Fruit Growers in Session.

The annual meeting of the Nova Scotia Fruit Growers' Association, which has been in session here this week, was well attended and full of interest. We regret that lack of space prevents anything like a full report of the proceedings.

The first session was held on Monday evening in the Opera House and in spite of the severe storm which prevailed was well attended. After the opening prayer by Rev. H. Shaw, of Berwick, President Messenger gave his address, which consisted of an interesting review of the year's work. He was followed by Mayor Harvey who welcomed the members of the Association to our town. Col. S. Spurr, of Melvern Square, replied after which interesting addresses were given by Mr. A. L. Davison, M. P. for Annapolis, Dr. Cutler, president of Acadia University, Prof. Cumming, the Secretary for Agriculture, and Mr. W. T. Macoun, of Ottawa.

Tuesday morning was given up to an informal talk accompanying a demonstration on the packing of apples in boxes and barrels by Mr. Carey, of Toronto, assisted by Inspector Vroom. This meeting was well attended and considerable interest was shown.

The afternoon and evening sessions were devoted to orchard practice and the commercial end of the apple business. The speakers were Messrs. W. T. Macoun, Ottawa; M. E. Ellis, Port Williams; and W. H. Woodworth, Berwick; W. W. Moore, Ottawa, and D. B. Adamson, London, Eng. At the evening session a very animated discussion took place on a proposal to ask the government to make the duty on apples coming in Canada the same as charged on our apples going in the United States, which was finally adopted by an overwhelming majority.

On Wednesday morning the officers for the ensuing year were elected as follows:

President—S. C. Parker, Berwick; Vice President—A. C. Starr, Port Williams; Secretary—M. K. Ellis, Port Williams; Treasurer—G. W. Manro, Wolfville; Auditors—W. M. Black, J. Elliot Smith.

Executive Board—The President, Vice President, Secretary, Wm. O'Brien, Windsor Forks, Hants Co.; R. J. Messenger, Bridgetown; C. O. Allen, Kentville; S. B. Chute, Berwick.

Publication Committee—The President, Secretary, A. C. Starr, Port Williams.

Delegates to Farmers' Association, E. H. Johnson, Wolfville; R. J. Messenger, Bridgetown.

Delegates to the Ottawa Fruit Conference—R. J. Messenger, Bridgetown; John Chute, Berwick; F. A. Chipman, Round Hill; A. C. Starr, Port Williams.

Faculty Recital.

It is generally agreed that the recital by the teachers of Acadia Seminary in the departments of music and oratory was exceptionally fine, both in respect of the character of the selections and the manner of rendition. The program was for the most part musical, but in the two readings, 'John Storm's Resolution,' by Miss Schwartz, and 'Truth's Advocate,' by Miss Renneck, a high level was reached, in dramatic conception and force and technical excellence.

Miss Freedland in the first movement of the Mendelssohn Concerto, displayed a fine insight, which coupled with a warm, rich tone and good technique, made her rendition most enjoyable.

Miss Frost, pianoforte, played McDowell's Concert Etude in F. Sharp major with grace, delicacy and genuine musical appreciation. She proved herself also a good accompanist.

Miss Frantz possesses a fine, full, rich soprano voice and was at her best in 'Still wie die Nacht.' It was an artistic piece of work. Miss Wilson's voice is a contrast of remarkable range and quality; her work is most finished. Pouchonnet's 'Voeu de femme' was exquisite. Both Miss Frantz and Miss Wilson in the Carmen Waltz scored a triumph, though something was to be desired in more perfect blending.

Mr. Fletcher was heard most appreciatively in two groups. The first group composed of his own works showed ability as a composer of a high order. The Polonaise Mignonne was most enjoyed. In his second group he played one Scarlatti number and four Chopin numbers. His work technically adequate, was artistic, refined, forceful, satisfying.

In conclusion to quote a competent critic: the teachers in the Department of Fine Arts, in Oratory, Violin, Voice and Piano are as a whole the strongest artists heard in Wolfville in recent years. A fair criticism would be a faulty arrangement of program, tardiness in beginning and, of the audience, a lack of warmth which was chilling to the performers. Perhaps the character of the program was too classical for simultaneous appreciation. But genuine appreciation there was.

The Dominion Atlantic Railway passenger department is asking for information from persons desirous of taking summer holidays into their private homes. This information is to be included in the 1912 edition of 'Summer Homes in Nova Scotia,' now in the course of preparation, and which will go to press at an early date. This book has in the past been the means of bringing thousands of dollars into the hands of people located along the line of the D. A. R. Applications for forms to be filled out may be addressed to Mr. R. A. Parker, General Passenger Agent, Kentville.

Foster-Lawrence Wedding.

An exceedingly pretty wedding took place at the home of Capt. and Mrs. Albert Lawrence, Hantsport, on Thursday day of last week, when their daughter, Charlotte Phyllis, was united in marriage to Arthur DeWitt Foster, M. P. for Kings county, son of the late Mr. Judson Foster, Bridgetown. Only the immediate relatives and friends of the contracting parties were present. The ceremony was performed by the Rev. J. W. M. Crawford, of Windsor. The bride was given away by her father and looked very pretty in a gown of cream satin. The bride and groom were unattended. Miss Lennie Crossley played the wedding march. The house was prettily decorated with cut flowers and ferns. A reception was held immediately after the ceremony, several of the bride's friends assisting in serving the refreshments. The bride's travelling suit was of tan broadcloth and hat of black velvet with plumes and black seal furs. A number of their friends went to the station to bid them farewell. After visiting Halifax they proceeded to Ottawa. The presents were numerous and elaborate, among them being a handsome silver tea service from the Liberal Conservative Club of Wolfville. THE ACADIAN tendered best wishes for the happiness of Mr. and Mrs. Foster.

The People's Forum.

SIR,—I have been waiting for some time in expectation of seeing in your paper some notice taken of a statement published by one of your correspondents some weeks ago regarding the selling of intoxicants by our local druggist upon the prescriptions furnished generously(?) by one of our oldest doctors.

This statement had been common rumor for a long time, but I was sure that when it was given publicity in print some of our public men, educational, would at least rouse themselves to ask 'is this true?' and if so, to either separately or collectively do their best to remove this disgraceful state of things, and if not true, to expose the lie for the credit of our fair University town. But I have heard of no such movement, nor of any expression of indignation.

I have also heard (but by hearsay only) that there exists, within the limits of our town, two, at least, houses of ill fame, equal, shabby and disreputable, but well patronized and dangerous. Is this true, or is it a slander on our civic cleanliness?

This is a prominent university town, and as such its morals and standards of right and wrong are in the public eye, and about seven hundred young people are being educated here from homes scattered all over the Maritime Provinces.

Men of Wolfville, fathers, brothers, guardians, teachers, college professors, clergy men, professional men and civic officials, where are you? This is your business, is this a lie? Then hunt the lie to earth, and if the truth you know your duty. Quit you, like men.

CIVICS.

Rink Notes.

The ice in the rink has been in good condition this week. The management is to be congratulated on the good ice they have had this winter.

Last week Mr. Wetmore, of Halifax, was in town and attended the rink on Wednesday evening. He has skated in different parts of the world, but he told the manager that he had never skated on better ice than they had here.

The private skating party has the rink on Thursday evenings. Last week about eighteen came down from Kentville and joined the party.

On Tuesday evening the Port Williams hockey team defeated Canada at the Evangeline rink, by the score of 6 to 1.

The rink management have engaged the Wolfville Orchestra to furnish the music for these winter. They play on Wednesday evenings, and on Thursday evenings they play for the private skate. We have heard it said that their music is better than that of last year's band.

College Notes.

A very enjoyable function, known as Acadia Night, was held in College Hall on Thursday evening of last week. At eight o'clock the members of the Faculty and the Board of Governors took seats on the platform, and the students of the College, Academy and Seminary, marching in, filled the body of the Hall. The galleries were open to the friends of the institutions, and quite a number were present.

Dr. Cutten presided, and after a few remarks in which he expressed his hope that everyone would have a pleasant time, he announced the program.

The leading feature of the program was a very interesting address by Rev. A. Chipman, the oldest living graduate of Acadia, on his personal recollections of the late Dr. Prior, the first President of Acadia, whose portrait was that day presented to the governors and placed on the front wall of the Hall. In addition to that the program consisted of College songs by the students; readings by Misses McMan and Anderson, of the Seminary, Miss Gilroy, of the Senior class, and Miss Coes, of the Sophomore class; a vocal solo by Miss Hill, of the Seminary; a selection by the Junior quartet; a mandolin solo by Miss Young, of the Business College; choruses by students of the Academy; and addresses by Dr. DeWolfe and Dr. Archibald. Dr. Cutten also read letters from several graduates of Acadia, telling in a few words what their Alma Mater had done for them, and wishing her every prosperity.

At ten o'clock the boys cleared away the seats, and a half hour of pleasant conversation followed ending with the singing of the Acadia Dextology after which the assembly broke up, everyone expressing themselves as having spent a very enjoyable evening.

Rev. Frank Beattie.

On Christmas Day while driving on Main street Mr. Beattie was thrown from his carriage and received a severe scalp wound. The local injury subsided under medical treatment, but the shock caused by the accident proved too much for his advanced age and enfeebled physical condition.

Though rallying apparently for the first few days it soon became evident that his strength was waning and on Sunday, the 14th inst., he passed peacefully to rest. He was in his 78th year. His life was a long and useful one, full of energy, good works and goodwill. He was a native of Pictou town and spent his early years there. His first public work was in connection with the temperance movement when he did much lecturing and organizing societies. In the early twenties he was ordained to the Christian ministry at Shediac, N. B., and became pastor of the Baptist church there. For about forty years he exercised his ministry holding successively pastorates in Shediac, Hopewell, Granville, Lower Aylesford, Parraboro, Port Maitland, Glace Bay, Homeville, Mira and Louisburg and in three towns in Ontario. Suffering from a chronic bronchial affection he thought the air of this valley would be beneficial. So five years ago he bought a farm in Lower Wolfville and took up his residence here. With remarkable energy he set about learning the new work of farming. He derived enjoyment from it and doubtless was somewhat benefited in health but found it taxing at his time of life.

Mr. Beattie, in the course of his long and active life, had made a large circle of friends by whom he was held in high esteem and to whom his death will bring a sense of loss. He leaves a widow and one son, Mr. Frank Beattie, who will reside now in Wolfville. To them we wish to express sincere sympathy.

The Hindered Christ.

(By Alice J. Nichols)

The Lord Christ wanted a tongue one day.

To speak a message of cheer.

To a heart that was weary, worn and sad.

And a weight with doubt and fear.

He asked me for mine, but I was busy quite.

With my own affairs from morn till night.

The Lord Christ wanted a hand one day.

To do a loving deed.

He wanted two feet, on an errand for Him.

To run with gladness speed?

But I had need of my own that day.

To His gentle beseeching I answered "Nay!"

So all that day I used my tongue.

My hands, and my feet as I choose.

I said so on many bitter words.

That but one hour I could be busy.

I bided my hands with worthless play.

And my wilful feet went a crooked way.

And the dear Lord Christ—was His work undone.

Who wants him?

That was a piece of fine oratory recently when a lecturer, speaking of the drinking young man, said: "The railroads don't want him, the ocean liners don't want him, the banks don't want him, the merchants don't want him, the saloon keepers don't want him, the bartenders don't want him, the bartenders don't want him, the bartenders don't want him."

Turning to his most winsome smile to the audience, he said: "Now, girls, do you want him?"

Medicine that always are always most effective. Chamberlain's Cough Remedy acts on this plan. It always the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. It has been used by all doctors.

Doing Her Best.

Annoyed by a capricious noise of small, shifting stones, Mrs. Ames stepped to the kitchen door and caught the first of the rain.

She looked at the rain, and then at the clock.

"What a day!" she said, and then she cried.

"Did you not give me a 2 dollar bill?" she asked.

"I did, but you gave it to the boy."

"I did, but you gave it to the boy."

"I did, but you gave it to the boy."

OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ont.—"I think it is no more than right for me to thank Mrs. Pinkham for what her kind advice and Lydia E. Pinkham's Vegetable Compound has done for me."

When I wrote to her some time ago I was a very sick woman, suffering from female troubles. I had a great deal of pain in the female organs, and could not stand or walk any distance. At last I was confined to my bed, and the doctor said I would never get up.

A kindly newspaper man stopped a well-dressed stranger on the street in London (G. B.) the other day, and, begging his pardon, called the man's attention to the fact that his derby was dusty.

The man said he was a commercial traveller and would have lost a large order if he had called on a certain firm with his hat so dusty.

Children Cry FOR FLETCHER'S CASTORIA

Two ladies who had just been introduced to each other at the reception had exchanged a few conventional remarks. This is the younger one remarked: "I can't imagine what you get out of that little book."

He was so attentive to me a little while ago, and now he won't look at me. Perhaps he saw me come in, and he was the other woman. I'm his

Pneumonia from a Cold

PNEUMONIA is second only to consumption in the number of deaths which it causes.

Cold in the head, fever and chills, a cough which gradually becomes dry and more painful in the chest, rapid, difficult breathing, feelings of exhaustion and depression—these are symptoms of pneumonia.

You can prevent and cure pneumonia by the use of Dr. Chase's Syrup of Linseed and Turpentine, the greatest of all treatments for the throat and lungs.

The only safe way is to regard every cold as serious. By frequent doses of Dr. Chase's Syrup of Linseed and Turpentine you can quickly break up the cold and guard against dangerous developments.
