LOCAL HAPPENINGS

Time to renew your subscription. Open Evenings till Christmas.—A. Brown & Co.

Matinee at the Lyceum at 8 o'clock Monday afternoon. This is Sunday School Christmas entertainment week, a joyful time for the kiddies.

There will be no service in the Watford Baptist church next Sunday December 25th.

Is that Christmas shopping all done or have you yet some last day purchases to make? We are practically the slaves of our own modern conveniences—especially the telephone.

See there are no holes in the stocking you hang up Saturday night or Santa might pass it by.

Ivory, Ebony, Perfumes—a selection from one of these would please her. See the display at McLaren's.

When a man is preoccupied these days it is safe to guess that he is wondering how to buy \$100 worth of Christmas presents with a \$10 bill.

The financial statements of the Village of Watford are printed and ready for distribution. Copies can be had at this office or from the Village Clerk.

No wonder the Bell Telephone is hard up and wants to raise rates to subscribers when the Presidents' and First and second Vice-Presidents' salaries amount to a total of \$60,000 a year.

The New Christmas Blouses at Swift's.

Special Christmas services in the Cong'l church on Sunday, conducted by the pastor, the Rev. T. DeCourcy Rayner. The Christmas messages will be: 11 a.m., "The First Christmas Service," and 7 p.m., "Following the Star." You are invited to "Come and Worship Christ."

The Christmas festival will be fittingly observed in Trinity church on Sunday. There will be a celebration of the Holy Communion at 9:30 in the morning. Evening service at 7 o'clock, when special music will be given by the choir including an anthem and a solo.

Men's Ties in big variety, 50c to \$1.25, fancy boxes.—Swift's.

Contributions to the columns of the Guide-Advocate are always welcome, but should be in the printer's hands not later than Wednesday noon, and as much earlier as possible. Late contributions make the paper late for press to the disappointment of many subscribers.

"Around the Manger", a Christmas Cantata by E. S. Lorenz, comprising anthems, male quartettes, etc. will be given in the Congregational Church on Sunday evening, Dec. 25, commencing at 8:30 p.m. Special offering in aid of the Manger furnace fund. You are invited to come in and hear the Cantata.

Handkerchiefs, Gloves, Hosiery, in Christmas boxes.—Swift's.

If the snow bylaw is still in force let us hope it will be enforced this winter. There are a few residents of our town who are somewhat negligent in observing their duty to their neighbors. There is little use seven householders in a block keeping the sidewalk clear of snow if the eighth fails in his duty.

Mr. E. L. Mott, at one time editor of the Alvinston Free Press and Wyoming Enterprise was deported from North Dakota and sent by the Provincial Secretary to Alvinston for support. Both his legs have been severed, he is totally blind and paralyzed in one arm. He was sent by the Alvinston authorities to the House of Refuge.

Big Sales at Swift's Friday and Saturday.

The Presbyterian Sunday School entertainment held in the Lyceum on Tuesday evening was a very enjoyable affair and had a fair-sized audience. A short play, "Susan Gregg's Christmas Orphans" was given, also choruses, drill, recitations, etc., made up a very interesting program, after which presents were distributed from a Christmas tree.

Ladies' Coats, fur collars, lined.—Swift's Christmas Sale.

The Guide-Advocate wishes all its readers a Merry Christmas.

The children of Trinity church, Sunday school enjoyed their usual Christmas treat in the school room on Wednesday evening.

Remember the New Year's Dance in the Armory on Thursday, Dec. 29. A good time is guaranteed.—Lambtons 149, I.O.D.E.

A Fur Set for Christmas—fine stock.—Swift's.

The shortest day is past, and all are thankful that the days will soon lengthen. Hydro is all right but it can't compete with daylight.

We do not hear of any new aspirants for the local municipal council but it is hard to say what Monday night's meeting will bring forth.

At a recent meeting of the Ontario Hockey Association, Watford intermediates were placed in group 13 along with Sarnia, Watford, Alvinston, Strathroy and Glencoe.

Handkerchiefs always good—a big shipment to hand.—Swift's. Local merchants are to be commended for giving the town a tasty holiday appearance by dressing their show windows appropriately for the Christmas season.

Watford municipal nomination meeting will be held in Coupland's Hall on Monday evening, Dec. 26, at 7:30. If a poll is required the voting will take place a week later at the usual places.

A special Glove for a Dollar a pair.—Christmas Sale.—Swift's.

The retiring members of the Bd. of Education this December are J. W. McLaren, E. D. Swift, W. E. Fitzgerald and John McKecher, the latter being an appointee of the County Council.

Hockey fans are pleased to see the building of the new rink pushed forward so rapidly. The frame work is about finished and the steel plates for covering are here. The building will be ready for occupancy by the end of the year.

Our open stock Vesta Pattern in semi porcelain china has just arrived—we have it opened for Christmas.—J. W. McLaren.

That was something like a Christmas gift that the Armament Conference at Washington handed out to the world last week. It was the biggest exemplification of the divine command "Peace on Earth" that the world has ever seen.

Don't miss the Picture in the Lyceum Christmas night (Monday).

The next regular meeting of the Watford Chosen Friends is to be held here Tuesday, December 27th, and the Watford Independent Foresters are also to meet the following evening, next Wednesday, December 28. Every member of the respective societies mentioned is kindly requested to be present. Election of officers and other important business.

Take your Christmas visitors to the Matinee in the Lyceum Monday at 8 o'clock.

The home of Mr. and Mrs. P. J. Dodds was more than ordinarily attractive last Friday night when the "Lucky Ten" assembled to say goodbye to one of the most popular of their number—Mr. Keith Dodds, more familiarly known as "Cuffy." The rooms were tastefully decorated with large white and yellow mums and a very happy time was spent. During refreshments Mr. Jim Kinnell proposed the toast to the King, and Miss Mary Connolly the one to the guest of honor, Miss Rita Dodds presented a pair of handsome cuff links to Mr. Dodds, who is leaving next week for California, and the evening came to a close with the singing of "For He's a Jolly Good Fellow."

Santa Claus in the person of the members of the Women's Institute visited the Public School on Friday last week and presented to the pupils and teachers a fine Victrola and ten dollars worth of records. The present is one which combines entertainment and instruction. Many records are made expressly for Public School work, such as the Bubble Books, marches, patriotic songs, recitations etc. The surplus left from the School Fair formed a part of the purchase money so that the pupils may feel that they had a share in earning the Victrola. Mrs. McKecher, president of the Institute, made the presentation and several of the other members addressed the pupils.

Two Suits Plush Coats, sizes 42 and 46.—Swift's Christmas Sale.

We wish to draw the attention of the ratepayers of Watford to an error in the detailed statement of the Corporation just printed, which credits Councillor Harry Hollingsworth with \$200 for his year's work instead of \$20. Apparently our Linotype machine—human as it is—thought Mr. Hollingsworth was not receiving due recognition for his invaluable services.

Men's House Coats, Ladies' Dressing Gowns.—Swift's.

WARWICK

The polling booth for Division No. 2 will be held in the house on Lot 15, con. 5.

In the municipal elections at Edmonton last week, Mr. S. A. G. Barnes headed the poll in the contest for School Trustees, going up a step from his showing in 1919. Mr. Barnes is an old Warwick boy.

Special Christmas service in Zion Cong'l church on Sunday afternoon at 2:30 p.m. The pastor, Rev. T. DeCourcy Rayner, will preach, his topic being: "The Babe of Bethlehem." You are invited to "Come and Worship Christ."

The Warwick W. I. held their regular meeting in the Town Hall on Thursday evening, Dec. 8th. Correspondence was read from the "Canadian Home Journal" and Muskoka Free Hospital, and a sum of money was voted to be sent to the Hospital and also to the French Orphans. Miss S. Barnes rendered a solo, after which Miss M. Archer gave a very full and interesting report of the Women's Institute Convention held in London in November. Mrs. Falloon gave a paper in regard to our progress during the past year which inspired us all with brighter hopes for the coming year. Miss Archer favored us with an instrumental after which all joined in community singing. Meeting closed by singing "Home Sweet Home." Next meeting in Town Hall on Thursday, Jan. 12th.

The death of Mrs. James Clark, in her 79th year, occurred at the home of her daughter, Mrs. Donald Ferguson, Saskatoon, on Sunday, Dec. 11, where she had gone over a year ago to make her home. The latter were guests of Mr. and Mrs. Mack Luckham from Wednesday till after the funeral. The family were well and favorably known here, having lived in Warwick for a number of years. They removed from this locality about thirty years ago.

You will be missed in many ways in Watford, but we are sure in no place more than in the Women's Institute of which you have been a faithful member and an untiring worker since its organization.

We will miss our pleasant meetings at your home, your sound advice, and good judgment in our deliberations, and your business ability in helping to manage the affairs of the Institute.

Please accept this small token of our regards. We hope you will return to visit Watford and the Institute and we trust also that in your new home and country you will find congenial work along the lines you have enjoyed here.

We wish you God speed and we wish you and yours every success and happiness in your new home. Signed on behalf of the Watford Women's Institute, Mrs. Jno. McKecher, President, Dec. 14th, 1921.

CHRISTMAS!

By Rev. T. DeCourcy Rayner

Christmas is a wonderful season of gladness and goodwill, and it is something far more than the season when Heaven touches Earth more closely than at any other season. It is distinctly we remember the star-led quest of the "three wise men"—and our eyes search the heavens wonderingly. Almost unconsciously we visualize the scene on the hills of Bethlehem and see the Judean shepherds watching over their flocks by night. We watch them as they listen wonderingly to the Angel-orchestra and the heavenly choir—and turn our gaze, in fancy, upon the manger-cradle feeling a strange thrill as we look into the sweet face of the baby-Saviour—and our hearts turn Godward hopefully. Our thoughts are lifted from the material to the spiritual; we turn our eyes from the temporal and reach a glimpse of the Eternal; and God seems more real to us at Christmas time. Yet, alas, we soon forget, and go on our way heedlessly.

Beneath the angel-strain have rolled Two thousand years of weary days; And man, at war with man, hears not The voices which they bring.

The time is overripe for the Disarmament Conference at Washington to challenge the Nations to—

"Hush the noise ye men of strife; and hear the angels sing."

And the challenge to individuals as well as to Nations: We must abate hatred 'till it is out of our hearts, and we cannot do this until we get love 'till Since God's love we must let God in. And since love is the best expression of God, we must let the Spirit of God within us.

Whether you are God-fearing "star-worshipers" or the "shepherds" of the world, let us do our best; it matters not what does matter is that you love. This is the message of Christmas.

SOME CHRISTMAS QUOTATIONS

The world is happy, the world is wide, Kind hearts are beating on every side —Lowell.

Awake, and heart, get up and sing! It is the birthday of thy King. —Yaughn.

Good news from heaven the angels bring, Glad tidings to the earth they sing; To us this day a child is given, To crown us with the joy of heaven. —Martin Luther.

The wind is chill, But let it whistle as it will, We'll keep our Christmas merry still. —Scott.

I heard the bells on Christmas day Their old familiar carols play, And wild and sweet, The words repeat, O peace on earth, good will to men. —Longfellow.

Chill December brings the sleet, Blazing fire and Christmas treat, The dear notes ring and will not cease; "Peace and good-will, good-will and peace." —Susan Coolidge.

DIFFERENT CHRISTMAS CUSTOMS

In Norway they leave a basket
The queer little girls and boys
To be filled by good old Santa
With candies and nuts and toys
In Holland a shoe is waiting
In Germany, always a tree;
But the good Canadian stocking
Is the best for you and me.

WHEREAS a Water Works System for the Village of Watford has been completed at the cost of Fourteen thousand dollars in addition to the estimated cost thereof which has been provided.

AND WHEREAS the proposed

Hospital for Sick Children

COLLEGE ST., TORONTO.

Through Support of Public, Ontario Maintains Greatest Children's Hospital on This Continent.

Dear Mr. Editor:—Nowadays people look ahead more than they used to. They realize, for instance, that the child of to-day is the citizen of the future. The privilege of this Hospital is to provide a service whereby any Ontario child, who is weakly, may be made strong, or if he is crippled, may be set straight.

Part of this service consists of personal medical and surgical care of the children. Part is in the schooling of doctors and nurses to carry the high of medical science into the uttermost corners of the province.

The whole is a contribution to CHILD WELFARE work which must commend the Hospital to the sympathy and support of your readers.

You probably saw a Quebec despatch deploring the great infant mortality in that province. One great factor which gives the Ontario-born child so much better a chance in life is the maintenance of public philanthropy of the leading Hospital for children on this continent. And that child, whether it be pallid of cheek or crooked of limbs, is helped over the rough spots of infancy and adolescence by this same Hospital. Here are the average day's figures of 1921 attendance:—

Cot patients 268
Other patients 158
Total 426

During the year the Hospital actually saves the lives of scores upon scores of children. It restores health or straightens limbs for hundreds more. Every contributor to the Hospital funds is a shareholder in an enterprise which wins back health and happiness for thousands of children, and thereby gives joy to thousands of anxious homes.

Remember, however, that every child to whom the Hospital's doors are opened—and none are refused—adds something to the financial burden which the GREAT MOTHER CHARITY has to carry. But it has never defaulted on its dividends, which are paid not in money, but in service.

The continued service of the Hospital depends on the continued support of the public. A minute of mercy costs fifty cents, and the clock in the treasurer's office is six months slow. So there are a lot of minutes to catch up.

The Hospital is accomplishing fifty per cent. more work than before the war. Owing to higher prices it requires almost twice the money. May I place that simple but serious fact before your readers in connection with the 46th Christmas appeal of the Hospital for Sick Children for funds to carry on another year of service?

Faithfully yours,
IRVING E. ROBERTSON,
Chairman of Appeal Committee

FULL ASSURANCE GIVEN DEPOSITORS THAT ALL ACCOUNTS IN MERCHANTS ABSOLUTELY SAFE

(Extract from The Montreal Star of 17th December, 1921)

Complete assurance for depositors' money in the Merchants Bank of Canada is given by both Sir Hugh Montagu Allan, president of that bank, and by Sir Frederick Williams-Taylor, general manager of the Bank of Montreal.

Sir Montagu told The Star that "You can say with my assurance that the money in the Merchants Bank is as safe as if it were in the Bank of England."

Sir Frederick Williams-Taylor said: "You have my authority to say that I, Sir Frederick Williams-Taylor, general manager of the Bank of Montreal, consider that the deposits held by the Merchants Bank of Canada are indeed safe beyond all doubt. Neither banker would discuss any or more presented in the morning."

In the statement issued by the president of the Merchants Bank, Sir Montagu referred The Star to a prominent official of the bank. Business as usual.

The latter explained that today the Merchants Bank would carry on exactly as yesterday. Business would be transacted in the name of the Merchants Bank, the only change being that H. B. Mackenzie, who was yesterday appointed acting general manager of the Merchants Bank, and Major S. O. Nornworthy, similarly appointed acting assistant general manager, would take complete control of the bank's affairs. He emphasized that deposits would be absolutely safe.

KIDNEY TROUBLE?

The Kidneys are the Blood Filters—When they Weaken and Stop Up, the System Becomes Overloaded with Uric Acid

Niagara Falls, Ont.—"I have used nearly all of Dr. Pierce's medicines and take great pleasure in giving them a boost.

The Anuric Tablets are the greatest benefit to mankind. I was suffering with kidney trouble and was rejected by different insurance companies.

Today I am holding three good policies. All I ask the readers of this is to give the Anuric Tablets a trial, and become a life user in the future."—William Dempsey, 32 Bridge St.

HEALTH IS YOUR MOST VALUABLE ASSET

Montreal, Que.—"I cannot praise Dr. Pierce's Anuric enough for what it has done for me.

For three months I was under the doctor's care and got no better. I was always complaining of my kidneys. Finally I made up my mind to try Dr. Pierce's Anuric Tablets.

I took two packages and don't complain any more. I have gained in weight and am still gaining. My appetite is great and sleep has come to me.

That is what the Anuric Tablets have done for me. I truly recommend them to those who are suffering from kidney ailments the way I did. They are mighty good, though not expensive; easy to buy, but hard to beat."

—T. A. Brown, 415 Dorchester St., W. Ask your nearest druggist for Anuric in tablet form, or send 10c to Dr. Pierce's Laboratory in Bridgeburg, Ontario, for trial pkg. and write for free medical advice.

A Corrector of Pulmonary troubles

Many testimonials could be presented showing the great efficacy of Dr. Thomas' Electric Oil in curing disorders of the respiratory processes but the best testimonial is experience and the Oil is recommended to all who suffer from these disorders with the certainty that they will find relief. It will alay inflammation in the bronchial tubes.

Makes Breathing Easy.—The constriction of the air passages and the struggle for breath, too familiar evidence of asthmatic trouble, cannot daunt Dr. J. D. Kellogg's Asthma Remedy. This is the famous remedy which is known for and wide for its complete effectiveness even under very severe conditions. It is no untried, experimental preparation, but one with many years of strong service behind it. Buy it from your nearest dealer.

HOCKEY

The Sarnia Canadian-Observer of Friday last says:

Watch out for Watford. With the hockey season less than three weeks away the different teams in this district are commencing to line up their players out in the light where they can be seen and Watford, they of "pillbox" fame, are not letting any grass grow under their feet.

The latest acquisition of the village sextet, and one that is going to cause the local squad a lot of worry is Hec Cowan, formerly of this city, who is dispensing law in Forest at present where he has been playing amateur baseball all summer.

Cowan, a protégé of George Dawson's is one of the likeliest hockey prospects Sarnia has turned out in a long time. He has enough weight to carry him anywhere, a little more than the average turn of speed and one of the most aggressive players in the district and one who thrived on body checking when he last played in this city with the Perfection Stove team years ago when they won the championship from the Bear Cats.

Watford with Rogers in goal, and players like "Happy" Dadds, "Curly" and Irwin and the youngster Bruce will make a strong spurge in the district with the addition of Cowan who will take a certain amount of hockey knowledge to the village with him.

People who are in close touch with Watford since they started in on their new arena project last spring, state that the village must be taken seriously and the overconfidence is going to cost someone dear.

INTER-COUNTY LIVE STOCK JUDGING COMPETITION

In conjunction with the Provincial Winter Fair held in Guelph, an inter-county Live Stock Judging Competition is held annually.

The competition is composed of three young men from each county, under 25 years of age and chosen by the Agricultural Representative. The judging team is chosen from the young men who have previously taken a Four Week's Short Course in Agriculture.

Twenty-one county teams competed. John H. Hodgins, Wyoming; Earl Fuller, Watford, and Elgin Fuller, Watford, composed the Lambton County team and won seventh place in the final results. Elgin Fuller had the distinction of winning first place in the judging of beef cattle.

LAMBTON COUNTY WINTER FAIR

Lambton County Winter Fair, composed of the Corn, Grain and Seed Show, Poultry Show and the S.B.W. and Dispersion Sale of Pure Bred stock, will be held in Petrolia, on February 8th, 9th, 10th, 1922.

The coming event bids fair to surpass all previous records. The applications already received for space are greater than ever before at this date. Housing accommodation for the combined events is the big problem of the officers and directors. Prize lists and catalogues will be ready for distribution by January 1st. The corn growing industry of Western Ontario is in great danger of being wiped out by the work of the European Corn Borer. Special attention will be given this year to discussions, demonstrations and methods of control to combat the spread of the Borer. Corn growers should not fail to attend the Corn Show. The quality and breeding of the cattle to be offered for sale by the Pure Bred Stock Breeders is much superior than any previous sales. All consignments are inspected by a representative of the Livestock Branch of the Ontario Department of Agriculture before being accepted for sale.

To have the children healthy and sound is the first care of a mother. They cannot be healthy if troubled with worms. Use Mother Graves' Worm Exterminator.

Forty-five Years of Fair Dealing

SKILLEN—McLEAN

A quiet, but pretty, wedding took place at the home of the bride's parents, Mr. and Mrs. Wm. McLean, 4th S.E.R., when their eldest daughter, Martha R. Pearl, was united in marriage to Chester M. Skillen, a prosperous young farmer of the 2nd line.

Promptly at 4 o'clock to the strains of Lohengrin's Bridal Chorus played by Miss Helen Hamilton, of Watford, the bride, gowned in brown duchess satin trimmed with bugle beads, nail head and embroidery trimming, entered the parlor leaning on the arm of her father, and took her place beside the groom beneath an arch of evergreen and cut flowers. She carried a bouquet of carnations, ophelia roses and maiden-hair ferns. Rev. H. V. Workman performed the ceremony in the presence of the immediate relatives. They were unattended. Little M. Jean Parker, niece of the groom, made a pretty little ring bearer dressed in pink mull with ribbon and valentine trimming and carried the ring concealed in a basket of pink roses.

After the usual congratulations the guests repaired to the dining-room, which was tastefully decorated in pink and white, where the wedding dinner was served by four girl friends of the bride.

The bride received many handsome

and useful presents. The groom's gift to the bride was a substantial check, to the pianist a gold brooch set with pearls and to the ring bearer a gold chain and locket.

After dinner the happy couple left on 5.40 train amid showers of confetti and best wishes for Windsor, Chatham and Thamesville, the bride travelling in a navy blue broadcloth suit with hat to match and Japanese fox furs.

On their return they will reside on the groom's farm, 2nd line west.

PROCTOR—LEACH

A quiet wedding took place in London on Wednesday, Dec. 14th, when Miss Mary C. Proctor of London, was united in marriage to Clarence H. Leach, druggist, of Windsor, second son of Mr. and Mrs. Thos. Leach of Warwick. Rev. S. P. Roy, of Tabot St. Baptist church performed the ceremony. The bride was tastefully attired in dove colored broadcloth and carried a bridal bouquet of Richmond roses. Miss Eva Leach, sister of the groom, performed the duties of bridesmaid and Mr. E. Y. Mackenzie of London assisted the groom. After the ceremony the young couple left on the evening train for Watford, where they were tendered a reception at the home of the groom's parents. They will make their home in Windsor.

The worms that infest children from their birth are of two kinds, those that find lodgment in the stomach and those that are found in the intestines. The latter are the most destructive, as they cling to the walls of the intestines and if not interfered with work havoc there. Miller's Worm Powders dislodge both kinds and while expelling them from the system, serve to repair the damage they have done.

It has Many Qualities.—The man who possesses a bottle of Dr. Thomas' Electric Oil is armed against many ills. It will relieve a cough, break a cold, prevent sore throat; it will reduce the swelling from a sprain, relieve the most persistent sores and will speedily heal cuts and contusions. It is a medicine chest in itself, and can be got for a quarter of a dollar.
