Question 8.—What is the state of our Christian Experience?

Answer.—With gratitude we record that an hallowing influence prevailed among us while relating our Christian experiences. All the Brethren spoke clearly of their acceptance with God, their increasing delight in his service, and of their united resolve to consecrate themselves to the interests of truth.

Question 9.—What is the Spiritual state of the Work among us?

Answer.—We are thankful to the giver of all good that we have realized an increase to our Societies during the past year, to the number of 298; and a greater degree of piety has been evidenced in many places. Our Sunday Schools are in an improving state. Nine additional Chapels have been built, and greater liberality displayed among the people of the Lord. We therefore acknowledge the hand of the Most High, and take courage to proceed in the great work of pointing sinners to the Lamb of God, who taketh away the sin of the world; and to urge believers to live more fully for the wellbeing of men, and the glory of God.

ADDRESS TO THE SOCIETY.

DEAR BRETHREN:—Being assembled in Annual Conference, we have with great pleasure the opportunity of addressing to you a few words of consolation, information, and exhortation; gratefully acknowledging the good hand of the Lord, who has sustained and conducted us through, and crowned us with many blessings, temporal and spiritual, during the changes and conflicts of the past year. None of your members have been called away by death; though several members of our Societies have been called from the cares, labours and sufferings of this world, to their rest and reward in Heaven.

The great Head of the Church has not left us without tokens of His love, and has poured His Holy Spirit upon us, to cheer, to revive and sanctify our souls; so that after filling up the losses occasioned by unfaithfulness, removals and deaths, we have an increase of 298 persons meeting with us in Church fellowship.

Several Societies and Congregations have given evidence of love to the habitation of God's house, in cleaning, repairing, and also in lessening the debts thereon; others in building suitable places of worship, so that His cause may be established and built up; Christ honoured, and souls saved. We, however, learn with grief and sorrow of heart, that several in our Societies seldom attend their class meetings, their prayer meetings, or the public means of grace, and do but little any way to promote the welfare of the Church, and the extension of the Redeemer's kingdom in the world. In many places our Societies consistently take a deep and lively interest in the prosperity of our Sabbath Schools, and we are pleased to state as the result that more than one thousand Teachers and Children have been added to the ranks during the year. We regret, however, that so many do not see and feel how important this department is to the Church, nor render that sympathy and aid necessary to the attainment of its proper character, and the fulfilling of its mission, as the hope of the Church and the world.

The Finance Department, both the General and Missionary, are in advance of last year; and we affectionately suggest to you the propriety of considering the necessity and importance of continuing your increasing liberality, that the cause of Christ may continue to advance and prosper.

Oh, Zion! awake, awake, arise from the dust, and put on thy beautiful garments. Oh, Zion! awake, awake, and know the day of thy visitation, lest it be hidden from thy eyes. Oh, Zion! the chosen of God and the redeemed of the Lord, arise, shine, for the light is come, and the glory of the Lord is risen upon thee.

WILLIAM HOOPER, *Secretary.*

JOHN CHAPPLE, *President.*

[illegible]

has poured His Holy Spirit upon us to comfort and strengthen our souls; and to that end filling us the Lord's anointed by our baptism, to have an increase of His love and His Holy Spirit upon us to comfort and strengthen our souls; and to that end filling us the Lord's anointed by our baptism, to have an increase of His love and His Holy Spirit upon us to comfort and strengthen our souls;

Several Social and Conventions have given evidence of love to the children of God's house in clothing, repairing, and also in building the hospital; others in building suitable places of worship, as that at Kansas was the first; and built up a Christian household, and saved souls. We do not learn with grief and sorrow of heart, that several in our Christian school attend their class meetings, their prayers meetings, or the public means of grace, and do this any way to promote the welfare of the Church, and the extension of the Kingdom of God in the world. In many places our churches consistently take a deep and lively interest in the prosperity of our English schools, and we are pleased to state as the result that more than one thousand Teachers and Children have been added to the ranks during the year. We trust, however, that as nearly as we can see and feel how important this department is to the Church, not realize that sympathy and aid necessary as the attainment of its proper character, and the fulfilling of its mission as the power of the Church and the world.

The Finance Department, both the General and Military, are in advance of last year; and we affectionately suggest to you the propriety of considering the necessity and importance of continuing your increasing liberality, that the cause of Christ may continue to advance and prosper.
