argue with a blockhead. Remember the duller the razor the more you cut yourself. APPLE TREE WORMS.—If you want to destroy these, as well as those of the gooseberry and currant bush, dip a clothes corn broom in coal oil and give the trees a slight sprinkling: A very little answers the pr pose: the caterpillars will drop down by hundreds and die, while the vegetation of the tree remains uninjured. There is no need to asturate them—a slight sprinkle is quite sufficient. THE STRIPED BUG.—The only true pre-ventative for the attack of this insect upon

THE STRIPED BUG.—The only true pre-ventative for the attack of this insect upon cucumber and melon plants is to enclose the plants within four pieces of board, three inches high, nailed together at the corners. (lover them with a piece of glass or oiled knew it not. Saw ye not something in hi eye, like a lightning flash, when he spok with such power-your wishes shall b granted ?"

Cover them with a piece of gains of oned paper for a day or two, whon it may be re-moved altogether. The bugs will not again find the plant, as they always alight first upon the ground before commencing their attack, and the boards are in their way and behold I where the rude earth used to stand, was a beautiful mansion, on stand, was a betudid mansion, on whose clear casements the morning sun shond like gold. Gazing with large astonished eyes, he bade his wife go quickly over, and find out what it could mean. Hastily returning to her husband, she related the whole story In a short time the plants will have outgrown all fear of their depredations, when the boards can be removed.

adding, "Saddle your best horse, and overtake the traveller, and get him to grant you also three wishes, as well as to our poor neigh-three wishes, as well as to our poor neigh-It is said that there is a man down cast whose feet are so large that he cannot get a glimpse of the ground without turning a somerset—a *feat* rather difficult for him to perform.

Riding rapidly, he at length saw him and bowing low, said with a crouching man-

Bidding rapidly, he at length saw him and bowing low, said with a crouching man are.
HUMAN LIFE.—Professor Longfellow, as a bowing low, said with a crouching man are.
"Do not be displeased that you were that here is a man has offered almost any price if he will allow himself to be out up for lamp wicks. The is the same thas offered almost any price if he will allow himself to be out up for lamp wicks. The is the same thas offered almost any price if he will allow himself to be out up for lamp wicks. The is the same thas offered almost any price if he will allow himself to be out up for lamp wicks. The is the same thas offered almost any price if he will allow himself to be out up for lamp wicks. The is the same thas offered almost any price if he will allow himself to be out up for lamp wicks. The is the same thas offered almost any price if he will allow himself to be out up for lamp wicks. It is the start and sorrowful, and the heaven is not far off; and the sorrowful, and the dends shut out the sky. In the lives of the addest of us there are some bright days like this when wishes granted him. Jupiter replied that coald easily be, but it would not be well for him to wish, and he had better not attempt it. But the rich man pressed his suit, and and cleaning against the side of a church for rup the atting which he desired should be given him. So he rode excultingly homeward, and while he was carcestly thinking what great thing the way at present !" The Late Dr Ollendorf.

his hand, and the horse began to prance and rear, He patted him on the neck, and said soothingly, "be quiet, be quiet!" but it was of no use. Then he grew angry, and ex-claimed, "I wish your neck was broken." Whereupon, he planged and fell dead.— There lay his best horse with his neck broken." So his first wish was fulfilled.

There is a great deal in this book which is more and great deal that is true." So far, good, the author would think; but they great data in this book which is more and a great deal that is true." So far, good, the author would think; but they great the server of true and those that are true are not new. The base server of the second and the fore server and the server and the

Agent for MB. J. SHOLTO DOUGLASS.

MATHEW ANDERSON.

Toronto, 23rd June, 1865.

6.-I will appear in person if you will

GENERAL AGENCY,

MATHEW ANDERSON, Esq. Sir,-I herewith enclose declaration of identification. You can fill up the blanks

pany, so that the objectionable phraseology of the document might be amanded, to mee

in the present session, in order that he may use his influence with the members of Pard liament, to guard the interests of the mani-cipalities in the details and enactments of said Bills; and in the event of Parliament enacting that the Clergy Reserve moneys, detained by Government from these Muni-cipalities, be applied by the Government to the payment of the five cents on the dollar, Mr. Doran shall endesvor to have a clause inserted providing that the Company shall be held l'able and bound to pay to the munibe held is able and bound to pay to the muni-cipalities, a sum equivalent to the five cents on the dollar of the yearly assessed value of these municipalities in lieu of the Clergy Reserve moneys so applied." It will appear from the foregoing, to every unprejudised mind that the "engineering servant" of the Company, while anxious to

carry out, according to its true intent and spoke about Dickson; he asked me if I could tell him if the magistrate could deal summar-ily with the case; I said I could not tell him; he seemed very anzious. To Mr A. MeNabb—He asked me if I municipalities; and is also between the same time that the Company should obtain no undue advantage over the same time that the company ions at the same time that the Company should obtain no undue advantage over the municipalities; and it will likewise be appar-ent that the contingency provided for in said resolution not arising, Mr. Doran, whatever may have been his intentions, did not follow his instructions, while seeking to oppose Mr. Morris's Bill, which, in all its details secured the best interests of these municipalities. The present interests of the anti-Railway party is nothing new and not to be wondered at the disease with them has be wondered at, the disease with them has become chronic; everything in the way of extending the road or negotiating with the

sentials here to make out a case: that the representations were false; and secondly, that the party making them obtained the money on them? It is not proved that McNab ever received a registered letter, nor does Dickson swear that the representations were false. Mr Boomer-I don't care; I think that there's evidence enough to send it to the stead of approaching, as it now is, near to Assisted. Sand Point. And again in last January session, when there was an apparent missun-derstanding between the Company and the

Council, regarding the agreement drawn up by Mr. Blake, they were in opposition to the Company, because Mr. Richardson would not sign that same agreement which they Queen against Coddrington, 1 C and P 661, which he said showed that it did not come said session the Railway Committee met point. Mesers. J. Doran. Chambers. Code, and my-

Mr Boomer-That's not a case in point. Mr A. McNabb-Well, I suppose that my client is the victim of public opinion. I suppose there is no use shewing what the prisoner was here for. The Counsel called Mr Robertson of the Normal School. Mr Boomer-You had better not call Mr Debatteon as it will be worse for the prisoner. Mr Boomer-No, go to a judge. The prisoner was then remanded and committed to gaol to await his trial. A to meet with the legal adviser of the Com-

localities, fears respecting the midge have a hasty visit to the county. been very prevalent and apparently with good reason, but we trust the damage will be less than expected. From other good wheat growing sections, we have heard last, by besting his wife with a club, and

For the C. P. Herald. Eganville, July 20th, 1865

J. A. SIMMERS, ESQ., Seer. German Relief Committee

Toronto SIB,-We, the undersigned inhabitants of the village of Eganville and surrounding country, having seen the statements publish-ed in the Toronto "Globe" of the 4th of July, by the Rev. Mr. Gerndt, as to the destination among the German settlers in destitution among the German settlers in this county, can, from our knowledge of the condition of the Germans of North and South condition of the Germans of North and South Algona, Gratton, and the Bonecheere settle-ment in Wilberforce, certify as to its truth so far as those settlements are concerned, as great destitution did prevail among the Germans in those settlements, several fami-lies being almost in a state of starvation. The Rev. Mr. Gerndt distributed among

them in these settlements the sum of \$97.85, in addition to what he has distributed among the Germans in other settlements, in addition to which there was the sum of \$40 addition to which there was the sum of \$40 expended among them which was raised for their relief two years ago in the town of Barrie, and which was not received at the time until the necessity for it was past, and consequently remained on hand until this summer, and the sum of \$20 sent from the city of Montreal. These sums have greatly relieved the wants of these poor people, though some destitution still exists among

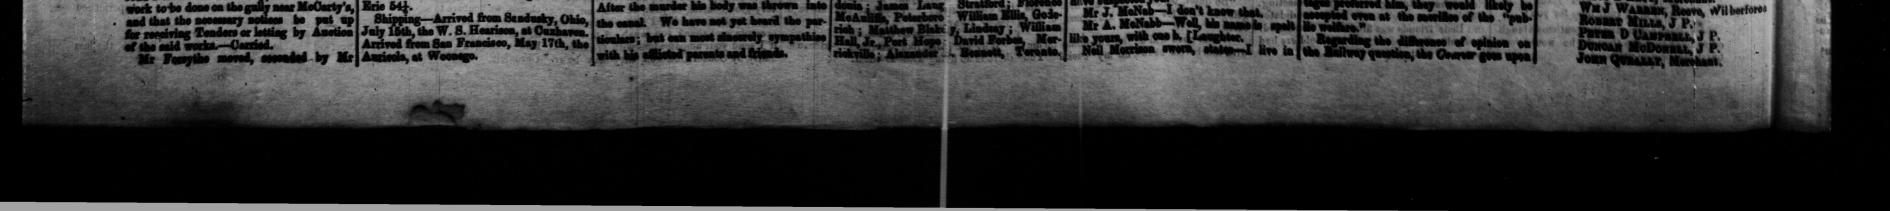

We have heard that two agents were se from Toronto by the German Society ther to enquire into the matter, but they neve made their appearance here or in any of th settlements mentioned.
