SPECIAL FREE DELIVERY
While crossing on the ice is good at Campbellton, we will deliver at our regular prices, free on board cars at Cross Point Station, all the various kinds of goods we handle. This should be a material advantage to persons in the vicinity of the Quebec Oriental and Atlantic, Quebec and Western Railway.

MAIL ORDERS
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

DEATH OF MRS. D. C. FIRTH AT MONTREAL

Well-Known Campbellton Lady Passes Away on Wednesday.
Funeral to be on Saturday

It was with feelings of deepest regret that the news was received here yesterday afternoon of the death of Mrs. D. C. Firth, at Royal Victoria Hospital, Montreal.

A little over two months ago, Mrs. Firth took sick and was confined to the house through an attack of gastritis. She was not making much progress, and went up to Montreal some two weeks ago for special treatment, where the specialists found that an obstruction was pressing on two nerves passing from the neck to the stomach, and might seriously affect the eyesight. Little change in her condition was reported until last Thursday, when Mr. Firth was summoned to Montreal where he found her condition very low and the symptoms grave. Hope was expressed that her splendid constitution would carry her over the danger, but on Monday word was received that she was fast sinking and she passed away yesterday at noon.

It is hard to realize that one who occupied the position Mrs. Firth did, had passed away. She was a woman of high intellect and splendid qualities and was a power in all the work she took in hand. Her place in St. Andrew's church will be hard to fill, for no one took such an interest in church work as she did, and her friends mourn the loss of one who was on many occasions their guide and counsellor and always their friend.

Mrs. Firth was the oldest member of St. Andrew's church choir, and the welfare of this organization was always near her heart. As well as choir member, she for many years in the old church conducted the choir and played the organ. In musical matters she was always a tower of strength, and in the various organizations of St. Andrew's Church, the W. C. T. U. and other societies, her help was always eagerly sought.

There are many who remember with glowing hearts, Mrs. Firth's kindness and hospitality at the time of the great fire, when her house was a home to the homeless, and a place where kindness and love was dispensed to all who claimed her assistance.

A woman of Mrs. Firth's high noble character is a distinct loss to any community, and our town now mourns the loss of one who held a high place in its heart, and we can recall with love and esteem, her many virtues and her christian walk and conversation.

The funeral will be held here on Saturday, the service at her late residence commencing at 2 p.m., and the funeral cortege will leave the house at 2.30 p.m.

A memorial service will be held in St. Andrew's church on Sunday evening at 7 p.m.

On behalf of the church choir the following letter has been sent to Mr. D. C. Firth.

Campbellton 4th Feby., 1915.
D. C. Firth, Esq.,
Town.

Dear Mr. Firth,
In this your hour of bereavement, we the choir of St. Andrew's Church, desire to convey to you the loving sympathy of every member in the loss of one who was its oldest member, and who was ever a pillar of strength in all church work. Her devotion to this work will always remain a source of inspiration, and it is with grateful hearts that we recall all her many deeds of kindness to us.

In this your hour of sorrow may you be comforted and sustained with strength from on High. Your loss is in very truth our loss also, and though it hath pleased the Lord to take her from among us, her memory and influence will be ever with us.

"Let us call to remembrance the great and the good, through whom the Lord hath wrought great glory".
Signed on behalf of the choir,
JOHN G. MACCOLL,
PETER H. BLYTH.

SHIRETOWN HAS

TWO FIRES LAST WEEK
Fire Brigade Does Splendid Work on Both Occasions.—
Strong Wind Blowing

Dalhousie, N. B., Feb. 3rd.—The Shiretown had two fires last week. At an early hour on Monday morning, the house owned by Mr. Robert Neilson was destroyed by fire. Mr. Neilson was at the time on the ice fishing smelt. The occupants of the house were his mother, sister and servant boy. A part of the contents of the house was saved. This property was formerly the residence of the late Hon. Wm. Hamilton. Property insured.

Early Saturday morning the home of Mrs. Daniel McNeil was totally destroyed. The cause of the fire was an explosion of a coal stove. Mrs. McNeil and one of her children were the only occupants in the house at the time. The business portion of the town located at the east end of William street had a narrow escape, as it was blowing a strong gale from the west at the time. Our fire brigade did splendid work at both fires.

Miss Elma Cook was hostess on Saturday night at a most enjoyable skating party. Among the little girls present were—Miss Dorothy Gallon, Miss Marion Jamieson, Miss Isabel McNeil, Miss Margery Connacher, Miss Elizabeth Mott, Miss Agnes Barberie and Miss Beulah Gallon.

A number of friends of Miss Evelyn Lawson gave her a most enjoyable surprise party on Tuesday night. A dainty lunch was served and a most enjoyable time was spent by all. Among those present were—Miss Mary Allan, Clara Mackie, Jean Jamieson, Mary McLean, (Campbellton), Mary Bateman, Greta Jamieson and the Messrs. Gordon Mott, Orla Cook, Herman LeCoffre, Sydney Jamieson, and Vaughan Mott.

Miss Violet McKay is entertaining a number of her little friends this evening at a skating party, it being the occasion of her birthday. Among the little invited guests are—Misses Mattie Cook, Jean Simpson, Lily Bateman, Jean Jamieson, Kathleen Delaney, Minnie Powell, Evelyn Lawson, Mary Allan, Charlotte Barberie, Mabel McNeil, Jessy Campbell, Mary Bateman, Mary McLean, (Campbellton), Laura Frayne, Elma Cook and the Messrs. Gordon Mott, Robert Coleman, Colin McKenzie, Paul Samson, Arthur Coleman, Herman LeCoffre and Vaughan Mott.

Miss Lena Haddow entertained a few friends on Saturday evening last. Mr. Leo Troy, of the staff of the Royal Bank of Canada, who has been relieving at Amherst, N. S., for the last five weeks, returned home this morning.

Miss Jessy Dunn of Dalhousie Junction, spent today in town.

Mrs. Beckingham, Mrs. H. McNeill and Mrs. Wm. Simpson were the guests of Mrs. Clarence Edwards for a day in Escuminac last week.

Miss Vera Simpson is visiting her grandparents, Mr. and Mrs. Robert McKnight at Shigusagac.

Miss Anastasia Paquet is visiting friends in Campbellton.

Mr. Arthur Woods of St. Omer spent Sunday last in town with his family.

Miss Marie LeBlanc returned on Monday from St. John, after a very pleasant visit. While there she was the guest of her brother, Mr. Allie LeBlanc.

On Wednesday evening at the Royal Hotel, Dalhousie, the friends of Mr. Herb A. Hilyard gave him a dinner. The bill of fare was a credit to the house. The banquet was presided over by Hon. C. H. LaBelle, who spoke of the regret of the people of the shiretown and the country in general, at the departure of Mr. Hilyard. He referred to the many changes that had taken place recently in Dalhousie, and voiced the feelings of all present, when he stated that the labouring men were losing a true friend.

Mr. W. M. Mackay read an address to Mr. Hilyard, referring in very kind terms to his popularity among the people, his generosity to the poor, his willingness to assist the boys in all their sports, etc. Mr. William Simpson then presented Mr. Hilyard with a very handsome set of pipes in the name of his friends present as a souvenir from them. Mr. Hilyard thanked his friends for their kindness and said that both he and his wife would never forget Dalhousie, and would as often as possible in future visit their North Shore friends. Brief speeches were made by Mr. Andrew Barbrie, Wm. Gallon and E. Rene Richard.

CAMPBELLTON CURLERS

GOING TO NEWCASTLE
Four Rinks Will go to the Miramichi Friday to Play for Archer Cup

Newcastle succeeded in holding the Archer cup in the game with Bathurst, ere the Newcastle ice played last Friday, and now four rinks from the Campbellton Club are going to Newcastle to play for this handsome trophy on Friday.

The Newcastle Club is putting up its best rinks in defence of the Archer Cup and good games are expected. One of the rules of the games for this trophy is that no curler playing in the McEllen Cup or North Shore Bonspiel series can play in the Archer trophy games.

The following are the Campbellton rinks:—

A. H. Ingram,
Geo. McRae,
J. S. Benson,
A. McG. McDonald, Skip.

R. Campbell,
J. E. Bury,
John White,
H. A. Marquis, Skip.

Chas. Forbes,
H. R. Smith,
Allan Miller,
Jas. P. Jardine, Skip.

W. J. McNeil,
H. B. Anslow,
Wm. McMillan,
A. A. Andrew, Skip.
A. H. English, T. Clark, spare.

The curlers will leave on the local at 6.40, and as more than ten will be going, the fare will be one single first class fare. Any one desiring to accompany the curlers can go at the reduced fare and should be at the depot early enough to arrange for the purchase of excursion tickets.

NORTH SHORE BONSPIEL

Chatham has selected S. D. Heckbert, H. McKendry, C. D. Ruddock and R. A. Snowball; and Hon. John Morrissey, W. A. Park, J. R. Lawlor and John Russell have been chosen by the Newcastle club as skips for the North Shore Bonspiel, to be played at Campbellton on the 17th of this month. It is expected Bathurst and Dalhousie will also send four rinks each.

ARCHER CUP

The first games for the trophy given last year by Peter Archer of Chatham, for competition among the less prominent players of the North Shore Clubs, and which was won by Newcastle, were played at the Shiretown Friday night, when three rinks of Bathurst curlers attempted to take the silverware further North, but failed to do so. On Friday next, Campbellton will send four rinks to Newcastle after the cup, and Chatham curlers play the winners the following Friday.

BATHURST HOTEL

BURNED YESTERDAY
Leger Hotel Destroyed Yesterday Morning—Narrow Escape of Some of the Boarders

Bathurst, N. B., Feb. 3.—The Leger Hotel at Bathurst, owned and operated by Mr. J. P. Leger, was burned to the ground about 5 o'clock this morning. The fire originated in the furnace room and, owing to an accident to the fire apparatus, some difficulty was experienced in fighting the flames, which ultimately gained supremacy and destroyed the entire building. While no estimate of the loss could be obtained this morning, it is understood that the building was fully insured.

The flames spread with such rapidity that many of the guests had difficulty in getting out. Some had narrow escapes and lost all of their effects. James McIntosh was rescued from the third story window and Mrs. Lavigne saved her four months' old baby by dropping it from the same height to men in the street.

ANNUAL VISIT OF THE SCHOOL INSPECTOR

Inspector Mersereau Here This Week and Speaks in High Terms of Work of Schools

Inspector Mersereau has just completed his annual visit to the town schools. He spoke in the highest terms of the work done in the different departments.

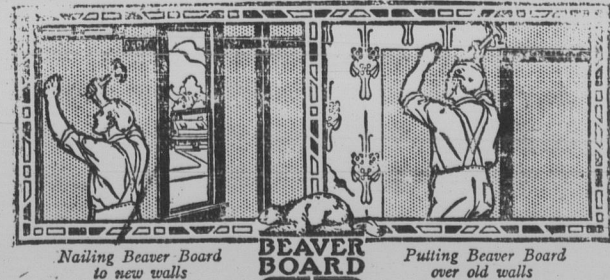

On Tuesday morning he delivered a very helpful and inspiring address in the assembly hall to the teachers and pupils assembled. He spoke of thrift as being the surest means to success, and in thrift there were two very necessary elements, viz.—industry and economy. Industry meant to be always keeping employed over something useful; but recreation was necessary too, but to be working to the best advantage.

Then here was economy. This meant not merely saving one's means but also saving the moments. David Livingston, he said, during his hours of hard labour kept up his reading and educated himself.

He made a strong plea for better preparation of home studies. The slow boy who worked hard became the useful man and received the big salary, while the brilliant, clever boy who, because he got his education too easily, refused to work for it, usually had to accept an inferior position, both financially and otherwise.

Pte. George Weston Smith, of the 33rd Battalion, C. E. F., which is in training, was arrested at London on a charge of bigamy. According to the police, the man has a wife in England.

ANNUAL MEETING OF ZION CHURCH

Held at New Carlisle.—Reports
of Various Societies Read and
Approved

The Annual Business Meeting of Zion Church was held Jan. 13th, and 20th, opening with devotional exercises conducted by Mr. J. O. Sherar.

There was a small attendance at both meetings.

The report of the Sec.—Treas. was received, audited by Mr. G. P. LeGrand and was carried on motion of Mr. E. Billingsley. It was very satisfactory showing a balance on hand. Mr. T. J. Caldwell was appointed Secy.—Treasurer for the coming year, with authority to notify those in arrears.

It was moved by Mr. Ronald Billingsley, seconded by Mr. James O. Sherar, and carried that the congregation pay the Rev. McLeod their full share of salary up to Dec. 31st, 1914.

The Sec. Treas. was authorized to pay Rev. Mr. McCallum for service held here.

The report of the Sunday School was read and on motion adopted. A hearty vote of thanks was proposed to Mrs. Caldwell, who has been Secretary for the past ten years, but was dropped, owing to her being seriously ill at present. Miss Hocquard was appointed Secretary for the present year.

No reports were heard from the W. H. & P. M. Society, Mission Band or Home Department.

POTATOES IN GREAT DEMAND IN BRITAIN

Favorable Trade Opening in the
Spring in the Old Country
That Should Benefit N. B.

A large commission house in London, Eng., has written to a St. John firm and the correspondence has been turned over to the Board of Trade in order that a wider publicity might be given to the subject, stating that the prospect for Spring trade in potatoes is favorable in Great Britain. "If you can send good quality, that is, potatoes that boil white and floury and keep that color when cold, we can take large quantities, up to 20,000 tons, but would advise shipments of 500 to 600 tons weekly." A good price per ton is given, as well as other directions for shipping.

Potatoes in the Havana market, at date January 15th, were quoted at \$2.25 per barrel and \$1.75 per 100 pound bags. The demand was moderate. Drum fish were quoted at \$5 for hake, per 100 pounds. Codfish \$8 and haddock \$7. Prices for codfish in cases have advanced owing to active demand. Norwegian fish are quoted at \$10.50 and from other sources at \$9.50 to \$9.60 per case. Blosters are quoted at \$1.37 per large box.

First Little Belgian Refugees from War Zone

Among the first of the Belgian children to arrive in America under the protection of the Belgian Relief Commission is Nikolas Frisch, five years old, who arrived on board the Baltic, of the White Star line, on his way to Worcester, Mass., where his parents live. The little fellow was the pet of the first cabin passengers, and by the time the Baltic had reached quarantine he had been taught several "things of a military nature, among them being the 'goose step' and the manual of arms, which he executed for the passengers, using a cane instead of a gun. Nikolas was in Antwerp when that city was captured by the Germans. Relatives with whom he lived fled, taking him along, but when the refugees reached England, he found himself alone, having become separated from his relatives. His parents were at the pier when the Baltic arrived.

A POSITIVE CURE FOR RHEUMATISM

Hundreds of People Have
Found "Fruit-a-tives" Their
Only Help

READ THIS LETTER

Superintendent of Sunday School in
Toronto Tells How He Cured Himself
of Chronic Rheumatism After Suffer-
ing for Years.

55 DOVERCOURT ROAD, Oct. 1st, 1913.

"For a long time, I have thought of writing you regarding what I term a most remarkable cure effected by your remedy 'Fruit-a-tives'. I suffered from Rheumatism, especially in my hands. I have spent a great deal of money without any good results. I have taken 'Fruit-a-tives' for 18 months now, and am pleased to tell you that I am cured. All the enlargement has not left my hands and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in 18 months."

R. A. WAUGH

Rheumatism is no longer the dreaded disease it once was. Rheumatism is no longer one of the "incurable diseases." "Fruit-a-tives" has proved its marvelous powers over Rheumatism, Sciatica, Lumbago—in fact, over all such diseases which arise from some derangement of stomach, bowels, kidneys or skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

CANADIANS ARE ON THE WAY TO FRANCE

Expect to be in the Thick of the
Fighting When the Great For-
ward Movement Begins

An Ottawa despatch says the Canadian army at Salisbury Plains is moving immediately to France, if it is not already on the way or landed on the continent. The militia authorities refuse to make any official statement, but it is understood that cables have been received that the Canadian forces leave at once for the front.

It is not expected that they will be sent immediately to the firing line but will be used along the lines of communications to ensure further training. They will be ready for reinforcements, and will be in the van when the big forward movement comes.

As soon as the first contingent has all moved from Salisbury it is expected that the second contingent will proceed to England.

London, Jan. 31.—A start has been made in despatching the men of the First Canadian Contingent to France. A number have already gone, but the greater bulk will be moved across the channel this week.

"Every man of the contingent is prepared for the move, and all are highly elated at getting to the continent.

Health conditions at Salisbury have greatly improved since the frost hardened the mud tracks.

Col. Victor Williams, who has been seriously ill, is now out of danger, and is coming to London.

SURPRISES MANY IN CAMPBELLTON

The QUICK action of simple buck-thorn bark, glycerine, etc., as mixed in Adler-i-ka, the remedy which became famous during appendicitis, is surprising Campbellton people. Many have found that this simple remedy drains so much foul matter from the system that A SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-i-ka is the most thorough bowel cleanser ever sold. A. McQ. McDonald, Druggist.

BATHURST FAILS TO WIN ARCHER CUP

(From the Gloucester Northern Light)
Three strong rinks were sent down to Newcastle on Friday in an endeavor to take the Archer Cup from the Wireless town, but they had to return without the trophy.

After the games, the Newcastle Red Cross Society dressed the wounds of the defeated Bathurst boys and they returned on a slow freight Saturday morning not much the worse for their unexpected beating.

Although their curling stones were held as hostages for a few days, the ransom exacted was paid soon after the battle scared warriors recovered, and are now ready for the game with their same foes tonight.

WRECK OF MARITIME EXPRESS LAST FRIDAY

Seven Cars Leave the Rails on
the I.C.R. Two Miles West of
Dalhousie Junction

Railway traffic was seriously tied up on the I. C. R. Friday owing to the derailment of the westbound Maritime Express fourteen miles below Campbellton early that morning.

The express, which is due at Campbellton at 3 a.m., was composed of eight cars, and two miles out from Dalhousie Junction struck a broken rail, causing seven cars to leave the track. It is a matter of great congratulation that no one was seriously injured, although many of the passengers were suffering from shock and minor bruises. The roadbed was badly cut up and the east bound Maritime was held at Campbellton until the afternoon, unable to proceed till the line was cleared.

G. G. Glennie, manager of the Bank of Nova Scotia, Campbellton, and R. H. Anderson, from Newfoundland, who intended visiting Campbellton were aboard the wrecked train.

A great deal of confusion was caused especially in the sleeping cars when the train left the rails, but the passengers made light of the occurrence, and all proceeded on their journey.

Some additional particulars respecting the runoff of No. 33, Northbound Maritime Express, near Dalhousie, on Friday morning, states that the sleeping cars were badly damaged, but were not broken up beyond repair.

The passengers on the Halifax sleeper were:

Miss Ethel Gibson, Halifax.
Lieut. Edwards, Ottawa.
O. E. Gohwaite, St. Lambert.
Mr. Starr, Glasgow.
Mr. Rogers, Charlottetown.

There were three others.

A despatch states that G. G. Messon, of Hamilton, had his right hip bruised; O. W. Gohwaite was badly shaken up; Major A. A. Bartlett and Mrs. Bartlett, of Charlottetown, were out in the head and back injured; Mrs. Elliott, Picton, was badly shaken up; Miss Ethel Gibson had her left knee bruised; Mrs. F. N. G. Starr, Toronto, had the right foot cut and left leg skinned; T. H. Millville, of Montreal, was cut over the right eye; John Murphy, Ottawa, had a cut on the right leg; Mr. Conway's right side and back were injured.

Inquiries in Picton could not locate Mrs. Elliott. She does not seem to be known here.

Miss Gibson is a Nova Scotia girl, now a stenographer in Saskatoon. She was a pupil at school in King's county, of J. W. Margeson, M. P. P., now paymaster, in the 25th battalion.

John Murphy of Ottawa, is a consulting engineer of the railways department, and a brother of Hon. Charles Murphy. Mrs. (Dr.) P. G. N. Starr, of 112 College street, Toronto, was one of those who received a shaking up in the wreck.

The engine and mail car went over the broken rail and remained on the track. All of the remaining cars jumped the track. The two baggage cars, the colonist car, the first-class coach and the dining car ploughed along the frozen ground.

The two sleepers, one from St. John and the other from Halifax, were not so seriously injured that they could not proceed on this train. The maritime due in Halifax from Montreal this afternoon was delayed twelve hours by the accident, and was to arrive at Halifax at one o'clock Saturday morning.

The minister of railways has issued orders for a thorough investigation into the wreck. The department was advised that the wreck was due to a broken rail over which the engine and tender passed in safety while one or more of the passenger coaches were derailed.

MEDICAL OFFICERS FOR THE CANADIANS

War Office Requests Officers and
Men for the First Contingent
Hospital Establishment

A recent despatch from Ottawa states that the War Office has requested the Canadian Militia Department to supply an additional quota of medical officers and men for the first Canadian contingent hospital establishment. There will be eight officers, seven or whom have already been chosen and one hundred orderlies. Five of the orderlies are now in Halifax and seventy-five in Quebec. The officers already chosen are: Captain J. P. Walsh, Quebec; Lieutenant Keith Dean, Winnipeg; Lieutenant R. M. Linton, London, Ontario; Lt. A. L. Jones, Victoria, B. C.; Lt. M. O'Connell, Ottawa; Captain A. R. Silby, Calgary, and Captain Losier of New Brunswick.

CROWN LAND AGENT MARCOTTE RESIGNS

New Carlisle Man Leaves Gov-
ernment Employ to Enter Of-
fice of Hon. J. H. Kelly

Mr. J. F. Marcotte of New Carlisle, who, for the past five years, has occupied the office of Crown Land Agent, as well as that of special Forestry officer on the Gaspe Coast, has tendered his resignation to the Quebec government to enter the law office of the Hon. John Hall Kelly. Mr. Marcotte is well known to all business men of the Gaspe Coast and especially by the lumbermen, to whom his knowledge of the law and the working of the Crown Land department has been of great value. On several occasions the Department of Crown Lands tried to induce Mr. Marcotte to take up a position in the Forestry department at Quebec, but for some reason he always refused. The reason has now leaked out, and it is that Hon. Mr. Kelly for the last three years has been trying to secure his services. As Hon. Mr. Kelly has as clients the great majority of the lumbermen of the Gaspe Coast, and has been on duty with the wireless garrison at Newcastle since the outbreak of the war, Dr. Losier received official notice on Friday of his appointment as senior officer with the Army Medical Corps which is to sail from Halifax, in the course of a few days, on the S. S. Zealandia.

Dr. Losier is a graduate of McGill, 1904 class, and located in Chatham about six years ago where he has worked up a lucrative practice and made a wide circle of friends. He is to report at Halifax for duty on overseas service, on Friday.

Look out for the future announcement of the great game, Chatham vs. Campbellton. This will be the game of the season. Make it a point to help the new Church League all you can.

DEATH AT CARLETON
The death occurred at Carleton on Sunday of Mr. Octave LeBlanc aged 73. He had been in ill health for some time, being troubled with his heart. He was twice married and was the father of a large family.

MAKING PROGRESS
The many friends of Mr. R. W. Ferguson will be glad to hear he is now making much progress. Mr. Ferguson it will be remembered, while visiting in Chatham, became totally blind in one eye, and after he had consulted a specialist in Montreal, there has been shown some little signs of improvement.

PETTY ROBBERIES
Chatham is experiencing its annual epidemic of petty robberies. During the past few days three places of business have been entered and goods and cash taken, viz. G. T. Cornish's, St. John street, Angus Willock's, George street, and the barber shop of Ernest Ahearn, Pleasant street.

BRIDE FROM BATHURST
A pretty house wedding was celebrated on Tuesday evening, Jan. 26th, at the residence of J. Windsor, of Westmount, Que., when his niece, Mabel Lena, only daughter of Mr. and Mrs. George Windsor, of Bathurst, N. B., was married to George Killam, of Yarmouth, N. S. The ceremony was performed by the bride's uncle, the Rev. George W. Fisher, of Beebe, Que. The bride was the recipient of many handsome and useful gifts. Mr. and Mrs. Killam have left for an extended trip through the Lower Provinces before taking up their residence at Yarmouth, N. S.

SOLDIERS LETTERS
Arrangements have been made whereby the ordinary rate of two cents per ounce applicable to all letters sent from Canada to the United Kingdom, will apply to letters addressed to British and Canadian troops on the continent. The rate on ordinary letters from Canada for the continent is five cents for the first ounce, and three cents for each subsequent ounce, so that this extension of the two cents an ounce rate to letters addressed to our soldiers on the continent, is a decided reduction in favor of correspondence going to the soldiers.

CHATHAM BURGLARS HAUL
Chatham, N. B., Feb. 1.—A. S. Willock's beer and cigar shop, off Water Street, was broken into some time last night and a large amount of beer and tobacco taken. The front windows in the shop were broken and the place pretty badly damaged. No one in the neighborhood heard the breaking of the windows, and there seems to be little clue to the perpetrators of the act. Seven dollars in cash was obtained from the till and about \$100 worth of cigars, beer and tobacco.

WEDDINGS

COOK-COLSTON
The home of Mrs. Roy Grass, McAllen's Lane, Moncton, N. B., was the scene of a very pretty wedding on Tuesday afternoon, January 12th, when Miss Margaret Lettice, daughter of Mr. and Mrs. James Colston, was united in marriage to Mr. William Donald Cook of Jacquet River. The Rev. T. Porter Drumm officiated. The bride, who was given away by her father, was prettily dressed in a gown of champagne colored silk trimmed with shadow lace and wore a Juliet cap with orange blossoms. The bridesmaid was Miss Agnes Colston, sister of the bride, and the flower girl was Miss Maude Grass. Mr. A. V. Pepper was best man and Miss Elizabeth Oakley waited on the guests. After the ceremony the happy couple returned to the home of the bride's parents where a bountiful lunch was served. Numerous presents such as cut glass, silver ware and linen were received by the young couple and the room was prettily decorated for the occasion. Mr. and Mrs. Cook are visiting in Jacquet River, Montreal and Boston. The bride's travelling dress was a suit of Alice blue. After their trip they will reside in Moncton.

THE RED TRAIN

One of the saddest sights of the war is said to be furnished by the German red train, carrying back to Germany from Belgium, soldiers driven mad by the war. This train, all the coaches of which are painted red, is thus described by one who saw it recently on its arrival at Aix-la-Chapelle:

"At midnight when the station was deserted the sinister train drew up. It was painted a glaring vermilion to distinguish it from other trains, and all the exits were tightly sealed. Standing on the station platform I saw the doors opened, and then I viewed a spectacle which made the blood run icy in my veins.

"The carriages were padded everywhere, and each contained a dozen grey uniformed figures, the most pitiable specimens of humanity imaginable. Most of them were covered with mud from head to foot and all wore scraggly beards. Soldiers with rifles stood guard over each compartment.

"The eerie behavior the occupants revealed the fact at once that they were mad. Some of them sat stiff and silent, staring fixedly into space. Others writhed, shouted and foamed at the mouth or screamed deliriously as the station lights shed their fierce glow into the compartments. The unrelenting conditions of modern warfare wherein the troops have to stand for days in the trenches, knee deep in water, always hungry and thirsty, while a continuous hail of shells fired by an invisible enemy deals death all around, had unhinged the reason of these pitiable human freight.

"Station officials told me that the 'red' train made frequent journeys whenever the allies' artillery had been busy, and after the murderous Yser fighting it ran continuously."

The London (Eng.) Morning Post says: "The best reply to the German outrages is to declare everything contraband that goes into Germany overseas stop everything. Nelson used to quote the old saying that 'Hunger will tame the lion.' We declare that the great city of Cologne has forbidden its bakeries to bake or sell anything but rye bread. Wheat bread, pastries and cakes can only be got when prescribed by doctors. As it is difficult to imagine a German doctor prescribing pastries, the people of Cologne will be deprived of what to them is one of the chief pleasures of life. Wheat bread is only allowed in chemist shops. This form of pressure is a less terrible manner of waging war than the actual slaying of men with swords and guns."

The London (Eng.) Pall Mall Gazette, commenting editorially to-day on the German submarine raids, declared that: "Since the Germans

have chosen to adopt this method of warfare, we accept the fact without wasting rhetoric in condemnation." There is nothing more futile than the childish cry, "It is not fair," said the Gazette editorial. "Why complain of breaches of the law of warfare, when there is no policeman, judge or executioner to enforce the law?" "We expect nothing but a grunt from a pig," continued the Gazette, "nothing but an outrage from a Prussian. When a power departs from the first principles of warfare, namely, that the proper objective of his armed forces is the armed forces of the enemy, and resorts to fancy operations, it is a confession of defeat. Von Tirpitz's touch has none of the jubility of Lord Nelson's touch."

HOCKEY NOTES

The opening game in the Church League Series was pulled off at the Campbellton Skating Rink last Thursday evening, when the Methodist team defeated the Presbyterian team by a score of 6 to 5. The game was a very fast and exciting one, the several players putting up just such a game as interests the spectators.

The first period opened with Asker starring for the Presbyterians, scoring by a pass from McLean, this being the only goal scored in this period.

The second period opened with H. Wallace scoring for the Methodists with Tris White coming back with the second goal for the Presbyterians, which made the score 2 to 1. H. Wallace who is playing forward in place of his brother is playing fast hockey and showed his ability by scoring two goals in succession, this ending the second period with the score being 3 to 2 in favor of the Methodists.

The third period opened up with our old timer Jim Matthews showing some of his old speed of last year by racing repeatedly, but the iron side of McLean played havoc with Jim's brilliant rushes. The playing at this stage of the game was very fast. Hee McLean, Campbellton's star goal-tender succeeded in stopping a great number of shots, but not all of them. H. Wallace scoring again with a pass from behind the nets. Shortly after that McLatchy succeeded in driving one past Kelly. Then Matthews and Mowat scored for the Methodists. Asker got another and McLatchy ended the scoring by a clever rush and a snappy shot which deceived Kelly.

The Penalties:—
First Period—Mowat 2 min., McLatchy 2 min.

Second period—McLatchy 2 min.
Third period—H. Wallace 2 min., Mowat 2 min.

The line-up:—
Presbyterians Goal, S. Kelly, H. McLean, Point, A. McDonald, E. Asker, C. Point, H. Wallace, B. McLatchy, Centre, G. Wallace, Tris White, R. Wing, H. Mowat, M. Lingley, L. Wing, J. Matthews. Fraser managed the game to the entire satisfaction of everybody, also keeping the plays well in hand.

The Judges of Play were Messrs. Koppel and Malcolm.
The Church League which is comprised of three teams, Presbyterians, Methodists and the Catholics, will play their games every Thursday night, and it is hoped that the people will patronize the games as well as they have done in past years.

The next game will be played to-night, when the Catholics will put their strength against the Presbyterian team. This game we feel sure will be well patronized as there is great rivalry among the players.

Come one, come all, and cheer these

NEW MEMBER MAKES

GOOD MAIDEN SPEECH

Mr. Fabien Bugeaud Member for Bonaventure Heartily Applauded After Speech

The following item from the Quebec Telegraph will be of interest to many of our readers.

Mr. Fabien Bugeaud, the new Liberal M.P.P. for Bonaventure, then rose to reply to the member for Laprairie, in his maiden speech in the Legislative Assembly.

In his opening remarks he complimented and congratulated the new Provincial Treasurer, Hon. Mr. W. G. Mitchell, who had lately proven since the opening of the present session that the Prime Minister had made a wise choice in calling him to the head of the financial affairs of the Province. The financial condition of the Province of Quebec was good and might well be envied by other provinces of the Dominion.

The Province of Ontario seemed to feel the present crisis more than the Province of Quebec; it was in the hands of a Conservative Administration. Here in Quebec the working people were comfortable.

The member for Laprairie ought to give credit where credit was due, namely for the success of colonization in the Province of Quebec. A quarter of the Province of Quebec had been cleared. If the member visited the counties of Gaspé, Bonaventure, Rimouski and Matane, he would see the efforts made by the Government to better the lot of the agricultural classes. The dairy industry was developing by leaps and bounds.

Mr. Bugeaud cited the case of Bonaventure, his own county. There were now twelve butter factories there, and the first had been established barely ten years ago. He was confident that real progress was being made, not only in his home county, but in all the counties of the province. It was the work of the Hon. Minister of Agriculture, the man who knew his business, and who by carefully distributed subsidies had placed this important rural industry on such a flourishing basis.

In regard to agricultural remarks, the member for Bonaventure remarked that they would certainly be more numerous if the Ottawa Government increased the Federal subsidies.

Concerning colonization, Mr. Bugeaud told the members of the Opposition that in the case of real colonists, it was not the land that was wanting. "Free land to the free colonist" had been the cry by the Opposition. If this was adhered to there would be many counties ruined, not only as to lumber but in regard to agriculture.

He quoted an example in his own country where the lamentable result would never have occurred if proper care had been taken in the beginning.

He also quoted the case of colonist Lafore, saying that the father of this man had held fourteen lots, while at the same time his son was writing articles to the effect that there was no colonization in the Province of Quebec.

The member for Laprairie had deplored, as had all the members of the Opposition who had preceded him, the exodus of the rural population to the towns. The Government was holding out every inducement to those who wished to till the soil, but it could not govern the free wills of those who wished to live elsewhere.

In his closing remarks Mr. Bugeaud expressed confidence in the Government and praised the elementary school system, the schools of the people, of which Hon. Sir Lomer Gouin was veritably the father.

The new member for Bonaventure was heartily applauded on the termination of this, his first speech.

IN ASSEMBLY HALL

Held on Tuesday Evening for the Purpose of Considering Ways and Means of Food Supply

On Tuesday evening a meeting was held in the Assembly Hall of the school for the purpose of discussing the ways and means of maintaining the Empires food supply.

His Worship Mayor Andrew presided over a fair attendance, and addresses were delivered by His Hon. Judge McLatchy, Mr. D. A. Stewart, M. L. A., Mr. A. T. LeBlanc and Mr. Duncan Anderson of Orrillia.

The addresses, which dealt mainly with the duty of farmers in putting under cultivation every available acre of land, were listened to with attention, the remarks of Mr. Anderson being especially well received.

Judge Matheson, chairman of the Board of Trustees, spoke briefly in responding to the vote of thanks to the School Trustees, after which the meeting separated.

GERMAN CRUISER SUNK IN NORTH SEA BATTLE

THE KOLBERG

The German light cruiser Kolberg, all three of whose sister ships have been destroyed by allied war ships since the war began, was sunk in the recent engagement in the North Sea, according to German prisoners from the Bismarck, which was also sunk in the engagement. The Kolberg was a vessel of 1,550 tons displacement and carried a crew of 362 officers and men. She was 292 feet long and had a speed of about 24 knots. The cruiser was armed with six 11 inch guns, four 5-pounders, four machine guns and two torpedo tubes. Her cost was \$1,907,400. She was built during 1908 and 1909. Her sister ships were the Mainz, the Koeln and the Augsburg.

"SHOO THE KAISER"

Every time one of the Kaiser's ships shows her nose the British Navy takes a crack at her. The only trouble is that it is seldom they come out of their mine-protected harbors.

In the game of "Shoo the Kaiser" the rules force the Kaiser to make an appearance every round, and as a result you have several opportunities during the evening to handle him as you please.

Although the game of "Shoo the Kaiser" has only been on the market for three weeks, over two thousand packs have already been sold.

If you are not one of the thousand playing this national game you don't know what you are missing. Secure your pack today and learn to play the game.

Fill in the coupon appearing in this issue and send it with forty cents to the Graphic and the game will be sent to your address postpaid.

BATHURST UNBEATEN FOR McLELLAN CUP

Trim Four Rinks of Newcastle Curlers Yesterday by 40 Points

Yesterday afternoon and evening the Bathurst curlers defeated the Newcastle curlers in the game for the McLellan cup by a majority of 40. In the afternoon Stout defeated Morrissey by 11 points. McKay defeated Thibidau was ahead of Crocker by 9 points and Duncan defeated Fitzmaurice by 6 points. Bathurst proved themselves too strong for the visitors in every department and it was early seen that Newcastle were unable to beat down the grasp of the cup holders on the coveted trophy. The visitors were entertained at a supper at the close of the games at which the usual good time was spent. Bathurst feels that they have now squared accounts having been defeated by Newcastle in the Archer cup series.

Rev. Father Lambert of Nash's Creek, was in town on Monday.

Among the outsiders, who attended the Jacquet River Patriotic Dance on Friday night were—Mr. and Mrs. W. S. Montgomery, Miss Mary Lawlor, (Newcastle), Miss Amelia Lawlor, and Miss Kate Nolan (Point la Nim), Mr. E. R. Richard and Lieutenant Legere.

On Friday evening last Mrs. H. A. Hilyard, who has endeared herself to the Dalhousie people during the eleven years she has resided here, and who is to leave us shortly, was presented with a very handsome gold watch bracelet by her friends. The presentation was made by Mrs. P. H. Sheehan and Rev. R. J. Coleman read a very fitting address. Mrs. Hilyard, who was very much taken by surprise, broke down at the thought of separation from the Dalhousie people and thanked them most sincerely for their extreme kindness. Mrs. Robertson, sister of the late A. H. Hilyard, who has made many friends during her visits to the shiretown, and who is still here, was also remembered by her Dalhousie friends.

Mr. and Mrs. H. A. Hilyard and Mrs. Robertson will leave for St. John in a few days, where they intend spending a few weeks with friends.

Miss Mabel Green of Chandler, who has returned from a visit to Mr. and Mrs. Daniel McAllister at Jacquet River, spent Monday in town, the guest of the Misses Allain, en route to her home in Miguasha, where she is visiting her parents.

Rev. R. J. Coleman is in St. John this week, attending the Diocesan Synod. While there he will be the guest of Mr. S. Alward, Burpee Ave, work in Gascon.

NEW CARLISLE

The Rev. Wm. McLeod held a magic lantern service in the Presbyterian church on Monday the 1st. The views were notable places in the old country, some of Mr. McLeod's experiences in Labrador and also Bible scenes. Mr. McLeod's address was excellent. A collection was taken up in aid of the Belgians. The meeting was very sacred and solemn as this would be the last time Mr. McLeod would speak to us before taking his departure to Prince Edward Island. Several very unruly boys, or young men as they think themselves, who sat in the gallery and kept up a whisper and titter which annoyed the speaker somewhat, were asked twice to keep order. As all these young men are well known, it would hardly be expected they would take such a low stand and display such ignorance. Perhaps the views and address on the scene "Ten Nights in a Bar-room" did not suit some of them.

The Rev. M. S. McKay is expected to fill the pulpit of the Presbyterian church Sabbath evening.

We are glad to learn that Mr. John Thompson has been for some time past somewhat indisposed, is now moving about again. His wife and mother have also been sick, but the former we understand is gaining strength, while the latter old lady, who has reached the good old age of ninety three years, is reported to-day, the 1st, rather serious.

There is but one case of small-pox, reported as yet, that of Miss Grace Kempfer, whom we are pleased to report is making favorable progress.

Mr. and Mrs. Della from Caspe are visiting Mrs. Della's parents, Mr. and Mrs. L. P. LeBell.

The weather of late has been, and is very cold, the thermometer registering as low as twenty below, that with the prevailing bad times is rather hard for quite a few, but we have no reason to complain when we compare ourselves with many other places in these times of war.

Mr. George Ramier of Port Daniel West, who had been visiting Mr. and Mrs. Reuben Flowers at New Carlisle, has returned home to take up his work in Gascon.

A sleigh load of our young men went to Port Daniel last week to attend the concert.

Mrs. Arnold, of Chandler, who has been spending the past fortnight with her mother, returned home last week.

Guy Kempfer, after spending a few weeks with his mother here, returned to his duties in New Richmond last week.

LATE WAR NEWS

Geneva, Via Paris, Feb. 4.—Determined effort to relieve besieged Austrian garrison at Przemyśl with German army is to be undertaken. This report states that the governor of Cracow has been instructed by Austrian General staff to make preparations for reception of 200,000 troops, which it is proposed to withdraw from centre of forces operating in Russian Poland. Situation at Przemyśl is reported to be desperate with garrison on verge of starvation as result of the long investment of Russians.

Petrograd, Feb. 4.—Important successes for Russians in east Prussia and northern Poland are announced. In east Prussia Czar's troops, despite desperate resistance by Germans, have succeeded in crossing Angerap river and captured fortified positions, while in northern Poland they have captured town of Skempt, only 33 miles from great fortress of Thorn.

West of Warsaw, in vicinity of Bolimow and Goulimane, Germans are continuing their terrific attacks upon Russian lines.

In their operations there the Germans are using about 42,000 men in three furious attacks. Germans are suffering heavy losses, but are bringing up fresh troops to replace killed and injured.

Fighting is still going on in Carpathians, Germans helping Austrians. These have also been reinforced.

Petrograd, Feb. 4.—Russian aviators on February 2, successfully dropped bomb on mobilized reserves and trains of Germans at Rawa. Zareze and Boguszyce, about fifty miles southwest of Warsaw.

BRITISH SOLDIERS IN A NORTHERN FRANCE TRENCH.

The above illustration shows a British regimental kitchen which was installed in a trench on the banks of the Aisne. Shortly after the above picture was taken a shell burst at this spot and killed about forty men who happened to be there. It will be noticed that the men above were quite unaware of their danger at the time and were busy with their various regimental kitchen utensils.

WOMEN SEARCH FOR LOVED ONES IN RUINS OF ITALIAN EARTHQUAKE.

WOMEN SEARCHED FRANTICALLY AMONG RUINS, TRUSTING SOME DEAR ONE MIGHT BE ALIVE. In the earthquake that rocked all of Italy but a few days ago there followed some heart-rending scenes. Frantic women, who miraculously escaped from the awful catastrophe, plunged madly among the ruins, trusting that they might find some of their dear ones alive. The accompanying picture shows the unfortunate women engaged in this work, most of whom were saddened by failing to recover any of their beloved ones.

THINKING OF OTHERS

Think of others means being interested in others good. The husband thinks for his wife and the wife for her husband, and both father and mother are thinking for their children. In a word where real interest exists there is more or less thinking for the others good.

If the question be asked, what is the greatest evil in the world, various answers might be given. But there is one evil greater than all others, because it lies at the root of all others, that is selfishness. Stop to think of it you will find it lying back of every crime, all vice, and abuse of privilege or power. If only selfishness could be eliminated from human hearts this would be made a much better place to live in.

One of the great things to overcome selfishness is to train ourselves to think of others and to exercise the power we possess to make life pleasant for them. We do well to act immediately upon our thinking, for thinking is a luxury that may be indulged to the hardening of the heart. A story that is apt to be told of a woman who, coming home on a cold and blustery day told her servant to take some coal to a poor neighbor, thinking surely they must be suffering; but after being in her own warm house for a while she countermanded the order, telling him she thought it was moderating.

Thinking for others will help to make the world better if we act upon the kindly thoughts. This is the very essence of christianity. Jesus said on one occasion after instructing his disciples, "If ye know these things, blessed are ye if ye do them." Are you willing to stoop down and consider the needs and desires of little children, to remember the weakness and loneliness of people who are getting old, to stop asking how much your friends love you, and ask yourself whether you love them enough; to bear in mind the things that others have to bear in their hearts; to try to understand what those who live in the same house with you really want without waiting for them to tell you; to trim your lamp so that it will give more light and less smoke and carry it in front so that your shadow will not fall behind you; to make a grave for your ugly thoughts and a garden for your kindly feelings. With the gate open are you willing to do these things even for a day. Then you can keep Christmas.

Alcohol and Mortality

Among the influences contributing to the growing strength of the temperance cause and the destruction of the liquor traffic are the verdict of scientific men with regard to the effects of alcohol upon the human system, and the facts brought to light in compiling vital statistics for insurance companies. A convention of insurance presidents was recently held in New York, when forty-three life insurance companies in Canada and the United States submitted their records on two million insured lives for twenty-five years. These men it may be presumed, had no prepossessions for or against the moderate use of alcoholic drinks, and based their conclusions entirely on the facts presented.

These facts, a summary of which was given in a recent issue of the "Toronto Globe," are worthy of careful consideration. They prove beyond a doubt the desirability of the restriction of a poison so inimical to human life as alcohol. It was shown by the records of the insurance companies that in the class of those who had at one time taken alcohol occasionally to excess, though living temperate lives when insured, there were 289 deaths, instead of 190, which would have taken place had the group been made up of insured lives in general. That is, the occasional excesses of this class had reduced the average of life four years. It was also found that of two classes, one using alcoholic beverages daily, but in small quantities and the other using them in larger quantities, the mortality of the second group was fully fifty per cent. more than in the first one. In other words, the greater the habitual use of alcohol the higher the rate of mortality. Statistics, according to the committee, prove that persons who have been always abstainers have a mortality during the working years of life of about one-half that of those who use alcohol to the extent of two glasses of whiskey a day. Among saloon proprietors there was found to be an extra mortality of seventy per cent., and hotel proprietors showed a similar increase. The mortality among those engaged in brewing was about one-third above normal, and among the proprietors of wholesale liquor houses was about one-fifth. Of all engaged in the liquor business only the proprietors of distilleries had a normal mortality. Facts such as the above, apart altogether from the deplorable fruits of the liquor traffic in many directions, are quite sufficient to warrant any government in doing all within its power to prohibit the traffic in that which is so injurious to human life and so detrimental to the highest interests of society.

BRIDGE BLOWN UP

AT VANCEBORO, ME.

German Officer Attempts to Destroy Railway Bridge Across the St. Croix River

(Canadian Press Despatch)

Vanceboro, Maine, Feb. 2.—One span of the Canadian Pacific Railroad bridge across the St. Croix River between Vanceboro and St. Croix, N. B., was blown up early to-day. The preliminary investigation indicated that explosion was caused by dynamite. The bridge is on the direct line of railroad from Halifax, N.S., and St. John, N.B., to Montreal, it is 1,200 feet long, consisting of three steel spans of granite piers. The portion destroyed was on the New Brunswick side of the river.

The bridge connects the Canadian Pacific tracks with those of the Maine Central Railroad, over which the Canadian Pacific road has traffic rights between Vanceboro and Mattawamkeag. It was built about five years ago. Although the river is not wide at this point, it runs through a broad and deep ravine. Until repairs can be made, it will be necessary to transfer passengers across the ice.

The noise of the explosion aroused the inhabitants of the Maine and New Brunswick villages many of whom rushed to the scene. This forenoon the authorities had been unable to find any clue to the persons responsible. Later a man claiming to be a German officer was arrested on suspicion of having caused the explosion. He was taken into custody on the American side of the line.

Vanceboro, Maine, Feb. 2.—The attack on the bridge caused great excitement on the New Brunswick side where rumors of a German plot spread rapidly and resulted in an immediate investigation by the provincial authorities. Inquiry was also begun on this side and this led to the arrest at a local hotel of a man who gave his name as Horne.

According to the police, the prisoner claimed to be an officer in the service of Germany, but refused to divulge his rank. The police assert that he admitted that he exploded the dynamite under a section of the bridge and that a dynamite cap and a plan of the bridge were found in his possession.

Horne, according to the police, described himself as 37 years old, he is five feet 11 inches in height and weighs about 200 pounds. He is smooth shaven.

The arrest was made by Deputy Sheriff George W. Ross, who was accompanied by a Maine Central Railroad detective and two Canadian officers from McAdam Junction, N. B.

Vanceboro, Me., Feb. 2.—The prisoner's name is Werner Van Horn, an when arrested he was removed to the United States immigration room, where he was closely guarded. Deputy Sheriff Ross notified the United States Marshall and United States District Attorney at Portland asking for instructions. When taken into custody at his room in the hotel, Van Horn made no resistance, he is alleged to have told the officers the circumstances of the dynamiting. He did not appear to be able to speak very good English. There were no papers found to identify him. In a coat he carried, was found a German flag. Asked why he had dynamited the bridge, the prisoner, the police say, made the simple explanation that his country was at war with Great Britain and that Canada was a part of the enemy's country. He said, according to the officers, that he came from New York having left that city on Friday night and arrived here Saturday. Immediately after discharging the explosive he returned to the hotel.

As evidence of his experience, he displayed a frost bitten thumb. His clothing had been encrusted with ice and was soaked through.

The arrest of Van Horn has aroused special interest because of the fact that he was taken into custody on American soil and was made a prisoner of the state of Maine. To avoid possible complications the local authorities made no further move, pending advice from the Federal Government. The Canadian authorities indicated that they would immediately make representations at Washington with a view to extradition on the ground that the dynamiting had been done on the Canadian side of the border. On the other hand, it was said, that Van Horn would be defended against extradition basing his claim

WOMEN FROM 45 to 55 TESTIFY

To the Merit of Lydia E. Pinkham's Vegetable Compound during Change of Life.

Westbrook, Me.—"I was passing through the Change of Life and had pains in my back and side and was so weak I could hardly do my housework. I have taken Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. I will recommend your medicine to my friends and give you permission to publish my testimonial."—Mrs. LAWRENCE MARTIN, 12 King St., Westbrook, Maine.

Manston, Wis.—"At the Change of Life I suffered with pains in my back and loins until I could not stand. I also had night sweats so that the sheets would be wet. I tried other medicine but got no relief. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use for six months. The pains left me the night sweats and hot flashes grew less, and in one year I was a different woman. I know I have to thank you for my continued good health ever since."—Mrs. M. J. BROWNE, Manston, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled in such cases.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

for the protection of the United States on his assertion that he had committed an act of war and that his offence was political.

Montreal, Que., Feb. 2.—The C.P.R. issued an official statement this morning regarding the blowing up of the bridge over the St. Croix river at Vanceboro. They state that traffic has not been interrupted, passengers will not have to leave the trains and a delay of only twenty minutes was caused. Damage was done to one span only and repairs were immediately commenced. A suspicious character arrested by United States officials has admitted the deed and said he was a German officer.

POPULAR PRIEST LEAVES FOR NEW CHARGE

(From the Gloucester Northern Light)
Rev. J. J. Redding, who has been stationed at Bathurst Village for the past two years, left on Monday to take up his duties as assistant to Rev. John Carter at Petit Rocher. On Sunday the boys of St. Aloysius Sodality presented their revered spiritual adviser with a nicely worded little address, expressing their keen regret at his departure from among them. Father Redding will be greatly missed in the Village where his genial personality was welcomed in every home, and where his influence among the young people was unusually strong. He goes to his new work with the best wishes of all classes and creeds, and can be sure of a warm welcome every time he returns from his not far distant duties.

R. H. Anderson of St. John's, N.B., is the guest of Mr. and Mrs. J. S. Benson.

Miss Greta Wall, who has been visiting friends in Dalhousie, has returned to her home.

Miss Pauline Tippet, who has been visiting the Misses Wall, has returned to her home in St. John.

Mr. and Mrs. John Traverser entertained a number of their friends and relatives on January 28th, the occasion being their pearl wedding. Dancing and games were indulged in, and then refreshments were served. Mr. and Mrs. Traverser received a number of costly presents in pearl, glass and silver.

SPECIAL NOTICE

A special rehearsal of St. Andrew's choir will be held on Friday evening in the church at 8 p. m., for the purpose of preparing music for the funeral of our late member, Mrs. D. C. Firth.

SPECIAL TRAIN

A special train with troops of the second contingent of the Canadian Expeditionary Force is expected to pass through here Saturday morning. A second special, with a large number of reservists, presumably Belgians, will follow the Canadian soldiers east to Halifax. If there is any chance at all to do so, both Canadians and Belgians will be given a hearty reception by the citizens. The soldiers come from Montreal.

Scouting means training which gives a boy a chance to make the most of himself. It helps him to spend his spare time at things which are worth while, and in which he is interested, but finds it hard to learn elsewhere.

The movement is neither military or sectarian.
Mr. Perrot, the Dominion Representative of the movement was here last month and was perfectly satisfied with the work, as it was being carried along on the right lines, and thanked the committee for their kindness in pushing forth the movement as it was being done.

We have no connection with the cadets and no scout is asked to be a soldier against his wish, though some Boy Scouts have volunteered their services in the old country. But we believe in Loyalty to our God and King.

TO HELP OTHERS AT ALL TIMES, AND TO OBEY THE SCOUT LAW.

Which is the scout oath, and which he has to remember and live up to. Meetings every Monday and Wednesday evening from 8 to 9.15 P. M. Don't forget we are having a bean supper on the 17th of February. Watch the posters.

WILL SUFFER LONG

AFTER THE WAR

Belgium, before the war, was one great workshop, with skilled workers in a large variety of highly organized industries, all of which have been paralyzed by the war. The workers have been scattered, many of them killed, trade connections have been broken, and the factories which have not been destroyed by fire or hostile shells are deteriorating. Whatever indemnity the country may be paid, it is not likely to be a full equivalent for the damage done, and years of skimping will be necessary before prosperity can be restored.

An old lady in Frome, Eng., took back a war map to her bookseller, complaining that there was not marked on it the battlefield of Armageddon about which there had been so much talk.
