NEW FALL FASHIONS

—IN—

Suits, Dresses and Coats

Are Ready for your Inspection

Varied is the mode for Fall. The slim silhouette still strives for supremacy, but oft times compliments the bouffant mode reminiscent of the days of 1830.

Suits

of many new, soft fabrics. Duvetyne, velour, duvet de laine and tricotine, in deer, chestnut, navy and mouse, display embroidery and fur, high soft collars that are fascinating.

\$32.00 to \$85.00

Coats

are different, yet wholly charming in their new grace, some of them have fur trimmed and embroidery flaring skirts and sleeves that have come into their own again. Deer, chestnut, blue and bark in velour and duvet de laine.

\$33.00 to \$85.00

Frocks

of tricotine and poirets are dashing styled, beaded and embroidery embellished modes are gay and lovely in their diversity. Crepe and crepe satin for afternoon and evening wear are still favored.

\$42.00 to \$65.00

MRS. E. B. EDDY PASSES AWAY

Ottawa, Aug. 9—Mrs. E. B. Eddy, widow of the former president of the E. B. Eddy, Limited, Hull, and a widely known philanthropist worker died this morning at her home, "Dunara," on the Aymer Road.

The late Mrs. Eddy was born fifty-six years ago at Chatham (N. B.) In 1894 she married E. B. Eddy, in Halifax (N. S.) and a few years later took up her residence in Hull. She took a whole-hearted interest in her husband's huge mills in the Hull district, and on his death she became a director of the concern. Mrs. Eddy is survived by one sister, Mrs. R. J. Richardson, of San Diego (Cal.) and one brother, J. T. Sheriff, a director of the E. B. Eddy Company. Interment will be made at Chatham (N. B.)

Lumbermen Are Asking For Stumpage Reduction

St. John, N. B., Aug. 10—Several matters of importance came before the Provincial Government which met in session here this afternoon and evening. Premier Foster presided and all members were present. The most important question to come up was that of stumpage rates in this province, a delegation of prominent lumbermen waited on the Government in the afternoon when this and other matters pertaining to the crown lands were considered. In the evening a delegation was heard protesting against the height of the bridge the C. P. R. is constructing across the St. John River at the Falls. It is the intention of the members of the Government to visit the power development taking place at Musquash tomorrow.

In the afternoon a delegation consisting of Hon. J. P. Burchill, Angus McLean, F. M. Anderson, Donald Fraser, W. B. Snowball, F. W. Beatty, James Robinson, John E. Sayre and R. W. McLellan waited on the Government. A memorial was presented dealing with different questions in regard to the administration of the crown lands and requesting that certain changes be made in regard to colonization. It was also requested that the method of scaling be changed and that of Quebec be adopted. The delegation asked that the stumpage rate on spruce be reduced to \$2.50 a thousand, this rate to be retroactive for last year's cut. It was contended that this action was necessary on account of the bad condition of the lumber market the depreciation in the value of last year's cut and the large quantity of lumber now on hand that there is no market for. The Government promised consideration of the requests made.

GOVERNOR GENERAL ARRIVES AT QUEBEC

Baron Byng, of Vimy, Canada's new Governor General, arrived at Quebec on the liner Empress of France, early Wednesday afternoon. On account of the ship arriving earlier than was anticipated arrangements have been made to entertain His Excellency privately until Thursday when his formal swearing in at the executive will take place.

The mayor of Quebec declared Thursday a civic holiday in honor of the arrival of the Governor General.

PRICES OF SCHOOL BOOKS ARE RAISED

The announcement is made that the School Book Department of the Province of New Brunswick has advanced the prices of school books one hundred per cent on an average of books of all classes. The decision to make the advance was reached by the Provincial Government Thursday morning and a formal announcement was made by C. L. Sypher, School Book Superintendent.

Forced by High Costs
This action has been forced by the extremely high costs of textbooks of all kinds. In 1919 the School Book Department showed a deficit of \$8,000 and in 1920 one of \$14,000. The Government considered those amounts as contributions toward free school books. This year a decreasing revenue with an enormous advance in the cost of books the prices have been advanced so as to meet the bare cost of laying the books down in Fredericton. The Government still will pay the cost of repacking freight cartage and administration. The Department will continue to show a deficit.

Peak of Publisher's Costs
Books are ordered a year in advance. Up to date New Brunswick has been the only province of Canada still selling school books at pre-war prices. During the present year the peak publisher's prices has been reached and an increase to the consumer will be paying the bare cost of manufacturing.

Orders Coming In
With the opening of the school year about three weeks away orders for textbooks already are being received. The new prices will be in effect for all even those already received. Scribbles are not handled by the Department now, a change having been made last year.

CHATHAM RACES WED. AND THURS.

There will be two days racing at Chatham on Wednesday and Thursday of this week. The classes will include 2.30, 2.20, Northumberland County race, 2.16, 2.20 trot, and free for-all. Purses of \$400 are offered in each class, except the Northumberland County race in which the purse is \$200. All the horses which took part in the recent meet in Moncton will appear on the Chatham Speedway this week, as well as many others from other points of the Province. All heats will be Mile Heats and some fast work may be expected.

REDUCTION IN COAL PRICES

Sydney Post: An announcement made Saturday at the office of the Nova Scotia Steel and Coal Company is to the effect that a reduction has just been made in the price of coal for commercial use. The reduction is 25 cents a ton in the price of run of mine coal and 75 cents per ton for screen coal. A change in the selling price of coal for domestic use has also been made. Formerly coal has been sold to the householder at a price of \$6.72 a short ton of 2000 pounds. The price from now on will be \$7.00 a long ton of 2240 pounds, which means a reduction of about fifty cents.

It is understood that the same reductions in the price of coal for shipment outside has been made on this side of the water by the Dominion Coal Company. The price of coal for domestic use is already on a level with the latest price across the water.

Richibucto Begins To Recover From Scourge of Fire

Richibucto, Aug. 10—Order is being restored after the confusion arising from the fire last week. The electric light and telephone wires have been repaired and things are being cleaned around the hotel site. Andrew J. Woods is making preparations to rebuild. Frederick Pine, of New York, who is spending the summer here, has the contract to build the hotel. Fire has been smouldering around the cold storage plants all week but after the heavy rain on Monday they died down. R. O'Leary was able on Monday to open his vault. A. and R. Loggie are opening a store temporarily in one of their buildings.

Russell Long arrived home from St. John last Tuesday afternoon having been called home on account of the loss of his home by fire. Mr. Long had a beautiful, large motor boat destroyed, having stored it before going to St. John. He had no insurance on it. All that was left was a small shed which has been fixed up for a place of shelter and where meals can be cooked. Mrs. John Long and her family are making the best of the situation until they can build a home.

CARD OF THANKS

The Fraser Companies Ltd and the different Insurance Companies, which were interested in the recent fire in their Lumber Yard at Chatham Head, wish to thank all those, who in any way contributed towards the assistance given in fighting the fire on July 28th.

BILL SHAREN 2.11 1-4 IS NOW GELDING

Sydney Record:—Bill Sharen, 2.11 1-4, the most talked of trotter of the year and a race horse that had given the Maritime Provinces considerable publicity during the past twelve months, is now a gelding. The son of Capt. Aubrey, 2.07, will not race this season for Tommy Murphy, but will be laid over until next year when he may show in the races some of the speed he demonstrated for the rail birds at Poughkeepsie, in his training this spring.

Some weeks ago horsemen in the Maritime Provinces were startled by information that Bill Sharen had not been taken to the races by Murphy but had been left at home. Various stories went the rounds regarding the trotter but apparently the report that he had become unmanageable and would be gelded was correct dope on the Maritime wonder. Other stories were current that Bill had gone lame as a result of kicking his way out of the stall at Murphy's quarters. But now comes the report from Poughkeepsie that the big trotter has been gelded.

WILL OF LATE ENRICO CARUSO

Naples, August 10.—The will of the late Enrico Caruso was read in court today before Mrs. Caruso, Giovanni Caruso, his brother, and one of the singer's sons. It was an instrument written in 1919 and although it was his last will, it did not mention Caruso's wife and daughter. According to Italian law they must receive the greater part of the estate. Only the remainder, after they have been provided for, will be at the disposal of the testator.

Attorneys are now proceeding to make an inventory of the estate.

SADIE McAULEY FOULLY MURDERED

St. John, N. B., Aug. 10.—One of the most revolting murders on record in this province was brought to light Tuesday morning by the finding of the body of little Sadie McAuley, the nine-year-old daughter of Mr. and Mrs. Ronald McAuley, of 39 Clarence street, St. John, N. B. hidden beneath two large rocks on the wooded slope leading down to Marble Cove, James Kimball, a young lad who was picking berries in the vicinity, was the person who made the gruesome discovery. Important clues have been unearthed since the finding of the body and the detective department is making every effort to locate the criminal. Several other children saw and talked to a man, supposed to be the one who murdered the McAuley girl, about noon of the day the crime was committed, and their stories have been told to the police. A jury was empanelled by Coroner Kenney and viewed the remains and will visit the scene of the tragedy. The city council has authorized Commissioner Thornton to spare no expense in an effort to find the murderer.

The spot where the body was found is directly behind the Thomas Hilyard property in Douglas Avenue, and is in a thick grove of shrubs and small trees. The distance from the back of the garage on the Hilyard property to the scene of the crime is approximately seventy-five feet. The ground in the grove is thickly covered with creepers, raspberry bushes and small cedar trees and shrubs, and it is a lonely spot. The hill slopes sharply towards Marble Cove and anyone in the grove would not be visible from outside points.

THE "KING OF SWAT MEN" HAS 41 HOME RUNS

New York, Aug. 9.—The feat of hitting two home runs in one day was performed by three major leaguers yesterday. Horschby, the St. Louis National Star, was there with two in one game. Babe Ruth and Bill Wambogans, of Cleveland, hit one in each half of a double header. Ruth now has 41 home runs.

A base on balls by McQuillan, of Boston, forced across the winning St. Louis run in the tenth inning for the third victory over the Braves. A one run margin has given Cleveland victory over Philadelphia in each of their past three games. In all of the contests the Athletics outbatted the Indians.

A four hit shut out was twirled by Shawkey, of New York, Americans against Chicago.

All of the Washington players made one or more hits against St. Louis. The Senators had only four assists in the field. The major league club record for the past number of assists is one.

HILTON BELVEA GIVEN A HEARTY WELCOME HOME

St. John, N. B., Aug. 9.—Hilton A. Belyea, national, New England, and Maritime rowing champion, arrived home today after his trip to St. Catharines, Ont. and Buffalo, N. Y., where he won the national rowing title in the former and made a creditable showing in the latter. Hundreds of citizens fought to reach his side and clasp the hands that brought such signal honors to his home town. He was presented by Mayor Schofield with an illuminated address and a handsome chair.

The Most Wonderful Of All Medicines

THE REXALL STORE
DICKISON & TROY

Your Druggist, Has Secured the Agency for This Great Stimulating and Invigorating Tonic

REDMAC

It is Made from Herbs, Roots and Plants, Gathered from The Jungles of the World

It Makes You Feel Like a Different Person After a Few Doses

Science is bringing us something new every day, especially is this true in Medicine, as much has been found out in the last five years as in fifty years before.

We have discovered at last that there lies in the Sleepy forests and Jungles the greatest medicine for the healing of diseases, the dumb animals knew this from the beginning of creation, as soon as they felt out of sorts, they found their appetite was not good, or they had a pain, their liver was not working, they immediately went to one of these Herbs, they knew which one to go to for their particular ailment and they knew that by eating such they would be put right, nature has endowed them with this instinct.

Redmac the Tonic has brought to you this wonderful medicine from far away, but instead of having to eat the herbs as the animals do, the medicinal properties have been extracted and concentrated, and you have them in a palatable form, in liquid.

If you are troubled with stomach trouble, indigestion, or you feel out of sorts, no ambition, no energy to do your work, your appetite is not good, you feel tired, sleepy and all run down, Redmac comes to you to put you right.

You will wake up in the morning feeling bright, no bad taste in the mouth, life will be worth living, you will see things in a different light. That little ailment that you have, if left to go on doing its deadly harmful work, no one knows what may develop from same, if you do not drive it away. The road to happiness is good health.

Redmac comes to put you on that road, you will be surprised and pleased at the results. Remember this Tonic is purely Vegetable. No harm can come from taking it—only good—then start today. Go and get a bottle before it is all gone. A large bottle can be procured at a trifle. You could not get the same results for ten times the money in any other way.

It creates an appetite, drives away that pain after eating, and places your stomach in a good healthy state.

You will have lots of energy, pep and ambition. It purifies the blood, regulates the liver and kidneys, and will drive away that pain in the back. To bring Redmac into your home brings the greatest blessing and happiness.

We don't claim Redmac to remove every disease, but we strongly advise you to try it, no matter what your ailment is. It can only do you good, in any case, and it may be just the thing you needed.

Get the genuine. Every package has the head of an Indian Chief on same. Dickison & Troy has been appointed special agents for Redmac, and has just received a large shipment from the manufacturers.

Sold in Newcastle, The Rexall Store, Dickison & Troy.

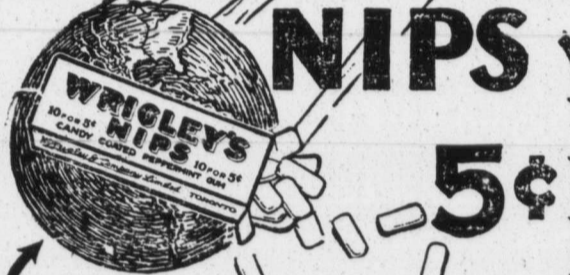

ADVANCE IN PRICE OF REFINED SUGAR

Montreal, Aug. 8.—The strong feeling, which has been developing for the past few weeks in the Canadian market for refined sugar, crystallized Saturday in a general advance in prices by Canadian refiners, with one exception, of \$1.15 per

hundred pounds. This advance brings the basic price back to \$8.75 per hundred pounds, where it stood on June 29 after a net decline of \$1.75 in two weeks.

At the opening of the preserving season in July a decided weakness developed on keener competition between refiners for the increased business and the price dropped to \$7.60 per hundred pounds, at which price it was held up to Saturday's advance.

to its employees for ten days, beginning Saturday, Aug. 20th and terminating Wednesday, Aug. 31st

In a Gigantic, Profit-Sharing Campaign, to conduct the business, have a voice in marking merchandise, advertising, displaying it and share in the profits

What a Sale it will be! To our employees it means a business opportunity, new in retail store methods. To the public it means value in ready-to-wear garments, new, clean up-to-date merchandise, positively unequalled before in this district.

Back of this event have been placed the entire resources of A. D. Farrah & Co., so that this may truly prove the merchandising feat supreme in this county. Manufacturers and jobbers have co-operated and made special concessions and our own stocks are actually sacrificed for the accomplishment of this end.

It is unnecessary, we believe, to cite prices here. Too many items in the first place, and our assurance to the public that they have not been equaled before should be sufficient. We only urge you to be here at 9 o'clock on Saturday, August 20th, when the doors open in the morning. The maze of bright new sales cards that will greet you upon entering, only attests to the extensive preparations we have made, our determination to broaden our clientele and our ambition to always pioneer the way to lower and lower prices.

The various lines of Merchandise to be included are:

Women's Hose, Underwear, Corsets

Women's Silk and Muslin Underwear

Women's Gloves and Handkerchiefs

HE FEELS FINE IN MORNING NOW

Dartmouth Man Says He Found Relief After Years of Suffering By Taking Tanlac.

"For four long years I suffered beyond words with the worst kind of stomach trouble, but thanks to Tanlac I am now a well man and can enjoy three good square meals a day," said Robert Langille, who lives on Tulip St., Dartmouth, N. S.

"I couldn't eat a thing but what would sour and ferment on my stomach and I would bloat up with gas until I would almost suffocate. I lost all desire for food and was really afraid to eat because of what I would suffer afterwards. I was constipated and had dull throbbing headaches. For hours at night I could not get to sleep from one side of the bed to the other, and when I got up in the morning I just felt all in and unfit for my day's work.

"After taking only a few bottles of Tanlac all my ailments have disappeared and I am feeling as well as I ever did in my life. My appetite is splendid and I can eat things that I haven't dared touch for years and never suffer the least bit from sourness, gas or indigestion. I am no longer bothered with constipation or headaches and I sleep so well at night that I get up in the mornings feeling just grand."

Tanlac is sold by leading druggists everywhere.

WEDDINGS

COLE—BLAINE

The wedding of two of Newcastle's young people took place on Wednesday afternoon, Aug. 10th., when Mr. A. M. Cole, Agent of the Dominion Express Company, was united in marriage to Miss Dorca Blaine, a young milliner of this town. The ceremony was performed by Rev. Fr. P. W. Dixon at 2 o'clock in St. Mary's church. The groom was supported by Mr. Murdoch Wedden and Mrs. Wood. After the ceremony a fainty

Wedden was matron of honor. Mr. and Mrs. Cole are spending their honeymoon at one of the summer cottages up the Miramichi.

SCOTT—FORD

A quiet home wedding took place at the residence of the bride's parents, Ford's Mill, Kent County, on Wednesday, August 10th., when Frederick H. Scott of Moncton was united in marriage to Miss Elizabeth S. Ford, second daughter of James M. Ford. The ceremony was performed by Rev. J. B. Champion of New castle, N. B. in the presence of the immediate relatives. The bride, who was tastefully dressed in a travelling suit of navy blue with hat to match, entered the parlor on the arm of her father to the strains of Lohengrin's wedding march, played by Miss Mary McWilliams, a cousin of the bride. The groom, a popular young man was a member of the Canadian Expeditionary Force and is a son of the late Howard Scott of Moncton, and Mrs. A. H. Seeley now of Los Angeles, California.

The bride received many valuable gifts bearing evidence of her popularity not only at Ford's Mills but in Moncton, where for a number of years she held a position in the C. N. R. offices. After the ceremony a dainty luncheon was served. The bridal party left by auto for Hartcourt where they boarded the Maritime Express for Los Angeles, California, where they will in future reside.

ADAMS—FORSYTH

A quiet but pretty wedding took place at the home of Mr. and Mrs. P. A. Forsyth, Whitneyville on Thursday evening, August 4th at seven o'clock, when their only daughter, Melvina Muriel was united in marriage to Walter B. Adams of Strathadam.

The ceremony was performed by Rev. Wm. Girdwood in the presence of a few relatives and friends.

The bride was prettily dressed in taupe satin-de-chene and georgette. As the bridal couple entered the parlor "The voice that breathed o'er Eden" was softly played by Mrs. Girdby Mr. Murdoch Wedden and Mrs. Wood. After the ceremony a fainty

The Cause of Backache

Only in Rare Cases Does Backache Mean Kidney Trouble

Every muscle in the body needs constantly a supply of rich, red blood in proportion to the work it does. The muscles of the back are under a heavy strain and have but little rest. When the blood is thin they lack nourishment, and the result is a sensation of pain in those muscles. Some people think pain in the back means kidney trouble but, the best medical authorities agree that backache seldom or never has anything to do with the kidneys. Organic kidney disease may have progressed to a critical point without developing a pain in the back. This being the case, pain in the back should always lead the sufferer to look to the condition of his blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the sensation of pain in the ill-nourished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give way to unreasonable alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest, or tell you the worst. But in any event to be perfectly healthy you must keep the blood in good condition, and for this purpose no other medicine can equal Dr. Williams' Pink Pills.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co. Brockville, Ont.

supper was served, after which the happy couple left for a trip to St. John and other points in the Maritime Provinces.

The bride's going away suit was of navy serge with black picture hat.

Careless Fishermen May Compel Drastic Laws

Serious consideration is being given by the administrators of the forest resources in the various provinces to a scheme for curbing the gross, carelessness of camping parties in needlessly starting forest fires. The job of extinguishing timber conflagrations resulting from the fires set by campers and cigarette smokers has caused the public treasuries such a sum of money that some means of curbing the evil will have to be devised.

Already the province of New Brunswick is considering the classification of its woodland area with a view to prohibiting the entry of fishermen and others who may employ camp fires or drop lighted tobacco and matches. Such a regulation might work a hardship on many sportsmen, but as a class fishermen, hunters and campers generally would have only themselves to thank for whatever penalties might be imposed upon them in the interest of forest protection. To leave the camp fire burning has been shown

TO WOMEN OF MIDDLE AGE

This Woman's Letter Tells You How To Pass The Crisis Safely.

Lascelles, P. Q.—“During the Change of Life I felt so weak and run down I could hardly do my work. The perspiration would pour over my face so that I couldn't see what I was doing. We live on a farm, so there is lots to do, but many who felt as I did would have been in bed. I took Lydia E. Pinkham's Vegetable Compound and it did me a world of good. I tried other remedies but I put Vegetable Compound ahead of them all, and I tell every one I know how much good it has done me.”—Mrs. DUNCAN BROWN, Lascelles, Prov. Quebec.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ear, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women, and let Lydia E. Pinkham's Vegetable Compound carry them safely through this crisis as it did Mrs. Brown.

The Ad Is Always Working

Did you ever think what your ad in the newspaper is doing for you? When you close your store in the evening and go home to your family and fireside not thinking about your business at all, then it is that the paper is being pored over in hundreds of homes—the homes from which your ad doing its work silently, but your trade is drawn. And there is surely, and if you have taken the pains to make it attractive its work will be more effective. This is repeated over and over again, and is no doubt what inspired some writer to call newspaper advertising a “silent drummer.”—Exchange.

OBITUARY

HIRAM BELL

Mrs. Gilmour Stohart received word recently of the death of her brother Hiram Bell, a former resident of Newcastle which occurred at Everett, Wash., on August 2nd 1920. Heart trouble was the cause of his death which he had suffered from, from time to time for a number of years. He was the son of W. H. Bell and was in his forty-second year. He leaves a wife and one child residing in Everett; his Father, three sisters and three brothers. The sisters are:—Mrs. C. L. MacLeod, Amherst; Mrs. A. B. Copp, Sackville; and Mrs. G. G. Stohart, of this town. The brothers are Robert and Jack of Toronto and Abram of Boston. The late Mr. Bell was on the staff of the Royal Bank of Canada here and at other points in the Maritime Provinces but has made his home in the West for the past fifteen years.

Children Cry for Fletcher's

CASTORIA

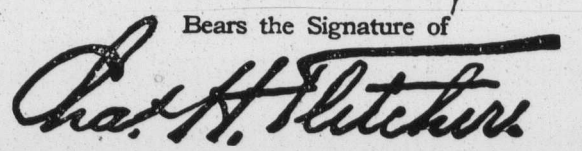

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Daby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless Laxative for Children, Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, nor any other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. WHEN USING WILSON'S FLY PADS READ DIRECTIONS CAREFULLY AND FOLLOW THEM EXACTLY

There is only one way to kill all the Flies

This is it—Darken the room as much as possible, close the windows, raise one of the blinds where the sun shines in, about eight inches, place as many Wilson's Fly Pads as possible on plates (properly wetted with water but not flooded) on the window ledge where the light is strong, leave the room closed for two or three hours, then sweep up the flies and burn them. See illustration below. Put the plates away out of the reach of children until required in another room.

IMPERIAL Polarine MOTOR OILS

You Save Every Way—

Quality maintains economy. No matter how much you pay "per gallon" for other lubricating oils you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.

MORE miles from every gallon of fuel and quart of oil; uninterrupted service from your car; slower depreciation; lower repair bills and no lubrication trouble; just a-out sums up the savings and satisfaction enjoyed by users of Imperial Polarine Motor Oils.

The uniform high quality of Imperial Polarine Motor Oils, wherever you buy them, insures you more miles of correct motor lubrication for your dollar than you can obtain in any other way. Quality does maintain economy.

Our Chart of Recommendations shows the grade of Imperial Polarine Oils required to correctly lubricate your car. Use this grade exclusively and you will get the years of service and satisfaction which you have a right to expect from your car.

Consult our Chart at your dealer's or write to 56 Church Street, Toronto, for a copy of "Automotive Lubrication," which contains the complete Chart and other useful information.

THOUSANDS LEAVE FOR GRAIN FIELDS

Probably 6,000 men left the maritime provinces Thursday for the waving grain fields of Western Canada to help garner in the harvest. From St. John and other New Brunswick points along the C. P. R. three special trains and four extra cars attached to the late Montreal train last evening carried about 2,800. There were some who left the C. N. R. yesterday afternoon attached to the Valley train and four C. N. R. specials left from Moncton with a passenger list that was estimated about 3,004.
Local railway officials are unanimous in the opinion that the class of men who left by the excursions yesterday was of a high order. They were an intelligent, quiet, orderly crowd who seemed bent on work.

Scenes not altogether unlike those attending the departure of troops for the training camps except that the element of sorrow and pathos was absent, surrounded the exodus of the harvesters. Many people were on hand to give the boys a send-off and their departure was taken amid singing, cheering, the blowing of horns and other noise-making expedients.
Of the 2,800 who left by C. P. R. about 1,505 were from Nova Scotia and 150 from Prince Edward Island. About 350 were expected from Fredericton and surrounding points and another contingent from McAdam and its environs.

It was said that a good many Nova Scotians were leaving by the C. N. R. specials from Moncton.
A large number of those who left yesterday had been West before and consequently knew the ropes. After arriving in town a good many of them bought tea and coffee pots, "canned meat" and other culinary apparatus for the preparation of food en route. Many also who arrived in the conventional street dress of men, while in the city, purchased overalls and blue denim which they donned so that they seemed all "set" to step from the train steps onto the back of a threshing or mowing machine to take their place in the great army of harvesters who for the next few weeks will be busy in the granary of the Empire.

PARKING CARS

Some car drivers pay little or no attention to where they park their cars. There are rules governing the parking of cars and drivers should acquaint themselves of them. Our streets are often-times, badly congested in places where parking cars is forbidden.

THE CAUSE OF THE DEPRESSION

(From the Wall Street Journal)
The depression from which the world is suffering is because of that frightful waste when millions of lives and untold billions of wealth were consumed upon the altar of the God of War. Business groans under excessive taxation. But do not the people realize that what they call taxation is largely but the process of paying for that awful waste and preparing for future orgies? What is burned up must be paid for, but stop the building for future confagurations if it can be done with safety. Stopping this drain for future wars could relieve the people not only here, but in other countries. Immense sums now taken as taxes. Business the world over should make a quick response to a lightening of the load. There was once an ancient people who in the worship of Moloch threw their sons and their daughters into his burning arms as living sacrifices. It was inevitable that this waste of young human life should result in national extinction. In destructiveness wars in the future would resemble such suicidal worship. Where is the nation that can afford it? Here in America we are learning that the individual is benefited by whatever conduces to the welfare of those around him. As vision broadens men should see that whatever contributes to the upbuilding of other countries will benefit us. Commerce is broader than nationality and must overstep seas and distances if it would flourish from a world at peace.

UPPER BLACKVILLE

Upper Blackville, Aug. 15—The weather for the past few days has been very fair.

BASEBALL GAME
A baseball game was held last Wednesday evening in the Farrell Field, between the Chatham Firemen's Team and the Newcastle nine, resulting in a victory for the visitors by a score of 9 to 2. A large attendance was present to witness the game.

INDUCTED
Rev. A. J. MacNeill, late of Upper Miramichi congregation (N.B.), was inducted to the pastoral charge of Wood Island (P.E.I.), August 4th. On the eve of his departure from his New Brunswick congregation he was kindly remembered by his people who tendered his farewell, substantiating their goodwill with a well-filled purse.

ATTEND THIS SALE
The employees of Mess. A. D. Farrah & Co have taken over their business for ten days from August 20th to 31st. This is being done for the purpose of making the employees more efficient in every department of their work, and at the same time give the many customers of this reliable firm an opportunity of taking advantage of many lines of merchandise, which for quality and price are unexcelled. The employees will also share in the profits of the sale. This is a novel undertaking for a business firm of our town, and arrangements are being made by the employees to prove to the firm that they can get the business for them, and the firm's customers will be most heartily welcomed to the sale.

AT HOME
A very pleasant evening was spent at the "At Home" held in the Salvation Army Hall Thursday Aug. 4th. A short programme of music was rendered. The male portion of the Methodist Church Orchestra rendered music. Piano kindly loaned by the G. W. V. A.

Mr. Goodwin sang. Capt. Parks Chatham and Lieut. Pocock of Sussex spoke. The Rev. Mr. Champion and Mr. Ashford, Town Marshall spoke words of Welcome to Capt. and Mrs. Goodwin.

Tea, refreshments and Ice Cream were served during the evening. The sum of \$23.00 was raised towards local work.

The Captain deserves every credit for the pleasant evening spent.

OTHER TABLETS NOT ASPIRIN AT ALL
Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—only an acid imitation. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, prescribed by physicians for over nineteen years and proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally. Made in Canada. Handy tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores. Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticester of Salicylic acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

NOTICE OF TRANSFERS RECEIVED
Notice has been received by the lady employees of the Royal Bank of Canada to the effect that they must be ready when required to be transferred to other branches of the bank, or failing this, hand in their resignations. The young ladies employed heretofore have been exempt from transfer, but it is understood that they are keeping the male clerks back and some change is necessary. Tribune.

POISONED
Mrs. John S. Johnson became seriously ill from an attack of ptomaine poisoning early on Friday, caused by eating some marmalade which had been exposed to the air while still in the can container. She grew violently ill about two o'clock that morning and Dr. Park was summoned immediately. All hope was given up for some time, but Mrs. Johnson rallied, and is now feeling better. She is out of danger.

ARRESTED HERE
Word was sent to St. John last Friday that Chief of Police Ashford had arrested a stranger in the Salvation Army barracks. Friday morning at 10 o'clock who closely answers the description sent broadcast in an effort to apprehend the murderer of the McAuley girl. He was seen around town on Tuesday wearing riding breeches and a peaked cap and he had dark hair, but no mustache. Details of suspect's appearance and his photograph have been forwarded to the St. John police and he will be held until word is received from that city.

Canadians Are Learning To Buy "Made In Canada"

Ottawa, Aug. 16—Apparently Canadian people are learning to buy made-in Canada goods. The financial statement issued monthly by the Federal Department of Finance shows that customs revenues collected during the first four months of the fiscal year have dropped from \$69,773,477 in 1920, to \$35,337,891 in 1921. The months covered by the statement are April, May, June and July and the decrease is \$34,435,586. Hon. R. W. Wigmore, Minister of Customs, when spoken to regarding the decrease, said that it was general and not applicable to any particular country. Canadians were simply not buying abroad to the same extent as they did last year.

Keep Children Well During Hot Weather

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if the trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ATTENDED RACES
A number of local people attended the Horse Races which were held in Moncton on Saturday of last week.

AT SALVATION ARMY
Mrs. Brigadier Green of the Women's Social Work of the S. A. will visit Newcastle on Friday next at 3 p.m., at the home of Mrs. Learl, McCullam Street and will conduct a Drawing Room Meeting for Ladies only, also a Public Meeting at 8 p.m., in the Salvation Army Hall. Mrs. Green represents all branches of the Women's Work of Children's Welfare for Canada East Territory of the S.A.

ACCOUNTS SENT OUT
Subscription accounts of "The Union Advocate" are now being mailed out and within a short time will be mailed. We trust our readers will remit the amount, as shown by the accounts, immediately on receipt of same. Generally each amount is small, but are large in the aggregate. It is a big undertaking, making out and mailing newspaper subscription accounts and we hope our subscribers will appreciate the work involved and remit promptly the amount due.

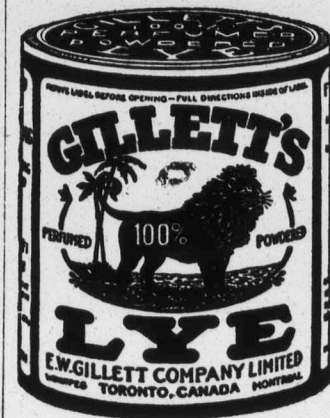

"Cold in the Head"
is an acute attack of Nasal Catarrh. Those subject to frequent "colds in the head" will find that the use of HALL'S CATARRH MEDICINE will build up the System, cleanse the blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

Free Trade Will Not Do
Considering the undoubted fact that at least 75 per cent of all the produce people living in Canadian towns and cities, does it not seem stupid to advocate free trade or lower tariff policies which would, without question, seriously interfere with the means of livelihood of these town and city people—very many of whom, by the way, were raised on the farm. The organized farmer attitude seems particularly unsound—to say nothing worse—in view of the United States prohibitive tariff which make the Canadian farmers more dependent now than ever.

We repeat and shall continue to repeat that if the farmer policy of free trade were put in operation the purchasing power in the United States of the Canadian dollar bill would be reduced to 50 or 60 cents—which would mean penalty if not ruin to all of us.
