The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library  
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library  
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

MEMORANDUM ON  
**DONATIONS AND ENDOWMENTS,**  
 SUBMITTED BY THE FACULTY OF ARTS OF MCGILL COLLEGE, TO THE  
 CORPORATION AND BOARD OF GOVERNORS.

To complete the efficiency of McGill College, in its present state of organization, without any extension of the professoriate, funds are necessary for—

- I. AIDS TO STUDENTS,
- II. ADDITIONS TO THE LIBRARY.
- III. ADDITIONS TO THE GENERAL FUNDS OF THE COLLEGE FOR MISCELLANEOUS PURPOSES.

The special objects named in I. and II. demand the largest sums at the present moment. The money required under heading III, however, is not much less than under I.

The following are some of the forms under which donations may be made :—

**I.—AIDS TO STUDENTS.**

1. *Exhibitions and Scholarships* (to be named after the founders, or after those whose memory they desire to perpetuate), each of about £30 cy. yearly value. Of these there ought to be, at least, 16, so as to allow 4 for each College Class. Both Exhibitions and Scholarships to be awarded according to the results of Competitive Examinations.

The distinction between Exhibitions and Scholarships to be as follows :—

(a.) *Exhibitions* to be tenable for *one* year only. To be limited to Students of the First and Second years. The Competitive Examination to be general or in at least three subjects of the University course for those years.

(b.) *Scholarships* to be tenable for *two* years. To be limited to Students of the Third and Fourth Years.

The Examination to be in a special subject. Thus, a student obtaining a Scholarship at the commencement of his Third Year, will be aided to the end of his course.

2. *Prizes* for special subjects. These may be of any amount. A gross sum of from £60 cy. to £100 cy., yearly, for all the classes is needed.

Besides the above, intended to aid Students to the end of their B. A. course, it would be very advantageous if Scholarships lasting for 3 or 4 years could be given at the B. A. Honour Examinations, so as to help the ablest Graduates in their early struggles in the world. In this way, the University would, like the larger Universities of the mother country, be sought out, as the path to eminence, by men possessing high natural talent, who cannot now afford the time for its proper cultivation.

**II.—ADDITIONS TO THE LIBRARY.**

These may be made either generally or in special departments of learning. In the latter case, if the collection of books given be sufficient to fill a separate compartment of the William Molson Hall, donors may have a compartment specially reserved for them.

There is already one instance in the "Peter Redpath Historical Collection."

**III.—ADDITIONS TO THE GENERAL FUNDS OF THE COLLEGE.**

These may be made in the following ways amongst others :—

1.—*Donations to the Endowment Fund.* A donation of £150 cy., entitles the donor to a perpetual nomination of a Student who shall obtain education free of tuition-fees.

The Roll of Benefactors under this head, may be seen in the College Calendar for any year.

2.—*Endowments for any of the present unendowed Professorships*, to the extent of £300 cy. a year or more, and thus setting free this sum from the College funds for general purposes.\* The Professorships to be called as is customary, by the names of their founders, or such other names as they prefer.

There is one such Professorship at present, viz: the "Molson Professorship of English Literature."

\* Under this head may be mentioned, as among the important objects for which the University cannot now provide,—Expenses of Examinations, Subdivision of Chairs and additional means of instruction by lecturers and tutors, Additions to Apparatus and Museum, Repairs and Improvements of Buildings. It would also be desirable that the University should be provided with an Astronomical Observatory and a Botanical Garden.
