## DATES TO REMEMBER.

JULY, 1871.—Chief Little Pine, of Garden River, accompanied Mr. Wilson to Toronto and other places, and addressed the white people, urging that a "Big Teaching Wig'am" might be built for the young Indians belonging to his tribe. This was the beginning of the Shingwauk Home.

SUMMER OF 1872.—Chief Buhkwujjenene, of Garden River, accompanied Mr Wilson to England to plead the cause of his people. About £800 was collected, and with this sum the first Shingwauk Home was erected.

SEPTEMBER 22ND, 1873.—The first Shingwauk Home was opened; 15 pupils, boys and girls, were present.

SEPTEMBER 28TH, 1873.—The first Shingwauk Home was burned to the ground, six days after the opening.

JULY 30TH, 1874.—The foundation stone of the new Shingwauk Home was laid by His Excellency, Lord Dufferin, Governor-General of Canada.

OCTOBER, 1874.—Our work was recommenced with 18 Indian children, boys and girls, who, with their matron and teacher, occupied a frame building temporarily for the winter.

AUGUST 2ND, 1875.—The present Shingwauk Home was publicly opened by their Lordships Bishop Hellmuth and Bishop Fauquier.

AUGUST 19TH, 1879.—The Wawanosh Home was opened for use, with 15 Indian girls.

JULY 23RD, 1881.—The Marquis of Lorne and suite visited the Shingwauk Home.

AUGUST 29TH, 1883.—The Bishop Fauquier Memorial Chapel, in connection with the Indian Homes, was opened.

APRIL 15TH, 1885.—A talk with Chief Buhkwujjenene about the troubles going on in the North-West suggested the idea of establishing several Branch Homes.

AUGUST, 1885.—Mr. Wilson, accompanied by three Shingwauk boys, paid a visit to the North-West, going as far west as Regina.

JUNE, 1886.—First arrival of boys, Sioux and Ojibway, from the North-West.

## OUR INDIAN HOMES.

LAST year we gave our kind helpers a brief history of Our Indian Homes from the very commencement. About fifty or so of those Reports are still on hand, and copies can be sent to any *new* friends who may desire to know something of our early history. In this report we shall just tell as briefly as possible what were the chief events of the past year, and then give a list of the eighty-nine pupils who were with us during the year, with a short account of each. We think that this will interest our friends generally, and especially those who contribute towards the support of individual pupils.

### THE EVENTS OF THE YEAR.

JANUARY.—Towards the end of this month, Mr. Wilson visited the great American Institutions for Indian children at Carlisle in Pennsylvania, at Hampton in Virginia, and in Philadelphia. The result of these visits was the application to Government for assistance towards the extension of the Shingwauk Home so as to take 300 pupils, and the establishment of Receiving Homes at various distant points. The Indian department has the matter now under consideration, and appears inclined to regard the proposal favorably.

FEBRUARY.—As a result of the trip to the States, “the half-day system” was introduced at Our Indian Homes. Every pupil is now half the day at school and half the day learning a trade, or doing necessary work about the Institution. The only ones that keep at school the whole day are those

preparing to be teachers. When we introduced the system we let the boys vote on it, and they were unanimously in favor of it. As another result of the trip to the States we formed during this month an "Onward and Upward Club." The meetings are held weekly, and consist of readings, recitations, music, debates, &c. Sometimes also a social is given, to which the outside public are admitted. Those who join the club pay a fee of 10 cents, and receive a printed card, which they are to read every morning and ask God to help them. At the end of three months they may be admitted to a second grade, and at the end of a year to the highest grade, and receive a handsome framed certificate of full membership, the fee being \$1. There are at present 13 members, White and Indian, belonging to the second grade, and 34 members belonging to the first grade. Another result of the visit to the States was the setting on foot of a little monthly paper, called "*Our Forest Children*," in imitation of the "*Indian Helper*," published at Carlisle. The little paper has already upwards of 500 subscribers.

**MARCH.**—During this month our new hospital was first brought into active service, our kind friend, Miss Pigot, voluntarily undertaking the duties of nurse and general manager. A little girl, named Jane Warren, was taken very ill at the Wawanosh, and we wrapped her up in blankets and brought her in a sleigh to the hospital. This was the first patient in the hospital, and it was nearly six weeks before she was well enough to go back to the Wawanosh. During that time there were 5 boys and 3 girls received as patients for short periods, so that Miss Pigot had her hands full. The sick wards are very cheery and bright, the beds covered with snowy white counterpanes, and everything as comfortable and neat as possible. A new hardwood floor has been laid in our dining hall, and a raised "captain's seat" placed at one end. The Captain (David), sits here and keeps order during meals, and 3 other boys wear white aprons and wait at table.

**MAY.**—Mr. Wilson went on a trip to the North-West; visited Mr. Burman's Mission at Oak River, and the Indian Reserves between Qu'Appelle and Regina; then on west to the Rocky Mountains to visit the Blackfeet Indians. Visited Mr. Sim's Mission at Blackfoot Crossing, and succeeded in bringing back two Blackfeet boys, Appikokia and Etukitsin, to the Shingwauk Home. Mr. Wilson got back from this trip on the 12th of June. Mrs. Bligh entered on her duties as Lady Superintendent at the Wawanosh Home May 11th.

**JUNE.**—We celebrated the Queen's Jubilee on the 21st. The two first piers of the new railway bridge across the St. Mary River were completed this month.

**JULY.**—Eight Indian boys, viz.: Subguy, Joe Sampson, Matthew, Ned Beesaw, Isaac Sampson, W. Riley, E. William and Wagimah were confirmed by the Bishop in the Fauquier Memorial Chapel on the 4th Sunday after Trinity. The prize-giving was on the 7th instant, the Bishop giving away the prizes. Holidays commenced the following day.

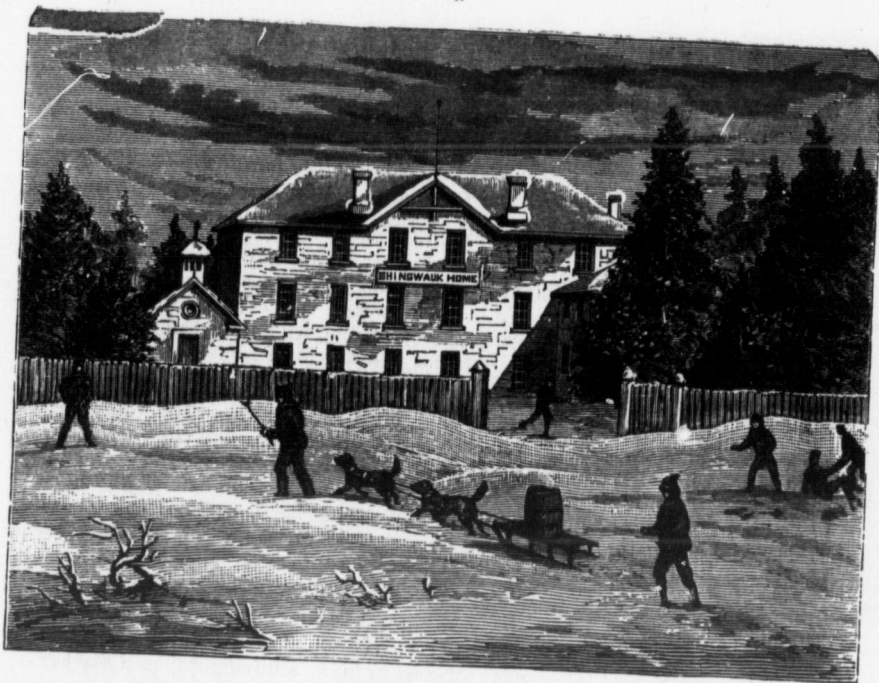

**SEPTEMBER.**—We had a visit from Miss Brown on her way out to Blackfoot Crossing. She took messages from the two Blackfoot boys, and a pair of shoes for Etukitsin's mother. We commenced this month building the Washakada Home at Elkhorn, on the western boundary of Manitoba. It was to cost \$1350, and to accommodate 16 pupils. The building is already completed and an order has been sent to furnish it. We hope to open it in the spring. It is proposed to establish a second Branch Home at Banff, in the Rocky Mountains, if the way seems to open for it.

**OCTOBER.**—Mr. Wilson took a party of 20 Indian boys and 10 Indian girls to Montreal, Ottawa, Carleton Place and Kingston. Those that went on the trip were David, Johnny Maggrah, Gilbert, Wasi, Matthew, Sabguy, Appikokia, Etukitsin, Sharpe, Cromarty, Aleck Beesaw, Riley, Joseph Soney, Frank, Sylvester, Willie Adams, Oshkahboose, Smart, Negaunewenah and Elijah—boys; and Mary Peters, Maria Jackson, Philamine, Harriet, Lily, Dora, Fanny, Gracie, Marion and Louisa—girls. The trip was very enjoyable and most successful in every way.

**NOVEMBER.**—The bonfire and firework the boys seem addicted to. The schoolmaster and 6 boys form the committee. We recommend the punishment of the offender and lodges a time is appointed 28th inst. the railway and a half holiday was

**DECEMBER.**—Bible study, in addition, and dance at this is voluntary. Subjects are dropped to examine these slips. There is generally an examination on Sunday. On our chapel at 11.30 p.m. was come, there was beating. All the boys eve. Willie took the increase in stature.

SHINGWAUK HOME.

NOVEMBER.—The boys celebrated Guy Fawkes' day in the usual style with a bonfire and fireworks. To put a stop to petty thieving, to which a few of the boys seem addicted, we have appointed three constables among the boys, the schoolmaster and foreman act as magistrates and Mr. Wilson as judge, and 6 boys form the jury. The jury not only present their verdict but also recommend the punishment. If a boy is suspected of stealing, or other serious offence, the magistrate issues a warrant, the constable arrests the offender and lodges him in the lock-up; jury and witnesses are summoned, and a time is appointed (generally within a few hours), for the trial. On the 28th inst. the railway reached the Shingwauk Home on its way westward, and a half holiday was given to celebrate the event.

DECEMBER.—Bible class is held every Wednesday and Friday evening. And in addition, and this during winter, we have "twenty minutes Bible study," from 8.55 to 9.15 p.m., Tuesday and Thursday nights. The attendance at this is voluntary. A little box is kept, in which questions on Bible subjects are dropped by any who wish to do so, and when we meet we examine these slips, one at a time, and try to search out the answers. There is generally an attendance of 15 or 16 at these meetings. CHRISTMAS DAY being on Sunday, we had all the fun and feasting on Saturday. The day passed off very happily and the children had a "big feed;" but we are rather inclined to covet the turkeys and oranges which seem to be piled up on the tables of the Girls' and Boys' Homes and other such institutions in Toronto, Montreal and elsewhere. Our boys and girls have never yet even tasted the drumstick of a turkey, and an orange is to them almost an unknown fruit. Our Christmas Tree was on the 30th inst., and was a great success. A number of nice presents were sent to individual children by their kind supporters. On NEW YEAR'S EVE we had a delightful little service in our chapel at 11.30 p.m., and when the old year had sped and the new year was come, there was a great handshaking and ringing of bells and drum-beating. All the boys were weighed and measured as usual on New Year's eve. Willie took the prize for greatest increase in weight, and Paul for increase in stature.

90. *David Osahgee*—Although not in residence, may still be regarded as one of our pupils, as we are responsible for his support, and the payment of his school fees at Trinity College School, Port Hope. He is an Ottawa, from Walpole Island; Indian name, Waubegeezis (Grey Moon); age, 19; St. Paul's Sunday School, London, Ont., pays us \$120 per annum towards meeting his expenses. We recently applied for a position for David as a clerk in the Indian Department at Ottawa, when his time at school is completed, and have received word in reply that a clerkship at a salary of \$400 per annum will be given him, with a subsequent rise of \$50 per annum till it reaches \$1000, provided he passes the Civil Service Examination, and proves himself fitted for the work.

We had intended to append some account of other pupils who have left us, but the particulars required have not reached us in time.

## MISSIONARY WORK AMONG THE OJIBWAY INDIANS.

By REV. E. F. WILSON. Published by the S.P.C.K. Price, 85 cents. For sale at Rowsell & Hutchison's, Toronto; E. A. Taylor, London, Ont.; and at the Shingwauk Home.

A Church paper says of the above: "It is full of interest from cover to cover; and, though published in London, is a real contribution to Canadian literature. The history begins in the year 1868, when Mr. Wilson came to Canada, and is continued to the year 1884. It is well written, and contains much about Indian life and customs. The book is a modest monument to Mr. Wilson's life labor, and we bespeak for it a wide circulation."

The English *Record* says: "We recommend this little volume to the organizers of Missionary Libraries. The story of Mr. Wilson's work is interesting and encouraging in a high degree."

Another English paper says: "This volume will fire the heart of every one whose sympathies are with Christian Missions."

## MANUAL OF THE OJIBWAY LANGUAGE

*Containing Grammar, Dialogues & Dictionary.*

By REV. E. F. WILSON. Published by the S.P.C.K. Price, \$1.25. For sale at the Shingwauk Home. This little book appeared in 1874.

A Toronto paper of that date said about it: "The arrangement is simple and comprehensive; and the explanations clear and lucid. We doubt not the Manual will be found most useful in clearing away many of the obstacles that beset the path of the Missionary."
