St. John Girl Tells Story of Kidnapping

Believed White Slavers Carried Geraldine Mitchell Away as Far as Fredericton on the Way to States Awoke Alone in Car and Fleed.

Fourteen-year-old Geraldine Mitchell of Mill street is home again after what is believed to be a kidnapping experience. This is the girl reported missing after her last home on last Monday afternoon to go to the exhibition.

She was found in Fredericton, and was brought back by Police Matron Ross this afternoon. To a Times reporter the girl told her story as follows:—

She left her home Monday shortly before four o'clock and had planned on meeting a girl chum at the head of the stairs in the exhibition building. En route there she went via Sydney street, and while passing Broad street was nearly run down by an automobile. As she stepped back to the curb she heard someone say, "We could make a lot of money with her." She said she did not know what happened next, but realized that she was inside an automobile and tried to scream. She said she could not remember anything for a while, and then heard a man saying to her that he was going to take her to the States, and that if anyone should ask she must say that he was her father and must call him daddy.

She said she again tried to scream, but could not, and could not remember anything again until some time during the night. When she came to she was alone in the back of an automobile and felt something strike her. She said she saw a man in the front seat, and she again came to and found herself alone. She said she jumped out of the automobile and ran along the road and soon came to the station in Fredericton, where she met a man and asked him if there was a policeman around. He directed her to one, and later she was taken to Chief of Police Finley, to whom she narrated her story.

Ottawa, Sept. 7.—(Canadian Press)—With the exception 1918, Canadian trade for the fiscal year ending March 31 last was the largest ever recorded, according to the annual report of F. C. T. O'Hara, deputy minister of trade and commerce.

"During 1921," Mr. O'Hara says, "the total value of goods imported for consumption and Canadian goods exported amounted to \$2,429,322,583 as compared with a similar trade in 1918 of \$2,200,860,000. The total value of goods imported into Canada for consumption increased from \$963,532,578 to \$1,240,158,882, while the total value of Canadian goods exported decreased from \$1,540,027,788 to \$1,189,163,701, showing an increase in the imports from 1918 to 1921 of \$276,626,304 and a decrease in exports of \$350,864,087."

100 YEARS OLD

Celebrate Centenary of Free Meeting House in Moncton.

Moncton, N. B., Sept. 7.—The one hundredth anniversary of the Free Meeting House, situated at the head of Steadman street, will be celebrated tonight. A programme of addresses and music has been arranged, and will be held in the Free Meeting House, with its adjoining burial ground, the latter no longer in use, is one of the few remaining landmarks which recall the Moncton of early years. It has been the early home of nearly every church organization in Moncton today. Before these were any settled pastorates, except that of the Free Meeting House, which was the opportunity offered and conducted services for their people. Among those were Rev. James Law, M. A., N. B., Presbyterian, father of Andrew Bonar Law, former chancellor of the exchequer in the British government; Rev. Dr. Jarvis, Episcopalian rector of St. Martin's-in-the-Wood, Shediac, and Rev. William Black, Bishop of the Methodist Episcopal church, founder of Methodism in the maritime provinces.

The Free Meeting House was opened for public worship in 1821. Rev. Joseph Crandall conducted the dedication services. The property is now under the care of a board of trustees, appointed in 1917 by an act of the New Brunswick legislature. The trustees, seven in number, include prominent citizens, most of whom have ancestors sleeping in the old burial ground.

Episcopal Divine of Tennessee Says Church was Winning Fight Against Liquor.

Salt Lake City, Utah, Sept. 7.—"To me the writing into our constitution of the eighteenth amendment was unparadiseable," said Right Rev. Thomas F. Gailor, Episcopal bishop of Tennessee on the eve of the fourth synod of the province of the Pacific of the Episcopal church, which opened today.

"The saloons were going, the church was making headway against what evil there was in liquor. To my mind it was nothing short of hysteria that put over a restriction which could not hope to suppress that evil."

NOT COMPETENT TO REVISE TREATIES

Statement of New League Assembly President—Discussion of the Bolivia-Chile Dispute Postponed.

Geneva, Sept. 7.—The assembly of the League of Nations at its session this morning again postponed discussion of the request of Bolivia that the long disputed question of the provinces of Yacana and Arica, now under the administration of Chile, be placed on the agenda of the assembly.

Augustin Edwards, head of the Chilean delegation, declared that the request of Bolivia ought to be rejected without debate. In an ardent, eloquent speech, Senator Edwards defined Chile's position as uncompromising on this question. He recalled that the president of Bolivia had declared he would respect the treaty signed in 1904, but had asked for a provision of which Bolivia has asked the assembly to take under consideration.

At last night's meeting President Van Karmabek told Senator Aramayo of Bolivia that the assembly could not place itself in the dangerous position of tacitly going on record as being competent to revise treaties. He declared that such a course would establish a precedent for possible revision of the Versailles treaty and would cause grave alarm in France and other Allied countries.

NEW BILL WINS POPULAR FAVOR

Vaudeville Offerings at Opera House Were Enjoyed by Large Audiences — Some Clever Performers.

The patrons of the Opera House were again given a treat yesterday in the way of an unusual splendid collection of vaudeville offerings, which consisted of good singing, plenty of comedy and dancing. The feature act on the bills was Mons. Grant Gardner who, with his comedy antics, witty jokes and comedy singing, kept the audience in good humor throughout the offering. Mons. Grant Gardner is also somewhat musical, and played two pleasing numbers on the concert.

Sally and Thomas have a high-class singing and dancing offering, which was accorded hearty applause. Both are splendid singers and their strong and rich voices blend well in their choice number of selections. They also intersperse some comedy in their pleasing and dainty offering, which added to its popularity. Bradbury and Corbette also appear in a high-class singing and dancing offering. Both are clever performers and their singing and dancing won rounds of applause. Eileen Sheridan also proved a favorite in several comedy song numbers, which received hearty applause. Tenny and Allen appear in a comedy variety offering, consisting of singing, dancing and bits of juggling which proved popular with the audience.

Included on the programme is another chapter of "The Avenging Arrow" serial story and a bang up two-reel comedy, "The Riot," featuring Jimmy Aubrey. This programme will be continued today and Thursday.

BALLOON ASCENSION CARRIES MESSAGE FROM OAK HALL

An interesting advertising feature at the exhibition this year is the large cotton sign on Professor Bonnette's balloon which reads: "Oak Hill clothing; watch for cash prizes to be dropped from balloon." This attracted widespread interest on the opening day and when Bonnette had ascended to a considerable height he dropped the Oak Hill message in the form of letters which were eagerly picked up for their cash value on purchases made at Oak Hill. This will be a feature of the balloon ascension every day and as the crowds realize that each letter is just like finding so much money they will naturally make every effort to get their share.

Free Demonstration Of Cooking in the Famous "Wear-Ever" Aluminum Utensils At Thorne's Today

The secret of better cooking, with less fuel and lighter labor is being demonstrated today by Miss Chamberlain, of the Department of Household Economics of the manufacturers of "Wear-Ever," in the Kitchenware Department of Messrs. W. H. Thorne & Co., Ltd., Market square and King street. Miss Chamberlain is proving by actual cooking various kinds of food in "Wear-Ever," that better flavors, thorough and uniform baking, boiling and frying, a very marked saving in fuel and much lighter labor reward the housewife who cooks her meals in "Wear-Ever" Cooking Utensils which differ from those of ordinary aluminum.

During these demonstrations, a special price reduction is offered in a four quart "Wear-Ever" Aluminum Sauce Pan, as described in Messrs. Thorne's large advertisement in the evening papers. Housewives should make a point of attending these "Wear-Ever" Cooking Demonstrations in the Kitchenware Department of Messrs. W. H. Thorne & Co., Market square and King street.

An error was made in the report of the remarks of His Honor, the Lieutenant-Governor, at the opening of the exhibition, in reference to the oil depot being established by Mr. Allan G. McAvity's Company at East St. John. The statement as reported is that the oil tank now being installed would contain fifty-five thousand gallons of oil, while His Honor said that it would hold fifty-five thousand barrels, which would be about two million gallons, so that the four tanks would have a storage capacity of upwards of two hundred thousand barrels.

Advertisement for FIVE ROSES FLOUR. Includes image of a loaf of bread and text: 'GOOD Bread SAVES Bread LET us conserve bread by eliminating bread waste. And the easiest way to avoid bread waste is by bettering bread quality. The crisp, crackling crust and full nut-like flavor of a FIVE ROSES loaf insures eager consumption. The downy lightness, the porous and well-risen texture make digestion certain; and it is what we digest, not merely what we eat, that builds vitality. Then, you actually save bread by baking with FIVE ROSES flour, simply because for days after baking it retains its original freshness. Thus you can reduce the waste from stales and left-overs. Let FIVE ROSES flour second your efforts towards household economy. Thousands of thrifty housewives are living proof that it is no sacrifice to economize with FIVE ROSES. Breadmaking Made Easy The famous FIVE ROSES Cook Book tells plainly how and why. It removes mere "luck" from bakesdays. Then it gives many uses for stale bread and cake that might be thrown away: French toast, bread puddings, bread crumbs, croquettes, pulled bread, bread dust. Also a splendid chapter on Sandwiches. Over 500,000 housewives are now practicing baking economy through its 144 pages. Send for the FIVE ROSES Cook Book, mailed on receipt of 40c stamps or silver. Address Dept. Suits AND Overcoats

Made-to-Your-Measure

We, the Strand Tailors of Toronto, have made many friends and many good customers by our splendid service on former occasions. We have been asked to come by some of these former customers and make a showing to give them and their friends, whom they have been telling about us, a chance to order some suits and overcoats. We have come on this invitation and are showing entirely new lines.

These lines of Suitings and Overcoatings are pure wool, latest pattern, most fashionable colors. No competing house can show such attractive and high grade materials. Another attractive feature, and exclusively started by us, is the fact that we have REDUCED PRICES.

During the quiet season this past summer, we have been re-organizing our staff and have found that we can economize in production cost and still give a better finish to our garments; put more time on each order and give better workmanship, and cut 'way down below our former price.

Every Suit and Overcoat Guaranteed

By STRAND TAILORS, Toronto
The Famous Made-to-Order Tailoring House

The finish and workmanship will be better than ever before. We have improved our system so as to give better service and better quality all through from now on. These goods are in the latest styles and the price of \$24.00 is for either Suits or Overcoats. We emphasize the fact that these are all wool goods, and would cost, if purchased from a local merchant tailor, about \$50.00. Our price, with absolute satisfaction guaranteed, is

\$24.00

We have been very fortunate in securing in the market a very superior line of English and Scotch woollens. These are very fine fabrics, finer than any we have previously been able to secure for our trade. They are absolutely pure wool; some have silk thread running through, making a dainty stripe. The Suitings are in serge, tweed and worsted. We call special attention to our Navy Blue Serge, genuine indigo dye, guaranteed. Beautiful, soft material. In selling them for \$30.00, made to your measure, we are offering a Suit which would cost at least \$75.00 in a regular tailor shop.

\$30.00

Our \$30.00 Overcoats are for Fall and Winter. Fall Coats of suitable materials in Chesterfield style. The Winter Overcoats are of thick, soft, fleecy wool materials in plain colors of brown, black, heather and mixture, with fancy backing. These Overcoats could not be purchased elsewhere for less than \$60.00 each. Made in ulster or storm coat styles. They are bargains.

STRAND MADE TO ORDER TAILORS

IN OUR TELEPHONE CHAT, JEFF, WE AGREED TO LEAVE THE ACCURACY OF YOUR PAINTING OF ME TO MY DOG: IF MY DOG RECOGNIZES THE LIKENESS I'M TO SLIP YOU TEN BERRIES FOR THE PICTURE: THE DOG'S OUTSIDE—ARE YOU READY FOR THE TEST?

YES, TROT IN THE POOCH, MUTT

MY WORD, LOOK AT THE AFFECTION IT SHOWS, MUTT. THE DOG'S FOOLED!

QUITE SO: IT MUST BE A FINE LIKENESS OF ME: I'LL TAKE IT!

JEFF'S NO SLOUCH WITH THE BRUSH! HE'S AS GOOD AS MIKE ANGELO. I'M GOING BACK AND COMMISSION HIM TO PAINT A PICTURE OF MY WIFE.

OF COURSE THE DOG WENT RIGHT TO THE PAINTING OF MUTT! WHY SHOULDN'T HE? I RUBBED A CHUNK OF BACON ALL OVER IT BEFORE MUTT CAME IN!

Angora, the Turkish Nationalist capital, has fallen to the Greeks, according to a Smyrna despatch yesterday.

Peter McQuarrie, of Onslow, near Truro, and a girl friend were held up by two masked men on Monday night. The two men were chased and later William and Clarence McLean, brothers, were arrested and are now being held by the police.

In honor of the twenty-fifth anniversary of the pastorate of Rt. Rev. Mgr. Philip Belliveau, of Grand Digne, many of the priests from the surrounding districts gathered at Grand Digne on Sunday. Solemn high mass was celebrated by Father Belliveau in the morning, followed by a sermon by Rev. P. A. Bourgeois, D. D., of Cocagne. After benediction in the evening the visiting clergymen were entertained at dinner by Mgr. Belliveau.

HOSPITAL BOARD.
The board of commissioners of the General Public Hospital held a business meeting yesterday, at which details in connection with the management of the hospital were discussed, and the expenditures in some of the departments reviewed.

M. E. Agar, the chairman, presided, and others present were Mrs. J. V. McLellan, Dr. J. G. R. Crawford, Alexander McMillan, J. King Kelley, J. L. O'Brien and Ralph H. Gale, superintendent.

The matter of the epidemic hospital improvements were discussed. Plans have been prepared for an eastern addition to the building but these were found more expensive than had been anticipated. The report of the superintendent of nurses was read and referred to the training school committee. Mrs. McLellan reported that toilet fixtures for the nurses' home has been provided. Mr. O'Brien reported progress for the committee getting information about an emergency lighting system. Appreciation of Mrs. McLellan's efforts on behalf of the furnishing of the nurses' home was expressed. The reports of the dietitian and linen matron were received. Considerable discussion occurred over the appointment of a permanent radiographer. The matter was left over, an interim radiographer to be appointed in the meantime.

The report of the superintendent for August showed 175 patients admitted, 17 died, 111 remaining in the hospital; 58 operations in the large operating room and 83 in the out-patient department. Twenty-four mattresses for the epidemic hospital had been received. Miss Grace Finley temporarily was night superintendent. During Dr. Diamond's vacation E. Bessen, third year medical student, was taking his place. While there was sufficient coal on hand to last until Nov. 1 it was recommended by

STATE MAY CONTROL BALL-ROOM DANCING
New York, Sept. 7.—Government control of ballroom dancing soon may be established throughout this country. A censorship board, similar to that which eliminates eroticisms and erraticisms from the movies, may be demanded by dancing instructors, to legislate out of existence such movements as the "Foddie" and other forms of jazz-inspired expression. This astonishing statement was made by R. W. Vizey, the newly-elected president of the American Society of Dancing Teachers, in convention here.

NO NOTICEABLE CHANGE

No Increase in Drinking Despite Extended Hours.

London, Sept. 7.—Two days' experience throughout England and Scotland with the extended hours for the consumption of intoxicants in licensed houses has shown little, if any, increase in the drinking habit of the people. According to competent observers of the lunch-taking in the extra hour between ten and eleven o'clock at night, there was no great amount of patronage in that period, even in the licensed houses in the west end of London.

Some parts of the country which were never touched by war-time restrictions of hours, notably in Devonshire, where the all-day opening has never been interfered with, have now, of course, crink into line with the rest of the country.

COMMON COUNCIL

The possibility of a serious employment situation in the city this winter was discussed at yesterday's meeting of the common council and it was agreed that necessary steps should be taken to provide work. The report of the commission of finance recommending the usual monthly payments was adopted. A letter was read from the New Brunswick Power Company in regard to the protest of the city against increased lighting rates. The letter was received and filed. Mr. Frink gave notice that he would introduce a motion at the next meeting of the council regarding the development of areas within the city. A letter was read from the Bullock regarding the extension of grain conveyors to the government berths was adopted. Representations will be made to Ottawa in this respect. The mayor expressed the opinion that the Marsh road should be paved and Mr. Frink promised to bring in a recommendation.

POLITE BANDITS ROB SHIP OFFICE

Two Clyde-Mallory Employees Tied Together. After "Apologies" and \$600 is Taken.

(New York Times.) Two neatly dressed, sweetly complexioned young men, believed to be Porto Ricans, held up two employees of the Clyde-Mallory Steamship Lines yesterday morning in the company's ticket office at 489 Fifth Avenue, opposite the Public Library, and, after binding them together, escaped with \$600 they had taken from a drawer.

From stories told by the victims of the hold-up to detectives, it was evident that the crime had been planned two days before, when the robbers called at the office on the second floor of the building and inquired about passage to South America.

A general alarm containing a good description of the men, who were about 26 years old, 5 feet 10 inches in height, smooth shaven and wearing dark suits, was flashed to all police stations in the city.

The robbers surprised their victims with pistols, but told them they had no intention of harming them if they were docile. Ralph H. Leonard, in charge of the steamship companies' office, and Adolph Storm, his assistant, told the police that even when the robbers were binding them with cord, which one of them produced from his coat pocket, they spoke to them in a kindly voice and apologized when they laid them bound together in a room in the rear of the ticket office.

Creed Smith, in the Quarter Sessions Court, Philadelphia, was sentenced to six months in the county prison for the theft of a wallet containing a roll of stage money.

BATHER GOES TO JAIL; KEEPS HER KNEES BARE

Novelist Says Exposure is "None of Atlantic City's Business"—Threatens Court Test.

Atlantic City, N. J., Sept. 7.—The New Jersey Supreme Court may be called upon to decide whether a municipality has the authority to dictate that fair bathers may not appear on bathing beaches with uncovered knees. Miss Louise Rosine, a novelist, of Los Angeles, and thirty years old, emphatically declared that it was "none of the city's darn business" whether she "rolled 'em up or down," and was placed in the city jail. She has avowed that she will fight her arrest in the court even if it must go to the United States Supreme Court.

Miss Rosine appeared on the Virginia avenue beach with her stockings rolled below her knees. Beach Policeman Edward Shaw informed her courteously that it was against the regulations here. "I most certainly will not roll 'em up," she retorted. "The city has no right to tell me how I will wear my stockings. It is none of their darn business. I will go to jail first."

The policeman then said he would have to take her there. As he took her by the arm she is alleged to have swung a ring to the officer's eye which nearly knocked him down. He recovered and blew his whistle. Life guards responded and Miss Rosine was taken to the jail in the patrol.

ANGRY CONDUCTOR.

Passengers Refused to Pay Fare So He Shot Them.

Paris, Sept. 7.—Paris bus conductors don't always entirely hit it off with passengers. Perhaps it is not fair to place the whole blame on them, but the fact remains they are inclined to show scant consideration for the public. Any way the worm has now turned. Several cases have been reported recently of passengers in revolt and refusing to pay fares. That this is, however, a decidedly dangerous procedure was proved when the conductor of a suburban tram line drew a revolver and fired on some passengers who were refusing to buy his little colored slips of paper. One was wounded and taken to a hospital, while the irate conductor was invited by a policeman to report to the nearest police station.

FRICION IN THE NATIONS' LEAGUE

A large congregation witnessed the solemn induction and institution of Rev. A. L. Fleming as rector of St. John's (Stone) church, last night. The service of induction was conducted by His Lordship, Bishop Richardson, who delivered an inspirational address in charging both the rector and the congregation as to their duties. The act of institution was performed by George L. Warwick and the keys of the church were presented to the rector by J. L. Secord, church warden. The clergy members in the sanctuary were Archdeacon A. H. Crowfoot, Canon R. A. Armstrong, Canon A. W. Daniel, Rector Dean W. H. Sampson and Revs. J. H. A. Holmes, R. T. McKim, H. A. Godly, W. B. Armstrong, Craig W. Nichols, J. V. Young, P. J. Haslam and W. B. Wadlington.

WATER REPORTS ARE BETTER

Routine business occupied the time at the regular monthly meeting of the Board of Health, held yesterday afternoon in the board's office, with John Kelly presiding. The other members present were Dr. William Warwick, George Blake and Dr. T. F. Johnston, secretary. Reports of Dr. T. F. Johnston, the dairy and food inspector; Dr. Mabel Hanington, medical inspector for the city schools, and from the secretary were heard by the board. Seven reports on the water situation by Dr. H.

L. Abramson, provincial pathologist, were received and showed that tests throughout August were much more satisfactory than those taken in July. The Child Welfare report from the V. O. N. was read.

USE CIDER TO PUT OUT FIRE IN FRANCE. L'Orient, France, Sept. 7.—Hogsheads and tanks of cider pumped by firemen on burning buildings yesterday saved the village of Moustoir-Remungol from destruction. The fire had destroyed eight houses and was communicating to others when the water supply became exhausted and the firemen requisitioned the cider.

Plays His 800th Game. Boston, Sept. 7.—When Captain Everett Scott of the Red Sox took the field at shortstop against the Athletics at Fenway Park, last Friday, he took part in his 800th consecutive major league game.

The modern record for continuous play was held formerly by Fred Luderus of the Philadelphia Nationals, who in 1919 completed 533 consecutive games. The longest known previous record of organized baseball, 577 games without a break, was made by George Pinckney of the Brooklyn American Association team, over a period from 1885 to 1890.

Victory for Britishers. Jellwood, Minn., Sept. 7.—Abe Mitchell and George Duncan, British professional golfers, defeated Tom Vardon, White Bear professional, and Jack Clarke, Town and Country State champion, six up and five to play, in a 96 hole best ball match here yesterday.

McTigue Gets a Word. New York, Sept. 7.—The World says it was a fortunate thing, indeed, for Johnny Wilson and Bryan Downey that they were battling, or rather making a sorry effort to battle, each other over on Boyce's Thirty Acres instead of mingling with either Mike McTigue or Panama Joe Gans. The opinion is generally expressed that either McTigue or Gans could have putted the well-known daylights out of the two claimants of the middleweight title.

For six rounds Mike seemed content to remain on the defensive and let Gans carry the fight to him, but in the seventh frame he opened up and let fly with everything. Several times he had Panama Joe rocking unsteadily on his pins and on the verge of toppling over for a protracted sojourn on the canvas. Gans, however, just did manage to survive these tempestuous moments, but the well-lit man at the close of the fight.

McTigue showed better than even his most optimistic adherents had anticipated. He comported himself much after the manner of a real champion, and had he been in the ring with Wilson he would undoubtedly have emerged therefrom champion.

His Skull Fractured. Kansas City, Sept. 7.—Harold "Tiger" Gaulling, twenty-one years old, a heavy-weight boxer, was in a hospital yesterday, unconscious following a collapse at the end of a six round bout last week in Kansas City, with "Battling" Joe Wolf. A physician said he was suffering from fracture of the skull at the base of the brain.

The 214 trot went to Peter Blazoff, best time 2:09.1.2.

SKATING. Would Alter Laws. Changes in the charter and by-laws of the International Skating Union which would give it final jurisdiction over hockey, speed and figure skating and other ice games in the United States and Canada have been made by a special committee, Julian T. Fitzgerald, first vice president, announced recently. The changes will be submitted to members of associations for a mail vote, he said.

HUNDRED ENTER CHAMPIONSHIPS

Record Number of Competitors in Next Saturday's Sports.

With 100 athletes entered for the maritime province championships on the East End grounds on next Saturday afternoon, A. W. Covey said yesterday, on completing the classification of the entrants that it was the largest field of competitors that he had ever known in his years of activity in athletics. Even those events which it was thought would attract but few men have drawn a large number of entries.

The sprints and long distance races will bring together a very large number. In the 100 yards dash there are no fewer than twenty-three to compete. The 220 yards sees twenty-seven ready to face the starter. This race will have to be run in seven heats with a semi-final. There are twenty-three entered in the 440 yards dash, which will have to be in four heats. The half mile brings out sixteen and the mile race twenty-four. While for the five mile run no fewer than sixteen have planned to test their speed and endurance. Among them is W. H. Chambers of Kingston, Ont. Fifteen runners will compete in the 120 yards hurdles, which will be a four heat event. The two mile walk will bring out nine men. Ten boys seventeen and under are entered for the 220 yards (boys) race. The lads are from Robb'say, Fairville, St. John, Charlottetown and Sussex. Seven entries have been received for both the quarter mile and the one mile bicycle races, and it will be interesting to note what interest will be shown in the revival of this sport, once very popular here.

The field events are also well filled. Twelve men will compete in the 16-pound shot put and nine in the hammer throw. Eight have entered for the hop, step and jump, fourteen for the running broad jump and ten for the running high jump, while for the pole vault nine men have entered. The places are presented in the entry list are Robb'say, St. John, Bathurst, Sussex, Fairville, Moncton, Hampton, Legere's Corner, Stellarton, Pictou, Truro, Halifax and Charlottetown.

The committee in charge have arrangements practically completed for one of the best meets ever held here. St. Mary's hand will play from the head of King street to the grounds and on the grounds during the sports.

THEDA BARA IN REAL THRILL

Airplane, With Her and Husband, Descends to Ocean in Storm.

Atlantic City, Sept. 7.—Theda Bara and her husband, C. J. Barab, had a thrilling experience in an airplane flight to this resort from New York. They were due to arrive here at 6 o'clock Saturday evening, and an automobile from the Ritz-Carlton was at the airport awaiting the plane's arrival. They did not reach the city until about 10 o'clock Sunday morning.

When passing over Asbury Park the pilot, fearing for the safety of his passengers, descended to the sea near the resort. A few minutes later a boat took the passengers ashore and they spent the night in Asbury Park. They arrived home the worse for their experience.

WANTS ELECTION EARLY.

A. B. Copp, M. P. of Sackville arrived in the city last evening. Speaking of the forthcoming election this morning Mr. Copp said he would like to see it brought on as early as possible in order to facilitate getting about the country and to enable the country people to get to the polls without having to drive over winter roads. Referring to the elections of 1917 he said that the weather was bad on that occasion and there had been a considerable snow fall before election day which lessened the number of votes cast and made getting about the country very difficult.
