## FEARFUL TRAGEDY.

A most fearful tragedy has just been enactstel went away on a visit, leaving their two daughters in charge of the house. The girls being rather timid got two of the daughters of a neighbor to stay with them. Just at dusk the first night after the parents left, a man called at the house and wished to stay over night but was refused. He pleaded so hard. The traveller also heard a noise and knowing that something was wrong he burst open the dad—the other two escaped. When the masks were removed from the dead men's takes one of them was 'discovered to be the father of the two girls who were spending the stairs. He had killed his own daughter and one of the others, and then supposing the coast clear had proceeded to rob the house, when death reached him by the hand of the traveller. The two other girls hand of the traveller. The two other girls be a saving, while others are increased.
