The copy filmed here has been reproduced thanks to the generosity of:

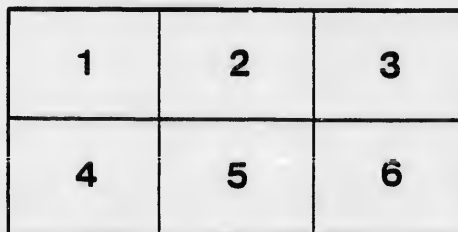

Department of Rare Books
and Special Collections,
McGill University, Montreal.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

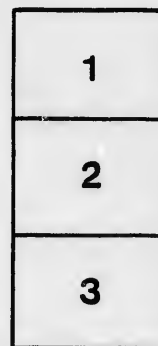

Department of Rare Books
and Special Collections,
McGill University, Montreal.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. AN ACT

[1880.]

*To Incorporate the Dominion Commercial Travellers'  
Association.*

WHEREAS James A. Cantlie, David L. Lockerby, George Forbes, Frederick Massey, Gustave Piché, Ralph B. Hutchison, Charles Hutchison, George Sumner, Alexander Gowdey, John Rogers, James O'Brien, Alexander W. Acheson, and Rollo C. Simpson, have by their petition represented that it would be for the interest of the "Dominion Commercial Travellers' Association," of which they are members, that it should be incorporated, and it is expedient to grant the prayer of their petition: Therefore Her Majesty, by and with the advice and consent of the Senate and the House of Commons of Canada, enacts as follows:—

1. The said James A. Cantlie, David L. Lockerby, George Forbes, Frederick Massey, Gustave Piché, Ralph B. Hutchison, Charles Hutchison, George Sumner, Alexander Gowdey, John Rogers, James O'Brien, Alexander W. Acheson, and Rollo C. Simpson, and such other persons as are now, or shall hereafter become members of the said Association and their successors, shall be and they are hereby constituted a body politic and corporate under the name of the "Dominion Commercial Travellers' Association," having its head office in the City of Montreal, with power to purchase, receive, acquire, hold and enjoy property both real and personal, to and for the use of the said Corporation, and to sell, alienate, exchange, mortgage or lease the same: Provided always that the said Corporation shall dispose of any real estate by it received, except such as may be required for the actual use and occupation of the said Association, within five years from the date of its acquisition.

2. The objects of the said Association are to promote the welfare and interest of its members, by making provision against sickness, misfortune, accident or death, and relieving the widows, orphan children or representatives of members deceased: by obtaining for its members, concessions, privileges or reduced rates from railways, navigation, telegraph, insurance, and other companies and persons, and by devoting the funds of the said Association to such other lawful objects for promoting the intellectual, moral and material welfare of its members as may from time to time be determined, in accordance with the rules, regulations and by-laws of the said Corporation.

3. The present constitution and by-laws of the said Association shall be, until amended as thereby or herein provided, the rules, by-laws and regulations, of the said Corporation, and the present officers and directors shall hold office until their successors are appointed in accordance therewith; and the said Corporation is hereby vested with all the assets and rights, and made responsible for all the obligations and liabilities of the said Association.

4. The said Corporation may from time to time change, amend, add to, or repeal any of its rules, regulations and by-laws, observing always, however, such formalities as are and may be lawfully prescribed to that end, provided that no rule, regulation or by-laws shall be contrary to law or to this Act.

5. All subscriptions or other sums due or to become due to the Corporation may be recovered in any Court of competent jurisdiction, but any member may withdraw at any time on payment of all sums due by him, including his subscription for the then current year, after which he shall have no claim or demand of any kind against the Corporation.

6. The said Corporation may from time to time establish and maintain branch agencies in different parts of the Dominion of Canada, to promote the objects herein set forth.

*ACT PASSED BY LEGISLATURE OF QUEBEC.*

50 VICTORIA, CHAP. 15.

*Assented to 18th May, 1887. Instituted "An Act respecting Commercial Travellers, and to abolish the Municipal Taxes now levied upon them."*

---

HER MAJESTY by and with the advice and consent of the Legislature of Quebec, enacts as follows :

1. No municipal corporation shall levy any tax upon any commercial traveller, taking orders or selling goods, wares, or merchandise by sample, catalogue or price list, or require any such persons to procure a license from such municipal corporation, notwithstanding any disposition to the contrary in any statute.
2. All the provisions of any statute giving power to any municipal corporation to levy any such tax or require any such license are hereby repealed, as also all by-laws or regulations made thereunder.
3. This act shall not affect pending cases and shall come into force on the day of its sanction ; but shall not affect the cities of Quebec, Three-Rivers, or Sherbrooke, or the town of Sorel, until the first day of May eighteen hundred and eighty-eight.

**TWENTY-SECOND ANNUAL REPORT**  
OF THE  
**Dominion**  
**Commercial Travellers Association,**

*Presented at the Annual Meeting, Dec. 19th, 1896.*

The Annual Reports of the Association for many years in succession have been so satisfactory that it has almost come to be regarded as an established order of its business that there should be a yearly increase of capital in the neighborhood of ten thousand dollars, and the Directors are again able to congratulate the Association on the satisfactory and substantial progress made during the year ending December 5th, 1896.

For the year now closed we find as per Treasurer's Statement the total income for year is \$34,886.52. Of this amount \$4,642.15 has been paid for working expenses, \$21,746.50 for benefits, leaving a surplus of \$8,497.87 for the year, making our gross surplus \$149,595.64.

The Roll of membership continues to show a steady increase. The number of new members received during the year is 330, deducting those who have dropped out or failed to renew, we have now a membership of 2,712, being a gain of 82 over last year.

Twenty-one members have been removed by death, and the sum of \$20,050.00 promptly paid to their Beneficiaries, and \$1000 reserved from last year. This number and amount is less than the two preceding years.

While the year just closed may be termed an uneventful one, the Association is to be congratulated upon its continued prosperity and the good feeling which exists among its members, as evidenced last year in the re-election by acclamation of Lt.-Col. Massey, as President ; and for the ensuing year, also by acclamation, of the Hon. J. D. Rolland.

A meeting of representatives from the various Associations of the Dominion with Railway Passenger Agents, took place in Montreal early in the year, when various matters relative to the interests of Commercial Travellers were fully discussed. Efforts being especially made to obtain an increased allowance of baggage, but without success. We are happy to state however that as a result of this meeting there has been a substantial reduction in the rates charged for passage on the branch lines of the Canadian Pacific Railway in the North West Territories, and a further effort is being made to obtain a reduction on the main line West of Winnipeg to Canmore.

In accordance with resolution passed at last Annual Meeting, instructing the Directors to obtain the services of an Actuary to ascertain the position of our Capital with regard to our Insurance Liability to members, and its ability to continue payments such as have existed heretofore, an Actuary of the highest

standing in these matters has been employed, and in view of his report and the very small annual fee for membership, your Directors have decided to recommend that all payments of indemnity for accidents should be abolished, and that accidental death shall rate the same as natural death, thus maintaining the present rate of subscription for yearly membership.

Notice of motion has been duly given of these changes which will be submitted to the members, and the recommendation is made in order that expenditure under these accidental charges should be done away with, all with the view of augmenting capital to such an extent as will place Life Insurance Benefits on a still stronger basis than even at present.

An important joint letter from the Railways has been received submitting a list of members who do not travel sufficiently to qualify themselves for Railway privilege Certificates. Great care should therefore be taken in making applications for Certificates granting railway concessions. This will necessitate many who now carry the "Ordinary" certificate to become "Associate" members.

The Benevolent Fund has been ample to provide for all claims which have been made upon the Directors of the Association for assistance. Owing to return of relief granted in former years and to the vote of \$500 passed at last annual meeting, no further vote will be required for this fund during ensuing year.

Respectfully yours,

H. W. WADSWORTH,  
*Secretary.*

F. MASSEY,  
*President.*

## IMPORTANT NOTICES.

Members are not permitted, under any circumstances whatever, to lend their certificates, and must in all cases show them when required by *any* officer of any Railway or Transportation Company from whom privileges are obtained, a refusal to do so renders members liable to a severe penalty. *See clause on back of Certificate.*

In all cases it is desirable that Travellers should be at the station at least 10 or 15 minutes before the time train is advertised to start, and so avoid giving unnecessary trouble to the employés of the Railway Companies.

Renewal Application forms will be sent to each member along with the Voting Paper in November. Non-resident members intending to renew their subscription for the ensuing year are requested to fill them up and forward same to Secretary, or retain them until certificate is wanted when they can be sent along with the amount of subscription.

Montreal members when applying personally for certificates should bring the application with them or fill up one at the Secretary's Office. Members when not applying personally should see that their renewal application is in the hands of the Secretary before application is made for certificate, to enable the Secretary to correctly make out same and issue Insurance certificate at same time.
