A Representative Assembly was first granted to this Colony in 1832, under the Governorship of Sir THOMAS COCHRANE. By the Constitution nine Districts were established, returning fifteen members, who were to hold their seats during Her Majesty's pleasure. In 1826 the members of the Assembly were elected for four years, and this term has been adhered to since that date.

In 1854, upon the granting of Responsible Government, the number of members was increased, at the instance of the Imperial Government, to thirty. In 1874 the membership was further increased to thirty-one by the addition of one member to the number of those representing the District of Twillingate and Fogo.

In 1882 the number of members was increased to thirty-three by the erection of St. George and St. Barbe into Districts, with one member each. In 1885, after the publication of the Census of 1884, a partial re-distribution took place. The District of Twillingate and Fogo was divided, Twillingate retaining three members, Fogo was given one, Bay-de-Verde, which was made to include a part of Trinity District, was allowed an additional member, as was also Harbor Grace. These alterations increased the number of members to thirty-six.

St. Pierre Lights.

*A Revolving Light*; giving 2 white flashes, followed after in interval of 20 seconds by a red flash; 210 feet above the level of the sea, is situated on Gallantry Head. Distance visible, 18 miles. The light is hidden at the northward by the high land of St. Pierre. Lat. 46° 45' 43" N. Long. 56° 9' 9" W. Tower square, 36 feet high, painted white.

The *South Channel* entrance to St. Pierre harbor is marked by two small fixed lights. One is white, illuminating three-fourths of the horizon; it is placed on the battery. The other is red and is placed on the plain at the north of the town. The White light is 36 feet above the sea level, and is visible six miles. The Red light is 65 feet above the sea level, and is visible 3 miles. The line connecting these two lights marks the middle channel. The Red light is so placed that as soon as it is seen on the left of Cape Aigle, vessels coming from Columbiar, in beating into the N. E. entrance, will be clear of the Cape Rodrigue Shoals.

*Pointe à Leconte Light*, situate on the Southwest Point of the Island of Dogs, 62 feet above the level of the sea, visible 7 miles. The light shows white between the bearings (from the tower) of S. E.  $\frac{3}{4}$  S. and S.  $\frac{1}{4}$  W. This white sector of the light marks the South-east passage, so as to permit vessels which keep within this cove to avoid the Bataille shoal on the right and Cape Noir and Bertrand Rocks on the left. It shows red from S. W.  $\frac{1}{4}$  W., westward, to N. W.  $\frac{1}{4}$  W., and should be avoided by vessels entering by the S. E. passage. It will enable them when they have quit- ted the white cove to come to anchor in the Roadstead or in the Barachois, by following the line of white light from Pointe aux Canous, and of the red light from the interior of the town.

*Pointe Platte (Langlade) Light*; 1st order flashing light; visible twenty miles; shows white from North through West to South, except where a red sector of light covers the Seal Rocks. Lighthouse painted in alternate horizontal bands, black and white. Lat. 46° 49' 10" N. Long. 56° 24' 10" W.

*Cape Blanc (Miquelon) Light*; revolving; showing 10 seconds in each minute; visible 16 miles. Shows white from North through W. to S. W., covering the Seal Rocks with a red sector of light. It also lights the entrance to Miquelon Roads, showing 230 yards north of the Chatte Shoals, which are thus left in darkness. The lighthouse is painted in alternate horizontal bands, black and white. Lat. 47° 06' 10" N.; Lon. 56° 24' 10" W.

State correctly the Christian name and Surname of person to whom the Order is payable,

Registration  
etc.

to places  
not in the

Money  
registered.  
and

State correctly the Christian name and Surname of the person taking out an Order.

Should any alteration be made in the name of the person in whose favor an Order is drawn, a new Order will have to be issued and commission be paid thereon.

Unpaid Money Orders are legally void at the end of one year ; nevertheless, if any valid reason is adduced for delay in presentation, payment will be made, upon application, subject to certain conditions.

#### To Postmasters.

Obtain from the presenter of a Money Order (whether he or she be the right owner or not), satisfactory information as to Christian name, Surname and address of the person by whom drawn. In the case of a firm, the name of the firm and address will suffice. When an Order is presented through a Bank, the Order, being properly signed, must also be crossed with the Banker's name.

**GENERAL DIRECTIONS TO THE PUBLIC.**

**Letters.**

Register all valuable letters.

Always communicate to the Postmaster the loss or delay of letters, &c.

In addressing letters add the names of the District in which the Post Office addressed is situated.

Letters for Canada should be addressed to the Province as well as the Post Office.

Letters for the United States should be addressed to the State as well as the Post Office.

Address letters, &c., legibly, and be careful to discriminate between places of same name.

A letter once posted becomes the property of the person to whom addressed, and must be forwarded according to its directions. On no application, however urgent, can it be delivered back to the writer or to any other person.

Letters containing gold or silver money, jewels, or anything liable to Customs' duties, cannot be forwarded by Post beyond the Colony. In the Colony they *must* be registered. Always seal letters containing anything of value.

Letters addressed to mere initials will not be delivered unless addressed in care of a resident or to some box in the Post Office.

Letters bearing mutilated stamps, or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not, will be sent to the Dead Letter Office for adjudication.

Unpaid and insufficiently paid letters and mailable matter, both local and foreign, will be charged, on delivered, with double the amount of postage unpaid.

#### Re-directed Letters.

Letters re-directed to places in Newfoundland, Great Britain, Canada, and the United States, without being taken out of the Post Office, are not liable to any additional postage.

#### Request Letters.

Letters addressed to persons in Newfoundland when sent in envelopes having written or printed thereon a request from the sender that the letter, if not delivered at the office addressed within a certain time specified in the request, may be returned to his address as requested, will be returned to the sender at the expiration of the time specified.

#### Newspapers.

Always fully pre-pay newspapers, or such will be taxed double the amount insufficiently paid.

A newspaper must have no cover, or a cover open at both ends, which can easily be withdrawn. It must contain no enclosure. It must have no writing thereon but the name and address of the person to whom it is sent.

Newspapers over four ounces are charged at book rate.

#### Books and Circulars.

A book packet must be left open for inspection, it must not contain any enclosure, nor must it exceed twenty-four inches in length, nor twelve inches in breadth or depth. The limit of weight of a book packet addressed to any place within the Colony, Great Britain, Canada, or the United States, is three pounds. Unpaid book packets will not be forwarded. Circulars, 1 cent.

#### Patterns and Samples.

Bona fide patterns and samples of merchandize, not exceeding twenty-four ounces in weight, when posted in Newfoundland for places within Newfoundland, must be prepaid by postage stamp at the rate of one cent per two ounces weight, properly labelled, and put up in such a manner as to admit of inspection.

Packets of patterns and samples, addressed to any place in Newfoundland, can be registered on affixing thereto stamps of the value of three cents, in addition to postage stamps representing ordinary postage rate.

The limit of weight to Great Britain is twelve ounces, and to Canada and the United States, and all countries in Europe, eight ounces—postage, two cents for the first two ounces, and one cent for every additional two ounces.

**Registration.**

Every letter and packet intended for registration must be handed in at the wicket, and a receipt obtained therefor. On no account should it be dropped into the letter box. The registration fee must be pre-paid on registered letters addressed to the Government Departments in Saint John's, and also on registers sent by Government offices to the Outports. The registration fee on letters and parcels to places in Newfoundland is three cents, including official registration; to Great Britain, four cents; to Canada and the United States, five cents.

Letters containing coin, &c., will be forwarded in the Colony only, (charged with double registration fee if posted without being registered). Always obtain a receipt for registered letter or packet.

**Matter which cannot be Forwarded by Post.**

Any explosive, dangerous, or destructive substance, liquids, or anything likely to injure the mails or the person of any officer or servant of the Post Office. A glass bottle, or glass in any form, (except eye-glasses, microscopic slides and spectacles, when properly put up), matches, leeches, or fruit.

Letters containing gold or silver money, jewels, or anything liable to Customs' duty cannot be sent out of Newfoundland.

### SYNOPSIS OF LEGISLATION, 1894.

#### First Session.

[PASSED APRIL 14TH, 1894.]

CAP. I.—*An Act for abolishing the Practice of Engrossing Public Documents on Parchment.* The title of this Act sufficiently indicates its purpose.

#### Second Session.

[PASSED AUGUST 9TH, 1894.]

CAP. I.—*An Act for granting to Her Majesty certain Duties on Goods, Wares and Merchandize imported into this Colony and its Dependencies.*—This is the Revenue Act for the year, and continues the tariff in force under previous legislation. It further provides indemnity for the collection of Revenue from the 11th June up to date, and declares all bonds for duties given within that time legal, valid and binding.

CAP. II.—*An Act to authorize the raising of a sum of money, by loan, for the Public Service of the Colony.* This Act authorizes a loan of \$1,456,000 to be used for the repayment of a temporary loan to the Colony from the London and Westminster Bank of London of \$664,800; also, for the construction of public buildings in St. John's, and for the repayment by the Treasury of various sums expended on Light Houses, Telegraph Lines, rebuilding St. John's, (\$300,000), &c. The loan to bear interest at four per cent., and to be repayable in fifty years.

CAP. This Act declares that it shall be appropriated by the authority of the Governor in Council on roads that may be declared by them to be railway connecting roads.

CAP. IV.—*An Act to provide for the Exchange of Debentures for Debentures lost or destroyed.* This Act confers upon the Receiver General authority to take evidence upon oath as to claims for Debentures lost, and on his report that said Debentures have been lost the Governor in Council may cause new Debentures to issue upon bond being given against other claims.
