ROUND TOWN.

—Horses and sleighs were in great demand last Tuesday.

—Dr. W. C. Hewson, Dentist, will be in Port Egin today to remain for one week.

—James Johnson, harness maker, has assigned to Mr. A. G. Estabrook and has "skipped." Liabilities \$900 to \$400. Assets about \$50.

—Capt. William Pringle has sold the Christopher W. Cole property to Mr. Charles Fawcett for \$1,700. The deal is made out in the name of Horace Fawcett.

—Mr. Charles Treuman has purchased a lot on Weldon St. from Mr. C. B. Treuman and is going to build a dwelling opposite the residence of Mr. Walter Cahill.

—Mr. T. H. Prescott, manager of the Anglo-American Telegraph Co., has obtained a months leave of absence and has gone to the United States, where he will try to dispose of his patent fire alarm.

—Mr. James Patterson has shipped five cars of hay from Sackville Station this week—three to Pictou, one to Halifax and one to Port Hawkesbury—and one car from Lunenburg to Pictou.

—Rev. Joseph Pascoe will deliver a lecture in Bristol on Monday evening, 25th inst., and in the Temperance hall, Bala Verie, on Tuesday evening, 26th inst., in behalf of the Sustentation Fund of the Methodist Church. An entrance fee of ten cents will be taken at the door.

—The Sackville & Westmorland Agricultural Society at their special meeting last Saturday appointed Messrs. J. J. Anderson, William McLeod and J. L. Black, M. P. P., a committee to attend the stock sale at Fredericton with a view to the purchase of one of the imported stallions if they deemed it desirable to do so.

—We regret to announce that master Eddie McCord, whose hand was crushed between two rail cars on the 19th inst., has his hand amputated above the wrist on Monday, 21st inst. Although it is his left hand that is lost, it is a severe affliction, and while we tender our sincere sympathy to his mother in this her latest trial we bespeak for her the sympathy of the community.

—The Bainsfather Family gave an excellent entertainment in Music Hall last Monday evening. Mr. Bainsfather proved himself equally a master of Scottish song and story, and Mrs. Bainsfather, who possesses a voice of remarkable power and sweetness, sang a choice selection of the "Auld Scotch Songs" with much taste and expression. This talented family are deserving of a generous patronage.

—Dr. Bowser has arrived at Sackville and intends to locate here permanently. He commenced his professional studies in this town and graduated at the University of N. Y. with highest honors, leading a class of nearly two hundred. After returning he settled at Point de Bute, where for nine years he practised medicine and surgery, gaining the unbounded confidence of all, and winning for himself the name of being a highly skilled practitioner. He has now just returned from a prolonged post graduate course of study in Europe, which, with such a large past experience, must surely fit him to take a place among the upper few of his profession. No doubt he will receive the patronage he so richly deserves.

—Excursion of the Mount Allison Students.

—On Tuesday the 22nd inst., about 75 students—male and female—from the Universities of Mt. Allison, Sackville, made an excursion to Dorchester. The weather was fine, though the evening appeared somewhat cloudy. The double and single teams were all driven up to Ladies' College, where in eager expectancy the gallants waited for their fair friends. The excitement of John Gilpin's wedding day was a total eclipse compared with this day of merriment and merriment. The girls, in their bright and out-of-side of the White House. Not a few of the students were with them.

—All agreed to dash through thick and thin.

—The sleighs started at 1 o'clock p. m., and reached Dorchester about 4.45 after a very heavy, but none the less enjoyable drive. The students visited the Penitentiary which, through the kindness of the Governor, they were permitted fully to see. The cells, chapel and industrial department were all viewed. We left the building with its memories riveted upon us, having had a very practical exposition of words "The way of transgressors is hard." Sackville was reached about 6.30, without any accident having occurred. Thoroughly good order was maintained from first to last. We are under a debt of obligation to several parties for their great kindness, viz. to Prof. Borden for allowing the ladies leave of absence, and to Messrs. Chas. Treuman, A. C. Dennis, F. Black and Eugene Bowser, for their excellent supervision of the general arrangement.

—One hundred dollars have been granted by the Local Government for the ferry between Shepody and this place.

W. C. T. U.

The annual business meeting of the Women's Christian Temperance Union was held at the residence of Mrs. W. M. Ogden, the retiring President, on Monday evening the 21st inst. A large number of the members were present. The following officers were elected for the ensuing year:—

President, Mrs. H. A. Powell.

Vice Presidents, Mrs. P. R. Moore, Mrs. Fred Dixon, Miss Cahill, Mrs. C. Moore.

Secretary, Miss Annie R. Treuman.

Treasurer, Mrs. H. A. Powell.

Supt. of Band of Hope, Mrs. Burwash.

Secy. of Band of Hope, Miss H. Stewart.

The Secretary of the Union gave a report of the year's work, in which the following tribute was paid to the memory of Miss M. M. Lyons:—

"We cannot close this year's report without a passing tribute to one of our members, who to-day is not, for God has taken her. For more than a year she has been missing from the workers' ranks, during which time a strange, sad quiet has been forced upon one of the most active of our workers. Among the first to join our Union was Miss Lyons, the faithful, devoted, energetic, and one of the most important of our Sackville public schools. Indefatigable as a worker, consecrated as a Christian toiler, she, whose busy hands were already full, took the charge of Band of Hope work, in connection with the Union, and she gave up her own school, which she had been conducting since she came to Sackville, to devote her time to the work of the Union. No mother could have felt a deeper solicitude for the moral welfare of her children than did this leader of temperance and purity for those under her charge, whether at the school-room desk, or in the Band of Hope. Never magnifying herself in any way, to only a few was it ever permitted to have a glimpse into her heart, and to know the deep anxiety, the care, and watchfulness which she exercised over the youthful souls under her charge, following with loving admonition the children who at home were subject to temptations to wrongdoing, daily remembering many of these personally at the prayers of grace. During the last summer of her active life, the short holiday season granted in public schools was spent by her in establishing and visiting Bands of Hope in different parts of the county. She worked incessantly, but ever expressing her pleasure in the work, and her pleasure in the work of the Union. One more of the unobtrusive workers for God and humanity has laid aside the earthly toil for evermore. The busy worker, preoccupied with his strife and contention, of affairs so dry and practical, taking no note of these things, self-sacrificing lives, but the service is noted by one who is higher than the highest, and these toilers shall have their reward, and will live in the hearts of many who they have helped and inspired. The dark cloud of affliction which rested over the latter days of the departed one seems an inexplicable mystery of Providence that the release was granted so long, and the unexpected trial exchanged for the service only and the Master's "enter thou."

—A very aged lady, widow of the late James Black Esq., is apparently at the point of death.

—Frederick Millage, about 70 years of age, who is suffering from cancer, is now so low that it is feared he will continue but a very short time.

—On Thursday morning of last week, Mrs. Jane Tuttle, widow of the late Elijah Tuttle, passed peacefully away after a long illness. She was a native of New England, and had resided in Sackville for many years. She was a devoted wife and mother, and was highly respected in the community. Her death was a great loss to her family and friends.

—A cow belonging to Jas. Van Baskirk of Monday morning gave birth to a calf having two heads separated from the eyes down, joined at the throat and eyes, the four eyes and two mouths appearing distinct. The calf is living at the time of writing.

—A memorial service was held in the Methodist Church on Sunday evening, in which Rev. Geo. F. Johnson and Rev. Geo. W. Tuttle officiated. The former addressed the large congregation, and the latter sang the hymns. The service was a most successful one, and the congregation was greatly edified.

—No new maple sugar nor candy yet. Yesterday looked like a sap day; if so Levi Knowlton will be in to-day with some.

—An agricultural meeting is to be held here next Saturday afternoon to discuss several questions, exhibitions, markets, etc., etc.

—The Company's Civil Engineer and Dr. Towshend were on the proposed new railway route from Parrsboro to the Iron Mines Locomotive yesterday. When completed it will be a great benefit to the farmers, lumbermen and fishermen, etc., along the line as well as for Parrsboro and the Iron Mines.

—Four cargoes of coal have already gone to St. John. Four other vessels have sailed and are on their way across the bay. Schr. "Nota Bene," Capt. Card is now loading, and Schr. "Boxwood," Capt. McLaughlin is at the wharf to load. Schr. "Laura Brown," Capt. Milligan is loaded for Yarmouth, and another schooner is to come up next tide to load for the same place.

—Have you a cough? Sleepless nights need no longer trouble you. Ayer's Cherry Pectoral will stop the cough, allay the inflammation, and induce repose. It will moreover, heal the pulmonary organs and give you health.
