were found a number of mutilated \$10 and \$20 bills with a bottle of mutilage and a pair of scissors. He is 28 year old and has a wife and four children.

The scale hear the gate, several I know my wits sometimes go woolgathering, but I'm certain I should never have been such an ass as to leave another fellow sitting wet through for a counter of the scale hear the gate, several I know my wits sometimes go woolgathering, but I'm certain I should never have been such as ass as to leave another fellow sitting wet through for a counter of the scale hear the gate, several I know my wits sometimes go woolgathering, but I'm certain I should never have been such as a wife and four children. The many remarkable cures of catarrh Nellie, and my other sister Juliet, were death, I said, for one always takes a effected by the use of Ayer's Sarsaparilla is there, and Elizabeth was explaining to an pessimistic view of things when one's onclusive proof that this loathsome and elderly man, whom I have never succeeddangerous disease is one of the blood, only needing such a searching and powerful alterative to thoroughly eradicate it.

edicative man, whom I have never succeed-being kept waiting. Of course it was possible that he might have found all our she pointed over the water to a low womankind in hysterics—though from she pointed over the water to a low tonger that Mr. Parnell will tongue of land at no great distance—what I know of them I shouldn't think it tongue of land at no great distance—what I know of them I shouldn't think it It is understood that Mr. Parnell will tongue of land at no great distaffice—particularly probable—but, even so, he should have managed to send somebody Lowestoft. 'In that case,' said he, 'th) Should have make get ing in Vincent, too, was evidently getting in head of hair, for a lady of her age; but her as if we might have a squall before very son, the Prince of Wales is quite bald. Had a way which I knew betokened exaspera to-day.' Whereupon ensued a short his head might, to-day, have been as well covered as that of his royal mother. It's not too late yet.

A Wonderful fiesh Producer.

This is the title given to Scott's Emulsion of Cod Liver Oil by many thousand who have taken it. It not only gives flesh and strength by virtue of its own autritious properties, but creates an appetite for food. Use it and try y.ur appetite for food. Use it and try y.ur appetite for food. Use it and try y.ur appetite. Scott's Emulsion is perfectly palatable. Sold by all Druggists, at 50c.

It's feminine fugue on the theme of: 'Perhaps it would be wiser for them to give up the idea—I hope they won't go—Jack could drive him to the station, you know —Don't you think it would be much wiser if—' in the midst of which they both arrived, and naturally scouted the suggested that they should abandon their sail, John Lynn, whose temper seemed to have collected half the country. As he ran up to the boat-house, I saw him taking out of his pocket something which gleamed in the moonlight, and was, I'm particularly palatable. Sold by all Druggists, at 50c.

Nice New Pesigns in Silverware, Revolvers, Institute of bring some labels. Wellses, Woolins, Trunks, fyalses, when the model to be a summard.

Wat last John Lynn came posting round the corner, apparently in no end of a hurry, but not a soul with him, though he'd been away long enough to have collected half the country. As he ran up to the boat-house, I saw him taking out of his pocket something which were bought in soil and stry y.ur both and and will be sold low.

A good Stock of Staple and Fancy Dry Goods of every description. Also have collected half the country. As he ran up to the boat-house, I saw him taking out of his pocket something which gleamed in the moonlight, and was, I'm pretty sure, the top of a flask, so he'd at any rate had the sense to bring some small advance.

Nice New Pesigns in Silverware, Revolvers, quink the provided have a splendid breezo, and specific provided have a splendid breezo, and specific provided have a sple feminine fugue on the theme of: 'Per-

> taking no man with them. of a furious squall, which came hissing quite distinctly, of—you, Dr. Harlowe; and hawling on with remarkable sudden, and howling on with remarkable suddenness and violence, and brought the girls, who were still out of doors, running with dismayed countenances to look over the gate to seaward. The sweeping gusts bore to me fiful snatches of auxious colbore to me fiful snatches of auxious colbore with the same of the same lequies, the general drift of which, however, seemed to be towards the conclusion that the boat must have got over before the wind sprang up, and that Jack | made to-day," I said, in the most smoothwould, of course, wait there until it ingly matter-of-fact tone that I could aswent down. As the blasts moderated a sume; "only why do you say seemed? I little, they were accompanied by driving should think it was perfectly obvious that sheets of large-dropped rain, which again you did really wake up-or is there more sent the girls scurrying indoors, and I to follow?" was left to my solitary peregrinations and "Then I dreamt it all?" said he. reflections. These latter ran much upon it, unless they had really landed before cision.

to which I had walked before. Almost at may like him better. To purchase: a Small Steam Engine and Boiler of any two horse power, Persons having either to sell will please address, "Amateur," Chatham, N. B.

The same moment my eye was caught by some dark object to seaward, clusively disappearing and reappearing between [Continued on 4th page.]

the folds of grey vapor drifting low upon the water. They were very blinding and baffling, but a longer rift soon showed saw myself enter upon the scene, also from me plainly that it was a small boat in tom. And I felt equally convinced that

do ensues; if profuse, billiousness and circumstances which I am describing, and wrong; she was the Lynn' boat, but the Lynn's had not gone to the bottom.

No doubt my feelings resembled those of the cld fellow—Zoroaster, wasn't it?—

The contrary of the contrary of the cld fellow—I and wrong; she was the Lynn' boat, but the Lynns had not gone to the bottom.

On the contrary, they were just then safe-ly emerging from imminent danger of so who met his own image walking in a ly emerging from imminent danger of so garden,' and if so, he can't be congratu-lited upon the experience; one gets more accustomed to it after a bit, but at first building of the Ship," is immoral and unfit to be read by the young.

Mining News.

Mining experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowlers Extract of Wild Strawberry for bowel complaints, dysentery, diarrhee, etc.

It is a sure cure:

Mining News.

Mining News.

Mining News.

Mining News.

Lahould fancy so, for I noticed that I looked extremely—I must hope abnormally—grumpy; I don't think I was improved either by the short beard he had set up, not to mention several streaks of grey in my hair. Just then I streaks of grey in my hair. Just then I distance, was making slow and struggling progress through the swirling surf to wards the water's edge, and had already reached a place shallow enough to admit of wading. As I ran forward, not to assist, having long since ascertained that I could by no means demonstrate my presence, but merely to investigate, it turned out to be John Lynn, half carrying the swiring surf to wards the water's edge, and had already reached a place shallow enough to admit of wading. As I ran forward, not to assist, having long since ascertained that I could by no means demonstrate my presence that it is a sure cure. streaks of grey in my hair. Just then I saw Elizabeth crossing the grass to speak to me—I don't mean to myself, you know, but to him—and I heard her say: "You're a very unfeeling relative! Have you forgotten that this is my birthday, or do you consider twenty-four too venerable an age for congratulations?" (This The People's Mistake.

People make a sad mistake often with serious results when they neglect a constitute of the bowels. Knowing that Burdock Blood Bitters is an effectual cure at any stage of constipation, does not warrant us in neglecting to use it at the right time. Use it now.

do you consider twenty-four too venerable and see for congratulations?' (This, by the way, fixes the date exactly; it must have been the twenty-third of June, five years ahead from to-morrow.) I regret to say that in reply he only gave a sort of grunt, and muttered something about anniversaries being a great to see the first the lad had really come to grief. However, I suppose he had only been slightly stunned; at any rate, in a minute or two he sat up, and seemed none the worse. But when he got to his feet, it was ovident that he had somehow damaged one of his ankles —sprained it hadly I should be an age for congratulations?' (This, by the way, fixes the date exactly; it must have been the twenty-third of June, five years ahead from to-morrow.) I regret to say that in reply he only gave a sort of grunt, and muttered something about anniversaries being a great to say that I thought at first the lad had really come to grief. However, I suppose he had only been slightly stunned; at any rate, in a minute or two he sat up, and seemed none the worse. But when he got to his feet, it was ovident that he had somehow damaged one of his ankles —sprained it hadly I should be an age for congratulations?' (This, by the way, fixes the date exactly; it must have been the twenty-third of June, five years ahead from to-morrow.) I regret to say that in reply he only gave a sort of grunt, and muttered something and the propose he had only been slightly stunned; at any rate, in a minute or two he sat up, and seemed none the worse. But when he got to his feet, and he got to his feet, and he got to his feet, and he got to have a sort of grunt, and muttered something and he got to his feet, and he got to have a sort of grunt. about anniversaries being a great bore;

A death from cholera is reported to have about an about anniversaries being a great bore;

and I remember thinking that if I were she l'd leave him to get out of his bad temper myself—I say, these pronouns don't seem to have landed near anywhere in particular.' All this time the rain was WILL present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry and limits the fame was coming down in torrents, and it was clowing so hard that you could scarcely hear yourself speak. 'It's a good step—more than a mile,' I heard the other say. 'Do you think you could get as far as the old boat-house? You see it there opposes soon went into the house, and after that I saw nobody else, except occasionally the graduate of the conditions of the graduate of the conditions of the graduate of the gradua I saw nobody else, except occasionally while I run back and find some means of

that he would be back again in an hour or spirits. I wanted to find out whether so. Accordingly they hurried over their any more people were on their way, and adieux, and lost no time in getting off, taking no man with them.

Togetting for the moment that the boat-house wasn't in my reach, I went after "They had been gone perhaps three-quarters of an hour, when the 'splendid' things happened. In the first place, I breeze made its appearance in the shape got a glimpse, just for an instant, but

"That's the first sensible remark you've

"All of it that you haven's evolved out the boat and its occupants, who must, I of your internal consciousness since then, thought, be having a rather nasty time of in thinking it over," I replied with de-

the squall ; for both wind and 'tide were ''Oh, well," said my young friend, with against them, and a surprising sea hal a certain air of forebearing superiority, got up already. I consider myself to "as it happens, I dreamt it no more than know something about the management you did. But if you prefer it, we'll call of a boat, and I supposed that my strange it a dream. At any rate it wasn't a bad double or fetch might be credited with one. I should feel rather uncomfortable an equal amount of skill; otherwise their now if it had ended disastrously; howprospects certainly looked blue enough, ever, as far as one can ace, nothing worke as Vincent has had little or no experience seemed likely to come of it than Nellie's of nautical matters. I reviewed the situation, standing where the shallow foam- ding for a week, or to put up with a hobsides seethed to my feet, and I found my- bling bridegroom. Then, as to those disself contemplating a catastrophe to that agreeable sensations at the conclusion, I Seine Boat & Rigging. John Lynn with a feeling which I can't dare say they would be quite explicable if either describe or explain. After a while, one knew the details of the process by I began to pace up and down the beach, which one is conveyed back and forwards; now in this direction, and now in that, some phase, no doubt, of disintegration of and I must have continued to do so for a matter. But you said, didn't you, that considerable length of time, as light was you wanted to borrow 'Walt Whitman'? thickening when on turning a corner I Here he is-mad Martin Tupper flavored again came in sight of the old boat-house, with dirt, in my judgment; however, you

The Use Of Harsh, drastic purgatives to relieve costiveness is a dangerous practice, and more liable to fasten the disease on the patient than to cure it. What is needed is a medicine that, in effectually opening the bowels, corrects the costive habit and establishes a natural daily action. Such an aperient is found in

Aver's Pills.

which, while thorough in action, strengthe as well as stimulate the bowels and excretor "For eight years I was afflicted with consupation, which at last localme so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels became regular and natural in their movements. I am now in excellent health."—Wm. H. DeLaucett, Dorset, Ont.
"When I feel the need of a cathartic, I take Ayer's Pills, and find them to be more

Effective

than any other pill I ever took."—Mrs. B. C. Grubb, Burwehyille, Va.

"For years I have been subject to constipation and nervous headaches, caused by derangement of the liver. After taking various remedies, I have become convinced that Ayer's Pills are the best. They have never falled to relieve my bilious attacks in a short time; and I am sure my system retains its tone longer after the use of these Pills, than has been the case with any other medicine I have tried."—H. S. Sledge, Welmar, Texas.

The young man in the dogcart was exupon the way told me several facts exhousehold towards which he was swiftly driving me. The family, he said, had others have ever noticed anything of the been at Sandford Lodge for about a kind; and indeed it may be only my own couple of years, and were well liked in the neighborhood; everybody'd be sorry to hear of their trouble, and, to, be sure, it was a terrible thing to have happened; it was no wonder the mistress was taken been out sailin' that afternoon in their little boat, and was caught in the squall wasn't a sign of him-and he about getjust the day arter to-morrow. But with | face, dark eyed and delicately featured, the tide runnin' out strong as it was then, the corpse might never happen to come ashore at all. Indeed, they were in an orful takin' altogether down at the they'd found the mistress lyin' all of a heap in the landia' and couldn't get her leaning forward and laying a hand on my ind again by any means. So it 'ad ha' been a bad job if he'd had to come back without Dr. Dixon or nobody.

ments with my thoughts; and the conse-

By this time our short drive was nearly at an end. "Coming this road," said the in that way." I suggested. "It looks as if young man, "the quickest way to the it had been torn off by a strong grip." ouse is round by the back." So saying, he drove a few hundred yards down a deep-rutted, sandy lane, debouching on which he pulled up. "There's a turn-heard him unlocking and opening a drawer. stile in the bank to your left, sir," he Presently he came out, in a great hurry evi said as I alighted, "and then if you go dently, for when I spoke to him he only ran straight on up the lawn, you'll find the oast, saying, 'I can't stop now, mother.

some one about." ously strong impression of famillarity with the place at which I had arrivedthe sandy bank, the gate, the slope running up to the creeper-draped, gabled house, standing out darkly against the struggling moonbeams. A common enough illusion, I reflected, but it was now without doubt unusually powerful One of the maids says that she saw Jack and persistent. It was not dispelled even by my pricking my hand severely in hour ago. I believe numbers of people are brandished its spiny arms in front of the one about the revolver-perhaps I ought to turnstile; and the sensation strengthened have done so. What can he have wanted as I walked up the steep lawn, threading with it? I've been thinking that he may my way up flights of turf steps, among have intended to fire it off for a signal, i wer-beds cut fantastically into the sem- the night was very dark. Don't you think blance of a fleet of boats and ships, with that is quite possible!" sheets of white blossoms glimmering for spread sails, and scarlet ones gleaming for flags. I felt convinced that I had never seen the device before; and yet it certainly did not seem new to me. At in my mind with a substantial distinctness, the door I was met by two girls, who as if my thoughts had been put under a looked stunned and scared; but who re- stereoscope, ported that their mother had recovered from the long fainting-fit which had so house at some little distance from here much alarmed them. They brought me along the shore? An old boat-house that up-stairs to the room where she was sit- hasn't been used of late, stunding back near ting; and the first sight of the miserable some sand-hills-perhaps a mile along the face which she turned towards me served shore, in a rather ruinous state, built in a to heighten my perplexed state of what hollow between two banks," I went on, may be called latent reminiscence. For I | impatiently adding what particulars I could, was at once struck by its marked resem- in hopes of prompting her memory, which blance to a face which I had in some past time frequently beheld, but which I now completely failed to single out from among a hurriedly summoned mental muster of my friends and acquaintances.

And so thick a fold of obligious had be. And so thick a fold of oblivion had lapped over my recollections of the persons and events which would have given me.

"Some one ought to go there immediately," I said, moving towards the door.

"Why?" exclaimed Mrs. Lynn, following and events which would have given me the right clue, that although I knew I was speaking to a Mrs. Lynn, I could which, in truth, were scarcely intelligible to make no intrusive application of the fact. | wnice, in myself.

Lynn was so far reon the beach, I fell in with a small group of

ugh the rain, which still fell thickly. And since then I think-I fear-he has at times—just loccasionally—shown some nited and communicative of mood, and jealous feeling towards Vincent-and those two used always to be such good fory of the state of affairs in the friends. Not often at all, and nothing imagination; it's an idea that under the circumstances, one might easily take up without any real reason." Very true," I said, because she looked at me as if wishing for assent.

at bein' told of it sudden. Why, to tell you," she hurried on. "To-night. hadn't I heard them talkin' about it up about Sure, the two gentlemen had boxt, I was in here, when I heard Jack running up-stairs, and I went to the door to sneak to him, but before I could stop him and capsized, or else she ran on a rock, he had passed, and gone into his room. it wasn't sartin which, hat anyway she'd Just outside it he dropped something, and I gone down clever and clean. And Mr. | picked it up. It was this!" She took out Jack had somehow manidged to swim of her pocket a small gold horseshoe-shaped sahore; but his brother, Mr. Vincent, a locket with an inch or so of broken chain fine young gentleman in the army, there attached to it. One side of its case had been wrenched off at the hinge, showing in married to one of the young ladies that it contained a tiny photograph-a girl his watch-chain. So if he had really been

"That's Nellie," said Mrs. Lynn, "and it belongs to Vincent; he always wore it on washed away, as they said, I don't understand how Jack came to have it with him. Lodge, and just before he come away, I don't see how he could have got it, do you, sleeve in her eagerness for an answer.

"He might have been trying to rescue his brother-to pull him ashore, or into the boat, and have accidently caught hold of it "Do you think that may be how it was?" she said, with what seemed to me an odd mingling of relief and disappointment in he seashore close to an iron gate, at about outside Jack's door, and thought I tone. "When I had picked it up, I waited

porch door open, and there's safe to be He had some shiny, smooth-looking thing in his hand, the passage was so dark that I I followed his instructions, feeling a couldn't see exactly what. I went into his room, and the first thing I noticed was the drawer of the writing-table left open. I knew it was the one where he, keeps his revolver, and when I looked into it, I saw that the case was empty. The revolver is gone; he must have taken it with him. gone; he must have taken it with him.

Just then I suddenly got very faint, and running down towards the beach, about an ing past a puzzle-monkey, which there looking out. I said nothing to any

> "I don't know-I can't say," I answered, without, indeed, bestowing any consideration upon Mrs. Lyan's somewhat unlikely conjecture, for at that moment a whole sequence of recollections stood out abruptly

"Can you tell me whether there is a boat-

feared to appear unsympathetic if I has-tened away abruptpy. Accordingly I sat of them added, pointing in the opposite di-

rection, what a number of dark figures along the margin of the far-receded tide "But it's more that a-way they think she boat-house, whereupon they assured me that I would do so easy enough if I kept straight along by the strand for a mile and a bit, and two or three of them accompanied me as I

The stretches of crumbling, moon-bleached sand seemed to lengthen out interminably, but at last round a corner I came breathlessly upon my goal. The door of I was unexpectedly called away by busi- it must be you who were so kind to poor the boat-house was wide open, and the moonlight streamed brightly through it full As she spoke, a ray of recognition shot in the face of a youth who, at the moment The next morning, the twenty-third of June, was, I remember, brilliantly fine, and tempted me out with my photographing gear—a much more cumbrous apparament day. My negative than at the present day. My negative the next morning, the twenty-third of Mrs. Lynn appeared to be strangely was too quick for me, and, shaking off my grasp on his arm, turned and faced me, still holding his wespon. "Dr. Harlowe! You here?" he said, and had scarcely spoken the
