AND TO

ACTS OF IMPERIAL PARLIAMENT, TREATIES AND ORDERS OF HER
MAJESTY IN COUNCIL, AFFECTING CANADA, PRINTED
WITH THE CANADIAN STATUTES.

NOTE.—All the Acts passed by the Parliament of Canada are entered herein, including Private and Repealed Acts. The detailed provisions will be found in the Indexes annexed to the volumes referred to. Each Act is entered here only under a title referring to the whole Act. It is intended that all the Private or Local Acts shall be included under the titles referred to, so as to form, in fact, a classified table of the whole, and enable the reader to find *all* such Acts on any class of subjects. These Acts are seldom repealed, and we have no means of ascertaining those that may have become effete by non-user or other cause. The letter *p* before the year in any case means that the Act is Private or Local, and entered in the second volume of the Statutes of that year at the page mentioned. This division into two volumes applies to all years after 1874, and if the Act be Private or Local the reference is always, after 1874, to Vol. 2. The Consolidated Statutes cannot be in the hands of the public until nearly a year after the Session of 1886, when, and not before, so much of this Index as relates to Public General Acts will be superseded, but as the Consolidation does not include Private Acts, this will still be the only Index to that very numerous and important class.
