AUTO ASSOCIATION TO BE ORGANIZED

General Call to all Auto Owners to Meet Here—A Start Made.

Pursuant to a call issued by Mr. H. A. Carr a number of automobile owners met in Murray's Hall, Friday evening. On motion of H. B. Anslow, H. A. Carr was chosen chairman. On motion of F. A. Letallais, H. B. Anslow was appointed secretary. Mr. Carr stated the object of the meeting and read correspondence with the N. B. Auto Association. Mr. Goss spoke of the benefits of forming an association especially in working together for the improvement of our roads. M. M. Mowat spoke strongly in favor of forming a branch of the N. B. Association. E. A. LeGallais moved that the secretary be authorized to notify every automobile owner in the county and the adjacent county of Bonaventure that a meeting to organize would be held on Friday evening, June 15th in the Murray Hall at 8 o'clock and invite them to be present.—Carried.
H. B. Anslow moved that a committee of three be appointed to draft a proposed constitution and submit same for next meeting.—Carried.
On motion E. A. LeGallais, Messrs. H. A. Carr, J. R. MacKenzie and H. B. Anslow were appointed on such committee.
Mr. E. Sullivan made a brief address on the necessity of some organization, especially to see that the roads were properly looked after.
The meeting then adjourned to meet Friday, June 15th at 8 o'clock.

FOREST FIRES DOING DAMAGE

Reports of Carelessness of Settlers Along Matapedia Valley—Pulpwood Lost.

Although the spring has been late in coming and rain has fallen often during the past months in the Quebec districts, yet several forest fires have been reported which have carried considerable loss of timber.
Along the Matapedia Valley more than five hundred acres of green forest, especially private properties have been destroyed, as well as about a thousand cords of peeled pulpwood.
These fires have been caused, according to reports which have reached the Southern N. B. Lawrence Forest Protective Association Ltd., by the burning of clearing slashes by careless settlers.
Everybody should assist in preventing and fighting forest fires.
Thrift to Forest Fires
Last year 26 Canadian men, women and children perished because of forest fires.
About six million dollars worth of property disappeared from the same cause.
The easiest and best-paying Thrift Campaign for 1917 is to keep the next five months clear of such needless sacrifices.
The neglected camp fire, the tossed-away match and cigarette, the burning of settlers' slash have heaped up our national account for wasted life and property.
This is The Programme
If you are a settler—Guard well your clearing fires.
If a hunter, fisherman, carter, prospector—Put that Camp Fire out before you leave it. Put it DEAD OUT. Try a couple of extra pails of water or shovels of earth.
Never build a fire except in racks or gravel or other safe spot. Keep your fire small. It looks better and is safer.
Please do not throw away lighted tobacco or matches. It is the trick of an angler. No veteran, no good citizen, fools with fire.
All the big conflagrations have started with a wisp of flame. Your lighted match, your cigarette, your camp fire are exactly what is needed to ignite the fuse.

JUDGMENT IN BLACK FOX CASE

When a Fox Is Not a Fox—Judgment Given in Peculiar Bonaventure Case

Judgment was rendered recently in the Superior Court at New Carlisle in the case of Barriault vs. Bujold. Barriault, a settler of St. Alphonse, had started in a few years ago setting traps to catch foxes. Shortly after he had commenced to set his traps, his uncle, Joseph Bujold, of Maria, happened to be in St. Alphonse, and showed how to set his traps, he Bujold, being a hunter of about forty years' experience.

After Barriault had been taught the secret, he promised that he would give his uncle the first fox that he would catch to recompense him for having showed him how to set traps. The next morning after he had been shown, Barriault went to his trap, and found a black fox in it. Bujold took the black fox home claiming it was his because it was the first fox taken. Barriault claimed that the fox was delivered to Bujold simply in order that he, Bujold, would sell it and give the money to him.

Bujold sold the fox and sent a certain amount to Barriault, but Barriault was not satisfied with the amount received, and sued Bujold for the balance. Bujold retained the firm of Bugeaud & Cote, lawyers of New Carlisle who claimed that their client was entitled to the fox, because Barriault had told him that he would give him the first fox that he would catch. This was the first fox caught, therefore, it belonged to Bujold.

The attorney pleaded that the fox had been delivered to Bujold as his property. Barriault retained the Honorable John Hall Kelly, K. C., and the latter pleaded that it was true that his client had said that he would give the first fox that he would catch to his uncle, but that when he said this he only had in mind the ordinary red fox, that he had never thought that the first fox would be a black fox, and consequently although the first fox caught was a black fox, that he was not obliged to deliver it.

He also claimed that the fox was delivered to Bujold to sell for his client. By the judgment that has been handed down, the Superior Court at New Carlisle, presided by Justice Tessier, has decided that Barriault was not obliged to deliver the black fox, although it was the first fox taken. The judgment also declares that the black fox belonged to Barriault and the Bujold who had sold the fox was obliged to hand over the amount received for the fox to Barriault, less a certain amount which the Court allowed Bujold for his trouble, etc., in bringing about the sale of the fox, after it had been delivered to him.

Bujold has authorized his Attorneys Messrs. Bugeaud & Cote, to take the case to appeal, so again the question will be thrashed out in a higher Court to know who owns the fox. The case so far has been followed with considerable interest. The spectators while the case was being pleaded rendered judgment some far, some against each party, the main argument being "the first fox is the first fox," but then there is the beautiful uncertainty of the law.

CANADA'S YEARLY PRODUCTION

NEW MILLS

The congregation of New Mills, etc., have been favored by a short visit from Rev. P. A. Robinson, M. A., Secretary of Evangelism and his assistants, Mr. T. H. Nichol, tenor soloist and leader of service and Miss Niven, soprano soloist.

Special services preparatory to Communion were conducted from May 27th to June 1st in the Presbyterian Church at Charlo. The Mission was favored by beautiful weather and although the farmers were very busy, the large and increasing attendance upon the meetings was an evidence of the interest and inspiration of the services. The strong, sane, sympathetic, impressive Gospel messages by Mr. Robinson were most helpful as were also the tender, touching appeals by solo, duet and trio.

Mr. Nichol who was welcomed as an old friend, also prepared for the hearing of the Word by the way in which he conducted the service of praise. The Mission was followed by the dispensation of the Lord's Supper on June 3rd to a large and reverent congregation. During his short visit Mr. Robinson did much to quicken and interest in the Social Service work of the Church. An address to the women on the redemptive work among women and girls was followed by several gifts, a sign of an awakened interest in a comparatively new but most useful phase of Christian service.

During his visit Mr. Robinson and party were most hospitably entertained by Mrs. J. K. Hamilton, while Mr. P. W. Hamilton kindly placed his auto at their disposal. Although the Mission was too brief to obtain large results, yet to many persons there came the vision of inspiration of a larger service for the Master's cause. Mr. Robinson's message and methods are most heartily commended to any session who may be able to secure his services.

ATHOL

Miss Mable Salmon who was attending the Fredericton Business College has returned home.

Gunner George Wilkins of the Coburn Heavy Battery spent the weekend with his parents.

Miss Olive Furlotte who has been visiting her sister, Mrs. Jos. Dabey has returned to Jacquet River.

Pte. Andrew Hill was called to Shediac last week on business.

Many friends of Mr. John Hill will be pleased to hear that he is greatly improved and able to resume his usual work.

Word was received here last week that Pte. Arthur Johnson of 132nd Battalion was killed in action, May 10th. Much sympathy is expressed for the bereaved family.

Miss Greta Hayes spent the weekend in Campbellton. Prayer meeting will be held Friday evening in the church.

SUMMER COMING. While summer scarcely can be said to have arrived, the longest day is but nine days away, and June 21 will mark the beginning of shorter evenings.

SNOW DISAPPEARED. The last trace of snow on the Sag-ar Loaf visible from town disappeared on Saturday. While there is undoubtedly snow in the deep woods none is visible. This date is unusually late.

SALE OF HOME MADE CANDY. The Tipperary Club will sell Home Made Candy at the performance of the Boston English Opera Company on Monday night. The proceeds will be for the Military Y. M. C. A.

SLEUP IN POTATOES. New potatoes from the Southern States are reaching the U. S. markets and a big drop has taken place in N. B. potatoes. They dropped from \$7.50 to \$3.50 in a day, with a further drop expected.

BAD ROADS. Many complaints are being made of the condition of the roads between Campbellton and Tide Head. In some places culverts need attention, and the entire road needs the drag. The new supervisor should not allow such a state of affairs to exist in this district.

ANOTHER FINE. A Ward III citizen was before his honor recently for selling liquor and admitted the offence. He was fined \$150.00 and costs. It is supposed that the liquor sold was some stock hidden away previous to May 1st, and being disposed of now.

A LARGE AMOUNT. Campbellton leads the province in funds collected under prohibition act. During the six-weeks since the act came into force \$720.00 have been collected in fines. Two of these cases are pending and will be up for trial in a few days.

WHAT ADVERTISING DOES. One of our advertisers writes:—"Please withdraw our advertising for the present. We have received more orders than we can fill. Are enlarging our plant and expect to resume advertising in a short time." It pays to advertise in the right way.

AUTO OWNERS MEETING. Every Auto owner in the counties of Restigouche and Bonaventure should make it a point to be present at the meeting to be held Friday evening, June 15th at 8 o'clock in Murray's Hall. If a special invitation has not been sent you, come just the same.

With the Fingers! Says Corns Lift Out Without Any Pain

Sore corns, hard corns, soft corns or any kind of a corn can shortly be lifted right out with the fingers if you will apply directly upon the corn a few drops of freezons, says a Cincinnati authority.

This new drug is an ether compound, and while sticky, dries the moment it is applied and does not inflame or even irritate the surrounding tissue.

This announcement will interest many women here, for it is said that the present high-heeled footwear is putting corns on practically every woman's feet.

DRAGGING THE ROADS

In certain districts in Colborne and Durham the roads are good, but in others they are very rough and there is no excuse for them. The use of the split-log drag at Upper Charlo has put that section in excellent condition but from Black Point to Jacquet River Bridge they are very bad. This supervisor should get busy. Then below Jacquet River Station to the Gloucester county line the roads need the drag. The Graphic is going to suggest that if the new supervisors fail in their duties others who are more progressive be appointed.

SON,

BOOZE IS STEALING ENGLAND'S STRENGTH

British and Americans Agree on War Prohibition. Washington, D. C., May 31.—The recent conference of officials with the foreign war missions, it was learned today, have included full discussions of the question of war time prohibition, which, it has been concluded, will become a necessity both in the United States and England.

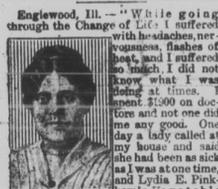

"Prohibition must come," says the pamphlet. "Nero will not fiddle while the British Empire falls. The nation has only to know the sinister facts. The prohibition of the drink during the war would have— "Saved in drink expenditures and its results \$5,900,000,000. "Added 100 days to our war work. "Saved over 200,000,000 cubic feet of shipping. "Set free for war work 100,000 trains of 200 tons. "Saved the waste of 1,000,000 acres of land. "Released man power enough to raise 60,000,000 tons. "Enormously relieved the strain on the Red Cross. "Released thousands of doctors and nurses. "Saved enough food to feed the nation three months. "Saved enough food to feed the army and navy during the war." \$2,000,000,000 Drink Bill. The drink bill of the United Kingdom during the three years of war, the pamphlet says, has been \$2,000,000,000. "This," it declares, "is about one-tenth the cost of the war so far. For every sovereign we have spent in fighting Germany we have spent two shillings in weakening ourselves."

"PLEASE STOP MY—" A newspaper is the great national book. It penetrates into the heart of nearly every family and silently does its work. It can drop the same idea into the minds of thousands of people at the same time. There are many people who read nothing else, almost no one reads that does not read the newspaper and hence, as an advertising medium it is by far the cheapest and best; and every business man who wishes to prosper and become a power in the land will have to keep the word "advertiser" constantly before him; take advantage of it on every hand; don't let an opportunity pass to make your name and business favorably known. Every advertisement inserted attracts the eye of the outside world, and nothing else tends more towards the growth of a city. "Times are hard, money is scarce, business is dull, retrenchment is duty—please stop my—" "Whiskey? "Oh, no; times are not hard enough for that. But there is something else that costs me a large amount every year, which I wish to save. Please stop my—" "Ribbons, jewelry ornaments, and trinkets? "No, no, not those but I must retrench somewhere. Please stop my—" "Tobacco, cigars, snuff, "Not these at all, but I believe I can see a way to effect quite a saving in another direction. Please stop my—" "Tea, coffee, and unhealthy luxuries? "No, no, not these. I must think of something else. Ah! I have it now. My paper costs \$1.50 a year. That will carry me through the panic easily. I believe in retrenchment and economy, especially in brain.

"RHEUMATISM IN ALL MY BONES AND MUSCLES" Montreal, Que. "I have been suffering from kidney trouble for five long years. I had also rheumatism in all my bones and muscles, could not sleep nights and on some occasions could hardly walk. One day I met one of our leading hotelkeepers who had been cured by your Gin Pills. I bought two boxes at my drug-gist's and before I had used one box I felt a big change, before I had used the second one I was completely cured. Eugene Quessard. All druggists sell Gin Pills at 50c a box, or 4 boxes for \$2.00. A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill.—"While going through the change of life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Illinois Hospital."—Mrs. E. SHELTON, 687 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, but with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old-fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

GAPE

Miss Bellevue who visited this town a short while ago whilst on her way to L'Anse Aux Cousins was again visiting this beautiful locality on Sunday; the alluring attractions of the perfect Gaspé scenery cannot be understood by visitors, living in a nearby locality.

The weather was very disagreeable and rainy during the latter part of last week, but on Sunday a complete change was effected, and the weather was suitable for a mid-summer day. This fine weather is greatly needed by the farmers at the main bulk of the farming has been held back considerably on account of the continued bad weather; but if this week continues fine the farming will advance rapidly.

Upon interviewing the Manager of the Orpheum Picture Palace, Mr. D. E. Beattie, he informed me that he expected to open his Theatre to the patronising public no later than Saturday, June 16th, and we have no doubt that the Theatre will be greatly attractive to everybody.

The "Gaspé Dramatic Club" which has been organized lately are holding a meeting at the Town Hall on Monday, June 11th, and a goodly attendance of members is anticipated. This Club intends at first a concert about the first week in July, and will continue to reproduce a concert every few weeks; full particulars will be published. "KALEM."

Gabriel's Roman Catholic Church, when Miss Beatrice Legay, oldest daughter of Mr. and Mrs. Joseph Legay became the bride of Mr. Joseph Tardy of this place, formerly of Balmoral. Miss Tardy, sister of the groom acted as bridesmaid, while Mr. Bernard of Balmoral supported the groom. After the ceremony the bridal party repaired to the home of the groom where a sumptuous wedding dinner was partaken of. On the eve of the wedding, Miss Legay was entertained at a party given by her friends.

Mr. George Bertin of Nashes Creek has received a telegram informing him his son, John E. Bertin has been wounded in a recent action, but to what extent has not been ascertained. Private Bertin enlisted in the 132nd also and was later drafted to France. His many friends wish him a speedy recovery.

Miss Audrey Doyle has again taken up her duties in the Bank of Nova Scotia, after being absent on leave for some time. Miss Lou Brown who has been employed in the Bank for some time past has resigned her position. Her absence will be deeply regretted by the general public as she was unfailingly courteous to all with whom she came in contact.

Mr. Alexander DeGrasse has returned from Waltham, Mass., where he has been undergoing treatment in the hospital, much improved in health to the delight of his many friends.

The first meeting of the Women's Institute was held Friday evening last at the home of the President, Mrs. W. J. Davis. Owing to the disagreeable condition of the weather only ten members were present, an address of welcome was extended by the President and the usual program was carried through. Each lady present giving some hint on economy or useful recipe which she had tested. The next meeting will be held at a meeting place in future. Ice Cream and cake was served ending a very successful evening, both from a social and profitable point of view.

Mr. Sherman Frlotte of Campbellton spent Monday at his home here.

GRAND RIVER

Among the latest arrivals on the Gaspe Coast is Mr. Edwin LeRoussignol. It will be remembered that this loyal Jersey Canadian enlisted in company with Mr. Frank Langlois in the 60th Battalion of Montreal in July 1915. Pte. Frank Langlois was killed in action at Courcellette on October 9th, the deceased before enlisting was in the employ of Mr. Ernest LeMarquand as clerk at Newport.

It was in the battle of Hooge near Ypres last June that Mr. LeRoussignol was severely wounded in the shoulder, he having been wounded early Friday morning on June 2nd and remained in an old dug-out till Monday, June 5th whilst the shelling was most severe, but fortunately Fritz didn't get a direct hit on the dug-out.

When hit he thought his shoulder was blown off, and at the time was carrying ten bombs, luckily the shrapnel caught him in the back of the shoulder. A short time after being wounded he tried to get down to the dressing station but could hardly move so had to remain till he was taken out on Monday, during those

three days he hadn't anything to eat, but had a little water. On the 8th of June he had an operation in France, and the second in good old Elgithy, this was performed on the 17th when he had several pieces of bone taken from his shoulder.

On October 4th Mr. LeRoussignol was honourably discharged as being no longer fit for War Service. He has three brothers in khaki, one in the 3rd Battalion, Toronto, who has been at the front since February 1915, one in the 199th somewhere in France and one in the 216th training in England.

CAPE COVE

As there has not been any notes from this little place, I must write a few interesting events of the past. We regret to hear that Rev. A. R. Warren is still in the hospital where he has for the past six weeks. Congratulations are being extended to Lieut. and Mrs. De Gruchy on the arrival of a baby girl at their home on Wednesday June 6th.

Mr. Albert Couture has returned from Detroit where he has been for the past week. Miss Cunningham is in town at present taking subscribers for the McLean's and Farmer's Magazines. We are pleased to have Bomb. Wm. Rooney with us again, but regret that he isn't enjoying the best of health. Lieut. De La Perelle, (Recruiting Officer) who has been here for the past two months spent the week-end in Gaspe Village.

Mrs. J. J. Beek paid a short visit to Barachois Friday. Miss Donnelly teacher of L'Anse Aux Beaufils spent the week-end at Mrs. Dumarest's.

In spite of the rainy season and the high cost of gasoline, the cars are quite numerous. Mr. Dumarest Beak, who is in the employ of Robin, Jones and Whitman has been removed from Grand River to this place.

Rev. De Gruchy spent Monday in town, the guest of Lieut. and Mrs. Gruchy.

Boston English Opera Co. With An All-Star Cast

The roster of THE BOSTON ENGLISH OPERA COMPANY, which comes to the OPERA HOUSE, MONDAY NIGHT JUNE 18th is an impressive one. Headed by Joseph F. Sheehan, America's foremost tenor and Mile Nelli Gardini, the greatest of all French Dramatic Sopranos, the

TOWER SCENE FROM "IL TROVATORE"

cast includes such eminent artists as Miss Elaine De Sellem, whose characterization of the Gypsy hag, Azucena, is said to be the finest piece of character acting in the annals of opera, Robert Evans, the Renowned

Heming, etc. In addition to this unequalled cast of principals there will be an unusually attractive chorus, both as to voice and beauty and the simple announcement that the orchestra will be under the leadership of Maestro Giacomo Spaloni is in itself a guarantee of excellence in that direction.

From a standpoint of production The Boston English Opera Company has excelled all previous efforts. Special attention has been given that every detail is carried out to perfection making the scenic picture one of rare beauty. There are few operas which give the opportunities for beautiful stage setting which "Il Trovatore" does; its eight different scenes are all picturesque to the extreme and full advantage has been taken to make this end of the production on a par with its wonderful artists which comprise The Boston English Opera Company.

The Crisis!

Untold sacrifices are being made in defence of the world's liberty, assailed by the Hun, who declares he fights for "existence." Let us not forget that other crisis in which the fate of the dread Liquor Traffic, subdued just now by the necessities of war, is also fighting for existence.

Prohibition must be impregnable, fortified now by means of proper enforcement in readiness for the struggle to come when Prohibition must be finally ratified or lost by the votes of the people in many provinces, including New Brunswick.

Alberta, Saskatchewan, Manitoba, Ontario, Nova Scotia and New Brunswick have adopted Prohibition during the war, Prince Edward Island has enjoyed its benefits since 1901. The great majority of districts in Quebec are "dry." That is the situation to-day, but remember, the crisis comes after the war.

The total value of foodstuffs destroyed by the liquor traffic in 1916 was approximately \$4,244,090.22. Add to this the immense waste of transportation facilities, clogged and hindered by carrying the grain to destruction, and again conveying the product of the breweries and distilleries to make precious men less efficient in this solemn hour!

Ontario's Splendid Record

Since September 16, 1916, Ontario has enjoyed good enforcement of Prohibition in all but a few districts. Not the most daring anti-prohibitionist hopes for a return of the traffic in Ontario. Here are some figures showing results in Ontario's largest cities for the last three months of 1915 and 1916:

ARRESTS FOR DRUNKENNESS

	Under License 1915	Under Prohibition 1916
Toronto	2,908	953
Ottawa	286	234
Hamilton	498	61
London	367	144
Brantford	152	16

Note.—"It will be noted that Ottawa has not such reduction in arrests for drunkenness. It is perhaps strange that it should show any reduction in the drunkenness record, inasmuch as it is separated only by the river from the license city of Hull."—PIONEER, Toronto.

Whether your district be under the new Provincial Prohibitory Law, or under the Canada Temperance Act, help us to arouse the full force of public opinion for vigilant enforcement of province-wide Prohibition.
