PROCEEDINGS OF THE  
ANNUAL MEETING.

---

The Anniversary of the Society was held on Sunday and Monday, June 4th and 5th. On Sunday, two sermons were preached; in the morning, by Bro. A. Clarke, and in the evening, by Bro. J. Chapple. In the afternoon, a public service was held in connection with the Sabbath School; addresses were delivered by the Brethren, C. Barker and E. Roberts. On Monday, at 2:30 p.m., the public meeting was held. Bro. G. Webber, the President, occupied the chair; Bro. W. Jolliffe, led the devotional exercises, after which the President called upon the Secretary, Bro. J. Harris, to read the Report. It was then moved by Bro. W. H. Quance, seconded by Bro. W. Hooper:

That the Report, an abstract of which has been read, be adopted, and published, under the direction of the Missionary Committee; and that we gratefully recognize the increased liberality of the friends of the Society, who have so largely advanced its income; and we also tender our thanks to the Collectors, for the efficient help they have rendered us in carrying on this great work.

The meeting then adjourned for tea. At the adjourned meeting, J. F. Cunnings, Esq., presided; Bro. S. Jolliffe moved, seconded by Bro. J. J. Rice:

That, we gratefully acknowledge the gracious manifestations of the presence and power of the Holy Spirit upon our several fields of labor, during the past year; as evidenced in the conversion of very many precious souls, and the upbuilding of the saints upon their most holy faith. 493 have been added to the societies, with 87 on trial, making a total increase of 550; and the receipts of the Society are \$1,253.68 in excess of last year. Encouraged by these facts, we humbly resolve to trust more implicitly in the Promises of our God, and each in our own sphere, to honor the Lord, seeking the guidance and influence of the Holy Spirit.

It was then moved by Bro. W. Jolliffe, and seconded by Bro. E. Roberts:

That, believing a dispensation of the Gospel is committed unto us, and that the Gospel is the power of God unto salvation, to every one that believeth, and that there is salvation in none other, we here and now pledge ourselves to renewed efforts, personal and collective, to spread the joyful news abroad.

## REPORT.

“For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.” “Though He was rich, yet for your sakes, He became poor, that ye through His poverty, might be rich.” “For this purpose the Son of God was manifested, that He might destroy the works of the devil.” “He shall not fail, nor be discouraged, till he has set judgment in the earth.”

Those passages, viewed in connection with the commission Christ gave His disciples, to preach the Gospel to every creature, and for which they were specially qualified by the baptism of the Holy Ghost, at Pentecost, make it plain, that God desires all men to partake of the blessings of the Gospel of His grace. The Church is to proclaim Christ as the Saviour of sinners, with the Holy Ghost sent down from Heaven. The Church is essentially missionary in her spirit,—her great work is to save souls; her wealth and varied talents, are all to be employed and consecrated to this one end. Formalism must give place to practical, living service; indifference and apathy, to a sanctified enthusiasm for winning souls to Christ; worldliness, to an enlarged christian liberality; and selfishness, to self-sacrificing efforts to bring a lost race back to the Great Shepherd. Ourselves and ours, must be placed on the altar of sacrifice. With love to God, and compassion for fallen humanity, as the supreme and all-pervading influences operating upon our hearts, we shall be inspired to heroic exertions, on behalf of truth and righteousness, to do and to dare, in taking possession of the citadel of sin and satan, in the name of the Lord of Hosts.

Many of the forms of sin, that formerly prevailed among men, have been destroyed by the Gospel of Christ. The power of the Son of God, operating through the Church; like the stone that was cut out of the mountain without hands, has smitten many of the superstitious pagan practices and institutions of sin, shivering them to atoms; the breath of the Almighty has blown upon them, scattering them to the four winds, so that no place is found for them upon the earth.

“ For this the saints lift up their voice,  
And ceaseless praise to Thee is given;  
For this the hosts above rejoice,  
We raise the happiness of heaven.

Although much has been accomplished, a great deal yet remains to be done; sin and iniquity largely obtain, and everywhere struggle for the mastery. There can be no compromise with the enemy; no “rest-and-be-thankful” policy, must be allowed to damp our zeal, or clog the missionary enterprise. From the towns and cities of our Dominion, cries for help, reach us. If missionaries are to be sent, and churches built, to meet the ever growing wants of the population, the church must freely of its wealth and abundance, bring into the treasury of the Lord, the tithes and offerings.

The principles by which we stand, are not impracticable and vague theories; but truths, well tested and tried. By the influences of the ever blessed Gospel, men are raised to sonship and fellowship with God, and are elevated to the dignity of sanctified manhood; nations are lifted up from all manner of degrading practices, to the intelligent worship of the living God. The marvels of the day of Pentecost, the Reformation in Germany, the revivals of Methodism, and the gracious results of the preaching of Moody and others, all attest the efficacy of the blood of Christ to cleanse from all sin. Nor is it to be wondered, that such results follow the earnest preaching of Christ crucified; and that such men as Luther, Knox, Wesley, and our own Thorne, Reed, Methers, and Eynon, triumphed gloriously; for God has given to the church, “the gift of the Holy Ghost, and in the name of the Lord they lifted up their banners.

As a branch of the church of God, to which He has committed a dispensation of His grace, we are striving to do

the work He has assigned us ; and we think, that with the means placed at our disposal, the amount done, will compare favorably with any other denomination. During the last five or six years, this society has devoted special attention to some of the towns and cities of the Dominion ; no less than twelve missions having been organized, during that period. In most of those places, there are now comfortable and substantial brick churches. The wisdom of this course already appears ; for in all those places, there are societies and Sunday-schools organized, and good congregations gathered ; while in some of those centres of population and influence, our cause is assuming such a position and importance, as to favorably affect the Denomination at large ; and the annual grants, required from the missionary exchequer, will be constantly decreasing. During the past ten years, there have passed over from our mission work, to the list of self-supporting circuits, 15 missions, with 20 ministers, 53 churches, 1,824 members, and 2,203 Sunday-school scholars. Yet we have still a mission field of a much more encouraging character in every department. During the same time, the receipts of the society, have increased nearly 100 per cent. During the past year, there has been an increase of 2 missionaries, 550 members, 2 churches, and \$1,253.68 advance in the receipts over last year. It will be thus seen, that this society is neither sickly nor dying, but with elastic step, is making rapid progress in spreading Scriptural holiness through these lands. The following reports from the mission fields, will further show the successes that have attended the labors of the missionaries.

**BELLEVILLE.**—Report speaks of difficulties and discouragements, and a small decrease in the membership. The friends have shown much attachment to the cause, and have realized times of refreshing coming from the presence of the Lord ; and trusting in the exceeding great and precious promises of our Heavenly Father, brighter days are expected

**BURLINGTON.**—The work of the Lord continues to advance on this field of labor ; backsliders have been reclaimed, and sinners converted to God. A new appointment has been taken up at Brighton. For all purposes, \$1200 have been raised on the mission during the year.

**CAMPBELLFORD.**—Our prospects are brightening, and with care, we have no doubt but that this station will become a

a power for good. Our special services, though not so productive of good as we anticipated, have been the means of quickening the church, and saving many souls, especially at Campbellford, where God has graciously poured out His Spirit. We report an increase of 59 members.

**CLEVELAND MISSION.**—The past year has been one of anxious toil. The Lord has blessed the labors of His servants. Old asperities have ceased, and mutual confidence and hearty co-operation generally prevail. The special effort resulted in the revival of the church, and an increase of the membership and congregation; the class and prayer meetings are well attended, and prove to be seasons rich in blessings. Financially, the mission has done well—Quarterly and Missionary receipts are \$100 in advance of last year, and about \$500 have been raised toward the church debt—for all purposes, about \$1000 have been raised during the year. The Sabbath-school is working successfully, and increasing in interest and numbers. “Thou shalt arise and have mercy upon Zion, for the time to favor her, yea, the set time is come, for Thy servants take pleasure in her stones, and favor the dust thereof.”

**CLINTON.**—In reviewing the past year, many of the lights and shadows of church experience, present themselves. During special services held, at Clinton and Alma, several persons united with us, who bid fair to become useful members of society. One Sabbath-school has been re-organized, and another formed. Our congregations are good, and the financial department is encouraging. We hope soon to become a self-sustaining circuit

**COLCHESTER.**—The efforts of the pastor and people, have been graciously owned and blessed of the Lord; several persons have sought and obtained the pardon of their sins; the church is attaining greater spirituality of mind; peace and harmony prevail among the people. A new appointment has been taken up, and a society formed, which regularly meet in class. The prospects of the mission are brightening.

**DEREHAM.**—Some souls have been converted to God, on this mission, during the year; the congregations continue good, and the future promises well.

FENELON, reports growing congregations, a realization of the Holy Spirit's influences, conversion of sinners, Sabbath-schools well conducted and prosperous, and a determination on the part of the people, to live and labor for their Divine Master.

GREY.—The Lord has made known His saving power here, among the people; more than 20 have been converted, mostly heads of families, and a society has been formed at Ethel; and classes and prayer meetings are regularly held.

HAMILTON.—The lack of employment, and general dullness of trade, has somewhat affected the finance of the church. The public and social means of grace have been seasons of great refreshing; a few have been added to the membership, and the congregation has improved. The Sunday-school continues to do a good work.

HUNGERFORD.—The pastor states that he has been in labors more abundant. The people have been visited from house to house, and six months have been spent in special services. But little fruit has appeared, only 12 persons have professed conversion. The mission constantly suffers from removals,—the people are every year moving west, to better their circumstances.

LINDSAY has suffered considerably in its finance, from monetary depression; but spiritually, prosperity has obtained,—a number of souls have been converted to the Lord. The young people of the congregation take a deep interest in the cause of the Master, and are engaged in leading others to the Saviour. Another Sabbath-school has been started, across the river, with encouraging success.

LAMBETH, reports considerable prosperity; the Lord has been pleased to pour out His Spirit upon the people, so that they have turned their feet in the ways of His commandments. There is an increase of 30 members over last year; the Sabbath-schools are flourishing. The church at Lambeth, is too small for the congregation, and is to be enlarged.

LITTLE PRAIRIE.—In this mission, the people have done well, financially. The congregations are improving. About 30 persons have professed faith in Christ; and the Sabbath schools are in a prosperous condition.

OSHAWA.—Special services were held on this mission, last fall, which were “times of refreshing from the presence of the Lord.” Many sought and obtained peace with God, and still give evidence of piety and devotedness to God; but after allowing for 16, who have removed or withdrawn from the church, an increase of only 6 members are reported. Financially, the mission has suffered considerably; many of the people have been out of employ, during the winter, on account of the failure of certain manufacturing establishments. The Sabbath-school has improved; some of the children have professed faith in Christ. A Band of Hope has been successfully organized; over 200 members are on the Roll Book. The report closes by saying, We feel the need of a greater oneness of feeling and effort, and a richer baptism of the Holy Ghost to render us more fruitful in every good word and work.

MANVERS & CARTWRIGHT.—The pastor states: That, on our arrival on the station, the state of the societies was found fully as favorable as the representations made to the Conference, indicated. During the year, we have been passing through much agitation and difficulties of a secular character; we have, notwithstanding, realized gracious influences and some conversions in our services. The prayer and class meetings are generally well attended. The debt on the Cæsarea church has been entirely cancelled, and a new parsonage is in course of erection at Janville.

PALMERSTON has been making progress; during the year, the church has been painted, and otherwise improved; a new stable and shed have been erected, and the parsonage completed. An appointment has been taken up and a society formed, on the 6th Con. of Minto, which promises well. The congregations have improved, and sinners have been converted to God, and the membership has an increase of 23. A new church at Harriston, is necessary to our successful working in that locality.

PERRYTOWN reports good congregations, unbroken harmony, a few conversions, and a small increase of membership. A new church has been built, at Perrytown, at a cost of \$1,700; \$1,200 of which has been paid, and the balance provided for. The debt on Eden church has been cancelled.

PICKERING reports the conversion of a few souls, and an increase of membership. A new parsonage has been built, costing about \$1,000; \$626 of the debt on the church at Duffin's Creek, has been paid off, and Ebenezer church has been considerably improved. The Sunday-schools are steadily improving.

PORT HOPE.—The past has been a year of constant labor and care. The society is a little less, numerically, than a year ago, but stronger, spiritually. Very gracious influences have rested on the congregations, and a few souls have been led to decide for Christ. The system of weekly offerings, through envelopes, has been adopted, with success, to meet our financial claims. A church debt of \$140.17, has been paid off, and a new parsonage is in course of erection. The prospects for the future are good.

PETERBORO'.—The congregations are encouraging. We have not to ask, "Is the Lord with us?" His presence has been felt in our midst; we have also experienced "how good and pleasant it is for brethren to dwell together in unity." The friends at Providence and Armstrong's have united in building a new brick church, costing \$1100, nearly all of which is paid. Our special meetings in the new church resulted in the conversion of about 25 persons.

PRINCE ALBERT.—This mission has realized great prosperity. The word preached has been owned of God, and the prayers of his people graciously answered. Many precious souls have been brought from darkness to light, and from the power of satan unto God. Continued revival influences have been experienced during the winter; an increase of 185 members is reported. Glory to God in the highest. The prayer and class-meetings are well attended and enjoyed. The Sabbath schools are doing a good work. Prince Albert church has been improved at a cost of \$175, which, with an old debt of \$100, have been paid off. Salem church has been repaired at a cost of \$95, towards which \$75 have been raised, and the debt on Bethesda has been cancelled.

SUTTON.—During the year the congregations have improved; several persons have been led to embrace the Saviour. The Sabbath schools are flourishing, and financially the mission has considerably improved.

ST. THOMAS.—The pastor reports incessant work during the year, which has been owned and blessed of the Lord, so that considerable progress has been made. The membership has doubled, and others are turning their faces Zionward. A new parsonage has been built, valued at \$1,000, increasing the debt only \$600. Another appointment has been taken up, and a society formed at Talbotville, 3 miles from St. Thomas, and a brick church, 30x44, is in course of erection. Brighter days for the mission are anticipated.

SUMMERSIDE.—The Master of assemblies has been present with us in the public services of the sanctuary; our prayer-meetings have been seasons of grace, and spiritual enrichment. Several persons have given their hearts to Jesus, as the result of this year's toil. Our Sabbath school is placed upon a firmer basis, is better officered, and is working satisfactorily; it has grown in numbers considerably since last year, and a Band of Hope has been organized, which is a decided success.

TORONTO.—This mission reports that, the past year has been one of much toil and anxiety. The financial liabilities at the commencement of the year were so heavy as to awaken considerable concern, but by the assistance of the Executive, and the persistent efforts of the pastor, the liabilities have been reduced about \$5,000, leaving the present debt on the trust estate of Agnes-st. church less than \$6,000. We hope that by careful management, the trustees will suffer no further embarrassment, and we further hope that the day is not distant, when our friends will see their way further to reduce this debt, so as to be in a position to extend our work in this city. There has been an increase of 36 members to Agnes-st. church, the result of a blessed outpouring of the spirit. The prospects of the mission are hopeful.

UXBRIDGE report says: Our meetings have been seasons of refreshing and spiritual power. We have lost about 25 from our roll of membership, by deaths, removals, and unfaithfulness, yet at the close of the year we have an increase of 32 approved members. The spirit of the Lord is still working among us, saving sinners and building up believers. Financially, the mission has done well.

WEST CAPE & BIDEFORD mission has encountered many difficulties, nevertheless, the congregations are good and attentive, a few souls have been converted, and the Sabbath schools are in a healthy condition.

WIARTON mission has realized prosperity; the congregations are good, the prayer and class meetings are well attended, and souls have been converted to God. A church has been erected at Wiarton at a cost of \$725, \$575 of which has been provided for. A church is in course of erection at Colpoy's Bay. Wiarton school is flourishing, and two Sabbath schools have been organized. Bro. Woodman has rendered good service during the year.

WINDSOR.—The congregations are good; a few sinners have been brought to the Saviour, and through his blood have been cleansed. The Sabbath school is in a flourishing state. Although the depression of trade has made against us, financially, yet the friends have heartily contributed to the funds of the church.

STATISTICS.

The following statistical table shows that the society employs 44 Missionaries, assisted by 64 Local Preachers, who preach in 77 churches, and 42 other places; 317 are on trial for membership, making a total number of members, 2672; Sunday school teachers, 454; scholars, 3424; showing an increase of 2 missionaries, 2 churches, 87 on trial, 557 members, 72 teachers, and 405 scholars.
