CIRCULAR.

Hamilton, as a residence, is unsurpassed for healthfulness and beauty of location.

The Building will accommodate 250 Boarders.

The Rooms for Boarders are lofty and have glass ventilators, connecting them with unusually lofty and spacious halls.

Each Sitting Room is carpeted and furnished with everything necessary, to convenience and comfort.

The Institution Drawing Room (25 by 60 ft.) is well furnished, and looks out upon a beautiful fountain.

The Dining Hall (36 by 70 ft.) is airy, light and finished in fresco, with paneled walls and emblematic designs beautifully executed.

There are cold, hot and shower baths, accessible at all proper times.

A spacious play ground enclosed, with covered walks, will afford ample room for outdoor exercise in all varieties of weather, and prove an inducement to healthful physical action.

There are two large School Rooms (30 by 50 ft.) furnished with chairs and tables suited to the comfort of the Student.

The Recitation Rooms are large and airy. In no case will classes be crowded together, and obliged to breathe fetid and unwholesome air.

The Governor, the Rev. R. Jones, having been appointed to the London City Station, the office of Governor will be filled by the Rev. George H. Davis.

The Design of the Directors, is to have a **FRENCH DEPARTMENT** as soon as a highly qualified resident Teacher can be obtained. Until then, a daily Teacher of high qualifications is provided.

The best qualified Teachers in all the Departments, and in sufficient number to give every Pupil all needed instruction.

COMPOSITION.

Composition in some form is required every week, throughout the entire course, besides which it is taught in connexion with every study that will admit of it, by the writing of Analogies, Abstracts, &c.

MUSIC.

The style of Music cultivated is the *strong* and solid, in opposition to the light and vapid. In this department prominence is given to *Vocal Music*, in which, all the Students receive instruction upon the principle that *early* and *constant* discipline is necessary to develop the vocal organs, and that with such discipline very few need come short of this almost essential qualification for social life, whether in the family circle, the social gathering, or the sanctuary.

Beyond this general training, those who desire it are instructed in select classes, and in private lessons.

WAX FRUIT AND FLOWERS.

An accomplished teacher will instruct in this beautiful art, if required.

DRAWING AND PAINTING.

The course of study in this art is systematic, comprehensive and artistic, laying a foundation in the laws of perspective, and proceeding so progressively as to lead the Student pleasantly on from elementary penciling from models, to original sketching, and coloring in Oil, in Water, or in Pastel.

No young lady will be allowed to retain her connexion with the School whose example tends to encourage indolence or insubordination, or whose influence is in other respects injurious.

That school-room dresses should be simple and inexpensive—high necks and long sleeves.

Visits without this preliminary must be declined.

It is hoped that Friends *entitled* to call upon Students, will endeavor to adapt themselves to the hours of the Institution. Officers would not like to disoblige, but must refuse Students to their friends at such times, except in *special* cases.
