## *Report of Session for 1897.*

### **Dear Brethren of the Session.**

Fellow members and adherents of the Congregation, it is our privilege to present to you another statement and in so doing we would desire you to join with us in thanksgiving to Almighty God for the spiritual mercies and temporal blessings He has bestowed upon us as a people during the year that has now drawn to a close. When we look at the earnest work done by and the liberality of our C. E. Society to the Schemes of the Church, it is good reason for thanksgiving, but above all these we ought to thank God for the harmony that has prevailed among us during our vacancy and the unanimity with which we have been enabled to choose another Pastor, whom we trust will accept our call and come to be our under shepherd. And we earnestly pray that every one of us may be enabled by the grace of God to assist in the Master's work. We are sorry to state that the Bible Class has suffered more than any other branch of the Church, but we hope soon to see it filled again, and our prayer meeting which was closed during the holidays has not been resumed, but we hope soon to see it open.

Signed on behalf of the Session,

JOHN McCAULEY,

Representative Elder.

### 63rd Annual Report.

In presenting this, the Sixty-Third Annual Report of our school, we would in the first place return thanks to God for His goodness to us during the year that is past. It is something remarkable that in a school the size of ours, there has none been called away by death either in the teaching staff or among the scholars.

I would take this opportunity of kindly urging upon the parents in the congregation the desirability of sending their children to the S. S. as regularly as possible, and not only send but come with them and visit the school occasionally and thereby encourage both the teachers and scholars, by showing your interest in the work.

To the officers and teachers I would return sincere thanks for their kindness to me, and for the faithful manner with which they have performed their duties. The good seed of the Kingdom has been sown in good soil and let us trust with the blessing of the Divine Spirit upon it that it will bring forth fruit a hundred fold.

JOHN WEYLIE,  
Superintendent.
