

BULGARIA REJECTS THE ULTIMATUM

KING CONSTANTINE TOLD HE COULD NOT FOLLOW VENIZELOS HIS POLICY

In Consequence of the Resignation of the Grecian Premier the Session of the Greek Chamber Has Adjourned.

London, Oct. 6, 1.47 p.m.—King Constantine of Greece has accepted the resignation of the Venizelos cabinet, according to an official despatch which reached London today.

ATHENS, Tuesday, Oct. 5, 7.20 p.m.—The resignation of King Constantine of Greece and Premier Venizelos, resulting in the resignation of the prime minister, was totally unexpected in Paris and has caused painful surprise.

PARIS SURPRISED. Paris, Oct. 6.—The reported breach between King Constantine of Greece and Premier Venizelos, resulting in the resignation of the prime minister, was totally unexpected in Paris and has caused painful surprise.

WILD DISORDER. After a tense interview, in which there was the plainest speaking, the Premier proceeded to the Chamber of deputies and announced that he had again disagreed with the king on the foreign policy of the country.

NO FURTHER ACTION. Athens, Oct. 5.—Via Paris, Oct. 6.—Summarizing the government's position in closing the debate in parliament on foreign relations, Premier Venizelos declared the government would take no further action in regard to the landing of French troops at Saloniki than the protest already made.

M. Venizelos declaration has been accepted by the public as a definite statement of the intention on the part of Greece to support Serbia if attacked by Bulgaria.

GREECE WILDLY EXCITED OVER ALLIED LANDING

French Troops Began to Disembark Saturday Afternoon at Saloniki—Perfect Order Maintained in the City.

London, Oct. 6.—The landing of allied French troops at Saloniki is reported from Athens. The correspondent there of the Exchange Telegraph Company says that a number of transports carrying French troops entered the port at Saloniki this morning.

Paris, Oct. 6.—French transports arrived at Saloniki Friday night and troops began to land Saturday afternoon, says an Athens dispatch to the Matin. Perfect order was maintained in the city and the inhabitants gave the French soldiers a cordial reception.

Constantine's German Wife May Drag Him Off the Throne of Greece.

Athens, Oct. 6.—Eleutherios Venizelos has again resigned as Premier of Greece. His present resignation, like his former one, came as the result of his pro-Entente sympathies.

FRANCE NOTIFIED GREECE. France notified Greece on the arrival of the first detachment of French troops at Saloniki that they were going to help Serbia.

DEBATE IN CHAMBER. The resignation of the Premier followed an exciting debate in the Greek Chamber, when Venizelos succeeded in obtaining a vote of confidence in his policy by 142 to 102.

HOSPITAL WILL HAVE AMPLE ROOM FOR SOLDIER PATIENTS

Isolation Hospital Also in Fine Shape—Board of Governors Met Yesterday and Considered Many Important Matters.

The Hospital Governors met yesterday afternoon. Present, Messrs. C. H. Waterous, chairman, Mayor Spence, George Watt, Dr. Bell, Warren Cook, T. H. Preston, H. Symonds, F. D. Reville, R. Sanderson.

The meeting was held for the first time in the new board room—one of the former wards—a capacious apartment, which will also be used by the doctors.

PLENTY OF ACCOMMODATION. A communication was read, received by Mayor Spence from the military authorities asking what hospital accommodation Brantford possessed in view of the fact that half a battalion will be established here for the winter.

The superintendent submitted a report as follows: Public Ward, men 36; Public Ward, women 36; Maternity Ward 6; Semi-private, men 9; Women 3; Private rooms 12; Isolation 12.

It was pointed out that more beds could be easily installed.

Dr. Secord wrote stating that he had decided to devote his time to surgical work and asking to be ranked as a specialist in connection with the hospital in the same way as the eye and ear specialists and to be relieved monthly duty. On motion his request was granted.

SUPERINTENDENT'S REPORT. Miss Ford submitted a lengthy report for September from which the following extracts are taken: Admissions 107, discharges 85, deaths 5, operations 61, in residence 60.

There have been a number of typhoid cases, eleven, the largest number at one time. Contrary to predictions, it has not been epidemic. One death resulted, a patient of 43 years of age, and his condition was such that his recovery was hopeless from the first.

OUTSIDE PRESCRIPTIONS. Under the rules and regulations governing the hospital, there is one regarding "External Patients." During the past few weeks, persons have toiled up the hill presenting prescriptions to be filled, from some of the doctors, persons who have not been hospital patients, the extremely poor, of course, and on the Patriotic League list last winter. We would like to know the pleasure of the board in this matter, whether the regulation covers the filling of prescriptions. It might mean quite an item in these days of expensive drugs.

NUMBER OF NURSES. As the board will remember no graduating exercises for the class of 1915 (four in number) were held in the summer owing to amount of work connected with the opening of the public wards, etc., and as some recognition of previous classes has been customary, we believe some simple afternoon affair should be arranged when their diplomas can be awarded them.

We have now in the training school twenty-eight nurses, of these six are recent probationers, and two post-graduates, making thirty in all, and a staff of five (six including the house doctor). When the two post-graduates are through the 19th of October, two others have been promised a three months' course. In general, we have more room in the Nurses' Home, we will not be able to take any other post-graduates, as we need all available space to train nurses for our own work. Greatly to our regret we have to put two beds in a few rooms, realizing fully that the rooms and the cupboard space are not large enough to accommodate two nurses

Do You Get Pure, Clean Milk? You get nothing else from us. Pasteurization makes it as clean and pure as deep spring water. quest for a reduction in rates to members of this class, because of said reduction being at variance with its policy as already laid down. The board fully appreciates the kindness of the Polly Anna Class, and also of various private individuals, in assuming the expense of furnishing private wards in the hospital, but it does not feel justified in accepting such reductions lower rates of pay than are exacted for similar accommodation in other parts of the hospital.

Obituary PAUL STEVES. There died this morning at his residence, 118 Albion street, Mr. Paul Steves, in his 22nd year, after a lingering illness. The funeral will take place on Friday morning from his late residence to St. Basil's church and St. Joseph's cemetery.

ROYAL EDWARD, TRANSPORT SHIP, SANK QUICKLY

Montreal Survivor Thinks It Was an Austrian Sub. Which Put Her Under.

Montreal, Oct. 6.—When the Canadian Northern liner Royal Edward carried with her to the bottom of the Aegean Sea nearly eleven hundred British soldiers over one hundred members of the crew, Quartermaster Thomas Ramsay, now on the White Star liner Englishman, managed to escape. He is a strong swimmer, and was on deck at the time of the explosion, away from the end where the torpedo struck. He was later picked up with others by the hospital ship Soudan.

The Royal Edward had taken on over sixteen hundred troops at Deception for transport to Lemnos for service against the Turks, and among them were such famous old British regiments as the Norfolks, King's Own Scottish Borderers, the Border Regiment, South Wales Borderers, the Lancashires, and a detachment of men of the Royal Naval Volunteer reserve.

SANK IN FOUR MINUTES. Malta was reached, and after coaling, the Royal Edward proceeded to Alexandria, leaving the naval men there. On the night of the 13th of August they left for Lemnos, and the next morning at 9.15 a torpedo ripped the bottom out of the boat, sinking her in four minutes.

The boat lifted about three feet. No one saw where the torpedo came from, but Quartermaster Ramsay says he thinks it was from an Austrian submarine. Hundreds were killed by the explosion.

One thing Quartermaster Ramsay says he will never forget. Soldiers were lined up on the deck standing at attention, with an officer at the head of each line. There they stood with a discipline that paralleled those men who died with the old Birkenhead, faces set and stern, figures upright, never flinching. Very few of these men were saved.

When the ship disappeared four minutes after she was torpedoed, millions of fragments of debris were shot into the air, and many of the hundreds of struggling human beings were injured before reaching the water.

WIRELESS LOCKED UP. The wireless apparatus of the Royal Edward was locked up when she was hit, and for several hours a message could be sent out. Another transport, the Alwick Castle, which was just ahead going in the same direction, saw the Royal Edward's plight, and sent calls for help to the Soudan, a few miles behind. This vessel immediately turned and came back, and the command and his crew were instrumental in saving nearly five hundred men. Commander Foster of the Royal Edward, a well known figure in Montreal when the Royal liners used to ply here with passengers from Bristol, went down with his ship, as did the chief officer and a majority of the crew.

The survivors were landed at Alexandria by the Soudan the next day, and were furnished with new outfits and carried home to Southampton on another transport.

Music and Drama

Says the Hamilton Spectator of the play to be presented at the Grand Opera on Friday night, "Little Lost Sister, Virginia Brooks' white slave play, which has had such success on the road, pleased a large audience at the Grand last evening. It is an able expose of the awful traffic, and shows the many pitfalls that are laid by scheming agents to ensnare young girls. The story told is how Elsie Welcome is lured from her home in Millville, Ill., by a "cadet," under promise of marriage. She is taken to Chicago's underworld and forced into a life of shame. Mary Randall, a wealthy girl, who devotes her life to helping the victims of the great city, finds the Little Lost Sister and sends her back to the folks at home. The cast is a capable one. Cecilia Jacques made a winsome and demure Elsie; Eleanor Kelly was good as Mary Randall, and Robert Jones as Michael Grogan, a big-hearted Irishman; Edgar Murray, jr., as Harry Boland and Reginald Knorr, as Martin Druse, were most acceptable.

LIEUT. CORNELIUS PRESENTED WITH PEN AND CHEQUE

Home Guard Honors Their Secretary, Who Leaves To-day to Join 58th.

A very interesting event took place last evening in the city council chambers at the city hall, when several members of the Home Guard and rifle committee met together to wish Lieut. Cornelius farewell. Lieut. Cornelius, who has been secretary of the Home Guard and an active and efficient member of the rifle committee, is leaving to-day for Niagara en route to England for active service. Major Jones, in a few well-chosen remarks befitting the occasion, stated the object of the meeting, and called on Mr. Sweet, assisting commanding officer of the Home Guard, and Mr. Burt, chairman of the rifle committee, to say a few words. Mr. Sweet and Mr. Burt spoke very highly of Lieut. Cornelius, stating that he was in a great measure due to his untiring zeal and good marksmanship that the Home Guards had reached its present high standard of efficiency. While regretting the necessity of losing Lt. Cornelius, they felt sure that a man of his calibre would most surely attain much glory, and only hoped that he might be spared to return and enjoy it. Major Jones echoed his fellow members' sentiments, and on behalf of the Home Guards presented Lieut. Cornelius with a beautiful fountain pen as a slight token which he might carry with him and keep in remembrance of his friends in Brantford.

Mayor Spence then gave an address expressing regret at the necessity for Mr. Cornelius to have to leave the city, and wishing him success on behalf of the citizens of Brantford, and presented him with a cheque to be used in defraying expenses for his equipment.

Chief Slemm and others made a few flattering remarks, and amid much hand-shaking and many wishes of good luck and God-speed, the meeting was brought to a close.

Golf Notes

The team to represent Brantford in Galt on Thursday next will be selected from the following players: Messrs Schell, Reville, Champion, Rev. Henderson, Large, Paterson, Martin, Webber, Sheppard, Kohl, Pitton, Towers, Watt, Neill, Waterous, Brewster, Preston, Yates, Harris, Bain, Downie, Gordon, Thompson, Hall. Game called for 2.30.

The Hamilton Golf and Country Club have paid the Brantford Club the compliment of inviting a team to play over their beautiful new links on Thanksgiving Day. If weather conditions are favorable, a large number of local players will take advantage of playing this course, which has been declared by experts to be one of the finest inland courses on the continent.

BOTH TEAMS WARMING UP FOR SERIES
New York, Oct. 6.—A workout on Friday morning preceding the first game of the world's baseball championship will be the only opportunity which the Boston Americans will have for practice on the field of the Philadelphia Nationals. Owing to the postponement of yesterday's game between the New York and Boston American League clubs, it will be necessary for the Red Sox and the Yankees to play two games here today and one to-morrow in order to complete their schedule. This means that they will not have a day's rest before the beginning of the world's series.

WONDERFUL ALEXANDER
"I realize that we must face Grover Cleveland Alexander in the opening game Friday," said Carrigan, "and I also know just how wonderfully clever is the curve ball genius of the National League. It seems we must beat Alexander in that first game and we have devised a means which we think will accomplish it. Should we best Alexander in the opening game, it will be a lot easier than I have figured. If we fail, it will give us a line on Alexander, which will make his second game doubly hard to win. Outside of Alexander, I do not think of Philadelphia pitchers who can compare with my men."

Events coming in the near future promise favorable results. Bulgaria will extend her frontiers towards the north and the south. Our relations with Greece are cordial. The conflict between Roumania and the central powers has already been settled. Roumania will be neutral during the whole duration of the offensive of the central powers against Serbia, even if new complications should arise in the Balkans. The Situation.

The position of affairs in the Balkans at the present overcast shadows all the other incidents in connection with the big war. The influence of the Kaiser with King Constantine of Greece has proved sufficient to lead that monarch to refuse to support his Ministry in their decision on behalf of the Allies.

The entire situation is one which involves serious possibilities. So far only two of the five Balkan powers are engaged in the war, the Serbians on the side of the Allies and the Turks on the side of the German alliance.

Matters just now are comparatively quiet on the Western front, and there is also nothing much to report from the Eastern area of operations.

Treatment of Russian Prisoners.

Countess Benckendorff, president of the Russian Prisoners of War Help Committee, in issuing an appeal to Canadians for aid, says:

"I attach a brief statement from a medical man to be trusted, of the conditions under which the Russian prisoners of war are kept at the camp of ... during the winter of 1914-1915, with special reference to their sufferings from want of proper food."

"During the winter of 1914-1915 there were 10,000 Russian prisoners of war in this camp. Of their sufferings semi-starvation can certainly be said to be the greatest, and the supply of food, insufficient in quantity and of bad quality, was directly responsible for much of their suffering."

"The years record of the Brantford Social Service League shows how a big task has been most successfully handled. Our esteemed local contemporary publishes a picture of a London thoroughfare which it states 'shows the street in which most of the damage was done by submarines in their recent raid'."

THE WHOLE BODY NEEDS PURE BLOOD

The bones, the muscles, and all the organs of the body depend for their strength and tone and healthy action on pure blood. If the blood is very impure, the bones become diseased; the muscles become enfeebled, the step loses its elasticity, and there is inability to perform the usual amount of labor.

ENGAND NOT AFRAID

(Continued from Page 1)

NOT AFRAID OF ZEPPELS

"London is not afraid of Zeppelins; neither is England itself. In London, people go out to look at them. Of course, damage is done here and there but in the main the raids are useless."

BUSINESS AS USUAL

Mr. Wilkes told of one narrow street in London which had on one side a store and the other a tavern. A bomb dropped in the middle of the street, wrecking both places.

SON WAS SERIOUSLY HURT

Lieut. Ransom Wilkes was very seriously hurt in a motor cycle accident in England and his life despaired of. Lieut. Burton Wilkes, his brother, arrived in England just in time to help in the operation, which was a triumph of surgery, lasting two hours.

FAMILY REUNION

The other sons, Lieut. Hilton and Lieut. Burton, returned from France and visited Mr. and Mrs. Wilkes at Brighton. There was thus a pleasant family reunion, the first in three years.

CONFIDENCE IN KITCHENER

The British people have confidence in Kitchener, said Mr. Wilkes. They are not a bit pessimistic. They believe they will win and will do it all they do.

FRENCH OFFICIAL

Paris, Oct. 6, 2:33 p.m.—In the Artois district the artillery exchange has continued with particular violence in the vicinity of the forest of Givency, according to the French official statement given out at the War Office this afternoon.

APPOINTMENT POPULAR

The appointment of the Earl of Derby, at the request of Lord Kitchener to take charge of recruiting for the army, comes at a moment when the recruiting problem is becoming the subject of serious public criticism.

RELIEF IN WASHINGTON

Official Washington was both gratified and relieved by the diplomatic victory. The communication delivered by the Ambassador pursuant to general instructions from his government spread absolute confidence that there would be no more submarine controversies between the United States and Germany.

TAKE NOTICE!

The Council of the Corporation of the City of Brantford intends to construct as Local Improvements the Storm Sewers as contained in the following schedule, and intends to assess part of the cost on the lands directly abutting on the work.

LORD DERBY IS ASKED TO LOOK AFTER RECRUITING

London, Oct. 6.—The Earl of Derby, at the request of Lord Kitchener, Secretary for War, has undertaken the direction of recruiting for the army.

GERMANS REGRET AND DISAVOW ARABIC SINKING

Washington, Oct. 6.—Secretary Lansing to-day gave out the text of a letter received from Count von Bernstorff, the German Ambassador, which was as follows: "My Dear Mr. Secretary: Prompted by the desire to reach a satisfactory agreement with regard to the Arabic incident, my government has given me the following instructions: 'The orders issued by His Majesty the Emperor to the commanders of the German submarines, of which I notified you on a previous occasion, have been made so stringent that the recurrence of incidents similar to the Arabic case is considered out of the question.'"

APPEAL TO UNIONS

Much, he declared, would depend on how the Trade Union Congress received its pledge to conduct a vigorous campaign in behalf of recruiting under the voluntary system.

BOY DISAPPEARS

While Out Walking With School For Blind Pupils.

Yesterday afternoon the Supervisor at the School for the Blind had a number of pupils out for walking exercise the route taken having been in the neighborhood of Wilkes' Dam. On return he counted heads, as is the usual custom, and found that one was missing—a boy named Morrison, 12 years of age.

The lad could see partially, and this was his first year at the school. He had shown symptoms of homesickness and it is thought that he may have taken advantage of the opportunity to run away.

Principal Gardiner has had searching parties out last night and today, but at the time of writing no clue had been obtained with regard to the missing youngster.

RECRUITING CONTINUES

The soldiers are away visiting Burford Fair to-day, and the Armories present rather a deserted looking appearance. Recruiting still continues brisk, five new ones being signed up yesterday as follows:

John McCann, English, single, age 34, Cainsville, farmer.

James P. Tolhurst, painter, age 21, single, St. George.

Henry Beattie, English, age-19 single, farmer, St. George.

William Henry Wilson, English, age 25, single, St. George.

STREET RAILWAY AWARDS PRIZES TO MOTORMEN

Have Check on Them, and Best of Them are Rewarded.

The Brantford Municipal Railway has recently installed electric meters on the city cars running on the main line and Holmedale-Eagle Place routes. These meters record the amount of power consumed by each car, thus enabling the management to keep a closer check on the performance of each car, besides giving positive information regarding the efficiency of the motormen. In order to encourage the motormen to make efficient use of power, three prizes are to be given monthly to the three most efficient motormen on each line, the most efficient man being the one who can operate his car with the smallest current consumption per mile.

Very careful records are kept by all the men every day, one copy being handed to the clerk at the car barn and the other being retained for checking.

The results for September are given below and are very encouraging, quite substantial economies being shown already:

J. Gillespie, Main line, K.W. hours per car-mile, 0.917—First prize \$5.00.

F. Vinal, Main line, K. W. Hours per car-mile, 0.960—second prize, \$3.

D. McCloy, Main Line, K.W. hrs. per car-mile, 1.004—third prize, \$2.

G. Arthurs, Main Line, K.W. hrs. per car-mile, 1.134.

J. Withers, Main Line, K.W. Hrs. per car-mile, 1.329.

F. Gould, Main Line, K. Hrs. per car-mile, 1.342.

S. Rabbitt Eagle Place, K.W. Hrs. per car-mile, 1.030—First Prize \$5.

A. Cobourn, Eagle Place, K. Hrs. per car-mile, 1.146—Second prize, \$3.

J. Fitzpatrick, Eagle Place, K.W. Hrs. per car-mile, 1.243—Third prize \$2.

W. Seiver, Eagle Place, K.W. Hrs. per car-mile, 1.311.

G. Boughner, Eagle Place, K.W. Hrs. per car mile, 1.351.

F. Cunningham, Eagle Place, K.W. Hrs. per car mile, 1.393.

FREE LIBRARY

The public library board met last night in the board room. The members present were F. W. Ryerson, chairman, J. B. Waterous, Rev. G. A. Woodside, E. J. Carlin, J. E. Quinlan and T. Hendry. Accounts amounting to \$437.50 were passed and ordered to be paid. A report was brought in recommending the purchase of about 150 books. It was also decided to set apart a section in the history room to accommodate books on Canada. These books are not for circulation.

ANNUAL MEETING

The annual meeting of all the members of the Y. M. C. A. will be held on Friday night, October 8th in the association hall for the election of the board of directors. The members of the board are elected for three years, and as some of their terms have expired they will be re-elected or their places filled by new members.

YOUNG PEOPLE MET.

The regular weekly meeting of Bal-four street Presbyterian Y.P.S.C.E. was held last evening with a goodly number in attendance. A vocal duet by Misses Annie and Faith Powell was much appreciated by those present. The topic for the evening was "Society Success" taken by the Look-out committee. Several good practical points were brought out by the leaders. Prospects look bright for a good society this year, and it is hoped that many more will avail themselves of the opportunity of coming to these fine meetings.

ENJOYABLE EVENING.

A very enjoyable evening was spent at the Brant Sanatorium last night. Several vocal and instrumental solos were rendered by Miss J. Foster and Mrs. J. Schütz. Miss Foster also gave an instructive and interesting address on the Red, White and Blue, which was greatly appreciated by all. The meeting closed with a prayer by Mr. Olive.

MET TRAIN.

Mayor Spence and Ald Ryerson met the train this morning when Col. Wilkes and family arrived and officially welcomed home Lieut. Wilkes.

VERY POPULAR.

The story at the library is becoming more popular every week. A record crowd was on hand yesterday.

FOR MUSEUM.

The Brantford Historical Society, during the last few weeks, have been fixing up cases for the museum, and expect to have it open to the public shortly.

MET WITH MISHAP.

Roy Slaight, Mary St., was riding home at noon yesterday on his bicycle when a dog got in his way, throwing him under the wheel of another bicycle rider. His leg was quite badly hurt.

UNION STATION.

Mr. Coleman of the Dominion Power Company, which controls the Brantford and Hamilton Radial, and Mr. Todd, manager of the Lake Erie and Northern road, running from Galt to Port Dover, via Paris, met in the city yesterday. The result of their conference is not known, but it is rumored that the two roads are talking of erecting a fine new union station here.

OPTIMISM

To-day belongs to the optimist. Yesterday to the pessimist. The croaker, the man who always says "I told you so," can find no place in the modern order of things.

When the United States undertook to build the Panama Canal there were many who said "It's too big an undertaking." To-day we have the results of one man's determination, Colonel Goethals, who said "It can be done."

When Lord Kitchener said he would recruit, equip and train a volunteer army of three million men, which would turn defeat into victory, the pessimists said "It can't be done." Lord Kitchener said "It will be done." To-day we have the result of Lord Kitchener's faith in the men of the British Empire.

WE HAVE FAITH IN BRANTFORD AND ITS FUTURE

And that is the reason we determined, when planning our new store, to give the people of Brantford something worthy of them, and of which they would be justly proud. In building the new store we planned not only for the present, but the future. In several more weeks the new store will be ready to welcome the thousands of citizens of the city and vicinity who have looked forward to this event with no little interest.

The building and its appointments are modern in every respect. Every detail that would add to your pleasure and comfort in shopping has been incorporated. In fact, it has been stated by those who are in a position to judge that no other store in Ontario embraces to the same degree the many conveniences and appointments which go to make shopping a pleasure as does this one.

It is a well-known fact that modern methods and equipment—whether in store or factory—tend to lower costs and increase production, and we are going to demonstrate, both to your satisfaction as well as our own, that the big store, with its modern equipment and facilities for doing business, will result in better service and greater values than ever before.

It has been said that Brantford would not support a store on such broad lines and of such a size. We say it will! Backed up by the same liberal methods which have always characterized "The House of Quality and Good Value," we look forward to the future with every confidence. We are optimists—we have faith in Brantford and its citizens.

SOCIAL SERVICE LEAGUE HOLDS ANNUAL MEETING

The annual meeting of the Social Service League was held yesterday afternoon in the public library. Reports from the different officers were read and adopted.

The Treasurer's report showed that the large sum of \$16,410.91 had been disbursed in the last year.

A very interesting report was handed in from Mr. Nelson Jess, the society's relief officer, and Miss Johnson, the child's welfare nurse.

Throughout the past year, the Social Service League has given assistance to nearly 2,200 people, or practically 7 per cent. of the population of Brantford. This aid was rendered chiefly by obtaining situations for the out-of-works, or giving orders on grocers, butchers, etc., for goods; the league following out its policy of never disbursing money to the needy, but seeing they are supplied with what they want.

Mr. Frank Cockshutt, the president, read a most interesting address, summarizing the past year's work and outlining next year's policy. It is the intention of the league not to give help this year to such an extent as it did last. The reasons for this are that there are so many dependents of soldiers in the city that all the extra money is needed to support the patriotic fund; while of course this coming winter will not see anything like such bad conditions as last. A great many people who looked to the league last winter, must provide now for themselves.

Thanks are due to the ladies' executive for their faithful work during the year in visiting.

The nominating committee recommended the re-election of all officers, which recommendation was adopted. The officers for next year are:

Honorary President—The Mayor.
President—Frank Cockshutt.
First Vice-President—A. McFarland.
Second Vice-President—C. A. Wat-

NIGHT SCHOOL AT COLLEGIATE OPENS AGAIN

Night School opened for the season at the Brantford Collegiate Institute last night. In spite of the fact that it was the first night and rather inclement weather, a fine attendance was present. The various departments were well filled and a large number were enrolled. This season bids fair to go beyond all previous records for attendance. It affords a fine opportunity for young people occupied through the day to improve their education. The school is open every Tuesday, Wednesday and Thursday nights. The following is a list of subjects for the different nights: Tuesday's Art and Design, Architecture, Woodwork, English and Arithmetic; Senior Dressmaking Class, Mathematics, forge work, shorthand, typewriting and Electricity. Wednesday: Building construction, woodwork, household science, millinery, mathematics and plumbing; Thursday's Art and Design, Carpentry, English and Arithmetic, household science, junior dressmaking class, forge work, electricity and plumbing.

Following is a list of those who enrolled: Art and Designs, 27; English and Arithmetic 15; Shorthand and Typewriting 57; Mathematics 15; Mechanical Drawing 24; Arithmetic 12; Forge and Lathe work 12; woodwork,

LIFE UNDERWRITERS HAVE ANNUAL MEETING

The Annual Meeting of the local Life Underwriter's Association was held on Monday at the Northern Life Office. The Treasurer's report showed a satisfactory financial condition. The Secretary reported a large membership. Several applications for membership were received and approved. The election of officers resulted as follows: President, F. J. Reid; vice-president, Donald Thorburn; secretary executive, Reid, Thorburn, Schmidt, Wood and John Burbank; publicity, C. H. Emerson, J. H. Dutton.

During the past year the Association compiled and published a pamphlet on society insurance, which has had a very wide sale throughout Canada and is much in demand. It is highly probable that a second edition will be published at an early date. After the transaction of other routine business the meeting adjourned.

C. P. Beaubien of Montreal has been appointed to the Senate, to succeed the late Sir Charles Boucher de Boucherville.

L. T. Marschal, K.C., of Montreal, is to be a Judge of the Superior Court of Quebec, succeeding Hon. Justice Louis Teller, who has resigned on superannuation.

SOCIAL SERVICE LEAGUE HOLDS ANNUAL MEETING

The annual meeting of the Social Service League was held yesterday afternoon in the public library. Reports from the different officers were read and adopted.

The Treasurer's report showed that the large sum of \$16,410.91 had been disbursed in the last year.

A very interesting report was handed in from Mr. Nelson Jess, the society's relief officer, and Miss Johnson, the child's welfare nurse.

Throughout the past year, the Social Service League has given assistance to nearly 2,200 people, or practically 7 per cent. of the population of Brantford. This aid was rendered chiefly by obtaining situations for the out-of-works, or giving orders on grocers, butchers, etc., for goods; the league following out its policy of never disbursing money to the needy, but seeing they are supplied with what they want.

Mr. Frank Cockshutt, the president, read a most interesting address, summarizing the past year's work and outlining next year's policy. It is the intention of the league not to give help this year to such an extent as it did last. The reasons for this are that there are so many dependents of soldiers in the city that all the extra money is needed to support the patriotic fund; while of course this coming winter will not see anything like such bad conditions as last. A great many people who looked to the league last winter, must provide now for themselves.

Thanks are due to the ladies' executive for their faithful work during the year in visiting.

The nominating committee recommended the re-election of all officers, which recommendation was adopted. The officers for next year are:

Honorary President—The Mayor.
President—Frank Cockshutt.
First Vice-President—A. McFarland.
Second Vice-President—C. A. Wat-

Secretary-Treas.—H. T. Watt.
T. H. Preston, J. S. Rowe, C. L. Gamble and Thos Bingle.

The ladies' executive are as follows: Mrs. Frank Cockshutt, Mrs. Cummings Nelles, Mrs. W. C. Livingston, Mrs. J. W. Dight, Mrs. T. L. Wood, Mrs. M. J. O'Donohue, Mrs. W. H. Whitaker, Miss MacPherson.

Rain is Predicted for Opening of the Series

Philadelphia, Oct. 6.—The Philadelphia National League team, new champions of the senior major league baseball organization had hoped to close the regular playing season here to-day with a double header with the Brooklyn team, but rain caused a postponement. The games will be played to-morrow and it is expected every man eligible to participate in the world's series, beginning Friday, with the Boston Red Sox will play in the final contests.

the way, the Phillies will be able to devote Thursday to preparing for the big games.

Baseball fans looking ahead for some indication of the atmospheric conditions for the world's series; learned from the Weather Bureau to-day that cooler weather is due here to-morrow and Thursday, with possibly rain on Friday or Saturday. While in New York Manager Pat Moran of the Phillies had a talk with Bill Carrigan, manager of the Red Sox, and offered the use of the Philadelphia Park to Boston for practice at any time the team came to Philadelphia.

The Red Sox expect to arrive here to-night if they can arrange for the cancellation of the final game in New York. Otherwise they will be unable to practice on any field in this city. Carrigan told Moran that both he and his players would be pleased to practise on the Phillies' field if they arrived in Philadelphia in time, but that they had no thought of asking the privilege, for they had expected to put in the final days tuning up at Shibe Park, the home of the Philadelphia Athletics.

Hamilton's Park is to be Cut Up Into Building Lots

Hamilton, Oct. 6.—Britannia Park is to be cut up into building lots. So quoth the present owners of the park who were in session yesterday. Hamilton's ball club directors stated at the end of the season that they would not be able to pay such heavy

rental next year and thrive, but it now develops that they will have to secure a new summer home anyhow. Where they will locate is undecided. They will not take action until the Canadian League meets in December. There is some talk of using the Jockey Club grounds, which is to be converted into an athletic field.

Inter-League Series Opens at St. Louis

St. Louis, Oct. 6.—The Browns gained the first lap on the Cardinals in the fall series by winning the opening game 3 to 2. It was a close

tussle, with lucky infield singles scoring for the American League. The Browns got their first run in the third on a single by Pratt, his steal and Walker's single. In the fifth Shotton and Howard opened with infield singles and two infield bunts counted a run. In the seventh Shotton was safe on Byrne's fumble, took third on Howard's sacrifice, and came home on Sisler's infield tap.

"BIG ALEX" GREATER THAN W. JOHNSON OR MATHEWSON

The achievements of Grover Cleveland Alexander this season have placed his name among those of the greatest pitchers. He holds the record for pitching the greatest number of few-hit games in the National League since the pitching distance was changed in 1893. Alexander has to his credit 16 games where he held the opposition to four hits or less. This record was previously held by Christy Mathewson, who, during the season of 1908 had fifteen of these contests on his list.

During five seasons in the National League Alexander has pitched 35 no-run games, an average of seven a season. Walter Johnson has pitched an average of 6 no-run games a season credit this season. That record was excelled in the old National League

by only one pitcher. In the season of 1884 Jimmy Galvin pitched 12 no-run victories at the old pitching distance. Alexander began his professional baseball career with the Galesburg club of the Illinois and Missouri league in the season of 1909. Charlie Carr, manager of the Indianapolis club, bought young Alexander from the Galesburg Club for the season of 1910, and then released him to the Syracuse team of the New York State League where he began a parade around the circuit. He won 14 shut-out victories, and held his opponents runless in the last 50 innings in the league.

Expect Killifer to be Ready for First Game

Philadelphia, Oct. 6.—There has been much speculation regarding the respective strength of the two world's series teams and a wide diversity of opinion as to whether the Phillies or the Boston American League title-holders will win the coveted honor, but there has been little or no betting here on the result.

Fears that Killifer the Phillies' star catcher, who has been out of the game nursing an injured shoulder, would not be able to take part in the championship were partly set at rest by the announcement that he probably will be in shape for the first game. Killifer, who is considered by many to be the best maskman of the National League, has been under the care of a New York specialist for several weeks.

Officials of the club and Philadelphia fans alike feel highly elated over the fact that President Wilson will be present at the second game of the series on Saturday. This will be the first time the chief executive of the nation has attended a world's series

contest. The President and his party will view the game from a box near the centre of the grand stand.

Should Catcher Killifer's injured shoulder not respond to treatment the battery efficiency of the Phillies will be lessened seriously. Reports from Philadelphia say that the star catcher may be ready for the first game. It is just possible that Moran may use Eppa Rixey against the Boston team. In the world's series of 1912 Marquard beat the Red Sox twice, holding them to three runs in the two

games, and Coveleski has pitched some great ball against them this season. It may be therefore that the Phillies will take a chance on their big southpaw.

Football

The P. S. A. Football Club will hold a meeting on Thursday night to pick the team to play the S. O. E. on Thanksgiving Day. The meeting will be held at the home of Mr. Dixon, 6 Arthur St., on Thursday night at 8 o'clock.

The S. O. E. Football Club will meet on Wednesday night to select their team for the benefit game with P. S. A. to be played on Monday at Tutela. Mr. Percy Farnsworth, recently returned from Niagara-on-the-

Lake, has kindly consented to referee the game.

CANADA CALLS

The Empire Needs YOU!

"If we do not do more in the future than we have in the past, we are going to be beaten." These are the words of Sir John Simon, British Home Secretary. We are going to do more and WE WILL NOT BE BEATEN, but Canada must send more men and Brantford and Brant County will continue to do their share. What would happen to the women of Brantford if Britain were beaten? Ask the women of Belgium! They know!

MEN OF BRANTFORD

Will you let the Hun trample British liberty in the dirt, or will you do your bit? Never mind the shirkers and the won't-works. The women of Canada want you to protect them and fight for them. WILL YOU DO IT?

CABINET CHANGES IN EFFECT NOW AT OTTAWA CITY

Hon. Louis Coderre Elevated to Superior Court—Succeeded by Blondin.

Ottawa, Oct. 6.—It is understood that the rearrangement of the Quebec wing of the Cabinet foreshadowed on Monday will take place tomorrow. It will mean the withdrawal of Hon. Louis Coderre, now Secretary of State, to accept a position as judge on the Superior Court bench of Montreal. The promotion of Hon. Pierre Blondin, now Minister of Inland Revenue, to the portfolio of Secretary of State, the swearing in of Mr. E. L. Patenaude, M.L.A., as Minister of Inland Revenue. The new Minister of State for Patenaude is a member of the Quebec Legislature for Laprairie, and has been for some time identified with organization work of the Conservative party in Montreal. He is an advocate, a clever and resourceful debater, and widely popular in his own province. He will sit for the riding of Hochelaga, which has been represented by Hon. M. Coderre since 1911. The writ for the bye-election will be issued at once.

The new Secretary of State, Hon. Pierre Edouard Blondin, succeeded Hon. Bruno Nantel as Minister of Inland Revenue a year ago on the appointment of Mr. Nantel to the Board of Railway Commissioners. He has represented Champlain in the House of Commons since 1908, and prior to entering the Government last October he held the office of Deputy Speaker.

The retiring Minister, Hon. Louis Coderre, entered the Government as Secretary of State in October, 1912, in the reorganization which followed the resignation of the late Hon. F. D. Monk. In the following year he became Minister of Mines in addition. Before entering the Government he was a leading member of the Montreal bar, and was at one time syndicate of the bar. He is remarkably well versed in Quebec municipal law.

Trying to Appeal.

Toronto, Oct. 6.—The Ottawa separate school board has forwarded material to Toronto in an effort to have the litigation with the commission reopened next week on a motion to set aside the injunction granted by Mr. Justice Riddell on October 2nd on the ground that the Federal Judge in question restrained the board from interfering with the management of the schools.

Pere Marquette Sold.

Toledo, O., Oct. 6.—A decree of foreclosure and an order of sale of the property of the Pere Marquette Railroad was filed in the United States court yesterday by Federal Judge John M. Killitt. The order directs that the special master receive no bid for the property less than \$14,000,000. The date of the sale is to be set by the special master. All cases against the Pere Marquette were consolidated.

French Cruiser Lost.

New York, Oct. 6.—Private advices received here to-day from Athens says that a French auxiliary cruiser was torpedoed and sunk September 25th while en route to the Turkish Island of Rhodes by a submarine of the central powers. Rhodes is the most eastern island of the Aegean sea. It lies close to the mainland of Asia Minor and since the Turco-Italian war has been occupied by large forces of Italian troops.

Three Men Injured.

Washington, Oct. 6.—The captain and two members of the crew of the American ship, Vincent destroyed by a mine off Cape Orloff in the White Sea, were "seriously injured," according to British Admiralty reports. The ship was captured by the German U-boat. Previous reports from Archangel said that four men were injured.

OFFICIAL REPORT SHOWS SOME SLIGHT ADVANCE

Italians Drove Out Several Austrian Detachments, and Beat Them Back.

Rome, Oct. 5, via Paris, Oct. 6.—The official statement issued to-day at the headquarters of the Italian general staff was as follows: "On the Tonale zone during the night of the third, one of our mountain detachments, having scaled the rugged Torrone Peak, at the head of Strino Valley, drove out several enemy detachments posted there and destroyed partly constructed defences then returning to our lines after avoiding a violent artillery fire directed against our positions on the Monte-torona, but was repulsed. "On the Carso plateau there have been the usual artillery actions. "Many trains are again reported on the Trieste railroad between the stations of Nabresina and San Giovanni."
