INCREASED DUTY ON POTATOES

United States Likely to Raise the Rate of Duty on Spuds

It will surely prove disastrous to the hopes, aims and ambitions of New Brunswick potato growers if the rate of duty on potatoes going into the United States is established according to a dispatch from Washington dated March 20, which says "United States Senators Hale and Fernald, of Maine, have requested the senate finance committee to fix the duty on potatoes in the Fordney bill at thirty-five cents a bushel. The senators told the committee that Maine potatoes met severe competition from New Brunswick, but that if this were the only competition they would be satisfied with the present rate in the bill—twenty-five cents. Senator Fernald, however, said that the present tariff does not exclude vast shipments of potatoes from Ireland, and since that country is now to be a free state he thought production would increase, and for that reason greater safeguards are needed."

Serious attention was given to the plea of Senator Fernald, which was fortified by an able argument along the same lines advanced by Senator Hale. After they had indicated they had nothing further to say on the subject Senator Watson (Ind.), with a gleam in his eyes said:

"Senator Fernald, we were much impressed by your argument, but we understand that you have a fine voice and if you will favor us with a song, say 'Throw Out the Life Line' it may aid your case."

MRS. GEORGE W. BOYER

The death of Mrs. Elisor Boyer, widow of George W. Boyer, came as a great shock to her many friends, few of whom realized that her condition was at all critical until the news of her death was announced at 1 p.m. on Mar. 16. She had been ill but five days, of pneumonia. Up to the day of her last illness she had been a remarkably smart and active woman for one of her age, which was 83 years. Her maiden name was Davis and she was born in Queens county. Her first husband was Phillip Davis and for years they lived in Woodstock where Mr. Davis died many years ago. She later married George W. Boyer and lived with him at Victoria until their home was burned about 25 years ago at which time they bought the old Nevers homestead on Main street, in the centre of Hartland town, where both spent their last days.

Surviving relatives are two adopted daughters—Mrs. H. E. Adams of Hartland and Mrs. George W. Davis Davis of Millinocket, Me., a nephew, George W. Davis, and many more distant family connections.

Mrs. Boyer was a woman of high Christian character and keen intelligence, conspicuous by her quiet demeanor and her strict attention to the affairs of her own household.

The funeral, largely attended, was held from her home on Saturday, the sermon being preached by her pastor, Rev. E. A. Frites and Jeremiah Davis, Fred J. Boyer and H. C. Cochran.

FUNERAL OF RAMSFORD

BIRMINGHAM

The funeral of Ramsford Birmingham was held from his late residence on Rockland Road on Friday afternoon with a sermon by Rev. E. A. Frites. A large number of relatives and many from his wide circle of friends attended to pay their last respects and to give their sympathy to the bereaved family. Among those from out of town attending the funeral were Mr. and Mrs. William Kimball, Mr. and Mrs. Homer Kimball, of Upper Woodstock, and Mr. and Mrs. Geo. Churchill of Fort Fairfield, brothers and sister of Mrs. Birmingham. Henry Birmingham of Victoria is the only surviving brother, another, Hadson, dying only a few weeks ago.

PLASTER ROCK WEDDING

At Plaster Rock, February 28, the home of Fred Bradford was the scene of a pretty wedding when his daughter, Violet, and Oily L. Chase were united in holy matrimony by Rev. H. M. Bruyn of Plaster Rock in the presence of a few friends of the bride and groom. They will reside at Plaster Rock.

SAMUEL CRABBE

The many friends of Samuel Crabbe were greatly shocked to learn of his sudden death which took place at the

home of his daughter, Mrs. Otis Hatfield, New Limerick, Me., on March 11, in the 74th year of his age. He leaves to mourn, three daughters and three sons, Mrs. Otis Hatfield of New Limerick, Mrs. Isaac Pelkey of Lansdowne, Mrs. Clarence Stoddard of Beaufort, Harold of River Bank, Charlie and Byron of Lansdowne. Funeral service was held March 14 at Lansdowne church, Rev. A. Giberson officiating. Interment was made in Lansdowne cemetery.

EDMUNDSTON HAS SERIOUS FIRE

Early Tuesday Morning Blaze Destroys Building and a Motor Car

Early on Tuesday morning a fire of unknown origin broke out on the premises occupied by Thomas Thelholme and used as bowling alleys. The building is owned by Joseph David. In the rear of the alleys Mr. David had his new Studebaker automobile stored. The fire quickly gained headway and resulted in several thousands of dollars damage. The automobile was damaged considerably by smoke and heat, although not actually touched by fire. The prompt work of the fire department undoubtedly saved the splendid cement block in which is located Joseph David's department store of ladies', men's and children's apparel. Albert Rice, one of the firemen, had his coat and hat consumed as he fought the fire. The loss is partially covered by insurance. Mr. Thelholme's loss amounted to several hundred dollars.

PRESENTATION

On Tuesday evening a number of the congregation of the Church of England met at the rectory where Mr. and Mrs. H. W. Annett were surprised to find that they were the guests of honor. During the course of the evening Fred H. Stevens, senior warden, demanded that Mr. Annett, junior warden, come up on the carpet and in a literal sense "take what was coming to him." Mr. Annett was congratulated upon his recent marriage, complimented upon his very excellent choice, and Mrs. Annett was given a warm welcome as a member of the congregation. On behalf of the friends present Mr. Stevens presented Mr. and Mrs. Annett with a silver combination cheese dish and cracker tray. Mr. Annett acknowledged the gift in an appreciative manner, after which the rector briefly addressed the guests, emphasizing the welcome all felt for Mrs. Annett, and taking occasion to express words of appreciation for both of his wardens.

EDMUNDSTON OBSERVER

The first number of the Edmundston Observer dated March 17, was received in Hartland on Tuesday. In general appearance the paper conforms to The Carleton Observer and Fred H. Stevens is the publisher. Rev. John Hardwick pastor of St. Paul's Presbyterian church at Edmundston, is the local editor. If he continues to get up each successive week the quality and variety of news topics supplied for the first issue the success of the paper, from a news standpoint is assured. The one quite remarkable feature of the paper is the great amount of local advertising appearing in the first issue and it is understood that all the advertising has been placed under signed contract for a full year.

CARD OF THANKS

We wish to thank our neighbors and friends for the sympathy and kindly assistance tendered during the illness and death of the late R. M. Birmingham.

The Family.

MYSTERIOUS ILLNESS CAUSES DEATH

Family of George Boone at Ashland Seized with Strange Infection—One Dies

A mysterious illness broke out in the family of George Boone at Ashland last week, all the cases developing extreme dysentery and renal hemorrhage. The oldest son, Milton, a young man of 23 years, was the first victim and he succumbed to the disease on Monday. The younger sons, Arthur and Irving, and a daughter, Martha, were ill with similar symptoms and more lately Mr. Boone himself was taken down. This morning all the cases are reported convalescent but not all yet quite out of danger. It is considered that the infection may have been from surface water which flowed over a potato field upon which Paris green had last year been sprayed and contaminating the spring from which the drinking water had been taken.

The case has created a great deal of interest and the sad nature of it has brought forth much sympathy for the stricken family. The young man who died was much liked by a wide circle of friends and was possessed of many likeable qualities. The funeral was held yesterday afternoon, the sermon being preached by Rev. E. C. Bell of Rockland. There was a large attendance of friends, drawn by the peculiarly sad nature of the case and by the genuine sympathy felt for the family.

NEW TOWN OFFICERS

On Friday evening there was a special meeting of the town council at which there was under consideration the matter of employing a man to act as superintendent of street work, water works, and as police officer; and also the appointment of a clerk and tax collector. No decision was reached as regards an appointment at this meeting, but for the first position the name of J. F. Murdoch is mentioned, while A. E. Flumer is likely to be continued as clerk. Both men are eminently qualified and their appointment would meet with the general hearty approval of the rate-payers.

EVANGELISTIC SERVICES IN REFORMED BAPTIST CHURCH

Special meetings began last night in the R. B. church and will continue indefinitely. The Evangelist is C. Leslie Smith of Pennsylvania, who is a new man in these parts. He is a forceful and interesting speaker and comes well furnished for the work having had experience as teacher, pastor, religious editor, and evangelist. He is a deep and thorough Bible student and preaches the old fashioned gospel in its fullness. Everybody should hear him.

PRODUCE PRICES

The potato market still presents a hopeless outlook and the only real demand seems to be for seed stock and great deal of which is being shipped. The prices remain at 75 cents to \$1.00. The demand for hay is still strong and today \$25.50 is being paid. Oats are bringing 55 cents.

Butter remains steady at 35 cents, but there has been a drop in eggs and 30 cents is the best price obtainable in a cash transaction, although the stores will pay 35 cents in trade.

The members of Somerville Branch United Farmers will hold a meeting in Hartland on Saturday afternoon, April 1, at 2.30 p.m. We would like all members to be present and also all farmers who are interested in the movement. By order of president, H. Ward Ginson, Sec.

FINEST SCHOOL IN PROVINCE

In Many Ways Edmundston's Expensive New Building Will Surpass Anything in New Brunswick

(Edmundston Observer)
Tenders for the building of the new Public School when opened by the Trustees were as follows:
R. A. Corbett, St. John, \$124,700
J. A. Grant & Co., St. John, 121,950
L. A. Dugal, Edmundston, 121,531
None of these tenders were, however, accepted. The architect, R. A. Frenchet of Moncton, estimated that the cost would be around \$106,000 and recommended that the work be done on a cost plus per cent basis. Mr. L. A. Dugal then tendered for the work along these lines, guaranteeing that the whole cost shall not be more than \$115,000. Mr. Dugal will get eight per cent of the cost.

It will be remembered that Mr. Dugal also had the contract for the foundation work already completed. It will be ready for occupancy next fall. The School Board will call for tenders for the purchase of \$50,000 fifteen year bonds, bearing six per cent, and further legislation is being sought for a further flotation of \$75,000. This money is needed in connection with the erection of the school.

Edmundston will be justly proud of her new school. It will be the finest in the province, being the only one built with the idea of giving adequate vocational training. Grants from the Provincial and Dominion Governments were made to make this possible.

The School Board is to be congratulated on their long vision, as they plan to give the very best training to the rising generation.

A Stitch in Time

Quick action is the only hope when kidney disease appears.

There is a whole train of dreadfully painful and fatal ailments which soon follow any neglect to get the kidneys right. Among others are rheumatism, lumbago, Bright's disease, hardening of the arteries and high blood pressure.

In Dr. Chase's Kidney-Liver Pills you will find a treatment which is both quick and thorough.

Mr. C. E. Raymus, Liffdale, Alta., writes:

"I was a great sufferer from kidney disease and lame back for more than a year. A friend of mine one day told me of Dr. Chase's Kidney-Liver Pills, and acting upon his advice I tried them. After I had taken one box I felt better, so I continued until I had used five boxes. By this time I felt as well and strong as ever, and am glad to recommend Dr. Chase's Kidney-Liver Pills to anyone suffering as I did."

NEW BRIDGE READY FOR FLOORING

Grand Opening of International Character is Planned for July 1

(Edmundston Observer)
The steel workers on the new international bridge between this town and Madawaska, Maine, left this week after having completed their task. The only thing now remaining to be done before the bridge is open to the public is that of flooring and painting.

The bridge was commenced on May 10, 1921, the contract for the foundations and pier work being awarded to D. C. Burpee & Sons of Fredericton. C. McN. Steeves, M. Sc., M. E. I. C., being their engineer. Mr. Steeves gives us some very interesting information concerning the actual building of this structure. Twenty-nine carloads of cement, 142,000 lbs of steel reinforcing, and more than 5000 cubic yards of gravel were used in the two concrete abutments and the three semi-reinforced concrete piers. This work was finished on Nov. 26, 1921, three months earlier than the contract called for. The bridge is said to be the highest in the province.

The Board of Trade is endeavoring to arrange that the bridge be formally opened on July 1 with State of Maine, Provincial and Dominion Government officials taking part. If this is satisfactorily arranged it will doubtless be a gala day for the town. The cost of the bridge, shared equally between the governments of the two countries, was upwards of \$400,000. It will be a great convenience to tourists and from the United States, and is one more tie between the two countries as they work together for the peace and progress of this American continent.

PRESBYTERIANS INCORPORATED

Rev. A. J. W. Black is Interim Moderator—Will Exchange Services with Mr. Hardwick Apr. 2.

(Edmundston Observer)
David Evans and the Rev. John Hardwick attended the Presbyterian meeting in St. John last week, bearing a petition from the Presbyterian congregation, that the congregation which has hitherto been a mission station, be raised to the status of a church. As the church is entirely self supporting the Presbyterian granted the desired petition, and empowered the church to call a minister, appointing Rev. A. J. W. Black of Fort Kent as interim-moderator. The church has since been incorporated under the name of St. Paul's Church. The congregation is worshipping in Fraser Hall, the little church built some thirty years ago being too small to be used at the present time. It is expected that Rev. Mr. Black will meet the congregation on Sunday, April 2, exchanging for the day with Mr. Hardwick.

MRS. HIRAM GRADY DEAD

(Edmundston Observer)
Many people were saddened at the news of the death of Mrs. Hiram Grady who passed away after a brief illness on March 6. Mr. and Mrs. Grady had resided in town ever since their marriage nearly five years ago. She is survived by her husband and little daughter Bela, three years old, her mother, Mrs. Mary Hoffman of Middleton, N. S., three sisters, Mrs. R. C. Smith of Margareville, N. S., and Tena and Dora at home; four brothers—Vernon of Edmundston, and Walter, Elvyn and Joseph at home. The body was taken to Middleton for burial on Mar. 8, a brief service being held in the home previously, conducted by the Rev. N. Franchetti of the Anglican church, in the absence of her pastor, Mr. Hardwick, who was in St. John.

The funeral service in Middleton was conducted in her girlhood home by the pastor of the Methodist church. Great sympathy goes out to her family. Mrs. Grady was in her 28th year, and had been a loyal member of the congregation of St. Paul's church, a member of the Ladies' Circle and keenly interested in all of the activities of the Church.

MRS. SARAH J. COSTIGAN

Grand Falls, N. B., March 17—The many friends of Sarah J. Costigan, widow of William F. Costigan, will regret to learn of her death which occurred on the 18th inst., after an illness of about four weeks. The deceased, who had reached the advanced age of seventy-eight years, was probably one of the oldest citizens of Grand Falls, having resided here since her departure from Woodstock, sixty-six years ago, and up until a few weeks preceding her illness and death, took an active interest in all matters pertaining to the social and civil life of the community. Her genial disposition and affable temperament made a host of friends that years only tended to make more sincere, and during her illness all took occasion to make her remaining days cheerful and peaceful.

The deceased survived her husband, William F. Costigan, a brother of the late Senator John Costigan, forty years and leaves to mourn one daughter, Miss Helen Costigan of Grand Falls; three sons, Thomas Costigan with the Public Works Department at Ottawa; D'Arcy Costigan for many years associated with the Royal Bank of Canada at Halifax; and Meagher Costigan, C. E., residing at Grand Falls. Also one sister, Mrs. P. Hayden of Woodstock.

The funeral which was largely attended, making manifest the high regard held for the deceased, took place at 10 o'clock on Wednesday morning, with a regular high mass at the Assumption Church, Reverend Father Albert officiating. Interment in the Catholic Cemetery.

TRAIN CANCELLATION AFFECTS BUSINESS

The business men in town keenly regret the action of the C. P. R. authorities in announcing the cancelling of the fast freights between Monk and Moncton. This train was of great convenience to the business interests here and it is hoped that the representations now being made by the Edmundston Board of Trade will be effective in the withdrawal of the order of cancellation.

MARTIN GETS FULL PAYMENT

Jury Decides in Favor of Plaintiff in Suit for Insurance Claim

(Edmundston Observer)

The decision in the insurance case which occupied three days of court was handed down on Saturday morning. A great deal of interest was manifested inasmuch as the parties were so well known. The plaintiffs in the case were The Credit Men's Trust Association, Trustees under the Bankruptcy Act for Hypolyte Martin of Quispibis, and the Royal Scottish Insurance Company were the defendants. Martin through C. H. Regis, insurance agent in this town, insured the stock of his clothing store for \$3000, and the furniture of his home for \$500 early in Feb. 1921. The following March the place was gutted with fire. In the meantime Martin becomes bankrupt and the plaintiffs in the case are appointed trustees. The defendant company withheld payment on the following grounds: 1st, that in making out the application Martin did not state that he had a fire previously, and that he did not state that he had been refused insurance by another company just previous to his application in the Royal Scottish; and secondly, that the goods of the value aforesaid were not in the building at the time of the fire. Mr. and Mrs. Martin swore that these questions were not put to them by the agent, and the evidence of the insurance agent was not conclusive. The jury rendered a verdict for the plaintiffs, and they were awarded \$3500, and \$87.50 additional accruing interest. The lawyers for the plaintiffs were M. G. Teed, K. C., of St. John, and Aaron Lawson of Edmundston; for the defendants, A. A. Carter of St. John, Judge Crockett presiding. The jury in the case were W. P. Caron, B. Clavette, Eugene LeJole, S. E. Burpee, J. L. Smith, Albert Rice and Willie Sandow.

In the criminal case of the King vs. St. Onge the grand jury found no bill.

N. B. MEN HELD UP IN MAINE

Van Buren, Me., March 15—Immigration Inspector Masse has taken Jack Schofield to the Houlton jail pending the decision of the department in regard to their cases. Jack Schofield was given a hearing before the board of special inquiry. He said that he was born in Detroit (Mich.). After much questioning he finally admitted that he was born in Chatham and that his correct name was George Deguy. Leon Bourgoin, a native of St. Leonard had been deported from here two years ago but for the last year had been living in Millinocket. A complaint was received at the local office that he was making trouble and he was taken into custody.

KILBURN NEWS

Mrs. Fred Grant of Washburn was visiting relatives here during the week. She was called here on account of the death of her nephew, Elnor Stewart of Upper Kent.

The Women's Missionary Aid Society of the Baptist church will meet with Mrs. John Hallett on Wednesday, April 18th.

Rev. Mr. Wesson conducted the regular service in the U. B. church on Sunday morning. This service was the beginning of a series of five addresses he will give upon "The Lord's Prayer." He was the guest of Mr. and Mrs. C. B. Inman for dinner.

Mrs. Martha Kilpatrick of Greenwood was the guest of her daughter, Mrs. Wiley Grant, last week.

Mrs. Fred Campbell of Arthurette and Mrs. Murray B. Grant were on Sunday, March 12, guests of Mr. and Mrs. G. B. Inman.

Mr. and Mrs. Jerry Inman are receiving congratulations over the arrival of a young daughter born Saturday, March 11.

We are sorry to report that J. Jackson is quite ill again.

Mrs. Fred Kilburn has returned from a pleasant visit with friends in Presque Isle.

THE COWARD'S ANSWER

"He is of age ask him"—Matt. 23.

When we hear a man say that he disbelieves in the existence of the Deity we think him a lunatic or as making a statement which he disbelieves himself. From the highest type of a man, to the lowest savage all believe in a Higher Being that we have a right to honor and that can reward us if we do. This knowledge was given at our creation and the devil has not been able to take it from us. But alas! few are willing to face this duty as

set before them. If we can make societies out of our organized churches and entertainments out of our meetings without any self denial, we are quite willing to follow the easy road; but to "Give up all for Christ" means a test of courage.

The greatest hindrance to the conversion of the Jews was their sacred shrines. When the blind man was healed his parents were called upon to declare by what means it was done. No doubt their hearts were joyful and they felt like doing honor to the Being that had bestowed the blessing; but the threat of being cast out of the synagogue, where they had passed so many hours without being molested was too much for their weak minds and so they left their son exposed to the threat while they hid themselves behind that screen of pretended ignorance and said "We know not, he is of age ask him."

Oh cowardly parents! to send a boy out to face a threat that you dare not face with him. If his courage fails who will give God the glory? Now what about the boy. He has received one blessing and another is awaiting him, if he will acknowledge his Benefactor. He is rushed to a speedy trial and pressed with questions. What will he do? Will he acknowledge or deny? He remembers the state of darkness from which he emerged and the glorious vision which he had seen since sight had come to his eyes, which like the film on the reel that transmits the picture of the object to the white sheet in front; so his eyes were transmitting impressions from the brain to be stored in memory, the eye of the mind where it would always remain. Though the natural eyes should be again destroyed the objects of this sight would always remain and the most glorious of all those was the One he first believed when his eyes were opened.

He acknowledges that Being and now comes his second and greatest blessing. He is cast out of the old synagogue that would leave damned his soul if he had remained in it, and now he becomes a humble follower of the meek and lowly One, in which state he will remain through life, through death and through eternity, where he will sing with the great host washed through of those who have been redeemed.

Dear father and mother who read this, perhaps you have a son who was once blind to the things of God, and has had his eyes opened by the great Healer. The time has come for him to decide for the synagogue or for Christ. Don't forsake that boy in his trial, and hide behind the screen of pretended ignorance and say you "Don't know from whence he received the gift, but he is of age ask him." That statement may keep you in the synagogue but it won't fill the cup of joy which God has prepared for those who are the followers of, and who love to acknowledge the power of His Only Son.

"Choose ye this day whom ye will serve. If the Lord be God follow Him, but if Baal then follow him. Britsol, N. B.

IN MEMORIAM

Railway News in Brief

Montreal. — Twelve Esquimaux dogs which the owner values at \$25,000 passed through Montreal. They arrived from Portland, Maine, at Windsor Street Station and later left for their home with the pack of their brethren kept at Lake Placid, New York, by Jacques Suzanne, an artist and painter. In an interview Mr. Suzanne said that some of the dogs came from Siberia, some from Greenland, and some from Alaska. The youngest was aged 14 months, and the oldest 18 years. The dogs were engaged continuously for three weeks in the wilds near Portland. Laine, in making pictures done for the picture "Love and the Law," by James Oliver Curwood, in which Zena Keefe is the star. The dogs drew two sleighs, sometimes conveying two people in a sleigh, and went through some exciting drives in their work on the picture.

All the dogs looked beautiful specimens of their kind. Pointing the best looking of them Mr. Suzanne said, "That one could draw half a ton over the level snow." One of the animals was used by Peary in his last dash to the Pole.

Cleveland.—The respective rights of railways and motor vehicles at grade crossings figured conspicuously in a recent decision by the Municipal Court of Cleveland in which the New York Central Railroad was awarded judgment in the sum of \$331,226 for damage done to a locomotive in a collision with a heavy motor truck.

The evidence showed that on November 13, 1921, Harold L. Wilcox drove a 4-ton motor truck on to a grade crossing at Wickliffe, Ohio, with the result that it was hit by a fast passenger train, doing considerable damage to the locomotive.

The crossing where the accident occurred was 24 feet wide, plank, stone filled, and was in good condition. Regular crossing signs were located on each side of the tracks.

The railroad company brought suit for damages to its locomotive, alleging that the accident was due wholly to the negligence of the driver, and the court awarded the company judgment in the full amount of its claim.

The court's decision in this case makes clear that the rights of passengers on train to protection at grade crossings are paramount to those of persons riding in motor vehicles.

Montreal.—Sunday, May 21st, has been fixed by the Canadian Pacific for the re-opening of the service of the trans-Canada Limited, the transcontinental flier which travels daily during the summer months between Montreal, Toronto and Vancouver, in addition to the all-year-round train known as the Imperial. Last year's running time of the trans-Canada Limited was 92 hours from Montreal to Vancouver, and 88 hours from Toronto to Vancouver, this being the shortest time scheduled for any transcontinental train service on this continent. The equipment involved in the running of the train totals approximately six million dollars, and the daily run involves the operation of fifty-nine sleeping cars, fifteen dining cars, twelve observation cars, five compartment cars, twelve baggage cars, and twenty-four locomotives. The total weight of the train, exclusive of passengers, train crews and baggage is 760 tons. The through trains between Vancouver—Minneapolis—St. Paul and Chicago, known as No. 13 and No. 14 will be inaugurated by the Canadian Pacific in connection with the Soo Line on Sunday, June 24th.

Prescott.—There were over seventy-five representatives of the Freight, Passenger, Telegraph and Operating Departments of the Canadian Pacific Railway, and the Dominion Express, present at a meeting of Quebec District Canadian Pacific Association held in Prescott, E. E. Lawson, of the Freight Department presided. Amongst the subjects considered were prevention of losses of freight, the care necessary when switching freight trains, and precautions that should be taken in marshalling freight trains. E. A. Cunningham, and T. Collins, spoke on efficiency of service. T. A. Martin spoke on securing the cooperation of shippers and the public. A. H. McMullen, district inspector of the Bureau of Explosives gave a talk on the safe transportation of explosives and other dangerous articles. Mr. George Jeffries of the department of the Auditor of Claims, Montreal, also spoke.

The meeting was a great success. Amongst those present were Mr. W. H. Uren, Asst. General Superintendent, Quebec Division. Mayor DeBruin, of Prescott, Commissioner McPherson, and P. A. White, of the local Board of Trade.

Mr. WILFRED AMEY 42, Lyall Avenue, TORONTO.

writes: "On active service with the K F C I contracted piles through sleeping on damp ground. Treatment by the M O. brought no relief and various 'pile remedies' I tried proved equally hopeless. Shortly after my discharge from the service a friend strongly advised me to get Zam-Buk. One box of the balm brought such benefit that I determined to continue the treatment. In a few weeks Zam-Buk caused the piles to completely disappear. All other sufferers should know of this wonderful herbal healer." Use ZAM-BUK for all your Skin Troubles.

sermon to a fairly good congregation
on Sunday evening, March 12.

A large party of middle aged and
youths met at the home of Robert
Gillis on Friday night to celebrate the
20th anniversary of their marriage.

Mr. and Mrs. Gillis proved the best
of hosts and a very pleasant evening
was spent.

The Temperance people which
include nearly everybody, are guessing
what the Local Government has up
its sleeve on this very vital question.

Some are ever bold enough to predict
open bars, government ware houses
on the U. S. boundary and all such
abominable practices, while the saner
element are confident that such men
as Premier Foster and his party will
never stoop to anything so out of har-
mony with the wishes of the elector-
ate, as the two last elections on the
temperance question spoke with no un-
certain sound.

PIUS MICHAUD MAKES ENQUIRY

Our local member of Parliament in
Ottawa, and esteemed fellow townsman
Pius Michaud, filed a question in the
order paper in which he asks if it is
true that the Allied nations have re-
ceived \$1,620,000,000 from Germany in
1921, and if so what was the amount
received by Canada. Mr. Michaud
knows we want a lot of office badly
here and he will do his best to get
us one, and he thinks perhaps that a
very small portion of that billion, or
of Canada's share would help come.
But the question remains how much
has Canada received?

WHO IS THIS?

The Observer has on hand a great
number of photographs of soldier
boys, but in most cases the names of
them have become detached and they
can no longer be identified by the of-
fice staff. Here is one of them. Sur-
ely some one can write and tell who
this is, when and where and with
what unit he enlisted, and give a
brief story of his subsequent career.
Let us have the story right away,
please, and we will be able to print
it next week. Each week we will
print a different picture and ask our
readers to supply the description for
the following issue.

Watch this page. Your own boy's
picture may appear next.

NOTICE

NOTICE IS HEREBY GIVEN that
application will be made to the Legis-
lative Assembly of New Brunswick at
the next session thereof for the pas-
sage of a Bill providing for the reor-
ganization of the Maritime United
Farmers Co-operative, Limited, (here-
inafter called the company) by the
separate incorporation of the several
branches thereof in New Brunswick
for the purpose of carrying on a gen-
eral mercantile business; and that
shareholders now identified with a
branch shall be shareholders of the
branch company incorporated in re-
spect to such branch and not of the
parent company; that the assets at-
tached to a branch (except unpaid calls)
and the liabilities incurred in con-
nection with the business of such branch
be assets and liabilities of such branch
company; that the liabilities incurred
at the head office of the company be
divided amongst the several branches
according to an apportionment made
by the shareholders at the annual
meeting held on the 21st day of Feb-
ruary, 1922; that the assets of the
company at or connected with the
head office, after payment of all the
liabilities of the company, be divided
amongst the several branches under
the apportionment; that shareholders
not now identified with a branch shall
become so identified; that an adjust-
ment be made of accounts (including
unpaid calls) between the company
and the several branches; that each
branch company may provide by by-
law that a shareholder shall have one
vote, and that the profits be distrib-
uted on a co-operative plan; that each
branch company may take stock in
any central company or companies
which may be incorporated to buy and
sell goods dealt in by the several
branch companies; that the present
company continue in existence for
such time and with such powers as
may be necessary to fully carry out
the provisions of the proposed Act;
that all branches shall be liable to
the creditors of the company for any
balance which may remain unpaid, by
reason of the default of any branch
or otherwise, upon debts now owing
by the company; that the company
be empowered to make agreements
embodying the above provisions with
branches other than those to be in-
corporated by the proposed Act, if
and when such other branches become
incorporated; that the company
be empowered to make agreements
embodying the above provisions with
branches other than those to be in-
corporated by the proposed Act, if
and when such other branches become
incorporated.

Winter Recreations in Canadian Pacific Rockies

You cannot play golf at Banff in the winter time. Neither can you explore the Lake Louise region on a saddle pony when the last grey goose has honked good-bye and the marmot and the Pika are far underground and fast asleep. For six long months these forest filled valleys and star high peaks are mantled in a matchless robe of spotless white.

There are many outdoor winter sports and recreations which are only made possible by deep snows and keen frosts. These pastimes are luring more people to the Canadian Rockies every winter. At this time of the year tourists are travelling to and from the Orient and the great islands of the southern seas and a large number of them, attracted by the witchery of winter in the Rockies, are enjoying a novel and delightful holiday in this highland country where winter is a sparkling pageant.

There is no snow in the lands from whence these pilgrims come, yet were you to travel there, you would find many a pair of snow shoes which have been carried across the Pacific as souvenirs from Canada's winter wonderland.

Banff Winter Carnival allures many visitors to the beautiful mountain resort. In 1922 it will be held from January 25th to February 4th. The carnival will feature—curling, art skating, figure skating, skating races, hockey matches for ladies and men, snowshoe races, toboggan races, dog races, snowshoe tramps, bob-sledding, trap shooting, swimming in the hot sulphur springs, ski jumping, sleighing, dancing. There will be an illuminated ice palace and fireworks. On the opening day there will be ski jumping by professionals and a ladies' hockey match.

Snow shoes "hikes" on moonlit nights are glad some events. To take part in a picnic in the pine woods at such a time is a never to be forgotten experience. There is a primitive urge which compels you to build a roaring firewood fire. Hot coffee and toasted bacon turn your picnic into a paradise.

Of the many thousands of tourists who visit lovely Lake Louise in summer, few there be who do not ask about this district in winter time. Is it very cold here? And is the snow very deep? It is not excessively cold in winter. There are no high winds and no blizzards. No mid-winter thaws to spoil your fun and your sports. The average depth of snow is about five feet. It is very beautiful here after a fresh fall of snow. Trees are loaded down with it. Huge mushrooms of snow grow on every stump. Telegraph poles carry a tremendous "overhead" on their cross arms. Jack Frost has laid his icy

hand on noisy streams and placid lakes, and they are fast asleep. There is the same reverent hush which awes you in a great cathedral. You wonder if spring will ever come again. Do not forget to bring your camera because there is no close season for the person who hunts with a kodak.

Lydia E. Pinkham's Vegetable Compound is Helping Sick Women to Health

The two letters which follow clearly show the broad field covered by this well-known medicine. Women from every section—you know some in your own neighborhood—praise Lydia E. Pinkham's Vegetable Compound as a wonderful medicine for troubles women often have.

From Prince Edward's Island—East

Misconche, P. E. I.—"I had female troubles for two years. I always had a headache and a pain in my side and sometimes I felt so weak that I could not do my work. A friend advised me to take Lydia E. Pinkham's Vegetable Compound and I have taken six bottles of it. It has done me a lot of good and I am still taking it. I will tell my friends of your medicine and hope they will try it."—Mrs. Camille Des Roches, Misconche, P. E. I.

From Saskatchewan—West

Wadena, Saskatchewan.—"A friend in Rose Valley recommended Lydia E. Pinkham's Vegetable Compound to me and it has been a great help to me. I recommend it and you can use this letter as a testimonial if you wish."—Mrs. Fern Noron, Wadena, Saskatchewan.

FRASERS LIMITED ANNUAL MEETING

Optimism the Key Note of President's Address

The annual meeting of the Fraser Companies Limited was held here on Mar. 15, when the financial statement for the past year was adopted and officers re-elected.

President Fraser in his review of the year's business said:

"In the face of unsatisfactory demand and declining prices for your company's products, namely, lumber and bleached and easy bleaching sulphite pulp, your company's operations have been steadily carried on throughout the year."

Mr. Fraser also said: "It is felt that your company's position from now

on will show steady improvement and that the combined effect of writing down inventories to market values and the influx of raw materials at low prices will result in a satisfactory showing for the current year."

Net profits from the company's operations for the year amounted to \$1,001,459 from which is deducted \$199,227 for bond interest and \$535,873 for other interest, leaving a balance of \$468,359, which added to last year's surplus, left a total of \$2,745,141.

From this balance there was appropriated depreciation amounting to \$445,572, depletion amounting to \$234,463, annual proportion of discount on securities sold \$31,500, and for payment for previous years, \$248,141.

In view of the decline in replacement value of logs and manufactured lumber, pulpwood and supplies, the company wrote its inventories down to market value by appropriation of \$1,000,000 from profit and loss for this purpose.

After the above deductions there remained at credit of surplus account \$783,142.

SOMETHING TO LOOK FORWARD TO

Through all the long weeks and months of plowing, harrowing, seeding, and spraying for another crop of spuds, no matter how stringent the times may become, it looks now as if we would really have something worth while to look forward to in the fall. That is, we will if the report is verified that Jack Dempsey is coming up to the Oxbow on a hunting trip.

If our renowned Mr. Dempsey could only be prevailed upon to time his trip so as to take in the Northern Maine Fair, and exhibit himself before the Grand Stand, the management could afford to pay him something worth while, and still have a sufficient margin of gate receipts, so that the Fair could, if it chose, take a five years holiday.—Presque Isle Star-Herald.

Ontario's Wilderness is Sporting Paradise

A BIT OF ROUGH WATER HARD ON BOATS BUT FINE FOR FISHING. AS THIS WILL SHOW

The two hundred and seventy miles of canoeing down the Mississauga River between walls of dense forests, slipping into one exquisite lake after another and making 35 portages, is accounted the acme of out-door pleasure by those who have been so fortunate as to have traveled this Ontario water trail. The start is usually made from Biscoe, 8 miles west of Sudbury, where outfits and guides can be obtained. This route passes through "Bisco and Spanish Lakes," then into Spanish River where one is likely to see a dozen moose in the course of a day's journeying. Spanish and Canoe Lakes and several lakelets intervene ere Mississauga Lake, the source of Mississauga River, is reached. From here the travel is all down stream through wildly beautiful scenery. Tall spires of pines reach heavenward above the solid wall of forest that lines either bank. Moose, deer and other wild animals often emerge from the dense woods to graze at the passing strangers. They are seldom molested and are quite fearless and present splendid targets for the camera. Excellent bass, speckled trout, lake trout, pike and muskies are so plentiful that one seldom casts without getting a line. Pretty little streams come stealing through the forests to pour their silver offer-

ings into the Mississauga and to coax the travelers to leave the big river and seek the hidden charms of the hinterland. The side trips often lead to waters over which white men have never fished. The majority of the portages are just long enough to give you a chance to get the kinks out of your calves and are a pleasure rather than a hardship. The portage at Aubrey Gorge affords a wonderful sight, that of the river surging and swirling through a quarter-mile gorge and then making a 107 foot leap over a cliff. It takes one and a half hours to shoot the Forty-mile Rapids, which is done with as more effort than reclining in the canoe and using the paddle now and then to keep it in the channel. The portage around Mississauga Tunnel is made by team over a good road that parallels the narrow cut in the solid rock through which the river churns its way for three miles.

The route really ends at the Canadian Camp Club House one-half hour above Sowerby, from the latter it is a 45 minute motor run to the railway at Thessalon.

Mrs. John Hardwick, who accompanied the Rev. Mr. Hardwick to St. John last week, is remaining with friends there for a few weeks.

The many friends of Miss Helen Stevens are glad to see her home once more from her visit to St. Stephen and Fredericton, where she has been since the beginning of the year.

R. W. Hammond who a week or two ago was considerably bruised and hurt by a runaway horse near Dal-

ton's store has fully recovered and is at his place of business daily again.

Don't forget that in building up the town hearty co-operation, united endeavor and a spirit of get-there-are-what-win-the-day. There is no pull like a long pull, a strong pull, and a pull altogether.

Mrs. Archie St. Onge underwent a serious operation this week in the Quebec hospital. Mr. St. Onge, who has come back, reports that the operation was a success and that she is improving. Their many friends wish for her a speedy recovery.

Great sympathy goes out to the family of Mrs. Hiram Grady, who passed away last week, after a short illness, leaving a husband and a little three-year-old girl. Mrs. Grady was very popular with everyone, a valued member of the congregation of St. Paul's Church, and active in all its interests. In the absence of her pastor a brief service was held in the home, conducted by the Rev. Nicolo Franchetti of the Anglican Church, before the body was taken to her old home in Nova Scotia for burial.

DUNBAR-WHITE

A wedding of considerable interest to the people of Edmundston took place on Wednesday, March 15, when Miss Ethel Marie White, eldest daughter of Mrs. E. White, Riley Brook, was united in marriage with James Dunbar, second son of Mr. and Mrs. Alex. Dunbar of this town. The Marriage took place at the Baptist parsonage, Andover, the Rev. C. O. Hallett officiating.

The young couple left later in the day for Montreal on their honeymoon. On their return they will occupy a residence on Canada Road. Their popularity was in evidence in the large number of beautiful wedding gifts which were received and the good wishes of the whole community is theirs as they start out in life together.

FINED FOR WANT OF LICENSE TAG

(Edmundston Observer)
Good roads, automobiles lying idle in the garage, spring-like weather. Determination on the part of two citizens to hurry summer along. Cars cranked, gasoline supplied, the honk of the horn heard on the streets. One thing, however, from this perfect picture is missing: this year's licenses. Provincial Constable in town. Result: two arrests, two fines and two sadder but wiser men. Moral: get your license first.

Rheumatism?

Or Neuralgia, Sciatica, Lumbago? The remedy is simple, inexpensive, easily taken and harmless.

LOCAL AND PERSONAL ITEMS

On Monday, Mar. 12, at the Baptist parsonage, Fredericton, by Rev. G. C. Warren, George, son of Col. and Mrs. L. L. Kennedy of Centreville was united in marriage to Miss Lillian Irvine of Chatham. The happy couple arrived on the Valley on Tuesday evening and on Wednesday arrivals were tendered an old time charivari. The bride and groom appeared out at church on Sunday and will be at home to friends at the Kennedy House on Main Street.

The people in the town and precincts are becoming deeply interested in the brand of pictures that Burpee & Teddie, the enterprising managers of the Neighborhood Theatre in Hartland, are showing in Centreville recently. For several seasons the theatre lovers of this town were hampered and hampered by managers who were continually presenting films which were either worn out or practically obsolete and fit only for the discard. Treatment such as this served of course to make everyone weary of watching their funds on shows of this type and all with one accord will learn to welcome the fair treatment given by the new management. The picture on Saturday evening "Dangerous Curve Ahead", with Helene Chadwick and Richard Dix in the leading roles, was a real treat, the comedy of the part being miles above the slapstick and custard pie brand and the dramatic situations being admirably portrayed. It was a real picture and was much appreciated and enjoyed by all in attendance. Presentation of pictures of this quality is sure to be rewarded, especially as weather conditions improve with increasing crowds of secure fans drawn from a steadily enlarged area. All tends to gladden the soul of the proprietor by augmented receipts at the box office. Wednesday night of this week was the presentation of "Riders of the Dawn", a screen version of Jane Grey's powerful novel "Desert of Wheat", and on Saturday night a Goldwyn feature, with an all star cast in "The Conqueror". Other coming shows receive due press notice in other parts of the Observer.

Mrs. Rose Clark entertained a number of friends at a birthday party on Saturday evening at the supper hour. Rev. J. E. Keirstead of the Royalton church occupied the pulpit of the United Baptist church at both services on Sunday.

Paul Davis of Bristol has entered the branch of the Bank of Nova Scotia here as junior clerk.

Mrs. R. R. Fitzpatrick entertained a number of lady friends at her home on Mill street at dinner on Wednesday.

While attending guild at the home of C. E. Williamson on Thursday Mrs. Ferguson had the misfortune to get a bad fall down the stairway, and although able to count each of the several steps by the number of bumps on route, was fortunate in escaping with a severe shaking up. The pretty lady was really not nearly so much fussed up as the rest of the guests who came to her rescue.

Rev. A. L. Tedford, of the Independent Baptist church of St. John will preach at the following places on Sunday, March 24—Centreville Baptist church at 11 a.m.; Lakeville at 8 a.m. and Good Corner at 7 p.m.

Florenceville Facts

Mrs. Chipman Hunter has been ill with a cold.

Hiking seems to be the order of the night here now. A crowd from Florenceville hiked to Bristol to play and a bunch from Bristol hiked to Florenceville to Baptist church on Sunday evening.

Mr. and Mrs. Ed Clark are on the sick list.

Mrs. Bliss Crenkite is visiting her friends and relatives here for a short time.

Miss Lulu Lovely returned from Fredericton on Friday.

Mr. and Mrs. Walter Wilson are moving to Nova Scotia this week.

Miss Myrtle Carle returned from St. John on Saturday.

Mr. Perkins was calling at F. L. Tompkins on Monday.

Miss Jane Tompkins was calling at Mrs. Joe Weather's on Monday.

Mrs. William Gayner of McAdam is visiting her mother, Mrs. Waugh.

Mrs. Burden Clark is visiting at her sister's, Mrs. Walter Wilson's.

Miss Madeline Smith entertained a few of her friends on Monday night at cards.

George Melville spent the weekend in town.

Miss Annie Darkie and Mrs. Bliss Crenkite spent the weekend with Mrs. Geo. Parley at Connel.

BRISTOL BREVITIES

Norman Curtis is having a run of bronchial pneumonia.

W. R. Kelley has moved his family here from Tracy Mills.

Mrs. Stanley Lockhart is spending two weeks with Houston friends.

Mrs. Ethel Hall and Mrs. S. N. Banks spent Monday in Hartland.

Mr. and Mrs. James Boyer spent Sunday at Rockwood.

Miss Esther Jensen of Hartland visited Mr. and Mrs. N. R. Jensen last week.

Aubrey Lockhart, the third son of L. A. Lockhart, had his leg accidentally shot with a bullet from a large army rifle last week. Gangrene set in and it was necessary to remove the leg just above the knee. Dr. Belyea performed the operation. Aubrey is a bright, pleasant boy and many friends sympathize with him in his trouble.

The comedy "If I Only Had a Million" put on by Amateur players in

Wilmet Woods, a student at Acadia, arrived home for a few days' holiday on Friday with Mr. and Mrs. W. R. Harold.

Mrs. Eldora Hagerman of Hartland, a former resident of Centreville, will in the future make her home in Bridgewater, Me. Her furniture and household effects were carried through on Thursday.

Mrs. Charles Long entertained a number of guests at tea on Wednesday.

D. H. Bartt spent Saturday at Blaine, Me.

Preparations are being made for the establishment of a new ice cream and soft drink emporium, to be conducted by N. L. DeLong. The necessary renovation of the premises is now nearly completed.

The G. E. Wilson Co. has made an improvement in their store premises by changing the foot and shoe department to that formerly devoted to groceries, thus bringing the latter to the front of the store and inviting a purchase upon entrance.

Roy Watson and S. Ellis of M. R. A. Ltd., St. John, spent a couple of days this week selling G. M. Sherwood Ltd. their goods.

Miss Annie Anderson arrived on Saturday last to prepare for the spring military opening at Sherwood's. The first part of the following week she got a pre-emptory call from Prince Edward Island on account of the serious illness of her mother and left at once.

Paul Davis of Bristol has entered the branch of the Bank of Nova Scotia here as junior clerk.

Mrs. R. R. Fitzpatrick entertained a number of lady friends at her home on Mill street at dinner on Wednesday.

While attending guild at the home of C. E. Williamson on Thursday Mrs. Ferguson had the misfortune to get a bad fall down the stairway, and although able to count each of the several steps by the number of bumps on route, was fortunate in escaping with a severe shaking up. the hall Friday evening was a decided success in every way. The characters were all well taken and everyone declared it the best ever. The net sum of \$70 was obtained.

Hall's Catarrh Medicine
Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that Catarrh is a local disease, it is greatly increased by constitutional weakness. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus restoring the system and restoring normal conditions. All Druggists. Price 25c. Sold by W. E. Goss & Co., Ltd., Oshawa, Ont.
