The copy filmed here has been reproduced thanks to the generosity of:

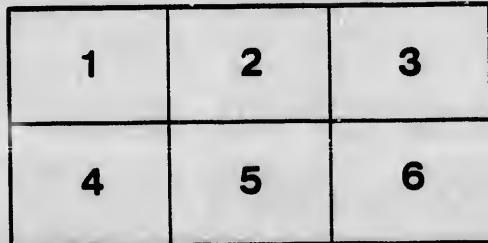

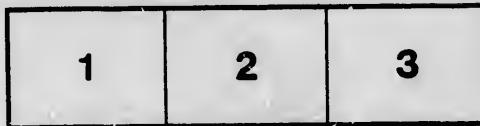

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contains the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par la première page et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

To the Honorable the Legislative Assembly of the Province of Canada in Parliament assembled:

The Petition of the Municipal Council of the County of Welland in Council assembled,
HUMBLY SHEWETH —

That we renew our Petition of 1865 on a subject which we believe of vital importance to the prosperity of Canada, namely, an Act restricting the rate of Interest to Six per Cent.; and we lament that the Bill on said subject before you at your last Session (for want of time) did not become the Law of our country :

And again we repeat that Whereas the privilege granted to Companies and other parties, viz., the right to loan Money at any rate of Interest that may be agreed upon has been the cause of the ruin of numerous families in Canada :

And Whereas parties have been known to charge from Eight to even Twelve per Cent. on good Security :

And Whereas Capital that would otherwise be invested so as to make Banks more efficient — enabling them to give a more liberal accommodation to the Public and a greater impetus to trade, is now used in taking the advantage of the necessity of thousands, and charge so large an amount of Interest as to entail poverty and ruin on some of the best men in our country :

And Whereas while it is admitted a high rate of Interest may bring money into the country, it is equally true it takes more than a proportioned amount out of the country by way of Interest :

And it must be also admitted that few will invest their floating Capital in Real Estate or improvements in Agricultural or Mechanical operations while they can secure so large an amount of Interest, the effect of which is Mechanics and others of our inhabitants have to seek employment in the neighboring Republic :

Therefore your Petitioners again humbly pray that your Honorable Body will pass an Act restricting the rate of Interest to Six per Cent., and that a direct or indirect violation of the same be punished by forfeiture of the money loaned or used in purchase, or imprisonment :

And your Petitioners will, as in duty bound, ever pray.

Passed in Council this 24th day of January, 1867.

(Signed,) D. D'EVERARDO, *Clerk.*
