© 1996

Technical and Bibliographic Notes / Notes technique et bibliographiques

The Institut has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming are checked below.

- Coloured covers / Couverture de couleur
- Covers damaged / Couverture endommagée
- Covers restored and/or laminated / Couverture restaurée et/ou pelliculée
- Cover title missing / Le titre de couverture manque
- Coloured maps / Cartes géographiques en couleur
- Coloured ink (i.e. other than blue or black) / Encre de couleur (i.e. autre que bleue ou noire)
- Coloured plates and/or illustrations / Planches et/ou illustrations en couleur
- Bound with other material / Relié avec d'autres documents
- Only edition available / Seule édition disponible
- Tight binding may cause shadows or distortion along interior margin / La reliure serrée peut causer de l'ombre ou de la distorsion le long de la marge intérieure.
- Blank leaves added during restorations may appear within the text. Whenever possible, these have been omitted from filming / Il se peut que certaines pages blanches ajoutées lors d'une restauration apparaissent dans le texte, mais, lorsque cela était possible, ces pages n'ont pas été filmées.
- Additional comments / Commentaires supplémentaires:

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modifications dans la méthode normale de filmage sont indiqués ci-dessous.

- Coloured pages / Pages de couleur
- Pages damaged / Pages endommagées
- Pages restored and/or laminated / Pages restaurées et/ou pelliculées
- Pages discoloured, stained or foxed / Pages décolorées, tachetées ou piquées
- Pages detached / Pages détachées
- Showthrough / Transparence
- Quality of print varies / Qualité inégale de l'impression
- Includes supplementary material / Comprend du matériel supplémentaire
- Pages wholly or partially obscured by errata slips, tissues, etc., have been refilmed to ensure the best possible image / Les pages totalement ou partiellement obscurcies par un feuillet d'errata, une pelure, etc., ont été filmées à nouveau de façon à obtenir la meilleure image possible.
- Opposing pages with varying colouration or discolourations are filmed twice to ensure the best possible image / Les pages s'opposant ayant des colorations variables ou des décolorations sont filmées deux fois afin d'obtenir la meilleur image possible.

This item is filmed at the reduction ratio checked below /

The copy filmed here has been reproduced thanks to the generosity of:

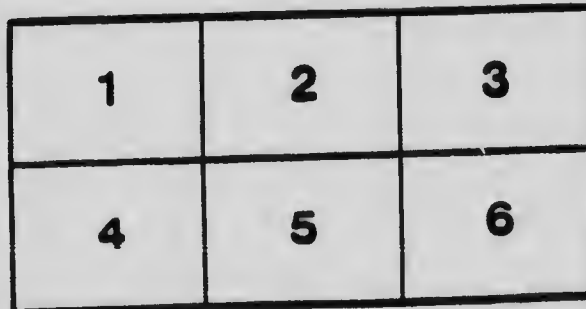

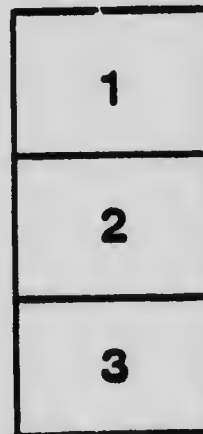

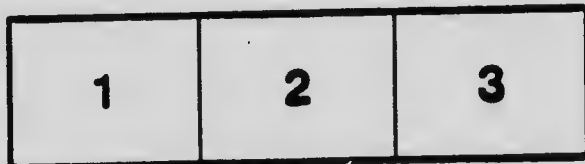

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

P R E F A C E.

In order to use the following Tables with despatch, it is advisable to know how to convert decimals of One Pound Sterling into Shillings and Pence. The following is one simple method, and with a little practice the process can easily be done mentally and rapidly:

As £1 = 240 pence = 960 farthings, therefore one farthing, for all practical purposes = .001 of £1 (the exact arithmetical difference being one hundredth part of one penny).

Three places of decimals being all that require to be reckoned with, the figure in the first decimal place multiplied by two will give the result in shillings, and the figures in the two last decimal places divided by 4 will give the pence, provided the latter figures are under .050. If, however, they are over .050, first deduct .050, which represents one shilling, and add it to the shillings, and then divide the amount remaining by 4 in order to arrive at the pence in the answer.

EXAMPLES: Find .936 of £1.
.9 = 18 shillings.
.036 divided by 4 = 9 pence.
Answer—18 9.

Find .782 of £1.
7 = 14 shillings
.084 = .050 plus .032 = 1 - plus 8 pence.
Answer—15 8 pence.

NOTE.—The decimals between .044 and .049 may be taken as 11d.

The calculations in the Tables are worked out to four places so that by shifting the decimal point one place to the right, the answer to ten times the amount named can be obtained. Thus \$7300 at 4.89 = £1492.8354, therefore \$73000 = £14928.354. Similarly by shifting the decimal point to the left, cents from 1 to 99 can be obtained. Thus 73 cents in the above example would be .149 of £1, that is 3/-.

EXAMPLE: Find Sterling equivalent of \$21489.64 @ 4.89½

<i>By adjusting the decimal point of figures opposite 2000,</i>	<i>\$20000</i>	<i>=</i>	<i>£4085.800</i>
<i>By adjusting the decimal point of figures opposite 1400,</i>	<i>1400</i>	<i>=</i>	<i>286.006</i>
<i>By adjusting the decimal point of figures opposite 8900,</i>	<i>89</i>	<i>=</i>	<i>18.181</i>
<i>By adjusting the decimal point of figures opposite 6400,</i>	<i>.64</i>	<i>=</i>	<i>.131</i>

\$21489.64 = £4390.118

ANSWER: £4390.24

For convenience, a table of decimal parts of £1 is given on a fly-leaf at the end of the book.

While nothing novel is claimed for the Tables, it is hoped that their form will prove useful and convenient.

G. R.

January, 1918

Vancouver, Canada.
