A little girl from the age of 7 to 12 is often times as hard on shoe leather as the average boy of the same age. They don't want a heavy clumsy boot, but one which combining durability and good appearance will fit the foot equally as well as a more expensive one. That's the reason why parents insist on having our Box Calf Boots for their girls.

SECOND EDITION. WOMAN SUICIDES ON KING SQUARE.

Miss Annie Craft, daughter of Abraham Craft, of the West Side, attempted to take her life in King Square this afternoon about 4.15 o'clock, and it now looks as if her effort would be successful.

Belladonna was the poison used and quantity taken is supposed to be considerable, although Coroner Perryman does not know how much she drank. The girl was walking through the Square with two children when she was seen to fall. The two children called for help and Dan Dailey was the first to reach her side. She was taken at once to the hospital on the order of Dr. D. E. Berryman. Her condition is very critical.

There was a report that another woman named Spicer, had attempted suicide in the Aberdeen Hotel this afternoon but it was unfounded.

RODNEY WHARF IS UNSAFE; IT'S ROTTEN UNDERNEATH.

Dangerous Even For Teams and Impossible For Street Cars---New Obstacle For West End Extension.

On Saturday Col. McLean, J. M. Robinson, Electrician Brown and acting manager Harry Rogers of the St. John Street Railway Co., visited Carleton and looked over the ground with a view of deciding upon the route for the extension of their line. On the west side they met alderman Baxter, who turned back with them and gave them the benefit of his views on the matter. All seemed to agree that the greatest volume of business would come from the south end of Carleton and that it would be foolish to run a line down the northern section and not continue it through the southern section, making a good circuit.

Col. McLean said this morning that no decision had been reached as the matter was one on which the engineer would have to report. They had received a report from D. C. Clark, the well known wharf builder, who at their request had made an examination of Rodney wharf that placed a stumbling block in their way.

GIRL BOUND AND GAGGED IN ORANGE STREET YARD.

It was reported to the police yesterday morning that a young girl, a maid employed by the daughter-in-law of R. Rogers, 107 Orange street, had been assaulted by some unknown parties on Saturday night, that she had been bound and gagged and left all night in an alleyway that runs through the block from Orange to Princess streets. The police decline to give any information concerning the matter while Mr. Rogers' household are also uncommunicative.

A neighbor assured the Star this morning that Mr. Rogers told him of the occurrence. Other neighbors heard the story and say it has been thoroughly talked of in the vicinity, but that nothing definite is known.

The girl's story is that she was taking a short cut through the alley when she was seized and bound and left there all night till discovered by a milkman early Sunday morning. The refusal of all concerned to tell what actually did happen lends additional interest and mystery to the affair. Detective Killen is handling the matter.

CANON DEVEBER'S FUNERAL.

The remains of the late Canon William H. DeVeber are this afternoon being taken to their last resting place at Fernhill. Early this morning the body was taken to St. Paul's church, which he served faithfully for so many years, and there placed in the chancel. A service was held there this morning.

At 2.30 this afternoon the funeral service conducted by a number of different clergymen, took place at about 5.30 the last journey began. The clergymen marched ahead of the hearse. The number which followed the remains was very large. The following clergymen acted as pallbearers: Canon Richardson, Rev. P. P. McKim, Rev. Mr. Dewdney, Rev. Dr. Raymond, Rev. Mr. Kuhring and Rev. Mr. Hoyt.

Both Bishop Kingston and Dean Partridge took part at the service at the church. The latter dwelt on his personal knowledge of the deceased, mentioning his ability as a preacher, his self-restraint, his faithfulness to duty and his friendship for his parishioners and others.

SUIT CASE MURDER VICTIM SUPPOSED TO BE N. B. GIRL.

FORCED WIFE TO HEAR HIM SUICIDE. Deserted Husband Took Desperate Revenge.

Called Wife to Speaking Tube, Told Her to Listen and Then Deliberately Shot Himself.

NEW YORK, Sept. 25.—Assenting reluctantly to listening to one last word from her husband, from whom she was her ear to the speaking tube leading from the vestibule of an apartment house in East New York to her apartment yesterday. A moment later she sprang back with a cry of fear. Up the tube there had come the muffled report of a revolver. Ten minutes later Dr. Whiton pronounced Koch dead. The man had called his wife to the speaking tube to hear him shoot himself.

Koch was a well-to-do lawyer living in Williamsburg. He and his wife had married some time ago, the husband being the old home, which was presided over by the 15-year-old daughter. Mame, and the wife taking up her residence in East New York, with three younger children. Koch was a well-to-do lawyer living in Williamsburg. TIP O'NEILL ARRIVED HOME THIS MORNING.

Milwaukee Player Says His Accident Lost His Team the Pennant—Hasn't Signed Any Contract Yet.

John "Tip" O'Neill, the local baseball star, arrived this morning from Boston where he spent a few days breaking up his long trip from Milwaukee where he did such splendid work this season up to August 2nd, when he broke his ankle. "Tip's" recovery has been fairly rapid but his leg is still a little stiff and this prevents him from playing in Lynn on Saturday as he intended.

"Tip" is well pleased with the showing he made this season and has good cause to be as the following from a Milwaukee paper will show: "The Milwaukee team has made a splendid fight and while the pennant was always a possibility, the accident was a severe blow to the team of its strongest batsman and fastest man at a critical time, was a severe blow. Just how much the loss of a single outfielder may be to a team is a question that is difficult to decide, but when a man who is hitting at a .300 clip, who bunts perfectly and is the fastest man in the league getting to first base, is suddenly removed from the game, it is difficult to fill his place. Milwaukee has been defeated in a number of close games and the supporters of the team are willing to believe that O'Neill might have saved some of them."

The averages have not yet been made public so "Tip" does not know just in what position he finished. When he was obliged to quit the game he had swatted the leather to the tune of .332. Proktering who went west from Philadelphia, was leading him four points. At this rate the St. John boy should come out either on top or well up in the procession.

"Tip" says that while he has been told to Chicago he has not yet signed any contract for next season and does not intend to do so for some time as he is of the opinion that there are several big deals on and he wants to see just what is up before he affixes his signature to any contract.

Owing to the wet weather this morning the east side ferry boats were not removed so that the dredging could not be done in the day. The boats will be removed tomorrow morning and during the time the dredging is being performed the boat will dock at the activity wharf, just south of the east side dock.

One more typhoid case was this morning reported to the Board of Health. There are no new diphtheria cases.

Boston Police Think Mutilated Body Found in Harbor Was Blanche Walker, of Fredericton

(Special to the Star.)

BOSTON, Mass., Sept. 25.—Since the discovery of the mutilated remains of a woman in a dress suit case, found floating near the Winthrop Yacht Club on Wednesday last, the police have been working hard to solve the mystery surrounding the case and from recent clues obtained fairly good grounds to believe that the body is that of Blanche Walker, formerly of Fredericton, New Brunswick.

The Walker woman is one of others who are reported missing and the police have sent to the Walker woman's former home for anything that might be known about her. No arrests have yet been made but startling developments are expected immediately.

Blanche Walker is a daughter of Sgt. Walker, of the Royal Canadian Regiment, now doing garrison duty at Halifax. The sergeant has been in the Canadian service for the past twenty-five years. Blanche was born in Fredericton but had until last July resided in Toronto, Quebec and Fredericton, or where her father had been doing duty. She was a good looking girl, between 18 and 20 years of age and of a particularly lively manner.

Last July Blanche suddenly disappeared from Fredericton and about the same time Harry Lynn, a well known Fredericton young man, was also missing. It was said that Lynn had eloped with Blanche and went to St. John and was there for a few days. A story was printed in a Fredericton paper to that effect. After being away a few days the couple arrived in Fredericton and Lynn stated to members of the press that he had secretly married Blanche while in St. John. The couple spent a few days around Fredericton and again left the capital, Blanche having purchased a ticket for Rumbold Falls, Me. Lynn had secured a position on the Portland and Rumbold Falls railway, on which road his boss, William, is employed as a conductor.

Friends of the Walker girl recently learned that Blanche was not married to Lynn and had since she left Fredericton ceased to live with him at Rumbold Falls and had gone to New Hampshire to reside. As far as could be learned this morning friends of Blanche have not heard from her for some time. She has a sister, Ethel, employed as a waitress in the Queen hotel, Fredericton, but when approached by a reporter she refused to be interviewed on any subject pertaining to her sister.

The Star readers will remember the account in a last week's issue of the horrible finding by two Winthrop club members of the suit case with its horrible contents. It was on Wednesday evening last that Randolph Pollard and A. D. Allen were standing on the club float which is in Boston harbor, about three miles from the city proper, when they noticed the suit case floating by. Thinking it might have been lost from a yacht or a passing steamer the men recovered it and on opening the case they were horrified to discover that inside was the nude trunk of a woman wrapped in a strip of white oilcloth. There were no marks of identification. The police were notified and the case with its contents removed to the police station.

Medical Examiner Harris was notified and was of the opinion that the body had been in the water not longer than twenty-four hours. Two cuts were found on the trunk one extending from the breast-bone down the entire length of the body, and another from the right hand side above the hip bone across the other cut. The intestines had been removed, indicating that the woman had been operated upon for internal troubles. The cuts were clean and no bones were broken and the police held the opinion that some one acquainted with surgery did the work. The suit case in which the body was found is covered with an olive green leather.

(Associated Press Despatch.) BOSTON, Sept. 25.—The official report of the autopsy on the woman's body in Winthrop Harbor in a suit case last week which was made public today declares that the victim died from septic peritonitis following a criminal operation. Stress is laid by the medical examiner on what he believes to be a fact that the body of the woman was dissected by a person unusually skilled in surgery.

FIGHT IN A CHURCH.
CHICAGO, Sept. 25.—The police were called to quell a riot last night in the Russian synagogue, Clinton and Jud streets, where Adolph Kraus was addressing a Jewish meeting. Several persons received slight wounds and ten men and women were arrested. Mr. Kraus was giving an account of his interview with Mr. Witte, the Russian envoy at Petersburg at which he asked justice for the Jews through Mr. Witte's good offices.
"We may trust the word of Mr. Witte that he will do all in his power to ameliorate the sufferings of the Jews," Mr. Kraus was saying when suddenly a number of a Jewish society sprang to his feet.
"Do you trust a Russian politician?" he shouted.

BLINDED WATCHING SUN'S ECLIPSE.
STRASBURG, Sept. 25.—The recent eclipse was responsible for the loss of sight in the case of Charles Neerheim, a student at the university here. He lost the sight of one of his eyes through watching the eclipse of the sun. The matter was kept quiet and escaped publicity for a considerable period of time, since the medical attendants hoped to bring about a restoration of sight.
As the story goes, Neerheim had been gazing very fixedly with his naked eye at the sun for some minutes preceding the eclipse. Suddenly he uttered a piercing shriek and fell fainting to the ground. He was conveyed to the hospital, where it was found that the rays of the sun, being focussed with great intensity upon the retina of the right eye, had affected it as though passing through a lens or "burning glass," and had injured the retina. 12-4-5.

PROVIDENCE, R. I., Sept. 24.—By defeating Rochester 14 to 3 at Rocky Point today the Providence baseball team won the championship of the Eastern League. More than 15,000 witnessed the game, and at its conclusion the members of the championship team received a tumultuous ovation.

The result of Saturday's games made Providence the Baltimore tied for first place, each team having won 82 and lost 41 games, giving a percentage of .66. Baltimore's season opened yesterday, while Providence was scheduled to play Rochester today. If Providence had been given the game the team would have been given second place, but the victory over Rochester gave Providence a percentage of .68, two-tenths of one per cent. higher than Baltimore.

At Newark—First game, Newark, 10; Toronto, 6. Second game, Newark, 4; Toronto, 1.

CLARENCE SPRAGUE WOODSTOCK CHAMPION.

WOODSTOCK, N. B., Sept. 23.—The yearly golf tournament held on the Woodstock links was finished this afternoon with Clarence Sprague the winner by three up over Wendall Jones, Jr. Both of these are junior players, but Sprague faster golf than the seniors. Mr. Sprague has the record of the Woodstock links. In 1903 H. V. Dalling gave a silver cup to the Woodstock club, the player winning it three years in succession to own it. This has now fallen to Mr. Sprague, he winning it the last three years. Mr. Dalling now says he will give another cup to be played for under the same conditions as the former cup.

THE TURF.
FREDERICTON, Sept. 24.—The feature of the first day's exhibition races held under the auspices of the Fredericton Trotting Park Association on Saturday was the lowering of the track record by 1-4 second. This is the most remarkable when it is considered that it was a heat in the time of the race which brought out this burst of speed. It was the game little mare, Lady Patton, of the Springhill stables, which produced this surprise, and in the first heat of the 240 she led the pack around the oval and came under the wire in 1:17-2. The former record was 1:17-4 and was made by Irena in 1902. This mile by quarter was 24-4, 1:08-4, 1:04-1 and 1:17-2.

Lady Patton took this race in three straight heats. In the second Tommy Stymond, driving the Fairville mare, Etta Mae, nearly stole a march on the Springhill horse. Raymond was following the Nova Scotia horse close, and on the home stretch he suddenly took a spurt under Raymond's whip which brought her within a head of Lady Patton. Had the former not responded quickly to her driver, Fred Duncan's horse would have had the best. As it was the finish was close and exciting.

In the third heat the wheel of Daisy Wilkes' sulky caught in that of Brown Dick's and Driver Jimmy Gallagher took a high dive. He got up and regained his seat, plucking riding the race. Although distanced the judges awarded him a place on account of his mishap. Driver Cox of the Fredericton

REV. MR. BURNETT GOING TO WINNIPEG.

Rev. Christopher Burnett announced yesterday morning that he will resign the pastorage of the Leinster street Baptist Church, his resignation to take effect not later than the last of October.

Last Sunday it was announced that he had declined a call to Brantford, Ont., but was considering one he had received from Powers Street Baptist Church, Winnipeg. The first reason which he gave was the greater opportunity presented for aggressive and evangelistic pastoral work. In the next place, his experience and inclination both pointed the same way. In the last place, the reverend gentleman felt that he could not be unkind of the claims of the denomination upon him in view of the greater field which beckons him.

Mah-Pu Mineral Water.
What a Montreal Analytical and leading Chemist says of it:

"This water, which is of the saline mineral class, compares most favorably with other well-known Springs. The marked proportion of the rare compound, lithium chloride, present together with the bicarbonates of iron, magnesium, lime and soda, and phosphate of soda, render the new water of decided medicinal value. The water is clear, odorless and of very pleasant taste. If aerated with Carbonic Acid Gas the water will be rendered still more valuable and palatable. Apart from its medicinal value it would be a most agreeable beverage whether used in its natural condition or aerated."

All Druggists sell it.

PAID TRIBUTES TO LATE CANON DE VEBER

In St. Paul's (Valley) church, in whose pulpit he had labored so long and earnestly, touching reference was yesterday made to the late Canon De Vebor at both morning and evening services, and in the afternoon at St. Barnabas chapel Rev. A. G. H. Dicks paid glowing tributes to the memory of one who was loved by all.

Mr. Dicks referred to the fact that to many persons death is something to be dreaded, an evil day to be fought off for as long as possible. Such it was not to Canon De Vebor. He looked upon it as it really is, one of the good things sent to us by God, a happy ending to our lives of toil and struggle, a bright entry to the fuller life beyond. But to those who are left behind, even such a death brings sadness, mingled with its joy over the reward of a righteous man. In the church and at the funeral home, who had been with him for so long, Canon De Vebor was a worker. He spent his days in doing good. He was one long example in the way of righteousness. In Canon De Vebor the church lost an able worker, who was always ready, and ready to do more than his share. Many people attend church and attend their business regularly. He was always the same, always energetic, enthusiastic, and willing. His death means one of the most prominent figures of the church and one of the best beloved.

FINED \$20 FOR ASSAULTING TEACHER

BACKVILLE, Sept. 23.—The assault case of A. D. Jonah, principal of the High School, v. Leonard Baisley came before Police Magistrate Walter Cahill today. W. Bennett appeared for Mr. Jonah and A. B. Copp for Baisley. The charge was that Baisley, first witness, told the story of the assault, how Baisley met him in the street, his hands on him and tried to prevent him from going along the street, and how Baisley at length struck him several times on the head. Baisley accused Jonah of pulling his child's ears out by the roots. Jonah said that Baisley was brought out by Taylor, who saw the assault, corroborated the testimony of Mr. Jonah, as did also in part B. C. Saworth and Geo. Hennes, a school boy.

Jonas, who was also given evidence, said nothing was brought out by Taylor, who saw the assault, corroborated the testimony of Mr. Jonah, as did also in part B. C. Saworth and Geo. Hennes, a school boy.

GAYNOR AND GREENE MUST GO BACK.

MONTREAL, Sept. 24.—A decision was rendered in the habeas corpus proceedings in the Gaylor-Greene case on Saturday by Justice Gauthier. The judge upheld every contention of the prosecution, and remanded the prisoners to the care of the jailer, to be duly extradited according to the decision given by Judge Lafontaine. It is expected that will be the end of the case, for it is thought Gaynor and Greene have had all the legal fighting they want on this side of the line, and seeing that even if they were to continue, they would have to remain in jail pending a decision.

It was found necessary to amputate the large toe, as the bone had decayed. Mr. Belyea is resting quite easily this morning.

The new steamers Bear River and Oyama are at the wharf of the New Brunswick Iron Co. receiving their engines and boilers. The former will ply between Bear River and St. John, and the latter will perform the ferry service between Barrington Passage and Cape Island. They are both beautiful and substantial vessels—Yarmouth Telegram.

Very many will be pleased to learn that the popular opera "Captain Reese" will be put on the stage again at the Academy of Music week after next. Captain Todd will at once set about the preparations of the piece, rehearsals beginning on Monday. The performances promise to be gala ones, and will be patronized by Prince Louis of Battenburg and all the naval and military officers—Halifax Mail.

Tuesday night's trip of the Eastern Line steamship Calvin Austin has been cancelled owing to the fact that the steamer Penobscot has been taken off to have a defect in her machinery repaired. The Austin will make her Saturday trip as usual. Stateroom bookings on the Calvin Austin for tomorrow night will be good for her Wednesday morning trip.

Tomorrow's grand opening of fall and winter millinery at M. R. A. Ltd. will afford an excellent opportunity for the ladies of St. John to select a new hat from the very cream of the season's stock. Prices will be no higher than usual, in fact they are remarkably low, considering the exclusiveness of the goods. The idea that opening hats are for highest bidders is a mistaken one. Cute, cool weather headwear for children, too.

The young son of Charles K. Short, dogmatist, who has been suffering from cancer of the eye for a number of months, is slowly sinking. The boy was injured by a pop-gun, which injury, considered trivial at first, grew to be quite serious, resulting in a growth as above mentioned. The greatest sympathy is being felt for the lad and his parents.

NORTH END WEDDING.

Samuel McCormick and Miss Annie B. McInnis Were Married Early This Morning in St. Peter's Church.

At 5.30 this morning the marriage took place in St. Peter's church, of Miss Annie B. McInnis, 151 Chesley street, formerly of the teaching staff of St. Peter's school, and daughter of the late Alex. McInnis, and Samuel McCormick, 1 Clarendon street, of the staff of W. H. Thorne & Co. The nuptial knot was tied by the Rev. Father Scully.

The groom was supported by his brother, Hugh McCormick, and the bride by her sister, Miss Mary McInnis. The bride's costume was of dark silk with white chignon trimmings and Corday hat.

Her travelling suit was of brown. The bridesmaid's costume was pale green silk with black picture hat.

At the conclusion of the ceremony the happy couple left by the boat for Boston, where they will spend two weeks and on their return they will reside on Chesley street.

Mr. and Mrs. McCormick were the recipients of many presents, including pretty gifts from the members of the teaching staff of St. Peter's, a case of knives and forks from the employees of W. H. Thorne's and a solid silver set from the firm. The groom's present to the bridesmaid was a ring.

ARTILLERY CONTEST POSTPONED.

The contingent from the artillery, who were to leave here on Saturday for a week's camping at Petawawa, may not be able to get off on the date which has been arranged for them.

It would seem that a couple of farmers whose farms border on the camping ground at Petawawa have got out an injunction against the soldiers for firing, claiming it is said, that they frighten their hens. The soldiers, who are encamped there is powerless and unable to practice.

The Woodstock contingent which was to have gone into camp before the St. John boys has had its departure put off by this new development and may not be able to go at all. The officers here are impressing upon the authorities at Ottawa, the necessity that the contingent should be able to get off on the time first arranged as many of the men cannot arrange for leave at any other time.
