## FORTY-FOURTH ANNUAL REPORT

—OF THE—

## Managing Committee of Knox Church

*For the Year Ending 31st December, 1887.*

In presenting their Annual Report the Managing Committee do so with sincere thankfulness to God for the very large amount of prosperity which the congregation has enjoyed during the past year.

By referring to the Treasurer's Report it will be seen that the collections by envelope amount to \$4999.71; loose collections, \$1184.24; and the special collections to \$961.56, making a total of \$7145.51. And after meeting all current expenses and paying off \$2,000 of the mortgage debt, there still remains a surplus of \$555.82, \$400 of which is held as payment for seats for the new School and Lecture Room, which was voted at the last congregational meeting.

The number of subscribers by envelope has increased from 361 to 405, and the contributions from \$100.60 to \$105.30 per Sabbath.

The arrears due by envelope amount to \$181.00.

The very marked success which has attended the policy recommended by your committee during the past two years, of asking for special collections in the months of June and October for reducing the mortgage debt, has been such that your committee recommend that the same course be followed during the current year.

Your committee would ask power from the congregation to re-let all sittings which are unoccupied for three months without notifying the Managers, and that no subscriber shall hold more sittings than his or her family require.

Your Committee would further recommend that a committee of twelve persons be appointed by the congregation to act as ushers at both of the Sabbath services, said persons to be members in full communion of this congregation.

The Managers who retire this year by rotation are Messrs. M. Turnbull, J. A. Moffat and F. H. Ross, all of whom are eligible for re-election.

In conclusion, your Committee recognize with thankfulness the very liberal manner in which the congregation has contributed towards the current expenses of the church, as well as the large amount given for reducing the mortgage debt, and that the congregation may be placed in a still better financial position would ask the favorable consideration of all the recommendations mentioned in the foregoing report.

All of which is respectfully submitted.

## FIFTY-FIRST ANNUAL REPORT

—OF—

## Knox Church Sabbath School Association.

*For the year ending 31st December, 1887.*

The Sabbath School Association take pleasure in presenting their report for the past year as follows :

The total number on the roll is, boys, 312 ; girls, 360 ; officers and male teachers, 22 ; female teachers, 35 ; total, 729, or an increase of 123 over last year.

The average attendance for the past year has been 441, composed of the following : Male teachers and officers, 20 ; female teachers, 26 ; boys, 192 ; girls, 203.

We are pleased to be able to state that the average attendance during the past year is the largest of any year in the history of our school, it being 71 above last year. The smallest attendance of any Sabbath during the year was 252, on August 21, exactly the same number that was present at the smallest turnout last year ; while the largest during the year was 536, on December 18th, an increase of 62 over last year's largest attendance. Our Superintendent has been striving hard to get the attendance up to 500, and so heartily did the scholars co-operate with his exertions, that on five different Sundays during the last six months of the year we have had over that number present.

During the past year a prize card has been presented to every scholar who has been instrumental in bringing a new pupil to the school, and this we think has been the means of adding not a few to our school who have become regular attendants. As a further means of keeping up the attendance, we have given prize banners to the classes in the school having the best attendance for a certain length of time, and the scheme has been found to work with admirable success.

The present seating accommodation has been found to be very unsatisfactory, and we have accordingly placed an order for sufficient very commodious benches to seat the scholars on the ground floor of the school. We expect them to arrive in a very short time, and they will, no doubt, add greatly to the

appearance of the school, as well as to the comfort of both teachers and scholars. The congregation kindly voted to the school a sufficient sum wherewith to purchase these seats.

A new feature in our school is the formation of a catechism class and a normal class. The former is intended to drill the scholars more minutely on the catechism, and to give a better general idea of important Bible events and the general divisions of the Bible. It is largely attended and, under the tuition of Mr. Davis, gives every appearance of becoming a useful branch of our school work. The normal class is intended for the young ladies and gentlemen and *parents*. The idea being to take up for each Sunday one lesson in advance of the school, so that, in case any of our teachers are absent, the Superintendent can always secure persons who are well acquainted with lesson to fill the vacancies for the day. This class will be conducted, jointly, by Rev. M. Fraser and Mr. Wm. Givin.

During the past year we have been called upon to mourn the death of one teacher, Miss Aggie Gillespie, who taught an advanced class of girls; and one scholar, Maria Cunningham, a pupil of Miss S. H. McKean's class. This dealing with us by a loving Father should cause us to be increasingly active in His service, for we know not how soon our work will be done or how early in life those for whom we are laboring may be removed.

The scholars have been regularly supplied with papers every month, the older scholars receiving the *Northern Messenger*, and the younger the *Children's Messenger*. We believe the circulation of these papers among the pupils is of great spiritual benefit to them. We are happy to be able to report that the school has been supplied with the Moody & Sankey Hymn Books, and under the able leadership of our worthy Precentor, Mr. James Johnson, the singing has improved wonderfully.

The teachers meet every Wednesday evening after prayer meeting for the study of the lesson. As a general rule this meeting is well attended and is much appreciated by the teachers, as they derive great help in the preparation of their lessons from it. We hope that still greater interest will be taken in it during the ensuing year. Most of the teachers subscribe to the *Sunday School Times*, a very valuable paper published in Philadelphia, which contains well written helps to the lessons as well as other comments on Sunday-school work in its various branches.

The quarterly services for the past year have been held in the church as usual, and have been largely attended by the scholars. The parents have, as a rule, taken a deep interest in these services and have attended in fair numbers. Still, thankful as we are for this, we would like to see more at the meetings, as it encourages the young people wonderfully. The services for this year have been of a varied character, the first one consisted of short temperance lectures by some of our prominent male teachers. The second was devoted to missionary intelligence, and was also addressed by some of the teachers. The subject for the last two was a review of the quarter's lessons by Mr. Fraser, who made the meetings very interesting to even the youngest present.

The collections have been very good indeed. There has been given for General Expenses during the year, \$144.78; for Building Fund, \$229.32; and for Missions, 114.55: in all \$448.65, or an average collection per Sabbath of \$9.39.

Our Librarian, Mr. Kilgour, reports 555 books in the library, of which nearly all are in good order. The average number of books changed on boy's Sunday is 85, and on girl's Sunday, 136, or an average per Sabbath of 102. At the beginning of the year we added fifty dollars worth of new books to the library, and it has been decided to make a further addition of fifty dollars worth very soon, so that we shall then have a very good assortment.

In conclusion, we desire to return thanks to our Heavenly Father for all His goodness to us as a Sabbath School in the past, and pray for a still greater outpouring of the Holy Spirit on all connected with the school, more especially the office bearers and teachers who will take part in the oversight of the school in the future, and that His blessing may attend their labors, without which all our efforts are of no avail.

All of which is respectfully submitted.

## NINETEENTH ANNUAL REPORT

—OF THE—

## Missionary Association of Knox Church.

In presenting this, the nineteenth annual report, your committee do so with feelings of devout thankfulness to our Heavenly Father for the great measure of success that has attended their efforts during the year.

In their last report, the committee expressed a desire to have the contributions for the coming year reach, at least, one thousand dollars, and, notwithstanding other important demands upon the liberality of the congregation, this desire has been fully realized, and your committee are pleased to report an increase of \$725.00 in the contributions.

The collectors have put forth renewed efforts, and an increased measure of success has attended their labors. In the opinion of the committee, great credit is due them for their untiring zeal and the regularity with which they have performed their duties, in many cases, in the face of great difficulty.

Their collections are as follows:

District No. 1, \$131.38; No. 2, \$26.35; No. 3, \$47.20; No. 4, \$99.15; No. 5, \$122.45; No. 6, \$83.13; No. 7, \$23.35; No. 8, \$35.90. Total, \$568.91, being an increase of \$283.00 over the previous year. To this amount is to be added the following: From the S. School, \$107.00; Mission Band, \$125.00; Ladies' Aid, \$105.00; Special Church Collections, \$88.67; Literary Society, \$6.32. Total, \$1000.00. We would also add to this the following smaller sums: Welland Canal Missions, \$12.53; Mr. Goforth, \$14.25; Sunday School Association, \$10.00; Mission Band donation to the N. W. Indians, \$50.00, which makes our actual contributions for mission purposes, \$1,086.78.

The congregation having thus reached the standard of former years, and being in a more prosperous condition than at any time in the past, with the membership regularly increasing, your committee sincerely hope that thankfulness for both temporal and spiritual prosperity will be manifested by a still greater increase in the contributions for the current year.

Respectfully submitted.

Secretary.

## FIFTH ANNUAL REPORT

—OF THE—

## Women's Mission Band of Knox Church.

In presenting our report, we desire to return thanks to our Heavenly Father for the large measure of success which has attended our efforts during the year.

We have now an active working membership of 16, and the meetings held on the 2nd Tuesday of each month have been very regularly attended.

During July and August, meetings have been held weekly for the purpose of preparing a box of clothing for the N. W. Mission, which was valued at \$50, of which the Band contributed \$20 in cash, the balance made up by donations of clothing and work by members and their friends.

The Parlor Concerts held through the kindness of Mrs. Edmonston and Mrs. Gillespie, at their residences, were very pleasant and enjoyable; and a concert given in the church, in April, was most successful in every respect.

Your committee beg to thank most heartily those who have come forward so generously to assist them during the year, and trust that the blessing of God may attend all our efforts.

## SECOND ANNUAL REPORT

—OF THE—

## Ladies' Aid Society of Knox Church

Knox Church Ladies' Aid Association have much pleasure in presenting their second annual report.

Our membership is just half what it was last year, though several ladies have attended the meetings, and worked faithfully, who have not enrolled themselves as members. It is hoped that many more will join the Association. A hearty invitation is extended to, and work will be found for all. With a membership of twenty-eight, and a weekly attendance of from twelve to twenty-two, work has gone on steadily, pleasantly and profitably. We discontinued work for some months during the very warm weather, and on resuming found our new room ready for occupation.

We desire to thank the Managers for placing at our disposal, and putting in such good order, so large, cosy and home-like a room in which to meet; now it is curtained and carpeted it is a pleasure to meet therein. The Young Men's Bible Class also meet here and enjoy the room.

Entertainments given during the year were neither so numerous or remunerative as last year, which accounts for the decrease in the balance. There was a social in connection with the congregational meeting which added largely to the numbers at and the pleasure of the meeting. Lecture by Rev. J. Mutch, and illustrative views by Alex. Hay, Esq. Toronto, on "Petra, the Rock City of Edom," March 15th. Rev. Mr. Chambers, illustrated Pilgrim's Progress, April 21st. Cantata of Queen Victoria and her reign, kindly tendered the ladies by Mr. J. Johnson, May 20th. Rev. M. Fraser, M.A., anniversary

social, June 16th. A parlor concert, as formal opening of ladies' Parlor, Oct. 14th. Sale of work, Nov. 15th. Dr. Cochrane, lecture, The Queen's Highway to British Columbia, Jan. 17th. From all of which sources and after all expenses are paid we have in the Bank \$345, of which \$50 was voted to the Sabbath School for extra expense of seats, and \$105 to missions, and the balance kept to further next year's work.

The ladies hereby tender their hearty thanks to all those who have assisted them in any way during the past year.

In conclusion, we would say the Association is in a flourishing condition and looks forward to doing an increasing work next year. It is proposed to enter into benevolent work and visiting, and in connection with other associations in the congregation, contemplate the purchase of a piano for general use; and we would again ask all the ladies to join and assist in the good work.

God has prospered us in the past, and we fervently pray for a continuance of his favor.

## Knox Church Literary Society Report.

In October, 1887, this Society, for the promotion of literary work among our young people, was re-organized with a membership of 17, which has been trebled since the first meeting. We have now 52 members enrolled.

Meetings have been held weekly, at which by discussions, essays, readings and debates, the members are striving to gain knowledge and be of assistance to one another. Music, both vocal and instrumental, forms a most pleasing feature of our gatherings.

One open meeting has been held, which was in every way successful. It is the intention of the Society to follow this meeting by others; the object of these open meetings is to show what work we are doing in the Society, and to spend a pleasant evening with our friends.

By the Treasurer's statement, it will be seen that we have a very fair sum in the treasury.

The hearty thanks of the Society are tendered to the ladies and gentlemen—not members—who have so kindly assisted us during the term.

J. F. McINTYRE,  
*Secretary.*

### Report of Young People's Association.

This organization was formed in June, 1887, for the purpose of welcoming strangers and doing any mission work that might be found necessary. Since that time many strangers have been visited at their homes by our members. We also entertained all who would accept our hospitality at a social held in the basement of the church, October 18th. This association also conducts a Sunday morning prayer meeting, to which all are welcome.

On January 1st a Sabbath School was organized in Grant's Sail Loft, at the foot of Bay Street, which gives promise of being one of the most successful branches of our work, and which we hope by God's blessing on our labors will be of lasting benefit to our scholars. In this connection the Society is under a deep debt of gratitude to the many kind friends by whose exertions and liberality the building was made habitable, and whom we desire to thank for their assistance.

S. H. McKEAN,  
*Secretary.*

### Report of Band of Hope.

The Band of Hope, in its recently reorganized form, has been in operation for about two months, and gives promise of becoming a useful member of the church's work. The number in attendance has been as high as 120, with 16 teachers and officers. The design is to inculcate true temperance principles as taught in the Scriptures and other text books. The exercises being varied with a good deal of singing, readings and recitations, adapted to the capacity of the children.

It is the desire of the officers to draw into membership boys and girls more advanced in years than those previously in attendance; although, of course, the little ones are always welcome, and will have a due share of attention.

More helpers are still wanted, and it is hoped that those interested in the work will offer their services and do what they can to further the good cause.

being a net gain of 126 for the year 1887, for which we as a Session are sincerely grateful to our Heavenly Father for His continual presence with us in the past, and we hope for still greater blessings from Him in the future.

While our ranks as a Session still remain unbroken, not one link in the chain awaiting, we as a congregation have been called upon to mourn the loss of fourteen members. Their names, dates of death and ages are as follows :

Miss Margaret Harkness. .	15th Nov. 1887.	25
Mr. Alex. R. Morrison. .	18th Dec. 1887.	64

The generations of the dead have gone this way before,  
 The Star to them as unto us immortal tidings bore ;  
 They bade farewell to earthly things, they counted all things dross,  
 And found immortal glory in the burden of the Cross.

The attendance at the several communions has been as follows : March, 542 ; June, 565 ; September, 601 ; and December, 561 ; or an average of over 26% more than the average of 1886, which is a source of satisfaction to the Session, evincing the interest the membership take in the ordinances of the Church. The attendance at the weekly prayer meeting is also very gratifying and while the numbers attending this service are satisfactory your Session would like to see many more of the members taking advantage of that service.

Your Session cannot close without unanimously expressing their heartfelt thanks to our Divine Master under whose blessing our Moderator has been enabled to accomplish so much good in the congregation, and our earnest prayer is that he and his may be long spared to us and in the future he may be enabled to do still nobler things in his Master's name.

Refreshed with Angel food may he go  
To serve Thee in Thy work below,  
Trusting when Sabbath rest is given  
To share Thy richer joys in Heaven.

DAVID McLELLAN,  
*Session Clerk.*

## REVENUE.

The whole revenue of this congregation is derived from weekly contributions by envelope and the plate collections.

All subscribers by envelope are supplied with envelopes on the first Sunday in each quarter.

Members and adherents who are not subscribers may be supplied with envelopes on application to any of the managers.

All subscribers are expected to contribute a fixed sum weekly, and if from any cause they are unable to do so, they shall be expected to make up all deficiencies at their earliest convenience.

Subscribers in arrears are notified of the same on the second Sunday of each month.

Any subscriber wishing to increase or decrease their contributions are requested to notify the Managers so that a corresponding alteration may be made in the books.

Each subscriber is particularly requested to see that their envelopes are properly sealed and their name on the outside before it is handed in.

Special collections for reducing the mortgage debt are taken up on the first Sundays of June and October.

## CONSTITUTION

—OF—

### Knox Church, Hamilton, Ont.

1st.—The Church, Manse, Burying Ground, and any other Houses or Real Estate now belonging to or which may hereafter become the property of the Congregation shall be held in Trust by three members of the said Congregation, in full Communion, in accordance with a Deed of Trust—bearing date the Sixth Day of September, in the year of our Lord, One Thousand Eight Hundred and Fifty-six.

2nd.—The members in Full Communion with the Congregation shall have the sole power of choosing a Minister or Pastor and Elders of said Congregation.

3rd.—The election of a Minister or Pastor shall take place at a meeting of the Members of the Congregation, which shall have been called from the Pulpit of the Church by the officiating minister on each of the two Sabbaths preceding such meeting. The majority of Members present shall determine the election.

4th.—The method of the election of the Elders shall be determined, from time to time, by the Session, as occasion may require; but the election shall be by the Members of the Congregation, and notice of meeting for such election shall be given as provided in Clause Third.

5th.—The constitutional duty of the Session to superintend the Spiritual affairs and watch over all the interests of the Congregation is recognized and reserved to them.

6th.—Nine managers shall be elected to take charge of the secular affairs of the Congregation, three of whom shall retire annually in rotation, but shall be eligible for re-election. In case of a vacancy occurring by resignation or otherwise, the Managers themselves shall fill the vacancy at their earliest convenience; and a Manager absenting himself from three successive regular meetings without leave shall cease to be a Manager.

7th.—The Managers shall elect their own Chairman, Treasurer and Secretary; hold regular meetings as often as their business may require; and may give notice of their meetings, either from the pulpit on Sabbaths or by the Secretary to each Manager, when demanded by any three of them. Five Managers shall constitute a quorum. When the Managers shall themselves deem it necessary, or when requested to do so by seven or more Members of the Congregation in Full Standing, they shall with concurrence of the Session call a special meeting of the Congregation, stating the object in the notice thereof; and no business shall be entertained at any Special Meeting excepting what is mentioned in the notice thereof. Should any Manager cease to be a member of the Congregation he shall cease to be a Manager. The Treasurer shall open an account with some regular Chartered Bank in the city, and deposit in his own name, as Treasurer of the Managing Committee, monies from time to time as may be convenient.

8th.—The use of the Church property for public and general purpose not connected with the Congregation shall be under the control of the Managers, with the concurrence of the Minister.

9th.—The whole revenues of the Congregation, from all sources, shall be received and disbursed by the Managers in payment of Stipend, Salary and other expenses, including such as may be required for preserving the property and providing for the dispensation of Divine Ordinances; but no repairs, improvements or alterations exceeding the sum of One Hundred Dollars shall be gone into without the consent of the Congregation. The "Poor's Fund," however, shall be distributed by the Session, and contributions for Missionary and Benevolent purposes shall be disbursed by the Association appointed for these special purposes.

10th.—The Members of the Congregation shall choose their Organist and Precentor, and fix their salaries, and in the discharge of their duties they shall be under the control of the Session.

11th.—The Managers shall have power to engage or dismiss, and regulate salary of any one who may act as Church Officer or Door Keeper; and appoint or pay such person or persons as may be required to keep the church clean and comfortable.

12th.—The Managers shall be accountable to the Congregation for their acts, and shall, at each annual meeting in January, submit a full printed, audited, articulate Statement of the Income and Expenditure of the preceding year—copies of which shall be distributed in the pews on the Sabbath before the Annual Meeting; and said Managers shall be regulated as to the proportion of revenue to be applied to any particular purpose by the instructions they may receive from the Congregation at any Special or Annual Meeting.

13th.—A Committee, consisting of the Chairman, Secretary and Treasurer of the Managing Committee, two members of Session, the Secretary of the Sabbath School, and Secretaries of all the organizations in connection with the congregation, shall annually arrange for the printing—in pamphlet form—of the reports of all the different organizations in connection with the congregation, together with the list of office-bearers, members and adherents, with their residences; said pamphlet to be distributed to the congregation as early as possible after the annual business meeting and not later than March 1st. The Chairman of the Managers shall be Chairman of said committee.

14th.—The Managers or Trustees shall have no power to contract debt on property without the consent of the Congregation.

15th.—At each Annual Meeting the Congregation shall elect three Trustees and two Auditors to serve for one year.

16th.—The foregoing rules shall be in force until altered or amended; and no motion to alter or amend said rules shall be put, unless due notice of such motion has been given at the annual meeting of the Congregation; and when notice of motion shall have been made, a Special Meeting of the Congregation shall be called to consider the same—not sooner than two weeks, nor later than two months, after said Annual Meeting.

17th.—In the foregoing rules, no one shall be held to be a member of the Congregation who is not in Full Communion with the same, and whose name does not appear on the "Communion Roll" of the said Congregation, and no other than Members in "Full Communion" shall be allowed to vote at any Congregational Meeting.
