SINGLE COPIES FIVE CENTS

TUXIS SPORTS AT MIDDLETON

Bridgetown Boys Win Silver Cup Leading on Points. Rain Prevents Ballgame.

The opening of the splendid new athletic grounds at Middleton took place on Saturday afternoon with an attendance of over five hundred people with a very fair sprinkling from Bridgetown in the gathering. The athletic sports were given entirely over to the Tuxis boys on this most auspicious occasion the opening of one of the very finest athletic grounds in the whole Province. Proceedings commenced at 2 p.m. with a nice programme by the Middleton band, followed by a speech from Mayor Parsons, in the course of which he congratulated the Athletic Association on the results which had crowned their efforts in their securing and putting in shape of such fine grounds for sports.

Then the contests of the afternoon commenced, in which Tuxis boys from Bridgetown, Middleton and Lawrenceville, contended for a perpetual trophy, a handsome silver cup, put up by the Bridgetown Boys' Work Board. This is up for annual competition and was on Saturday won for the year by our Bridgetown boys with 20½ points. Middleton coming a close second with 18½. Lawrenceville boys securing 6.

The events were as follows: Hundred yard dash, Middleton here had the honors, taking all prizes: 1st Parsons, 2nd Shafrin, 3rd Perkins. In the shot put it was all by Bridgetown, the winners being: 1st Warren, 2nd 3rd McLaughlin. High Jump by 3rd McLaughlin. 2nd, Lanf, 3rd, Middleton; 3rd, Warren, 4th, Middleton.

The prizes were present by Mayor Parsons.

The next annual competition will be held at Lawrenceville. On account of rain the baseball match between Annapolis and Middleton Juniors had to be called off.

BASEBALL

Everything is now set for the big baseball match this afternoon on the Bridgetown athletic grounds between Berwick and Bridgetown teams. The battery for Bridgetown will be Malcolm and Austin, for Berwick, Wigmore and Hart. A corking game is expected and each team entertain good hopes of a win.

The wind may be tempered to the shorn lamb without blowing about it.

BRIDGETOWN AND VICINITY DURING FRENCH PERIOD

An Interesting Resume of Ancient Times—The Late Premier, Sir Wilfred Laurier, Had Ancestors In This Vicinity

We publish below a most interesting sketch relating to the early history of Bridgetown and vicinity from the pen of Dr. M. E. Armstrong, chairman of the Centenary Celebration Committee. In view of the approach of the hundredth anniversary of the settlement of Bridgetown by the British the article has a most special and timely interest and recalls much that is well to know and not by any means common knowledge.

With the first settlement of Port Royal in 1604 came the discovery of the river, extending into the great forests that were found on either bank for twenty miles or more inland and on the uplands close to the river, the emigrants from Old France soon cleared lots and established houses, and in the period of almost one hundred and fifty years that they remained here made great improvements in clearing the woods, dyking the marsh lands, erecting mills, putting out orchards, stock raising, wheat and fax growing, etc., etc.

They were expelled in 1755 and the English settlers who came to occupy their lands arrived in 1760 and afterwards. We think as we look back that it is a long period of years since our fore fathers came here but we can scarcely realize that French Acadians occupied many of these same farms for nearly as long before 1755 as the English have occupied them since 1755. The two periods of French and English occupancy making over three hundred years of European settlement for this portion of Annapolis County.

We know a great deal of what has happened during the last one hundred and fifty years and the record and history of these years would fill several volumes but how little we know of the first one hundred and fifty years of our history that covers the French days here, yet there was the most stirring and tragic half of the three centuries that have rolled away since the Micmacs first viewed or contended with the pale-faced Europeans in the Valley.

The idea to suitably commemorate the centenary of the founding of our town by Capt. John Crosskill has brought to mind our earlier history and while we pause to look back one hundred years and mark it, we stand at 1822 and try to look back still another one hundred years and see

what we know or can learn of the settlements and villages here about in those early days.

Mr. Placide Gaudet, a French Acadian, now in the Archives Department at Ottawa, is an eminent authority on the French period of our history and on maps of our very crooked river made as far back as 1620 and during the following century he has placed the many French villages and settlements between Digby and Bridgetown on both sides of the Basin and river and in the greater part of this distance he has been able to mark the name of the occupant in 1733. For instance at that time to the east of Bridgetown one mile what is known as Ruffee's hill, was the centre of Gaudet village which was first settled about 1640 by Dennis Gaudet. This extended to the westward some distance and old French cellars could be located in the fields at the east end of the town toward the river bank that marked the homes of the Acadian settlers at this period. Both houses and other buildings were destroyed at the expulsion in 1755.

What is now the centre of the town was at that time the suburbs and here dwelt Bernard Gaudet who was a prominent and prosperous citizen and for some years was deputy, or Councillor, as we say nowadays, for the village. The deputy also filled the position that our Magistrates do in hearing petty offences.

Placide Gaudet referred to above is a descendant of this Bernard Gaudet, who lived here and will visit the home of his worthy ancestor to get the date of this more interesting details of this first Bridgetown that disappeared in 1755 by the application of the torch to the empty dwellings of the afflicted citizens who hurriedly fled to the mountains when the order of expulsion was being carried out or were reluctantly placed on board the ships in the river that came from Boston for their removal.

Just where the home of Bernard Gaudet stood we do not know, but if we were to make a guess we would say somewhere between the school ground and cemetery, as near the river as possible for convenience. That he had an orchard of considerable size we know, because his English successor here a few years later reports both apples and cyder on his farm.

To the eastward of Gaudet village was Paradise Terrestris by the old French maps, and diligent search has failed to show or tell why, when, or how, the locality, then unsettled, was called "a Paradise on earth".

The name, as we know, has continued and our modern sister village has the distinction of retaining its name for two hundred and fifty years and I would be inclined to guess that the present Paradiseans have made their village more worthy of their celestial name than it could have been in the French period before it was even settled.

At that time the river was the great thoroughfare of travel and trade, and while there were roads from one settlement to another they were very poor and very few the brooks and creeks, even bridged for other than foot passengers.

In Granville, not far from the present Methodist Church, but quite close to the river, opposite Tupperville stood the Mass house or Church that gathered the devout habitants from both sides of the river. Here they came by canoe and boat on Sundays; and along side of the church was the cemetery where they buried their dead. This church which was called St. Laurent, was erected about 1690, and after Port Royal was captured by the English in 1710 the resident priest at Port Royal came up the river and made his church and it became the only church of the river settlements.

Father Durand, the priest at that time, was accused of inciting the Indians, French inhabitants against the English garrison at Annapolis and on a Sunday morning in December

HEAVY LOSS BY FOREST FIRES

Two and a Half Square Miles Burned Over—Round Hill Threatened

Forest fires which originated about two miles from Round Hill on the McLaughlin lot West branch were noticed first on Monday night of last week and were later got under fair control but wind springing up favored the blaze and began to carry much destruction with it over a rapidly extending area. The climax was reached on Thursday when about 250 fire fighters under direction of Chief Forest Ranger for Annapolis Co. Mr. J. A. Whitman made strenuous attempts to check the progress of the flames. Bridgetown was called upon for help but fortunately the wind died down and when the volunteers arrived there was no need for further assistance.

The fires smouldered till Saturday when rain put them out. About 2½ square miles of woodland was burned over and the losses would amount to thousands of dollars. No buildings were burned but the barn of Capt. Evans at Round Hill caught for a time the whole village was threatened by this fire which had travelled nearly three miles.

PORTRAITS OF CAPT AND MRS. CROSSKILL

There are now in the studio window of Miss Georgina Cunningham, portraits copied from oil paintings of Capt. John Crosskill, founder of Bridgetown, and of Mrs. Charlotte Phillis Crosskill. The paintings were made in 1799 by Copley and the originals are now the property of Mrs. Geo. E. Boak, of Halifax, daughter of the late Judge James and great grand daughter of the founder of Bridgetown. Judge James was a son of Thomas James, a native of Bridgetown whose home was on property now occupied by Mr. E. R. Orlando. The copies were recently secured by Dr. M. E. Armstrong, President of the Centenary General Committee. The founder and his wife present a distinguished appearance.

1710 he was arrested as he was celebrating Mass, by Capt. Abercromby and sent to Boston as a prisoner for more than a year, he was then allowed to return to his parish but his church continued to be the focus of a trouble and in 1736 it was demolished by the Annapolis garrison.

Tradition says the bell of St. Laurent was kept and was filled with money and buried at the time of the expulsion in 1755. Diligent effort and search by several generations of treasure hunters has failed to locate this buried booty.

In Granville where the Salter and Phinney and Chesley farms are located was the village of Beauve. While across the river from here on the south side was the village of Beaupre. Further east, in the Bath and Parker section and across the river near mouth of Bloody Creek, dwelt the Heberts, both reared large families and were departed in 1755.

On the south side of the river Bellevue village was in the vicinity of Carleton Corner, where the Fowler and Dargie, etc., farms are located. While to the east of the Corner on the old Morse place, now occupied by Dr. Muir, dwelt the LePrince's and among other distinguished descendants of this family was Mr. Prince, First Bishop of St. Hyacinthe Que.

To the westward of the corner across Walker brook and between this stream and Bloody Creek are many old cellars and remains of French apple trees, this was Forest or Forrest village, and the Bloody Creek stream was called Forest River at this period. Michael Forest or Dr. Forest, the founder of this village, was born at Port Royal in 1670, married in 1695 Francis Dugas, and reared fourteen children. People living in the vicinity of Bloody Creek will be interested in knowing that Sir Wilfred Laurier had ancestral roots reaching back to the banks of this historic stream—Jean Forest, son of the first settler here, was the grandfather of Sir Wilfred's mother.

UNUSUAL AND COMPLICATED CASE SUBJECT OF MUCH CORRESPONDENCE

Case of Aged and Infirm Woman Resident in Yarmouth Up For Adjustment—Sale of Debentures To Be Arranged

The Town Council held their regular monthly session on Friday evening, Mayor Warren presiding. Present Councillors Hicks, Gesner, Anderson, Longmire and Bent.

A number of O. K. bills were passed and the matter of a public dump was discussed for a short time. It was decided to use one at Mrs. Fisher's wharf.

In the case of Hiram Miro unable to pay hospital dues at Victoria General. It is claimed that the party referred to has no residence here but in Digby County at Plympton.

A woman named Elizabeth McBride made deposition naming Bridgetown as her birthplace, year 1855. She went to the U. S. and was twice married there to husbands having no residence in Nova Scotia. Both are dead. She worked for years in the U. S. dressmaking and lived as far west as California. She has resided in Yarmouth since spring of 1916 and has become totally blind, receiving now \$80 per year with no other means. The question now is to determine where she has a residence legally speaking. Research is being made but thus far no record of her birth has been found here but effort will be continued to elucidate the matter.

The matter is thus in rather a complicated and unusual condition so that the Honorable Minister stated that he would hold a public enquiry if necessary to determine the real status of matter.

A delegation was present before the Council asking for an extension of the water service so that they would be guaranteed a supply during dry periods about seven families in all required supplies. Promises of considerable digging were given if the town would lay the pipes. Besides convenience to the citizens named there was only the financial aspect of expenditure and revenue to be considered. The matter was referred to the Water Committee to go further into.

Mrs. Poole was granted widow's usual exemption.

The matter of putting oil on the streets to eliminate the dust nuisance was also discussed and opinion was expressed that this would not be effective if confined to the main street alone. Operations would require to be carried into a number of side streets from which dust would otherwise blow into the main street. The business men of the town have already been discussing this question and the matter of raising the money to purchase oil, the town to put this on.

The Mayor and Town Clerk are deputed to dispose of to best advantage \$4,000 debentures, \$3,000 for permanent street work and \$1,000 to redeem debentures.

The usual assessment in connection with the Workmen's Compensation Act was passed.

KARSDALE

The Karsdale Union Bible Class held a special session at the home of the President, E. H. Porter, on Tuesday evening, May 30th, having for their guests Rev. H. P. Patterson, Rev. Archdeacon Watson and Rev. W. G. Heisler. There was a large attendance. Rev. W. G. Heisler opened with prayer, after which Mrs. Patterson rendered some very fine music. Then Archdeacon Watson gave a most illuminating exposition of the lesson—followed by a splendid paper by Rev. W. G. Heisler and an address by Rev. H. P. Patterson. Following this the President presented, in behalf of the class, an envelope containing \$5 to each of the ministers, thanking them heartily for their assistance at the various services of the class and urging the people to give their best efforts to make this Bible Class a great force in the moral and spiritual interest of Lower Granville. The Rev. gentlemen responded in very appropriate terms, after which the ladies served a splendid treat and then more music, and at a late hour the company dispersed, all feeling that a most delightful evening had been spent.

Miss Alice E. Thorne returned from Dalhousie Medical College on Monday to spend her vacation.

The Croscup weir took a big haul of mackerel on Tuesday—very large and very fine.

Mrs. Elizabeth Bogart came from Montreal on Monday and is occupying her house here.

WEYMOUTH

Miss Gladys Melanson arrived on Tuesday from Concord, N.H., where she is training for nurse, and is spending her vacation with her parents, Mr. and Mrs. Alfred C. Melanson, Weymouth Mills. She was accompanied by her young nephew, Vincent Lannigan.

The final exams will be held beginning on Monday and continuing for the next ten days at St. Anne's College. The closing of the College will take place the 14th inst.

Telephone service with New Edinburgh was started for the first time on Wednesday. This connection will prove of inestimable benefit to the F. E. Davis factory, whose company is the means of having telephonic communication installed.

WINDSOR WINS CRICKET MATCH

Bridgetown Loses First Match With College Town. Mounce's Score the Big Feature

The cricket club played their first league game on Saturday at Windsor and were defeated by 89 runs to 37.

A return game will be played at Bridgetown on Saturday, June 10th, play commencing at 11 a.m. The cricket club would be glad to have a larger number of spectators. No charge is made for admission and this will be the best game of the season.

The score above does not entirely indicate the relative merits of the teams as rain coming on interfered with play. Next game with good weather conditions should be a splendid contest.

ALBANY

Mr. Henry C. Bruce, formerly of Brooklyn, passed to his eternal rest on May 30th at the home of his daughter and son-in-law, Mr. and Mrs. Maynard Oakes, aged ninety-two years. He has left to mourn his loss, a widow, two daughters and four sons. Deceased was a consistent member of Middleton Baptist Church. Rev. A. H. Whitman conducted the funeral services at the home on June 1st, speaking from the words chosen by the departed, "Be Ye Ready for Ye Know Not the Day Nor the Hour When the Son of Man Cometh", Hymns also selected, "Abide With Me", and "Nearer My God to Thee".

PROVINCIAL NOTES

A number of men interested in making a Driving Park in Windsor, with an exhibition building in connection with it, have formed a company which is called the West Hants Exhibition and Driving Park Co. with officers as follows: Pres. Walter J. Aylward; Vice-Pres. Walter F. Card; Secty.-Treas. E. A. Hill; Directors, Enoch Hennessey, Brooklyn; E. Gertrude, Hantsport; J. Fred Hill, Windsor; Chas. Burke, Avondale; Geo. O'Brien, Windsor Forks.

There will be a new development in electing in Manitoba, as radio equipment will be used for broadcasting campaign speeches. The plan will be that the ministers will make a number of speeches at broadcasting stations in the city to the electors of the Province. It is estimated that an audience of several thousand persons can be obtained by use of the radiophone. This will be the first time in the history of Canada that this method of electing has been tried.

Annapolis Royal can now boast of a first-class motor bus service, thanks to the enterprise of Albert Cole, proprietor of the Albert Street Garage. The bus is a new, up-to-date Rugsies sixteen passenger car, that provides convenience, comfort and rapid transit. The route is from the head of the old ferry slip, Granville Ferry, to Lequille Post Office. It is designed to serve the needs of the town better than an electric tram could. Mr. Cole deserves every encouragement for endeavoring to put Annapolis in line with the march of progress.

A novel idea has been advanced by R. M. King & Son, of Annapolis Royal. They are distributing free pumpkin seed and offering \$15 in prizes for the biggest "fruit" sent them in the fall for exhibition purposes at Annapolis fair time. This offer is not limited to growers of seed furnished by them but the firm have interested themselves to the extent of purchasing special mammoth varieties which they are distributing gratis to applicants. Get busy, Mr. Farmer, and grow a pumpkin.

Encouraging reports continue to come from the various sections of the Annapolis Valley where enquiries have been made regarding the possibilities of the fruit crop this season. There seems to be every indication of a good crop. After the heavy crops of the past three years it might be expected that orchards would give signs of a needed rest this season. Yet such is not the case. The first buds this year have every promise of another full blossoming year, and we may expect that by the first of June our Valley will be a mass of pink and white bloom. Then, if our usual weather conditions continue, another million barrel crop may be experienced.

The new bridge across the Allan Creek on the road between Annapolis and Digby is now complete and open for service. The construction of this bridge was a long drawn out job, because of the unexpected difficulties encountered. The banks of the river are very soft and the mud is from fifty to sixty feet deep. To add to the perplexity, quicksands abound. It was therefore very difficult to get firm and secure foundations for the piers. Last autumn, when it was thought that the bridge was complete, the heavy fill at the east end had to be removed, an extra pier erected, and a forty-five feet concrete slab added to the structure. Winter closed in before the work was complete, and it had to be held over until this spring. By now it is happily completed, greatly to the relief of all concerned, especially the travelling public that for so long have had to take chances on the bent and twisted old bridge. This new bridge rests on six concrete piers and consists of two one hundred steel spans with concrete floors and three spans of concrete slabs. It is a very substantial structure. The contractors were Reid and Archibald, and the work was done under the supervision of W. D. Robertson, Government Engineer.

Silas Gates and son have completed their large barrel factory at Middleton and now have it equipped and fourteen coopers at work. Mr. Justin Gates is in charge at that place.

London.—A clerk in a Liverpool insurance office, Miss Gwendoline Thomas, drew Captain Cuttle to win the Derby in one of the big sweep-stakes. She sold a half share in the ticket a few days ago for £3,000 but retained the other half, thus winning about £60,000 additional.

TROSPETS GOOD FOR BIG CROP, SAYS DR. CUMMING

Dr. Melville Cumming, Secretary for Agriculture for this Province, who recently returned from a trip to the Annapolis Valley and as far west as Yarmouth, says regarding crop conditions:
The outlook for apples in the Annapolis Valley is particularly good. The cold weather has prevented the apple blossoms from opening early and thereby becoming subject to danger from frost. The situation, he said, was very encouraging.
Dr. Cumming said that with sufficient rain and heat the outlook for a good hay crop and ample pasturage was also good this year, for there had been very little winter killing of grass.

While it was not yet possible to speak definitely, he said, it was likely that there would be more acreage under cultivation this year than last, except possibly in the case of potatoes, due to the low prices they are bringing. There was more farm help available this year, he said, because of present industrial conditions. It was too early, Dr. Cumming said, to make any crop predictions.

DR. CUTTEN NON-COMMITTAL

Wolfville, N. S.—Dr. George B. Cutten, President of Acadia, has resigned from that institution. He placed his resignation before the Board of Governors at a meeting recently. When asked for his reasons for retirement, Dr. Cutten was non-committal. The statement issued by the Board of Governors stated that the President had resigned, but gave no reasons for his action. It is assumed, however, that he is accepting the Presidency of Colgate University, New York State, as has been intimated in recent despatches from there. His resignation from Acadia is to take effect from July 31st.

GERMAN DEFIANCE IS NOT PERMITTED

London.—With Germany undefiant, Premier Lloyd George had planned to make a brief statement on reparations in the House of Commons recently, but when John Robert Clynes, Labor member, opened the debate and attributed the present difficulties to the Government's election pledges of 1918, the Prime Minister launched into a lengthy defense of the reparations commission and the treaty of Versailles.
Mr. Lloyd George praised the German attitude towards the reparations commission and indicated that so long as she was not defiant, Germany could count on Britain's sympathy and understanding of the difficulties involved in meeting the treaty conditions. He declared, however, that there was no cause for disagreement between France and England, for should Germany refuse to attempt to fulfill the commission's proposals, Great Britain's place would be at the side of the Versailles signatories despite the misrepresentations which were being made.
Great Britain believed in the traditional policy of moderation and fulfillment, continued the Prime Minister, and he gave warning that isolated action on the part of any one of the Allies would be disastrous to the Entente between them.
"It is the policy pursued after Waterloo toward France when Prussia and Russia and the other victors urged that France be trampled," said Mr. Lloyd George. "The Government in that day refused to countenance such a policy; we are pursuing the same course. But if Germany is defiant, if she should say 'this treaty we decline to carry out,' it would be different. A German policy of non-fulfillment would be a policy of immediate disaster.
"It is not a question of France acting alone, if there is defiance of the Versailles treaty. We are signatories to the treaty which the House of Commons ratified. We are committed to it. In spite of all misrepresentations, we still shall stand for the policy of moderation and fulfillment."
The Prime Minister concluded by saying that the circumstances which had arisen rendered it unnecessary to refer to any discussions of recent weeks, and he hoped it would be unnecessary to resume those discussions and enter into the question of the effect of isolated action, declaring: "All I would say would be that I agree that any isolated action on the part of any of the Allies would be disastrous to the Entente between them."

CANADA'S REVENUE IS INCREASING

Ottawa.—Total revenue from customs and excise for May shows an increase of a million and a half in comparison with the total for May of last year. The figures are:—
May, 1921—\$19,693,321.
May, 1922—\$21,203,291.
There was an increase in all branches of customs and excise duties, with the exception of excise duties, which showed a decrease of \$22,100. The increase in revenue from excise duties was \$1,117,138; from excise taxes, \$409,993, and from sundry collections, \$4,936.

CIVIL SERVANTS ON PAY ROLL

Ottawa.—Canada has over 7,700 civil servants who are receiving smaller salaries than \$800 per annum, according to a return tabled in the House of Commons. The total of employees given as receiving \$600 per annum and less was 13,500.
The season for gardening is here again. Too much encouragement cannot be given to the home gardener. Many towns have gardening contests to encourage these efforts. Perhaps this might be a wise idea for us to try.

WAS FAMOUS ATHLETE

The late Robert Laidlaw, of Dartmouth, N.S., whose death occurred in Montreal on Monday, was well known throughout the Maritime Provinces as a great athlete. He was one of the best hockey players that Dartmouth ever turned out, and he was the fastest skater of his day. He carried off all amateur honors, and then turned professional. He raced and defeated Hugh McCormack, of St. John, then the champion of Canada.

Mahone, N. S.—A particularly tragic drowning occurred at Mader's Cove about 9.45, when Wallace W. Eisenhour, 17 years of age, a well known Mahone young man, lost his life. The body was recovered several hours after the tragedy, lying in about twelve feet of water.

say Bayer Aspirin

Nothing Else is Aspirin—say "Bayer"

Warning! Unless you see name "Bayer" on tablets, you are not getting Aspirin at all. Why take chances? Accept only an unbroken "Bayer" package which contains directions worked out by physicians during 21 years and proved safe by millions for Colds, Headache, Earache, Toothache, Neuralgia, Rheumatism, Neuritis, Lumbago, and Pain. Made in Canada. All druggists sell Bayer Tablets of Aspirin in handy tin boxes of 12 tablets, and in bottles of 24 and 100. Aspirin is the trade mark registered in Canada of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

TIME NOT OPPORTUNE TO DISCUSS ST. LAWRENCE WATERWAY

Ottawa.—Hon. W. L. MacKenzie King, Prime Minister, announced in the House of Commons that the Dominion Government did not consider the present an opportune time for the negotiation of a treaty with the United States on the St. Lawrence waterway scheme.

Sir Henry Drayton, ex-Minister of Finance, brought up the question. He drew the attention of the Government to reports from Washington, stating that the United States Government had sent a communication to the Government of Canada suggesting the negotiation of a treaty as a basis for the construction of the St. Lawrence waterway. He asked if such reports were correct and whether the Government had received the communication mentioned. The Prime Minister replied that a communication had been received stating that the United States Government was prepared to consider entering into a treaty with Canada on the lines mentioned. The Dominion Government had replied that it did not consider the present an opportune time to take such a step.

Sir Henry asked whether the correspondence would be brought down in the House. Mr. King replied that it would be.

WHAT THEY'RE WEARING IN NEW YORK

A cursory inspection of the windows of the smart Fifth Avenue shops indicates clearly that New York is prepared to follow Paris along Russian lines. One sees Russian dresses trimmed quite simply with rows of flat braid at the side closing, boat-shaped neck and irregular hem. One that was shown recently in the early Fifties was of pale platinum-gray linen with dark-blue braid, small blue buttons and neat pockets bound with the braid.

Also a la russe are the blouses, some of them straight and shirt-like, others with the characteristic peasant neck and full sleeve, but all of them heavily laden with Russian cross-stitch embroidery. Red and dark blue, red and yellow, or red with blue or black are the peasant colors for cross-stitch and generally appear on white or linen blue. Quite smart, though less typical, is wood-brown cross-stitching on yellow, or scarlet on pale gray, but the bright peasant colors are very gay and pretty with the softly fringed white homespun skirts.—From the June Delinquent.

USED CLERGYMAN'S HOUSE AS DISTILLERY

New Glasgow has a first-class sensation when a modern distillery was unearthed in one of the finest residential sections of the town. Three men of the Jewish faith were the principals of the show, and when they disagreed as to the division of the spoils one of the party, Samuel Morris Greenberg, spilled the beans to Chief Rideout, with the result that Isaac Berelievitch, two stills and a considerable quantity of moonshine flavored rum, Greenberg termed the product, was landed in jail.

In court Greenberg told the details of the enterprise along with the business transactions, with the result that Isaac was convicted of one offense, and still stands charged on two other counts. Greenberg is also committed to the superior court on the charge of damaging the rented residence which had been turned temporarily into a distillery. The house is the property of a minister of the Baptist Church, who formerly lived here, and the turning of the enterprise was the more apparent in that Greenberg rented the premises from the chairman of the police committee, who is a pronounced temperance man.

SCANDALOUS FIRE LOSSES

The fire losses for the Dominion of Canada in 1921 averaged five dollars and twenty-two cents per capita. The appalling feature of this colossal waste is vividly realized when it is remembered that the losses in Great Britain for the same period only averaged ninety cents per capita. The Dominion Fire Commissioner vouchers for these figures. In the year in question about thirty thousand fires were reported with losses of more than forty-five millions. In this sum is not included the untold millions lost by forest fires. When the finances of the Dominion are considered, such wholesale squandering of wealth is shameful indeed. Loss from fire is irremediable; the smoke from conflagration leaves no compensation.

Apart from the fires in cities and rural places, there is the wicked destruction of large areas of our forests by fire. The forests are valuable beyond all computation and their preservation is a matter of national concern. The worst of it is that abundant proof has been adduced that a large percentage of forest fires is traceable to carelessness on the part of settlers, railways, hunters and others.—Family Herald and Weekly Star.

Minard's Liniment for Warts, Corns, Etc.

FINE RESULTS ARE OBTAINED BY THREE IN FAMILY

Halifax Woman Says She Gained 12 Pounds, and That Her Husband and Little Girl Were Entirely Relieved by Taking Tanlac

"Since I was helped so much by Tanlac my husband and little girl have taken it with splendid results," said Mrs. Robert L. Allen, 56 Duke St., Halifax, N. S.

"For years I had such bad indigestion that sometimes even milk and toast hurt me. I never could eat fat nor fried food. My liver was out of order too, and I couldn't do a bit of my housework. I was nervous and dull, taking no interest in anything.

"After trying all kinds of medicine with no results, I got a bottle of Tanlac and I declare it helped me from the first few doses. I have gained twelve pounds and can easily do all my work. We all think Tanlac is just wonderful."

Tanlac is sold by all good druggists.

LUSITANIA WRECK WILL NOT PAY FOR SALVAGING

London.—Hopes of valuable treasure being recovered from the Lusitania, plans for the salvaging of which have been announced in the United States and England, are too optimistic in their estimate of what the liner holds, according to A. A. Bestic, who was told officer on board the vessel when she was torpedoed.

Discussing the possibility of salvaging, in an interview, Mr. Bestic expressed the conviction that the action of the torpedo and the way the giant ship went down, made it almost certain that by this time there is not enough of her left to bring up as a whole.

"Taking into consideration the fact that her length is roughly three times as great as the depth of the water in which she sank," said Bestic, "and the acute angle at which she took the plunge, it is obvious her bow must have struck bottom before she was completely submerged and that the impact must have been sufficient to strain every rivet, if not break her entirely in two. Her boilers must have tumbled pell-mell into the bows, carrying all before them. I have little doubt they exploded."

SAYS CANADIANS ARE STRONG FOR PROHIBITION

Boston.—Canada would go dry if prohibition were put to a vote of the people, said A. B. Copp, Secretary of state in the Canadian government. Mr. Copp, who was returning from a visit to Washington in the interests of the Dominion, left for his home in New Brunswick.

"I believe the program adopted by Canada of giving the Provinces the right to determine whether they shall be dry or wet is the best solution of the prohibition," Mr. Copp said. "In the Provinces which have adopted prohibition, at least in New Brunswick and Ontario, it was the result of the women's vote."

Dr. A. C. Harding, of Yarmouth, has been gazetted a member of the Provincial Dental Board, and Denis d'Entremont, of Meteghan River, a Stipendiary Magistrate for the Municipality of Clare.

WINNIPEG TORONTO CANADA MONTREAL

COL. JOS. HAYES HAS RESIGNED AND DR. J. F. ELLIS SUCCEEDS AS UNIT MEDICAL DIRECTOR

Colonel Joseph Hayes has resigned his position as Unit Medical Director for the Maritime Provinces to take a position elsewhere, the nature of which is not known at present. He is to be succeeded in office by Dr. J. F. Ellis, who has been medical examiner for the Pensions Department for the last few years. Dr. Ellis took over his new duties on June 1st.

Colonel Hayes has spent three years as Medical Director, Dr. Ellis, who succeeds him, went overseas with the St. Francis Xavier Unit and was attached to various hospital units in France.

His last year overseas was spent with a special heart hospital in London, where he attended to cases of that nature among Canadians.

SHIP BUILDING NEARING PRE-WAR RATE

World ship-building is rapidly reverting to the pre-war scale, says a statement by Lloyd's Register of Shipping, summarizing the returns for the quarter.

Although the returns for the United Kingdom show a total of orders in hand aggregating over 500,000 tons more than before the war, work has been ordered suspended on more than 600,000 tons of the present total, so that the actual status of British ship-building is about 6 per cent. below pre-war basis.

Only 126,000 gross tons of ships are now being constructed in the United States, according to the returns. This figure compares with 148,000 tons for July, 1914, or a decrease of almost 10 per cent. At the beginning of this year the total reported for American yards was 216,000 tons, so that the decrease in the past three months has been about 40 per cent. At this time in 1919 the United States was building 4,136,000 gross tons of ships, or more than all the rest of the world combined. The decline from the peak in this country therefore has been more than 4,000,000 tons in the work under way at one time.

Compared with the peak of construction under way at one time in the world, the present total represents a decline of nearly 65 per cent. In September, 1919, there were 8,048,000 gross tons of ships in hand. The present figure of 2,560,000 tons actually building is a decrease of nearly 4,100,000 gross tons.

In comparison with the total for the beginning of this year, the aggregate now reported for the United States shows a drop of 37 per cent., that for the United Kingdom of 15 per cent. and for other countries of 18 per cent. For the world, the decline during the last three months, according to Lloyd's Register, was 17.4 per cent.

PROMINENT MINING MAN SUICIDES

New Glasgow, N. S.—Malcolm Benton, aged about 55, widely known in Nova Scotia as a mine owner and manager, died at his home at Thorburn last week, almost instantly, following the reception of a bullet in the vicinity of his heart from a revolver in his own hands. He was in bed, following a few days' illness when the shot was fired. Hearing the report, his son, Lester, rushed to the room, to find his father gasping out his last breaths.

A verdict of "Death resulting from a bullet from a revolver in his own hands" was given out by a Coroner's Jury headed by Dr. E. Kennedy, New Glasgow, which examined into the case.

Mr. Benton developed and was part owner of the Greenwood coal mine, in Pictou County during the war. He later sold out his interests and recently had been operating Port Hood mine in Cape Breton. He had been connected with other Nova Scotia mines during his lifetime.

A widow and four children survive, of whom three, including Lester, the oldest, aged 22, and two partly grown girls, are at home; one boy is attending school in Pictou.

TEA PRICES RISING WITH INCREASED DEMAND

The shortage of the supply of tea available for consumption, due to the 20% reduction in production in the gardens of Ceylon and India, during 1921, has, as might be expected, pushed the price of the tea offered on the market today, up and up. At the same time the use of tea has been gaining in popularity, and the reduction of four pence a pound duty on tea entering England will further stimulate the demand. Those in touch with the situation advise us that higher prices are inevitable.

Persons who recently cruised thru the woods report that partridge never were seen so thick as they are this spring. There is every indication that partridge wintered particularly well and that the hatching took place unusually early in the spring. Large flocks of well developed young birds are in evidence.—Telegraph.

THOUGHTS OF VACATION

About this time of the year an occasional thought about vacations comes into one's mind. But most people could hardly shrug their shoulders and dismiss the thought from their mind as being too premature. However, they are mistaken. Thoughts of a vacation are never premature.

CLARENCE

Miss Edwina Elliott, of Halifax, spent the week-end with her parents. Mrs. Albert Banks is spending a week visiting relatives in Kingston. Our pretty village has been well patronized during apple blossom season.

PORT GEORGE

Mrs. James Hamilton is the guest of her niece, Mrs. Irvin Morse, Nictaux West. Mrs. O. P. Nelly has returned home much improved in her health, we are glad to report.

HAMPTON

Miss Dorothy Copley, of Wolfville, is home for the holidays. Mr. Henry Chute, of the S. S. Grandville, is home for a few days. The rain of Saturday and Sunday was much appreciated by our farmers.

WEST ARLINGTON

Alfred Marshall was in Middleton on business Friday last. Mrs. Alfred Marshall was visiting at the home of her daughter, Mrs. Rev. A. Whitman, at Port Lorne, last week.

CLEMENSTVALE

A pile and ice cream sale was held in Dukeshire Hall Tuesday evening. The sum of \$41.50 was realized for Forester's benefit.

FITS

Stinson's home treatment for epilepsy. Twenty years' success. Thousands of testimonials. No case should be considered hopeless. Write immediately for free booklet.

VIRGINIA EAST

Mr. Gordon Potter, of Princesdale, spent Sunday with his father, Mr. H. Potter. A "sting" was enjoyed at Mr. Forest Robar's Sunday evening. All had a very pleasant time.

FALKLAND RIDGE

E. H. Marshall returned to Middleton Monday, May 29th. Roy Slannwhite went to New Albany Monday, May 29th. Simeon Demore, of Middleton, spent the week-end at his home here.

UPPER CLARENCE

Mr. Edmund Hall, from Bridgetown, was in this place one day last week calling on friends. Mr. and Mrs. Reice Foster spent Sunday in Wilton visiting Mr. and Mrs. L. J. Strong.

CENTRAL CLARENCE

Sable McNinch was a week-end visitor at C. H. Jackson's. Mr. Harry Veits and son, Lawrence, have purchased a Chevrolet Special.

WEST ARLINGTON

Mr. L. W. Elliott was in Wolfville last week, attending the closing exercises. While there he was the guest of his son and wife, Dr. and Mrs. Elliott.

CLARENCE

Mr. O. H. Ford is setting up his mill at Round Lake. Mrs. F. Cumming and two sons, of Middleton, spent a few days with friends in this place.

CLARENCE

Mr. George Ramsey has gone to Port Lorne for a few days where he will visit his niece, Mrs. S. Corbett. Miss Elsie Potter is improving after her long trial of illness.

CLARENCE

Miss Vivian Millett, of Boston, Mass., is visiting her parents, Mr. and Mrs. Fred Millett. Mr. and Mrs. F. Long spent Sunday at Milford, the guest of Mr. and Mrs. R. Longmire.

HAS NEVER FELT THE RHEUMATISM

Since Taking "Fruit-a-tives" The Famous Fruit Medicine

P.O. Box 123, PARSONS, N.S. "I suffered with Rheumatism for five years, having it so badly at times I was unable to get up. I tried medicines I saw advertised, and was treated by doctors but the Rheumatism always came back. In 1916, I saw in an advertisement that "Fruit-a-tives" would stop Rheumatism and took a box, and got relief; then took "Fruit-a-tives" right along for about six months and I have never felt my Rheumatism since."

FALKLAND RIDGE

E. H. Marshall returned to Middleton Monday, May 29th. Roy Slannwhite went to New Albany Monday, May 29th. Simeon Demore, of Middleton, spent the week-end at his home here.

UPPER CLARENCE

Mr. Edmund Hall, from Bridgetown, was in this place one day last week calling on friends. Mr. and Mrs. Reice Foster spent Sunday in Wilton visiting Mr. and Mrs. L. J. Strong.

Miss Ethel McCormick, of Annapolis Royal, is spending a few days with her mother, Mrs. Walter McCormick, in town.

Mr. and Mrs. George Bent, Mr. and Mrs. John Bent, of Mosher's Corner, attended the funeral of their niece, Nellie Bent, May 29th.

Dr. C. E. McLaughlin, wife and family, of Halifax, spent the week-end, the guest of the doctor's sister, Mrs. J. H. Tupper.

Miss Doris Nelly, of Kingston Village, returned home this week after a pleasant visit in town, the guest of Mrs. (Dr.) Dechman.

Miss Hettie Rice, who has been spending the winter months with her sister, Mrs. Ernest Ewing, of Boston, Mass., has returned home.

Miss Louise Morse, of West Paradise, has returned from Acadia and is spending the vacation with her parents, Major J. E. and Mrs. Morse.

Mr. Alfred Gamble, who has been a guest of Mr. C. S. Bothamley at "The Pines" West Paradise, left on Thursday for Montreal and Toronto on a business trip.

Mrs. F. L. McAllan, (nee Jennie Vroom), is spending two weeks with her friend, Miss Elizabeth Ruggles. Her many friends in Bridgetown are glad to see her back again, if even for a short visit.

Rev. Charles Barbour, D.D., President of Rochester Theological Seminary, and Rev. Herbert Johnson, D.D., of Boston, have been the guests this week of Dr. and Mrs. G. B. Cullen—Wolfville Acadia.

Mr. J. H. MacDonald, who was recently transferred from the Royal Bank here to the Halifax Branch, spent the holiday in town, the guest of Mr. Karl Thies. His many friends were glad to see him again.

Miss Helen Piggott, who has been spending her vacation with her parents, Mr. and Mrs. Louis Piggott, returned on Friday to the New England Baptist Hospital, Boston, where she is training for a nurse.

Mrs. A. Owen Price left on Friday last for Boston. She will visit her daughter, Edna, at the New England Baptist Hospital, and also attend the graduation of two Bridgetown girls, Miss Feodora Lloyd and Miss Mildred Leckott from that hospital.

Miss Eleanor Longley, Paradise, has successfully completed the Business Course at Acadia and been awarded a Diploma. She has also received a Student's Certificate for proficiency in rapid legible business writing given at New York City.

Mr. and Mrs. Robert Skinner left on Wednesday for Weston, where they will make their new home. Mr. Skinner was burned out a few weeks ago and was fortunate enough to sell his farm to Vernon and Cyril Marshall. They will be greatly missed in Bridgetown.

Mr. J. A. Fisher, Editor and Manager of the Pictou Advocate, one of the very best weekly papers in Canada, passed through here on Saturday, accompanied by Mrs. Fisher en route to the annual convention of the Canadian Weekly Newspapers held this year at Ottawa.

Mr. C. F. Crandall, Editor of the Vancouver World, was an over Sunday visitor in town, at the home of his parents, Rev. and Mrs. Noble Crandall. Mr. Crandall was on a business trip to Montreal and took the opportunity to pay a flying visit to his old home—Acadia.

Mrs. Cyril Marshall and Mrs. Vernon Marshall spent Monday in Annapolis.

Mrs. Hugh Fowler, of Wolfville, is visiting her sister, Mrs. I. M. Longley, of Paradise.

Miss Edith Locke, of Lockeport, arrived to-day and is a guest at Mr. and Mrs. Karl Freeman.

Miss Annie Ricketson has returned home from Kentville, where she was taking treatment at the Sanatorium.

Miss Irene Fielding, of the local telephone exchange, left on Saturday to spend her vacation in Montreal.

Miss Winnifred Braine came home from Mr. Allison University, Sackville, on Thursday for the summer vacation.—Spectator.

Mr. Jack Lovitt, formerly of Bridgetown, but now employed in Halifax, passed through Bridgetown on Saturday's west bound train.

Mr. Walter Flett, who is travelling for M. W. Graves & Co., spent the week-end with his wife at her home on Granville Street West.

Mr. and Mrs. Sidney Morton, of Milton, and son, Fred, motored to Bridgetown and were week-end guests at Mr. and Mrs. Karl Freeman.

Mr. James Cunnell, of the staff of the Royal Bank, Supervisors Dept., Halifax, is spending the holiday in town with his parents, Mr. and Mrs. R. F. Connell, Sr.

Mr. Arden Lewis, who is engaged as mate on the steamer "Centreville" running from Digby to St. John, spent the week-end with his mother, Mrs. E. H. Lewis.

Miss Barbara Goodwin, of Upper Granville, has returned home from Acadia Seminary to spend the holiday season with her parents, Mr. and Mrs. C. L. Goodwin.

Miss D. Crowell, B.A., of Yarmouth, formerly of Annapolis Royal, has been engaged for next term as Vice-Principal of the County Academy at Liverpool, Queens County.

Mr. H. E. Burns, of the Maritime Telegraph & Telephone Co., Halifax, accompanied by Mrs. Burns, is spending a vacation with her parents, Mr. and Mrs. Percy Burns, McKenna St.

Percy McConnell, of Sidney, has been visiting in town, the guest of Dr. and Mrs. Dechman. Mr. McConnell has been pursuing his studies at Wolfville during the past term.

Colonel and Mrs. McNeill and Miss Jean McNeill, from Melvern Square, also Mrs. Bousler and Miss S. L. McNeill, of Halifax, have been recent guests at the home of Mr. and Mrs. Wm. L. Messenger.

Mr. E. E. McDormand, of Round Hill, who bears his 80 years lately made a call at THE MONITOR Office on Tuesday. Mr. McDormand has been a valued subscriber to this paper for nearly 50 years.

Miss Chute, County Health Nurse, is in St. John this week, attending the Canadian Public Health Conference at which a large number of questions of general and special interest are being brought up.

Mr. J. J. Wallis, Editor of the Digby Courier, accompanied by Mrs. Wallis, motored to Bridgetown on Monday afternoon with others of the Rebekahs visiting the local lodge. While here they made a pleasant call at THE MONITOR office. Mr. Wallis, in 1906, was lessee of this paper.

Miss Alice Piggott, of Mount Allison Ladies' College, has returned home to spend her vacation with her parents, Mr. and Mrs. C. L. Piggott. Alice spent eight days touring the Province of New Brunswick with the college troupe putting on their college play in some of the towns of New Brunswick.

Mrs. Alice M. Banks, who has been living with her mother for the past few years, has taken a trip to the West, stopping at Alberta, Vancouver, thence to Washington, where she will spend the summer with her daughter, Mrs. Ralph Cummings. We wish her a very pleasant trip.—Com.

OBITUARY

NELLIE TERESA BENT

Miss Nellie Teresa Bent died May 24th at the home of her sister, Mrs. Gilbert Lowe, Granville Street West, after five years of illness at the age of twenty years. She is survived by two sisters, Mrs. Gilbert Lowe, whom the deceased had made her home with the past seven years, and Mrs. William Shingy, of Fullerton, Cal., two brothers, Joseph, of Yarmouth County and Bernard, of Peabody, Mass. Mother of the deceased died March 17th. She also leaves five nieces and four nephews, besides other relations and friends. She was liked by all who knew her.

The funeral was held from the home of Mrs. Lowe Friday, May 26th, services being conducted by Rev. Freestone, pastor of the Methodist Church. She was laid to rest in the Riverside cemetery. The pall bearers were: Edward Orlando, Jack Wear, Gordon Tupper, Ronald Longmire. The floral tributes were beautiful.

DISTANT FIELDS

There is a strong temptation to see the green of distant fields when we are passing through difficult times at home. Reports indicate that considerable numbers of young men are at the present time leaving the Province expecting to secure work in the United States. There is reason enough for going away from conditions in Nova Scotia if better conditions prevail elsewhere. There has been little employment in the lumber woods during the past winter, and the outlook for cash returns from the farms is not as rosy as it has been.

The difficulty, however, lies in finding anything better and some one should utter a word of warning. Labor conditions in many parts of the United States are at least as bad as in Nova Scotia, and the probability is that with the exception of a few who may "strike luck" the young men who are going away to better themselves, are going to have a bad time looking for work abroad.

It is well to remember that depressed conditions prevail all over the world at the present time, and no matter where men go, they will find unemployment. Under these circumstances it would seem the wise thing for young men on the farm to take this opportunity of doing the very best they can there. They will be sure at least of a living, and by their work they will be putting the farms of their own country in shape to reap the benefits of the good times which are sure to set in before long.

It they could do better by going away, we would not have a word to say against it, but it does seem as if they are leaving behind a sure, if not a very attractive opportunity for a very uncertain leap in the dark. Only those who know it by bitter experience can realize the misery of tramping about among strange people and strange surroundings, looking for work, and hearing over and over again the same reply: "No, there's nothing doing here."

Apart from these considerations, it should also be stated that quite a number of men who have already started for the States in search of a job have been turned back at the border. All things considered, if a man has anything at all that is sure where he is, it would seem the wisest course to make the best of it for the present.

THIN BLOODED PEOPLE

Need a Tonic to Enrich the Blood and Restore the Health

Some people have a tendency to become thin-blooded, just as others have an inherited tendency to rheumatism, or to nervous disorders. The conditions in which the blood becomes so thin that the whole body suffers, comes on so gradually that anyone with a natural disposition in that direction should watch the symptoms carefully. Bloodlessness, or anaemia, as the medical term is, can be corrected more easily in the earlier stages than later. It begins with a tired feeling that rest does not overcome, the complexion becomes pale, and breathlessness on slight exertion, such as going up stairs, is noticed.

Dr. Williams' Pink Pills are a home remedy that has been most successful in the treatment of troubles due to thin blood. With pure air and good food these blood-enriching pills are the correct treatment when the symptoms described above are noticed. The value of Dr. Williams' Pink Pills in cases of this kind is shown by the statement of Mrs. M. Chase, of Trenton, Ont., who says: "I can highly recommend Dr. Williams' Pink Pills to all who suffer from anaemia and I was nearly always troubled with headaches, and until I began taking these pills no treatment seemed to do more than give me temporary relief. I had read of what Dr. Williams' Pink Pills were doing for others and finally decided to try them myself. I further decided to give them a fair trial and kept on taking them regularly for several months and I am glad to say have derived permanent relief. I feel that I can safely and honestly recommend this wonderful medicine."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail, at 50c. a box or six boxes for \$2.50. From The Dr. Williams' Medicine Co., Brockville, Ont.

WANTS INTERCOLONIAL CONTROLLED IN MTIME PROV. Ottawa.—Conservative amendment, L. J. Lovett (Liberal, Digby-Annapolis), saw in the budget an honest effort to curtail expenditures. Nova Scotia had not benefited commercially by her union with the other Provinces of Canada. Nova Scotia had a natural market in the United States and the Province had suffered greatly through the defect of reciprocity in 1911. Nova Scotia wanted trade barriers removed and exorbitant freight rates reduced. Mr. Lovett agreed with what other Maritime members had said in previous discussions regarding the importance of controlling the Intercolonial Railway in the Maritime Provinces.

Minard's Liniment for Distemper.

PATYING FOR THINGS

A Western Canada paper has the following to say:

"Aren't we human beings funny? We spend all kinds of money for gasoline for Joy-riding, and never grumble; we take in picture shows and eat ice cream and drink soft drinks and indulge in hundreds of things that bring us nothing but the entertainment of the moment. No permanent benefit comes to us from any of it, but we never think of kicking about it. It is when we come to pay taxes, the thing that gives us schools, roads, proud benefits, that we rise up on our hind legs and holler our heads off. Aren't we humans funny?"

This puts the case just about right: what we spend of our own free will gives us little concern, but when we are compelled to pay, then we object, turn critic, and convince ourselves that we are on the verge of bankruptcy.

An official in one of our larger towns gave me the following figures: For the year 1921, the two picture shows took in some \$48,000; one hockey match alone showed gate receipts of over \$2,000; and one tobaccoist said that \$100,000 would not pay the tobacco bill of the town; their schools cost about \$60,000. I would suppose that similar proportions would exist in other places.

The point is this: As a people we are unwilling to forego our private pleasures for public welfare. One might understand why we should cut down on certain things without which we might get along; but when it comes to the matter of education, so vital to the welfare of the country, it is almost inconceivable that we should cut it out of our lives. Of course, the children are not old enough to understand what we are doing with their future in order that we do not have to cut deeper into our own expenses, and so there is no protest from them. Poor little kiddies! We will crowd their rooms, cut down their teaching staff, lop off here, reduce there, kick them around. God forgive us Turks and Tartars.—E. K. Marshall.

EXTERMINATOR HAS WON OVER \$300,000

Louisville, Ky.—Having entered the hall of fame re-hundred thousand dollars or more served for horses that have won two on the track, Willis Sharpe Kilmer's great gelding, Exterminator, was shipped from here bound for Belmont Park, New York. It was his victory at Churchill Downs in the Kentucky Handicap, which had an added value of ten thousand dollars that brought the winnings of Exterminator to \$202,826. The Kilmer racer and Samuel D. Riddle's Man 'O'War, which won \$249,465, are the only American horses that ever have passed the \$200,000 mark.

Veteran turfmen declared the race of Exterminator, the greatest in the history of the American turf. Carrying 133 pounds, the gallant seven year old ran the mile and a quarter in 2:04-2/5. Two weeks ago Morvich, with 126 pounds up, negotiated the same distance in 2:04-4/5, on a track lightning fast.

LAWRENCE TOWN

Mrs. R. G. Ritchie visited at Annapolis the 24th.

On Sunday, 28th, seven young people were received into the Baptist Church.

Miss Dorothy Power, of Kingston, is visiting her cousin, Miss Alice Whitman.

The students of Acadia College and Mt. Allison are home for the summer holidays.

We regret to report Mrs. James Whitman very ill. Dr. L. R. Morse in attendance.

Mrs. Fullerton and her daughter, Mrs. Nickerson, of Boston, are visiting Mr. and Mrs. C. F. A. Patterson.

Mr. Percy Balcom and family motored from Halifax on Monday and are visiting his parents, Mr. and Mrs. Albert Batcom.

A Primary graduating exercise will be held on Sunday morning, June 11th in the vestry of the Baptist Church at 10 o'clock.

Miss Frances Banks, of Halifax, has been a recent guest of Mrs. F. B. Bishop, and her uncle and aunt, Mr. and Mrs. E. S. Banck.

Mrs. E. A. Phinney remains quite ill at time of writing. Her daughter, Miss Rita Phinney, of Ottawa, is expected home next week.

Rev. H. T. and Mrs. Jones leave in a few weeks for Truro, their new field of labor. They will be greatly missed and we regret very much to have Mr. Jones leave Lawrence town, where he has won a host of friends.

The HOOVER
It BEATS... as it Sweeps as it Cleans

Are you tired at the end of sweeping day? It is no wonder that such effort saps your energy.

Fortunately we have a remedy—one that will relieve you of effort and clean your rugs better than you could possibly do it.

We recommend The Hoover—the cleaner which combines the three cleaning essentials—beating, sweeping and air suction.

Let us demonstrate. Divided payments if you purchase.

MAGEE & CHARLTON

QUEEN STREET, BRIDGETOWN, N. S.

OUR STEADY GROWTH
The many references we have made to extensive building operations in Kentville has left its impress upon the public. Wherever one goes the idea is ever prevalent that in no part of the Maritime Provinces is there a greater degree of business prosperity or growth in new building construction or soon to be undertaken than right here in this town. A spirit of optimism pervades all; our carpenters, painters, masons, etc., are kept busy and help is being brought in from outside districts. The demand for dwellings is as insistent as ever, notwithstanding the many erected in recent years. People who want houses are compelled to live in two or three rooms, and roomers and permanent boarders find it difficult to locate a place where they can hang their hat.

The building program for 1922 is more extensive than for any former year. The Housing Commission has its funds available and it will start the construction of about fifteen houses. Private citizens will add many more new dwellings to the town list. At Masters Park and at Oaklands, and other parts of the town where building lots are available, there is unusual activity, and lots are being purchased and arrangements made for future dwellings.

The tenders will soon be out for two fine structures—the Arena, to be the town's skating rink, and the new St. James' Episcopal Church, which is to be placed on their fine corner lot, formerly the residence of the late M. G. DeWolfe.

Mr. Masters has let the contract for the construction of the new approach to Masters Park from Main St., to be known as Masters Avenue, leading south up the hillside from the Methodist Church. Academy St. will be laid out and graded next, and then the ambitious plan to create a new residential section on the hillside can better be understood and its advantages realized.—Advertiser.

UNCLE JOE CANNON'S MESSAGE

With eighty-six years behind him, Uncle Joe Cannon, still an active member of Congress, celebrated his birthday and marked it with this characteristic, homely and meaty bit of advice:
Lead a simple life, vote right, pay your honest debts, collect all that's coming to you, but no more, and treat your family right.

The trouble with many well-meaning men whose success in life entitles them to give counsel to their fellow citizens is that they deal in generalities. In this simple and understandable message, Uncle Joe Cannon does not fall into that error. He is not afraid to be practical, to be sensible. He does not go into pedantic abstrusum or issue a moral chart to guide perfect beings in a perfect world. Instead he digs down to the essentials of right living and provides a short, comprehensible and workable formula.

This is like the man. He has never chased rainbows. He has never pretended to virtues he did not possess or feigned qualities that were not his. He has looked straight at the facts before him, judged men as they are and not as they ought to be, and met emergencies which existed as they were. Sanity and good sense, good humor and industry, sound judgment based on wide experience and shrewdness have marked this veteran all his years of public service.—New York Herald.

THE BANNER OF ST. GEORGE

It comes from the misty ages; The Banner of England's might, The blood red cross of the brave St. George.

That burns on a field of white; It speaks of the deathless heroes, On fame's bright page enrolled, And bids great England ne'er forget The glorious deeds of old.

O'er many a cloud of battle, That Banner has floated wide, It shone like a star o'er the valiant hearts,

That dashed the Armada's pride; For ever amid the thunders, The sailor could do or die, While tongues of flame leaped forth below, And the flag of St. George was high.

O ne'er may the flag bevelled Unfurled in a strife unblest, But ever give strength to the righteous arm

And hope to the hearts oppressed; It says through the passing ages—"Be brave if your cause is right." Like the soldier saint whose cross of red Still burns on your banner white.

Great race whose Empire of Splendor Has dazzled a wondering world; May the flag that floats o'er thy wide domains Be long to all winds unfurled; Three crosses in concord blended The Banner of Britain's might; But the central gem of the ensign fair Is the cross of the dauntless Knight.

IS THERE A BABY IN YOUR HOME?

Is there a baby or young children in your home? If there is you should not be without a box of Baby's Own Tablets. Childhood ailments come quickly and means should always be at hand to promptly fight them. Baby's Own Tablets are the ideal home remedy. They regulate the bowels; sweeten the stomach; banish constipation and indigestion; break up colds and simple fevers—in fact they relieve all the minor ills of little ones. Concerning them Mrs. Moise Cadotte, Makamik, Que., writes: "Baby's Own Tablets are the best remedy in the world for little ones. My baby suffered terribly from indigestion and vomiting, but the Tablets soon set her right and now she is in perfect health." The Tablets are sold by medicine dealers, or by mail, at 25c. a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

COOLING WATER WITHOUT USING ICE

To cool water without using ice get a slender glass tube from any drug store. Half fill it with nitrate of ammonia salts, fill up with water, cork tightly. Shake till the salt is dissolved. Be careful to wipe the outside of the tube dry in order that all traces of the nitrate may be removed. Place this tube into a glass of water and agitate as you would a spoon. The water is rapidly chilled. The nitrate of ammonia salts can be bought at any drug store. This is a far better way of cooling water than putting ice in it.

MRS. A. W. DANIELS

UNCLE JOE CANNON'S MESSAGE
With eighty-six years behind him, Uncle Joe Cannon, still an active member of Congress, celebrated his birthday and marked it with this characteristic, homely and meaty bit of advice:
Lead a simple life, vote right, pay your honest debts, collect all that's coming to you, but no more, and treat your family right.

THE BANNER OF ST. GEORGE

It comes from the misty ages; The Banner of England's might, The blood red cross of the brave St. George.

That burns on a field of white; It speaks of the deathless heroes, On fame's bright page enrolled, And bids great England ne'er forget The glorious deeds of old.

O'er many a cloud of battle, That Banner has floated wide, It shone like a star o'er the valiant hearts,

That dashed the Armada's pride; For ever amid the thunders, The sailor could do or die, While tongues of flame leaped forth below, And the flag of St. George was high.

O ne'er may the flag bevelled Unfurled in a strife unblest, But ever give strength to the righteous arm

And hope to the hearts oppressed; It says through the passing ages—"Be brave if your cause is right." Like the soldier saint whose cross of red Still burns on your banner white.

Great race whose Empire of Splendor Has dazzled a wondering world; May the flag that floats o'er thy wide domains Be long to all winds unfurled; Three crosses in concord blended The Banner of Britain's might; But the central gem of the ensign fair Is the cross of the dauntless Knight.

PASSING OF OLD HOUSES

Riders and walkers through the New England countryside and villages learn to look for the venerable houses, many of them centenarians twice over, which not only distinguish this region, but fit into its landscapes with a suitability which newer buildings somehow lack. As this interest grows the observer begins to notice that they are all too rapidly disappearing to give place to modern houses which are certainly no improvement in workmanship and architectural design, and not necessarily superior in comfort and convenience if the old houses are properly handled. In losing these ancient buildings we are losing not only parcels of history. We are losing quite as much a dignified and fitting style of domestic architecture which is all the more effective by being severely plain.—Boston Transcript.

CIVIL SERVICE APPOINTMENT

The following promotion are announced by the Civil Service Commission:—Arthur Kelsall, from Assistant Entomologist to Entomologist, Annapolis Royal, N. S., and Arthur P. Curran, from Poultry Promoter to Promoter of Egg Production, Nova Scotia.

George Bollette, of the Port of Cape St. Mary, in the County of Digby, in the Province of Nova Scotia; to the Wharfinger of the Government Wharf at that place, in place of Benjamin Doucette, deceased.

DEFICIT \$2,012,000 FOR BIG FISH FIRM

Boston.—The Gorton Pew Fisheries Co., of Gloucester, one of the largest fish concerns in the United States, showed a gross deficit of \$2,012,000 in 1921, according to a statement presented in United States district court during the hearing of a petition for the appointment of a receiver.

LOCAL HAPPENINGS

Mr. W. C. Woodward, of Granville, purchased a Ford touring car.

The Yarmouth team goes to Middleton for an exhibition game, June 12th.—Yarmouth Light.

Owing to the absence of the pastor at the Diocesan Synod there will be no service on Friday evening of this week in St. James Church. Services on Sunday as usual.

Next Sunday will be "Children's Day in the churches" and the occasion will be duly commemorated by special sermons and appropriate music in the various churches.

The Baptist Association of Western Nova Scotia meets in Bridgewater this year from June 15th to June 18th. Delegates from the Bridgetown Baptist Church are being appointed this week.

Mr. John P. Morse, of Melvern Square, who recently sold his valuable property in that place has purchased a lot from Mr. Wm. Maxwell and will have construction started this week on a handsome bungalow and will reside here with his wife and family who will receive a cordial welcome to the town.

B. L. Thurber arrived home from Johannesburg, South Africa, this week after an absence of thirty-two years. It has been twelve years since Lee visited his native village, Freeport. There are many changes since that time, many friends gone, but enough left to give him a cordial and hearty welcome.

The long drought was broken on Saturday afternoon first by a very gentle fall of rain, increasing gradually in volume with a fairly heavy downpour during the night and morning. The fall was of incalculable benefit to the country for vegetation was beginning to suffer materially from the absence of rain.

Mackerel are becoming more abundant around the Bay. Last week, 1500 were taken in the weir at Port Wade. Salmon are being taken but not in very large quantities. Mr. Thomas Mack, of this town, has received a number of consignments, and last week filled a nice order for salmon given by Hantsport parties.

The 53rd annual convention of Nova Scotia Royal Arch Masons will be held at Lunenburg on June 13th. The two days following the provincial Masonic Grand Lodge will take place in the same town. This will no doubt be a memorial time for Lunenburgers as we understand the town will celebrate its centenary. A large assembly is anticipated.

The Editor has been rubbering around Cook's lately, and has noticed several new improvements which help to make Cook's one of the most up-to-date Ice Cream Parlors in Nova Scotia. His new electric drink mixer makes a milk shake or an egg nog that certainly looks good. We have not tried one yet, but expect to soon.—BERWICK REGISTER. Loosen up Mr. Cook and don't keep the Ed. in suspense.

Mr. Myron O. Brinton, who was last with a member of the graduating class at Acadia receiving the degree of B.A., is spending a short vacation with his parents, Capt. E. Brinton, goes to Cavendish, P.E.I., where he will have charge of the Baptist congregation interests at that place, and in the autumn will probably go to Newton to take the course in Theology. Mr. Brinton is receiving a cordial welcome from his many friends.

Mr. and Mrs. Karl Freeman arrived home last Wednesday from Wolfville where Mrs. Freeman had attended all the closing exercises in connection with the Wolfville Educational Institutions. Mr. Freeman spending the three closing days there. Three members of the family were in attendance during the past term. Miss Hazel received her B. A. degree with excellent standing and also the Athletic "A" also a coveted mark of distinction. Miss Aileen has completed two years of her four year course at the Seminary and Gerald has finished his Freshman year at the College.

Don't forget the "Dolls' Fair and Novelty Exhibition with candy sale in school room, Gordon-Providence Church, Saturday afternoon, June 10th, three to six.

On Tuesday night there was a big stop of mackerel in the Basin when the weirs at Smith's Cove and Deep Brook took about 8,000 fish, all of large size. On Wednesday night they only took about 300.

The local bathing season was inaugurated Thursday, Town Stipendiary Arnaud and Fred Riley leading in a plunge at the Kings' wharf. An agitation for bathing houses for ladies is being started.

The Western Baptist Association which the churches of Digby County belong, will be held in Bridgewater, June 15th to 18th. Rev. F. H. Eaton, formerly of Freeport Church, is pastor of the entertaining church and clerk of the Association.

Mr. Frank J. D. Barnjum has the thanks of THE MONITOR for a nice little oak framed picture of a tree growing by the water's edge and inset with it an appropriate poem by Joyce Kilmer. Beneath are words from Mr. Barnjum:

Help us please,
To save our trees
Words wisely written which should fall on willing ears.

Mr. Thomas F. Anderson, Secretary of the New England Shoe and Leather Association, spent a day in town this week, a guest of his friend, Mr. O. C. Jones, proprietor of the Riverside Inn. Mr. Anderson has long been identified with tourist and transportation interest always a real live wire with a most friendly interest in the Maritime Provinces he received a cordial welcome to Bridgetown where he is no stranger.

Last Wednesday afternoon the business men and "Has Been" of the town met on the B. A. grounds, where one of the "best" and "tastiest" game of ball was played this season. The teams went to bat at three-thirty, and at five-thirty, with only seven innings played, it was decided to call it a game off, the score standing 26 to 29 in favor of the "Has Been". Vint Lloyd pitched for the business men, and on several occasions played like a big leaguer, and had he secured any kind of support would have brought his team out victorious. The "Has Beens" used no less than three pitchers and four catchers, and were determined from the start to win the game if at all possible. Another game will be played in the near future when the losers will have to furnish a turkey supper.

YARMOUTH TEAM COMING TUESDAY
Yarmouth baseball team comes here on Tuesday next and play Bridgetown at three o'clock, according to arrangements completed yesterday. A splendid game is expected.

PORT LORNE
Mr. Templeman had the misfortune to lose his weir in the heavy gale of last week and has not got it built up yet.

Recent visitors at the home of Mr. and Mrs. Charles Beardsley were:—A. C. Clark, Granville, and Mrs. John Beardsley, of Sidney.

The store formerly occupied by Mr. Charles W. Cropley is now occupied by Harold Anderson. We wish him success in business.

Mr. and Mrs. W. Anthony and daughter, Francis, were recent visitors at the home of Mr. Anthony's mother, Mrs. Julia Anthony.

Mr. Loring Beardsley, who has spent the last week with his father, Capt. S. Beardsley, has returned to his home in Keegan, N.H. Capt. S. M. Beardsley, Wolfville, spent part of the week with him.

Mrs. Emma Brinton was at home from four to six on Wednesday afternoon, May 31st, to a number of his friends, it being the anniversary of her birthday. Her daughter, Mrs. E. C. Hall and son, Brinton, and Mrs. A. C. Clark, of Granville, were also present.

The Public Health Clinic held in Bridgetown last week were a most successful one, and in all there were seventeen consultations. Dr. W. S. Phinney, specialist, of Lawrencetown, was present. Successful Clinics were also held at Annapolis the same afternoon and at Digby the following day. During the month of June Tuberculosis Clinics will be held here and at Middleton, Annapolis, and other centres where Clinics are usually held. The exact dates have not yet been arranged. It is expected that Dr. Bain, of the N. S. Sanatorium staff at Kentville, will be present at the T. B. Clinics.

Is Yours A Marconi?

Marconi is the outstanding name in the wireless world and is now making the pioneer move in Radio in Canada. Their large factories and extensive laboratories are now working to capacity turning out the wonderful Marconi Radio Receiving Sets and accessories. For some years they have gradually been securing more and more exclusive patents along the radio line until to-day they have something over two hundred Canadian patents which makes Marconi Radio products distinct and advanced.

A Marconi Broadcasting Station

A Marconi broadcasting station is being erected in Halifax. From this station we shall give musical concerts of all kinds, lectures, sermons on Sunday, etc. The latest news will be sent out several times daily. Results of sporting events, stock market reports, weather reports, etc., will be sent out at stated periods daily. All matters of interest or good amusement will be available from this Halifax Marconi Broadcasting station to anyone in Nova Scotia if they own a Marconi Radio Receiving Set. In fact, our broadcasting will be heard many miles beyond the confines of this Province. This means that the owners of Marconi Receiving Sets will not only hear the programme given in many American cities, but will also get the Halifax programmes as well. It is all very wonderful.

Present Stock Situation

For many months it will be impossible for the Marconi factories to catch up with the tremendous demand. Until the time arrives when surplus stock will be available all orders must be booked in advance. This means that for a long time to come it will only be possible to secure Marconi Radio equipment by placing your order with your dealer, which order will be filled from each shipment of stock received by us according to dates orders are received. At the most the present situation indicates that this will only mean a delay of from two to four weeks after order is received before it is filled. We have arranged for this Province to get a particularly generous share of the Marconi output at all times, which will place us in a better position than possibly any other Province in Canada in respect to filling orders.

Wholesale

Place your order early and avoid disappointing delays. We are now appointing representatives to cover Western Nova Scotia. All inquiries receive prompt attention.

N. H. PHINNEY, LTD.

WOLFVILLE, N. S.

Distributors Marconi Wireless Radio Equipment for Western Nova Scotia.

OBITUARY

AGNES A. FOSTER

Friday morning, May 26th, 1922, at eleven o'clock, there passed away at her home at Clarence, N. S., Agnes A. Foster, aged sixty-nine years, widow of Norman B. Foster. She was the only daughter of George and Mary (Cleveland) Burbridge, of Lower Middleton.

Her illness had extended for over three years, the last seven months of which had been spent in bed.

She leaves to mourn their loss, one son, Charles G., his wife and four grand-children, on the homestead, and two brothers, Charles D., of Middleton, and Arnold G., of Granville Ferry, besides numerous relatives and friends. The funeral services were conducted by pastor W. S. Smith, assisted by Dr. M. W. Brown, of Port George, the choir sang favorite selections of the deceased, and B. W. Saunders of West Paradise, sang a solo, "Home of the Soul".

The floral offerings were:—Spray, Mr. and Mrs. C. G. Foster; Wreath, grand-children; Willow, C. D. Burbridge and family; Spray, Mr. and Mrs. Stanley Fielding; Crescent, Mr. and Mrs. F. N. Banks; Wreath, Mr. and Mrs. C. C. Bartheaux; Spray, Mr. and Mrs. S. A. Bartheaux; Wreath, Clarence W. M. A. S. of which she was a life member.

GRANVILLE FERRY

A number of men arrived last week to complete the painting of the Annapolis-Granville bridge.

Rev. G. P. Raymond, of Berwick, occupied the pulpit in the Baptist Church on Sunday, May 28th.

Mr. G. A. Bernasconi, who recently purchased the McCormick residence, is spending a few days at the rectory, Miss Pearl Chute, County Health Nurse, was in the village last week, guest of Mr. and Mrs. V. E. Amberman.

Mrs. Arthur Macfarland, of Wollaston, Mass., was a guest at the home of Mr. and Mrs. Ralph Chisholm on Friday.

Laurence Patterson, of Mt. Allison, and Grant Reid, of McGill, are spending their vacations at their respective homes.

Miss Belyea, of St. John, is spending her vacation at the Calneek House, Mr. Parker, of Musquodobb, is also registered there.

Mrs. Florence Bent and son, Gilbert, of Paradise, spent the week-end at the home of Mr. and Mrs. Horace Mills en route for New York.

OPENING OF NEW TENNIS GROUNDS

Weather permitting it is the intention to open the new tennis grounds this afternoon. They are now in splendid shape and a credit to the Club. In this connection President F. E. Bath has been indefatigable in attention to every detail. The ladies serve a fifteen cent tea after the baseball match and it is expected that they will receive a generous patronage from the public. The Club has been under heavy expense this season but they have something really good to show for the money.

BANQUET FOR R. C. WHITEWAY

Popular Citizen Tendered Farewell Banquet by Rothsay Lodge. Departure Regretted

Mr. Ronald C. Whitway, who has for over ten years been manager and controller of the Annapolis Valley Cyder Co.,—now merged with the Graves' interests, was tendered a farewell banquet on Monday evening at Riverside Inn by the officers and members of Rothsay Lodge, A. F. & A. M.

The banquet was largely attended by the Masons of the town and a choice menu was provided by Mr. O. C. Jones, proprietor of the Riverside Inn.

There was no formal toast list but those present united in brief speeches, testifying to the general esteem in which Mr. Whitway was held in the community and expressing deep regret at losing him both as a citizen and as a Mason.

On behalf of the Lodge, Bro. Fred R. Fay, P. G. W., presented Mr. Whitway with a Past Masters' Jewel and expressed the general hope that he would return later and become once more a resident of Bridgetown. Mr. Whitway was visibly affected by the genuine and spontaneous tributes of esteem expressed by those present and made a fitting and feeling reply. One thing particularly he was pleased to say that during sixteen years residence in Bridgetown he had had no angry word with anyone nor anyone with him.

Among the tributes to Mr. Whitway was one from Mr. Francis Graves, who had found him a gentleman in the business as square a competitor as he was a Mason.

Mr. Whitway expressed the hope that he would yet return to Bridgetown as a resident. He leaves on Thursday for Montreal to take passage for England where he will look after business interests for his father. He goes accompanied by the best wishes of all who had the honor of his acquaintance.

UPPER GRANVILLE

Mr. and Mrs. Bartlett Gillis are enjoying a brief visit with their sons at Yarmouth this week.

Mr. Charles Parker, wife and we children, from Cuba, are visiting Mr. and Mrs. R. F. Parker at the old home.

Guests at the home of Mr. and Mrs. A. Clark, recently, were:—Mr. and Mrs. Fenwick Balcom, near Annapolis; and several members of Kentville Sanatorium staff.

Fruit blossoming is about over and transitory was never more beautiful. A drive through the Valley at this season can scarcely be surpassed in natural scenery. Road and bridge repairing is noted at different parts of the country with good results, a marked improvement being visible. Recent rains give promise of a bountiful hay crop.

BASEBALL GAMES GALORE

Baseball is on the boom locally. To-day Lawrencetown plays the local team and on Friday Bridgetown and Berwick contend here. On Monday afternoon and evening the G. W. V. A. team of Halifax plays a double header with the local boys. A game at three in the afternoon and another at 6.15. The fans are in for a well filled programme.
