## GRAND FALLS POWER DEVELOPMENT

Latest Reports of Important Subject Give Apparent Assurance

Movements in relation to hydro development are rapidly culminating in a confirmation of the Globe's recent report that Chief Engineer Acres had reported favorably on the general scheme of developing the Grand Falls, so far as feasibility is concerned. The announcement of a survey which would provide for a hydro line from Grand Falls to Campbellton also supports the assumption that the development of New Brunswick's "Niagara" is assured.

Hon. D. E. Smith, Chairman of the N. B. Hydro Commission; Hon. J. B. Michaud, member of the commission, and acting Chief Engineer S. R. Weston of the commission, leave on Monday for Quebec, where they will enter into negotiations with the Quebec government in relation to storage rights in Quebec for the Grand Falls scheme of development. The Quebec storage area, in its bearing on Grand Falls, is largely centered in the Temiscouata Lakes.

C. H. Lowry, C. E., expert of the Ontario Hydro Commission in the department of civil engineering and representative of Chief Engineer Acres, that commission in the latter's capacity as consulting engineer to the New Brunswick government in the matter of Grand Falls development, arrived at noon from Toronto. Mr. Lowry will leave on Friday for Grand Falls to make a survey of the storage possibilities at the head waters of the St. John. He will be accompanied by C. McN. Steeves, M. Sc., M.E.I.C., of the engineering staff of the N. B. Hydro Commission, formerly chief engineer of the Federal Public Works Department here—St. John Globe.

MRS. ROBERT SUTHERLAND

Death has claimed another victim in Riley Brook in the person of Mrs. Robt. Sutherland. The deceased had been in failing health for the last two years or more. She suffered much but was patient during it all. A husband, five boys and three girls are left to mourn the loss of a faithful companion and mother.

The funeral service was held in the Presbyterian church on Wednesday, Jan. 16, conducted by Rev. H. A. Slipprelle, Baptist, who spoke from II Timothy 4:7-8. "I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord the righteous judge shall give me at that day, and not to me only, but unto all them also that love his appearing." Not only was this her selection of a text, but she asked to have the following hymns sung at her funeral—How firm a foundation, and "There's a land that is fairer than day." The burial service was conducted at the grave by the L. O. B. A. of which she was a member.

## \$5,000 DAMAGE IN HARTLAND BLAZE

Residence, Barn and Woodshed Completely Destroyed by Fire

The residence, barn and woodshed of Thomas Thistle, situated in High street, were totally destroyed by fire Friday morning, only the furniture of the downstairs rooms being saved. The loss is estimated at about \$5,000, although there is some insurance.

The fire caught at about 10 o'clock in the morning in the upper storey and spread so rapidly that nothing of the upstairs furniture could be saved. It is believed that a defective fuse was the cause as there were no stores in the upper part of the house. The flames licked up the whole property, and only charred embers were left.

Fire Marshall H. H. McCallan was passing through Hartland having completed his inquiry into the cause of the recent fire in Florenceville, and he stopped off to look over the ruins of the Thistle property.

ELECTED OFFICERS

The New Brunswick Seed Potato Growers' Association which was organized at Fredericton last week at the annual meeting of the N. B. Farmers' and Dairymen's Association, completed organization by electing officers as follows: President, A. D. McCain, Florenceville; Vice-president, Dr. S. McL. Doherty, Petit Rocher; Secretary Treasurer, O. C. Hicks; Auditor, A. J. Donnett, M. P., Notre Dame; Managing Committee, A. D. McCain, Florenceville; J. T. Stewart, Dalhousie; Alex. Brebner, Mouth Kewick; Harold Secord, Penobscia.

## CARLETON ELECTRIC LIGHT BETTER THAN AROOSTOOK

The Presque Isle Star-Herald says: It is claimed that the newly installed extension of the Gould Electric Company, which lights Woodstock and other St. John River Valley towns is a better service than most of the towns in Aroostook are getting. This is not very satisfactorily accounted for but it is claimed to be a fact by those who have noted the difference there and here.

HARD TIMES ON WHEELS

Fredericton Mail.) Premier Veniot told the farmers and dairymen last evening that there were twenty thousand automobiles owned in New Brunswick at the present time, estimated to be worth \$20,000,000. It costs about \$4,500,000 annually to keep them in repair and \$1,500,000 is expended each year for gasoline. And yet people are constantly complaining of hard times.

### Nor in New York

Mr. A. T. O'Leary, of A. T. O'Leary & Co. Colliery Agents, has received a letter from New York which says in reference to Mr. O'Leary's Chocolates, "Nothing can be bought in this country to equal them."

And in almost identical lan-

guage comes a letter direct to Mr. O'Leary from Roxbury, Massachusetts, saying: "Nothing to be had here like Mr. O'Leary's Chocolates."

The people of Nova Scotia deserve the credit for Mr. O'Leary's Chocolates. The high standard of their taste led to the high standard of the chocolates.

## NEW ROUTE FOR M. C. CONNECTION

Connecting Link Between Prince William and Vanceboro Now Being Surveyed

According to the Fredericton Mail, the C. N. R. is contemplating the construction of a connecting link between Prince William station on the Valley railway and Vanceboro. This will do away with the Meductic to Danforth extension passed by parliament but defeated by the Senate last session. The route now proposed would give the C. N. R. direct connection with the Maine Central and access to New England points without going over C. P. R. rails as is at present necessary. It is said the new route can be found at easy gradient and miles shorter than the existing rail route, and for North Shore, Prince Edward Island and Nova Scotia products, shorter than the proposed Meductic route.

Last session of Parliament T. W. Caldwell, M. P., was active in pushing through the Meductic connecting link.

MR. G. E. KNIGHT WILL PREACH AT HARTLAND U. B. CHURCH

In spite of the severe cold weather the services at the Hartland United Baptist church were well attended on Sunday last especially in the evening when the church was filled to capacity. At the close of the service the ordinance of baptism was administered to four candidates.

Next Sunday Mr. G. E. Knight will preach at both the morning and evening services, in the absence of the pastor. Mr. Knight has rendered exceptionally fine service to the church as leader of the singing in connection with the special meetings just closed. Mr. Knight is a clear forceful speaker and well worth hearing. Special music will be rendered by Mr. Knight and the choir.

## GRAND FALLS

We are certainly having cold stormy weather here now. The coldest this winter.

Miss Bessie Fraser had quite a bad fall near the school house Thursday afternoon. Miss Fraser had just been getting out after a sick spell and the fall and shock has put her back again. Ford Merritt is home from a visit with friends in Truro.

Mr. and Mrs. Arthur Chamberland entertained a number of their friends Thursday evening in honor of Leo St. Pierre of Edmundston. Among those present were Mr. and Mrs. J. D. Bloddeau, Misses Helena Burgess, Ida McCluskey, Juliet Bonleau, Monica Martin and Lodvina Long; Messrs. (Dr.) Verritte, Alpha Levesque, Rene Cyr, Gerald Brochan, Leo St. Pierre. Cards were the amusement of the evening. Luncheon was served and all enjoyed a very pleasant time.

Mr. and Mrs. George Phair of Limestone were guests of Mrs. Jane Day one day last week.

J. J. Evans is visiting his son, Wallace Evans at Brownville, Me.

Mrs. M. O'Regan is home from a visit with friends in Van Buren.

Dr. C. A. Kirkpatrick returned Monday. Mrs. Winnie Mathers and Mrs. Chas. J. McCluskey were guests of Mrs. Harley on Saturday.

Robert McCluskey has been quite sick but is able to be out again.

Rene Cyr and Mr. Brochan of the Provincial Bank, spent the week-end with friends in Edmundston.

Mrs. Stroup entertained friends Friday evening, among whom were Mrs. C. McCluskey and Mrs. John Burgess.

The Ladies Aid of the Presbyterian church met at Mrs. Chapman's on Thursday evening. There were 14 ladies present and a good amount of work was accomplished. Refreshments were served. Mrs. Chapman was assisted in serving by Mrs. Elsie Kirkpatrick and Mrs. J. E. Andrews.

J. A. D. Robertson is in Campbellton on business this week.

Jane Pirie left Monday to resume her studies at Ladies College, Sackville, N. B.

Mary Louise McLaughlin visited relatives in Van Buren this week returning home Friday.

## GREGG SETTLEMENT NEWS

Bill Bros. started their new mill this week and are turning out some fine lath.

Harry Mason visited friends in this place recently.

Henry Thomas is confined to the house with a severe attack of pleurisy. His many friends will wish him a speedy recovery.

Barry Thomas made a business trip to St. John this week. We are glad to learn that Mrs. Cronkite is on the mend.

## CARLETON COUNTY COUNCIL

## Full Report of Proceedings at Regular January Session, 1924

(Official Report Tuesday)

The semi-annual meeting of the newly elected County Council opened in the Court House at 11 a.m. on Tuesday, January 15th, 1924.

The board as now constituted is as follows:

Aberdeen—Arthur E. McIntosh, H. J. Flemming.

Brighton—Henry Smith, Fred Brown.

Kent—G. W. Perry, Louis Boyd.

Northampton—Henry A. Phillips, G. Arthur Gibson.

Peel—E. W. Melville, Edmond Saunders.

Richmond—K. F. Dalling, W. A. McDougall.

Simonds—James Peters, W. N. Raymond.

Wakefield—Robert Bell, J. Allan Good.

Wilmot—W. F. Anderson, Bert C. Cliff.

Wicklow—Hugh T. Tweedie, Beecher Tracey.

Woodstock—F. Byron Bull, Chas. W. Clark.

Hartland Town—Warren White.

Woodstock Town—Wm. Balmain, H. M. Dewitt, H. T. Stevens.

The officials present were: J. C. Hartley, secretary treasurer; Chas. Comben, auditor; J. P. Maloney, reporter; Sheriff Foster, Deputy Sheriff Moores, Herbert Holmes, janitor.

Warden Perry took the chair.

The National Anthem, led by Councilor Robert Bell, was sung.

Rev. E. B. McLatchie, B. A., opened the session with prayer. He was glad to live in a land in which such gatherings were opened by prayer. This was wisely and rightly to be commended, because the heart and mind should at all times be subject to the Divine Law.

Secretary Treasurer Hartley furnished the elections returns, showing that the above councillors were duly elected for the next two years.

Warden Perry said that he was about to be relieved of office. He thanked them for the honor conferred upon him two years ago and it was indeed an honor to be warden of the noble county of Carleton. He had endeavored to perform his duties faithfully and well. His association with Judge Carleton and Sheriff Foster in the drawing of juries was most pleasing. As usual he would always stand for economy. The farmers are having yet a hard time to get along. We must conduct business in as close a line as possible. You have read an appeal for economy by the Town Council of Woodstock, but he had no doubt that some of those men who signed that appeal would be coming to this Council this session for different grants. The farmers have so many bills to pay that a few cents added to their taxes would be burdensome.

Moved by Coun. Melville, seconded by Coun. McIntosh, that W. F. Anderson of Wilmot, be selected warden of this Council for the next two years.

Coun. Anderson—I feel my inefficiency to fill this position as well as it was filled by the retiring warden, but I will do the best I can to carry out the duties of the position to which you have elected me and for which I return my sincere thanks.

It is ten years since I was first elected to this board, and all the sessions have been most agreeable. I have sat under four wardens, Phillips, Tracey, Melville and Perry. Everybody is talking economy, and it is wise for this Council to follow it, but if there is too much economy the County would stand still. The warrants have run from \$30,000 to \$50,000. York has reduced theirs to \$26,000. It seems as if we should do as good as this year. The farmers are very little better off than they were last year. We must increase our warrant. It is 20 years since Wilmot has had a warden. It has had two, viz. John F. Williams, and the late Henry Carvell. I feel it an honor to follow in the footsteps of these men. The only thing I have in mind for the Council to deal with is the Dog Tax Law, the payments in which are very hard to collect.

Council adjourned until 1 o'clock.

At two o'clock Tuesday afternoon the Council convened with Warden Anderson in the chair.

Mr. Hartley explained that the collector's returns were not all in, consequently his report nor the report of Auditor Comben could not be presented at this session. Their reports would be ready by Wednesday or Thursday. He thought, however, that while there was a deficit of \$8500 last year, the accounts would balance. With the smallest assessment for many years, the County made up the deficit of \$8500 and would have a small surplus.

Coun. Balmain—Those who were here last June will remember about the matter being brought up of the county charter and manuscripts bearing thereon, and that a committee was appointed to look into the matter.

Couns. Melville, Bull and myself were appointed a committee. Carleton was the first county in the province to

form a Municipal Council in the year 1850. We gave the question much consideration. The committee has decided that the proper place to place the records was in the Record Office, although we thought at one time of placing them in the Public Library at Woodstock. Recorder Munro said that he would be pleased to look after the documents. We have decided to recommend that the Charter be engrossed, framed and hung in the Court House. The Charter contains 1500 words, and Number Two sample from the engravers would be recommended by the committee.

Coun. Melville—Anybody is free to go to the Record Office and examine the documents and it will be interesting for anybody to read and contrast the way the councillors did business then and now.

Moved by Coun. Melville, seconded by Coun. Phillips, that the committee be employed to have the Charter engrossed at a cost of \$50.

Motion carried.

Coun. Flemming—A year ago a committee was appointed to interview the executors of the Fisher Estate as to improvements at the Hospital. We carried out our duties, but nothing has been done.

Coun. Melville—I was a member of the committee and Coun. Flemming did certainly put it up to Mr. Connell as to the desirability of the repairs.

Moved by Coun. Flemming, seconded by Coun. Melville, that a committee be appointed to interview the executors of the Fisher estate as to improvements at the Carleton County Fisher Memorial Hospital.

Carried.

Warden Anderson appointed the following committee: Couns. Stevens, McDougall and McIntosh.

Coun. Perry read the report of different municipalities showing that the provincial government paid the board of certain classes of prohibition prisoners, and said that this county had already or would have to pay hundreds of dollars for the board of such prisoners in the county jail.

Mr. Hartley—I do not remember of any bills of the kind we have paid, although we may have done so. Those prisoners in jail for operating stills come under the Federal laws. It might be that the Dominion or Provincial Government is liable in some cases and the matter should be looked into.

Moved by Coun. Perry, seconded by Coun. Dalling, that a committee be appointed to take up with the Secretary Treasurer the matter under discussion and report at the June session.

Motion carried.

Warden Anderson appointed the following committee: Couns. Perry, Melville, Dewitt.

Moved by Coun. White, seconded by Coun. Gibson, that the committee already appointed to meet the Town Council of Hartland on assessment matters, be given an extension of time.

Carried.

Coun. Raymond—it seems to me that it is up to the Town Council of Hartland to name the time and place for a discussion on the subject.

Coun. Perry—Coun. White of Hartland made the original motion for the Council to confer with Hartland which is the bone of contention.

Coun. Melville—As chairman of the committee I will ask the town of Hartland to fix a date.

Moved by Coun. Perry, seconded by Coun. Tweedie, that the warden appoint a committee on bills and accounts. Carried.

Warden Anderson appointed Couns. McIntosh, McDougall and Stevens.

Secretary Treasurer—The time has come now that any office must be equipped with everything needed to carry on rapid and efficient work. I have a large amount of county work, assessment lists, defaulters lists, etc. It is hard to get good address among stenographers. Personally I have a very expensive book keeping machine, but I do not like to use it as an adder. I would like the County to purchase for county work an adding machine that will cost from \$200 to \$300, similar to one used at the Woodstock Town Manager's office. In a few weeks now I will have to take in all the collectors' lists, and I already furnish the county with a safe for its different lists. I would like the Council to consider the matter but I would not need the adder until next fall.

Moved by Coun. Perry, seconded by Coun. Bull, that a committee be appointed to confer with the Secretary Treasurer as to securing an adding machine.

Carried.

Warden Anderson appointed Couns. Balmain, Clark and Dalling.

On motion of Coun. Stevens, seconded by Coun. Melville, the Council decided to hear the delegations tomorrow afternoon.

Coun. Melville—Is not Hartland in a serious condition with the county?

Secretary Treasurer—In 1922 Hartland was assessed \$3004.20. The town sent me a check for \$2000. They have

not paid the balance, nor the assessment for 1923. I have not heard from Hartland since, although I have written to the Town Clerk of that town. The parishes are paying up very well. Woodstock town, which pays, by an Act of the Legislature, one seventh of the county assessment, has paid in full for 1923. If it says it won't not doing its duty. If it says it won't pay, there are ways by which it can be made pay, and the Finance Committee should see that it does pay its share.

Coun. Bell—it looks to me as if Hartland now owes the county about about \$2800.

Coun. White—One reason why our town is behind is that there is an election on at present. I spoke to Ald. Hatfield about it and he says a remittance will be made by Thursday. Last year a committee appeared before the County Council, pointing out that Hartland was unfairly taxed as compared to Woodstock, but it did not meet with a cordial reception.

Coun. Melville—As chairman of the committee appointed to meet the aldermen of Hartland, when we do meet them we cannot make any trade. We cannot shift an Act of the Legislature. If we did neglect our duty as a committee that is no excuse for Hartland not paying.

Coun. Dalling—So Hartland owes \$1000 on the 1922 taxes. Where would we be if the Town of Woodstock did not pay in full, and the other parishes refused to pay their bills like Hartland is doing. If Hartland does not come across, the Secretary Treasurer should enter a suit against the town.

Coun. White—Did not Brighton councillors move at the June session to wipe off all defaulters up to a certain year?

Coun. Balmain—Coun. Brown's motion in June was to write off delinquent taxes up to 1919. This does not relieve the Parish of Brighton from any debt it may owe the county.

Coun. Flemming—Surely Hartland does not owe the county in full the sum of \$4000. No wonder we are having a hard time getting a surplus.

Mr. Hartley—it owes about \$3200, but probably we had better drop the subject now as Coun. White has promised us a remittance on Thursday.

Moved by Coun. Perry, seconded by Coun. Tweedie, that we adjourn until 2 o'clock, Wednesday afternoon.

WEDNESDAY

Wednesday morning's work was done by the committee on bills and accounts.

Council met at two o'clock on Wednesday afternoon, Warden Anderson in the chair.

On motion the delegation present were heard before the board.

E. W. Mair, chairman of the Vocational Board, told how and why the

Vocational Board was organized; explained how the federal and provincial government financially helped in the movement; said that Carleton County school was started four years ago; it has 61 students in agricultural work; 63 day students in the home-making department; 39 students taking the commercial course, and with academic students serving full time; about 80 per cent of the pupils live outside of the Town of Woodstock. The school was depending a lot on the county grant; if the county had given its full grant last year there would have been a surplus, but as it was, there had been a deficit. He would like the county to vote the \$1000 it refused to vote last year, and also the usual \$2500 grant. When the new Woodstock Town Council met, he proposed to ask it to increase its grant from \$2500 to \$3000. He congratulated Warden Anderson on his election and appealed to the Council to give the necessary grant to enable to keep alive one of the very best institutions in the county.

Chas. A. Gray was the first speaker for Carleton County Agricultural Society No. 41. He said that last June the committee asked for a grant, but the Council said it could not afford it. This year we would like to have a grant of \$2000. The Exhibition should have some help from the County Council. The Exhibition is open to Carleton County, the province and Canada as a whole. We expect a small grant from the Dominion this year, but we are not sure of it. It is hardly possible to pick up a newspaper

unless you see something about emigration from Canada. Many of our boys are going to the American cities; nearly 1000 of the young men of Carleton county have gone there in the last few years. Hardly a home but had lost some boys by emigration during the last few years. ## LOCAL AND PERSONAL ITEMS

El Stanley Savage left Monday for Detroit, where he will take a course at the Michigan State Automobile School of Detroit. Stanley, certainly, is one of our ambitious young men, and the best wishes of our citizens go with him.

"Lost and Found" a thrilling and captivating tale of the South Seas was screened on Wednesday evening. Not one continental scene was shown; the whole play being staged on the beautiful tropical island of Pango and surrounding southern waters. House Peters in the role of a stern sea captain whose wife and eldest daughter were stolen by an infamous white trader while the captain was away on a voyage, was excellent as were the wife and daughter played by Rose-Mary Theby and Pauline Stary. George Siegman made a strong character role of the villainous seducer. Not the least of thrills in this film was a war between the natives of Pango and the neighboring island of Moa, and the stirring of the tropical seas by hundreds of war canoes was most exciting. Readers of the Saturday Evening Post got a good kick out of the serial "Backbone" which ran in that magazine some months ago. The characters John Thorpe, Doc Roper and the redoubtable Colonel Tip were all excellently taken, and Edith Roberts was most petite in the main feminine role. A reel of sporting events and a Hal Roach comedy completed the program.

On Sunday the song "Oh day of rest and gladness," was most appropriate. Inclement weather brought out the hibernating instinct in everyone and the town looked as deserted as a tomb.

On Thursday evening last a number of local Masons took a straw ride to Florenceville to attend the regular communication of Carleton Lodge, when five candidates were given the third degree. The interior of the hall looks most resplendent with a new carpet, and any of the brethren will be well repaid by the pleasure accruing from a visit thereto.

"Measles" is reigning as a prevailing disorder in some of the nearby localities, and inhabitants thereof are playing hide and seek to avoid contact with anyone bearing the placard.

A. A. H. Margison and Percy W. Simonds attended the F. and D. Association meet at Fredericton last week.

A. D. McCain arrived on the Valley from St. John on Saturday evening and drove to his home in Florenceville.

Roy Wildman was at home for the week-end.

Mrs. B. R. Field has returned after a visit in St. John.

Mrs. F. M. Brown is visiting her sister in St. John.

The Centreville High boys went to Perth on Wednesday and played a closely contested basket ball game with the school boys of that town in the evening. They were most cordially treated by the boys of the latter town, and returned home on Thursday morning in time to attend the afternoon session.

F. O. Creighton of Woodstock was at the Kennedy House on Thursday.

Rev. H. R. Bell will preach on February 3, as follows—Centreville, 11 a. m. and 7.30 p. m.; Carvell at 3 p. m. All are cordially invited.

## There's a Clever Bit of Quality in This Little Piece of Rubber

It's only a nipple—but it's lively, pure, fresh and clean rubber; and it is a serviceable, advantageous need wherever there is a baby. It is fully illustrative of the quality of rubber we sell, little pieces and big pieces for simple needs or surgical requirements.

## The Bigger They Are the More Worthy the Grade

The larger pieces—Hot Water Bottles, Fountain Syringes, Tubes, etc. The bigger they are the more worthy the grade. In the big useable items there must be quality or there is no wear.

You will always find quality rubber here and at the lowest prices.

## Story of "The Town That Forgot God"

Main Street, U. S. A.—There one finds "The Town That Forgot God." It is a small Yankee village—the kind of a place, which combined with the thousands of other places just like it, forms the backbone of the great American commonwealth.

It is a town anywhere, a town of one street, a church, a country store, and the usual small town characters. It is a town where the ten commandments are broken every day and the golden rule every hour.

In this village, as in all villages, lives a simple, good-hearted, small-town carpenter, who spends the greater part of his time aiding those he can. Each day he goes to the little school house where Betty Gibbs, the village teacher, honestly endeavors to fulfill her life's vocation. Each day, in a thousand different ways the village carpenter attempts to show his devotion to her.

The county authorities are busy laying out new streets through this community and "fate" often arranged many chance meetings between the teacher and the youthful surveyor in charge of the work of the county. In time they are married, but their happiness was doomed to be short lived. When their son is starting his grade school education the father is taken from them and the mother again is forced to return to her old vocation.

The day arrives for the annual examination of the children by the town board of trustees, consisting of the village minister, the town squire and the other "leading citizens of the community." The rector is selected to give the youngsters their examinations and the first question he asks was so far in advance of the lessons the children had been studying that none could give a reply except the teacher's son, who spent the greater part of his spare time studying.

Playing the teacher's methods of instruction and complaining that she slights the other children for her son, the board discharges her. Unable longer to properly provide for herself, Betty is the easy prey of illness and dies shortly after.

The problem presenting itself to the townspeople is what to do with the boy. The squire solves that problem—after he realizes the boy's furniture may be worth something—by adopting the lad. Immediately after the adoption, the squire holds an auction and sells the furniture. The boy does not protest until his mother's rocker, the chair she loved so well, is offered; then he begs that he be allowed to retain it.

The squire refuses to listen to him, and the chair is put up with the rest of the articles. But the carpenter buys the chair and keeps it for the boy.

The boy's life in his new home is not particularly happy. The squire, his wife and their boy are mean and big game. The squire's son steals a small amount from his father's purse and when David shows the new watch that the carpenter has bought for him, he is accused of theft.

David is cast into an attic as punishment, when suddenly the storm breaks. In the most realistic exciting storm and flood ever shown in pictures, the "Town That Forgot God" feels the wrath of the heavens.

Houses tumble down as if struck by a hurricane, trees are bent to the ground, men and women leap from the windows of tottering houses, cattle, pigs and livestock of all kinds are washed down with the current, while the heavens flash lightning.

Only a few people are saved, among them David and the carpenter. They go to another town, a town of kindly folk with gentle ways. David is adopted here and educated. How he repays the new town and forgives the old, rounds out this screen masterpiece.

This great masterpiece will be shown at Hartland on Thursday, Centreville on Saturday.

## TWO GOOD RECIPES

**MOLASSES COOKIES**—Into 1 cup of softened butter stir 1 cup sugar, 1 cup molasses, 1 egg, teaspoon soda dissolved in ½ cup of boiling water, 1 teaspoon ginger, 1 of cinnamon, 1 of vanilla, enough pastry flour to roll smoothly, sprinkle with sugar, cut in 3 inch squares, bake in hot oven.

**OAT MEAL COOKIES**—Into 3 cups

of oat meal stir 1 cup sugar, 1 cup soft butter, 1 cup buttermilk, 1 egg, 1 teaspoon soda, a little cinnamon, enough pastry flour to roll, sprinkle with sugar, cut in squares, bake in hot oven.—Mrs. Alice Wilson, Lakeville.

## Lakeville Leaflets

Owing to some of the supplies for the electric line being mislaid, the work has been delayed for a week or two. In the mean time most of the houses have been wired so when the current is turned on all will be ready. The Orange Hall has been wired and enough money is on hand to put in all the fixtures.

Our school reopened on Monday with Miss Barker again in charge. Miss McLeod of Charleston, is attending school here. Several are preparing for Normal School.

W. F. Anderson has been attending the Potato Growers' Association in Fredericton.

Mrs. James Kirkpatrick has bought the Fannie Fowler house and intends moving there shortly having sold her place at Tracey Mills.

Mrs. Geo. Smith who has been on the sick list but is much better greatly to the delight of her many friends. Mrs. Charlotte Porter is spending the winter at Charles Traceys. John Grant is spending part of the time with his brother, Joseph at Peel. Hilda Wilson is visiting in Fort Fairfield.

Mr. and Mrs. Briggs of Mars Hill are visiting their daughter, Mrs. Clayton Kinney.

The Red Cross met last week at Mrs. Minnie Carvell's. The Juniors meet this week at Mrs. Colridge's. Clifford McWade who was operated upon last week is improving nicely.

Mrs. Michael Sullivan is boarding at Eddie Kennedy's. Mr. Sullivan being away to the woods.

Henry Wilson has taken the contract to keep the road broken to Farmington school house.

Miss Gumbel of Centreville spent the week end with Mrs. Hartley Gee. Ethlyn Jones gave a birthday party on the 17th it being her 13th birthday anniversary. A right good time was enjoyed by the children.

Not many potatoes are being loaded here now.

Harry Lifford is having his house and barber shop wired for electric light.

## ON THE FUNNY SIDE

He Hadn't a Bill.  
 Smith was returning from the office one afternoon to do a little planting turn in his war garden when his little five-year-old daughter ran down the walk to meet him.  
 "Oh, papa," she exclaimed, seizing his hand, "a man was just here to see you, but he couldn't wait."  
 "Is that so?" smiled the fond father.  
 "Did he have a bill?"  
 "Oh, no, papa," answered the little girl. "He just had a plain nose."

It Didn't Work.  
 Little Ethel had put her stocking on wrong side out. "Now you must make a wish and it will come true," said her mother.  
 Some time later she came to her mother. "There's nothing to it, mother."  
 "Nothing to what?"  
 "Why, you said to make a wish when I had put my stocking on wrong side out. I wished I hadn't done it. But I can't see any difference yet."

Unfavorably.  
 "What were those lady fingers whispering about?" asked the judge, leaning forwardly of the court hall.  
 "Nothing, sir."  
 "Just they were. What was it?"  
 "Well, your honor, they were saying something on the hang of your gown."

Effort That Availed.  
 "So at last you have made literature profitable," replied Mr. Pennington.  
 "I never said many competitors. But I kept plugging away copying my own stuff till now I can command a handsome compensation as a typist."

The Morning After.  
 Wife—Do you think it good for you to stay out to the hour you did last night?  
 Hub—If you refer, my dear, to this dark brown taste in my mouth, I can assure that it's anything but good.

## GENERALLY.

 "Do you prefer to talk to the woman?"  
 "Yes; he backed two or three up. They're the only ones who understand me."

Only One Way.  
 Doctor—You must be careful and follow the right directions for taking the pill.  
 Small Invalid—G'wan wid you. There's only wan direction for it to go.—London Answer.

Sharp Retort.  
 He—Did you know the mails were allowed to carry soft soap?  
 She—I did not know the capacity of mail for soft soap had ever been questioned.

Professional Advice.  
 "And what did the doctor say about your eyes, Pat?"  
 "Bodad, he said it's such a condition they're in O'll have to tape all them for a week."

Food for Thought.  
 Mr. Matter—You ought to see the play I was telling you about. It's a mighty good one.  
 Miss Mind—One of those miracle plays, I suppose?

A Good Idea.  
 Dobbs—My landlord ordered me out because I can't pay my rent.  
 Hobbs—Glad I met you. So has mine. Let's change quarters.

## ARMOND

A sled load of young people from his place spent a very pleasant evening on Saturday last at Miles Sherwood's camp at Skeddadie Ridge. Lee Dyer who is lumbering at Nashwaak spent Sunday at his home in this place.

Armond Henderson is busily engaged in hauling supplies for Chute Bros. and William Kimball at Nashwaak.

Miss Lily Robinson who is teaching at Rockland spent Sunday with friends here.

Cecil Brewster who has been in the woods for Clark's returned home last Friday having had the misfortune to cut his foot quite badly.

Our school is progressing nicely under the management of Earle McQuarrie.

Mrs. Roy Carle of Knowlesville is spending a few weeks with her parents, Mr. and Mrs. Will Phillips.

Miss Emma Corey, teacher at Windsor, spent the week-end with Miss Daisy Henderson.

Arthur Henderson, Robert Brewster and Archie Robinson are again cutting lumber on their own places this winter.

Messrs. Currie and Hemphill are making extensive improvements on their mill in this place.

Mrs. Lynn Kimball who has been ill for some time is recovering rapidly.

## Cloverdale Notes

Basil, the little five-year-old boy of Willard Crabb, has got pneumonia.

Mrs. Coley A. Craig spent one day last week with Mrs. Oakley Orser.

Our teacher, Miss Camp, has returned to her school after spending Christmas at her home at Jemseg.

Mrs. James Crabb spent Sunday with Mrs. Willard Crabb.

Allen Watters who moved to Fredericton a few weeks ago was in town on business one day last week. There was a local rumor that his residence had been burned since he went to Fredericton, but he told The Observer that while the house in which he lived, part of which was occupied by another family, was on fire, his apartments were untouched.

The cold snap which set in on Saturday was a very good sample of winter weather. The high wind and intense cold made Saturday night one of the worst in history. Sunday was intensely cold and at nine o'clock on Monday morning The Observer thermometer reported 20 degrees below zero and at an earlier hour it must have been 25. Such severe weather is not in the memory of many people. Even the old residents were reticent and looked mighty serious.

Respectfully submitted,  
C. W. CLARK  
W. F. ANDERSON

Moved by Coun. McElroy, seconded by Coun. Tweedie, that J. C. Hartley be

re-elected Secretary Treasurer at the same salary as last year.

Carried.  
Moved by Coun. Stevens, seconded by Coun. Bull that Chas. Comben be re-elected Auditor at the same salary as last year.

Coun. Cliff—With all due respect to the present auditor and not criticising the correctness of the county books I should consider it better business to employ the services of a chartered accountant to audit the books of the County for the next two years as it is not the practice of our best business firms or municipalities to have other than a chartered accountant for auditing purposes. Therefore I would move an amendment to the motion that we secure the services of Mr. H. G. Hoben of Fredericton, N. B., at the sum of \$150.00 per year which is only \$50.00 in excess of what we have been paying. I might say that this price is very reasonable for the services of a man of this kind and we are only able to get this through Coun. Councillor Flemming's connection with him as being the Auditor that they employ.

Coun. Perry seconded the amendment.  
Coun. Flemming—We have no fault to find with the present auditor; it is the proper course to employ a chartered accountant. I know Mr. Hoben is not a very capable man.

The amendment was carried.  
Moved by Coun. Dalling, seconded by Coun. Boyd, that John F. Maloney be re-elected reporter at the same salary as last year. Carried.

Warden Anderson appointed the following committees:

Finance—Couns. Balmain, Perry and Flemming.  
Municipal Home—Couns. Melville, Bell and Dewitt.  
Building—Couns. Clark, White and Cliff.

Moved by Coun. White, seconded by Coun. Brown, that the advertising committee of last year be continued. Carried.

As some of last year's councillors were not members of the board at present, the Warden appointed Coun. Dalling, Stevens and Good as the advertising committee.

Coun. Balmain said he had a very important resolution to offer. It was along the line of the resolution prepared by Mr. C. L. S. Raymond and ratified by the Woodstock Town Council, which received publicity in the Montreal Gazette and other Upper Canada newspapers, the Telegraph-Journal and other Maritime journals. These newspapers editorially commented on the wisdom of the view set out by Mr. Raymond.

The following resolutions was moved by Coun. Balmain, seconded by Coun. Brown and carried unanimously.

Whereas, the late war, which took from us so many thousands of our best citizens, has left Canada with an exceeding heavy National Debt, the interest on which amounts to more than one hundred and twenty-five million dollars a year.

And whereas, no serious effort has yet been made toward reducing this debt, which means a burden of taxation that is a serious obstacle in the way of Canada's progress.

And whereas, we believe that greater economy in the administration of the financial affairs of Canada.

It is resolved that this Council in semi-annual session assembled, do hereby request Parliament and the Federal Government, that a sincere effort be made to reduce the burden of taxation by curtailing expenditure and effecting economies which the public have every right to expect. In particular we ask for a reduction of the Seasonal Indemnity to the pre-war figure of \$2,500.00 believing as we do that such a step would show the sincerity of our representatives in this important movement, and justify the radical reduction of expenses in all departments.

And further resolved, that a copy of this resolution be forwarded to the Premier, the Honorable W. L. Mackenzie King, and that a copy also be forwarded to our representative, Mr. P. W. Caldwell, to be laid before Parliament when it assembles.

The following election payments were ordered paid:

Couns. Flemming and McIntosh, Aberdeen, \$15 to Mr. Bigger, \$15 to Mr. McIntosh.

Couns. Phillips and Gibson, Northampton, \$15 to Joseph Ralston.

Couns. Melville and Saunders, Peel, \$15.50 to Wilmet Hunter, \$15 to Stanley Hatfield.

Couns. Boyd and Perry, Kent, \$30 to Harford Kingston, \$15 to Robert Adair.

Couns. Cliff and Bell, Wilmet, \$34, to J. H. Wilson.

Couns. Bull and Clark, Woodstock, \$15 to Charles Peabody.

Couns. Bell and Good, Wakefield, \$15 to J. A. Thomas.

Couns. Tweedie and Tracey, \$5 to Weldon McLean.

Couns. Smith and Brown, Brighton, \$10 to Arthur Dickinson.

Couns. Dalling and McDougall, \$5 to Charles S. Gartley.

Moved by Coun. Clark, seconded by Coun. Bull and carried, that \$104 be assessed and charged to Woodstock parish for a new valuation of the parish.

The following amounts were voted for Poor purposes on the motion of the councillors of the parishes:

Couns. Bull and Clark, Woodstock, \$1500.

Couns. Boyd and Perry, Kent, \$200.

Couns. Tweedie and Tracey, Wicklow, \$600.

Couns. McDougall and Dalling, Richmond, \$300.

Couns. Bell and Good, Wakefield, \$1000.

Couns. Cliff and Bell, Wilmet, \$350.

Couns. Phillips and Gibson, Northampton, \$300.

Couns. Peters and Raymond, Simonds, that \$5 be paid Burrill Hatfield.

Adjourned until 9 o'clock Friday morning.

FRIDAY

Council met at nine o'clock, visited the Vocational School in a body, and opened the session at 10.30, Warden Anderson in the chair.

Mr. Hartley read a report from Dr. Anglin, showing that there were 14 inmates from this county in the Provincial Hospital.

The following moneys were voted for poor purposes:

Couns. Saunders and Melville, Peel, \$625.

Couns. Smith and Brown, Brighton, \$800.

Couns. Flemming and McIntosh, Aberdeen, \$250.

Couns. Peters and Raymond, Simonds, \$500.

The following lists of Parish Officers were confirmed:

Couns. Dalling and McDougall for Richmond.

Couns. Peters and Raymond for Simonds.

Couns. Dewitt and Stevens for Woodstock Town.

Couns. Saunders and Melville for Peel.

Couns. Bell and Good for Wakefield.

Couns. Tracey and Tweedie for Wicklow.

Couns. Brown and Smith for Brighton.

Couns. Gibson and Phillips for Northampton.

Couns. Clark and Bull for Woodstock.

Couns. Boyd and Perry for Kent.

Couns. Cliff and Bell for Wilmet.

Moved by Coun. Bell, seconded by Coun. Bull and Brown that the Council make a grant of \$2500 to the Vocational School, one half to be paid in June and one half in December.

Coun. Perry—I know it is not popular to be a kicker. Coun. McIntosh and myself have the reputation of being close-fisted. The want of success in the School is the lack of interest by the people. As Warden I consider I was ignored by the Vocational Board in not inviting me to their meetings but I have lived in this county 28 years and I hold no resentment to any man. The noble parish of Kent has one seventh of the population of the county, and pay one ninth of the taxes. The charge is made that I am not in favor of an education for the farmers. Education has cost me for my family \$700 a year, and Kent has the greatest schools in the county. Kent is so well advertised that the people of other parishes wish to claim that they belong to Kent. The parish had only two lunatics in the Provincial Hospital which shows that Kent is populated by a sane people. I can hardly say that I am opposed personally to the School, but I saw a lot of vacant room in the School this morning, and anyway the people in the county are hard up.

Coun. Saunders—As to school buildings I cannot agree with Coun. Perry. We pay more taxes for schools than does Kent. Peel, Simonds and Brighton have schools that will stand comparison with Kent.

Coun. Flemming read the resolution of the Woodstock Town Council as to economy, and continued: That is very applicable to the County Council. We must cut down expenses. I would be sorry to see the Vocational School closed, but we must curtail expenses. I believe they can cut out some of the branches and not hurt the efficiency of the school, to the farmers who attend it.

Moved by Coun. Flemming, seconded by Coun. McIntosh, in amendment that the grant to the Vocational School be \$1500.

Coun. McIntosh—I did not visit the School this morning, because I have been through it on several occasions. The watch word all along the line is economy. Last year I said that the school would not close down and I was right, because it is running yet. It will not close down either if we give them the smaller grant. Owing to the small attendance at the school

we are not getting 100 per cent of the value of our grant to the school.

Coun. Stevens—I am surprised at the attitude of the councillors for Aberdeen. I learned from a prominent Aberdeen man today that on the question of Vocational Education they do not correctly represent the feeling of the majority of the people there. Even if you carry the motion for \$2500, Mr. Mair is not getting what he wanted—he asked for \$3500. The councillors who visited the school this morning were greatly pleased with what they saw. I know pretty near all the people of this town, and in the woodworking department, as well as other departments, I did not know a soul, which shows that the pupils are chiefly from outside Woodstock town.

Coun. Peters—Because I come from the smallest parish in the county, may I be allowed to say a word. I have been through the Vocational School. I know the immense amount of good done by the school to the farmers of this county. I am in favor of economy but it is economy to deprive our young people of an academic as well as an agricultural education which this school is and has been giving to the young girls and boys from the farming districts. Either close the school down by your amendment or give it what it asks for. I will vote for the \$2500.

Coun. Balmain—We have one of the finest counties in Canada. I have been through the best section of the Ottawa Valley and out by the Rocky Mountains. I have seen nothing equal to Carleton county. If I was looking for a farm I would buy one here in preference to anywhere else. Then, why this talk of poverty in Carleton county as an excuse to close down the Vocational School. Efficiency is economy end to get such efficiency as you have in the Vocational School you must pay for it.

Moved by Coun. Stevens, seconded by Coun. Dewitt, in amendment, that the grant be \$3500.

Coun. Bell—I had a talk with Mr. Mair, chairman of the Vocational Board. On June 30th, the board had a large overdraft. The Council grant was \$1500 last year. If the board could get from the county \$1250 before the end of the school year, it could write off about \$500 of the overdraft. There are 218 students attending the school, 75 per cent outside of Woodstock town. The town gets a small amount for water, but it gets no taxes from the school. I may have a personal interest in the school, because I intend my children to get an education there.

Coun. McDougall—I was under the

impression that the \$2500 should be paid before June 30th, and I think I am right. The delegation that spoke in the Council gave us all the necessary information. They figured out within \$200 the last time what the school cost. They cannot run it without the county grant. I am surprised that a business man like Coun. McIntosh should put up the arguments he has done. It was explained by the committee how five business men were on notes for the support of the school, and it would be a disgrace on the county if the school closes and those men have to pay the notes in the Bank of Nova Scotia. Other municipalities are now raising large sums of money to build schools for Vocational purposes. The time to look after a man is when he is a boy; many of the lunatics in the Provincial Home are there through ignorance. These schools make a boy a man so that he will never become a pauper. Give the boys a chance for an education and support the Vocational School to the limit of our resources.

Coun. Brown said it was a necessary object to support this school. The building has been given to the county and it is thoroughly equipped to do good work. These gentlemen are behind the school and we must stand behind them. They are conducting it most economically. We must look to the development of our own county. We have four boys in the school from our parish. One boy hired the money to take the agricultural course. So enthusiastic are the boys that they have formed a Junior Agricultural Society, and they are putting up a scholarship of \$50 to do their mite to make the school a success.

Coun. Phillips—I will have to vote for the original motion as I think they can get through on \$2500. If I thought otherwise I would vote for the larger amount.

Coun. Bull—We had two boys there and they are well pleased. We are sending the third boy there now.

Coun. Dewitt—Coun. Perry and I have talked this matter over before, and I can understand his position. My boys did not have the privilege that the county boys have now in the Vocational School. I had to send them away to school and it cost me a lot of money. I don't think Coun. McIntosh and Coun. Flemming would like to see the school closed. I have visited the school on several occasions. I am in favor of the larger but if \$2500 will do I will support that amount.

Coun. Councillor Raymond—Because the school is in town is no argument against it. I would like to see the town

as big as Montreal, with pulp mills and other large manufacturing. At the banquet, reference was made to our warrants at times being as high as \$50,000. We will cut our warrant down to \$25,000 this year, and, at present, we have a small surplus. Last year I did not vote for the full amount for the Vocational School. I had a boy going to the school and I was afraid people would say "Raymond wants the county to educate his boy." This boy has not graduated from the Vocational School, and I will vote for the \$2500.

Coun. Gibson—I am in favour of the amendment to the motion. I want to for \$3500 if it will make amends for what we failed to do last June. The trustees are good business men and they are not trying to roll up expenses. Coun. Cliff—I am sitting next to Coun. Bell, and I can see his notes, and I believe I will vote for \$2500 as I think that the school can get along with that amount.

Coun. Melville—Cutting down the grant last June did some good because we got the Central Board up from 66 per cent to 75 per cent of the cost and we can now hold the Central Board to that figure. Let us give \$2500 now and next year, if we see they need it, we will give them more. Couns. Flemming and McIntosh are alright—we need somebody to keep nagging to keep down expenses.

Coun. Flemming—I think the Commercial course might be cut out.

Coun. Tweedie—I do not wish to

## Mother's Advice

NO mother ever taught her children a more valuable lesson than the necessity of keeping the bowels regular. Health, happiness and success are more dependent on this simple rule than most of us ever realize.

This mother advises the use of Dr. Chase's Kidney-Liver Pills because she has found this medicine to be absolutely dependable as a regulator of the liver, kidneys and bowels.

Physicians have estimated that nine-tenths of all human ills have their beginnings in the sluggish action of these eliminating organs and the consequent poisoning of the system.

Not only such ills as indigestion, constipation and biliousness but also appendicitis, Bright's disease, diabetes and high blood pressure arise from this cause.

Prevention is so much easier than relief after the disease has become settled that the

value of mother's lesson is at once apparent. In many homes the rule is one pill at the week-end as a regulator and preventative and more frequent doses when required.

The strong points for Dr. Chase's Kidney-Liver Pills are their dependability to produce the desired results and their direct and combined action on liver, kidneys and bowels.

It is worth remembering that colds and other contagious diseases are quickly checked by the use of Dr. Chase's Kidney-Liver Pills to rid the system of the accumulating poisons.

You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly.

Likewise Dr. Chase's Nerve Food is 60 cents a box of 60 pills, instead of 50 cents a box for 50 pills. Richardson Bates & Co., Ltd., Toronto.

CARLETON COUNTY COUNCIL  
(Continued from page 7)

give a silent vote. I am in favor of the school. It does good work. I will vote for \$2500.

The amendment to amend, and the amendments were lost. The motion for \$2500 carried.

Couns. Fleming and McIntosh wished to go on record, as being the only councillors to support the \$1500 grant.

Adjourned till 2 o'clock.  
Council met at 2 p.m., warden in the chair.

Mr. Hartley read a communication in which it was stated that Dr. J. V. Anglin intended visiting the Council but he was unable to come and it was suggested Dr. W. D. Rankin might come instead.

Moved by Coun. Melville, seconded by Coun. Gibson, that Dr. Rankin be notified that he is requested to address the Council in June on the subject of the insane patients in the Provincial Hospital. Carried.

Coun. Gibson—We had before us a delegation of representative farmers asking for a grant for the Agricultural Society and they certainly made their position plain and showed the great benefit to the farmers in the annual Woodstock Exhibition.

Moved by Coun. Gibson, seconded by Coun. Bull, that this Council make a grant to Carleton County Agricultural Society of \$1000.

Moved by Coun. Perry, seconded by Coun. Cliff, in amendment that the matter be laid over till June.

Coun. Cliff—We have been holding a small exhibition at Centreville. We ran a good show and paid expenses. If you give a grant to Woodstock, our show will ask for a grant. Better not to give a grant to either of us.

Coun. Bull—I am afraid that we cannot vote money in June, although it has been done in the past.

Coun. Stevens said that the Society had \$1250 to pay for insurance right away and it had no money to pay it. The interest on the bonds, \$2100, is always paid by the town of Woodstock.

Moved by Coun. Stevens, seconded by Coun. Dewitt, in amendment, that the Council make a grant of \$1250.

Coun. Dewitt referred to alleged remarks of James W. Gallagher and F. O. Creighton, prominent members of the Agricultural Society, that a grant if made in June would do. He could not understand why they should talk so. The Society sent a delegation here to ask for a grant and the Society should know its own business. The speaker showed that with a price list of \$4562, the sum of \$2689.17 went to the farmers of this County. At the last Exhibition there were visitors here from all over the United States and they wrote back here, telling how pleased they were with what they saw. Only for the Driving Club which donated \$2800 the Exhibition could not live. At every mid-summer meeting the Driving Club makes a donation.

Coun. Balmisn said that the Exhibition was a county affair although the town was largely instrumental in starting it. The arguments of Messrs. Gray and Kearney were sound. The county was in good shape financially.

Coun. Brown—it is desired to continue the Exhibition. Centreville was serving the upper section and, if anything, he was more pleased with it than with Woodstock. Centreville drew a big crowd. It had local staff and local exhibitors. He had two objections to Woodstock—there was too

much horse racing and too many fairs in the midway. As to the racing Woodstock was in the Circuit, and could not avoid the racing. The fair row was a disgrace. Our warrant will not be high this year and he would be willing to support a grant if the midway was abolished.

Couns. Stevens and Dewitt promised to bring the objections to the midway before the Agricultural Society.

Coun. Perry—Half the people in Kent are mortgaged up to the gills, and I would like to see the matter laid over till June. Centreville gave a good show and anyway the Woodstock charges are too high.

Coun. Dewitt—You are mistaken. We are much cheaper than other places. The charge of \$150 was only for one of the days, and the best stock in the world can be seen there. You will go to Toronto and spend \$100, or the trip to Fredericton or St. John will cost you \$50. Coun. Perry could attend the Woodstock Exhibition for less than \$10. As to the midway, policemen were instructed and did remove fairs from the grounds at the last Exhibition.

Coun. Phillips agreed with Coun. Brown that there were many fairs at the Woodstock Show.

Coun. McIntosh pointed out that the financial condition of the farmers was very bad.

Coun. Gibson thought there were too many gambling devices but that should not be an excuse for withholding the grant.

Coun. Fleming thought the Council could not afford a grant just now. Coun. Melville believed that it was the duty of the governments to look after Exhibition grants, not the duty of County Councils. If the governments do not come across it is not our fault.

The amendment to the amendment was defeated, and the amendment was carried by a vote of 12 to 11 to lay the matter over till the June meeting.

Moved by Coun. Perry, seconded by Coun. Cliff, that the warden appoint a committee of two with himself to attend the Potato Growers' Association in Fredericton.

Moved by Couns. Fleming and Phillips, in amendment, that the warden and one councillor be the committee.

Amendment carried.  
Warden Anderson and Coun. Perry were appointed delegates and Couns. Clark and Dalling the substitutes.

Coun. Phillips reported as follows: To the Warden and Councillors of the Municipality of Carleton:

Your committee appointed to adjust the claims of sheep destroyed by dogs in this county for the year 1923, beg leave to report, that we have carefully examined, and recommend the paying of the following claims:

Parish of Kent  
David Craigs ..... \$ 10.00

Wm. Wetmore ..... 5.00  
Osmond Tapley ..... 21.25  
Norman Bell ..... 45.00  
\$365.50

Your committee further recommend that the councillors of the different parishes that have neglected to a large extent the collection of the dog tax, should get after their collectors and see that this tax is collected.

H. A. PHILLIPS  
B. A. SMITH  
L. P. BOYD

Coun. Phillips said that Peel had contributed nothing to the dog tax fund. Northampton contributed \$78. Our collector is collecting the tax. We had an election last fall and not one kick was coming about the dog tax. This is a legal tax and should be paid and the parishes are not collecting it. Some time ago Peel agreed to pay and it is not doing so. He was not here to defend the dog tax but something should be done.

Coun. Melville said he was always opposed to the dog tax. When the Act came in force this Council opposed it, and endeavored to have it changed, but the Farmers and Dairy-men's Association objected to removing the tax. We have had times to collect the ordinary tax and the people are taxed to death.

The estimates for 1924:  
To the Warden and Councillors of the County of Carleton:

We, your Finance Committee, do hereby submit the Estimates for County Purposes for 1924, and recommend an assessment upon the several parishes and towns of the sum of Twenty Five Thousand Dollars, and that 10 per cent of the debt balance of the parishes be added to each parish in arrears.

HUGH J. FLEMING  
Finance Committee.

Couns. Bell and Raymond wanted 25 per cent added to the parishes in arrears, not 10 per cent.

COUN. COUNCIL—GAL. 1—LAST P.  
Coun. White—The town of Hartland is in arrears I regret to say. Its arrears are great and we want to pay what is right. I think it is only fair to make it 25 per cent instead of 10 per cent.

Moved by Coun. White, seconded by Coun. Bell, that 25 per cent be charged back to all parishes indebted to the county, instead of 10 per cent.

Carried.  
Coun. Stevens read a communication from Michael Bohan, a former Councillor for Kent, addressed to Mayor Brown, suggesting some things that would benefit the county.

Communication filed.  
Moved by Couns. Boyer and Perry that \$100 be assessed on Kent for land damages. Carried.

Moved by Couns. Balmisn and Raymond that the Finance Committee and Secretary Treasurer be authorized to obtain a loan of \$20,000 at the bank if needed. Carried.

Coun. Stevens—Has the Secretary Treasurer received any money from Hartland as promised.  
Mr. Hartley—No.

Moved by Couns. Dalling and Stevens that the Sec. Treas. make the same arrangements as last year for publishing the minutes of this Council. Carried.

Moved by Couns. Raymond and McDougall that the dog tax be collected as the law requires. Carried.

Moved by Couns. Cliff and Dalling that the government be requested to repeal the dog tax law and the parishes will assess for it and put the amount in a sheep fund. Carried.

Moved by Couns. Melville and Tracy that this Council memorialize the government to make it optional with the counties to enforce or not enforce the dog tax law. Carried.

In speaking to these motions Coun. Bell said his parish surrounds the town, and it suffers ravages from the town dogs and the dogs of the Indian Reserve. He came to this Council 21 years ago in June. At that time one of the councillors for Peel asked to have the dog tax law enforced. He (Bell) seconded the motion, but they

were the only two to vote for enforcement. The law has two motives: To pay for sheep killed, and to eliminate the cur dogs. He was favorable to making the tax 50 cents.

Coun. McIntosh said that you can't collect any dog tax in Aberdeen without difficulty.

Coun. Melville said it would be impossible to collect the dog tax in Peel. Coun. Tracey said that the dog tax was not assessed in his parish and it would be hard to collect anything.

Council then adjourned at 4:30 on Friday afternoon, having been in session since Tuesday morning.

NEW LAMP BURNS  
94% AIR

## BEATS ELECTRIC OR GAS

A new oil lamp that gives an amazing brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 p. c. air and 6 p. c. common kerosene (coal oil).

The inventor, J. M. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month. 15-23
