DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

Vol. XLI. No. 3.

WOLFVILLE, NOVA SCOTIA, FRIDAY, November 4, 1921.

\$2.00, payable in advance

## I. O. D. E. Meets

The regular meeting of the Sir Robert Borden Chapter, I. O. D. E., was held Tuesday, Nov. 1st, about fifty members were present. The guests included Mrs. Ritchy, Miss Ritchy, Mrs. W. H. Thompson and the lady teachers of the Public Schools.

The Regent called the attention of the Chapter to the Barnardo Homes, as a work endorsed by the Provincial Chapter. She read a letter from Miss Madeline Smith, of India, outlining the ways in which our order can best assist.

The Secretary's correspondence included a letter from the Provincial Treasurer, gratefully acknowledging the receipt of Cheque for Two Hundred and Fifty Dollars (\$250.00), the splendid gift of the Chapter to the I. O. D. E. War Memorial Fund.

Mrs. H. Davison (chairman) reported for the Education Committee, on the First I. O. D. E. Prize Essay Contest, of Books, as follows:

Grades IX, X, XI, One prize (book), Lorna Doone (Blackmore).

Subject of Essay: "David Lloyd George" Won by Miss Lydia Miller (Grade IX) Grade VIII, on prize of two books.

Volume of prose—Joan of Halfway, (G. D. M. Rogers)

Volume of poetry—Bernard Trotter's Poems.

Subject of Essay: "The Resources of Canada"

Won by E. Vern Graham Grade VI, VII, one prize (book).

"Bird Neighbors", (Beauchamp).

Subject of Essay, "Birds I Have Known" Won by Robert Herbin.

To the successful Contestants, the Chapter extends cordial congratulations.

Prominence was given certain needs of the School, especially was this true of the facilities for music, and equipment for Junior athletics.

The question of piano for the kindergarten was under discussion as was also that of a Second I. O. D. E. Prize Contest to include athletics.

In this connection the attainment and general standing of the pupils was urged as of paramount importance.

On motion a Committee of three ladies was appointed to interview Principal Silver of the High School and the Teachers with a view to ascertaining the most satisfactory arrangements.

At the close of the Business Session, the ladies of the Social Committee with Mrs. A. J. Woodman in charge demonstrated their in the efficiency delicious refreshments prepared and served.

The pleasant Social Hour added greatly to the zest of a most interesting and helpful session. Proceeds of Tea, \$11.35.

Members kindly remember the date of next meeting of the Chapter, Tuesday, December 6th.

## GRAND PEE NOTES

Rev. G. W. Whitman, who has been spending a two week's vacation in the U. S. A., returned to his home on Tuesday. His many friends are glad to welcome him back.

Lt.-Col. and Mrs. Paul Weatherly left last week for the U. S. A., where they will spend the winter.

Miss Doris B. Eaton left on Monday for New Glasgow, N. S., where she will visit her sister, Mrs. C. L. Grant, formerly of this place.

The Mission Circle held a Halloween Supper in the Vestry of the Methodist church on Monday evening. The proceeds of which was over \$45.

Mr. and Mrs. Wm. Morine and family are spending a few days with the latter's parents, Mr. and Mrs. John Hardacker.

A number of ripe strawberries of the ordinary kind were picked in the garden of Mr. C. A. Patriquin, this town, on Sunday last, and possessed practically all the flavor of berries grown in their season.

## The Women Organizing

Wolfville women are showing considerable interest in the coming election when many of them will for the first time have the opportunity of taking a hand in the federal contest. Each side has organized and considerable activity is already manifested.

On Friday afternoon last there was a meeting of the ladies of the National Liberal Conservative Party held in Temperance Hall. About one hundred women were present. Mrs. M. W. Black was called to the chair and in a fitting address stated the object of the meeting. Officers and committees were elected and preparations made for an active campaign. Several brief addresses were given by those present, including Mr. Phinney, the standard-bearer of the party. Not a little enthusiasm prevailed.

On Saturday afternoon the lady adherents of the Liberal party met at the home of Mr. W. C. B. Harris, for a similar purpose. There was a good attendance and Miss Annie Stuart presided. Addresses were given by Mr. John A. Macdonald, M.P.P., Mr. Robinson, the candidate, and others. Provisional officers were elected and plans made for carrying on aggressive work during the contest.

## ST. JOHN'S NOTES

The Young People's Society held their annual reception in the Parish Hall last Friday. A large number assembled although the attendance was somewhat affected by the College reception held the same evening in the Gymnasium.

A very enjoyable time was passed in games with a Dance later on under the chaperonage of Mrs. R. Creighton, and other ladies of the congregation who kindly took charge of the refreshments.

There was a short program, Miss Beatrice Langley gave a number of delightful violin selections, Mr. N. Evans, who as usual was the life of the gathering throughout the evening, a number of songs and impersonations. Mr. Manely sang two songs with great acceptance and later on Mr. Mason looked in, he was in fine voice and the company enjoyed a treat that falls to few audiences outside our great cities. The gathering separated at a reasonable hour. On Monday under the direction of Mr. H. H. Wetmore, a Halloween party was held in the Parish Hall for the Sunday School.

There was a very large gathering and all were in costume. Two prizes for the best costumes were awarded to Miss Frances Sanford and Robert Herbin.

## MERLE PORTER WAS INJURED

Star Halfback of Dalhousie is Out of the Game

Merle Porter star half liner of the Dalhousie senior team is out of the game for the rest of the season with a fractured rib. Porter sustained this injury in the game with the Crescents last Saturday yet despite this fact played with the Collegians, against Kings on Monday showed up as one of the best men of the field. He came to Dal. this year from Acadia with the reputation of being a fast runner and hard tackler and lived up to his advance notices, while with the Tigers being one of the most effectual of their backs. He played wing half and as a consequence did not have the same number of chances to distinguish himself as others who handle the ball more often but, when he did get his hand on it he went through in a gain every time. Not only Dalhousians but sport followers throughout the Province will regret to hear of this accident to him and will wish him a speedy recovery. Mr. Porter, who is taking the medical course at Dalhousie University, is the son of Mr. and Mrs. P. J. Porter of this town.

## Children's Aid Society

The annual meeting of the Children's Aid Society of Kings county was held at the Council chamber, Wolfville, on Tuesday evening of this week. The attendance, although not nearly so large as it should have been, was fairly good. A gratifying feature was the presence of a number of members from Canning, Grand Pre, Hortonville, etc. It is understood that but for an accident there would also have been representatives from Berwick. The work of the Association is County wide in its operation and it is most encouraging to note an increased interest on the part of the people generally.

Rev. G. W. Miller, who has filled the position as president most faithfully for a number of years, accepted the chair and after the reading of the minutes of the last meeting reviewed the work of the society during the past year. He paid a fitting tribute to the work done by Mr. Herbert Stairs, the energetic agent, upon whom to a very large degree the splendid work accomplished by the society since its organization credit is due. During the year 17 children were placed under the care of the Society, making in all 81 children that have benefited by its operations.

The report of the agent was a most interesting one and received close attention from those present. Mr. Stairs gave the detailed account of his activities during the year, which THE ACADIAN hopes to be able to publish in full in a future issue.

The report of the Secretary-treasurer Mr. C. A. Patriquin, showed that over four hundred dollars had been received through public subscriptions during the year and that a balance of fifty dollars remained on hand.

Officers for the ensuing year were elected as follows:

President—Rev. G. W. Miller.

Vice-President—H. E. Calkin.

To be Continued.

Vice-President, for Kentville—Judge Webster.

Vice-President for Canning—R. W. North.

Vice-President for Berwick—Mrs. Fred Creighton.

Vice-President for Hortonville—Mrs. A. H. Patterson.

Sec. Treasurer—C. A. Patriquin.

Executive—The officers and B. O. Davidson, Dr. Thompson, Mrs. Stairs, Dr. Elliott, Prof. Kallag, Miss White, Dean for women at Acadia University.

Appreciation was approved by the splendid work done by Mrs. Sutherland, matron of the Denton Home. A vote of thanks was passed to those who during the year had rendered valuable assistance to the work of the society.

The matter of securing funds to establish an endowment was discussed and the Executive was instructed to take such steps as were deemed advisable.

The information was received that in one case at least a request had been made of a substantial amount towards this object.

## GREENWICH ITEMS

What a happy pleasant time the children had in the early part of the evening of Halloween, as they made short calls from house to house, dressed in 'Costume' many of them, and all carrying 'pumpkin grinders.' But toward midnight we were told, many of our residents were annoyed and several aroused, by the noise and actions of a number of 'hoodlums' who tried to 'celebrate' in a very unpleasant way, making it an unusual occurrence in our community on Halloween.

Mrs. A. K. Forsythe, spent the weekend in Bridgetown, a guest at the home of Mr. and Mrs. Chesley Forsythe.

Mrs. Harry Stevens and two little sons, Chester and Francis, are spending a time with her parents, Mr. and Mrs. Lewis Forsythe before joining her husband in the West.

Miss Minnie Bishop, is visiting her aunt, Mrs. Burgess, in Woodville.

We are sorry to hear of the continued serious illness of the baby son, of Mr. and Mrs. Chesley Forsythe, Bridgetown, a trying case and we understand three doctors in attendance.

Miss Esther Pearson returned home last Saturday, from a two months visit with friends and relatives in the United States.

Miss Ethel Fisher, our school-teacher, spent the week end at her home.

Mr. Philip Bishop, is again attending the Academy at Wolfville.

Rev. Mr. Hemmeson, was again in charge of the service on Sunday afternoon, after a months vacation and a fine sermon was enjoyed by a good sized audience.

At a meeting of the Building Committee held on Wednesday evening at the close of the Council meeting the following building permits were given: C. A. Porter, for a dwelling on Kent Avenue; Dr. Ross, and Dr. Thompson, for dwellings on Highland Place; W. O. Pulsifer, for addition to store on Main street.

## Town Council

At the regular monthly meeting of the Council, Mayor Fitch and all the Councilors were present.

The Finance Committee, through its chairman, Coun. Shaw reported the receipts during the month at \$3756.23, and expenditures at \$3412.76. The debit balance at the Bank at the end of October was \$9403.29.

Councillor Nowlan, chairman of the Water Committee, reported that 700 feet of pipe line had been laid on Central Avenue. The work of deepening the new reservoir is now about completed. The reservoir has been deepened and the walls raised and it is estimated that this reservoir will have a capacity of 1,000,000 gallons. The house of the Artesian well has been completed and presents a good appearance. It is constructed of cement blocks with fireproof door.

For the Streets Committee, the chairman, Councillor Sutherland, reported that very little work had been done during the month. The whole amount expended was only \$177, which included the cost of material. Some patching is yet to be done this season if weather permits, for which the Tarvia necessary is not on hand.

Councillor Cox, reported, as chairman of the Sewer Committee, that the work on Kent Avenue had been begun. The Western outlet of the sewer had been examined and found defective. Necessary repairs will be made and it is likely that a metal gate will be required in order to make the job satisfactory. In connection with this report Mayor Fitch reported on the terms of the agreement between Mr. E. C. Johnson and the town previous to the laying of the sewer across his land.

Councillor Wheaton, reported verbally for the Police Committee. Reference was made to the disturbance on the streets at Halloween. In the discussion that followed it was suggested that much of the disorder which prevailed on such occasions was due largely to lack of parental control and the fact that young people were given to often a free hand in their depredations. It was urged that in future the police force be given sufficient help to prevent the destruction of property on such occasions.

Councillor Moore, chairman of the Fire Committee, reported on the work of the fire department during the month.

The Council decided to offer a reward for information leading to the conviction of persons guilty of interference with the electric system of the town, the destruction of lamps, etc.

A great amount of time was taken up by the Council in the discussion and payment of a long list of accounts. Many of these have been accumulating for months back and Mr. Ford, the new Town Clerk, is determined to get the affairs of his office on a sound business basis.

Communications were read from the Victoria General Hospital and the Nova Scotia Hospital, regarding patients from this town lately treated at this institution. A letter was also read from Mr. D. R. Munro, respecting interest on the balance due him from the purchase of the Electric Light Plant. The Financial Committee was instructed to see Mr. Munro and endeavor to adjust this matter.

A communication was received from the Trask Co. respecting a payment of their claim for the pump at the Artesian Well. Mr. J. F. Herbin was present and addressed the Council with reference to the working of the pump and presented a letter from the makers supporting his contention that the pump had not been properly set up and was therefore not doing the work that should be required of it.

It was brought to the attention of the Council that the owner of land at the top of Westwood Ave. was prepared to donate to the Town sufficient to provide a fifty-foot street connection Westwood and University Avenues. On motion it was decided to secure the opening of this street under these terms.

## N. GRAND PEE NOTES.

On Saturday evening last, Miss Lena Allen, was given a 'surprise shower' by her many friends here. The bride to be was presented with a Halloween wagon, filled to overflowing drawn by the Misses Vivian Gould and Margaret Fullerton, who were dressed to represent the Halloween season. The gifts were many and beautiful, including Pyrexware, silver, linen dories and centrepieces etc. Lena thanked those present, in a few well chosen words, and the evening was spent enjoyably. The best wishes of the friends here, follow her out West.

Mrs. Robt. Chishlm, of Wolfville, spent last week end with her son, Mrs. Verna Westcott, of Gasperau, has been visiting at the home of Mrs. Everett Palmer.

Miss Mary and Mr. Ernest Eagles spent last week end with their parents here.

## Acadia And King's Play Rugby Tie

Teams Play Good Football, With Play Mostly in Windsor Players' Territory

Before a good sized crowd of spectators yesterday afternoon; King's College rugby team clashed with the Acadia University aggregation, in a return game, and again the score ended in a 3 all tie. Acadia won the toss and chose down the field against the wind. In three minutes of play King's got a score, McCoy carrying the ball across the line for a try which was not converted. The game was carried across the field, but on some kicks and a good run by Lewis and Anthony the ball was advanced to King's one yard line. King's however, touched for safety. Near the close of the first half Acadia was again on the two yard line but could not score. Play was loose on both sides throughout this half, Acadia securing three free kicks while the visitors received two.

In the second half the play was in King's territory most of the time, but the Acadia boys seemed unable to pierce the Kingsmen's strong defence. Time and again the home players took the ball as far as the King's third yard line only to lose it or be broken up by the visitor's defence. Finally after thirteen minutes of play the Acadia backs got away and by great running and passing, the ball was carried over the line by Clarke for a score. The try was not converted, however. The line-up was:

Acadia—Corey, full back; Clarke, Anthony, Murray, Lewis, halves; Grimmer, Reid and Phinney, quarters; Webb, Eaton, Atkinson, Corkum, Brown, Schuman, Wigmore, (Capt.) forwards. Dr. Avery DeWitt, touch judge.

King's—Jones, full back; Timothy, Coster, Smith and White, halves; McCoy, (Capt.), Best and Teed quarters; Gilbert, Walsh, Gordon, Shepherd, Haliburton, R. Ross and Blanchard, forwards. Mr. Bishop, touch judge. Dr. T. H. DeWilde, referee.

P. Andrews, an Acadia star half of some ten years ago paid very close attention to the game and will devote some time to the coaching of the Acadia team before they visit Sackville for their next inter-collegiate test, in which their chances of success are not as hopeless.

Don't miss Black Beauty today and Saturday afternoon at the Opera House.

Buy your Poppies at Williams' and wear them on Monday in memory of the boys 'over there'.

## Canteen Funds

To the Editor of The Acadian:

Dear Sir,—One hears considerable these days regarding the "Canteen Funds." The supporters of the Liberal Party hint that these funds have been fraudulently disposed of by the Government. The supporters of the Government have not yet explained the situation. As a returned soldier, who has paid somewhat into this fund, I would ask that you, through your columns, answer this question—"where are the Canteen Funds?"

R. S.

CANTEEN FUND—The query of R. S. concerning the whereabouts of the Canteen Funds has been carried to the headquarters of the local G. W. V. A. and the reply comes as follows from the report of the G. W. V. A. Dominion Convention, which terminated its session at Port Arthur last week:

The Fund (together with the accrued interest of approximately \$100,000) with the exception of \$2,000,000 has been divided amongst the various returned soldiers associations in Canada. That amount allotted to the G. W. V. A. is to be used for improving the Dominion office, giving free to all paid up members of the Association the "Veteran" Magazine Weekly, conducting the Clean Sweep Campaign, and for other purposes tending to the improvement of the Association. The remaining \$2,000,000 is being held in trust by the Federal Government, at the request of the G. W. V. A. and will be distributed in accordance with the wish of the majority of the returned soldiers after a plebiscite vote has been taken.

## A PLEASANT SOCIAL

The Social and Benevolent Society of the Baptist Church, provided a very pleasant social evening for members of the congregation and others, Friday evening last. The affair was held in the Sunday School room which presented an attractive and cheery appearance. Mrs. Prescott presided gracefully and after some time spent socially announced the program which included vocal solos by Principal Silver, a vocal duet by Mrs. Bartoux and Miss Chisholm, readings by Mrs. Ford and an address by Rev. Dr. Macdonald. All the members were well

At the close of the program Mrs. Prescott was invited to the dining room of the church where bountiful refreshments were served from artistically decorated tables, after which folk songs were sung and a general good time was had, closing with the National Anthem.

**OUR W. C. T. U. WOMEN**

I wonder if we ever have thought what an honor it is to be a W. C. T. U. woman. There are many organizations to-day doing splendid work, and many of us have seen fit to cast in our lot with them. Yet the old W. C. T. U. goes marching on. The evil doer would be glad to see it wiped out of existence, because it is one society that they are afraid of sometimes. We are at our end to know what to do to prevent certain things from going on. A certain man was nominated for the eldership of a Presbyterian Church, he went to his wife and said, "I cannot take this office, even if I am elected. I would be of no use." His wife tried to persuade him to do so. At last he came back smiling and said, "I'll take it. There is one thing I could do, 'I could object.' Many times the only thing the loyal W. C. T. U. seems to be able to do is to object, and yet the very fact that we will object, has made many a scheme fall through that might have been carried to a successful issue. Let us stand true to our W. C. T. U.

Mrs. Jones was entertaining some of her son's little friends.

"Willie," she said, addressing a six-year-old, who was enjoying a plate of cold beef, "are you sure that you can cut your own meat?"

The child who was making desperate efforts with his knife and fork, replied, "Yes, thanks, I've often had it as tough as this at home."

The Boston Post says that there are 307,000 licensed autos in the State of Massachusetts.

**HENRY FORD'S RECIPE FOR SUCCESS**

Speaking of good fellows who somehow don't succeed, Henry Ford says: "Pity the poor fellow who is so soft and flabby that he must always have an atmosphere of good feeling around him before he can do his work. There are such men. They produce with a sort of hothouse fervor while they are being coddled, but the moment the atmosphere chills and becomes critical they become perfectly hopeless. And in the end, unless they obtain enough mental and moral hardness to lift them out of their soft reliance on 'feeling' they are failures. Not only are they business failures, they rare character failures also; it is as if their bones never obtained a sufficient degree of hardness to enable them to stand on their own feet. Don't do all the things you like to do, but do most of the things you don't like to do, and then you will become a character strong enough to step out and accomplish things with men whom you don't like and who possibly don't like you. If you feel yourself getting soft and ineffectual, get out where there will be no sympathy, no understanding, no admiration, but just plain challenge to do what is in you. That will brace you up."

**MAKING SPEECH VISIBLE**

A wonderful new invention called the Lioretograph enables one to make accurate tracings upon permanent records of the actual vibrations of sound in articulated speech. The instrument is worked by motor power.

When a vowel sound is uttered the room becomes full of vibrations, and each different sound gives vibrations of a different shape. In the presence of the Lioretograph a person saying "Ah" would record upon paper a wobbly, symmetrical line. The principle involved is similar to that of the phonograph, but, by means of delicate mechanism, the effects of speech are enlarged an enormous number of times.

It is believed that with this new invention, aided by mathematical formulae already in use, it will be possible ultimately to read and translate any foreign tongue of which these lines are the record.

**EMPHASIS WITH DISCRETION**

"I like a man who speaks out in meeting."

"So do I," said Senator Sorghum, "provided he is smart enough to do so without breaking up the meeting."

**SUGGESTIVE READING**

You will hear it said that such and such a magazine prints suggestive stories, meaning that they present corrupting ideas in an attractive dress. But there is a suggestiveness also of quite a different sort—the suggestiveness that quickens the reader's sense of duty, stimulates ambition, gives courage to face adversity, fortifies against yielding easily to temptation. It is this better kind of suggestiveness that you will find on almost every page of *The Youth's Companion*. Which of these two kinds of suggestiveness would you wish to have exert an influence in your family life?

**NUDGIN' ELBOWS**

When a feller nudges elbows, as you know a feller will, that's a-doin' his very darndest to scramble up life's hill. I never stop to jaw him, or to envy him his speed or disturb a feller-feelin' that we both are sure to need—so we keep a-nudgin' elbows, as in friendliness we trudge, each one a-feelin' better'n if the other didn't nudge.

It never hurts my feelin's, nor affects my mortal pride to have a feller-traveller sorter nudge me in the side; when my corns has got rebellious, or my breath's a-gettin' short, the little nudge reminds me that I've got to be a sport. I'll leave it to a court house full of solemn circuit judges, if it don't improve a feller's nerve to spur it up with nudges.

**The Man of the Hour**

In this hour of Canada's most acute national crisis, the country's greatest need is leadership—not class leadership, not sectional leadership, but NATIONAL leadership. A pilot must be chosen possessing the necessary courage, foresight, breadth of vision and determination to lead the nation safely out of the existing economic uncertainty.

And one man stands out head and shoulders above all others as pre-eminently fitted for the task.

Born on a farm near St. Mary's, Ontario, Arthur Meighen is a true son of the people, a toiler who has fought his way to eminence by sheer ability and force of intellect. Entered Parliament in 1908; appointed Solicitor-General in 1914; Minister of the Interior in 1917; and Prime Minister in 1920.

At the Imperial Conference he was acclaimed by the Press of Great Britain as a great statesman, as a strong, virile, vigorous personality—alert in mind, keen and far-seeing in judgment, and with a fearless determination to stand for the right.

Professor A. D. Skelton, of Queen's University, and biographer of Sir Wilfrid Laurier, wrote of the present Prime Minister:—"He has already given proof of high administrative capacity. His personal integrity is beyond question."

Of himself, Arthur Meighen said to his constituents the other day:—"You know where I stood on this issue in 1908, in 1911, and as in 1911 I stand to-day."

**Home Town Paper Week**

It is very rare that the average newspaper boosts its own business, but gives quantities of space in boosting the affairs of others.

Somebody suggested that it was time for the newspapers of the country to adopt a week in which their own business should be given precedent, and THE ACADIAN thoroughly endorses the idea.

The date set is the second week in November, from the 7th to the 12th, including that great world event, Armistice Day.

The official title for the week will be "Subscribe For Your Home Town Paper Week."

Thousands of papers will join in this event, and our readers will hear more about it as time goes on.

Ever ready to help in any cause that is in the interests of a better community, better living conditions, and better government, we now ask the readers and advertisers of THE ACADIAN to turn in and lend a hand during "Subscribe For Your Home Town Paper Week", and boost for us.

**IMPROVEMENT OF NOVA SCOTIA SHEEP**

A sheep expert from Ottawa has completed a visit to most of the pure bred sheep flocks in the Province of Nova Scotia and has graded the males offered for sale into first class XXX, second class XX and third class X. The complete report of this grader may be secured on application to the Agricultural College. Parties wishing to improve their flocks can, by securing this report from the College at Truro, have a reliable report which will guide them in buying sires with which to improve their flocks. In this connection it may be mentioned that the Live Stock Branch of the Federal Department of Agriculture are still offering a bonus of \$10 to sheep breeders using pure bred males in their flocks for the first time.

Sheep breeders all over Nova Scotia should write to Truro for full information.

**THESE GIRLS WILL DRESS ATTRACTIVELY**

To enable them to make fitting appearance at Washington, each of the British government women clerks attending the conference will receive a dress allowance of twenty-five pounds.

This is in accordance with the precedent set by the British delegation to the Versailles conference. Some of the typists sailed on the Olympic on Wednesday last and others will travel by the Empress of France to Quebec next Wednesday.

**DON'T SAY THEM**

Don't flatter yourself that friendship authorizes you to say disagreeable things to your intimates. On the contrary, the nearer you come into relation with a person, the more necessary do tact and courtesy become. Except in cases of necessity, which are rare, leave your friend to learn unpleasant truths from his enemies; good breeding never forgets that self-love is universal.—Ex.

**ANGELIC**

It was one of those rare occasions when a famous lawyer had lost a case, and he wasn't feeling very happy over it. "Your profession doesn't make angels out of men, does it?" said a medical friend, teasingly. "No," retorted the lawyer, "that's one thing we leave to you doctors!"

**PEOPLE OVER 100 YEARS OLD**

That the average length of life throughout the United States is increasing daily is shown by official returns of the Census Bureau. In some sections the death rate is the lowest in the world. Twenty-two was the average length of life some decades ago and the average now is well above 30. This has been brought to light after exhaustive study by expert examiners who are preparing a report on ages of persons living in the United States.

They will examine more than 3,500 men and women who are more than 100 years old, and hope to throw new light on how to live to that advanced age. The question of whether men or women live longer is one on which the census officials will be able to speak authoritatively when their examination of the age statistics is complete. They will also be in a position to make an analysis of the effect of marriage and celibacy on longevity.

Persons of advanced age are becoming more and more active as a group than ever before, according to official and semi-official reports received by several branches of the government. Their activity is especially noticed in connection with the reports on marriage and divorce which reach Washington.

Records of the Census Bureau indicate that marriage of persons beyond 50 years are becoming increasingly frequent. Although 80 per cent. of men and women who reach the age of 45 are married, 10 per cent. do not take the matrimonial leap until after that age. Less than 10 per cent. of all persons who live to be more than 45 remain unmarried.

Divorces are becoming more and more frequent between men and women of 45 and 50 years of age. The records show that a majority of divorced persons attempt matrimony at least a second time.

"Well, she'll always have something to laugh at."—London Opinion.

**Editorial Notes**

The usual amount of vandalism occurred this year on Halloween. There is a vast difference between the harmless frolic of young people on this time honored anniversary and the malicious destruction of private property. The town authorities should see to it that the belongings of citizens are duly protected. Halloween gives no such license as is evidently understood by some of those who yearly participate in the riot that takes place.

Monday of next week is the day set apart by the government as a day of general thanksgiving throughout Canada. No people on earth have more reason for thankfulness than those of this section. Abundant crops have rewarded those who cultivate the soil, and peace and plenty are evident on every hand. To the great Giver of these and other blessings, which we enjoy, our people should with grateful hearts celebrate the day.

Attention is directed to the proclamation of Mayor Fitch concerning Armistice Day, November 11th. It is fitting that at least such observance of the day as is indicated, should be made by every citizen out of respect to those who gave their lives for us in the Great War. For those who returned, the day should likewise have recognition but so far we have not heard of any action along this line.

**G. W. V. A. NOTES**

A very enthusiastic meeting of the Great War Veterans Association was held on Wednesday evening. Among other business a resolution was adopted requesting the Mayor to proclaim two minutes of silence at eleven o'clock on November 11th, also requesting that a signal be arranged for the commencement of the period of silence. The memorial committee submitted further photographs of bronze figures and were ordered to place an order with the Wm. A. Rogers Co, Toronto. As yet about \$300 is needed but with the support that has already been received the committee feel confident that this amount will be forthcoming by the time it is needed. It is expected that the figure will be placed before Christmas.

**RETURNED SOLDIERS.**—All returned soldiers of Wolfville are requested to meet at the G. W. V. A. rooms at 6:30 Sunday evening (Memorial Sunday), to parade to service at the Baptist Church. Everybody come. "Fall in" sounds not later than 6:45 o'clock.

**NEWFOUNDLAND HAS GREAT STORM**

The East coast of Newfoundland was ravaged by a terrific storm of Wind beginning on Friday last and continuing for five days with heavy loss to property. As the days pass stories come in from outlying sections showing the damage done by the gale and breakers, to shore and property, will run into hundreds of thousands of dollars.

Scores of wharves and buildings used by the fishermen for the cure and handling of fish have been swept away and although this destruction has occurred after the close of the season's fishing voyage and will therefore not affect operations of 1921, it still entails big investments and much hurried work early next spring if the fishing operations on the coast of Newfoundland for 1922 are not to be curtailed seriously. Apart from a knowledge that all the coastal steamships are safely harboured from the storm little is known here of the effects of the tempest on shipping around the coasts. The storm started at a time when hundred of small fishing craft were enroute from their fishing stations on the Labrador coast to their home ports. As local land telegraph lines are down in many sections, the meager reports have come to hand of the fate of these craft which must have been caught off a lee shore in the heaviest gales experienced in Newfoundland for generations.

A number of the Newfoundland foreign going craft were likely near the coast when the storm broke and doubtless put off to sea to await the abating of wind and waves. Along the waterfront of St. John's harbour the tide was the highest experienced for many years. In the lower part of the harbour the high seas running in through the narrows forced steamers and other shipping to leave the wharves and anchor off in the stream.

The Reid Newfoundland Company face a big job on the repair of coastwise tracks washed away in the storm. In one place the road-bed is gone for a distance of five or six miles and it is scarcely possible for the train service which was discontinued on Saturday to be resumed before the end of this week. Meantime, trains coming eastward, across country, are being stopped at Avondale, where the passengers are taken on motor cars for a twelve mile trip or are being brought right in to the city, a distance of over 20 miles from Avondale. The railway companies reports the washout as the worst during the twenty odd years the railroad has been operated.

**PORT WILLIAMS NOTES**

The entertainment given in "Temperance Hall" on Halloween for the school children proved to be an evening of enjoyment for both young and old, the costumes varied from the very quaint, to the grotesque, and everybody enjoyed a good laugh.

Miss Mary H. Vaughan, is visiting in Truro, the guest of her aunt, Mrs. H. C. Yuill.

"Armistice Day" celebration will be held on Monday next in "Temperance Hall" at 8 o'clock; a good program is being prepared, also, poppies are being sold by the young girls, from house to house that everyone, both young and old may honor the memory of our brave boys who rest to-day in "Flanders fields where poppies grow, between the crosses, row on row".

Miss Lucy A. Cogswell, entertained her Sunday School class, "The Busy Bees" on Saturday evening, October 29th, a most enjoyable time was spent with music and games; after luncheon was served Miss Pauline G. Lockwood (President of the class) was presented with a Watermans Ideal fountain pen, a gift from the class, it being in honor of her birthday.

The "Lily of the Valley" Division No. 440, elected Past Worthy Patriarch, Cameron A. Murphy, as delegate to the Grand Division, which meets in Halifax on November 8, 9 and 10th.

Mrs. Kenneth Illesley, of Toronto, is visiting Mr. and Mrs. Geo. H. Illesley, parents of the former's husband.

On Sunday, October 30th, the pulpit of the Baptist Church was occupied by Mr. Gordon S. Vincent, son of Rev. A. J. Vincent of Sackville, N. B.

The death of Harry Chase, (one of our returned soldiers) occurred Saturday morning October 29th, after an illness of four years. He leaves a widow and one child, much sympathy is felt for the

Collections received for the Children's Aid Society at the Annual Meeting will be acknowledged next week.

The schooner "Gertrude Parsons", 341 tons registry, arrived in port on Tuesday morning last, and will load about 4000 barrels of apples destined for New York.

Mr. W. O. Pulsifer, who recently purchased the store now occupied by Mr. F. M. Barteaux, intends we understand, making some considerable changes and improvements in the building. An addition will be made in the rear to provide needed accommodation, the cellar will be concreted and the store completely renovated before the occupancy by the new owner.

Professor Ross is beginning operations for the erection of a residence on the lot he recently purchased on Highland Place. The excavation for the cellar was begun this week. Mr. Earnest Eagles will have charge of the work which will proceed with the least possible delay. It is understood that Dr. Thompson intends building on his lot in the same locality in the near future.

Messrs. N. W. Eaton and B. O. Davidson have been appointed Registrars of the Electoral lists for the approaching federal election for the town of Wolfville. Mr. Eaton will prepare the list for District No. 16, and Mr. Davidson that for District No. 16j. The work will begin at once and every person qualified should see that his or her name appears upon one of these lists.

Mr. and Mrs. Truman Sanford, of the Royal Hotel, entertained at a very enjoyable Halloween celebration on Monday evening. Over a hundred guests were present from Wolfville and neighboring sections. Mrs. Sanford was assisted in receiving the guests of the evening and the arrangement of the program by Mrs. B. O. Davidson, Mr. and Mrs. G. S. Bauld, and Mr. J. R. Black. Dancing and "Auction" were the features of the evening's amusement, excellent music being furnished by a four-piece orchestra from Kentville. Entertainment began at 8.30, refreshments served at 11 o'clock with dancing after. The prize-winners in the Card game were Mrs. J. E. Hales, and Mrs. Howard Whidden, Mr. G. S. Bauld and Mr. L. H. Jacobs.

**TO THE EDITOR OF THE ACADIAN:**  
Dear Sir.—It has been brought to our attention that a number of people around town are circulating reports that the returned soldiers have not been treated fairly by the Government. The Great War Veterans Association of this town have yet to receive a legitimate complaint that has not been rectified. Of course there are kickers that would not be satisfied with any treatment. It would appear poor sport on the part of political supporters to try to aid their campaign by circulating this false propaganda and so giving the impression that the returned men are not satisfied. The Annual Thankoffering Meeting of the Woman's Missionary Society of St. Andrew's Church will be held on Wednesday November 9th, at eight o'clock. Dr. Foote will deliver an address. The public are cordially invited.

**PRESBYTERIAN SESSION**

A group of twenty-one Presbyterian members and Elders met in St. Andrew's Church here on Thursday of this week, for general discussion. It was felt that the forward movement had been a great success financially and that spiritual gains equally great should be recorded. The meeting was a frank discussion between ministers and laymen of common problems with the desire of increasing the usefulness of any ministers and Elders and every Church member as well.

The religion of the home and how best to cultivate it in the homes of our people came in for a goodly part of the discussion. Success or failure is our work depends upon this condition, the home of our people whether or not the children are brought up in a religious atmosphere. We must take time to be religious at home.

Religious Education came next in importance and offered the most fruitful field of success. The Religious Education of the young was of the most importance but it should not cease when we passed from childhood.

The members present were: Rev. Dr. Clark, of St. Matthews Halifax; Rev. Mr. Nicholson, of Dartmouth; Rev. Mr. Campbell, of St. Croix; Rev. Mr. Anglin, of Windsor; Rev. Mr. Layton, of Kentville; Rev. Mr. Miller, of Wolfville; and Rev. Mr. Logan, of Canard.

The laymen taking part in the discussion were Mr. Blanchard, John Scott Mr. Chase, Mr. Weaver, Mr. Newcombe, Mr. Sweet and others.

In China it is the custom to pray for holy medicine. A patient must pay a visit to the temple and take from the altar a tube containing numbered sticks. He passes the tube over the incense several times until one of the sticks falls out. This is picked up and the number on it read. A corresponding slip containing a prescription is then handed to him.

### UNCLE JOHN'S POEMS

I love the baby faces  
That I see most every day,  
As I trudge along, half-hearted  
In my narrow, stubborn way;  
When the world seems cold and selfish,  
With a cloud in every place,  
O, it turns my soul to sunshine  
When I meet a baby face.

When I spy the little go-cart  
And the darling that it bears,  
The glimpse I catch in passing  
Softens down the sternest cares;  
Yes, that ugly frown relaxes,  
And a smile will take its place,  
At the magic intervention  
Of a happy babies face.

I love each little wanderer  
More than he can ever know,  
For he recalls a baby face  
That cheered me, long ago,  
I recall the childish prattle  
As he perched upon my knee—  
But shucks! he's over thirty now,  
An' thinks he's bigger'n me!

### ORIGIN OF FLOWERS

Fuchsias were so called after Leonard Fuchs. Dahlias were named from Andre Dahl, who brought them from Peru. The Camellia was so called from a missionary named Kamel, who brought some magnificent specimens of the flower to France from Japan. He called it the Rose of Japan, but his friends changed it to camellia. Magnolias were named in honor of Prof. Mangol de Montpellier, who first brought the beautiful trees to France from America and Asia. The latin word for to wash is "lavare," and lavender received its name because the Romans put the flowers into the water used for washing to perfume their hands.

### FORESTS RESERVED FOR USE

It must always be kept in mind that the word 'reserved' in connection with Canadian forest reserves means that the forest is reserved for use and not from use. As has been proved many times in Eastern Canada, if settlers locate and clear an area of such poor soil that it is fit only to grow trees, then in twenty or twenty-five years they will abandon their sandy or rocky farms and, heretofore at the loss of so much time and human endeavor will go away to begin life over again. All over the continent it is recognized as criminal to allow uninformed people to go into districts where there is so little agricultural land that attempts at farming are bound to end in failure. Similarly it is only one degree less criminal to allow those who first cut timber in a forest reserve to slash and hack and burn the trees, to the detriment of all who come after. The Dominion forest reserves administration is therefore organized to make these areas of non-agricultural land as useful as possible to the surrounding communities. Millions of saw-timber and thousands of cords of fuel wood are annually cut by settlers and over a hundred thousand head of stock—cattle, horses and sheep—are grazed yearly on parts of the leaves and covered with timber. By using up first the fire-killed, diseased and mature timber and allowing the young trees a chance to grow, it is expected that a perpetual supply of timber will be maintained on the reserves to meet the needs of the surrounding settlements. The first condition, however, for the accomplishment of this end is the united action of all citizens in keeping fires out of growing timber.

### DEATH TOLL OF B. C. FLOOD NOW LISTED AT THIRTY-SIX

Thirty-six persons are dead, fifteen are injured, a mining town is practically wiped out and another village is partially inundated, railway tracks and bridges are destroyed, completely cutting off Vancouver and the mainland from railroad connection with the eastern part of the Province and damage estimated at several millions of dollars has been wrought by floods in the vicinity of Vancouver since Thursday last. Simultaneously on Friday evening the greater part of the town of Britannia Mines on Howe Sound, was wiped out by a flood.

### THE WORLD'S LONGEST TUNNEL

One of the greatest tunnels in the world is nearing completion. The new Simplon Tunnel will shortly be ready for traffic, and its transformation from a mere gallery into an international high road, and which was first started in December, 1912, will greatly stimulate business conducted between Channel ports and those of the Mediterranean. Tremendous difficulties have been encountered and overcome in making the tunnel. Hot springs had to be drained away; and at one spot, about two and a half miles from the Italian opening, the rock pressure was so great that 18 months was spent in boring 50 yards at a cost of 160,000, pound sterling.

The whole tunnel is 12½ miles long, of which 5½ lies in Swiss territory. Electric traction will be used, so that this will be the cleanest tunnel in Europe.

The longest tunnel in England is the Severn Tunnel. Its length is 4½ miles, and it was built in 1873-1886, and, during the recent railway strike was in some danger of being flooded and irrevocably ruined.

BIG FIRE IN HANTS CO. VILLAGE

An alarm of fire called out the Windsor fire brigade about 4 a.m. Saturday in response to a telephone call from Clarksville.

The Town Council was aroused and after a hurried meeting decided to send about twenty firemen, in charge of Patrick Sloane, Herbert Duncan and William Smith, with a pumping machine and hose. Conductor Frizzell, who was running to Windsor with a freight train bound for Truro, was ordered to take his engine and a flat car with the apparatus, and a van with fifty men out to Clarksville, about 20 miles from Windsor.

When the Windsor train reached Clarksville the lumber in the station yard was all ablaze. \$150,000 is the estimated loss. This lumber was owned chiefly by Glennie, of Truro, Ferris, of Oxford, and Donald McDougall, West Gore. The engine from Windsor was pushed by the men to the river and soon a stream from the hose playing on the lumber and nearby houses to prevent the spread of the fire. Two dwellings were burned, one owned by Mr. Purdy, being insured for \$6700. Had the wind been blowing toward the other dwelling houses and the railway station, and the engine from Windsor not there, the entire village of about twenty families would have been homeless.

CANADA REPRESENTED AT THE HONORING OF U. S. UNKNOWN WARRIOR

Right Hon. Arthur Meighen, in a letter to J. F. Marsh, secretary of the Grand Army of United Veterans of Canada, according to an announcement made by Mr. Marsh, has expressed approval of the arrangements made by the G. A. U. V. to be represented at the honoring of the United States unknown warrior at Washington, D. C., on Armistice Day and has forwarded to Sir Auckland Geddes, British ambassador at Washington, the credentials of the veterans' representatives.

The representatives will be: Sergeant George C. Richardson, V. C., who fought with the British at the quelling of the Indian mutiny, and is 91 years of age, said to be the oldest holder of the Victoria Cross in the world, and Sergeant Walter Rayfield, V. C., Belgian Gold Medallist. Sergeant Rayfield is Dominion first vice-president of the G. A. U. V. and he will also represent the G. W. V. A. of Canada. The veterans will take a wreath of maple leaves to be laid on the tomb of the unknown warrior.

17 DAYS TO GIRDLE THE EARTH

At the great airway congress now being organized in Paris in conjunction with the autumn Aero Show, an effort is to be made to join up missing links in the world air-chain. Should this be accomplished, a rush round the world by air in 408 hours and at a cost of about 680 pounds will be one of the possibilities of the future. Airway experts are now ready to specify the machines and map out the routes.

Leaving London at 8 a.m. on Monday, they say Constantinople could be reached at 4 a.m. Tuesday and Cairo the same day. Then with a berth booked on an air leviathan, Sydney, Australia, would be reached at 10 a.m. the following Tuesday. After this, taking the Pacific in another great air voyage, they figure that the passenger would arrive at San Francisco at 4 p.m. on Saturday.

The next stage would be the trans-American route to New York, which would be reached at 10 p.m. on Monday, to take another air liner to London, where it would arrive at 8 a.m. on Thursday.

The distance covered would be 27,000 miles in the space of 17 days. This would put Jules Verne's 80-day trip sadly in the shade.

But this is as yet a dream of the future.

Where are the bright girls of the past? inquires a Vancouver daily reminiscently. Our own observation is that some of them are administering doses of paragon to the bright girls of the future.

Duty is never a pleasure if it is a customs duty.

VOTERS IN KINGS COUNTY

The voters' lists prepared in April last show a great addition to the number of electors in this county. The reason of this is that the franchise had been extended to women, and their names being recorded as voters make the lists for the different wards very large ones.

The total number of voters in Kings is now 13,512. Under the Dominion franchise new lists will be made for the approaching election. It is safe to say that under the eager stress of party strife that every available voter will be added to the new lists, making at least one thousand new names to be added. This only means an average of 33 new voters to be added to each polling district.

In glancing over the different wards it will be of interest to know the number of voters in each.

Ward 6 takes the lead. This includes Kentville Town with 1,519 voters, and 620 in the outside polling districts, New Minas, Canaan, Alton, etc. This makes a total for the ward of 2,139 on the list. Ward 3 takes second place with a total of 1,568. Ward 1, with four polling divisions, Sheffield Mills, Canning, Kingsport and Scotts Bay, follows closely with 1,407. Ward 8 comes next, Wolfville Town having 903 electors, and the outside districts, Grand Pre and Greenwich, with 401, making a total for ward 8 of 1,303. Ward 10, in Aylesford township, has 1,263 in three polling districts. Ward 13, including Berwick and Cambridge, 1,096. Ward 12, at Aylesford, following very closely with 1,063.

The number of voters in the other wards follow in order:

Ward 2	711
Ward 4	637
Ward 9	635
Ward 5	590
Ward 14	485
Ward 7	438
Ward 11	167

THE MIDNIGHT CALL

The doctor hears the noisy bell, and staggers to the phone, then silently dons his garb and marches forth alone; a chill pervades the empty street and stings his weary form, while others in their cosy cots are comforted and warm. Through all the toilsome weary day he battled with his foes, anticipating in his way a night of earned repose. But ah, how vain the doctors' hopes! The thought of peaceful rest, or happy hour to call his own, eludes his constant quest. 'Tis his to strive for competence against the rainy day, and his to heal the suffering ones that fall beside the way; 'tis his to lend the cheering smile and lift the wasted form,—no matter how the midnight chillseer how severe the storm. For him there is no peaceful dream, no restful hour is set wherein this silent, earnest man may rally—or forget. God give him strength to overcome his heartaches, one and all, and lead him gently when he makes his final midnight call!

Here is a delightful story of quaint Scottish humor, illustrating the Scottish character.

An old Scottish farmer was nearing his end, and as he had done many things he ought not to have done, and had failed to do many things which he ought to have done, he thought it wise to send for the local minister.

The minister noticed the anxiety on the farmer's face, and reading this as a good sign, exclaimed:

"I am indeed glad to observe that you are afraid to meet your Maker."

"Na, Na!" muttered the farmer, correcting him. "It's no Him I'm feared of, it's the ither body."

Canadian Rockies Abound In Legendary Lore

The countless peaks that cover vast stretches of western Canada are wrapped in Indian legends as well as clouds of snow. Many of these are locally familiar, some are widely known, but a rich field awaits the delver into the Indian lore concerning this region. Perhaps another Canadian woman with a strain of Indian blood in her veins will do for the Canadian Rockies what Pauline Johnston did for Vancouver by collecting the Siwash legends. Banff and its environs are particularly rich in legendary atmosphere. It is safe to say that ninety per cent of the thousands who stop at Banff annually enjoy a boat ride across Lake Minnewanka, a beautiful sheet of water rimmed in by

forbidding mountains. The Indians had many legends concerning this lake, the most popular hanging on its name, which means Spirit Waters. The legend runs that an Indian chief was crossing the lake in a canoe when an evil spirit arose from the waters, wrecked the frail craft and carried the chief down into the depths of the lake, from which the body never rose again. Firm belief in this story caused the Indians to shun the lake, but white men laugh at the tale and find these waters attractive for boating, fishing and camping. Lake Minnewanka is some 15 miles long and between two and three miles wide. A comfortable launch makes the 22-mile trip

regularly. At the southern end a stop is made to allow passengers to inspect the scenic marvel, one of which is a gigantic "Hoodoo," which rises like a monument from the back of a rushing torrent, and bears a balanced rock upon its apex. Nearby is an excellent camping site and another is on the north shore opposite the entrance to Aylmer's Canyon, from which it is comparatively easy to reach 10,365 foot Mt. Aylmer. Lake trout of great size inhabit Minnewanka and prove a magnet sufficient to counter-balance the fears of any superstitious fishermen, as attested by the numbers who stop at the Chalet beside the lake.

CANADA'S AUTUMN

Perhaps in other countries than this Dominion the fall may be a season of sorrow and melancholy, and the falling leaves contain no message but a threnody of summer joys. When winters are damp and desolate, seasons of "goloshes" and umbrellas, of leaden skies and choking fog, autumn comes merely as the harbinger of depression.

Not so in Canada. Our maple leaves do not shrivel and decay under the first touch of cold, instead they don their most magnificent attire, robes of bright scarlet and of richest gold in a thousand shades, to welcome the coming of the king. The air of the Alps on the clearest day is not more bracing than is the atmosphere of Canada's autumn mornings. It is not a time of decay, but of getting out the winter garb. Thousands of animals and millions of insects are scurrying backwards and forwards making provisions for the winter and stocking up the larders with the foods which Nature provides in such abundance.

It is time to slough the enervation which the torrid heat of July induced, and to brace the system for the days to come in the spirit of the Viking. The glorious days of autumn are here, and the great outdoors never beckoned more bewitchingly. The trees, the smell of the earth, the rich glow of the sun make an irresistible appeal.

Proclamation

To the Citizens of the Town of Wolfville: Ladies and Gentlemen—Thursday next, November 11th, being Armistice Day, every citizen is requested to recognize the same by observing two minutes of silence at 11 o'clock. The electric current will be shut off during this period and all industrial activities cease. The signal for this action will be a short blast from the whistle at Wright's mill.

Respectfully,  
CLAS S. FITCH.

THE NEW WOMEN VOTERS

It has been estimated that 1,250,000 women will be on the voters' lists in the coming general election. This large body of women form a new and untried force entering the political life of Canada and adds a further uncertainty to the results of the forthcoming election. Although some women voted in the election of 1917 the franchise extended to them was very restricted and there was practically no issue, the war. Today, there are three parties in the field each with a different policy for meeting the momentous fiscal problems that face the country. Every political faction, is awakening to the realization that the electorate has been increased 50 per cent.

That this new and powerful force will receive the thoughtful consideration of politicians cannot be doubted. It is to early in the campaign to foretell what appeals and promises will be made. Already Premier Meighen has promised that if his government is returned to power that the British North American Act will be so amended that women may be appointed to the Senate. Whether the appeals made to women will be made to sentiment or reason remains yet to be seen. This election will be vastly different from all preceding elections if appeals are not made to prejudice and passion and an attempt made to sweep the people off their feet by party slogans and catchy phrases. These tactics have met with success in the past and are certain to be tried again. They have succeeded with the electorate composed entirely of men and there are those who say that women are even more "creatures of sentiment" and those who hold this view will make use of the tactics that have stood them in good stead in the past.

Alice Robertson, the only woman representative in the United States Congress, has said "The women citizen's quest for facts should be untiring, and she should resist the easy appeal to the emotions which is the stock-in-trade of the propagandist." Thinking Canadian women will second the wish expressed by Hon. T. A. Crerar when speaking of the coming political campaign. "I trust," said Mr. Crerar, "that the contest will be free from appeals to sectional, racial and religious prejudices. The issues facing the people were never more momentous than they are today. These issues must be discussed free from all such appeals if we are to emerge successfully from our difficulties. Patriotism must be placed above partisanship.

Although young in the actual exercise of the franchise, women are not by any means untrained in political thinking and the politician who appealously to sentiment will find that he has hurled a boom-crang and has been instrumental in his

own destruction. There is one demand that the new woman voter makes of the politician, that he base his argument on reason and that he consider her not as a being set apart from the rest of humanity but as a real and vital factor in our social and economic life.

The new woman voter will do well to make herself acquainted with the existing political parties, their platforms and to weigh the promises made by them in the light of fulfilment of promises in the past before the election takes place, so that no one can say when it is all over that she acted without thinking.—United Farmers' Guide.
