REPORT OF OFFICIAL BOARD.

In presenting their Annual Report, the Official Board desires to thank the Congregation and Ladies' Aid for their liberality and support in the interests of the Church; also the Choir, Leader and Organist for their efficient services.

During the present year we ask the continued and if possible increased liberality of all regular contributors.

Those who are not contributing to the support of the Church by regular weekly offerings, may obtain envelopes in the Vestibule of the Church or from Mr. W. J. Eastcott, 209 Bank St., and name the sum, be it large or small, which they will be willing to contribute in this way.

We ask every individual, the young people as well as the head of the family, to become contributors. The plan of regular weekly giving through the envelope has proved an excellent one, principally because it is systematic.

This year we include, for the first time, reports of the Sunday School, Ladies' Aid, and E. L. of C. E. In our next report we contemplate publishing a Church Directory, the name and address of all members and adherents of the Church.

We appeal to every worshipper with us to do their part in maintaining the Church and its Services.

W. PENNINGTON
Recording Steward.
