commissioner to lay out new road at Kings-ton. A letter was read from the Board of Railway Commissioners in re railway crossing at Waterville. On motion of Coun. Campbell the clerk was instructed to write the Board that the Council would adhere to the action taken in July and withhold its consent to the closing of the road as proposed. At the afternoon session a delegation from the Temperance Alliance was heard. Messrs. B. B. Newcombe, N. W. Eaton and C. C. Cogswell spoke asking for the appointment of Ira L. Cox as inspector at an adequate salary. Messrs. B. B. Newcombe and May or Ryan asked that the Municipality co-operate with the town in holding a Fruit and Poultry United Counties' Exhibition in the autumn. A committee was appointed to consist of Couns. Wood, Bill and Gertridge. The Report of the Chief Forest Ranger was read. The expenditure for the year exceeding the revenue from assessment of forest lands for protection purposes by \$12.63. The amount was ordered paid.

Coun. Nichols moved that Highway Labor District No. 16, in Ward 13, be extended south on the R. D. Pines road to Albert Pines's south line. Mr. W. W. Pines asked to be heard and stated that he had an orchard of thirty acres beyond the point named in the motion; that the road was a public road laid out through

and beyond his property and claiming that the district should be extended further south. An amendment that the district extend to the south end of the R. D. Pines road was moved and was carried. Reports of overseers of poor were read; Aylesford and Horton each asked authority to assess for \$500 for support of poor; and assessments were ordered accordingly. Overseers for Cornwallis asked leave to assess for \$1700 Coun Bill urged that as the accounts showed a surplus on hand of over \$800, and the expenditure having been less than \$1700, the amount asked was more than necessary. He moved that an assessment of \$1000 be ordered. Couns. Wood and Meek moved that the amount be \$1700. This amendment was carried. It was announced that Mr. W. E. Roscoe, who had been chosen Solicitor, declined the position. Mr. H. H. Wickwire was chosen in his place. D. B. Weaver was granted permission to erect telephone poles in Ward 1.

Lists of Town Officers were submitted and appointments made, assessors being as follows:

Coun. Campbell moved that the Corporation be authorized to be empowered to sell that portion of public land at Town Plot known as The Parade. Carried. Those who have had charge of the campaign for raising funds for the Boy Scouts building are asked to have all the amount subscribed paid in by next Tuesday evening. It is hoped that all citizens who have not yet paid in will assist the collector by having the amount ready when called for. As quite a large amount is yet required to meet the needs of the building committee any additional contribution will be very acceptable. Help along a good cause.

A Sleigh Drive to Kentville. On Thursday evening of last week the Bible Class of the Methodist church, under the leadership of their teacher, Rev. W. H. Rackham, enjoyed a very pleasant sleigh drive to Kentville.

The weather proved favorable and at 7.30 o'clock a jolly party of twenty six young people started for Kentville. The sleighing being good the four horses lost no time and soon brought us safely to our destination arriving a few minutes to six. On our arrival our teacher suggested a visit to Kentville's new Arena rink, which is a credit to that town. Though we only had an hour to spend here we enjoyed very much watching the skaters. We also had the pleasure of hearing the Kentville Brass Band.

Leaving Kentville about ten o'clock we arrived at the church in Wolfville at eleven where four of the generous ladies of the church had prepared a most tempting supper. The tables were beautifully indexed and after the frosty drive was enjoyed by everyone. The whole evening was one of extreme pleasure and one to be remembered by all those who were present.

The Coming Civic Election.

DEAR MR. EDITOR.—As usual you are to the front in suggestions as to the person or our Council board for another year. You are surely within your rights both as a citizen and editor of our local newspaper. Your plea, however, as outlined in last issue of THE ACADIAN, does not commend itself to me. Already the machinery is at work to make your suggestions effective. From observation and experience I am convinced that a more intelligent and judicious vote is given without the rush into the field to secure signatures to requisitions. Avoiding a poll of the electors is not by any means all gain. The fact of recording an independent vote is in itself a thing of dignity, as well as duty; and the abuses associated with getting signatures to requisitions are more numerous than in open voting. Life is not so strenuous in Wolfville that the electors cannot go to the polling booth and deposit their ballots. Another thing implied in your plan I take exception to, viz., a third term (that is, three consecutive terms) for Mayor. Some conditions may warrant it but they do not now exist in Wolfville. Two terms express all the gratitude, and accord all the honor that we are capable of bestowing, or that an ordinary mortal can appropriate. No civic board can make a serious or exhaustive draw on the ratepayers of Wolfville as to capacity for public service. The facts are that a dozen council boards could be selected from the Wolfville ratepayers that would compare favorably with our present council. And still a lot of first class material would be unused. Do not be afraid to infuse a little new blood and brains every year. Give the ratepayers a chance to express themselves at the polling booth and the issue will be more general interest in all that goes to make a clean, progressive Wolfville. Just now is a fitting time to sound a warning note. Have we not about reached our limit as to borrowing money for further public works? Are we not already mortgaged up to the hilt? We have sewerage, water, light and street improvement—leisure in excess of any little town of 1500 inhabitants in the Maritime provinces. Let us be content, and stop borrowing money for a few years, and reduce our interest and sinking fund liability. A few years of practical economy is surely in order just now. I have no personal favors to ask, no "ix to gain." I love Wolfville and her people; and only want to be a spoke in the wheel of real progress for Wolfville.

Municipal Council.

Continued from Second Page. For such ground as a cemetery. Correspondence from Chief Justice Townshend in re the jail at Kentville was read. On motion of Coun. Campbell a committee (Couns. Hill, Campbell and Anderson), was named to consider the question of changes, repairs and improvements necessary to the Jail and also the question of providing labor for criminals. Coun. Nichols moved that a committee of three (Nichols, McNeil, Meek) with the S. Doctor, prepare a by-law, under which the dog tax can be used for the encouragement of the sheep industry, and have the necessary steps taken to adopt the same at the April Term. Carried. A ward of Arbitrators as to damages for right of way of North Mountain Railway (\$44,983.74) was read and a motion passed empowering the Wardman and Clerk to issue debentures for a sum not exceeding \$25,000, bearing interest at five per cent, and payable in five per cent and payable in five or ten years as may be advisable, to provide for the payment of these damages. The bills of the arbitrators, which had been referred by the Finance Committee to the Council, were then considered. A charge of four dollars per day had been made by each arbitrator and a further charge of \$2.50 for expenses. The Council resolved to accept the recommendation of the Committee that the payment be fixed at \$4 per day with no allowance for expenses. The Presentation, amounting to \$25,000, was read and an assessment levied thereon was ordered. The rate will be 40 cents on \$100 of valuation. Mr. Wickwire spoke in reference to bills from Annapolis County for costs in the trials of the Graves brothers. These had been cut down by the Finance Committee. The amount allowed will not be accepted as full payment. He suggested that the Annapolis County officials be named to audit the matter to the Deputy Attorney General and, on motion of Coun. Hill, a resolution to that effect was adopted. Coun. Campbell also moved that a fine paid under protest by one Rand for an alleged offence against the Scott Act, be refunded, as the Supreme Court has put aside the conviction against Rand. The Council then adjourned.

Death's Harvest.

News was received on Tuesday morning by telegram from Vancouver of the death in that city of Mr. A. H. McLeod, of Parraboro, a former resident of this town. Mr. McLeod had been in poor health for some time, and went west last autumn with the hope that his condition would be improved by a change of climate. After spending some time in Regina he went, with Mrs. McLeod, to Vancouver, intending to spend the winter in California. Some weeks ago he suffered a stroke of paralysis. The deceased was a most kindly gentleman and had many friends who will miss him sadly. THE ACADIAN joins a host in this place and throughout the province in sincere sympathy to the bereaved family.

Much sympathy is felt with the family of Ross Fraser in the very sudden death of his little daughter, Lina. She was thirteen years of age, and had not been well for some time, but was not considered dangerously ill until Saturday last. The end came on Tuesday about noon. The funeral service was held on Thursday afternoon and was conducted by Rev. G. W. Miller. The casket was covered with flowers sent by friends, and the school children marched in procession. She was a specially bright and attractive little girl, very skillful with her hands and a favorite with her school companions. But in the home she was the pet and there the loss is irreparable. Besides the father and mother there are three brothers, Frank, of Lynn, and Harry and Edward at home. Flowers: broken wreath, the family; basket of flowers, Kiamba Brooks; anchor and rest, Wolfville Hockey Club; wreath, Wolfville Hockey Team; wreath, James T. Thomson and family, Halifax, N. S.; crescent, Mrs. Smith and Miss McDonald, Halifax, N. S.; cut flowers, Miss M. C. Brooks, Avonport, N. S.; cross, Miss Nellie Wood; cut flowers, Mr. and Mrs. Delaney; pillow, teacher and school mates; wreath, teachers of St. Andrew's Sunday school; cut flowers, Mr. and Mrs. W. C. B. Harris; cut flowers, V. W. C. T. U.; cut flowers, Miss Elsie Whitman, Lawrenceston, N. S.; cut flowers, Mr. and Mrs. D. H. Scoble.

When we see the precious blossom, That we tended with such care, Rudely taken from our bosom, How our hearts aching despair, Soon the little grave we linger, Till the setting sun is low, Feeling all our hopes have perished With the flower we cherished so.

[The above was handed in for last issue, but owing to it being written on both sides of the paper there were some omissions. We gladly publish in full.—Ed.] CALLED B. COGSWELL. At Hantsport, on the 17th of January, there died a man who was born and who spent the most of his life in Kings County, Mr. G. S. Cogswell. He was in the seventy seventh year of his age. During the afternoon of the 15th instant, while seated in his house, he was stricken with paralysis. Until two and a half years ago he resided in Centreville, where he was greatly esteemed, and from which place he removed, with his sister and an adopted daughter, on account of a fire which robbed them of their real estate. About nine months ago the sister died. A funeral service for the brother was conducted by Rev. W. H. Macnam at the home in Hantsport on Sunday evening, the 18th, and on the day following occurred the burial at the family lot in Canada, prayer there being offered by a former pastor of the departed, Rev. F. H. Beals. The sterling qualities of Mr. Cogswell were well possessed drew to him many firm friends who speak in highest terms of his character and his life. Only a short distance from their birthplace and from the spot where they long attended the House of God, the brother and sister are now sleeping.

In presenting Miss Marjory Lacey in "Everywoman," we feel that we are doubly fulfilling our obligation to the public. First in introducing an attractive, competent and worthy young artist. Second, in providing a means by which the great masses of the people may listen to an artistic and wonderful play of the hour—a story that grips, that dispels the slurs of the stage and high life and one that every young person especially should hear. Miss Lacey will be heard in College Hall, Saturday evening, Jan. 21, at 7.45. Watch for further announcements and posters.

CARD. TO THE ELECTORS OF THE TOWN OF WOLFVILLE. LADIES AND GENTLEMEN.—Having been requested by a number of electors to accept a nomination as a candidate for the position of Councilor at the approaching Civic Election, I have decided to do so and would solicit your votes, promising if elected to do my utmost to advance the interests of the town. Yours truly, Joseph C. Bishop.

HIS BLADDER WAS TERRIBLY INFLAMED

GIN PILLS Brought Relief. Larder Lake, Ont., March 26th. "I had been suffering for some time with my Kidneys and Urine. I was constantly passing water, which was very scanty, sometimes as many as thirty times a day. Each time the pain was something awful, and no rest at all. I heard of your GIN PILLS and decided to give them a trial at once. I sent my chemist 60 miles to get them as I am pleased to inform you that in less than six hours, I felt relief. In two days, the pain had left me entirely. I look about my back and kidney's and feel as well as ever and my kidneys are acting quite natural again." SID CASTLEMAN. GIN PILLS soothe the irritated bladder—heat the sick, weak, painful kidneys—and strengthen both these vital organs. Money back if they fail. See a box, 6 for 25.00. Sample free.
