CENTREVILLE WANTS BASEBALL

Reporter From That Live Town Puts Forward Some Good Ideas

We are more than pleased to heartily concur with the effort being put forth in some of the adjacent towns to make amateur baseball, a real live issue this season. Personally I have in juvenile and adult years been a most valiant advocate of this clean, vigorous game and no stalwart healthy boy's paradise would be quite complete without a baseball diamond. The real pleasure of swatting a well-delivered ball can never really be forgotten.

In all our smaller towns there is always material available for a nine that would, with a bit of coaching, show pep enough to be worth rooting for. An active and hearty interest could be quickly made manifest in baseball, if each of these towns would organize a team that would do credit to their respective places. These teams could readily be formed into an amateur league and a representative from each management might meet at some central point to discuss methods and means and form some sort of a schedule for summer games. Of course the nature of the work which the average player would be engaged in daily might almost prohibit any arbitrary schedule for games being in advance for the whole season, as an amateur would probably have to respond to the call of legitimate business interests in preference to the game. However, the members of the different teams could doubtless adjust their time nicely week by week, so that games could be arranged with the opposing towns at the beginning of each week for that special period. At any rate if the league could once be gotten in operation the finer adjustments would almost take care of themselves. We sincerely hope, therefore, that several of our neighboring towns will take the necessary initiative in this respect and that baseball will be our friendly bone of contention through the long summer months.

J. M. Keefe, B.C.L., LL.B.

Among the law graduates, who on May 8, received the B.C.L. degree at the Convocation of King's College, at Windsor, N. S., was

John M. Keefe, barrister, of Grand Falls.

Mr. Keefe, whose home was at Lakeville in this county, upon completion of a High School Course, graduated from the Provincial Normal School and taught school for some years. After pursuing academic courses at the University of New Brunswick and St. Joseph's College, he studied law at Dalhousie, Halifax, and received the degree of LL.B. from that University in the class of 1911. He was admitted as an Attorney of the Supreme Court

in 1913, and as a Barrister the following year. Since admission to the bar, he had practised his profession at Grand Falls, with marked success. During the past two sessions of the Legislature, Mr. Keefe has acted as Clerk Assistant of the House, and has received the B.C.L. degree from King's College upon examination.

HON. F. B. CARVELL GETS SUBSIDY

For Harbor Improvements at St. John

Parliament voted \$750,000 this afternoon for St. John harbor, but not until there had been quite a discussion as to the relative merits of St. John and Halifax harbors. Hon. Frank Carvell, minister of public works, said that the St. John drydock, which will accommodate the largest ships afloat in the world today, will probably be completed in the summer of 1921, and added that St. John harbor would be one of the finest in Canada when it was completed. "It is a costly development, but geographically it is in the place where most of the business is being done," asserted the minister. "The people of St. John deserve great credit. They had the courage to make it a National port and to plan for the trans-Atlantic business."

SPECIAL MEETING TOWN COUNCIL

Various Matters Discussed and New Water Rates Announced

A special meeting of the Town council was held at the Town Hall on Monday evening, May 12th. All members of the Council were present except Dr. MacIntosh.

The meeting was called for the purpose of considering by-law No. 14, which relates to the water system and water rates. This by-law consists of twenty-six sections, and is, therefore, too long to be given here in detail, but we are assured that these laws, to which we will owe our future happiness or sorrow as citizens of the Town of Hartland, will soon be handed to us in book form, and we can then peruse them at our leisure. The section of this by-law which interests the greater number of us to the greatest extent, is the one relating to the tax for domestic purposes. The old rate of taxes is annulled, and the rate, after the current year for which the town has been assessed, has expired, will be six dollars per year for a private family, and one dollar additional for a private stable in which one animal is kept, or two dollars per year if a man is lucky enough to possess more than one animal, such as cows or horses. Public garages will be taxed seven dollars per year for their water supply.

The meeting also discussed the lockup situation, but not settled on anything definite.

Notice was given that at the next regular meeting, a by-law, would be brought down regulating the storage of gasoline in the town.

After an interesting session the meeting adjourned at 11:30 p.m.

A. G. Baker is a sufferer from influenza.

Rheumatic Pains

Are relieved in a few days by taking 50 drops of Ender's Syrup after meals and on retiring. It dissolves the lime and acid accumulation in the muscles and joints so these deposits can be expelled, thus relieving pain and swelling. Ender's Syrup, also known as "Extract of Kool", contains no opium or other strong drugs to kill or mask the pain of rheumatism or lumbago. It removes the cause. 50c a bottle at druggists.

Seeding Time is Here! York and Kent Timothies

The highest quality in No. 1 and 2 seed. To those who always sow the best Timothy your attention is particularly called to York Brand. Although our government analysis allows a limited quantity of harmful weeds to every pound of No. 1 Timothy, the seed that tests the highest is always bought for this brand.

STRENGTH FOR THE DAY'S WORK

Depends Upon Good Blood to Nourish the Body. Weak People Need a Tonic, One Which Acts Directly Upon the Blood and That Does Not Weaken the Body by Useless Purging

There are thousands of people throughout Canada who are without ambition or strength to do their day's work, and who are always tired out, have but little appetite and a poor digestion. They cannot get a refreshing night's sleep and are subject to headaches, backaches and nervousness because their blood is impure. To men and women in this condition Dr. Williams' Pink Pills give quick relief and permanent cure because their direct action on the blood which they build up to its normal strength. As the blood becomes rich and red it strengthens the muscles, tones up the nerves, makes the stomach capable of digesting food, and repairs the wastes caused by worry or work. In a word, the use of Dr. Williams' Pink Pills means restoration to perfect health.

Blood Turned to Water

Miss Jessie McLean, Trenton, N. S., says: "I was as weak as it was possible for any one to be able to go about. My blood seemed to have almost to water. I was pale, the least exertion would leave me breathless, and when I went upstairs I would have to stop and rest on the way. I often had severe headaches, and at times my heart would palpitate alarmingly. A good friend urged me to try Dr. Williams' Pink Pills and I have reason to be grateful that I took the advice. Soon after beginning the use of the Pills I began to get stronger, and by the time I had taken seven boxes I felt that I was enjoying good health. I think Dr. Williams' Pink Pills are a blessing to weak girls and I shall always recommend them."

Rheumatic Pains

The sufferer from rheumatism who experiments with outward applications is only wasting valuable time and good money in depending upon such treatment the trouble still remains, and is all the time becoming more firmly rooted—harder to cure when the proper treatment is applied. Treat this disease through the blood and you will soon be rid of the pains and tortures. As a cure for rheumatism Dr. Williams' Pink Pills are unequalled. They act directly on the impure, weak blood; they purify and strengthen it, and so rid out the cause of rheumatism. Mr. D. Lewis, postmaster at Eggenham, N. B., says: "I was attacked with rheumatism, which settled in my elbow, shoulder and knee joints, and at times caused me great suffering. The trouble was particularly severe last spring and I decided to try Dr. Williams' Pink Pills. After taking the Pills for some time the rheumatic pains and stiffness in the joints disappeared and I have not had any return of the trouble."

A Good Digestion

Mrs. William Dale, Midland, Ont., says: "I suffered for a long time from a severe form of indigestion, and had doctored so much without benefit that I had all but given up hope of getting better. Everything I ate caused me intense pain and some days I did not touch a thing but a cup

of cold water, and even that distressed me. As a result I was very much run down, and slept so poorly that I dreaded night coming on. I was continually taking medicine, but was actually growing worse instead of better. Having often read the cures made by Dr. Williams' Pink Pills, I finally decided to give them a trial. I have had great cause to bless this decision, for by the time I had used a couple of boxes there was no doubt the pills were helping me and in less time than I had anticipated the pills had cured me, and I was again enjoying not only good digestion, but better health in every way than before."

Always Feels Fit

The wonderful success of Dr. Williams' Pink Pills is due to the fact that they go right to the root of the disease in the blood and by making the vital fluid rich and red strengthen every organ and every nerve, thus driving out disease and pain and making weak, despondent people bright, active and strong. Mr. W. T. Johnson, one of the best known and most highly esteemed men in Lunenburg County, N. S., says: "I am a Provincial Land Surveyor, and am exposed and greater part of the year to very hard work—travelling through the forests by day and camping out by night, and I find the only thing that will keep me up to the mark is Dr. Williams' Pink Pills. When I leave home for a trip in the woods I am as interested in having my supply of pills as provisions, and on such occasions I take them regularly. The result is I am always fit. I never take cold, and can digest all kinds of food such as we have to put up with hastily cooked in the woods. Having proved the value of Dr. Williams' Pink Pills as a tonic and health builder, I am never without them and I lose no opportunity in recommending them to weak people I meet."

Skin Trouble Cured

Mrs. W. Ritchie, Parkburg, Sask., says: "Two years ago I was attacked with eczema on my hands. I tried almost everything that was advised, but as the trouble was growing worse I consulted a doctor and took his treatment for some time with no better results. By this time my hands were a mass of sores and I began to despair of finding a cure. A friend strongly advised me to try Dr. Williams' Pink Pills, and I decided to do so. After using two boxes I could see an improvement and I got a further supply. I used altogether eight boxes, by which time every trace of the eczema had disappeared and there has been not a single symptom of the trouble since that time. I gladly recommend Dr. Williams' Pink Pills for troubles of this kind."

Dr. Williams' Pink Pills should be kept in every home and their occasional use will keep the blood pure and ward off illness. You can get these pills through any medicine dealer or by mail at 50¢ a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

are Thomas Dyer of Fort Fairfield, Edward of Bath, Robert of Boothwood, Harry of Fielding, and Frank, Bertram, Percy and Wallace of Bristol. She is also survived by one brother Randolph of Red Deer, Alberta, and two sisters Mrs. Enoch Tompkins of Strickney and Mrs. Eliza Clare of Gordonsville.

Mrs. Dyer was a woman of Christian faith, kind and faithful in her own home and showing a helpful spirit towards her neighbors. Early in life she professed her faith in Christ which she kept unto the end. The funeral was held on Tuesday afternoon in the Presbyterian church. Services were conducted by Rev. M. H. Manuel. Burial took place in Bristol.

THE BEST MEDICINE FOR LITTLE ONES

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the Tablets always do just what is claimed for them and that they can be given with perfect safety to children of all ages. Concerning them Mrs. Joseph Therrien, St. Gabriel de Brandon, Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the tablets, but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Cummings-Cummings

A quiet wedding took place at the home of Mr. and Mrs. Arritus Cummings on Wednesday afternoon, April 23, at 2:30, when their second daughter, Miss Kathleen, was united in marriage to Guy N. Cummings, of Woodstock. The ceremony was performed by the Rev. P. J. Trafton. Only the immediate relatives of the bride and groom's family were present. The bride looked charming in a gray Oxford travelling suit with hat to match, and the bridesmaid, Miss Jennie P. Cummings, sister of the groom, was prettily attired in blue silk with hat to match. The groom was supported by Harry A. Cummings, brother of the bride. The bridal party stood under a canopy of pink and white bunched poited plants. After the ceremony the guests repaired to the dining room where a dainty supper was served. Mr. and Mrs. Cummings left by the afternoon express for a trip to St. John and Halifax. After their return the young couple will reside in Woodstock. They were the recipients of many handsome gifts. Out of town guests were Mrs. Melbourn Seeley of Woodstock, Mrs. J. A. Mitchell, Misses Josie and Merceus Mitchell, Mr. and Mrs. Wm. Cummings, Miss Jennie Cummings and Gordon Cummings of Woodstock.

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around in the morning, would be all the time out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and am able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SUTHER, 608 Olmsted St., Winona, Minn.

How often do we hear the expression among women, "if I am to achieve, I cannot sleep" or "it seems as though I should fly"? Such women should profit by Mrs. Sutherland's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such nervous conditions as sleeplessness, indigestion, constipation, irregularities, periodic pains, headache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

Be Ready for Emergencies

The best way is to always keep a bottle of Dr. Chase's Syrup of Linseed and Turpentine in the house, ready for emergencies. Then when croup, or colds, come suddenly they can be promptly cured before they have time to reach an acute and dangerous stage. To meet this requirement we have put the syrup up in family size bottles which contain nearly three times as much as the 25 cent bottle and sell at 60 cents.

Victoria School

The averages above 50 made by pupils of Victoria school during April are: Advance class—Kathleen Albright 92, Mildred Cook 69. Grade V—Basil Hoyt 89, Frank Boyer 70, Mary Birmingham 58, Madeline Oliver 57. Grade IV—Harry Albright 66, George Cook 55. Grade III—Donald Hoyt 83. Grade II—Frank Albright 82, Helen Louise Pringle, Teacher.

Card of Thanks

Mrs. G. D. Perkins and family wish to thank their friends and neighbors for their kindness and sympathy during our recent sad bereavement and friends in Centerville for their many acts of kindness and especially the ministers of the choir of the Baptist church for their beautiful service.

Lower Brighton School

Those making over 60 per cent of an average on the April examinations at the Lower Brighton school are as follows:

Grade II—Eunice Richardson 85.5, Alice Dickinson 77, Edith Nixon 64.5. Grade III—Elva Nixon 77.1, Beatrice Richardson 69.7. Grade IV—Gladys Chase 80.5, Edwin Nixon 62.8. Grade V—Kenneth Brown 94.5, Lillian McGee 76.5. Isabel H. Upham, teacher.

Freed from Chronic Pains

To those who are afflicted with the agonies of a chronic aching back, loss of strength, weight and vigor, the case of Mr. P. Herbert of Pleasantville will appeal with special significance. Mr. Herbert had suffered with kidney trouble for years and failed to find a prescription that would give him any relief. Finally he tried GIN PILLS because he was impressed by the fact that GIN PILLS contained the beneficial ingredients of Juniper without any alcohol being added.

Note these extracts from his letter: "I suffered from kidney trouble for several years, and tried numerous remedies without finding any permanent relief. My case appeared chronic. I knew that Juniper without alcohol was excellent for the kidneys, so decided to try GIN PILLS. One single pill gave me great relief, and since taking four boxes I find myself completely cured. I am no longer bad-tempered, have increased in weight, and am strong and vigorous again." Here is another case. Mrs. M. R. Gardner, of Richmond, Que., writes: "My husband was taken with severe kidney trouble last winter, and could not work for some time. He heard of GIN PILLS, and after taking one box was able to resume his work. Two boxes relieved the pain in his back, and to-day he is well and strong again."

GIN PILLS help others—surely they will do the same for you. Try them. 50¢ a box everywhere. The National Drug & Chemical Co., 220 Canada, Toronto, Ontario. U.S. residents should address No. 220, Oa. Ins., 300 Main St., Buffalo, N.Y.

Milking Durhams

I have for sale two purchased milking strain Durham shorthorn calves, bulls, ages 10 days and the other rising a month. Fine specimens. Dams of good record. C. F. PALMER, Waterville, N. B. Farmers' Tel. 25-5.

Holsteins for Sale

No. 1 Tension Ragapple, registered two-year-old heifer from G. B. Nixon's, great bull "Ormsby" Ragapple. A near relative of that famous bull, Ragapple Kornyk 8th, and her dam is from "Count Fensin A." a former Canadian Grand Champion.

Notice

To the heirs, executors and administrators of Albert Edward Francis Whitlock, late of the Parish of Andover in the County of Victoria and Province of New Brunswick, Barber, and to Hazel Whitlock, his widow, and to whom else it may concern:

Notice is hereby given that there will be sold at public auction in front of the Court House in Andover in the said County of Victoria and Province of New Brunswick on Monday the twenty sixth day of May last at the hour of two o'clock in the afternoon a tract or lot of land situated in the village of Andover in the said Parish of Andover and County of Victoria and bounded as follows: Beginning on the Western bank or shore of the River Saint John at the most Easterly angle of a lot of land conveyed by Mary A. Sherwood to Patrick F. Heffernan by deed bearing date the eighteenth day of September A. D. 1917, registered in the Victoria County Records in Book "R" No. 17, of Records numbered 3848, thence Northwesterly and parallel to the Southernly side wall of a building (fate) occupied as a butcher shop and its house to a post or point five feet beyond the prolongation of the Westernly wall of said building thence Northerly and parallel to the Westernly wall of said building to a point thirty-three feet from the centre of the Canadian Pacific Railway thence Southerly and parallel to said track and maintaining an equal distance of thirty-three feet from the centre thereof to the bank of the said River and thence Southerly along said bank to the place of beginning, comprising all the land conveyed by Mary A. Sherwood to said Albert Edward Francis Whitlock by deed bearing date the twenty-third day of March A. D. 1917, together with the buildings improvements, privileges and appurtenances thereto belonging or in any manner appertaining.

The above sale will be made pursuant to a power of sale contained in a certain indenture of mortgage bearing date the eighteenth day of April in the year of Our Lord/One thousand nine hundred and seventeen between the said Albert Edward Francis Whitlock and Hazel Whitlock his wife of the first part and the undersigned Patrick F. Heffernan of the said Parish of Andover and County of Victoria, Barber, of the second part, and registered in the Victoria County Records in Book "R" No. 17, of Records on pages 375, 374 and 375 numbered 1846, the nineteenth day of April A. D. 1917, default having been made in the payment of the principal moneys and interest thereby secured.

Dated the twenty-first day of April A. D. 1919.

PATRICK F. HEFFERNAN,
Mortgagee.

Mrs. Fern Lloyd of Sibald, Alta., is visiting her parents Mr. and Mrs. S. Rideout.

Miss Mary Hitchcock who has been teaching at Lake Edward spent the week-end with relatives in town. Sheriff Tibbitts of Andover was in town Thursday.

Mr. Stiles, the confectionery man, was in town Thursday. Mrs. M. Bainford and daughter Mrs. M. H. Bainford, who have spent the winter in Boston returned home Friday.

Ray Whelpley was home last week a few days.

Mrs. A. Bargin and family are moving to St. Stephen.

Hoyt Hetherington of Andover was in town Monday.

Mrs. McLean and family are moving to Presque Isle this week.

Used for Shaving

Many men are troubled, more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its antiseptic qualities this ointment prevents and cures Barber's Itch.

The Observer will be sent to Canadian subscribers a full year for \$1 paid in advance.

SEALED TENDERS addressed to the undersigned and endorsed on the envelope "Tenders for Teachers Residence on the Tobique Reserve, near Perth, N. B." will be received up to noon of Monday, June 9th, 1919.

Plans and specifications may be seen at the office of the Indian Agent at Perth, the Post-office at Woodstock, N. B., at the Tobique School, Maliseet, N. B., and at the Department at Ottawa.

Each tender must be accompanied by an accepted cheque on a chartered bank for 10% of the amount of the tender, payable to the order of the undersigned, which amount will be forfeited if the person or persons tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for.

If the tender be not accepted, the cheque will be returned.

The lowest or any tender will not necessarily be accepted.

The unauthorized insertion of this advertisement in any newspaper will not be paid for.

DUNCAN C. SCOTT,
Deputy Superintendent General
of Indian Affairs.

Department of Indian Affairs,
Ottawa, May 1st, 1919.

Perth Locals

Rev. A. Trafton held service in Union Hall Sunday and evening.

Mrs. J. R. Tompkins accompanied her grandson, Clarence Sisson, to Port Fairfield the first of the week to consult Dr. Sawyer about some trouble the latter has in his nose and throat. They will go over again this week.

Mr. Kelly of Woodstock has accepted a position in the drug store of O. B. Johnson. Mr. Johnson is having the up stairs remodelled and will add a balcony to the out side. When completed it will be very up-to-date in every way.

Dr. A. Wade has purchased the A. M. Bird residence on Terrace street.

A. M. Bird and family are spending the week-end with relatives at Aroostook Jct. They will leave for their new home in Kingston on Monday.

Mrs. Geo. McDougall of Arthursville was the guest of her daughter, Mrs. Bird, during the week.

James Anderson formerly of this city, but now of Toronto, Ont., arrived here on Tuesday. He is putting some repairs on the blacksmith shop, in which he has an interest.

More of our boys arrived home today (Monday), and they may be sure of a warm welcome. Among them are Graydon McCrea, of the 9th Siege Battery, son of G. Miles McCrea, and Raymond Bishop, son of Mr. and Mrs. Samuel Bishop, of River de Chute.

S. Waugh moved his family into his house here last week. We are always glad to welcome new neighbors, such as Mr. Waugh and family. They will be gladly received in our little town.

The Tennis season has begun. Several of our young folk enjoyed a game on Thursday p.m. but the pleasure of the game was somewhat marred on account of one of the members, (Mr. Melanson) spraining his ankle. We sincerely hope it may not prove serious.

The tea, fancy and food sale given on Saturday afternoon in the Street Innan building, for the benefit of the U. B. church, was a complete success in every way. Something over 70.00 were realized.

Mrs. Samuel Lovely and son Gerald who have been spending the winter in San Dominica, Cal. are expected to arrive home this week. They came Monday.

Miss Cronkite was in the village on Wednesday on her return to Providence, R.I., to resume her studies. She was the guest of her aunt, Mrs. E. B. McLaughlin of Upper Andover over night.

J. Reynolds has moved his family into the tenement on the terrace lately occupied by F. Stoddard.

C. Beer of Charlottetown, P.E.I., has taken the position in the Bank here, made vacant by Miss Jesse Jamer.

Fred Kilburn, son of Miss B. Kilburn, and Randolph Jamer, son of Mr. and Mrs. Warren Jamer, of Andover, were among our boys to return home on Monday. A large crowd of friends gathered at the station to welcome them.

Miss Cassie Craig accompanied her aunt, Mrs. A. M. Bird as far as Woodstock on Monday.

Mrs. Douglas Baird went to Woodstock on Monday for a few days.

The ladies of the sewing circle, wish to thank all those who donated articles for their sale on Saturday. Special mention should be made of little Hazel Sisson, daughter of Mr. and Mrs. Percy Sisson, who donated a handsome embroidered sofa cushion made by herself.

which brought in a nice little sum. Several of the older girls gave bags, kerchiefs and other pieces of hand work.

Andover News Notes

Henry Baird was calling to St. John on account of the illness of his daughter, Mrs. Archie Dickson.

The Junior Auxilliary of the Church of England met at the home of Mrs. D. R. Bedell on Tuesday afternoon.

Plaster Rock

Economical—

Because It Covers More

EVEN if this paint were sold at a price half as high as any other—it would still be the economical paint to use on your house. In sheer covering capacity it has no equal. A gallon of it goes so far that you'll buy less of it and yet do more with it.

B-H "ENGLISH" PAINT

70% Pure White Lead
(Manufactured in Canada)
30% Pure White Zinc
100% Pure Paint

This paint is guaranteed to possess as its important basis the above formula which we inscribe on every can. The result of such a formula is all that you could ask in brilliance of color and in proper "body"—a paint which gives a fine lasting finish, excelling all others in "covering capacity" and in durability. Paint with B-H "English" Paint—and your house is protected for years, where a coat of ordinary paint will last but a few months.

They are warmly welcomed by their many friends.

Mr. and Mrs. John Walker of Tilley were guests of their daughter, Mrs. Turner on Sunday.

Mrs. Joshua Wark of Sisson Ridge was the guest of Daniel Wark for the week-end.

Mrs. Hannah Beveridge, one of the oldest and most respected residents, passed away Saturday at the home of her son Hiram, Aroostook Jct. Mrs. Beveridge's maiden name was Britt. She was married twice, her first husband's name was Murphy and the last one was A. J. Beveridge, the latter having preceded her several years. Mrs. Beveridge leaves to mourn three sons, Sherry and Robert in the West and Hiram at home and

two daughters, Mrs. Barker of Four Falls and Mrs. James Irwin of Fort Fairfield, also one sister Mrs. Thomas R. Cameron of Andover, and a large number of grandchildren and great-grandchildren. Mrs. Beveridge had no children by her last marriage. The funeral was held in the Baptist church, service being conducted by Rev. A. C. Kuchel. Interment made in the Baptist cemetery.

Legal Blanks

of all kinds always in stock at The Observer office. Deeds, Mortgages, Bills of Sale, 60c per dozen; Executions, Summons, Tax Notices, 50c per 100.

THE OBSERVER

Published every Thursday in the interests of Carleton and Victoria counties from the office in the Town of Hartland, N. B. Liberal in politics and practicing the apostolic injunction to "Provide things honest in the sight of all men." Owned by The Observer Limited, Fred. H. Stevens, Editor and Manager. Branch office at Grand Falls.

All forms of announcements except births, marriages, deaths and church services must be paid for.

Items and correspondence on live local topics are invited. Address all communications and make all orders payable to Observer Limited, Hartland, N. B.

HARTLAND, N. B., MAY 15, 1919

BASEBALL

Two or three weeks ago the local baseball team sent out to districts from Grand Falls to Woodstock a circular letter suggesting that a league be formed among the various towns and villages. There is every evidence that league teams can be brought into working order as other teams than Hartland have responded with enthusiasm. Our Centreville correspondent gives this week some practical suggestions and recommends a gathering together of representatives from each town and village to make arrangements. The Hartland circular recommended

Woodstock or Florenceville as a meeting place. No time should be lost. It is already too late to prepare for a meet on Victoria Day but if prompt action is taken there is yet time for good clean sport later on.

The Observer is authorized to announce that there will be a meeting of those interested at East Florenceville next Tuesday afternoon. It is suggested that representatives come by automobiles and it is hoped that Grand Falls, Perth-Andover, Bath, Bristol, Centreville and Hartland will meet the boys at Florenceville and no doubt very amiable arrangements can be made which will result in fine sport.

Coun. John N. Perry Dead

At the home of his sister, Mrs. F. W. Burns, Fort Fairfield, on Friday, the death occurred of John N. Perry, only son of the late Rev. John Perry, the well-known F. C. B. preacher.

Mr. Perry was many months ago seized with a severe illness and went to the home of his sister, who is a trained nurse, in the hope that the physicians in the Woodstock town coupled with her care could do something toward the restoration of his health. In spite of their best endeavor he grew worse until the end.

Mr. Perry, as did his father before him, was held in high honor and esteem by the whole county. For many years he sat at the County Council board and he served patiently and intelligently. His remains were brought to his home at Connel and the funeral was held from his home on Sunday and was very largely attended. The preacher was the Rev. F. E. Bishop, Baptist, of which church the deceased had been an active member. Rev. M. H. Manuel assisted in the service.

Those left to mourn the loss of a kind and loving husband and father are his invalid wife, and a daughter, Amy, and two sons, Fred and Bert. Fred recently returned from overseas service.

Mrs. G. Murray McLeod

The community was saddened on Tuesday to learn of the death of Mrs. G. Murray McLeod, after two weeks illness of pneumonia. She is survived by her sorrowing husband and her two little children. Before her marriage her name was Miss Ruth Belyea and was a popular and much beloved school teacher, a daughter of the late Frank Belyea, who died there years ago yesterday. Besides her husband and two children she is survived by several sisters, among whom are Mrs. H. A. Sippelle, Misses Ethel, Elta and Margaret and Mrs. Albert Smith of Alliance, Alberta, and Jennie at home. There are also brothers Owen and Glenn.

The mother is now the wife of Charles Ebbett of Simonds.

The funeral services were held yesterday afternoon, at Waterville Baptist church, conducted by Rev. E. A. Trites and C. N. Barton.

Mr. and Mrs. McLeod came here to live only a few months ago, the former being the efficient manager of the Farmer's store. His own health is somewhat impaired, he having suffered severely from influenza. Deep sympathy is felt for the young man in the untimely loss of his wife.

The Late William S. Henderson

On April 3, the home of Thomas Travers (St. Thomas) William S. Henderson departed this life after an illness of a number of weeks at the age of 74 years. His nephew, Armond Henderson was with him the last two weeks he lived, and all that kind hearts and willing hands could do was done for his comfort. Much credit is due Mr. and Mrs. Travers and the people of St. Thomas for their kindness and constant vigil through the old gentleman's sickness; and a number of them followed him to his last resting place, despite the terrible condition of the roads.

Mr. Henderson professed faith in Christ quite early in life and was a member of the Baptist body; and left the witness that he had gone to be with Christ which is far better.

His remains were taken to the home of Henry Smith (Windsor), Mrs. Smith being a niece of Mr. Henderson.

The funeral was held on Saturday, April 5, 10 a.m. at the Windsor church. The Windsor choir was in attendance and rendered some beautiful selections in their usual efficient manner.

Interment in the Avery Cemetery (Knowlesville) beside his wife who was formerly Miss Augusta Avery preceeding him 22 years ago. He is survived by one brother, Albert, of St. John, and three sisters, Mrs. Annie J. Mann of California, Mrs. A. D. Gault of Fairville, and Mrs. W. A. Tedford of Windsor. The two last named were at the funeral.

The services were in charge of Rev. J. M. Mallory.

The justly popular Stallion

POLONIOM

This beautiful Hackney is still owned by the undersigned and his colts are among the finest in the country. Parties desiring to learn more about this well known horse should call Farmer's Tel 25 or call and see

THE SECRET OF SAVING

lies in spending to the best advantage—getting the most for your money. That is what you do when you buy Zam-Buk, and that is why Zam-Buk is the choice of the good housekeeper and careful buyer. When you buy Zam-Buk you get 100% medicine—not 5% medicine and the balance "fill up" as is ordinary ointments. This explains why Zam-Buk goes so much farther than ordinary ointments, and why the results are so much better. Zam-Buk is soothing, healing and antiseptic. It ends pain, destroys all germs in a sore or wound—thus preventing any danger of blood-poisoning—and grows new skin. A Zam-Buk cure is permanent because it purifies and heals not only the surface skin, but also the underlying tissues, so that there is no possibility of the disease breaking out again.

Zam-Buk is composed exclusively of vegetable oils and herbal extracts, with absolutely no animal matter, which only irritate the parts they are intended to heal. It can, therefore, be used on the most sensitive skin and is the best balm for baby, ringworm, boils, pimples, ulcers, eczema, blood poisoning and sores. All dealers or Zam-Buk Co., Toronto. 50c. box, 3 for \$1.25.

McLean-Larlee

A wedding of much local interest was solemnized in the Presbyterian church Bristol on May 1st at 1 o'clock when Hattie Blake, daughter of Mrs. Allen McLean, became the bride of Garfield Larlee, of Bath. Rev. M. H. Manuel performed the ceremony.

The bride looked charming in a smart tailored suit of sand tricot with an imported hat of brown. She carried a bridal bouquet of cream roses, with tulle streamers. Mr. Gulliver sang "The Voice

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of straining the juice through a fine cloth, so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiteners and beautifier.

Just try it!—three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of pink of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

That Breathed o'er Eden" in a very acceptable manner and Miss Crystal Davis played the wedding march.

The pair were unattended, but Roy Hunter and C. P. Furlong of Florenceville ushered the guests. After the ceremony a buffet luncheon was served at the home of the bride to the immediate friends of the bridal couple. Misses Jennie Gibson, Alberta Caldwell, and Helen Somerville who assisted in the serving looked very nice in their sheer dresses of blue, white and pink respectively. Mr. and Mrs. Larlee left that afternoon for an extended honeymoon trip they intend spending some time in St. Louis and other American cities.

Miss McLean is well known having recently graduated from Carleton County Hospital and has been practicing her profession. Mr. Larlee is C. P. R. agent at Bath and is very prominent in the Railway Brotherhood.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Frezzone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and calluses, without scum or irritation. Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.

Life in a Hun Prison

THE Canadians required more men to guard them, did less work, and caused more worry and trouble than any other prisoners," said Lieut. J. Beverley Robinson, R.A.F., two and a half years a prisoner of war, escaping on his second attempt, being the only Canadian officer who succeeded in doing so.

"The Germans tried more to break the spirit of the Canadians than of any other prisoners but they didn't do it. Our men stuck it and when they got a chance they got back at the Germans with interest," asserted Lieut. Robinson.

"Never have I read a single line which exaggerated the treatment of the prisoners of war by the Germans. I have found a disposition on the part of some to make light of the stories of cruelty which have been told. Do not make light of them, for they are all true. There are worse stories than any you have heard yet. If you are inclined to make light of imprisonment, then try to think what it means to live for months or years in the unsanitary, pestilential camps in Germany, where every possible effort was made to keep insult and indescribable cruelty upon the men. Think what it means to work twelve or fourteen hours a day in the salt mines, to be tied up to posts in zero weather, to be hung up by the wrists, or even only to wash your clothing in ice-cold water."

"I have seen even German Red Cross workers spit in bowls of soup which they brought into the trains, then throw it into the faces of allied officers. I have seen wounded soldiers dragged to the doors of the cars and there spat upon and feared by the people."

Lieut. Robinson was taken a prisoner when flying in a fog, and he was forced to make a landing in territory captured by the Germans. His machine was seriously crippled by German shots, so that he was forced to fly to the ground.

"A short time after landing I saw an individual approaching me," he narrated. "He was pointing a large horse pistol. I never saw anything like it—one of those archaic weapons seen in castles. I walked up to him, and started cursing as hard as I could. It worked well. The average German soldier is accustomed to having his orders shouted at him. I was certainly shouting. He dropped the muzzle and stood there open mouthed. But suddenly I noticed the clothes and the double eagle on the buttons. Then another came on a horse, the most magnificent black charger I have ever seen. He was a German military policeman, and the scales fell from my eyes immediately."

"When I was captured arrangements were being made by my squadron to drop on Prince Rupert larger bombs than had ever been dropped. This, strange as it may seem, was known to the German staff officer who examined me, and he said that arrangements had been made to give our flyers a warm reception. Well, I got information back to the squadron by writing a postcard to my mother, saying: 'Please tell that the man of evil habits has changed his address.'"

He told of the conditions in a series of camps in which he was confined, referring especially to Strehlen, which had formerly been used as a punishment centre for Russian prisoners. It was a camp totally lacking in sanitation, with a madman for a commandant, and a record for bayoneting prisoners. With two other officers he escaped from the camp on a dark, windy, rainy night. After three nights he was recaptured and sent to Postmünden, recognized as one of the worst camps in Germany. He was captured at the point of a shotgun in the hands of a German farmer, following discovery by his wife.

Postmünden was commanded by Charles Niemeyer, "Milwaukee Bill," who, the lieutenant believed, will be one of the first of the German officers to be demanded by the allies when the day of reckoning comes. Niemeyer refused to allow them to sit up shower baths for their use, because he wanted them as kennels for his dogs, which continued to occupy them.

So bad were conditions that it was decided an attempt must be made to get away to England, so the prisoners started to tunnel to freedom. Under trying conditions they tunneled for nine months, and were successful in securing the escape of 15 officers (the rest not counting) to whom crossed the frontier to safety. They dug from an unusual cellar in the prison through 60 yards of earth, using crude air tubes of tin to keep the workers alive.

Lieut. Robinson escaped from a temporary camp. He stocked up with essentials, in the hope of being able to jump from the train on a journey which they would pass along the Dutch frontier. As he was suspected, he was searched for an hour before being allowed to board the train. Yet, in spite of that hour's search, he took with him two compasses, a map, a flashlight, some forbidden German money and a civilian cap. He didn't get a chance to jump from the train, as the trip was made by day, but the evening of his arrival at the latest camp Lieut. Robinson, with an officer named Miffo, made their escape over a high retaining wall, while a third officer detained the German guard with an argument on the value of Zeppelin air raids.

Children's Diseases Are Not Necessary

They Add Nothing to the Well-being of the Child and Invariably Leave the System in Worse Condition Than Before They Came

IN fact, they often sow the seed which, in adult life, develops into disorders of the heart and blood vessels and degenerative diseases of the kidneys.

So if children escape any child's disease they are the gainers in general health by just that much. It may be that years are added to their lives or chronic invalidism avoided. Then there is the enormous risk which every child runs who has measles, whooping cough, scarlet fever, or other diseases.

Perhaps this does not agree with your idea of letting your children have these ailments when young, with the belief that they must have them some time. This old idea has cost many thousands of lives. It is time to forget it, and to put forth an effort to save the children from these ailments.

All these children's diseases are known as germ diseases, and germs are harmless to a body strong enough to fight them.

Rich blood is the greatest of germicides. Therefore, seek to keep your children's blood rich and pure by giving them whole,

some, nourishing food, and by allowing them to exercise freely in the open air.

If they grow pale and weak and languid—if they fail to derive proper nourishment from the food they eat—if their nervous systems get run down from the tax of school work—use Dr. Chase's Nerve Food as the best means which medical science affords to enrich the blood and build up the exhausted system.

Children whose blood becomes thin and watery are helpless before an attack of measles, scarlet fever, whooping cough, or other contagious disease. They seem to "catch" everything that is going. They are always "catching" cold. Their resisting force is nil.

But their young bodies soon respond to the nourishing, invigorating influence of Dr. Chase's Nerve Food. As their blood is enriched they become healthy, robust and rollicking—they enjoy their food—their play—their work at school, and grow into strong, healthy men and women.

Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.75, all dealers, or Edmondson, Bates & Co., 124, Toronto. On every box is the portrait and signature of A. W. Chase, M.D., the famous Recent Book author.

AFTER CROSSING SOUTHERN SEAS

And Seeing Much of South America Mrs. Talmage Campbell Visits Mount Pleasant

Mrs. Talmage Campbell is visiting Mr. and Mrs. G. H. Campbell of Mount Pleasant. Since leaving Vancouver a year ago, Mrs. Campbell has toured California and the southern States. She arrived in New York last July in time to book passage on the S.S. Turlaiba which calls at Jamaica and Christobal Colon at Panama. From there Mrs. Campbell passed through the Canal on the S.S. Limari to Perre and Chile, crossed the Andes via the Transandine railway to the Argentine. After visiting with Anglo-Argentine friends in Buenos Aires and Rosario, Santa Fe, she sailed on the S.S. Demarara for Santos, Brazil. This port is noted for exporting more coffee than other port in the world. From Santos to Sa Paula, on a narrow gauge cable railroad, which ascends 3000 ft before it begins to drop towards Sao Paula. The latter is often called the Rome of South America on account of its beautiful sunken gardens and many public parks with a church on every corner.

A LIFETIME OF SUFFERING

Prevented by "Fruit-a-lives" The Wonderful Fruit Medicine

58 Mansonsville St., Hull, Que.
"In my opinion, no other medicine is so good as 'Fruit-a-lives' for Indigestion and Constipation."

For years, I suffered with these dreaded diseases, trying all kinds of treatments until I was told I was incurable.

One day a friend told me to try 'Fruit-a-lives'. To my surprise, I found this medicine gave immediate relief, and in a short time I was all right again."

DONAT LALONDE

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or from Fruit-a-lives Limited, Ottawa.

After a four months stay in and around the Rio Grande state Mrs. Campbell boarded the Vauban at Rio de Janeiro for New York, the only stop made to take on coal at Barbados, a British possession. Here the natives come out to meet the boat and dive for silver thrown to them by the passengers on the ship. Mrs. Campbell was accompanied by Sister M. E. Plafard, who served three years in Gallipoli with the C.E.F.

G. E. WILSON

Centreville Exhibition, Sept. 24 and 25, 1919

LOCAL AND PERSONAL ITEMS

A meeting of interested citizens was held in the vestry of the United Baptist church on Tuesday evening, to consider ways and means of improving and beautifying the cemetery lot adjacent to the church. The Rev. S. Johnson was appointed chairman and after the necessary pros and cons on the subject, the method deemed most expedient was the appointment of a committee to take an inventory of the different lots and get in touch with the owners to determine what amount they would contribute towards a complete renovation of the lot. This work is really a very necessary and worthy one, and should meet with most hearty approval from all who, by having friends resting there, should be interested in this city of the dead. In its present unkempt condition it is not at all in keeping with the well kept, thriving community, which looks up and coming all the time.

A jovial company of 25 friends met at the home of Mrs. S. W. Niles on Friday evening to spend a festive supper hour with her on the occasion of her birthday. No wartime meal it was but a real feast. All present pledged themselves to partake, however daintily of all the tasty eats, and all failed disastrously. It was a physical impossibility. After a pleasant evening together all left for home with ardent wishes that such birthday parties would occur more frequently.

The garden rake and hoe have come into their own again and all are busy making ready for the season's planting.

The government highway construction corps have a plant in operation at Tracey Mills and are already well under way with the work of the season. Scott MacAuley is in charge of the crew, composed of about fifteen men. This same crew did very worthy and creditable work last season, which received and merited a good deal of praise at the time, and which work stood up excellently through the frost and thawing of last winter and spring.

The Oddfellows Centennial celebration and march out, which was to have been held in Florenceville on Sunday, has been postponed until Sunday the 25th inst. at 3 o'clock. The Lodges from Centreville, Florenceville and Glaceville will participate and the

Rev. M. H. Manuel will preach. Mr. and Mrs. H. D. Stevens of Woodstock are spending a week with their son J. C. Stevens.

Mr. and Mrs. A. R. Hawkins spent Sunday at Mars Hill.

Don Scholey spent Sunday with his parents here.

Dr. and Mrs. F. M. Brown went to St. John on Friday to greet their two sons Carl and Eric, who are returning from overseas with the 4th Siege Battery of which unit they were gunners.

Mr. and Mrs. D. F. Cliff of Mars Hill spent Sunday with Mr. and Mrs. C. B. Cliff.

why you should use **Zam-Buk** instead of ordinary ointment.

1st. Because Zam-Buk has a superior soothing and healing power. This is due to its unique composition. Zam-Buk is composed exclusively of herbal extracts and vegetable oils and is 100% medicine.

2nd. Because Zam-Buk cures are permanent. This is owing to the fact that the oils and extracts of which Zam-Buk is composed are refined and refined that its power of penetration is extraordinary. While ordinary ointment remains on the surface skin, Zam-Buk literally soaks through to the underlying tissues and destroys skin diseases at their very roots. In this way, only, can a permanent cure be effected.

3rd. Because Zam-Buk is antiseptic. In other words, germs cannot live where Zam-Buk is applied. This prevents any possibility of festering or blood poisoning.

4th. Because Zam-Buk is pure. Its purity is due to its herbal composition, and this gives it the command of Zam-Buk to cures.

5th. Because Zam-Buk is economical. Owing to its freedom from animal fat, Zam-Buk cleans, soothes, and heals. It is therefore, just as good to the last application.

The reliability of this herbal remedy has established it as the household balm wherever it has been used for eczema, ringworm, abscesses, ulcers, running sores, bad legs, blood poisoning, piles, boils, skin rashes, burns, scalds, cuts, chapped hands or chafed babies. All dealers, 50c. box.

C. E. VAIL

Jeweller and
Graduate Optician

Wishes to thank the people at large for their patronage in the past and solicit their Watch and Optical work in the future.

A few suggestions which might be helpful: In the State of Maine persons fitting glasses have to pass the state board and only those who are qualified are able to do that as there is a heavy fine for intrusion. Therefore our country is being flooded with so-called opticians who are travelling from house to house pretending to be experts. I have been in the Optical business 17 years. The first 5 years I took home courses and studied hard, day and night, and could do good work in very many cases. When I went to Montreal and took a course in the Montreal Optical Institute of Canada and passed all exams with great praise from Professor Fox, who ordered a diploma for me which hangs in my office for inspection. If you want to find out what I know about fitting glasses just look at my diploma and see what the Optical Institute of Canada has to say about me. I carry in stock all kinds of the latest Tortoise shell or Shetland frames, carried anywhere, as well as all kinds of gold filled or gold frames. And will fit in any kind of glasses made anywhere. From a spacer or Cylinder or Compound lens, Toric or punctate, or TonicKryptok. Prices range from \$1 up to \$15, according to what it takes to make the correction and please my customer. An up-to-date line of men and automobile glasses of all shapes. A new line of wedding rings and marriage licenses. Thanking you again for your patronage.

I am yours,
C. E. VAIL.
