The Board of Managers shall consist of twelve members, one-half of whom shall retire annually by rotation ; and their places, as also the places of any who may die or vacate their office during the year, shall be filled at the annual meeting of the congregation. The retiring Managers may be re-elected.

More particularly it shall be their duty to obtain from the people contributions for the sustentation of the ministry ; to take care of the property of the congregation ; to provide for the payment of the minister's and other salaries ; and generally to administer all matters committed to their charge, as the congregation may from time to time direct.

Meetings of the Board shall be held on the last Wednesday of each month for the transaction of busi-

Seven members present shall constitute a quorum. Every meeting should be opened and closed with prayer.

The Secretary's duties shall be to keep a correct record of the proceedings of the Board of Managers, and to act as clerk of the congregation at congregational meetings.

All cases not herein provided for shall be governed by the rules and forms of procedure laid down by the church courts of the Presbyterian Church in Canada.

STATEMENT BY SESSION.

The affairs of the congregation have steadily and quietly moved forward in the year 1895.

There has been no event of marked importance that needs special mention. We report increase in membership, good attendance at Sabbath services, and steady progress of the various organizations in connection with the congregation.

Four members have been removed by death, although the pastor, and his supply in the summer, have attended twenty funerals, ten of which were of persons more or less intimately connected with the congregation, the others being connected with other congregations or without any church relation.

A large number comparatively have disconnected themselves through removal.

There have been eight infants and one adult baptized during the year.

The Session Fund, which is administered in behalf of the needy, is as follows :

In the early part of the year it was decided, after careful consideration and consultation, to make a change in connection with the Young People's Society of Christian Endeavor, as it was felt that it was not doing that work for which it was intended. In its place there has been organized a Young People's Society, under the leadership of Mr. W. T. McClement, M.A., and the Pastor. The meetings, which are held in the church every Sabbath afternoon at three o'clock, are devoted to Bible study, and though the attendance reported is good, still it is not what it might be, and the Session trust there will be a marked increase during the coming year.

It has been felt for some time that an advance should be made, if possible, in the work carried on in the Waterloo Street School, and at a joint meeting of the Session and Board of Management it was decided to recommend to the congregation the engagement of a theological student to hold services, the engagement to be for six months, and longer if the work proves to be promising. The congregation of Knox Church, South London, have undertaken the guarantee of one-third of the expense, and this congregation will be asked to guarantee the remaining two-thirds.

Parents are reminded of their duty in connection with the home Sabbath school and the one held in the Waterloo Street South School, and it is hoped they will see to it that the children attend regularly with prepared lessons.

The Session is glad to note a larger contribution than last year in the pink envelopes for schemes of the church. While no great stride forward has been made, every year there has been a slight increase, and it is hoped the same story may be told in years to come.

The various organizations speak for themselves in their reports; it is believed that none have gone back, but forward.

The choir has kept well to the front under Mr. Barron's leadership and will doubtless continue to do so.

There is great cause for encouragement in reviewing the work of the year. May God continue to use us for good. "Save Thy people and bless Thine inheritance; feed them also and lift them up for ever."

J. I. ANDERSON,

Session Clerk.

W. J. CLARK,

Moderator.

BOARD OF MANAGERS.

Your Board of Managers, in presenting their annual report, have renewed occasion to render thanks to the bountiful Giver of all good for His loving care and protection throughout the past year, and His gracious dealings with us at all times.

We desire to congratulate the congregation upon the united and harmonious feeling which prevails, and the large measure of prosperity enjoyed.

We are pleased to report that there has been an increase in the ordinary receipts over the preceding year, and it is gratifying to note that we have been able to meet all liabilities, pay off \$2,000.00 of the church debt, \$300 off organ, and have a balance of \$97.01 in the Treasurer's hands. The amounts realized are as follows: envelopes, \$4,631.65; opening collections, \$1,087.70; anniversary services, \$1,006.48; bequest from the late Mrs. E. Leonard, \$100.00; building subscriptions, \$167.75; other sources, \$95.28; Ladies' Aid Society, \$300.00; balance from 1894, \$418.79. Collectively these amounts aggregate \$7,808.65, disbursed as per financial statement herewith submitted.

In rejoicing with you on this satisfactory and pleasing issue, we desire to express our gratitude to those in whom such a commendable spirit is manifested by their responding so nobly and giving largely of their means for the support of the temporal affairs of the church on all occasions. We are especially grateful to the ladies of the Ladies' Aid Society for their liberal contribution of \$300.00 to the organ fund.

It becomes necessary for us to draw the attention of those members and adherents of the congregation whom we consider are able to give, but whose names do not appear on the financial returns, to the fact that both members and adherents who are able are expected to contribute to church ordinances. We therefore earnestly impress upon all the desirability of adopting the authorized envelope system and contributing regularly, feeling it to be their individual duty to give the matter that earnest attention that it demands, thereby fulfilling their obligations as church members, an undertaking for which they alone, individually, are responsible.

Three members of the Board of Management have retired by rotation, viz.: Messrs. A. M. Hamilton, A. Sharp, S. B. Coon, all of whom are eligible for re-election.

In compliance with a resolution passed at a joint meeting of the Session and Board of Managers of the congregation, we recommend that a student be engaged to do the mission work in the Waterloo Street south district, the First Presbyterian Church to pay two-thirds, Knox Church, South London, having undertaken one-third, of the expense for carrying on the same. We also recommend that \$100.00 be granted to the Sabbath school of the church.

Moved by Mr. Greenlees, seconded by Mr. Templeton, that \$100.00 be granted the Waterloo Street South Sabbath School. The motion was carried, and the report, as amended, adopted.

The thanks of the congregation are due to the choir for financial aid and faithful services throughout the year; also to the gentlemen who so faithfully and efficiently acted as ushers.

R. REID,
Chairman.

ARCH. MCPHERSON,
Secretary.

SABBATH SCHOOL

In reviewing the work of the Sabbath School for the past year, we are glad to be able to report an advance in all departments—a larger number of scholars on the roll, a marked improvement in the average attendance, and an increase in the weekly missionary collections.

COMPARATIVE STATEMENT OF ATTENDANCE.

	Teachers and Officers.	Scholars.	Total.

Since January 1st, 1895, the names of nine teachers and officers were removed from the roll, while the number added was eleven. Of scholars, the large number of forty-six joined, and thirty-eight left; net gain, eight.

It will be seen from the above statistics that the number of scholars connecting themselves with the school has been large, also that the number leaving is large. The latter is accounted for by the fact that during the year one class of seventeen young ladies left the school and at present attend the Young People's Society, which meets in the church for Bible study on Sabbath afternoon. Were it not for this we would be able to show a very substantial increase.

The contributions for Missions (including \$6.40 collected by the infant class) amounted to \$274.64, an increase of \$9.26 over last year. Besides this, the sum of \$38.88 was raised at a mass meeting of Sunday school children held in the church, June 16th. The

meeting, which was an exceedingly interesting one, was addressed by Dr. Smith, Dr. McKay, of Formosa, and the Chinese student who accompanied him. The amount was forwarded to Dr. Reid, to be devoted to Foreign Missions.

At the annual meeting of the teachers and officers, held January 21st, our funds were allocated as follows:

While we feel gratified that the school has raised this comparatively large amount for missionary purposes, still the fact remains that quite a number of the children either do not contribute at all or do so very irregularly. Surely it is a good thing to train the young to be liberal in giving for the extension of the Master's kingdom, and we hope the parents will help us in this part of our work.

At the beginning of the year it was decided to give a prize to each of the members of the class having the highest per centage of attendance for the year. The prizes were won by Miss B. Gibson's class, with a per centage of eighty-seven and two-thirds; Mr. McIntosh's class being a close second, with eighty-seven and one-fifth; while ten classes showed an average attendance of over eighty per cent. One scholar, Miss Gertrude Bapty, was present every Sabbath during the year, and has been awarded a special prize for her regularity. Seven were only absent

One of the most hopeful features of our work for the past year is that during that time eleven of the scholars have been admitted to church membership on profession of their faith. Our hope and prayer is that in the days to come God's blessing may follow our labors, and that we may be used as a means of leading many of the young into His kingdom.

YOUNG PEOPLE'S SOCIETY

FOR BIBLE STUDY.

This Society was organized on October 6th, with twenty-six members. Meetings have been held every Sabbath afternoon since that date. The course of study taken up is the "Teachings of Christ," and the lessons are of interest and benefit to all. Our class has grown to number thirty-five ladies and twenty-two gentlemen, a total of fifty-seven members.

While grateful for this advance, we are sorry to find that many young men—members and adherents of the congregation—have shown no desire to profit by this class, which is specially designed to be of benefit in building them up in the knowledge of God.

The amount of the collections since organization is \$15.14, with no disbursements.

The money in the hands of the Treasurer of the Young Men's Bible Class, when it was merged into our present Society, amounted to \$8.25, and was voted to the Knox College Missionary Society, of which the former teacher, Mr. G. R. Fasken, was President.

Since the last annual report of the Y. P. S. C. E., and before the Society took its present form, the sum of \$27.43 was raised and sent to Mr. Fasken in aid of the Knox College Missionary Society. The balance, \$10.02, was handed to the Treasurer of the Church Subscription Committee.

All of which is respectfully submitted.

W. T. McCLEMENT,

President.

FRED. A. BAPTY,

Secretary.

WATERLOO ST. SOUTH SABBATH SCHOOL.

In presenting this, our fourth annual report, we find much reason for thankfulness to Almighty God for the continued prosperity we have enjoyed during the past year.

We report on our rolls one hundred and fifteen scholars and twenty-one teachers and officers, with an average attendance of one hundred and fourteen.

We have added over one hundred volumes to the library, which now contains a choice collection of books, much used by the members of the various classes.

During 1895 we employed similar lesson aids, picture roll and papers to those used in the previous year.

We held several open meetings which were fairly well attended.

The union picnic to Port Stanley was taken part in by a comparatively small number of our school, the majority of whom are of tender years.

The annual tea meeting in January last was remarkably well patronized, and was a great success.

The weekly meetings have been held on Wednesday nights the year round, without any cessation during the summer months, as was the case in former years. While there have been occasional difficulties in procuring leaders to conduct them, we are thankful to kind friends who have so cordially given their services, often at personal inconvenience, to help on these meetings. We trust in the near future this, and other branches of

God's work in the field, will be in the hands of a regular supply, and that before many years have passed a vigorous Presbyterian congregation will be established here.

With regard to finances there is a very gratifying showing, the school alone having collected the sum of \$146.64, which includes special collections for schemes of the church, amounting to \$12.08; this sum has been voted to Home Missions. Being anxious to reduce the debt on the property, we rented two, and afterwards a third room to the Board of Education; this necessitated the putting in of small permanent desks and seats; we did not find these very suitable for our purpose. However, the rent obtained paid the interest and part of the principal on our mortgage; with the \$100.00 received from the Treasurer of the church, we have thus been able to pay off \$155.00 of the mortgage.

We regret exceedingly that one of the first and most faithful of our teachers has been temporarily laid aside through ill health. We trust that God in His own good time will restore her.

Our thanks are again due and tendered to the Sabbath school and congregation of the First Presbyterian Church for financial aid rendered.

Hoping for the continuance of God's blessing on the work.

MISSION COMMITTEE.

Your Committee, in submitting their annual report, are gratified to be able to state that the sum raised by this congregation during the past year, towards supporting the different missionary and benevolent operations carried on by our Church, is larger than in any previous year, the total amount collected being \$776.00, as against \$662.95 in 1894, an advance of \$113.05. Included in this sum, however, is a balance of \$39.10, handed in by the Billeting Committee in connection with the General Assembly held here last June, this being the amount raised in excess of the sum required to defray our proportion of the expenses incurred on that occasion. The number of contributors is the same as last year, 120; and the average contribution, leaving out of account the surplus referred to above, has increased from \$5.52 to \$6.14.

In view of the large sums raised for current expenses, towards reduction of debt, and for other purposes, your Committee must express their great gratification that we are increasing in our giving for purposes outside our own wants, and to that extent realizing the true work of the Church. They are strongly of opinion, however, that a still larger number should avail themselves of the privileges afforded of supplying the means of grace to those who are not so highly favored in that respect, and in holding up the hands of those who are engaged in this work.

to undertake the duties, but have the greatest difficulty in meeting financial obligations, and only by a very special effort last year succeeded in carrying out their engagements with the missionaries in the Northwest and outlying districts in our province, and for the reason already stated many very needy and promising fields cannot be taken up.

For the information of those who have recently joined our congregation, and others who may not be conversant with the work carried on by the Church as a whole, a brief summary of the different schemes is given. They are as follows :

1. *Home Missions*—In the newer and smaller settlements from Quebec to the Pacific coast. Service at present at one thousand and seven points and in seven different languages. Since 1875 eighteen mission stations a year started on the road to self-support.

2. *Augmentations of Stipends*—Of ministers settled over congregations which have grown out of the stage of mission stations, but are not yet strong enough to stand alone. Since 1883, two hundred and fifty congregations have been thus helped to the self-sustaining point.

3. *French Evangelization*—Which includes the school at Pointe Aux Trembles. There are 1,415,090 people of French origin in Canada, mostly Roman Catholics. Our church has ninety-three preaching stations among these, twenty-five ordained missionaries, ten student missionaries, seven colporteurs and twenty-three teachers. The aim is not controversy, but more light through the Bible.

4. *Foreign Missions*—Very wide spread, embracing New Hebrides, Coolies of Trinidad, Northwest Indians, Formosa, Honan, Central India, and Chinese in Canada.

5. *Colleges*—We have usually contributed to Knox and Manitoba. The colleges secure us an educated ministry, and are themselves centres of active missionary work.

6. *Aged and Infirm Ministers' Fund*—Supported in part by ministers' rates. A minister must be seventy years of age or wholly incapacitated for work to get any benefit from the fund.

7. *Widows' and Orphans' Fund*—Ministers pay rates also to this fund, in addition to what is given by congregations.

8. *General Assembly Fund*—To pay the necessary running expenses of the General Assembly.

The Committee would again remind the congregation that special collections are not asked for each of the above objects, but one subscription, covering all, is taken up, in the pink envelopes supplied for the purpose, on the first Sunday in each month, and the money thus collected is allocated to the different schemes as their importance and needs seem to indicate.

The Committee recommend that the moneys collected last year be allocated as follows:

AUXILIARY W. F. M. SOCIETY.

Time, in its flight, has brought us to the close of another year, and while we cannot boast of any increase we have held our own.

Five new members have joined our Society, and we were pleased to welcome the return of a former member.

There have been ten meetings held, with an average attendance of twenty, and they have been enjoyed by all.

At our June meeting, Miss Alway, of the Brooklyn Union Missionary Training Institute, gave a very interesting address on "The Difficulties of Mission Work in India."

The annual thank-offering meeting was held in November, with a very good attendance of members and visitors. The meeting was an enjoyable one. A practical address by our pastor, dealing with our work, was listened to with close attention, and was much appreciated. Misses Lillywhite and Templeton also added to the interest of the meeting with vocal selections.

The work assigned to the Society by the Central Board was to provide supplies for the Crow Stand Reserve. A special collection of \$20.00 was taken up. This, with some small subscriptions, was spent on new material, part of which the Society passed some pleasant hours in making up. We also received donations of good second-hand clothing, and our box, when filled, was valued at \$50.00.

During the year the cash receipts have been \$148.50; \$5.00 of the above does not appear in the Treasurer's books, it being a special contribution among the members, in the early part of the year, for the benefit of the Brooklyn Union Missionary Training Institute.

We have missed from our meetings for several months past the face of one of our brightest and most active members, Mrs. Clark. We regret exceedingly that she has had to pass through such a severe illness, and while we sympathize with her and her family in their trouble, we hope and pray that God in His kind providence will soon restore her to her wonted health and strength and enable her once more to resume the duties she loved so well.

We would again urge the members to a more regular attendance, and would take this opportunity to invite all the ladies of the congregation to join the Society. It will only be the giving up of one afternoon in the month, and aside from the benefit and encouragement to the Society, they will become acquainted with the members of the congregation and form friendships more quickly than through an exchange of calls once in six months or a year.

When we think of the blessings which we, as women, enjoy through living in a Christian and civilized land, we ought to be willing to make some sacrifice in order to help our less fortunate sisters in heathen lands to enjoy the same privileges.

VICTORIA MISSION BAND.

The Victoria Mission Band wish to present to you their ninth annual report.

In reviewing last year's work we find much cause for encouragement, and although we are sorry that, from a financial point of view, we do not stand as high as last year, yet we know that this is not owing to any lack of energy on the part of the members, but rather to the fact that only one entertainment has been given throughout the year.

The regular monthly meetings have been held, as usual, on the second Thursday of each month, with an average attendance of twenty-four, the same as last year; which goes to prove that if not progressing rapidly in that line still we are holding our own. Besides these regular meetings there was the thank-offering meeting and several others, to sew for the Northwest box.

In October the Band gave a musicale, which, we have reason to believe, proved one of the most successful entertainments we have ever had.

Crow Stand, under the Rev. C. W. Whyte, was the reserve appointed for us to work for, and the box, when ready, was valued at \$40.00.

During the year the total amount of money raised was \$71.57, and after all expenses were paid there was a balance of \$61.12, which goes to the general fund in Toronto.

Considering the hard times, of which we hear so much, we think we have need to be thankful, and we enter on the new year of 1896 with willing hearts and hands to do our share in furthering the great mission cause

WATERLOO STREET SOUTH SABBATH SCHOOL.

The Columbia Mission Band has just drawn to the close of another year's existence, but we are sorry to say the children have not attended as well as during the preceding year. We have an average attendance of twenty, and must say those who do attend take a very deep interest in the work.

During the year we have held ten monthly and five special meetings.

In August, the Band sent a large number of Sunday school and other papers to Algoma; also contributed towards the box for the Northwest.

In December, we held an entertainment, Rev. J. G. Stuart in the chair; the parents of the children turning out in large numbers, which was very encouraging. We had a collection of \$8.00.

The Band has raised during the year \$17.94, of which \$17.00 has been handed over to the General Fund.

LADIES' AID SOCIETY.

In reviewing the work of the past year we are pleased to note that success has crowned our feeble efforts; therefore we should feel greatly encouraged to labor with more zeal in the future.

Meetings were held quarterly until April last, when it was decided to hold them monthly. Six regular meetings have been held, at which the average attendance was eighteen.

Early in the year Miss Wilson, who had long filled the position of Secretary, was obliged to resign, owing to ill-health; the Society thereby lost a faithful worker. Changes are continually taking place in our membership; new members being added, and we are sorry to say old ones are dropping out. We deeply regret the removal, by death, of Mrs. E. Leonard, who for so many years had been one of our most active and willing members.

In the early part of the year two very interesting and profitable lectures were delivered under the auspices of the Society. The first of these was given by Mr. J. H. Aiken, on "Life in Southern Africa," and the second by Rev. A. McMillan, of Mimico, on "Scottish Covenanters."

The funds of the Society, amounting to \$331.10, are to be appropriated to the payment of the debt on the church organ, and we now take this opportunity of thanking the ladies and friends who from time to time have aided on the good work by their contributions.
