Correct Spring Millinery at Browns.

Mr. Earl McCormick, Sarnia, spent the weekend at his home here. Of all sad words of tongue or pen, "Housecleaning" sounds the worst to men!

Recall Gold Fish Free—April 3, 4 and 5th. Watch for our adv. next week.—J. W. McLaren.

Mrs. W. C. Aylesworth and daughter, Phyllis, are visiting her parents in Petrolia this week.

Those Roche spent a few days in Toronto last week visiting his brother, David Roche, and family.

Dollar Day Specials—4 dozen Ladies' Lisle Hose, ribbed top, 2 pair for \$1.00.—Swift's.

Why blame a newspaper for not getting all the news, when even the most efficient gossip can get part of it.

Polly Anna House Dresses and Aprons.—A. Brown & Co.

The man who says he can do all the business he wants to without advertising would be wonderfully surprised if all the business men thought the same and the weekly newspaper quit the field.

Dave Warner Smith, of Sarnia, Concert Violinist and Teacher, will receive pupils in Watford on Friday of each week, commencing April 4th. Leave names at office of Guide-Advocate, or direct to 164 Front Street, Sarnia.

We are offering special prices on Room Lots of Paper to clear. First here receives first choice.—P. Dodds.

Forest Standard: "All quiet along the line in regards to waterworks this week. We have not heard of any new developments, and the citizens are awaiting the outcome of the adjourned court to be held in the Forest town hall, tomorrow, Friday afternoon."

Better answer "The Call of the Canyon." Zane Grey's famous story at the Lyceum next Thursday, and see the son of toil teach the daughter of jazz all about living and loving.

Pat—"But suppose all the wealth was equally divided? That would be socialism." Mike—"No, it wouldn't. All the socialists would drink themselves to death with their share, and there'd be nothin' but capitalists left."

Dollar Day Specials—Friday and Saturday—5 dozen Ladies' Lisle Hose, 3 pair for \$1.00.—Swift's.

Mrs. Josephine Ellis of Sarnia, has been appointed special Customs officer for duty at that port by the Department of Customs and Excise. Examination of women shoppers returning from Port Huron will constitute her duties.

The fire alarm sounded Monday evening about 8:30 when an extension cord in the Farmers' Store short circuited and caused a small flame. Prompt action prevented any damage and no water was required.

Borsalino and Brook Hats for men.—A. Brown & Co.

A few Watford merchants are holding Dollar Day sales today and tomorrow (Friday and Saturday). Study the display ads. throughout the paper. Their special prices will save you money.

Those who are supposed to know affirm that the sheep industry on the farm is likely to prove more remunerative than has been the case, on account of better prospects for wool and lambs on the market. Breeders are urged to sell the heavy lambs early, retaining the lighter ones for later marketing.

Bargain Table of Men's black or brown Fine Shoes at \$4.65 and men's everyday shoes at \$3.50.—P. Dodds.

The Watford High School students held a most enjoyable theatre party in London recently, followed by supper at Wong's. Miss H. McCaw B.A., of the staff, representing the school, and those attending were: Miss Blanche Mitchell, Gordon Johnson, Geo. Chambers, William Coke, Ford Steadman and Fred McKenzie, of the University of Western Ontario; the Misses Dorothy Fraser, Alma McGillivuddy, Jean Lucas, Evelyn Williamson, Violet Minnelly, Jessie Cran, Nettie Downing, Rena Carroll, and Miss Annett, of the Normal School, and Miss Alice Johnson, Miss Lambert and Miss McDougall, of the Victoria Hospital staff.

Would it not be wise for the local Fire Company to inaugurate a set of signals to be used in connection with the fire alarm when sounded. The four wards of the town are numbered 1, 2, 3, 4, so that it would only be necessary for everyone to familiarize himself with the number of each ward, and the number of the ward in which the fire occurs could easily be given after a short pause in the alarm. At present, citizens have no way of knowing, other than going straight to the fire hall, or phoning "central." Phoning is impractical as most town phones ring in immediately after the first alarm and as a consequence, "Central" is "swamped."

Colorite Hat Dye—makes old hats look like new. Price 30c.—Siddall Drug Co.

The friends of this paper will please hand us in news items while they are fresh. We prefer not to publish a birth after the baby is weaned, a marriage after the honeymoon is over, or the death of a man after his widow is married again.

Dollar Day Specials—Ladies' Cumfy Cut Vests, 3 for \$1.00.—Swift's.

Anybody who has gone through one or more campaigns with local theatrical or musical organizations, retrospects with pleasurable emotions. It's a good training for both head and heart and it also is a big asset to a neighborhood from a social standpoint.

Wheat and hogs are about the same price now as they were in 1914 but three farm implements which could be purchased then for \$235.00 now cost the farmer \$413.00. Ten fleeces from sheep would, in 1914, buy a suit of clothes; now thirty-one fleeces are required to buy a similar suit.

Our Papers are very pretty this year, and the price is much lower. Call in and let us show them to you.—P. Dodds. m21-3t

A general increase in fire insurance rates in Western Ontario, amounting to 25 cents per \$100.00 of insurance, went into effect last week, in country districts and small towns where the fire protection is below a certain specified standard. This shows another advantage Watford secured in the installation of an adequate waterworks system with auxiliary pumps for fire pressure.

Our New Wall Papers are ready—all new patterns are 22 inch and semi-trimmed. Some one and two room lots to be at bargain prices.—J. W. McLaren.

Intimation has been given by Premier Ferguson that further encouragement is to be given those in the rural sections of the Province where Hydro power is available to enjoy the benefits obtainable therefrom. There was a report recently that Sir Adam Beck advocated that the Government should pay the full cost of rural primary lines instead of fifty per cent, as at present. That may be the plan in the mind of the Premier, and it would, no doubt, meet with favor by those concerned.

A traveller for a Toronto printing firm made a thorough canvass of the town last week but went away with very few orders. We thank the business men of the town for their loyalty to their home office, which has always done work at reasonable prices. There is no job in printing that The Guide-Advocate cannot do with its most modern equipment, excelling most small city printing offices.

A Zane Grey story "The Call of the Canyon." Jazz mad New York and the rugged West. Frivolous society and the mighty realities of nature. Don't miss it at the Lyceum Thursday, April 3rd.

Parkhill Gazette—"In what way did the O. T. A. create the Bootlegger? He was created because the Government boosted the price of liquor which could be obtained in dispensaries and drugstores. The Government would get a big price for liquor and so could the bootlegger. Put the price of Government liquor back where it was in the good old days and the profit on a few gallons or bottles will scarcely pay for a high powered car in which to tote the stuff around."

Watford Masons Visit Arkona Lodge

The officers of Havelock Lodge, A.F. & A.M. visited Arkona lodge on Thursday evening of last week and exemplified the Second degree before a large gathering of Arkona brethren. Rt. Wor. Bro. Richard Williamson, past D. G. M. assumed the Master's chair in the absence of Wor. Bro. P. Garson, and was assisted by the present officers of Havelock Lodge: Bros. R. B. Luckham, E. McKercher, Thomas McCormick, Murray Cameron and E. D. Swift.

After the degree, lunch was served and a social hour spent fraternally. Arkona Lodge will return the visit in the near future.

Michigan Lodge to Visit Sarnia

An announcement which has just been made will be of special interest to Masons throughout Lambton county. St. Pauls' Lodge, Sarnia, will entertain Battle Creek Lodge on Saturday evening, April 19th. The American brethren will exemplify the Master Mason degree in the Irish ritual, by special dispensation from the Grand Master of the State of Michigan.

The lodge work will no doubt be given in auditorium of the City Hall, with a banquet after in the Masonic building.

MORE WITNESSES CALLED IN FOREST

Seven Are Summoned to Attend Friday's Court in Waterworks Case.

Forest, March 25.—Waterworks interest stimulated today when seven witnesses were summoned to attend Friday's court by Provincial Officer Scott of Sarnia. Papers were served on the three officials who voted to comply with the board's order, Reeve Robert Hair and Councilors Robert Cope and Joseph Duncan.

George W. Beatty, who was mayor in 1921 when the original order was sent to town from the board of health, was summoned.

W. A. Dunlop, editor of the Forest Standard and J. Pettyspiece, editor of the Forest Free Press, who take notes of all council meetings for their papers, received notice to appear. A. G. Jamieson, C.N.R. telegraph operator, was also summoned to confirm the taking of a telegram to the board to ex-Mayor Scott, which gave the council until March 25th to comply, it is believed. There is no indication yet of a settlement being reached.

"Watford's Busy Store"

You can always depend on Groceries from us being Fresh, and our enormous turnover gives us the advantage of buying at the right price. Compare our prices before you buy your next order. We appreciate your trade and are going to give you the Best Price Possible.—P. Dodds & Son.

PETROLIA GETS CUP

Petrolia March 23.—The deadlock which existed between Forest and Petrolia High Schools regarding the right to claim the hockey trophy this year was broken yesterday when Murray Cameron, principal of the Watford High School, awarded the championship to the local school.

Principal Cameron congratulated the locals on winning the trophy. The local High School is jubilant over the success of the team and it is likely a banquet will be given to the boys soon.

BORN

In Warwick, on Thursday, March 13, 1924, to Mr. and Mrs. Alex. Fleming, twin boys—Archie Lyle and Arnold Murray.

DIED

In Watford, on Monday, March 24, 1924, Angus Mitchell, aged 80 years, 9 months, 26 days.

Weddings

STYLES—BEEBE

A quiet wedding was solemnized at the Divine Medals' parsonage, Sarnia, on Saturday, March 22nd, by the Rev. J. N. Clarry, when Miss Caroline A. Beebe, daughter of Mrs. Mary Beebe, 292 Confederation st., became the bride of Mr. Alvin J. Styles, only son of Mr. and Mrs. H. H. Styles, of Watford. The young couple spent a few days in Watford this week, and on return from their honeymoon will reside in Sarnia.

COWAN—HAYES

In St. Andrew's Presbyterian Church on Saturday afternoon at 5 o'clock, the marriage of Lilian Henrietta, only daughter of Dr. and Mrs. A. N. Hayes, and Hector Cowan, son of John Cowan, K. C., and Mrs. Cowan, was solemnized by Rev. Dr. J. B. Paterson. The church was crowded to capacity and hundreds watched from outside.

The bride wore a sleeveless gown of white georgette, simply made, in long waister effect. Her tulle veil, which hung in a billowy train, was held in place with a coronet of lace and orange blossoms, and she carried a shower bouquet of Ophelia roses and lilies of the valley. The bridesmaids were: Miss Ann Cowan and Miss Velma Crashey, gowned alike in peach-colored georgette with black lace picture hats, and carried bouquets of pink roses.

The two little flower girls, Miss Jane Cowan and Miss Barbara Wallis, wore pink embroidered voile, and carried old fashioned nosegays. M. McKenzie acted as best man.

After the ceremony 250 guests attended a reception at the home of the bride's parents, and later a dance at the golf club.

Mr. and Mrs. Cowan left for a honeymoon in the South, the bride wearing a gown and cape of navy blue serge and navy blue hat. They will reside in Forest.

"Well," said the snow to the sunshine in a melting voice, "Just tell them that you thaw me."

OBITUARY

ANGUS MITCHELL

On Monday evening last, at his late residence on Huron street, there passed away one of the early settlers and pioneers of the Village of Watford, in the person of the late Angus Mitchell.

Mr. Mitchell has resided in Watford for the past fifty-six years, and it is with deep regret that his many friends will miss a life long familiar face.

He was born on May 27th, 1843, on a farm a mile or so from the present city of St. Thomas, Elgin County. The son of John and Barbara Mitchell, of Scotch and Irish descent, and was the seventh child of that family of eight children, and the last surviving member of that family.

At the early age of nine, he lost his mother through death, and went to reside with an elder married sister in Strathroy, where he continued to reside until he was twenty-five years of age.

He entered his apprenticeship as a carriage builder in Strathroy, where he learned the trade, which was to be his life work.

In 1868 he married Ann Jane Fitzpatrick of the Village of Adelaide, and in August of that year he and his young wife moved to Watford where they have resided ever since, celebrating their golden wedding anniversary in 1918.

He first entered into a partnership with his brother-in-law, the late John Lovell, across the bridge, and this partnership was continued for two years when he engaged in business for himself on Front street, as a carriage builder and general blacksmith, and continued to do business there for a period of over fifty years, and for a great number of years his shop was a very busy place. He was always a man who believed in work, that it was good for both mind and body, and he lived up to that motto, even to his later years.

Some two years ago, owing to his age and failing health, he was compelled to dispose of his business, and a few weeks ago he contracted a cold but continued to be about until ten days ago when complications set in which necessitated his going to bed, and on Monday evening he passed away in his eighty-first year.

He was a member of I.O.O.F., Chosen Friends and the Masonic Order, and a life long member of the Anglican Church.

The late M. J. Mitchell of Watford and the late Samuel Mitchell of Strathroy, were brothers.

He had a family of six sons, Percy A., the youngest son served overseas in France during the great war and died of wounds at Boulogne, France, October 1916, and Frederick J., died in Toronto in 1909. The remaining members of the family are: his wife, Charles, at home; Bert, of Oshawa, Ont.; Joe, of Prince Albert, Sask.; and Harry, of Bousjour, Man.

The funeral is being held this (Thursday) afternoon from the family residence to the Watford cemetery, the services being conducted by the Rev. H. H. Hosford, and the bearers are four of his nephews, Will Mitchell, of London; Frank Mitchell, of Strathroy; Frank Lovell, Dr. Hicks with J. W. McLaren and W. H. Shrapnell.

The following from a distance are attending the funeral: Mr. and Mrs. T. B. Mitchell, Oshawa; Mr. J. H. Mitchell, Prince Albert, Sask.; Mr. and Mrs. Wm. Fitzpatrick, London, Ont.; Mr. Will Mitchell, London, Ont.; Mr. and Mrs. Frank Mitchell, Strathroy, Ont.; Mrs. R. C. Cowan, Drumbo, Ont.; Mrs. H. E. Mastin, Toronto, Ont.; Mr. J. K. Ingram, Toronto, Ont.; Mr. Angus Mitchell, Strathroy, Ont.; Mr. and Mrs. Smith Mitchell, Strathroy, Ont.

MRS. H. NORTH

The funeral took place Tuesday morning from the home of Mrs. Roderick McKay, 254 South Milton st., Sarnia, of Mrs. Hester North, whose death occurred on Sunday. The funeral was to the Thorndon cemetery. Service at the home was conducted by the Rev. J. N. Clarry of the Divine street Methodist church. The pallbearers were two sons, three sons-in-law and one grandson, Thomas and Hugh North, Roderick McKay, Thos. McWatters, J. D. Griffin and George North. She is survived by four daughters and eight sons. Mrs. Roderick McKay and Mrs. Thomas McWatters of Sarnia; Mrs. Thomas of Sault Ste Marie; Mrs. J. D. Griffin of Haycroft; Thomas of Sarnia; William of Theford; Nelson of Parkhill; Frank and Robert of London, Harry of New Westminster, B. C.; John of Victoria, B. C., and Hugh of Toronto.

Mrs. North was a former Watford resident and will be remembered by many of our present citizens.

Have you seen the new Spring Shoes. Read our ad. on another page.—P. Dodds. m21-3t

MRS. JAMES LUCAS

Following an illness extending over several months, the death occurred at an early hour on Thursday Mar. 13th, of Frances Oakes, relict of the late James Lucas, at the home of her daughter, Mrs. John Leach.

The late Mrs. Lucas resided in London for many years, moving to that city with her husband from Brooke township eighteen years last Oct. In religion Mrs. Lucas was an Anglican and a member of St. George's church, surviving her are three daughters and two sons; Mrs. John Leach and Mrs. George Pollock, London; Mrs. Edward Thomas, Warwick; and Thomas and James both of London. Also three sisters and two brothers, Mrs. E. B. Styles, Petrolia; Mrs. E. Holbrook, Crosswell, Mich.; Mrs. J. Lucas Kilworth, Theophilus Oakes, Brooke and Thomas Oakes of Watford.

The funeral was held on Saturday Mar. 15. The service was conducted by Canon G. B. Sage at the home of her daughter, Mrs. John Leach, 61 Mt. Pleasant Avenue, and was largely attended. The remains were laid to rest in Mt. Pleasant Cemetery, beside those of her husband, who predeceased her twelve years ago on May 5th. Many friends attended the funeral from Watford and Brooke. The pall bearers were six nephews of deceased namely, Robert Lucas; Thomas Kidd; and George Higgins; Brooke, Samuel Lucas; Plympton, George Boddy, Detroit; and Gilbert Lucas. Kilworth. She was a kind and loving mother, and will be greatly missed by her family.

A. B. McNEIL

(Alvinston Free Press)

A. B. McNeil, a well-known and highly respected farmer of the township of Brooke, passed away at his home on Friday, March 7th.

Deceased was born in Brooke township sixty-seven years ago and resided there until his death. He was a member of Guthrie Presbyterian church. Besides his wife he is survived by five children: Edward, of Watford; Hugh, at home; Neil, of Alvinston; Mrs. John Davis of Somers; Mrs. Frank G. McRae of Hewar, Sask.; also two sisters, Mrs. F. J. Benner, Alvinston, and Mrs. T. Barry, St. Thomas; and five brothers, Dan, Malcolm and John of Brooke; Hugh of Detroit, Mich.; Neil of Wyandotte, Mich.

The funeral was held on Monday, March 12th, from his late residence, to the Alvinston cemetery, service being taken by Rev. W. A. Montieith. The pallbearers were Truman Ross, W. J. Bourne, A. W. Wallis, Samuel Smith, D. McLean and Jas. E. Wallis.

Warwick Council

Warwick, March 24, 1924

The Council met today as per adjournment.

"Squibs by Dad"

Another reason for beware of the
Ideas of March is that March winds
are trying on the hides.

Almost any fine evening radio
fans in South America can hear a
revolution in the air.

The price of gasoline is one of the
few things that experienced no diffi-
culty in staging a "come back."

When the groundhog realizes the
mild weather he is missing he will be
as mad as a March hare.

coming a brilliant pianist or a clever
pickpocket.

A bird sanctuary is to be establish-
ed in Alberta. Space should be re-
served for chickens that come home
to roost and round robins.

In time restaurant patrons may be
ordering their steaks "high or "low"
voltage. A device for killing butcher
cattle with electricity has been in-
vented.

A proposed Michigan law requires
pedestrians to carry lamps at night.
It is understood that the regulation
does not apply to those illuminated
with moonshine.

Champion Jack Dempsey has re-
covered from the effects of a minor
surgical operation. He probably suf-
fered more when Shelby specialists
cut out part of his prize money.

A considerable revenue might be
derived from a tax on superfluous
speeches at Ottawa and the provincial
capitals. Thousands of words are
wasted on the desert air.

Should explorers succeed in locat-
ing the sites of the ancient cities of

Following the precedent of Mr.

An eminent health specialist says
that it is possible to live six score
years providing you brush the teeth
seven times a day, learn how to eat
and drink properly and how to take
care of the body. The first hundred
years are the hardest. After that it
becomes a habit.

A Portland man who died recently
left the sum of \$1000 to provide for
the care and maintenance of his pet
parrot. To recompense him for his
trouble a similar sum was provided
for Polly's guardian. The talkative

When President Coolidge increased
the duty on Canadian wheat the tariff
on mill foods was reduced by half.
This places bran mashers and other

the province will be comforting news
for Ontario's provincial treasurer

The old political pastime of "slash-
ing the estimates" will shortly en-
gage the attention of the members
at Ottawa. There are many notches
in the economy knives before the
"supplementaries" are reached.

It is estimated that it costs \$26,000
a day to operate the national law mill
in Ottawa when the House is in ses-
sion. Filling the hopper is a costly ex-
ercise and taxpayers would appreci-
ate more stream and less wind as
motive power.

California's much-mentioned cli-
mate is working overtime. A grower
in Napa reports two crops of apples
and prunes from the same trees in
the same year. The members of his

sauce or stewed prunes every day in
the year.

GOOD SPRING TONIC

One That Will Quickly Improve
Your Health

With the passing of winter many
people feel weak, depressed and eas-
ily tired. No particular disease, but
the system lacks tone. You find your-
self tired, low-spirited, unable to get
sound sleep at night. All this is the
result of closer in-door confinement
of the winter months, and shows that
the blood has become thin and watery.
New enriched blood is what you
need to put you right, and there is no
other medicine can give you this new
blood as surely and as speedily as Dr.
Williams' Pink Pills. This new blood
goes to every part of the body and
quickly improves the general health.
The digestion is toned up, you have
a better appetite nerves are strength-
ened and sleep is refreshing. The
value of Dr. Williams' Pink Pills
when the system is run down is shown
by the experience of Mrs. Peter
Arendt, Ravenscrad, Sask., who says:

"I was in a badly run-down condition
and prostrated with nervousness. I
did not sleep at night, and grew so
weak that when I tried to move
about I would be overcome with dizz-
iness. I heard about Dr. Williams'
Pink Pills and got a supply. After I
had taken a few boxes I began to feel
better. Continuing the use of these
pills my appetite improved, I slept
better at night, and I was soon as
well as ever I had been. I have also
given Dr. Williams' Pink Pills to my
daughter, aged fourteen, with the
best of results. I desire in this way
to express my thanks for the great
benefit I have found through the use
of these pills, and to recommend
them to others in need of a blood-
building medicine."

You can get these pills through any
dealer in medicine, or by mail at 50
cents a box from The Dr. Williams'
Medicine Co., Brockville, Ont.

He Feels Like A New Man Now

Mr. Frank Hiscox, of 49 Avenue, Swansea, Toronto, has gained five pounds besides improving in Health.

Constipation was at the root of all the illness and discomfort experienced by Mr. Frank Hiscox of Swansea, Toronto, and while he realized this he could find nothing that would bring genuine relief until a friend recommended Dreo, the tonic and body builder, made from the purest of roots and herbs.

Mr. Hiscox says "My stomach, kidneys and liver have caused all sorts of trouble for me. My appetite was poor and what little food I could take would sour and cause gas, belching and the rising of bitter bile. Pains shot through my back, my kidneys, joints and muscles ached and dizzy spells and bilious attacks would almost get the best of me at times. My complexion was sallow and spots floated before my eyes. Constipation was, I believe, the root of all my troubles as I always had to take something to keep my bowels open. I could not sleep and as a result became weak and run down. There were few things that I could eat with the assurance that they would agree with me.

"I tried everything and then Dreo was recommended to me by a friend. I am sure thankful for it as it made a new man of me, and I now eat anything without suffering afterward, sleep like a child and am much stronger in every way. I have gained five pounds in weight. This is why I gladly recommend Dreo to others just as it was recommended to me."

Dreo attacks the root of such trouble as Mr. Hiscox had and at the same time its tonic properties build up the entire system. Dreo is healthful and pure made from roots and herbs and contains no mercury, potash or habit forming drugs.

Dreo is being specially introduced in Watford by Siddall's Drug Co. and is sold by a good druggist everywhere.

CELERY CULTURE

(Experimental Farms Note)

Any good rich garden soil will grow good celery. It is a gross feeder and must have an abundance of fertility to draw upon if tender, well-developed stalks are to be obtained. If the soil becomes dried out, even with an abundance of plant food present succulent stalks are not likely to develop. These two things, plant food and moisture, are essential in order that growth may go on uninterrupted. Hot dry soils can be made cool and moist by water or by mulching. It is not a very hard task to keep a small area in celery watered during the dry periods.

When preparing for your vegetable garden set aside some good well rotted manure for a row of celery. Dig or plough out a space about 18 inches wide and about 6 inches deep and into this scatter the manure about four inches deep. On this place your good garden, soil, and mix thoroughly with the manure, and to this add acid phosphate at the rate of 500 pounds per acre. If the garden is one which has been well manured for years scatter a coating of manure broadcast and work it into the soil adding acid phosphate as well, and on this good celery can be grown. A well balanced 4-8-5 commercial fertilizer at the rate of 2000 pounds per acre scattered broadcast and well mixed with the soil to a depth of five or six inches will grow good celery without manure conditions are right.

Celery seed will germinate in any good garden soil in about two weeks after planting; during this time the soil should be kept damp. The seed box may be set any place in the kitchen, and when the seedlings appear, in a bright window or hot-bed. In two weeks the plants may be singled out and transplanted to one and one-half to two inches apart. In another month these will have developed into good plants for setting to the open ground. It will be seen that it takes about two months to develop good plants. Seed sown on the first of March should develop plants for setting out May 1st for later plantings and fall crop, seed started the middle of April or first of May will give good plants for setting in June.

A Household Medicine.—They that are acquainted with the sterling properties of Dr. Thomas' Electric Oil in the treatment of many ailments would not be without it in the house. It is truly a household medicine and as it is effective in dealing with many ordinary complaints it is an inexpensive medicine. So, keep it at hand, as the call for it may come most unexpectedly.

The Middlesex and Lambton Baptist Association will hold their annual meeting in Forest in June.

"Better Live Stock Train" Drew Big Crowd Saturday

CARS THROGGED ALL DAY LONG VISIT PROVED AN EDUCATION IN AGRICULTURE

All roads led to the Canadian National depot Saturday where hundreds of farmers, for miles around Watford, visited the Better Live Stock Train of the Ontario Government, which was there for the afternoon. The station was surrounded by parked automobiles and a steady stream of visitors passed through the train from the lecture car in front to the one carrying feed in the rear. So great was the congestion, that at times the "standing room only" sign had to be displayed and it was then a case of waiting one's turn.

Visitors to the train were impressed with the courtesy of the various officials and the ready manner in which information was given. Gangways connected the cars making them convenient of access and the display of poultry, swine, cattle and sheep reminded one of the fall fairs. Each car attracted much attention and many were the questions put to those in charge.

The poultry and egg car was one of the chief centres of interest and was in charge of J. F. Frances and J. W. Clark, the latter giving lectures in poultry raising, and culling demonstrations which received much favorable comment. Many back-yard fanciers could be seen among the farmers who were attracted to this branch of the train. Here models of poultry houses and feed hoppers were shown together with photographs and live specimens of high and low laying birds. A feature of the car was the exhibit of the prizes won by Ontario Agricultural College birds in laying contests held in the United States and Canada last year. An egg exhibit was also given showing the various grades according to the Canadian standard.

W. F. Jones officiated in the Dairy produces car and here again visitors found much to interest them in the exhibits. Demonstrations were given of the different grades of cream.

A wool exhibit by the Canadian Co-operative Wool Growers' Limited, occupied another car and here were shown the standard grades of wool graded by the Live Stock Branch, Department of Agriculture. The manufactured product and stockmen's supplies were also on view here.

A matter of much importance to the farmer of today was exhibited in the next car, a demonstration of water works system including a pressure system for the farm home.

Specimens of all breeds of sheep found in Ontario were exhibited in the sheep car with a view to illustrating the relation of the different pure breeds to the ideal type of market lamb desired on the market to day. J. A. Telfer, District Sheep Promoter for Western Ontario, Dominion Live Stock Branch, Ottawa, was in charge here. In the swine car were live specimens of the good and the poor bacon hog as well as exhibits of the finished product. Yorkshire, Tamworth and Berkshire purebred sows which took many championship honors at the leading exhibits last year were used to illustrate the right type of hogs required for the market.

The Industrial and Development Council of Canadian Meat Packers occupied a car where shown the particular types of hogs and the finished product.

Jersey, Holstein, Shorthorn and Ayrshire cows were on view in the cattle car illustrating the value or grading up by using purebred bulls of good type.

A dining car and sleeper for the staff accompanying the train rounded out the equipment.

Undoubtedly the visit of the train was a big success as was amply testified by the large crowds attending it and the many favorable comments made. Its object is to demonstrate that it carries a standard of types and breeding easily available to every farmer and one which no farmer can afford to fall below. Last year surplus stock was sold from the train but this scheme is not being continued during this visit.

Why Ford Predominates

Simplicity of Operation

The Ford is remarkably easy to operate. Gear shifting is done automatically by the feet. The driver's hands are always on the wheel. His eyes are always on the road. He can watch traffic constantly.

There is no possibility of failure to accomplish a gear shift. Ford gears being of the planetary type are always in mesh and every shift is positive and unailing.

The Ford is very easy to steer and responds to the slightest movement of the wheel. It will turn in a circle with a radius of nineteen feet three inches.

The short Ford wheelbase is a boon in congested traffic. It gives easy manipulation everywhere, and enables you to park in crowded sections where a big car is handicapped.

DO I NEED GLASSES?

THE layman cannot always tell whether he needs glasses or not. His eyes may have become slightly infected by the injection of some foreign substance or he may have so strained them that all they need is a rest. But if your eyes do cause you any pain or annoyance it is better that you come here and let an experienced optometrist render his verdict. You will not be advised to buy glasses unless you need them.

Should We Feed Starving Germany?

"The Guide-Advocate" has this week received an unusual request for free advertising. A remarkable appeal for charity is now being made in Great Britain and Canada. Further, it is generally understood that the appeal comes from some of our own people; at least, some of our leading Canadian citizens have seen fit to place their names on the list.

It is a request that we contribute a fund to save a large section of the people of Germany from starving. The appeal published in Great Britain is couched in terms that would have constituted the most soul-satisfying news to the entente allies from 1914 to 18. It tells how thousands of people are starving to death and we are asked to come to the rescue. We are requested to forget charities that may be very lean at home and throw in our spare cash to keep Germans alive.

It can only be presumed that many of those who are starving are responsible for the invasion of Belgium; for the ruthless burning and destruction of towns and cities in that country and France; for the frightful fates meted out to thousands of men, women and children in those unhappy places for the ruthless sending into slavery of old men, women, girls and children of the invaded territory, to the rear of the German lines; for the murder of the hopeless passengers on the Lusitania and the Landoverly Castle; for the merciless bombing of cities in England and France; for the aerial on hospital bases behind the allied lines in France, where nurses and helpless wounded were blown to atoms by the dreadful explosives.

We are also told that a great deal of the misery in Germany is due to the depression of the currency, a stratagem undoubtedly accomplished by the government of Germany to cheat the war victors out of their just reparations.

An impartial tribunal has come to the conclusion that Germany is quite able to pay, that her whole attitude since the war is directed to the evasion of paying what she owes. Her factories are in wonderful condition and large numbers of her citizens are immensely rich as a result of war contracts, yet the people whom the teutonic policy had designated for obliteration are now expected to fill the hat that is passed around by the most despicable nation of which history gives a record.

It is hard to fathom the mentality of those who are behind such a project. Our leading war propagandists would have gone into paroxysms of delight if they could have given us in 1914-18 the picture of Germany which they now so dolefully paint.

It would seem that the answer is that Germany is still a very rich country, quite able to look after herself financially. There is no taxation in Germany comparable to that in Britain France and Canada. The official criminals who caused the war are just as numerous as they were in 1914 and the spirit that willed destruction upon the rest of the world is just as rampant as ever it was, only waiting the opportunity when it will be able to assert itself in some new form of devilish disturbance.

No, Very Rev. Sirs, Professors, etc., The Guide-Advocate has no space available to give your German charity appeal any free advertising. Nor could we, in respect, open our advertising columns at regular space rates. Although the years are hastening on, we cannot yet forget those long dark days of '15 and '16; we cannot yet forget our comrades to whom the war is not over; we cannot yet forget the mothers around us whose sons were piled on the altar of sacrifice with the hope and faith to end all wars; and we now realize the futility of it all.

A SATIRE

We stand aghast at such a profit
Such a loss of public cash
A hundred thousand dollars of it,
Gone to get one breakers hash.

'Tis almost tragic, so gigantic
To ally this awful leak
Inefficient uneconomic,
To let the watch dog fall asleep.

Let's quit the farm and go a selling,
There's fearful poverty on soil,
For bonds, and discounts so beguiling,
Let's try it for a little while.

'Tis spilt! so we must stop our sobbing
We cannot gather up the milk,
But we know there's legal robbing
Soft as butter, smooth as silk.

Telephone girls sell goods

A small store in a small town can train one or two of its own girls (or men) to take telephone orders on advertised goods, as the big stores do.

In one store with over 100 telephone operators, each takes telephone orders, acting as shoppers for the telephone customer. In this store as many as 3,000 telephone orders will be received in one day.

Some grocers use the same method. May we help you apply it to your business?

KERWOOD

The Ladies Aid of the Methodist church will meet in the Sunday school rooms on Wednesday April 2nd. Those on the lunch committee are Mrs. A. C. Edgar, Mrs. Wm. Johnson, Mrs. Gimlett, Mrs. E. Pollock. All members are requested to attend.

Mr. and Mrs. H. A. Kerr and son Billie of Wyoming spent Sunday with Mr. and Mrs. M. C. Morgan.

Mr. and Mrs. R. Pollock and family spent the weekend with friends in Parkhill.

A very enjoyable and successful St. Patrick's tea and bazaar was held by the Ladies' Aid in the Methodist church parlors last Monday. The rooms were prettily decorated in green and the table decorations were shamrock and daffodils. The candy booth was well patronized and the surprise boxes and fancy articles sold well. The ladies are to be congratulated on their success as the proceeds amounted to upward of eighty dollars.

Kerwood Women's Institute

The regular meeting of the Women's Institute was held last Wednesday afternoon at the home of Mrs. H. Eastabrook with a large attendance, the rooms being prettily decorated with shamrock and Irish relics. Roll call was answered by Irish jokes; some splendid stories were told creating a great deal of mirth. The president, Mrs. George Freer, then presided over the following interesting program:—a paper on "Mother" by Mrs. H. Eastabrook; an instrumental duet by Mrs. Watson and Mrs. Clothier; vocal solo by Mrs. Howard McLean; an Irish reading by Mrs. Atheford Edgar; a paper on "Teaching Children Obedience" read by Miss Irene Eastabrook; an instrumental by Mrs. Thompson. Two good contests were also enjoyed. The committee in charge served a very dainty Irish luncheon and a social hour was spent over the teacups.

Kerwood Oddfellows "At Home"

The Oddfellows held their "At Home" in their lodge rooms on Friday evening, March 21st, and was very largely attended despite the conditions of the roads and much sickness in the community. The hall was ably filled by Mr. Richard Brock one of the oldest veterans of Egremont lodge, who kept the gathering in laughter by his humorous stories. The program was all well fitted for the occasion. The Kerwood Orchestra rendered several selections throughout the evening and the singing of Allan Westgate, James Lucas and Evan Denning brought hearty echoes. The Kerwood Quartette sang "Take me back to old Virginia" and Isabel Chittick and Kathleen Bourne sang "You Can't Play in My Backyard." Both of these selections were well rendered. During the program the following addresses were delivered: the first called was Mr. Walter Bolton of London, an old member of the Egremont Lodge, who expressed much pleasure in being able to be present and spend an evening once more with his old associates at Kerwood. Rev. R. A. Brooks, pastor of the Methodist church, was next called. He gave a few well chosen remarks expressing that in his opinion all were enjoying themselves and spoke in glowing terms of the principle of which Oddfellowship stood for. The next speaker was Mr. W. G. R. Bartram, grand master of the grand lodge of Ontario, who spoke along the line of what Oddfellows lodges were doing to help those who were in need; not confining their help to Oddfellows alone but to the outside world as well. He also congratulated the Rebekahs of Kerwood for having such a strong and flourishing lodge and wished them continued success in the good work they were engaged. At the close of the program Mr. George Wilson, N.G. of the lodge came to the platform and on behalf of the lodge thanked all those who had taken part in making the gathering such a success. After the singing of the National Anthem the Rebekahs served a buffet luncheon. This was followed by a progressive euchre party. Miss Hazel Manicom winning the first prize, having secured eleven games out of fourteen and Mrs. Alfred Burrows won the consolation prize. This brought a most enjoyable evening to a close.

TO EXPECTANT MOTHERS

A Letter from Mrs. Smith Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Trenton, Ont.—"I am writing to you in regard to Lydia E. Pinkham's Vegetable Compound. I would not be without it. I have taken it before each of my children was born and afterwards, and find it a great help. Before my first baby was born I had shortness of breath and ringing in my ears. I felt as if I would never pull through. One day a friend of my husband told him what the Vegetable Compound had done for his wife and advised him to take a bottle home for me. After the fourth bottle I was a different woman. I have four children now, and I always find the Vegetable Compound a great help as it seems to make confinement easier. I recommend it to my friends."—Mrs. FRED H. SMITH, John St., Trenton, Ont.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a general effect to strengthen and tone up the entire system, so that it may work in every respect effectually as nature intended. Thousands of women testify to this fact.

Makes Breathing Easy. The constriction of the air passages and the struggle for breath, too familiar evidence of asthmatic trouble, cannot daunt Dr. J. D. Kellogg's Asthma Remedy. This is the famous remedy which is known far and wide for its complete effectiveness even under very severe conditions. It is no untried, experimental preparation, but one with many years of strong service behind it. Buy it from your nearest dealer.

Truck Driver's Heaven
"My idea of heaven,"
Said Aaron K. Agatehead,
The well-known truck driver,
"Is a long stretch of pavement,
Full of holes and puddles of water,
And the curb lined with people,
And dressed in white."

A CLEVER PARTY
A party in an automobile saw a baby calf getting its dinner in Nature's way.
"Oh, see the 'self-help restaurant,'" exclaimed one of the party.
"Yes, it's a 'Child's restaurant,'" said the little girl.
"And it is also 'A Calfateria,'" said the chauffeur, as they rode on.

The reckless rider must go. We all know that. But the reckless driver thinks he must go fast.

Damages and Repairs
A Negro woman of mammoth proportions and inky complexion was in an automobile accident. She was taken to a hospital, where she soon regained consciousness. The doctor, seeking to comfort her a bit, said to her:

"You will undoubtedly be able to obtain considerable amount of damages, Mrs. Johnson."

"Damages!" said Mrs. Johnson. "What Ah want wif damages? Ah got enough damages now. What Ah wants is repairs."

This simple method for youthful loveliness

Millions have learned this easy, natural way to keep that schoolgirl complexion

The beauty and charm that is priceless to every woman and girl may be had by this simple method.

Millions have found the secret of having and keeping complexions radiant and lovely as a schoolgirl's. A method that you, too, may employ.

Regularly do this
Cleanse the skin regularly, authorities say, to keep your com-

plexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse—and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, correct way
You cannot find a more effective

Beauty treatment. Because Palmolive Soap is blended of rare palm and olive oils—famous for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive.

Just make sure you get Palmolive—which is never sold unwrapped. All dealers have it. Get some and follow this simple method for a week. Results will surprise and encourage you.

Remember that arms, shoulders, throat need this treatment, too. Let Palmolive do for your whole body what it does for the face.

LAMBTON FARMERS WILLING TO GROW PEAS AND CORN WHEN PRICE GOOD

Petrolia, March 19.—The Dominion Canners Company operating the canning factory here, has procured the full acreage of peas and corn for which stipulation was made. Mr. Cahill, field manager, and J. E. Armstrong, of Petrolia were instrumental in getting the 1000 acres of peas and corn necessary to operate the factory. The farmers were found willing to grow the produce and were guaranteed \$45 a ton for peas.

Modern Factory
The local factory is a large and very modern one and fully capable of handling a much larger crop. It is felt here that there is no reason why Lambton county should not become a producing centre and Petrolia a canning town. The operation of the factory here this summer will mean a greater amount of business in the town and will also add to the population.

Armstrong's Effort
The town and township are indebted to J. E. Armstrong, who attended the meeting of the Dominion Canners at Hamilton a few weeks ago and persuaded the company to operate the Petrolia factory this season.

CHILDHOOD CONSTIPATION

Constipated children can find prompt relief through the use of Baby's Own Tablets. The Tablets are a mild but thorough laxative which never fail to regulate the bowels and stomach, thus driving out constipation and indigestion; colds and simple fevers. Concerning them Mrs. Gaspar Daigle, Demain, Que., writes: "Baby's Own Tablets have been of great benefit to my little boy, who was suffering from constipation and indigestion. They quickly relieved him and now he is in the best of health." The Tablets are sold by medicine dealers or by mail at 25c. a box from The Dr. Williams' Medicine Co., Brockville, Ont.
