A word from the publishing team

Each month, an estimated 200 foreign representatives newly arrive in Canada in order to conduct diplomatic, consular and other bilateral or multilateral affairs, while another 200 end their assignment. The following contains the names and titles of foreign representatives who, in the last 30 days, have enjoyed status under the *Foreign Missions and International Organizations Act* and other agreements, as well as the most updated addresses of embassies, high commissions, consular posts and accredited international organizations and other offices.

We also publish, for courtesy and hospitality reasons, the names of certain persons who are not recognized under the above federal statute. These are marked by an asterisk*. Since not all persons in this publication are entitled to privileges and immunities under the *Vienna Conventions*, any queries regarding the particular status of individuals should be more appropriately channeled to the Office of Protocol. Also note that this publication does not list members of the administrative, technical and service staff, and locally-recruited staff.

The public's continued feedback is highly appreciated and if you find inaccuracies, you may contact us at the following: protocol.leprotocole@dfait-maeci.gc.ca.

The Office of Protocol cannot guarantee immediate changes, since these require formal notification by diplomatic missions and international organizations, but it is committed to following-up with designated persons. We firmly rely on the Heads of diplomatic missions and Chargé d'Affaires a.i., as well as on the heads of international organizations to promptly notify us of promotions of members of their representations, as well as the names of those who have departed or no longer enjoy diplomatic, consular and official status in Canada.

We hope the following resource will facilitate your exchanges with the diplomatic corps in Canada.

Un mot de l'équipe de rédaction

Tous les mois, environ 200 nouveaux représentants étrangers arrivent au Canada pour y mener des activités diplomatiques, consulaires, bilatérales ou multilatérales, tandis que 200 autres terminent leur affectation. Cette publication comprend les noms et les titres des représentants étrangers qui ont bénéficié d'une accréditation aux termes de la *Loi sur les Missions étrangères et les Organisations internationales* et d'autres accords, ainsi que les adresses les plus récentes des ambassades, hauts-commissariats, postes consulaires, organisations internationales accréditées et autres bureaux.

Nous publions aussi, pour des raisons de courtoisie et d'hospitalité, les noms de certaines personnes non visées par la législation fédérale ci-dessus. Ces noms sont marqués d'un astérisque*. Compte tenu que les personnes répertoriées n'ont pas toutes droit aux privilèges et immunités accordés par les Conventions de Vienne, toute demande d'informations concernant le statut particulier de ces personnes aurait avantage à être adressée au bureau du protocole. Il est aussi à noter que cette publication n'inclut pas la liste des membres du personnel administratif, technique et de service, ni celle des employés recrutés sur place.

Nous apprécions grandement le dialogue avec notre public et si par inadvertance une erreur s'était glissée dans nos listes, nous vous prions de nous contacter à l'adresse suivante : protocol.leprotocole@dfait-maeci.gc.ca.

Le bureau du protocole ne pourra effectuer immédiatement le changement puisqu'il ne peut procéder sans un avis officiel de la part des missions diplomatiques ou des organisations internationales. Toutefois, il s'engage à en assurer le suivi auprès des instances concernées. Nous comptons fermement sur l'appui des chefs de missions diplomatiques et des chargés d'affaires a.i., aussi bien que sur celui des chefs des organisations internationales pour nous aviser promptement des promotions attribuées aux membres de leur représentation, ainsi que pour nous communiquer les noms de ceux qui quittent ou qui ne bénéficient plus d'un statut diplomatique, consulaire ou officiel au Canada.

Nous espérons que cet outil de communication facilitera vos échanges avec le Corps diplomatique au Canada.

Le générique masculin est utilisé sans aucune discrimination

A word from the publishing team

Each month, an estimated 200 foreign representatives newly arrive in Canada in order to conduct diplomatic, consular and other bilateral or multilateral affairs, while another 200 end their assignment. The following contains the names and titles of foreign representatives who, in the last 30 days, have enjoyed status under the *Foreign Missions and International Organizations Act* and other agreements, as well as the most updated addresses of embassies, high commissions, consular posts and accredited international organizations and other offices.

We also publish, for courtesy and hospitality reasons, the names of certain persons who are not recognized under the above federal statute. These are marked by an asterisk*. Since not all persons in this publication are entitled to privileges and immunities under the *Vienna Conventions*, any queries regarding the particular status of individuals should be more appropriately channeled to the Office of Protocol. Also note that this publication does not list members of the administrative, technical and service staff, and locally-recruited staff.

The public's continued feedback is highly appreciated and if you find inaccuracies, you may contact us at the following: protocol.leprotocole@dfait-maeci.gc.ca.

The Office of Protocol cannot guarantee immediate changes, since these require formal notification by diplomatic missions and international organizations, but it is committed to following-up with designated persons. We firmly rely on the Heads of diplomatic missions and Chargé d'Affaires a.i., as well as on the heads of international organizations to promptly notify us of promotions of members of their representations, as well as the names of those who have departed or no longer enjoy diplomatic, consular and official status in Canada.

We hope the following resource will facilitate your exchanges with the diplomatic corps in Canada.

Un mot de l'équipe de rédaction

Tous les mois, environ 200 nouveaux représentants étrangers arrivent au Canada pour y mener des activités diplomatiques, consulaires, bilatérales ou multilatérales, tandis que 200 autres terminent leur affectation. Cette publication comprend les noms et les titres des représentants étrangers qui ont bénéficié d'une accréditation aux termes de la *Loi sur les Missions étrangères et les Organisations internationales* et d'autres accords, ainsi que les adresses les plus récentes des ambassades, hauts-commissariats, postes consulaires, organisations internationales accréditées et autres bureaux.

Nous publions aussi, pour des raisons de courtoisie et d'hospitalité, les noms de certaines personnes non visées par la législation fédérale ci-dessus. Ces noms sont marqués d'un astérisque*. Compte tenu que les personnes répertoriées n'ont pas toutes droit aux privilèges et immunités accordés par les Conventions de Vienne, toute demande d'informations concernant le statut particulier de ces personnes aurait avantage à être adressée au bureau du protocole. Il est aussi à noter que cette publication n'inclut pas la liste des membres du personnel administratif, technique et de service, ni celle des employés recrutés sur place.

Nous apprécions grandement le dialogue avec notre public et si par inadvertance une erreur s'était glissée dans nos listes, nous vous prions de nous contacter à l'adresse suivante : protocol.leprotocole@dfait-maeci.gc.ca.

Le bureau du protocole ne pourra effectuer immédiatement le changement puisqu'il ne peut procéder sans un avis officiel de la part des missions diplomatiques ou des organisations internationales. Toutefois, il s'engage à en assurer le suivi auprès des instances concernées. Nous comptons fermement sur l'appui des chefs de missions diplomatiques et des chargés d'affaires a.i., aussi bien que sur celui des chefs des organisations internationales pour nous aviser promptement des promotions attribuées aux membres de leur représentation, ainsi que pour nous communiquer les noms de ceux qui quittent ou qui ne bénéficient plus d'un statut diplomatique, consulaire ou officiel au Canada.

Nous espérons que cet outil de communication facilitera vos échanges avec le Corps diplomatique au Canada.

Le générique masculin est utilisé sans aucune discrimination
