TO BUSINESS MEN.

We have much pleasure in placing the First Volume of our Directories, before you. We know that we have used every endeavor to make the work a success, and the expressed opinion of such of our "Leading Newspapers" whose editors have seen our advance sheets, is additional proof of the fact.

Our system of arrangement is simple and thorough. We do not take the information from any other than the Proprietor or his known representative,—we say to him, we wish you to give us every heading under which you wish your business to be placed before the public,—and as these "Business Headings" remain just as we receive them, and as we have employed no agents on this portion of the Publication, we can guarantee a complete classification of the Business of Halifax and Dartmouth.

Would also state that next year we will publish a General Directory, at One Dollar and Fifty Cents ($1.50) per copy.

Thanking our Advertisers and Subscribers who have so liberally supported us, we remain

Respectfully yours,

O'FLAHERTY & WALSH.
