HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that it would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 6th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

Central Baptist Association Meets at Canning

The Central Baptist Association meets with the United Baptist Church at Canning on Tuesday, Wednesday and Thursday, June 18-20th. There will be a large number of ministers and delegates present and a good program has been prepared. The church will entertain their delegates to dinner and tea in the vestry of the church. The meetings open at 2 o'clock Tuesday and close at noon on Thursday.

Big Chautauqua Meeting Opens in Kentville July 31st.

Dr. Turner who has been with the Chautauqua association for the past 7 years, held a meeting with the Kentville guarantors on Friday afternoon. The number present enjoyed the genial doctor's company. He is a most interesting speaker and gave some valuable information about the Chautauqua movement in the United States, and the coming meetings to be held in the Maritime Provinces during the next few months.

He said that over four hundred towns and cities in the United States and Canada are now visited by the Chautauqua association and that they will arrive in Kentville on July 31st. They will be in town a whole week, closing on August 6th.

Dr. Isaac L. Wood formerly an American Methodist Clergyman will be the superintendent, with him will be associated a young woman who will have charge of the young people's work, and one or two men.

On Wednesday morning a special baggage car will arrive containing about eight tons of baggage for the company.

This will consist of an immense tent, capable of holding twelve hundred people, folding chairs, piano and other equipment. This will be moved at once to the School grounds and the big tent erected in readiness for the first meeting on Wednesday afternoon. About three thousand beautifully illustrated programs will be sent to Kentville ready for distribution about July 1st.

Dr. Turner announced that the association will give the entire proceeds of the fourth day to the Red Cross work.

Mr. Reginald T. Caldwell, one of the well known Merchants of our town, who is undergoing treatment at the Calydor Sanatorium Gravenhurst, Ontario is improving, the latest word received being of a most encouraging nature. This will be good news for his many friends.

MARRIED.

Business as usual

is the slogan today. The war is on, and that is, of course, first and paramount in our lives, but we must eat and drink just the same that our bodies may be nourished, so we will be better enabled to perform our tasks with credit to ourselves and honor to our country.

To My Customers and Friends

I would state that my business is going on as usual in my absence, and the same high quality of goods at the lowest possible prices are offered to you.

So while I am undergoing a few alterations to my system I would respectfully request a continuance of your esteemed patronage, assuring you of a dollars worth of value for every one hundred cents invested.

Mr Harry Kavanagh, Hortonville, was in town last week and had with him the bean sower, which he has invented. It is a very light, simple, and effective article for the purposes for which it was invented and will be of general utility in farm work. It plants the required number of beans in hills at an exact and proper distance and only uses one bushel per acre. Mr Kavanagh has used the sower considerable and claims he can sow over three acres per day with little exertion and a saving of fully fifty per cent in the seed.

Mr Whitney N. Parker, of the Royal Flying Corps, came home from Toronto, on Saturday. He and Robie, have been there since the first of the year, Robie will proceed to Camp Borden, but Whitney, remains home for a while. We are glad to see him with us again and we wish them both success.

A NERVOUS BREAKDOWN

When The Blood is Out of Order the Nerves Are in a Starved Condition

The nerve system is the governing system of the whole body, controlling the heart, lungs, digestion and brain; so it is not surprising that nervous disturbances should cause acute distress. The first stages of nervous debility are noted by irritability and restlessness, in which the victims seem to be oppressed by their nerves. The matter requires immediate attention, for nothing but suitable treatment will prevent a complete breakdown. The victim, however, need not despair for even severe nervous disorders may be cured by improving the conditions of the blood. It is because Dr. Williams' Pink Pills actually make new, rich blood that this medicine has cured extreme nervous disorders after all other treatment had failed. The nerves thrive on the new blood made by these pills; the appetite improves, digestion is better, sleeplessness no longer troubles the former nerve-shattered victim and life generally takes on cheerful aspect. Every sufferer from nerve troubles, no matter how slight should lose no time in giving Dr. Williams' Pink Pills a fair trial, thus regaining their old-time health and comfort. Mrs. Victoria Booth, Parry Sound, Ont., offers proof of the value of Dr. Williams' Pink Pills in nervous troubles. She says:—"Some years ago I was taken ill with typhoid fever. The attack was not a severe one and after a few weeks I was around again but I did not recover my former strength, and my nerves began to give me trouble. The trouble went on from one stage to another until finally St. Vitus dance developed. I was under the care of our family physician but my condition appeared to be growing worse. It was at this stage I decided to try Dr. Williams' Pink Pills and after taking a couple of boxes I could see they were helping me I continued taking the Pills until I had used eight boxes when my health was fully restored, and I have enjoyed that blessing. I have recommended the pills to others and I always keep them in the house, having proved their great value."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

When you think of your home think of the Heintzman piano. Today the piano is a necessity. It is as easy for you to own the best instrument as an instrument of inferior quality.

Almost a Century

has been devoted by the Heintzman artists to perfect their piano. The heart and soul of the master genius demanded that an instrument should be produced that would be supreme in beauty and in tone. They have succeeded.

Is it Any Wonder

that the person who owns a Heintzman is proud of the fact. You also can own one. Our terms make it possible. See us about it today.

Kentville Honors and Handsomely Supports the Navy

The first effort upon the part of the citizens of Kentville and Kings Co. to contribute to the support of the men of the British Navy and their dependants has been an unqualified success. On Tuesday last the Kentville Branch of the Canadian Navy League held a Tag Day and the handsome sum of \$375.00 was realized.

The day was fine and the Jolly Jack Tar girls in their attractive attire and eager and pretty faces accosted everyone with whom they came in contact. The results show not only how hard they worked, but how eager the people were to contribute towards the comforts of the men of the Navy.

The disappointment on the non appearance of the men from Aldershot was forgotten in the remarkably fine music rendered in the afternoon and evening by Bandmaster Mansley and his associate musicians of the Depot Batt'n Band. Their music alone was a sufficient day's attraction.

The procession marched around the town marshalled by Dr. Moore, accompanied by the Jack Tar horse-back taggers, Misses Dorothy Dickey and Maud Publicover. The band was preceded by Master Donald Sealy bearing a large Union Jack. Next came the Kentville Cadets with their band, all receiving many complimentary remarks on their fine appearance. Then followed decorated autos filled with Jack Tars—The Misses Young's Car, and several contributed by Mr. Pelton which added much to the procession.

The thanks of the Navy League are due to all those whom we have mentioned for their successful efforts, to Col. Flowers who used his best efforts to add to the success of the day, to General Manager Geo. E. Graham, Messrs Clark & Hiltz, Mr. W. E. Porter etc., for their assistance and to all who responded so freely when tagged.

The Executive of the Navy League gave the Military Band and Jack Tar girls a delightful supper at the Aberdeen Hotel.

Acadia has had many graduates who made great records while at Wolfville and also in competition in other College with students of all parts of the world. But probably the best record ever made at Acadia is that of Miss Esther Gould of Wolfville graduate of this year. She was only 17 years of age and took double honors, the only member of the class who took honors. She easily won the Governor General's Silver medal best record on the class during the last three years of the course. Her excellence over former winners of the medal was in her wonderful record in all languages, especially in Greek, Latin, German, Spanish, etc. Her marks showed nothing less than 93 in these classics and she made 95 in two or more. Miss Gould has a brilliant future before her. She will probably remain at home for a year taking an M. A. course and later going to Columbia University for further study.
