The copy filmed here has been reproduced thanks to the generosity of:

Bibliothèque générale,
Université Laval,
Québec, Québec.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque générale,
Université Laval,
Québec, Québec.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

RULES RESPECTING THE LIBRARY.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarian, in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the House through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during a Session of Parliament, except the Governor of the Province, the Members of the Executive and Legislative Councils and Legislative Assembly, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce Strangers to the Library during the daytime, but not after the hour of seven o'clock, P. M.

During a Session of Parliament, no Books belonging to the Library shall be taken out of the Building, except by the authority of The Speaker, or upon receipts given by a Member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon; and access to the Library shall be permitted to persons introduced by a Member of the Legislature, or admitted at the discretion of the Clerk or Librarian; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any Book out of the Library, except Members of the Legislature, and such others as may be authorized by the Speaker of either House.

The Clerk of this House is authorized to subscribe for the Newspapers published in the Province, and for such other papers, British and Foreign, as may from time to time be directed by The Speaker; and to import annually the continuation of Periodical Works in the Library.

REGLES CONCERNANT LA BIBLIOTHEQUE.

Un Catalogue des Livres de la Bibliothèque est tenu par le Bibliothécaire qui en a la garde et la responsabilité, et doit faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur de la Province, les Membres des Conseils Exécutif et Législatif, et de l'Assemblée Législative, et les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre: les Députés peuvent, en personne, introduire des étrangers dans la Bibliothèque, pendant le jour, mais non après sept heures p. m.

Pendant les Sessions du Parlement, aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur autorisation de l'Orateur, ou lorsqu'un Député de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement, la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les Dimanches et les jours de Fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un Membre de la Législature, ou admises à la discrétion du Greffier ou du Bibliothécaire, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres; mais il n'est permis à qui que ce soit, si ce n'est aux Membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Le Greffier de cette Chambre est autorisé à s'abonner aux Journaux publiés dans cette Province, et aux autres papiers Anglais et étrangers qui sont désignés de temps en temps par l'Orateur, et à faire venir chaque année la continuation des Ouvrages Périodiques que possède la Bibliothèque.

Note.

This Index will be found to comprise all the Books in the Library of Parliament to the present date; arranged alphabetically under the name of the author or subject. The pages refer to the large Catalogues on the Library Table, in which full titles of the Books are entered, classified under appropriate heads. A *Subject-Matter Index* has also been included in this Volume, referring to the pages of the classified Catalogue, which contain any works on the subject in question, or to Volumes of pamphlets on the particular subjects. This Index is distinguished from the other portions by being printed in *Italics*. The Names of Authors, and of Persons, are printed in SMALL CAPITALS. The titles of anonymous works as well as of works mentioned under some other head than the author's name or the name of a person are printed in Roman letters.

Note.

Cet Index, comme l'annonce le Titre, comprend, disposés dans l'ordre alphabétique, tous les livres qui se trouvent actuellement dans la Bibliothèque du Parlement. Les chiffres qui suivent les Titres indiquent les pages des grands Catalogues imprimés et manuscrits qu'on trouve sur la Table de la Bibliothèque, et où sont inscrits au long, dans un ordre méthodique et raisonné, les titres de tous les ouvrages, au fur et à mesure qu'ils sont reçus. On donne aussi dans le présent volume une *Table alphabétique des Matières*, en renvoyant aux pages du Catalogue Méthodique et aux volumes des brochures où se trouvent des ouvrages sur les différents sujets. Cette partie de l'Index est imprimée en caractères *italiques*, pour la distinguer du reste. Les noms d'auteurs et de personnes sont en PETITES CAPITALES, et les titres énoncés autrement que sous un nom d'auteur ou de personne sont imprimés en caractères romains.
