

# SOME TIMELY FACTS

About the Cars That Helped to Make the Campbellton Graphic's Big Circulation Drive Such a Notable Success

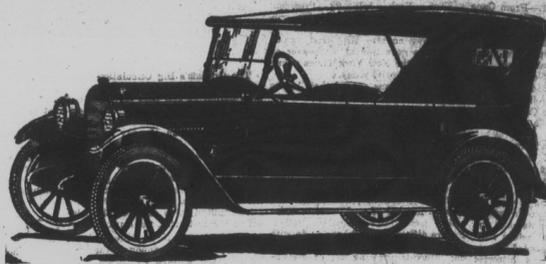

**Star Touring (5 passenger)**

Won by Mrs. N. S. Falle of Runnymede, Que., as second prize in the Campbellton Graphic's Big Circulation Campaign which closed on Monday.

A light, dependable car that is increasing in popular favor by leaps and bounds. The sales of this car in Restigouche County for the month of June about equalled the combined sales of Chevrolets and Fords.

Price \$715.

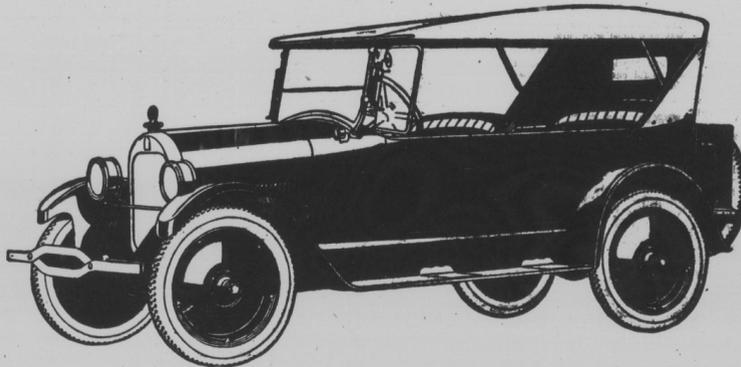

**Durant Standard Touring (5 passenger)**

A Car with such a range of speed and power that you may travel slowly and smoothly over the roughest roads in high or climb the steepest hills without changing gears. Dependability of performance, maximum comfort and pleasing appearance have all combined to elevate the Durant Standard Touring to its present high place in motordom. (With 5 Cord Tires).

Price \$1450.

### A Special Feature

Used exclusively in the Durant and Star Cars —The Durant Tubular Back Bone. Something all prospective auto buyers should investigate.

**The Duarant Sport (5 passenger)**

Won by Mr. Ray Sullivan, Campbellton, as First Prize in the Campbellton Graphic's Big Circulation Drive.

A car that has proven its worth to thousands of owners throughout Canada and the United States. It has all the latest and most up-to-date equipment, is durably built, carefully proportioned and yet eloquent of all the style and smartness of much higher-priced cars. (With 5 Cord Tires).

Price \$1545.

### F.O.B. Campbellton

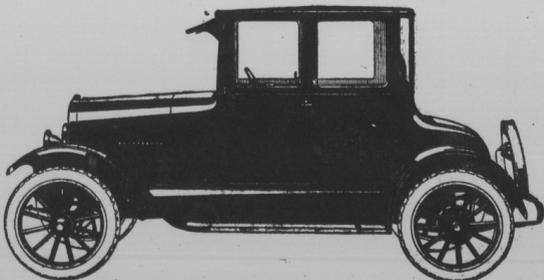

All cars are f.o.b. Campbellton. The buyer has no burdensome freight rates to pay. The prices shown here include all taxes and freight charges.

### District Dealers

J. A. KENNAH, Bathurst, N. B.  
GEORGE MATHEWS, Shippigan, N. B.

### District Dealers

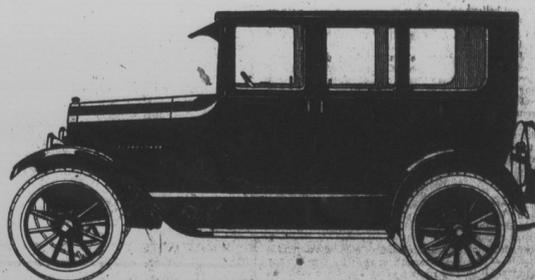

H. O. GOOD, Dalhousie, N. B.  
C. H. SMITH, New Carlisle, Que.

**The Star Coupe (2 passenger)**

A comfortable, sturdy and economical car especially suitable for business and professional men, which has won the enthusiastic praise of discriminating motorists everywhere.

Price \$950.

**The Star Sedan (5 passenger)**

An all-weather car that is becoming very popular with buyers this season. But more than that this popularity is founded on its enviable record for giving the utmost in service and satisfaction.

Price \$1050.

Many Candid  
Prizes. The  
Success. Car

Contestants, their sisters, brother sweethearts, and friends; judges, vot and subscriptions, adding machines, figures, checks and money all helped to make the grand finale of The Graphic's Big Au Contest the most successful, interesti and exciting ever had in this section of the Provinces of New Brunswick.

Excitement ran high all day Monday, in fact all week. Both candidates at their friends were much interested in w would be the winners in the contest, a the climax was a fitting one for a cont that had been waged with such spir Shortly after 3.00 o'clock last Mond afternoon, the judges opened the 'bal box, and they were busy with the cou until nearly six o'clock. The busin office was filled at intervals with an at tence which awaited the news with all nating hopes and fears such as no elect returns were ever waited for in the Gr hic Office.

Millions of votes were cast in t great contest, and hundreds of subscri tions were received. The Graphic l met with kind words of praise for i straight-forward business manner in wh the contest was conducted, and candida seemed perfectly satisfied with the resu

Ray Sullivan, well known throu out the district, captured top hono Mr. Sullivan did remarkable work, and hundreds of friends who helped him will glad to know that he won the Dur "Sport" Touring Car. Ever since opening of the campaign, both Mr. Mrs. Sullivan and their friends have b busy early and late.

Mrs. N. S. Falle was second in great contest and winner of the S Touring Car. This popular candid passed the fifty million mark and did excellent work, and her friends will be g of her success. Mrs. Falle was a r popular candidate, and deserves credit the wonderful work she did, and she ever looking forward to driving one of big cars, and she expressed herself "overjoyed" with the results, and espec ly so as to the management of the cont

Mrs. Chester Fairley came th winning the \$200 cash prize, and her m loyal friends made a splendid fight for big car. She was one of the best work and deserves great credit for the splen work and the success she achieved.

Mrs. J. W. Cooke came close winning one of the big cars and was on the best workers in the whole contest is to be congratulated on the wonde work she did.

### THE PUBLIC'S POWER

An eminent official of the Ontario Hydro Commission, discussing a proposed private water power development recently said: "Ontario's rights and interests ought to be protected, to the extent of at least a guarantee of a block of power at cost for this province."

Commenting on this remark, the St. John Globe declares that the significance of the official's statement cannot be too strongly impressed.

Although the development in question does not form a part of the Ontario public scheme, but is really a private enterprise in a somewhat isolated region, the argument is advanced that it should be compelled to make provision for the public service at the lowest possible price.

How much more important is it that those water powers which can be made of wide public service be developed by the public for the public needs of future years.

Grand Falls is the natural centre of a great provincial hydro development, wonderful in its possibilities, and its control should obviously be kept by the people for the people.

If it will profit a private corporation to develop the power of Grand Falls it will pay to provide itself to make the development and sell the power.

Moreover the consumption of the water will be a great factor in making New Brunswick an industrial centre and a richer and better province.

### THE EMPIRE'S WOOD

In view of the visit of the British Empire Forestry Association to New Brunswick and their recent stop-over here some facts about the wood supply of the Empire and its distribution, supplied by the Canadian Forestry Association, are timely.

They show how largely Canada's wood supply figures in the Empire's total.

There are some of the outstanding points:

Of the total area of forests in the British Empire, Canada holds over fifty per cent. India has fourteen per cent., and Australia and New Zealand about eight per cent. of the forest.

Seventy-five per cent. of the forest of the Empire belongs to the people and only twenty-five per cent. to corporate bodies and private individuals. In Canada alone more than eighty-five per cent. of the forest is public owned.

The Canadian people gain from their forest possessions the enormous revenue of \$500,000,000 a year, representing the production of all the branches of our forest industries.

More than 100,000 men are engaged in Canada converting forest products into wealth in some form or other. Nearly 400,000 other people depend on this forest army for their food and shelter.

In the pulp and paper mills are 33,000 men, drawing \$40,000,000 a year in wages. The lumber industry pays 55,000,000 men \$60,000,000 wages annually. These are but two industries out of a score that are directly dependent on a forest supply.

### NEEDED LESSON WAS TAUGHT

Party of Campers Neglected to Extinguish Camp Fire Caught By Warden.

The other day a fire warden, tramping the woods, came upon a smoldering camp fire. He looked about for the campers, but they had moved on to another site. He picked up their trail and followed until he overtook them. Then he ordered them to pack up their things and not to show their faces in that part of the country again.

It was a splendid bit of work on the part of that fire warden. The lesson he administered to that little party of careless campers will be of value to them, and to many others.

When people go into the woods they expect to find freedom and they do. But they do not find complete and absolute freedom. There is a "law of the woods" simple but none the less imperative. One mandate of that law forbids leaving a lighted fire or even a burnt match that has not been broken to make sure it is not.

Another mandate requires that departing campers shall leave the cabin in good order, with dishes clean and blankets folded and with sufficient wood for a fire. More than ninety per cent. of campers obey these rules—wonders they receive from the man ahead.

What a fine work this would be if the law of passing along favors were as generally followed in "popular centres" as it is in the forests and open spaces!—Mail.

### 13-Year-Old Fistic Champ.

Pittsfield, July 31.—Robert Underwood Johnson, 2nd, 13, son of Owen Johnson, the author of Stockbridge, a lightweight champion of Berkshire county, having won from William H. Ryan, 11, son of Mr. and Mrs. John Fortune Ryan in the tent of a scheduled 15-round boxing bout before the Stockbridge summer colony at Longside yesterday. Dr. Arthur M. Walker decided in favor of Bobby Johnson and he was at once declared champion of the Berkshire hills. Over \$1000 changed hands.

Regular printed tickets were sold at 10 cents each and the bout was widely advertised. The boys had been in training for a month and showed much skill in sparring. The champion's grandfather, for whom he was named, former ambassador of Italy and Mr. Johnson, were in a box at the ringside with Miss Olive and Miss Katherine Johnson, Billie Ryan's parents and many others.

Bobby Johnson issued a challenge to any boy summer resident of his age in the Berkshires Paeschel Davis, son of Mr. and Mrs. Norman Davis of Stockbridge and New York, has accepted the challenge and has engaged a trainer to get him in shape for the bout.

### PERSONALS

Mrs. Geo. Cooper and Miss Jean Norman returned Saturday from an extended trip to Seattle, B. Marie and other upper Canadian cities.

Miss Vera McLeod spent Sunday in Flatlands the guest of her parents, Mr. and Mrs. James McLeod.

Mr. George McNeil of the Royal Bank of Canada St. John, N. B., is spending a few days holidays with his parents, Mr. and Mrs. H. H. McNeil.

Mr. Ora Cook, Halifax, is visiting his parents, Mr. and Mrs. Dan Cook.

Mr. W. F. LeVasseur and daughter Abina left this week for Chicago, Ill.

Frost & Wood implements for sale. Wagons and sleds. Also repairing. S. J. MacGARVIE, Agent, Mill Bridge, Town, Phone 479. July 26-2-pd.

### LOCAL ITEMS OF INTEREST

Newspaper Notes of Town and Country Gathered by Graphic Reporter

### MASONIC SERVICE

There will be a Masonic service in the Presbyterian Church, Dalhousie, next Sunday the 10th instant, at 3 p. m. Services will be conducted by Grand Chaplain, Rev. Hugh Miller. Campbellton brethren cordially invited to attend.

### STILL ALIVE AND HEARTY

Despite the fact that our Douglas town, Que., correspondent had pronounced him dead to find we had a visit from Mr. Lewis J. Urquhart of Eastport, Que., very much alive. Mr. Urquhart called to thank us for saying such nice things about him in the article respecting his demise.

### TO THE TRADE

I wish to announce to my customers and the public at large that on July 28th I sold out my interest in the Dalhousie Grocery and Meat Market in Dalhousie Street, opposite the C. N. R. Depot, to my son, Joseph N. Boudreau, who will, from now on, conduct the business under his own name.

(Sgt.) JOSEPH BOUDREAU

### RECEIPTS FROM STAMPS

Receipts from stamps, from lumber put upon the Crown Lands of New Brunswick during the fiscal year which closes on October 31st next were placed in the official provincial estimates known as the Legislative Estimates at \$665,000.

The actual receipts in 1922 were \$759,884.45, the smallest amount since 1917, the end of that year being heavily curtailed.

### OFF TO C. G. I. CAMP

The Canadian Girls in Training camp opened at Chipman today and girls and young women from our New Brunswick will be in attendance for ten days.

The camp is organized under the auspices of the New Brunswick Girls' Work Board and is in charge of Miss May Allison, girls' work secretary for the Maritime Provinces.

The following girls went from Campbellton, Mary Ingram, Clara Crockett, Irene Jardine, Lorna Stewart, Margaret Currie, Viola Sullivan, Christine Taylor and Ruth Anslow.

### COMING ATTRACTION

Plans are being made by the Citizens Band to hold a one, and possibly a two night's entertainment in the skating rink within a month's time. This will be in the nature of a business, and the entertainment and other citizens will be called upon to contribute in one way and another to help make it a financial success. The ladies will also be invited to give their most valued assistance, and all those desirous of doing so will please notify any of the band boys. The committee in charge will then wait upon them to receive their good advice. The band has just made an order of over \$3000.00 for new instruments, and more are needed, and in order to carry on they require more funds. Barging does not appeal to them—they prefer to give value for money received. They therefore ask the citizens in general to assist in any and every way they feel able.

Coming!—The Forgotten Law.

## It Works From Both Ends

A local merchant upon whom we called recently gave us a first class talk upon "buying at home." We certainly agreed with him in all he said, and more too. The Graphic has always preached this doctrine, and lived up to it.

But what of our local merchants? A genial solicitor for wrapping paper, paper bags, etc., had induced him to order his counter check books from him, "just to make up a good sized freight shipment."

Our local merchant clean forgot that our local printers could supply these counter check books at the same price. He sent out of town for them.

But it's a poor rule that won't work both ways.

## CLASSIFIED

In Vivid Contrast. Those two battles offer the outstanding contrast of the present athletic decade. They had absolutely nothing in common after the fact that each went the full distance—the same distance as it happened—15 rounds and that each was won on points.

All else was in utter contrast—the name of fighting her opponents of the men—the size and the personality of the two crowds—the events immediately preceding the battles and the events immediately subsequent.

Never before have two such stupendous contrasted scenes been played from materials of the same refinery color and class.

"There'll be many a 'now it can be told' story about Shelby, the marshall, before the little railroad junction churning get-in-the-town—a 16-year-old miss, whose bewitching brunette beauty was sung in solemn anthems from the sporting columns of every metropolitan newspaper.

For Sale—1 Ford car. New tires will sell for \$125 to prompt buyer. For information apply, DUBE HOTEL, Town, Aug 2-1-pd.

### GREAT BASEBALL GAME FRIDAY

Two Picked Local Teams Give Best Exhibition of Season—Errorless Game.

On Friday evening last a record-breaking crowd of fans witnessed on the O'Leary Field Diamond what was without shadow of a doubt, the finest exhibition of baseball seen here this season when the Tigers defeated the Red Sox in six innings of spectacular play. The competing sides were two picked teams comprised of the best players in the local league. They did not appear under any particular name but these mentioned above have been chosen in order to distinguish the two squads.

**Massey Brilliant Plays**  
Those who missed Friday's game missed a real treat. The contest was exceptionally fast throughout and crowded with spectacular plays. Not a single error was chalked against either team during the entire engagement, making this the first errorless game of the season. Only six hits were allowed out during the whole game and although each of these was a long straight liner in some unexpected direction, the fielders, displaying what seemed superhuman speed and alertness, got under them in time. The winning team knocked out the only two base hit of the evening but so close was the play of these opponents that they gained nothing by it. The Tigers were first at bat and brought one man around the circuit by means of the first two innings. The Red Sox slated their solitary score in the third and from then on neither squad tallied again.

**MAKING SURVEY**  
Dr. Geo. G. Melvin, Chief Medical Health Officer of the Public Health Department, was in town Wednesday, and made a survey of the water supply system. Dr. Melvin has been making like surveys of all the towns in the province.

**SERVICE AT DALHOUSIE**  
Basilgouche Lodge No. 25, F. A. M., will attend divine service Sunday afternoon at 3 o'clock in the Presbyterian Church. Rev. Hugh Miller, Grand Chaplain, will address the brethren. Masons of Campbellton and any other locality are invited to attend. Basilgouche Lodge will meet in their lodge room at 2 o'clock.

**LOADED FOR BEAR**  
**POLICE LAND FORCE**  
Detroit, July 30—Four stalwart patrolmen sallied forth yesterday, armed to the teeth and loaded for bear, but found only pork.

A telephone call to police station carried the disconcerting information that a grizzly bear was coming about Highland Park, a suburb. The officers, armed with rifles, responded.

After diligent search they learned the creature was penned in a garage. They opened the door and prepared for the worst. A hunky porker that had escaped from a farmer's wagon, greeted them with a friendly grunt. These are the bear facts.

**VENIOT—CYR**  
A quiet but pretty wedding was solemnized in the Church of Our Lady of the Snows Wednesday morning at 8 o'clock when Miss Margaret Cyr, daughter of Mr. Joseph Cyr of this town, was united in the holy bonds of matrimony to Mr. Angus Veniot of Petit Rocher. The ceremony was performed by Rev. Father Melanson.

The bride, who was given in marriage by her father, looked charming in a suit of garter-blue, hat of grey velvet and fish scales. A wedding breakfast was served at the home of the bride's father and the happy couple left on a honeymoon trip to Quebec and other Canadian cities. On their return they will reside in Petit Rocher where Mr. Veniot has a government position.

There was little advertising in pre-historic days, but the cavemen and cave-women read it and advanced step by step to our modern civilization. Read the advertisements.

Ruskin has written more sentences of inordinate length than any other classic writer of modern English prose.

### OPERA HOUSE

A Scene From Reginald Barker's Production "Hearts Aflame"

Next Wednesday and Thursday

Writes Thrilling Tales

RANDALL PARRISH

One of the most popular, most industrious and typically American writers of the day, is Randall Parrish. He deals largely in plots of romance, mystery and adventure. Frequently the setting is in the West, but not always. His latest story "The Mystery of the Silver Dagger" is laid in the East and introduces new characters and incidents. One of its unusual angles is the mystery with which he surrounds the principal female participant. You do not discover until the final chapter whether she is a dangerous criminal; a foreign plotter, a secret service agent or just a normal, sweet American girl acting from a high sense of duty. Such uncertainty adds to the charm of the narrative. It will be offered soon as a serial in these columns. Be sure to get the opening installment.

**Didn't Hurt the Pig.**  
Health Inspector—Say, Pete, you oughtn't to have your pigpen so close to the house.  
Pete—Why?  
Health Inspector—It's not healthy.  
Pete—Not healthy? I'll bet you can't find a healthier pig anywhere around than mine.

**One of His Same Intervals**  
Anytime Visitor—If you really are Napoleon, tell me how you came to lose the battle of Waterloo.  
Napoleon—Sir, I make it a rule never to talk shop.

**Tuning the Touch**  
Spic (contemplating loach—How are you fixed for money?)  
Spic—Oh, I'm fixed.  
Spic—How much?  
Spic—Just the same.  
But Someone Else May Nab Him.  
Madge—You've broken off your engagement with Jack?  
Myrtle—Oh, no; merely suspended it until I obtain my degree in soap.

**ANOTHER MOVE FOR THE C. A. A. C.**  
The two committees appointed, one from the Town Council and the other from the Athletic Club, met in the Firemen's Hall on last Friday evening to discuss the problem of obtaining a new site for the stadium.

**Remember the devastating and threatening forest fire of this spring and early summer. You'll be interested in seeing "Hearts Aflame."**

### TO EXPECTANT MOTHERS

A Letter from Mrs. Smith Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Trenton, Ont.—"I am writing to you in regard to Lydia E. Pinkham's Vegetable Compound. I would not be without it. I have taken it before each of my children was born and afterwards, and it is a great help. Before my first baby was born I had shortness of breath and ringing in my ears. I felt as if I would never pull through. One day a friend of my husband told me what the Vegetable Compound had done for his wife and advised me to take a bottle home for me. After the fourth bottle I was a different woman. I have four children now and I always find the Vegetable Compound a great help as it seems to make confinement easier. I recommend it to my friends."—Mrs. PAUL H. SMITH, John St., Trenton, Ont.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a general effect to strengthen and tone up the entire system, so that it may work in every respect effectively as nature intended. Thousands of women testify to this fact.

The professor drew himself up. "I am not interested in the careers of colored pugilists," he said, and continued to turn the pages and look at the illustrations of the various books on the shelves.

### WRIGLEYS

Take it home to the kids. Have a packet in your pocket for an over-treat. A delicious cation and an aid to the teeth, appetite, digestion.

### OF INTEREST TO WOMEN

Six Recipes for Pickles and Other Delicacies

If your family likes melon-rind pickles, it's about time to make things, isn't it? Then, there are the too-often-neglected gooseberries that make a delightful marmalade, nor should you forget peach conserve, tomato honey and other dainties that should not be overlooked. The more things we can make successfully at home the better the table will be in the winter.

Watermelon Sweet Pickles. Cut the deep rinds of a ripe watermelon into inch-wide and three-inch long pieces, then pare of the green outside skin. Put the rinds in a crock and pour over enough scalding vinegar to cover and let stand overnight. Next day reheat the vinegar, pour it over again and let stand until cold. Drain off the vinegar and weigh the rinds. To five pounds of rind, allow 1-2 pounds of sugar. Pour over the vinegar again and add a large spice-bag. Boil gently, skin well, until the rinds are tender when pricked with a broom splint. Then skim them out and boil down the syrup until it is heavy and rich, adding a tablespoonful of cloves, a little broken cinnamon and a very thin slice of lemon with the seeds removed. Return the rinds to the syrup, cook until thoroughly heated through, then pack in a constant unimpeded circulation of cool air from the ice chamber and back to the ice again. Hence the other compartments should be kept dry, and the shelves should be of wire so that there is little obstruction as possible for the circulation of cold air. Foods which are odorous and those which you want the coldest (as milk, gelatine, desserts etc.) keep best in the bottom shelf, especially if the odorous foods be wrapped in oiled paper. Once each week the refrigerator should be thoroughly washed inside with soap, soda and hot water and allowed to dry and air, then the outside wooden doors and parts wiped off with a damp cloth. The removable parts such as shelves and the rack under the ice should be washed with soap and hot water. See that the doors are kept firmly closed, that the refrigerator stands level on the floor, and any spilled liquids or water should be wiped up at once. Not only will this prolong the life of the refrigerator, but this appliance will give you more efficient service and need less attention in the long run.

Have Experts Sharpen Knives Immediately after use; use stainless steel knives in preparing meats and for all other cutting when possible; have such knives sharpened by experts rather than trying to do it yourself on a whetstone. Put them away carefully in a grooved drawer rather than jumbling them carelessly into one compartment—they nick each other when thrown in this way.

Keep Cool. (By Winona Wilcox in the Press.) The more we feel, the less we think. Emotion prevents rationalization. Acting or speaking impulsively under the pressure of powerful emotions we break with our best friends; or throw up a good job, or wreck a home. In our own affairs we latter ourselves that our brain rules our body, but in another's we perceive how emotion may sweep him to destruction.

Dear Winona Wilcox: I have travelled much, I have seen many phases of life, I know poverty, but finances no longer worry me. I am an independent modern girl. I am in love and oh! I wish I had the power to make you understand how deeply I love this man! Willingly would I follow him through depths of misery, humiliation and despair. But if you knew him you would not be surprised. My mother objects and delays our wedding. My head aches and my body wearies in my effort to be natural while struggling between my devotion to her and to the man.

Saline Agency For DE LAVAL CREAM SEPARATORS. S. McALLISTER Phone 2-22 Jacquet River

For in spite of his dishonor, laziness and deceitfulness, I can see but one future for myself. So what should I do? I am discharged - my mother and becoming his wife. T. J. A. Straight thinking should convince this girl that in the long run it is character, not uncontrolled feeling, which makes marriage stable and happy. Emotion perishes. Character endures. A man once promised this to his co-workers as worthy of their serious thought: "Never resign when you have been called." Never throw up your job when you are angry. Prove that you can stand correction and then if you must leave, make good before you do it. Then go in peace. In other words when human relations are strained, beware of your hot emotions. Let pride and resentment pass. Cool down. Postpone action. Think it over. Give reason, a chance. It would serve well many a girl and wife in her social and domestic relations. It would serve as well in love as in hate.

LACK OF ELEGANCE IS CAUSE OF DIVORCE. Wife Was Nicer Eater and This Got On Hubby's Nerves. New York, July 30.—"When she ate porridge she made a loud noise like a horse eating oats." "Never again," said Mrs. J. Yela after the suit for separation brought by her wife in the Supreme Court. Yela, an employe of the Iron and Steel Trust Co., appeared as his own lawyer. He denied ever striking his wife. "Papa called mama an old shoe," Judge Lyon granted fifteen dollars a week alimony and \$75 for fees.

Here and There. Over a thousand million lion eggs of various species were collected by the hatchery of the Fisheries department of Marine and Fisheries during 1922.

One hundred and forty thousand Canadian school boys have been banded into an army of guards to watch for and prevent forest fires in the Dominion this year, according to an announcement made by the Canadian Forestry Association. The new organization, which is known as the Young Canadians' Forest League, will, it is expected, save several million dollars worth of timber from fire ravages.

That "prospects for increased immigration into Canada are excellent" was one of the most important statements made by E. W. Beatty, K.C., upon his return from an extended tour of England and Europe last year. The president of the Canadian Pacific Railway believes Canada is progressing in the matter of immigration, but intensified efforts are essential to be consistent effort erroneous impressions abroad that Canada does not require new settlers.

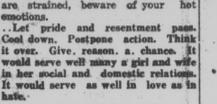

A recent run between Winnipeg and Quebec was recently made by a special Canadian Pacific train which carried 1,579 passengers. The train covered the 1,579 miles in a little over 30 hours, whereas the schedule time for trains between these two cities is 33 hours. The passengers had crossed the Pacific on the C.P.S.S. "Empress of Russia" and were taking advantage of the 21 day Orient-to-Europe service of the Company.

The United States has invested in Canada \$2,500,000,000, according to the Bankers' Trust Company of New York, which has just completed a survey of Canadian industry and the amount of United States capital invested. Of the total sum invested, \$1,200,000,000 is in bonds, and the remainder in farms, mortgages, small businesses, industrial enterprises, banking and private loans. It is computed that more than 200 branch factories were opened in Canada by United States concerns in 1912 to a great number in 1922 and 1923. The number of these came to 700.

The girl's mother tried to discourage the dog from going when the daughter started for the store, but he went, and was the means of saving the child's life, and died heroically as a result.

### In Putting Away Winter Woolens Save By Washing This Way

Put away your winter woolens this spring, clean and soft, without faded colors or fabrics in washing. It will save a lot of money, you'll find, by giving longer wear. In thousands of homes this is being done. Careful housekeepers now use PALM-OLIVE PRINCESS SOAP FLAKES for laundering all valuable fabrics. Woolens, silks, satins, crepes, and expensive cottons, all come from washing with beauty renewed—and fabric unimpaired. Furst, unadulterated soap, these white, creamy flakes have money two ways: By giving longer fabric wear—and by saving down soap cost—because they last longer. They give richer, softer ends—in washing machine, tub, or bowl. It dissolves all dirt speedily but gently. Splendid for all household use. Order one or more handy one-pound packages or bags today. Start saving next time you wash. The Palmolive Company of Canada, Limited. Montreal, Que. Toronto, Ont. Winnipeg, Man.

### PRINCESS SOAP FLAKES

Made in Canada. The Palmolive Company of Canada, Limited.

### NEW AIR LINE TO OPEN SOON

British Government Announce Policy—From India to England in 74 Hours. London, July 27.—The revised airship scheme which the government has adopted in principle provides for the preliminary construction of one 5,000,000 cubic foot airship—a ship as long as the S. S. Mauretania—at Bedford, by a company with a capital of 600,000 pounds, of which the government will provide, 400,000 pounds, and the government will make a second similar loan on condition that an airship journey to India in 100 hours shall be inaugurated. Weekly service to India for three months shall entitle the company to such loan annually for three years. A subsidy of 250,000 pounds will be paid on the establishment of a bi-weekly service to India in which six airships shall be engaged. The construction of the first airship, which will be capable of carrying 150 passengers and ten tons of mail matter and will travel eighty miles an hour, will occupy 18 months. It is hoped that the journey between Great Britain and India may be accomplished in 74 hours, at a fare of about 70 to 80 pounds in an airship capable of making non-stop journeys of 2,500 miles.

Caution—Go Slow. He—Why do bluebees creep over girls' faces? She—Because if they ran they would kick up too much dust—Parakeet. It's Easier. "So you are going to take your boy who has just graduated into the office with you. You'll start him at the bottom and let him work up, I supposed." "No, I think I'll start him at the top and let him work down."

### Gas From Food Presses on Heart

If food does not digest it turns into poisons which form gas. This often presses on heart and other organs causing a nervous, restless feeling. Simple buckhorn bark, glycerine, etc., as mixed in Adlerika, removes foul, festering food-matter you never thought was in your system which caused gas and pressure on heart. Adlerika expels poisons and gas from BOTH upper and lower bowels. EXCELLENT to guard against appendicitis. A. Mcg. McDonald, Druggist.

The prize is the privilege of selecting any garment from the firm's stock. Miss Coy was offered and accepted a very responsible position with a Freeport, Maine, concern.—Frederician Daily Mail.

### KILLED THIRTEEN ON ONE TRIP

Train in Pennsylvania Struck Two Autos Within a Few Hours.

Chicago, August 1.—Twenty-four persons were reported killed yesterday in six railroad crossing accidents in various parts of the United States, a train striking an automobile in each instance.

From New York came a report of five killed, including Wm. L. Goldlieb, a well known manufacturer, when a Long Island passenger train struck the automobile in which they were riding.

Another accident was reported from Westboro, N. C., where a seaboard train demolished an automobile, killing one person and seriously injuring two others.

One Pennsylvania train struck two automobiles within a few hours, four being killed in the first crash and nine in the second. The first accident occurred at Highlands, Pa., where an automobile apparently became stalled on the tracks in the path of an express train. A few hours later the same train, hurrying to make up for lost time, struck another automobile at Langlet, Pa., eight miles from Ferris House, nine persons being killed, the driver apparently had made an attempt to cross the tracks before the train reached him.

Another accident occurred at Caledonia, N. Y., where one man was killed and two badly hurt, with an freight train colliding with an automobile, and the truck, at Iron Mountain, Mo., a Missouri Pacific express train crashing into an automobile and killing four persons returning from Sunday School.

**CONGRATULATIONS**

**TWO REAL CHOMPING CHOMPING GAME**  
Jack Dempsey, the heavyweight, and Benny Leonard, the lightweight, are the two real champions of pugilism.

Each had proved beyond question his speed, his skill, his courage and his endurance.  
Each man's claim to his title is unclouded, and his fitness to defend it unquestioned.

Each man defended his throne recently—Dempsey in the blistering cool town of Shelby—Leonard in the cool vastness of the Yankee Stadium. July 19-8-wks.

### Douglstown, Que.

The death occurred at Douglstown, Que., on June 20th of Mr. Isaac J. Kennedy after a lingering illness of two years duration. The deep sympathy of the community went out to his relatives as they watched by his bedside one and all hoping that a good and true husband and father in a much respected family might be spared, but it was not to be and after long suffering hours in great patience the loved one passed quietly away. The late Mr. Kennedy was born in Douglstown, Que., and during a number of years he was postmaster in that village where he won a great many friends by his cheerful disposition and obliging manner, the former part of his life was spent farming in this vicinity. While Mr. Kennedy was of a quiet home-loving disposition, whose first care and devotion was for his family he nevertheless possessed in a large degree that fine quality of neighborliness which expressed itself, not in words but deeds and he will be cherished long in the memory of his friends and in his community for his kindly assistance in times of illness and trouble and his interest in all things pertaining to the good of his community.

He leaves to mourn his passing away his devoted wife who so tenderly cared for him in his long illness, one brother Mr. Frederick Kennedy, once a familiar figure in our midst, now of Montreal.

With all the solemnity and impressiveness of the Requiem service announced by the singing of the "Grand Mass" the obsequies were held over his remains at the Church of St. Patrick on June 23rd. The prayers of comfort at the cemetery were recited by the Rev. Father Ernest Myles, P. F. S. S. The number of people attending the funeral was unusually large, comprising as it did not only the entire settlers of Douglstown but also a large number of friends of the deceased gentleman from the nearby parishes.

To his sorrowing widow, our genial and talented post mistress the most heartfelt sympathy of the writer as well as of the entire population of the village of Douglstown is extended in her hour of sorrow and grief in the loss of her much respected husband.

**NOTICE**  
The Executors of the Will of the late F. M. Anderson, being Alma Anderson and William C. E. Anderson, it is directed by the said Executors that all accounts owing to the Estate of the late F. M. Anderson are due and payable to the said Executors and that they, the said above named Executors will give a proper discharge of all debts paid to them, the said Executors.

Any bills or accounts that have been paid to Mrs. Alma Anderson, standing the funeral was unusually large, comprising as it did not only the entire settlers of Douglstown but also a large number of friends of the deceased gentleman from the nearby parishes.

**ALMA ANDERSON, WILLIAM C. E. ANDERSON, Executors of the Will of the late F. M. Anderson**

# CRIPPLED BY RHEUMATISM

Began to Improve After Taking "Fruit-a-tives"

The Medicine Made From Fruit

You can get rid of Rheumatism. You can be free of pain—of swollen hands and feet—of aching arms, legs and back.

"Fruit-a-tives" will give the cause of Rheumatism out of the system and give you permanent relief.

For over three years, I was confined to bed with Rheumatism. Finally I decided to try "Fruit-a-tives". Before using half a box, I noticed improvement. I continued taking "Fruit-a-tives" improving all the time. I can now walk about two miles and do almost anything I please.

ALL THE NEWS DALHOUSIE, N. B., AUGUST 2, 1923 EVERY WEEK

## DESCRIBES VISIT TO QUEBEC

U. S. Journalist Writes of Tour in Eastern Canada in 1920.

(Continued from ast week)

Dalhousie, N. B., July 31.—A beautiful view of the city of Quebec could be had as we neared that place. Situated as it is upon the heights, from a distance it looked like the picture of some feudal city of old and upon a nearer view it was not disappointing for to where upon the continent there is a quarter or more interesting city. Before arriving we crossed the Quebec bridge, one of the world's most famous structures of the kind and of which they are justly proud. It was constructed by Canadian firms and Canadian workmen. Its main span, 1,800 feet, is the longest in the world. The train stopped and those who wished walked across and in that way we could get a much better idea of the wonder of the construction and the size and magnitude of it. The bridge is swung high above the waters below.

That Quebec is unique among the cities of the continent there can be no doubt. In more respects than one there are none corresponding to it. In part it is a city of the old world set upon the shores of the new. One of the best ways to realize this is to ramble thru its streets, along its ancient walls and about its environments in general. And while rambling thru the narrow, quaint streets of the lower town it does not require a superlative imagination to recall the days of a couple of centuries ago when the men and women who laid the foundation of Canada, clothed in the costumes peculiar to the times in which they lived, passed to and fro in the same thoroughfares. One can only think that the time has drifted back to the olden times again. But in the upper part of the town, but a short distance from the lower part, conditions the opposite will be found, for there the city of broad, well paved streets and handsome residences, quite modern and up to date.

There is much of historical interest in common with the place that it is impossible even to touch upon the events in one small article. The promontory at the confuence of the St. Lawrence and the St. Charles rivers and slopes from the city of some three hundred feet to the margin of these two rivers thickly covered with buildings, ancient and modern.

The citadel, situated upon the high promontory, is considered the interest par excellence of the city, although compared with other points of interest it is much more modern, having been constructed slightly more than a century ago according to plans approved by the Duke of Wellington, hero of the battle of Waterloo. Until recent years it was deemed impracticable. Its crown being over three hundred feet above the level of the St. Lawrence, it was held that the guns of an attacking force could not be elevated to a point to menace it. With modern great strategic advantages an immense military stores are constantly kept ready for use at a moment's notice.

Within the environs of the city are many interesting spots designed to preserve the memory of the great men who played their part, either as friends or foes, in the early history of the famous city. Not far from the citadel on the spot where Champlain's camp stood is the magnificent hotel, the Chateau Frontenac. If there are hot-els in the world finer than those in Canada I would like to see them standing on the high eminence, as does the Chateau Frontenac, there is a wonderful view of the river and country for miles around. In the Garden of the Plains a beautiful park nearby, is a huge granite shaft erected to the memory of Wolfe and Montcalm. On the Plains of Abraham, now a park, approximately near the spot where he fell, there is another shaft for Wolfe.

During our stay in Quebec we were taken to the village of Ste. Anne de Beaupre, just a few miles down the river and we visited the shrine of that name. For over two hundred years the shrine has been the mecca of devout pilgrims seeking restoration of health, and in a great many instances seemed to have attained it, as the great piles of crutches left behind testify. Not only were there crutches, but hundreds of spectacles which had been discarded by those who had visited the shrine. In the treasury room of the church were hundreds of bracelets, rings, watches and jewels left by persons as an appreciation for their restoration to health. There were literally yards of bracelets hung up in the glass case. Some most precious stones which had been valued at \$5,000. The church was beautiful and impressive.

I'm afraid that I did not have the proper company that day to get into the real spiritual atmosphere of the place, for Canadian Johnnie was my companion and no one, either his best friend or his worst enemy, would ac-

## Happenings of The Week

The past week has been cool and cloudy, the temperature rarely rising above 61 degrees.

There was no service in the Presbyterian church on Sunday, as the pastor, Rev. E. J. Shaw had not returned from Picton, N. S.

The Sydney Lumber Company cleared the Nellie J King, a small schooner, on Tuesday, laden with lumber and bound for Sydney, N. S.

## Mrs. Cooke Thanks Those Who Assisted Her in Contest

Dalhousie, N. B., July 31.—Mrs. J. W. Cooke arrived home from Campbellton on Monday evening, where she witnessed the closing of the Graphic's contest. She was congratulated by her friends in having won the \$100 prize after having captured, in the opinion of the judges, the 450 prize during the campaign. She is delighted with the reception accorded her and the encouragement received from distant friends and desires to thank one and all who assisted her. She has the satisfaction of knowing that all her friends, and she has many, stood by her in the most generous manner; that she was the means of increasing considerably the circulation of our Home Paper in the town of Dalhousie and surrounding districts, and the fact that she, reading of wholesome news every week by many people will more than compensate her for the trouble she took during recent weeks in soliciting subscriptions and renewals for the Graphic.

use him of having his mind on holiness bent, but he had his purpose in the world, he being a real genius at loved, passed to and fro in the same thoroughfares. One can only think that the time has drifted back to the olden times again. But in the upper part of the town, but a short distance from the lower part, conditions the opposite will be found, for there the city of broad, well paved streets and handsome residences, quite modern and up to date.

There is much of historical interest in common with the place that it is impossible even to touch upon the events in one small article. The promontory at the confuence of the St. Lawrence and the St. Charles rivers and slopes from the city of some three hundred feet to the margin of these two rivers thickly covered with buildings, ancient and modern.

The citadel, situated upon the high promontory, is considered the interest par excellence of the city, although compared with other points of interest it is much more modern, having been constructed slightly more than a century ago according to plans approved by the Duke of Wellington, hero of the battle of Waterloo. (Sgt.) MRS. H. E. ROGUE.

## Social and Personal News

Miss Dianah Barthe left on Wednesday for Three Rivers, Que., where she will spend the rest of her vacation as the guest of her sister, Mrs. Joseph Robinson.

F. Bell, of Fredericton, on his way by motor to Quebec City, spent the week-end in N. B.

Mrs. H. E. Mott spent the week-end in Campbellton.

Among those from town who attended the dance given by Mrs. C. Le Pen-derson at Jacques River on Friday were: Miss Marjory Coleman, Miss Elizabeth Mott, Arthur Colman and Edwin Orsage.

Miss Melissa Spilde left on Wednesday to spend a few weeks with relatives in Montserrat, where she is the guest of Mrs. J. Letourneau.

Novelle last week, as the guest of her daughter, Mrs. Ashford Belanger. Mrs. O. Oletta and her two children, Margaret and Jeanette, were recent visitors to Novelle.

Mrs. J. J. Boyd and her son, Edgar of Montreal, are the guests of her mother, Mrs. Duff.

Miss Marion Clifford is spending a few days in Campbellton as the guest of Mr. and Mrs. D. Myles.

William F. McNeil, of St. John, is spending a two week's vacation at the home of his parents, Mr. and Mrs. Havelock McNeil.

Miss Telma Rinkler and Miss Marion Walker are the guests of friends in Campbellton.

A number of ladies motored from Campbellton on Friday afternoon and spent an enjoyable afternoon with Mrs. Norman McKay who is spending the summer here. Among them were: Mrs. M. M. Mowat, Mrs. E. E. Black-hall, Mrs. Hugh Miller (St. John), Mrs. D. A. Stewart, Mrs. H. Adair (Moncton), Mrs. P. McNichol, Mrs. D. McLean, Mrs. B. Ashford, Mrs. A. H. Ingram, Mrs. Harry Wood (Turo, N. S.), Mrs. Len. Winton, Mrs. Walter M. M. Mowat, Mrs. J. J. Boyd, assisted in serving by Mrs. I. D. Jones and Miss Annie Cameron.

Mr. H. A. Delaney, accompanied by Mrs. E. G. Douphine and children of Dalhousie, are spending a few weeks in Halifax and Lunenburg, N. S., visiting relatives and friends.

The steamer Joh Ludw. Mowinkel, 1723 tons, in charge of Captain Berg, from Philadelphia, cleared from port on Saturday, bound for Manchester.

## Presentation to Miss E. M. Farrell By Dalhousie C. W. L.

The Dalhousie sub-division of the Catholic Women's League tendered a farewell reception to the President, Miss Mary E. Farrell, at the residence of Sheriff and Mrs. S. Bianchini. During the evening musical selections were given and the program was directed by several of the young ladies.

Previous to the serving of a dainty luncheon, Miss Farrell was made the recipient of a well filled purse. This presentation was made by Miss Mary D. Barthe, Miss Nettie Blanchard and Miss M. M. Mowat.

Miss Farrell thanked the ladies for their great manifestation of love and sincerity, and assured the large representation present that she would always be at their disposal in all matters pertaining to the welfare of Dalhousie.

All were greatly pleased when Miss Farrell announced that she was remaining in Restigouche County, having been appointed Principal of the Atholville school.

The address was as follows:—  
Dear Miss Farrell—Amid God's most beautiful days, it sometimes happens that some are marked with the preparable loss of a devoted and well-beloved friend. How bitterly we apprehend the hour which is to separate us forever, perhaps!

How joyfully would we retard its course indefinitely, so as to retain in our midst, such a well educated, impartial, upright, devoted, charitable and zealous friend as you have proved to be during the five years we have had the good fortune of possessing you in our town, dear Miss Farrell. But such is not in our power, therefore, in a true Christian spirit, we beseech you will do more good for His greater glory elsewhere, so calls you hence. Yet we are loath to let you go.

Since Reverend Father Hart, our kind and devoted pastor, has chosen you President of the Catholic Women's League, how many families owe to you their happiness! Into the lives of how many little ones have you brought sunshine and joy! How many are indebted to you for their education! How many sorrows have been soothed by your benign and motherly counsel.

Never shall we forget, dear Miss Farrell, the fatigue occasioned by your numerous professional duties, the long school hours, gone around visiting the sick and the poor in order to provide for their urgent needs.

Our zealous pastor has always found in you, a learned, capable and willing auxiliary. Our good Sisters have also felt your unknown but very much appreciated generosity.

Yes, dear Miss Farrell, the sad moment to part from your friends has come, but, fortunately, "Separation does not mean forgetfulness." Your indefatigable zeal for Church and Society, your irreplaceable deportment,

## HON. CHAS. MARCIL HERE MONDAY

Entertainment at Home of Former Restigouche Member—Interested in Politics

Dalhousie, N. B., July 31.—With ideal weather, an unbroken sun and a ray of hope in the clouds, Hon. Charles Marcil, M. P. for Bonaventure Co. P. Q., his daughter, Miss Marcil and his little grand daughter Miss Marcell Ahearn of Montreal. The cars of Mr. Harry Hart and of Mr. Louis J. LeBlanc were placed at the disposal of the visitors and they were driven to the residence of Hon. C. H. LeBlanc. The state secretary, Hon. C. H. LeBlanc, was entertained by Mrs. LaBillette and assisted by her daughter, Mrs. J. M. Colton of Montreal.

Asked as to whether reports were true that it was his intention to return from active politics and take a permanent and important position at Ottawa, Hon. Mr. Marcil replied that he had made up his mind to continue to serve the fine cause that had been so faithful to him, and he once plunged into inquiries about matters in general that interest the people of both sides of the Restigouche River and Bay Chaleur.

After leaving Carleton, he spent a little time at the St. Omer wharf, where he met several of his constituents, and then visited the Maguasha wharf, and there also several of his friends were on hand to greet their devoted member. From Maguasha, he S. S. Angella B. Nicholson made the round trip to Fleurant's Point, and sailed for Dalhousie about 2:30 P. M.

Hon. Mr. Marcil is much interested in the success of the newly established ferry service in the Maguasha, St. Omer and Carleton. He was delighted when told that the Quebec Government would join with the federal and New Brunswick governments in the establishment of a proper ferry service between the town of Dalhousie and points on the Quebec side of the Maguasha River and Bay of Chaleur. He was shown a copy of the letter that was received from Mr. J. Fabien Bureau, M. P. of New Carlisle, P. Q., addressed to him by J. Ant. Grenier, Esq., Deputy Minister of Agriculture, stating that upon the recommendation of Mr. Bureau, the Minister of Agriculture, for Quebec, would grant a subsidy of \$200 to the proprietors of the St. Omer, St. Omer and Carleton, to assist them in performing a regular service between Dalhousie, Maguasha, Fleurant, St. Omer and Carleton.

With the subsidy secured at Fredericton after an interview held by the school trustees, the school trustees may congratulate themselves on the appointment of Mr. J. MacKay Anderson, B. A., as the new principal. Mr. Anderson is highly recommended by Chancellor Jones and Professor Kierstead of the U. N. B. for his scholarly attainments and moral worth, and there is no doubt but what under his direction the school will have a progressive year.

The other teachers are: Miss K. E. Doyle, Nelson, N. B.; Miss Mary E. Mitchell, Fredericton; and Miss Audrey Jones of Chatham. The trustees have much pleasure in announcing that Miss Emma Harquail will continue her good work of many years as teacher of the primary department. The terms are announced that, owing to the increase in attendance, another department, necessitating another teacher is being provided for.

and soon "entertaining spirit" will always be the guiding light for our trustees and school. The "disposition" which will prompt us to aim high and strive to accomplish much. We beg Almighty God, to infuse into our hearts, strength and courage to walk in the path, you have trodden during your short sojourn in Dalhousie.

As a sign of appreciation, and our heartfelt gratitude, we beg you, dear Miss Farrell, kindly to accept this trifling gift from your affectionate friends.

Dalhousie School Teachers for Next Year Are Selected

The trustees of the Dalhousie Superior School have selected four teachers for the next school year from a large number of applicants. All who are interested in the welfare of the school may congratulate themselves on the appointment of Mr. J. MacKay Anderson, B. A., as the new principal. Mr. Anderson is highly recommended by Chancellor Jones and Professor Kierstead of the U. N. B. for his scholarly attainments and moral worth, and there is no doubt but what under his direction the school will have a progressive year.

The other teachers are: Miss K. E. Doyle, Nelson, N. B.; Miss Mary E. Mitchell, Fredericton; and Miss Audrey Jones of Chatham. The trustees have much pleasure in announcing that Miss Emma Harquail will continue her good work of many years as teacher of the primary department. The terms are announced that, owing to the increase in attendance, another department, necessitating another teacher is being provided for.

We beg Almighty God, to infuse into our hearts, strength and courage to walk in the path, you have trodden during your short sojourn in Dalhousie.

## Former Proprietor To Resume Charge of Queen Hotel

Dalhousie, N. B., Aug. 1.—The citizens of Dalhousie and the travelling public will be glad to hear that Mr. E. J. Gaudet, who during recent months has been residing in Campbellton, will again take charge of the Queen Hotel in Dalhousie. On Wednesday, Aug. 1st, Mr. Gaudet and his family will move from Campbellton to Dalhousie.

Interviewed by your correspondent, Mr. Gaudet said that he intended making improvements to the hotel, not only in rearranging the building, but he was determined to give the shirtdown as up to date hotel in every way. Mr. Gaudet will continue to travel for the Insurance Co. he represents so successfully. He will have the services of a good official to take charge of the office and general management, while his personal wife and her family will be welcomed back to their old home by many friends.

The four-masted schooner, Eugene Owen Mackay, 569 tons, cleared from port on Wednesday bound for New York, laden with lumber, lumber. She was loaded by the P. Q. Lumber Company.

## FRASER—FRASER

Dalhousie, N. B., July 28th.—A very interesting event took place at the Convent Chapel here when the Rev. Father Hart united in marriage Miss Isabel Fraser, daughter of Mr. E. J. Gaudet, who during recent months has been residing in Campbellton, with William Fraser of Gordon Fraser of this place.

The bride looked very becoming in an outfit of blue serge and hat to match and carried a bouquet of peonies roses and ferns. Miss Eva Russell, cousin of the bride was bridesmaid and wore a suit of sand with black hat. Lawrence Letourneau acted as best man.

After the ceremony breakfast was served at the bride's home to the immediate relatives of the contracting parties. They motored to Dalhousie Junction and boarded the Limited enroute to Newcastle and Fredericton and on their return they will reside on Adelaide Street, Dalhousie.

## Hopetown

It is quite a little while since we have heard from this little village of the Gaspe Coast.

Most of the young folks have returned home for the two months' summer vacation.

Mrs. O. H. Dent and her two children intend spending the summer with her parents.

Others who have recently arrived from Montreal are Misses May and Muriel Ross, Miss Muriel McWhirter, the Misses Marjorie, Marion and Wilfred Ross, Misses Alma and Edna Tannier.

Miss Vera Thompson has arrived from New Glasgow, Que., where she has been teaching for the past year. We deeply regret that their positions will call them back again in September, yet never-the-less, we are glad to have them if even for such a brief space of time each year.

The first of July was celebrated by a picnic which was largely attended by both children and parents. In the

HOUSE DESTROYED BY FIRE FRIDAY Ernest Adams and Family Had Narrow Escape From Flames. Ernest Adams and his family had a narrow escape last Friday night when the house which they occupy at Ferguson Manor caught fire about 11:30 on Friday night last. The blaze, which is believed to have originated from a spark from the cook stove in the summer kitchen to the rear, and which completely destroyed the building, caught some little time after the inmates of the house had retired. When aroused the whole kitchen was wrapped in flames and Mr. Adams and his family had barely enough time to escape with their lives let alone attempt to save any clothing or furniture. The local fire brigade was called and rushed to the scene but little could be done to save the building. Hose from Miller's mill was got into play and averted much of the danger of the spread of the blaze to the lumber yard and other property in the immediate vicinity. The building which belonged to the

W. H. Miller Co. was covered by insurance but Mr. Adams' loss will be considerable as he carried no insurance on his furniture or household effects. HAD NARROW ESCAPE. Brian Dunn, C. N. R. section man of Newcastle had a narrow escape from death on Wednesday afternoon of last week when the trolley on which he was riding was struck by No. 4, the south-bound Ocean Limited. Mr. Dunn who is the fire patrol of that section, was travelling on a small hand speed on the main line, near Peterson's siding, coming towards Newcastle, when he observed the Ocean Limited very near, he had but time to roll off of the speed, but not to remove the machine from the track, when the train struck it and in leaving the track the speedy hit Mr. Dunn, both being thrown quite a distance. He was unconscious when picked up by members of the train crew and brought to Newcastle. Mr. Dunn's injuries are severe and painful but not considered dangerous. The whistle of the locomotive was blown when coming round the curve at Peterson's siding, but owing to the noise made by the speedy, was not heard by Mr. Dunn. The driver did not see the speedy until they had rounded the curve and were almost upon it and as they were coming down grade, it was impossible to slow up.

OBITUARY The Late Mrs. M. Downs. The death of Mrs. Melvin Downs of Kempt Road, Que. occurred at the Soldiers' Memorial Hospital on June 2nd. Mrs. Downs was well known in the vicinity in which she lived and will long be remembered for her many good qualities and exemplary life. Her passing was attended with the deep regrets of a large circle of friends. Besides her bereaved husband and seven children the deceased lady leaves to mourn their loss an aged father and mother; two sisters Mrs. Geo. Dobson, Campbellton; and Mrs. Lawrence Dickson, Tids Head; and two brothers, John and Joseph Angstrom, both of Campbellton. The funeral services were held from the deceased lady's late residence, the Rev. B. C. Salter officiating, and were very largely attended. Interment was made in Kempt Road Cemetery.

Vice-President Grant Hall Says Big Crop is Assured Speaks with enthusiasm of Western Conditions in light of twenty-five years experience—Big Company adds miles of new Rolling Stock to take care of grain movement. Twenty-five years intimate and continuous acquaintance with Western Canada would give any man the right to speak authoritatively of conditions there, and when that man is Grant Hall, Vice-President of the Canadian Pacific Railway, his views will be accepted without question wherever published. Grant Hall has just returned from a tour of inspection over the line. He has been all through the West and he returns to Montreal full of enthusiasm about Western crop conditions and quite realizing the immensity of the task that lies before the railroads in moving this crop. It was agreed that last year's handling of the crop left no room for criticism. The tremendous task of moving out the grain was handled in splendid style by the railroads, and there is every indication the same thing will happen this year. Grant Hall, interviewed on his return to Montreal, said, "The Canadian Pacific is preparing to move the grain and we expect to keep up to all our previous good records in that line." It was fortunate for Canada that the company months ago decided to largely add to its rolling stock. The Canadian Pacific is this year building 40 engines and 5,000 new freight cars or practically forty freight trains of fifty cars each, enough equipment to have moved the entire western crop of a very few years ago. The new equipment will be on hand to do its share of the work this year. Mr. Hall makes no prediction as to the actual yield but of the general conditions he says—"In the long term of years in which I have watched the development of the grain crop I feel safe in saying that never have I seen quite so enthusiastic about the prospects. Generally at this time of year there are many reports of damage by

Swifter Than the Wolves Racing Before It! A roaring ahead of flame sweeping through the big timber. Not to check it meant ruin to the girl and the man who loved her. LOUIS B. MAYER Presents REGINALD BARKER'S PRODUCTION OF HEARTS AFLAME Adapted by I. C. Hawkins. YORK GIVES VOTE TO ALL WOMEN WHO ARE PROVINCE ELECTORS Fredericton, Aug. 1—On September 4 the electors of the County of York will exercise the franchise in the Municipal election. There will be a difference from former elections in that all women of the county eligible to vote in a provincial election will also be eligible to vote in the municipal election. York County is the first municipality in New Brunswick to extend the franchise to women in municipal affairs. They will vote on practically all municipal matters. What the effect of practically doubling the size of the electorate will be on the election is not known. It is generally believed that the women vote will be cast about as the men's vote.
