Entrance into Theology.

I. Students who desire to enter upon a course of Theological study in this College, other than those who have completed their course of three years in its Literary department, must present to the Registrar for transmission to the Senate, before the 3rd of October, 1888 :

- a. A Presbyterial Certificate.
- b. Evidence of having obtained the degree of B.A. at Queen's University, McGill University, the University of Toronto, Dalhousie College, or other recognized institution.
- c. A certificate of having passed at least one examination in Hebrew.

II. Regular students in the preparatory department, who have passed the sessional examinations of the third year in that department, are not again required to stand an examination for entrance into theology, but are entitled to take their place in the Theological classes on presenting the usual Presbyterial certificate, together with that of the Senate to their having passed the said examination.

III. Occasional students may be admitted to attendance upon a course of lectures, on presenting a Presbyterial order to that effect, or on payment of a fee of four dollars for each course, or of ten dollars for all the courses. Such occasional students are not required to pass the terminal or sessional examinations, nor are they eligible for the scholarships and other rewards open to regular students. Should they, however, desire to take the sessional examinations, certificates of their proficiency may be given them by the Professors whose lectures they have attended. The Senate may remit the fees in special cases.

Residence

The original College Building is a stone edifice, elegant and commodious, pleasantly situated on the rising ground above the city, commanding a view of the University grounds, the city, and the scenery of the St. Lawrence. To this has been added by the large-hearted generosity of the Chairman of the College Board an elegant and much more extensive series of stone buildings, designated by the Board as the David Morrice Hall, including, Convocation Hall, and library, Dining Hall, Dormitories, and Offices, forming with the original building three sides of a large quadrangle. In external equipment the College is thus inferior to no Theological Institution on the continent.

In addition to its Halls, Library, Lecture Rooms, and Offices, it contains numerous Studies and Dormitories for resident students, together with bath rooms and other modern conveniences. The rooms are comfortably furnished, and the whole building, including the individual rooms, is well ventilated, heated with hot water pipes, and lighted with gas.

Resident students are furnished with rooms, heating, and light, with board and attendance by the Steward, whose fee will in no case exceed three dollars per week, and who is responsible to the Board of Management for the efficiency of his service.

Applications for vacant rooms must be made to the Steward, and these will be granted in the order in which applicants are received. But in the choice of such vacant apartments, students having academic seniority will be entitled to a preference. Students will choose their rooms for the winter on the Friday after the opening of the session, at 7 p.m., at which date rooms will be held as vacated, unless the former occupants be present or claim their rooms by letter or telegram.

The Officers of the College, non-resident students and friends of the residents, may be present at any meal in the Hall, when they shall pay to the steward the charge fixed for the same.

General inefficiency of service should be reported within the office hours that shall be indicated at the commencement of the session. Minor matters, relative to board and attendance, must be arranged directly with the Steward.

Students are expected to wear gowns appropriate to their academic standing, in the dining hall and lecture rooms, and on all academic occasions.

Library and Reading Room.

I. The Library, to which additions are constantly made, embraces all the Greek and Latin Fathers and Ecclesiastical writers, with some rare fac-simile codices, and standard and recent works in Theology and cognate subjects. It is under the charge of the College Librarian, from whom books may be obtained, subject to the following rules:—

1. A student may receive from the Library only two volumes at a time, unless by special order of Professors.

2. During the session of College, all books shall be returned to the Library within two weeks of the date of issue.

3. Any volume or volumes lost or damaged by a student shall be paid for by him at such rate as the Senate may direct, having reference to the value of the book, and the set to which it may belong.

4. Professors and lecturers may receive from the Librarian any books required by them for their duties in the College, not exceeding ten volumes at *any one time*. Books so used must be returned at or before the close of each session.

5. Persons not connected with the College may consult books in the Library, or obtain them from the Librarian by special order from any of the Professors; such books to be returned within ten days.

Devotional Meetings.

I. THE WEEKLY LECTURES.

For the purpose of cultivating the interest of Professors and Students in one another and in their respective work, of fostering a devotional spirit, and of dealing with such matters of Christian and ministerial duty as do not come within the ordinary range of College prelections, an hour is set apart in the afternoon of each Monday during the session, the exercises of which are presided over by the Professors in rotation, when all students, Theological and Literary, are expected to be present.

II. STUDENTS' PRAYER MEETING.

This meeting, of a purely devotional character, is held every week at an hour fixed at the commencement of the session, the exercises being conducted by the students in rotation.

III. SABBATH AFTERNOON LECTURE.

A series of Lectures on apologetic and doctrinal topics, by members of the Senate and others, will be delivered next session, in the Convocation Hall, at 3 o'clock.

Mission Work.

During the Summer vacation, students may engage, and all Divinity students are expected to engage, in missionary work, in the numerous and extensive fields of labor provided by the forty-two Presbyteries of the Church.

Students in Theology are also permitted to preach a limited number of Sabbaths during the session.

Students are thus early made acquainted with the practical work of the ministry and enabled to gratify their desire to preach the Gospel, while providing, at least in part, for their maintenance during the period of their study.
