## UPHOLD HANDS OF WORTHY MEN

Mayor McKeough Advises  
Aldermen to Encourage  
Civic Officials in Good  
Work.

Ald. Piggott Takes up the Engineer  
Matter—City Council Transacts  
Routine Business.

The meeting of the City Council last evening was charmingly cordial and everything was serenely quiet. Indeed, there was little else than routine to be gone through and, if only the aldermen had eliminated those long and useless talking matches, the meeting would have adjourned at a capital health-giving hour. As it was, adjournment was reached by 10.10. Ald. Scullard was the only absentee.

Ald. Piggott was on deck with his promised "attention" to the City Engineer and about "squaring himself." He said he wanted to bring up a matter of privilege, particularly as "the Great Home Journal had been flubbing it in" to him.

The Mayor—Is that the Engineer matter?  
Ald. Piggott—Yes.  
The Mayor—I think that it is a matter of last year and shall we not let the dead past bury its dead?  
Ald. Piggott—But Mr. Jones interfered when he had no right to.

## THE PARK ST. NEW PAVEMENT

The decision of the City Council last evening to afford the people of Park St. an opportunity to reduce the width of the new pavement from 24 ft. to 22½ ft. was a wise one—and will likely be availed of by the ratepayers.

A good, though expensive, pavement has been chosen, and the opportunity, provided the people by the Council's action, of reducing its cost if they so desire, will be appreciated.

We feel assured that, whatever their action during the next week, the Park St. people will recognize the public spirited position taken by their civic representatives. And it is very satisfactory to know that the people who pay the piper have the right to dictate the extent of the tune.

The Mayor—"Some years ago, Ald. Piggott, the people of our city asked by a huge majority for the appointment of a City Engineer. A good one was secured, but he was worried and bothered and abused till at length he left and now holds a responsible position in British Columbia. Then Mr. Shackleton followed and in many ways proved a competent and excellent man, yet he was met with poor acknowledgment and finally resigned. The notorious McNab followed—the Mayor shook his head wearily—"and surely we know the veritable Hades we suffered during his regime. Now we have got a good Engineer and let us, for Heaven's sake, uphold his hands. To get the best work out of the city's officials we should encourage them and stand by them when they are in the right."

Ald. Piggott—I know, your worship, but it makes me look like a two-cent piece if the matter is left in this shape. I have the documents here to prove that I am right.  
Ald. Mounter—I've no doubt that you're both right.  
Ald. Piggott—No, sir, I'm right and he's wrong. He had no right to write to the newspapers saying I didn't know what I was talking about, when the facts and documents showed I was right.  
The Mayor—Well, anyway, it's a matter that should have been buried long ago.

A cheque was received for \$5 for a bell sold to the Separate School. A letter was received from the Ontario Asphalt Block Company, re guarantee of the Park St. pavement. They will guarantee their bricks the same as they did last year. He will stand by the specifications received.

In reference to R. G. Fleming's bond he asked that the name of Dr. Fleming be substituted for that of W. G. McGeorge.

The library estimates were received. The Board asked for \$1500.—Received. A letter from D. L. VanVleet, re securities for blocks on King and Lacombe Sts.—Received.

Several requests to cut down trees were referred to the Chief of Police. Ald. McCowg said that the boulevards on Queen St., were now fixed up and the residents should feed the boulevards. The Board of Works are themselves seeding down the park in front of William Street.

Jas. C. Northwood applied for the position of inspector of the construction of the Park Street sewer, providing the street is paved and the sewer is put down.—Board of Works.

Blight & Fielder handed in their contracts for the Victoria and St.

## A DEFINITE MEMBERSHIP

Executive of the Philharmonic Association Decide  
to Secure Accurate  
One.

Will Give all an Opportunity of Joining  
Preparatory to Starting  
the Season's Work.

The Executive committee, which was appointed at the last meeting of the Chatham Philharmonic Society, met in Treasurer H. D. Smith's office, Harrison Hall, last evening to consider the different matters in the constitution and by-laws which were referred to them. Those present at the meeting were Chairman Dr. R. V. Bray, Secretary F. D. Laurie, Treasurer H. D. Smith, President W. E. McKeough, Vice-President Mrs. S. Stephenson, Mrs. Milton Bogart, Mrs. J. T. O'Keefe, Misses Pauline Rose, Rose Morrison, Hillman, Flossie Bogart, Margaret Houston, and Messrs. J. W. Plewes, E. B. Arthur, Col. C. E. Monette, W. H. Walker, J. W. Wilson, and others.

The meeting was a very harmonious one, as everyone present was anxious to see the Society a success and willing to do all in their power, to make it so.

Chairman Dr. Bray read the clauses of the constitution, which were left to the Executive. They were in reference to fines and the manner of dealing with members who do not attend the rehearsals.

It was thought advisable to do away with the fines for non-attendance, as the object of the Society is not to make money out of its members but to encourage the study of vocal music. It was decided to enter a clause in the constitution which will leave the matter of dealing with non-attendance to the Executive committee. It will be the aim of the Society to make their meetings so interesting and instructive that the members will want to attend, and those who are not in it will wish that they had joined with the rest. If any of the members do not attend it will be concluded that they do not wish to be members and they will be dropped.

The other clause was in reference to the behavior towards the leader. Such offenders will be cited to appear before the Executive, when their case will be investigated and such action taken as the Executive sees fit.

Col. Monteith suggested that for the next meeting the Secretary notify all of the members of the Executive to attend, and if they do not come to the meeting it will be understood that they do not wish to join the Society. They will be asked to reply to the invitation, and if they do not reply it will mean that they intend to decline the opportunity for becoming members.

Crown Attorney Smith suggested that after the membership is taken a new Executive should be elected, as there may be some on the Executive now who will not join the Society.

Crown Attorney Smith then moved, seconded by Mrs. O'Keefe, that those members of the Executive who have never attended any meeting nor signed their intention of so doing, be notified by personal letter to attend the next general meeting of the Society and the executive meeting following the same, and if it is not their intention to act to kindly notify the Secretary to that effect. The motion unanimously carried.

On motion of Col. Monteith it was decided to ask the President to call a general meeting of the Society for Monday evening next, to be followed by a meeting of the Executive committee.

## TO PICK WINNER

West Kent Liberal Conservatives  
will Gather in Convention to-  
morrow.

To-morrow's big convention of the Liberal-Conservatives of West Kent to select a candidate for the Legislature promises to be one of the best in the history of the constituency.

Assurances of the presence of delegates from all parts of the riding have been forwarded and the monster gathering will be fired with energy and enthusiasm.

Everyone recognizes that the Sullivan-Stratton-Ross combination is doomed when they reach the polls, and West Kent will select a winner to enter the new and clean Government under Mr. Whitney.

The Dominionaving Co. have men at work levelling up the boulevards along the Wellington St. pavement, and Blight & Fielder have men doing similar work along the Wellington St. West and Thames St. pavements. The property owners along these paved streets should now see to it that the boulevards are seeded, as this would add greatly towards beautifying the city.

## WERE ACCORDED WARM WELCOME

Reception Tendered to Rev.  
Mr. and Mrs. Hoyt by  
William St. Baptist  
Church.

Addresses from Congregation and  
Other City Pastors—Mr. Hoyt's  
Reply.

Rev. J. W. Hoyt and Mrs. Hoyt were given a right royal welcome to the William St. Baptist Church and to the Maple City last evening at the reception tendered them in the Sunday school hall of the church.

The large hall was packed to the doors with people from the William St. Baptist congregation and many other congregations all eager to see and hear the new minister.

Mr. Hoyt has a pleasing manner and appearance, and will, no doubt, be very popular with his congregation. The welcome services of last evening opened with a hymn, "All Hail the Power of Jesus' Name," and a prayer by Rev. A. H. MacGillivray.

Chairman Judge Houston then called Rev. and Mrs. Hoyt to the platform and read the following address:

To the Rev. Mr. and Mrs. Hoyt:  
We, the members and congregation of the William St. Baptist Church, are here to extend to you our kindly greeting. We wish to welcome you

## THE PUBLIC AND THE C. C. I.

At almost every meeting of the C. C. I. Board matters of more or less import are withheld from the public and the papers asked to suppress the same.

The courtesy is usually cheerfully extended, but it appeals to the Planet that this is not always a wise or right course to pursue. The C. C. I. trustees are unfortunately not directly responsible to the people and yet they are at the head of one of the largest and most independent spending departments in our civic system.

Wouldn't it be well for the Trustees to get together and talk this matter over? We fancy they would voluntarily amend their methods. In the Public School Board these things are all dealt with "in the open," because the people who pay have the right to know what they pay for.

in our midst.  
Mr. Hoyt, we wish to receive you as our pastor, to convey to you all the rights and privileges of the high and exalted position. At the same time, we are not unmindful of the fact with privileges and power go hand in hand great responsibility. Of him to whom such a trust is given, much is required. We recognize that as "like teacher, like scholar," the church and congregation must, in a greater or lesser degree, reflect the manners and disposition of the pastor. We do not so much desire a "show" church, if ever such can truly be said of a church, and in some we fear there is a desire to make such of a church, but we would pray for a working church, and wish to tender you the hearty co-operation of the members of the church and congregation in working along the lines laid down in your first sermon—to do the Master's will and endeavor to bring sinners to a saving knowledge of the truth, and to make members themselves more in accordance with what they should be, remembering the terrible cost at which they were bought.

Mrs. Hoyt, one and all are pleased to know that you believe in being a real helpmate to your husband in his great and glorious calling, an Ambassador of Christ.

To you both, we extend our heartfelt sympathy and love, and ask you not, after to-night, to consider yourselves strangers, but friends, brother and sister, co-laborers in the Master's vineyard, for be you assured that the harvest truly is ripe and you, as laborers, will have plenty to do, and while we may not always be singing praises, we appreciate your difficulties and pray for your success.

Again, allow us to greet you as pastor and pastor's wife of William St. Baptist Church.

Yours sincerely,  
JAMES H. OLDERSHAW,  
Senior Deacon.

Mrs. Hoyt was presented with a beautiful bouquet by the ladies of the church.

In reply to the address, Mr. Hoyt in a few words thanked the people for himself and on behalf of his wife, for their kind reception to the city. Since their arrival in the city last Wednesday they had heard kind words on every side. If the people of William St. Baptist church were as loyal as had been the Victoria Ave. Baptist Church, of Hamilton, there would be no regrets on either side. He thought Chatham one of the finest places in the west.

Mr. Hoyt said he had made his introductory address yesterday morning.

## FOREIGNERS GET THE PLUMS

It is a matter of regret that, although this country is about to assume enormous liabilities in connection with the building of a transcontinental railway, Canadians are receiving scant consideration at the hands of the railway company, which is to benefit so much from the new road. The Grand Trunk has a number of surveyors working along the proposed line but sad to relate they are all Americans. Canadians are shut out from earning any of the money which this country must eventually pay. The injustice of the situation has been brought to the attention of the Government on more than one occasion but those in power refuse point blank to interfere in any way in behalf of the many capable young Canadians, who at considerable expense and by hard work, have taken courses in engineering. Why should they be ignored for foreigners who come from a country which refuses absolutely to allow Canadians to accept positions from this side of the border. Where is the much wanted Labor Bureau? In the United States the thing would not be tolerated for a moment. The facts of the case seem to be that the Government is helpless in the matter because the Grand Trunk must be allowed as much latitude as it sees fit to take. And the railway is to be called the "National Transcontinental!" If it is "National" the Government should at once put an end to the disgraceful treatment of our own young men.

## OUR BUILDING OPERATIONS.

The Windsor Record of yesterday says:

It is now a couple of weeks since it was announced the tender of a Chatham firm was accepted for the new Catholic church. It is generally understood that the tender of the Chatham firm was over \$8,000 lower than the lowest tender from Windsor. As there are several other contracts to be let, the new school and the new Methodist church among them, it is a matter of deep concern to the merchants and mechanics of this city to know how it is that in a \$25,000 contract the Windsor contractors are under-bid by twenty-five per cent.

Mr. Euclid Jacques was the lowest tender from Windsor and his explanation to the Record, published some time ago, was that contractors in this city were handicapped by the trade unions. He said the difference in the hours of labor and wages paid here and at Chatham accounted for the difference in the tenders. We can scarcely credit the statement that all the difference between the Chatham and Windsor firms can be accounted for in this way. However, being made by a responsible citizen and experienced builder like Mr. Jacques, who was just fresh from a contest with a Chatham firm it challenges attention. If it is not true then it should be easily refuted, and we think it is up to the trades union of the city to deal with it.

If this difference of twenty-five per cent. in the Catholic church contract represents the difference in building in Windsor and Chatham, the people of this city would like to know it. It is equally important to our mechanics. The other day, a lady having a cottage on Caron Ave. to rent, received forty applications for it within two days. This is a sufficient indication of the scarcity of houses in this city. If the city is to grow, as we all hope it will, then more houses will have to be provided. At present the high price of lots, high insurance and high taxation, does not offer any great inducements for people to invest in houses for rental.

It is generally admitted that rents are high enough now and yet owners of houses do not regard the returns as sufficient inducement to warrant very large additional investment in that direction. More profitable investments are offered them elsewhere.

This is a condition of things that greatly concerns the citizens, and none more than it does the building trades of the city.

## HITCHED TO THE WRONG END.

Scottish American.

A year ago a young man went to Canada to learn farming. The first order he received from the overseer was to take a horse and bring back a single-furrow plow. When the young man reached the plow he tried to back the horse into the handles, instead of the more usual way of harnessing it to the "tree" in front. Naturally the space between the handles was too narrow for the horse; so he went back to the overseer saying, "Give me a thinner horse, this one is too fat for the shafts!"

Those who neglected coughs have killed were once as healthy and robust as you. Don't follow in their paths of neglect. Take

# HALF THE WORLD IS SICK

## Because of Weak Hearts

When you are sick your heart is faint.

If it were pumping good blood through your system, you could not be sick in any part.

Ninety-nine out of a hundred have weak hearts—they are sometimes sick.

**Dr. Agnew's Heart Cure** will relieve Heart Disease in thirty minutes. Will with certainty effect a lasting cure.

George Carter, Dominion Customs Office, Cornwall, Ont., says:—  
"I was troubled with severe Heart complaint for a long time. I was under the doctor's care, but not receiving benefit. I asked him about 'Dr. Agnew's Heart Cure' and I used it with good results."

**Dr. Agnew's Ointment** is riding the world of piles and skin rashes, eruptions of all sorts. Its healing power is marvelous. Price, 35c.

## WOMAN EMPIRE MAKER.

Miss Violet Brooke-Hunt and Her Extraordinary Career—Established Soldiers' Institutes in South Africa.

While a few Canadians may ask: Who is Miss Violet Brooke-Hunt? I know full well that many officers and soldiers throughout Canada will not require to be told who she is, writes Lally Bernard, in 'The Toronto Globe'.

A pretty girlish figure, a face literally radiating kindness, the brightest brown eyes, full of laughter and intelligence, and you have the very model of splendid English womanhood that Tennyson loved to draw. Miss Brooke-Hunt was kind enough to give me a pleasant hour in her little "den" in the flat at Albert Gate Court, where she lives with her mother and sisters, and there I found her surrounded by pictures and books, and a thousand and one relics of the eventful years into which she has crowded more action and thought than that of the average woman who reaches the signpost of three score years and ten. Now what is the secret of the youthful buoyancy and yet mature wisdom of this young empire-maker? First of all, a happy, healthy childhood and girlhood in the country, where she resided under the roof of her grandfather, W. P. Price, M.P., in Gloucestershire, and where she was the companion of her brother in many of his sports and pastimes.

Before she was fifteen Miss Brooke-Hunt had been encouraged by her grandfather to start a boys' club in connection with the institutes and libraries on the estate, and she constantly listened to the discussions of the old squire on economic questions, which found practical exemplification in the work done in this miniature world. Later on she spent a short period at Cheltenham College, where the head mistress found her bent so clearly indicated that she allowed her to take up political and social economics, history and literature, in which subjects she won high distinction. Later came a move to Gloucester, and the result was the founding of a branch of the university extension lecture work by one girl. It is needless to say that the lectures were on history, economics and sociology, and that the lecturer, bringing her youthful enthusiasm into the work, scored a huge success. This girl of eighteen managed to bring boys and men of the artistic class into intense sympathy with the work and from this movement grew the club known as the "Gordon Wanderers," where, under the auspices of the Home Arts and Industries, technical instruction was given the lads, who supported the institution by their savings. Albert Court Gate was close to the Knightsbridge Barracks, and when fate brought Miss Brooke-Hunt and her family to London, she found that many of the young privates in the Guards were boys from her old institutes, who had from time to time enlisted and left their native country.

Realizing that soldiers have more than human enemies to fight when on active service, Miss Brooke-Hunt managed, in the spite of many difficulties, to find her way to South Africa, and there to establish soldiers' institutes. She went out on a troopship, and found plenty of work for her active mind on the voyage, as there were all sorts of entertainments, etc., to be devised for South African men. The experienced leader of men are embodied in her book, "A Woman's Memories of the War," written with the spirit of a true sportsman.

A "Life of Lord Roberts for Boys," and "A Story of Westminister Abbey for Boys and Girls" are two of Miss Brooke-Hunt's most recent contributions to literature.

To-day she finds this enthusiastic young Imperialist busy as the Organizing Secretary of the woman's branch of the Tariff Reform League, and I had the pleasure of listening to her speech at the initial meeting of the league at the house of Lord Glenesk, in Piccadilly. This speech was a revelation to me of what a woman's grasp of the subject might mean. I was immensely struck with the manner and matter of the speech.

The Union Hack Club, for soldiers and sailors, to be established close to Waterloo Station, is a project in which Miss Brooke-Hunt is greatly interested. The committee has already nearly thirty thousand pounds in hand, but require fifty thousand, and this Miss Brooke-Hunt is inclined to think is soon forthcoming.

Several medals have been bestowed upon the young Imperialist at different times. One, the Order of St. John of Jerusalem, Canadians know of in connection with ambulance and nursing work. Then comes the Order of Our Lady of Grace, next the South African war medal, and last, but not least, by reason of the story attached to it, is the coronation medal, which was presented to Miss Brooke-Hunt by the King at the great colonial review in 1902. It was presented to her in the presence of so many of the men she had worked for during those three months of high festival, as a result of their direct communication with the King, whom they asked as a personal favor to allow their friend and comrade to share the honor done them.

The pretty little sunlit drawing-room at Albert Court is full of souvenirs of the Empire from every part of the Empire have come presents of jewellery or plate in recognition of the kindness shown the officers and men of the various regiments. A handsome silver bowl and a massive pair of silver candlesticks testify to the gratitude of Canadian soldiers, while Ceylon sent a beautiful silver bowl resting on the backs of three carved elephants.

South Africa sent jewels and a magnificent ostrich feather fan, and Cape Colony a handsome silver mine stand. In the very best sense Miss Brooke-Hunt is a "man's woman," with a wonderful insight and understanding of the needs, and possibly at the same time the weaknesses, of the class in which she is most interested.

Time seems most untimely when he brings a woman to the turn of life. Life is or should be at its ripest and best for her, and she approaches this change with a dread of its effect born of her knowledge of the sufferings of other women at this season.

There is not the slightest cause for fear, or anxiety at this period if Dr. Pierce's Favorite Prescription is used. It gives health of body and cheerfulness of mind, and by its aid the pains and pangs of this critical period are prevented or cured.

Dr. Pierce's Favorite Prescription is woman's medicine with a wonderful record of cures of womanly diseases. Diseases that all other medicines had failed to cure, have been perfectly and permanently cured by the use of "Favorite Prescription."

"I feel it my duty to write you as I have received so much benefit from the use of your medicine," says Mrs. Lizzie A. Bowman, of New Medicine, says Mrs. Lizzie A. Bowman, of New Medicine, Washington Co., Ohio. "I have taken four bottles of 'Favorite Prescription' for female weakness and change of life. Before I began taking it I could not do anything. I had severe pains in my head and in the back of my neck such pains I thought I would lose my mind. Now I can work every day. I recommend 'Favorite Prescription' to all females suffering in the period of change of life. It is the best medicine I have found."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place. Keep the bowels healthy by the timely use of Dr. Pierce's Pleasant Pellets.

## A DELIBERATE MAN.

He Ate His Full Dinner and Caught the Stage as Well.

Charles Stuart, one time senator from Michigan, was traveling by stage through his own state. The weather was bitterly cold, the snow deep, the roads practically unbroken. The stage was nearly an hour late at the dinner station, everybody was more or less cross and in a hurry and the situation uncomfortable to the last degree.

Senator Stuart sat down to his dinner with his usual deliberation, notwithstanding the word that was passed around, "Fifteen minutes for refreshments."

When he had finished his first cup of coffee the passengers were leaving the table. By the time the second cup of coffee was served the senator was alone. He ate his dinner with the same deliberation, and when he had finished his third cup of coffee, the crowd laughed and stung back chaff at the deliberate man at the table.

While the household, as was the custom, assembled at the door to see the stage drive away, the senator continued calmly drinking his coffee. Suddenly, just as the stage started, there was a violent pounding on the dining room table, and the landlord hurried in, to find that the senator wanted a dish of rice pudding. When it came he called for a spoon, but there wasn't a spoon to be found.

"That shock headed fellow took 'em; I thought he was a crook!" exclaimed the landlord.

The landlord jumped at the same conclusion.

"Hustle after that stage; bring 'em all back!" he shouted to the sheriff, who was untying his horse from the rail in front of the tavern.

A few minutes later the stage, in charge of the sheriff, swung around in front of the house. The driver was in a fury.

"Search them passengers!" yelled the landlord.

But before the officer could move the senator opened the stage door, stepped inside, then leaned out, touched the sheriff's arm and whispered:

"Tell the landlord he'll find his spoons in the coffee-pot."

This rough and tumble world is all I know; it's good enough for me, and good enough to love a friend.

## FOR YOUNG FOLKS.

### TEST YOUR SIGHT.

Find Out Whether You Are Right Eyed or Left Eyed.

A left eyed person uses the left eye alone in all cases where it is not necessary to use both eyes, as in using a spy-glass or a microscope, either closing the right eye or paying no attention to what is seen by it. Furthermore, the left eyed person when reading with both eyes open pays little attention to what the right eye sees. Now, it may seem very difficult to prove this, as both eyes usually see the same thing, but it can be proved very easily in the following way:

With a sharp lead pencil punch a hole in a large card and hold the card

FINDING ONE'S FAVORITE EYE.

between your face and the table, on which you have placed a small coin. Move the card about rapidly in all directions until you catch sight of the coin through the hole; then hold the card still and shut one eye; then open that and shut the other. If you are right eyed you will see the coin only when the right eye is open; if you are left eyed you will see it only when the left eye is open. This test will not succeed if you move the card very slowly, for unless you are nearly blind in one eye you will see the coin when the hole is in line with it and either eye, but when you move the card quickly you catch the rapid glimpse of the coin with your favorite eye, so to speak, but not with the other one, which you are accustomed to neglect. This habitual neglect of one eye is so common and so complete that many a person has for years been nearly blind in one eye without knowing it.—New York Mail.

## A LAUGHING GAME.

How a Roomful of Girls and Boys May Have a Jolly Time.

This is one of the jolliest impromptu games that we know of. We mean by impromptu that it requires no preparation whatever, but may be played by a roomful of boys and girls the moment it is suggested. And it is brimful of fun from start to finish.

Any number of players may take part in it. They first select a leader, who should be a bright, alert, quick-witted boy who is capable of preserving his self-possession while fun and laughter are going on all around him. The players seat themselves in a circle, and the leader takes his place in the center. He holds in his hand a white handkerchief, which he has knotted so as to make it partly solid.

When everything is ready the leader tosses the handkerchief up in the air, and then every player must begin laughing. But they must all stop laughing by the time the handkerchief reaches the floor, and if any one does not stop and the leader catches him either laughing or smiling he imposes a forfeit or a fine.

Or instead of making the detected laughter pay a forfeit he may be required to drop out of the circle. If played in this way the players drop out one after another until only one is left, and that one wins the prize.

## Spanish Tag.

This is the way the Spanish children play the game of tag. One child, chosen by lot, is the moon and must keep within the shadow. The others, morning stars, are safe only in the lighted spaces. The game is for the morning stars to run into the shadow, daring the moon, who, if successful in catching one, becomes a morning star in turn and passes out into the light, leaving the one caught to act the part of the moon. As the morning stars run in and out of the moon's domain they sing over and over the following stanza:

Oh, the moon and the morning stars!  
Oh, the moon and the morning stars!  
Who dares to tread—O!  
Within the shadow?

## Flowers in Soap Bubbles.

Did you know that it is possible to blow a flower inside a soap bubble? It is done in this way: The bottom of a plate should be covered with a soapy solution at least a half inch thick. In the center place a carnation, a rose or any compact flower. Over this place a tin funnel, and while slowly lifting it continue the blowing until a large film has been made. The funnel is then disengaged, after having first turned it at right angles.

To make the most successful soap bubbles use castile soap, glycerin and ammonia. It should stand for three days before using it, whereupon the acum should be removed.

## A Lesson in Etiquette.

Whenever you go out to tea, little man. Remember this lesson as well as you can: If the hostess should offer you cocoa or tea.

Don't say you would rather have milk or coffee.

Just apply what I tell you to all things in life.

It will lighten the burden and lessen the strife.

Take just what is offered, smile a beautiful smile.

And be glad if a choice is yours once in awhile.

## A Well-dressed Woman.

No woman could wish to be better dressed than she is in a Novi-Modi costume. The fabrics are the very newest weaves. The styles are taken from the leading ladies' tailors of Paris and New York. The workmanship cannot be equalled outside of the establishments of those few, very exclusive, world-known tailors.

If you require a travelling gown or a walking skirt it is a good time to test the merits of Novi-Modi.

## A WARNING.

To feel tired after exertion is one thing; to feel tired before is another.

Don't say the latter is laziness—it isn't; but it's a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla.

It's a warning, too—and sufferers should begin taking Hood's at once. Buy a bottle to-day.

### STARTS WORK

His Honor Judge Dowlin, Presided at His First Kent County Sittings To-day.

Judge Dowlin received his baptism of fire this morning when he made his initial appearance as presiding Judge since his appointment to the Bench.

Division court was listed for this morning and was held as usual in the Council Chamber. When his Honor Judge Dowlin entered the law-yers and others present were on their feet and took their seats after His Honor was seated. The bar had formally received the Judge on Saturday and so refrained from any demonstration this morning. Owing to the High Court Sittings there were not so many lawyers present as there would otherwise have been. Amongst those in attendance were Judge Houston, O. L. Lewis, S. B. Arnold, Ward Stanworth, J. M. Pike, W. E. Smith, John Reeve and others.

Judge Dowlin is very deliberate in his procedure. The first case tried was that of Seeling and Kovensky vs. Rosen. This was a suit for \$60 money alleged to have been lent. Judgment was given for the plaintiff, O. L. Lewis and Judge Houston had the distinction of being opposing counsel on the first case tried by the new judge. Mr. Lewis appeared for the plaintiffs.

The case of Chase vs. Ferguson was next taken up. This was a dispute over wages to the amount of \$13.18. W. E. Smith appeared for plaintiff and Judge Houston contra.

J. M. Pike had a rather unusual suit, which was also on the list for trial. Mrs. Springer, executrix of the estate of the late Dr. Springer, is suing Gus Berard, executor of the estate of the late Louis Curtlett for \$95, balance of account. Some of the items in the bill were first entered in 1868, but the debt had been kept alive by payments on account.

**SATCHEL OF THE SATELLITE**

This weather will do very nicely.

The Mayor is developing even more strength, in oratory at least.

Better come home, Billy Bailey. There's going to be doings.

No manufacturing establishment is complete without a baseball team.

Come to Chatham, Mr. Blenheim Man, when you feel thirsty.

This spring weather should have the all wool and a yard wide label on it.

Drink and the world drinks with you. Live in Blenheim and you'll drink alone.

The Blenheim man will often find that he has important business in Chatham now.

I'll venture to remark that the Chatham Old Boys who live in Blenheim will be home for the Re-union, with a thirst that you can see a mile away.

The man who smokes and runs away will live to smoke some other day. That is, of course, if he don't die in the meantime, and then he will smoke anyway.

**DRESDEN**

May 3.—J. Doyle and J. Anderson, of Wallaceburg, were Dresden visitors yesterday.

Harry Blakely, who has been employed in I. A. Cameron's store, has given up his position and left yesterday for his home in Rockport, Ont.

Geo. Ashwell has severed his connection with the Dresden Canning Co., and intends going into the retail business in Strathroy. Mr. and Mrs. Ashwell have made many friends during their residence in Dresden, all of whom will regret their departure from our town.

Dr. McKeough, of Chatham, was in town yesterday in consultation with Drs. Wiley & Wiley, Mary, the infant daughter of Dr. W. Wiley, being dangerously ill.

We are pleased to see three of Miss Lawrence's pupils among the first five essayists in the March competition of The Planet Junior. Selwyn Griffin's essay won first place and the prize and Clare Dever and Kent Griffin secured third and fourth place, respectively.

Ernest Hales has accepted a position with I. A. McKimmiey and commenced work yesterday.

Father Brady, of Wallaceburg, was a Dresden visitor yesterday.

Rev. A. K. Griffin has moved from his late residence on Holden St., and is occupying part of Mrs. J. Leonard's house. Mr. Griffin's resignation as pastor of Christ Church will take effect at the end of July.

The right of confirmation was administered last night to six young people of Christ Church by His Lordship, the Bishop of Huron. The splendid address of the Bishop was followed by the impressive ceremony of confirmation, after which His Lordship gave a few solemn words of advice to the candidates and formally presented them with the confirmation certificates. The church was crowded with an appreciative congregation, who listened with genuine interest to the inspiring words of the presiding Bishop.

### YOU HAVE INDIGESTION

And conclude of course that the stomach is at fault. So it is, but there is a cause away back the stomach that must be reached before the stomach can be made to do its work. The cause is nerve disturbance or nerve debility. First get the nerves in shape and then the stomach will be right also. Ferrozone has accomplished this for thousands of people, whose digestion was completely gone. Ferrozone is food for the nerves and works wonders in stomach trouble. Where digestion, appetites and assimilation are faulty just try Ferrozone. It cures thoroughly. Price 50c. at druggists.

## IS NO LONGER A DEATH SENTENCE

Bright's Disease Again Cured  
by Dodd's Kidney Pills

Miss Johanna Mayor, Given Up By Two Doctors, Is Again a Strong Healthy Girl.

Lothel, Gengarry Co., Ont., May 2.—(Special).—That Bright's Disease has come within the reach of Medical Science and is no longer on the list of incurable diseases is again proved in the case of Miss Johanna Mayor, of this place. In an interview Miss Mayor says:

"I had to give up a profitable position with a correct firm. Two doctors whom I consulted gave me up, telling me I had let the disease go too far. I spent a fortune with doctors besides going to Caledonia Springs each summer, but no good resulted and I began to think I could not endure life much longer."

"It was then I started to use Dodd's Kidney Pills and it is owing to them entirely that I am at work to-day, a strong healthy girl. It took eight boxes in all to complete the cure, but I did not take the first two boxes regularly as I had no faith in them. You may be sure in future I will never be without Dodd's Kidney Pills."

Dodd's Kidney Pills always cure Bright's Disease. How sure it is they will cure all the earlier stages of Kidney Disease.

### BLENHHEIM

May 3.—Miss Shaver, who has been visiting her sister, Mrs. P. Haggart, has left for Toronto.

A meeting was held last evening in the Presbyterian church of the Lord's Day Alliance. Rev. T. A. Moore delivered one of his popular and patriotic addresses.

Mrs. R. M. Thompson leaves to-day for Huron, Ohio, to visit her brother, Rev. R. J. Froehner.

The school is again started after having been dismissed for a week. Two fresh cases of scarletina broke out last week but are of very mild form.

Mr. and Mrs. Newson, of Kingsville visited friends here over Sunday.

Arthur Bentley, of Guilds, has returned from a six months' trip to California. He thinks that Ontario is plenty good enough for him. When he left California it was 95 in the shade.

After the decision of the members of the Town Council at the special meeting held last Tuesday evening, the temperance party sent Rev. G. B. Brown and R. L. Gosnell to Toronto to interview Provincial Secretary Stratton. They returned from Toronto on Friday noon. On Saturday license commissioners Shaw, McDiarmid and Tate met at Ridgeway to consider the granting of licenses for this section of the County. A deputation from both sides were present. When the session was closed the commissioners had not given their decision, but later in the evening word was received that no licenses would be granted. No demonstration whatever was made by the temperance party yesterday. Everything seemed to be going on quietly.

U. T. Saint, of Wallaceburg, is spending a couple of days in town. Mr. Saint is looking for a couple of black horses.

## HANDSOME GOWNS.

Much Lace is Used as Trimming.  
Liberty Satin a Favorite.

Liberty satin is being used a great  
deal for evening dresses, and this rich  
and plebeian material makes up well  
with a few shirtings or a bit of fine  
lace.

Quantities of lace are used on every-  
thing and especially on fine hats. The  
lace veil which drapes the brim and  
falls in a curtain behind is one of the  
prominent features of millinery. Most  
of the new shapes are very simple and  
adapt themselves well to this draped  
style of trimming.

A shepherdess shape and the old  
Dolly Varden are again to the front,  
while variations of the French sailor  
appear in chiffon and in fancy straws,  
leg horns and crinolines.

The draped veil, in spite of criti-  
cisms against it, will be with us again  
this summer, for nothing is more be-  
coming to a young face than a back-  
ground of chintilly or chiffon.

The colorings used at present are  
very beautiful. The fancy for browns

LIBERTY SATIN GOWN.

and yellows has not abated, and rose  
tints in all shades from purplish to  
pure white will be seen all through the  
summer months.

A new method for treating the backs  
of the skirts is having a deep box plat  
formed of several small platts on each  
side. These platts, which are stitched  
securely down at the top, produce the  
necessary fullness at the bottom, and  
this is further accentuated by means  
of ruffles or flounces. In some of the  
skirts, however, there is a decided  
tendency to bring a great deal of the  
fullness to the front by means of gath-  
ers. The result is that the gown stands  
out as much in front as at the back,  
but the effect can hardly be termed  
graceful.

In the illustration there is represent-  
ed a dinner gown of pale gray liberty  
satin. It has a bertha of point de ve-  
nise lace.

## SPRING FASHIONS.

New Tints For Street Wear—The Hip  
Yoke on Skirts For Stout Women.

White brown is still a favorite shade  
with Parisiennes. It divides honors with  
a bright shade of blue, and the leading  
dressmakers are showing blues in all  
shades, from navy to bright periwinkle.

Navy blue chevrons are always smart  
for morning wear, especially when  
trimmed with a flat black and silver  
or gold braid and gold or silver but-  
tons.

Some boleros are being made with  
white cloth waistcoats embroidered in

PALE BLUE STRAW HAT.

gold or silk the same color as the bo-  
lero.

Quiltings of velvet and of satin are  
more popular than ever on cloth and  
on silk gowns and even on hats.

The hip yoke is proving a godsend to  
the woman of plump figure. It cor-  
rects the full skirt, which is now a  
necessity to every smart gown, and it  
makes it possible for her even to look  
graceful in it.

Speaking of the full skirt, there are  
revised editions of it suited to the  
stout woman. One model especially has  
a V shaped yoke of strappings and a  
series of inverted platts stitched  
down to the knees. The fullness in  
this skirt is therefore only around the  
feet, where it is most needed.

The hat in the picture is of pale blue  
straw trimmed with twists of pale blue  
panne and pale blue feathers.

## SCOURGE OF THE AGE IS KIDNEY DISEASE

Terrible Increase in the Num-  
ber of Deaths from This  
Ailment

It is Common to All Classes  
and Conditions of  
People

It Creeps Stealthily Into the Sys-  
tem And Develops into Many Dis-  
eases.

Bright's Disease, Heart Disease, Dia-  
betes, Dropsy and Rheumatism, are  
Among the Forms It Takes.

Dodd's Kidney Pills The One Rem-  
edy That Never Fails To Cure It,  
No Matter How or Where It Is  
Found.

Of all the diseases the human body  
has to combat in its struggle for  
health, the one that is steadily grow-  
ing in strength and terror is Kid-  
ney Disease. Quietly, stealthily as a  
serpent, it creeps on its victim until  
the latter is enveloped in its folds,  
and the greatest physician the world  
has ever known stand helpless be-  
fore it. As the last fold goes around  
the struggling victim and the doctor  
shakes his head and whispers  
"Bright's Disease," hope fades to noth-  
ing, and the sorrowing friends  
feel that death has marked their  
loved one for its own.

The alarming increase this ter-  
rible disease is making is evidenced  
by the columns of almost every news-  
paper. For not among the lowly of  
the earth alone does it look for its  
victims. Statesmen, judges, eminent  
lawyers, and honored divines are  
numbered among those who in re-  
cent months have gone down to their  
graves with the fell marks of this  
dread disease upon their bodies. In  
fact, so prevalent has the disease  
become that a celebrated New York  
specialist stated recently that not  
one person in a hundred was free  
from some taint of Kidney Disease.

WORKS IN SECREET.

It is the secrecy of Kidney Disease  
that makes it the more dreaded.  
You can fight an enemy in the open  
with some chance of success, but if  
he is lying in wait to take you at an  
unwary moment your chances of suc-  
cessfully fighting him are terribly  
diminished. So it is with Kidney  
Disease. Its first warnings are so  
faint as to be hardly noticeable, a  
slight pain in the back that is charged  
up to over exertion, a slight dis-  
coloration of the urine or a burn-  
ing sensation while urinating that  
hardly attracts attention. That is  
all. But that means that Kidney  
Disease is at work gradually eating  
its way into your system. The pain  
in the back grows more severe, the  
urinary trouble more complicated,  
swellings under the eyes and of the  
limbs denote the coming of Dropsy,  
sharp shooting pains in the joints  
and muscles tell that Rheumatism  
has you in its grasp, or perhaps a  
day or two's illness leads to the call-  
ing of the doctor, and suddenly the  
terrible truth is forced upon you—  
Bright's Disease has you in its grasp.

WAY OF ESCAPE.

With this silent, relentless enemy  
slowly but surely eating its way into  
your system and marking that pro-  
minence by a yearly increase in the  
length of its death list, the demand  
of the day, of the hour, "Show us  
the way of escape." Nature never  
put mankind in a critical condition  
without providing a way of escape—  
providing mankind were wise  
enough to take the way provided.  
In this case the way of escape is a  
simple vegetable remedy. It has  
been before the people of Canada for  
thirteen years, and like all the great  
relievers of nature, has been first  
received and first appreciated by the  
lowly in life, those known as the  
common people of Canada.

Is fit the common people of Canada  
who die of Bright's Disease? No, it  
is the bright and shining marks,  
those who are stationed above the  
heads of the masses. Ask the reason  
of that? Go to the people who  
are practically exempt from Kidney  
Disease in its worst form, and ask  
them. With almost a single voice  
they will reply: "We cure our Kid-  
ney ailments with Dodd's Kidney  
Pills, and they never get a chance  
to develop into that terrible disease  
that carries so many prominent men  
into the grave."

ON WITH HIS WORK.

And so it is; the man who does  
manual labor must heal his slightest  
aches or they hinder him in his work.  
When he has backache he cures it  
with Dodd's Kidney Pills, and goes  
on with his work; when he feels a  
twinge of Rheumatism he drives it  
out of his body with Dodd's Kidney  
Pills, and goes on with his work.  
Necessity has taught him that he  
must cure his Kidneys to get rid  
of his pains, for he must work to  
live. He has not been educated to  
that standpoint where a prescrip-  
tion to cure must be written by a  
specialist at a cost of dollars to  
every letter. He has not even know  
that there never was a disease that  
took in all classes of the com-  
munity but what nature provided a  
cure within the means of all classes  
of the community. What he does  
know is more to the point than all  
this. He knows that Dodd's Kidney  
Pills will cure all aches which ex-  
perience has taught him come from  
the Kidneys. He takes Dodd's Kid-  
ney Pills, and goes on with his work.

SOME EXCEPTIONS.

Of course, there were exceptions  
to every rule. Even among common  
people there are those who neglect  
the early warnings of Kidney Dis-  
ease. It takes exceptions to prove  
the rule—but many of these exceptions  
prove more—they prove that no case  
of Kidney Disease is too far gone for  
Dodd's Kidney Pills to cure. Bright's  
Disease, Diabetes, Dropsy, Heart Dis-  
ease—all the varied forms of Kidney

Disease in its advanced stages—have  
been met by Dodd's Kidney Pills, and  
never once has Canada's great Kid-  
ney Remedy had to admit defeat.  
From the Atlantic to the Pacific, and  
from the Great Lakes to Hudson Bay,  
Dodd's Kidney Pills are used, and  
wherever used they have triumphed  
over Kidney Disease in its every  
form. Thousands of Canadians are  
shouting their praises of the con-  
queror.

Just a few of those who have ne-  
glected the early symptoms, reached  
the more advanced stages of Kidney  
Disease, and found a cure in Dodd's  
Kidney Pills are given below. There  
are thousands of others. Ask in  
your own immediate neighborhood.  
You will not have to go far to meet  
men, women and children who have  
either ward off or cured the terror  
of the present age by using the old  
Canadian stand-by—Dodd's Kidney  
Pills.

BRIGHT'S DISEASE CURED

Bright's Disease has invariably  
yielded to a treatment of Dodd's Kid-  
ney Pills, no matter how far a hold  
it had secured on its victim. Possibly  
the most talked of case of recent  
date is that of Alice Maud Parker,  
of Shubemacade, Hants Co., N. S.  
The full story of this case will be  
found in the current number of  
Dodd's Magazine. Herewith a short  
statement from the young lady's  
mother is appended:

Two doctors pronounced my daugh-  
ter's illness Bright's Disease, and gave  
up to die. Her eyelids swelled  
till she could hardly see; her legs  
from her ankles to her knees swelled.  
Her belt in health in health was 30  
inches, when she was at her worst  
it was 48 inches. Then she gave up  
another treatment and started to  
take Dodd's Kidney Pills. By the  
time she had taken the first box I  
saw a change. It took a long time  
to bring her back to perfect health,  
but Dodd's Kidney Pills did it. To-  
my daughter is in perfect health.

Mrs. T. G. Parker,  
Shubemacade, Hants Co., N. S.

DIABETES CURED.

Diabetes is another of the most  
feared and fatal forms of Kidney  
Disease that has been cured by Dodd's  
Kidney Pills, and by no other medi-  
cine. Among those cured of this ter-  
rible ailment is Mr. Charles Gilchrist,  
for fifteen years Chief of Police of  
Port Hope and afterwards for twenty-  
two years Fishery Overseer under the  
Dominion Government. He makes the  
following statement:

I was a sufferer for ten years with  
Diabetes and Kidney Disorder. At  
times my urine was of a dark brick  
color, and I would suffer something  
awful while passing. I tried doctors  
and medicine, but could get no help  
till I tried Dodd's Kidney Pills. They  
have made me a new man. The citi-  
zens of Port Hope all know me, and  
can vouch for the above.

Chas. Gilchrist,  
Ex-Chief Const and Fishery Overseer,  
Port Hope.

HEART DISEASE CURED

Heart Disease is a result of Kidney  
Disorder. Bad Kidneys mean im-  
pure blood, the action of impure blood  
on the heart causes Heart Disease.  
Dodd's Kidney Pills cure it!

I suffered for years with Heart  
Disease, Bright's Disease and Rheuma-  
tism. I was so feeble I was unable  
to do anything. There were three  
months I abandoned all medicines,  
and resolved to let myself die. Then  
I was led to try Dodd's Kidney Pills,  
and the good the first box did me  
surprised me. I have taken twenty  
boxes in all, am well of my Heart  
Disease, my Bright's Disease and my  
Rheumatism.

Dame Louis Provost,  
St. Maguire, Que.

DROPSY CURED.

Dropsy, another disease caused by  
diseased Kidneys failing to do their  
work and remove the surplus water  
from the blood, is another ailment  
Dodd's Kidney Pills always cure. Here  
is an example:

I was a total wreck before I start-  
ed to use Dodd's Kidney Pills. In the  
mornings before I got out of bed I  
could hardly put my feet to the floor  
they were so much swollen with drop-  
sy. My arms used to swell at times  
so that I could not put on my coat.  
I had to be tapped to be relieved  
from my terrible pains. On the ad-  
vice of a friend I started to use  
Dodd's Kidney Pills. Before I had  
finished the second box I felt much  
better. Seven boxes cured me com-  
pletely. I don't know what it is to  
be sick since I used Dodd's Kidney  
Pills.

George Robertson,

Montreal, Que.

RHEUMATISM CURED.

Rheumatism and kindred Kidney  
Diseases, such as Lumbago, Sciatica,  
and Gout, are caused by uric acid in  
the blood. If the Kidneys are put  
in working order they strain all the  
uric acid out of the blood, and the  
Rheumatism goes with it. Take the  
case of W. G. Cragg, of Urenburg, Ont.  
Here is his statement:

For eight years I was troubled  
with inflammatory Rheumatism. I  
could scarcely get around to do my  
duties in my store. I had some of the  
best doctors I could get, but nothing  
I tried would ever give me relief. I  
started using Dodd's Kidney Pills and  
had only taken six boxes when I was  
completely cured.

W. G. Cragg,  
Ex-Rieve of Urenburg, Ont.

ALL KIDNEY DISEASES CURED.

These are only a few cases taken  
from thousands to show the efficacy  
of Dodd's Kidney Pills. In other  
forms of Kidney trouble, such as Urin-  
ary troubles, Gravel, Female Weak-  
ness, etc., Dodd's Kidney Pills have  
the same record. They always cure,  
as for pain in the back—the first  
symptom of Kidney trouble—ask your  
neighbors. You'll find the majority  
of them look on Pain in the Back as  
a danger signal, and on its first ap-  
pearance safeguard themselves against  
this terrible fatal Kidney Disease by  
driving it away with the old Cana-  
dian stand-by—Dodd's Kidney Pills.

Their street pavements. Their securities were attached and the Mayor committed the contract.

The permanent firemen wrote asking for uniforms. — Referred with honor.

C. B. Atkinson, K. C. wrote that unless sewer on Park Ave. were promptly cleaned he would apply for its mandamus and cleaning damages for alleged injuries already incurred.

Board of Works. — Mayor Wm. Northwood wrote saying he would forward portrait for council chamber.

Friday, May 27, was appointed first day of sittings of Court of Revision. In reference to petition the work on the sewer on Florence St. was referred.

Neil H. Ruthven was heard and said that the petition was not properly signed.

Residents of Park St. asked the appointment of Jas. Sterling as inspector of the new pavement. — Board of Works.

E. W. Sulman wrote asking that cement covers be replaced on manholes, opposite his premises. — Board of Works.

Chas. Allan wrote asking old firemen's allowance of \$2 per annum. — Finance.

Wm. Chrysler wrote for charity on behalf of one, Fox and family. — Ladies at the Home.

Alb. Eggott for Industrial Committee, reported on the delegation from Stratford.

The Mayor asked the Board of Works to delay the laying of the Park St. pavement as several of the ratepayers wanted to reduce the width from 24 feet to 21 1-2 feet, thereby lessening the cost.

Ald. McCoy heartily concurred. Many of the residents rightly felt that the width made it very expensive on the poorer people. He thought opportunity should be accorded them to place their wishes before the council.

## HEALTH BOARD

Largely Attended Meeting Yesterday  
— Matter of Sewers Discussed.

The Board of Health met yesterday afternoon with the following present: Chairman Dr. C. R. Charteris, Chas. Hadley, Dr. R. V. Bray, O. B. Huln, W. S. Richards, Medical Health Officer Dr. W. R. Hall, City Clerk Merritt and Health Inspector Mounter.

Chairman Charteris expressed much pleasure at seeing the old representative, O. B. Huln, present again and hoped to see him able to attend many meetings to come.

The following accounts were passed: Central Drug Store, \$7.77; Public General Hospital, \$10.

Two accounts of the Public General Hospital for \$10 each were referred to Dr. Hall.

Re the petition of Joseph street residents against the initiative being taken for a sewer on Florence street recommended by the Health Board as a health measure, Thomas Martin was heard. He said Florence street was simply an alleyway and had not a house upon it. Joseph street residents already had a sewer and he did not think they should be made to pay for two.

Dr. Hall said he had recommended the sewer upon complaints, but had since "driven over the street, found it in very bad condition, but as there were no houses on the street, a porous tile drain would do. All that was necessary was that the water be drained off.

Mr. Huln thought porous tile was all that was necessary. He had never known it to be called a street before and had always thought it nothing but an alley.

On motion of Messrs. Cornell and Hadley, the Council will be asked to defer action.

John Stevens applied for a sewer on Forest street between Elizabeth and Arnold as a sanitary measure.

On motion of Messrs. Richards and Hadley, it was decided to recommend to the Council that a sewer be put down.

The Ladies of Ursuline Academy asked for a sewer on Ursuline avenue. A sewer was also asked for on Lowe street.

It was decided to hold a special and get reports on these streets from the City Engineer.

## CONSUMPTION IS SCOURGING CAN- ADA.

Year by year the White Plague steadily gains headway, and why? Because careless people let their colds run into catarrh, which in turn becomes consumption. Victims of catarrh needn't be discouraged, for fear, healing Catarrhazone permanently cures every type of catarrh. The soothing vapor of Catarrhazone kills the germs that cause catarrh and prevents them from again entering your system. Relief will be quick, cure will be certain, absolute freedom from any trace of catarrh follows the use of Catarrhazone. It is a scientific remedy warranted to cure lung trouble, bronchitis and catarrh. Cure guaranteed with two months' treatment. Price \$1.00; sample size 25c.

ing in his sermons when he took the text "For I determined to know nothing among you save Jesus Christ, and him to be crucified."

"I am not after your souls," the new minister continued. "Trust me, I will not lead you astray. I do not try to please anyone in particular. I will not move an inch out of the way to please anyone in the church but will ever strive to please the Lord Jesus."

In concluding, Mr. Hoyt again thanked the people for their kind reception.

The chairman read a note from Rev. T. Beverly Smith stating his regret at inability to be present, but wishing Mr. and Mrs. Hoyt a hearty welcome to the city.

Rev. A. H. MacGillivray was the next speaker. He said he had only been in the city three months himself and sympathized with Mr. Hoyt.

"You must not forget," Mr. Hoyt's mind to tonight with you on the start. He has no doubt broken tender ties and his mind for a while at least, will be back with his former associations.

Then again you must not expect him to be very enthusiastic at the outset. While he is getting his bearings about town he has my sympathies. To be lost two or three times in this crooked city will be no nothing to him. I trust the relations will be most cordial. In concluding, Mr. MacGillivray welcomed Mr. and Mrs. Hoyt to the city and thanked the committee for the invitation to be present.

A few musical numbers followed. Guitar Solo—Starr Oldershaw. Vocal Solo—Miss Gertrude Potter. Selection—Decca's orchestra.

Vocal Solo—Dr. Russell. Vocal Solo—John Reeve.

Roy Benson, of McMaster's University, Toronto, gave a short address.

Rev. G. H. Cobbledeek was next called upon. On behalf of Park St. Methodist Church, he welcomed Mr. and Mrs. Hoyt to the city. He welcomed Mr. Hoyt as a co-worker for Jesus Christ and said there was ample room and people in the city for all the ministers. He concluded by wishing Mr. and Mrs. Hoyt every happiness in the Maple City.

Miss Baxter, Mrs. Oldershaw, Messrs. Rowe and Brown gave a quartette selection.

Light refreshments were served and the remainder of the evening was spent in social intercourse.

## SPRING FAIR

Excellent Showing at the Early  
Peninsula Exhibition—Some  
Fine Horses.

The Spring Fair, which was held on Saturday, was a success in spite of the very inclement weather. There was a good showing of horses and all of the exhibits were of a very high order. There was a fairly good attendance, although not as good as in former years. The competition was keen and interesting and the result of the judging was as follows:

Aged Percheron stallion, 1, "Maple City Chief," owned by Arthur Wemp, Baldon.

Three-year-old Percheron stallion, 1, "Gamster," owned by John Chinnick, Raleigh.

Aged Clydesdale stallion, 1, "Doornock," owned by J. H. Marshall, Stewart; 2, "Royal Monarch," owned by John Marshall, Blenheim; 3, "Prosperity," owned by J. C. Brown, Dresden.

Aged Shire stallions, 1, "Byron Kitchener," owned by J. and E. Chinnick, of Locust Hedge Farm, Chatham Township; 2, "Farrington," owned by James Downey, Harwich; 3, "Honest Lad," owned by Elene Hind, Bear Line.

Aged Agricultural stallion, 1, "White Diamond," owned by John Marshall, of Blenheim.

Suffolk Punch stallion, 1, "Ontario," owned by Wm. Richardson, Kent Centre.

Special prize for best heavy stallion of any breed, "Doornock," owned by J. H. Marshall, of Stewart.

Some fine horses were entered in the carriage and roadster class, but on account of the poor weather in the morning the track was unfit for judging.

W. J. Richardson, of Harwich, entered his punch horse "Ontario," in the competition for the best stallion of any variety and any age. The judges, however, were instructed to consider heavy draught horses only and "Ontario" was not heavy enough to be entered. "Ontario" has never yet been beaten at an exhibition.

#### SUNDAY PLAYING LEGAL.

New York, May 2.—Sunday baseball in Brooklyn was declared legal to-day in a decision handed down by Justice Gaynor. At the same time several ball players and officials at the Brooklyn baseball park, who were arrested in the test case a week ago, were discharged from custody, the justice saying that the police commissioner had exceeded his authority in causing the arrests.

#### OLD BOY COMING

Correspondence is still coming in with a rush to the headquarters of the Old Boys' Re-union. Secretary Scane has received the following letter from F. S. Jarvis, formerly manager of the Merchants' Bank here.

Galt, April 26, '04.

Mr. W. W. Scane,

Sec'y, C. S. C. and O. B. R.

Chatham, Ont.

Dear Walter,—Your very kind invitation to visit you May 30 to June 4th, were received and appreciated.

"Bill Bailey" will certainly "come home" to return however, as soon as prudent. The old town is dear to the hearts of us all and nowhere else on this old "Planet" does the "Glad-hand" seem so truly "Glad," or the mud so clean. I rejoice with you

absent sons and daughters to learn of the great prosperity of our Paws and Maws, and this despite the Venetian ways the old town has been taking on.

If I can be of any service to you please let me know.

Wishing you every success and hoping the Bears won't eat any of us children, I remain as ever

Sincerely yours,

F. S. JARVIS.

#### SLIGHT SPRAINS GROW WORSE

Unless promptly treated. The great strength of Nerviline enables it to quickly cure all manner of sprains and strains. "I sprained my wrist," writes Leonard E. Milford, of Rockland, "while working in the mill, but had to lay off, it became so painful and swollen. I rubbed my wrist thoroughly with Nerviline twice a day and put on a bandage. The pain soon went away and frequent rubbing with Nerviline soon cured. Nerviline is undoubtedly an excellent liniment and the best reliever I ever used." Nerviline certainly is extra good. Price 25c.

#### C. O. I. BOARD

Dr. Battisby, Chairman of the C. O. I. Board, will leave on the 90th of May on a trip to St. John, N. B. He will be away three weeks. The Doctor so informed his colleagues on the Board at the meeting yesterday afternoon and in consequence the next meeting was changed from June 6th to Friday, May 27.

Principal Patterson presented his report showing a total enrollment of 280 pupils during April and an average attendance of 265.

On motion of Dr. Thornton, seconded by Mr. McVean, the matters referred to by the inspector were referred to the internal management committee.

On motion, it was decided to remove the boulevard railing as it had survived its use and boys congregated about this railing at night to the annoyance of the neighbors.

The following trustees were present—Dr. Battisby, R. A. Harrington, Sandy McVean, Dresden; Dr. Thornton, S. B. Arnold, John Liddy, D. S. Patterson and the Secretary.

## Windsor Salt

the best salt that Canada's best salt works can produce, and that's the best anywhere

## Why

Is the White Sewing Machine pushing all others out of the way?

## Because

to see the machine alongside of others and see it work convinces every one of its superiority. 25 years good work in Chatham without cost of repairs proves its excellence. 15 points of superiority over its rivals shows how up-to-date it is. You are welcome to try one in your own home.
