It is calculated by persons who onght to know, that as many as three thousand persons have arrived and settled in Ottawa and vicinity during the present Grey & Bruce R. K. Directors have made definite arrangements for opening the Southern Extension to Ainleyville, and, if possible, to Wingham, in time for the fall trade of the present year. year.

LUMBERING opperations, the clearing of forest lands for the purpose of settle-THE LONDON CRICKET MATCH.—We are glad to learn that the London Cricket Match managers have showed a proper spirit, and invited the Guelph eleven to a participation in the festivities attend-ant on the memorable occasion. Seve-ral of our Guelph eleven were asked to play in the great match, but felt them-selves obliged to decline. nent, and the destruction of mountain imber by bush fires, are said to be affect ing the supply of water in the Ottaw and its tributaries.

A FEARFUL thunder storm occurred at fitchell on Thursday, and continued until five next morning. The lightning was very sveree, and damaged three in-struments in the telegraph office. Several telegraph poles were knocked down near Monekton.

EXCURSION TO THE FALLS .- The first EXCURSION TO THE FALLS.—The first excursion on the Wellington, Grey & Bruce Railway, to Ningara Falls will take place on the 17th inst. The train will leave Paisley at 5 a. m., and will take on excursionists at all the stations on the line between Paisley and Galt. Returning, the train leaves Suspension Bridge at 4 p. m. Tickets, one fare for the round trip. It is said that two more bishops are to

The Wanzer Sewing Machine Com-pany, on account of the great demand for their machines in foreign markets, have found it necessary to enlarge their establishment. A new 100-horse power engine is being put in at a cost of \$4,000 and new machines to the extent of \$10,-000. This will enable them to turn out upwards of 200 machines a day. ould remind our horticultural friends that the Fall Exhibition takes place to-morrow, (Tuesday), in the Drill Shed.--Entries required to be made to-day, and

walking on the Toronto, Grey & Bruce Railway, near Charleston, on Wednesday evening. he was struck by the locomotive ovening, he was struck by the locomotive of No. 2 train, and so seriously injured that no hopes are entertained of his recovery. The unfortunate man had one of his legs smashed to a jelly below the knee, and was bleeding profusely from the wound. A match for the championship came off on Saturday, between the first nine of the Maple Leaf Club, and nine of the

the Maple Leaf Club, and mine of the Dauntless Club, of Toronto, on the grounds of the former. There was a very fair attendance of spectators. The Toronto men, who playad here on the Queen's Birthday, have improved con-siderably during the season, though they are yet very far behind in their fielding. The Mark Long func playad with their La Minerve says that Mr. Victor Deom of Montreal, is taking measures for the coming out here of a large number of farm laborers and house servants from the Province of Luxembourg, Belgium, in order to supply the great want felt for are yet very far benna in their neurons The Maple Leaf nine played with their average ability, but finding they had run up such a large score, were a little care-less towards the close, or they might yed with their in order to supply the great wath fet for a these datases of Labor. The same paper publishes a list of 29 French immigrants of both serses, and one Italian, who all arrived by the Scandinavian, and com-aber. As it is prise tradesmen, mechanics, farm labor-of their comess towards a larger number. As etitors, as may be seen by the fol-

THE little town of Carthage, Ind., was thrown into commotion lately by the breaking up of saloons in the place by about sixty females, who formed themabout sixty females, who formed them-selves into a committee for that purpose. They first visited the owners and plead-ed with them to quit that vile and un-lawful business. Failing in this, they warned them to quit or they would have to abide by the consequences; still they persisted in selling, and they marched to the dens and smashed things. The ringleaders were wives of drunken hus-bands.

Geneva, Sep. 8.-It is rumored here that he Board of Arbitration has awarded to the Board of Arbitration has awarded to the U. S. damages to the amount of three and a half million pounds. The dinner given to the Arbitrators by the city of Geneva last night was a most sa-tisfactory affair. Mr. Corteret, on the part of his fellow citizens, declared that the presence of the arbitrators was an honor to Geneva, and he hoped that all nations would follow the example of England and the United States in set-ling their differences through work as

England and the United States in set-tling their differences through such a peacoful appeal to reason and justice. Count Selopis replied with words of praise for the city of Geneva. He took occasion to speak of the man who had achieved independence of Italy, Count Cavour, whose friend he was proud to have here and added that Genera was double

from the number and character of them received, as well as from those promised we anticipate a much better show than at one time, considering all the great disadvantages of the season, the most sanguine could reasonably expect. As an old man named Campbell was

## Cuclph Evening Mercury

The Halifax Chromicledon't like the idea of making the Hon. Joseph resignation, and that he was no long-er an officer of the Government. Yet this does not satisfy our captious con-

Tessination, and that he was no long-er an officer of the Government. Yet this does not satisfy our captions con-temporary. It now complains that the law required Mr Wells to do this, and that acting in conformity with that law, he did hand in his resigna-tion! In other words it blamed him first for not doing what the law re-guired him to do, and then when in formed that he had complied with its provisions, it blames him for acting in p to the letter of that law! After this, we would like to know what against Mr. Wells is, that he has comp out as a Reformer, and that he will support the Elake Administration That is where the shoe pinches. Had Mr. Wells formed one of the baker' dozen who follow the lead of M. C. Gameron, we would have heeat very little about the law in the case, and Mr. Wells mould have been the right man in the right place. But becaus he is considered so by the Reformers throughout the Province, the Herat must raise its little whine over high in, and to show the Conservatives that it is still in the field, and still willing of file their battles with the films eiset arguments, and the most quest ionable weapons. Mr. Paterson's Qualification. Mr. Paterson's Qualification.

## Mr. Paterson's Qualification.

The Government organs have been making a great noise about Mr. Paterson of South Brant, and have been deriving a small modicum of comfor from the statement industriously circulated, that he had not sufficient qualification to entitle him to a seat. The Brantford *Expositior* of last week ready for the struggle when it comes. 

following statement :---"Anticipating the nomination of the Reform party, Mr. William Paterson pur-chased real estate in Brantford to the value of something over \$3,000. The money was paid and the deeds were duly drawn up and *registered* some time before the nomination. The day succeeding the nomination betoot the necessary declara-tion before the returning officer and specified the property upon which he 'qualified.' The returning officer has declared Mr. Faterson duly elected and has given him a duplicate of the official return to that effect. The property worded by Mr. Paterson is well known, and no one has any actual doubt as to its be-ing of more than the value required by law. We have made the necessary in-quiries about every phase of this matter, and give the above statements in detail, because we wish to set at rest the mistak-en idea of those who have foolishly credited the false story about it. The law apout the qualification for Parliament says that the candidate must be possessed of (not assessed for) property to the

A sensed Milk." (Harbon Grace, Newformfland, December 9th, 1871. Jas. 1. Finizows, Esq.—Dear Sir..—We are receiving orders almost daily from the Outports for your invaluable Syrup of Hypophosphites, and the sale is steadily increasing. I dirmly believe it has done more good than any medicine yot dis-overed, in the oure of consumption, bron-chitis, asthma, whooping cough and kin-dred diseases. It is the only medicine wo strengthening the nervous system; and it is also what we call a sound chemical preparation, I predict for it a more ex-tended demand than any other remedy in oxistence. Yours very truly, W. H. THORPOOR
