Pastor's Letter.

To the Members and Adherents of Cooke's Church :

DEAR BRETHREN,—It is now ten years and a half since I was ordained, and since I was inducted into the pastorate of Cooke's Church congregation.

Ten years ago, the revenue of the congregation averaged about twenty-one dollars a week. Since that time the congregation has raised, from all sources, the sum of \$111,187.42.

In 1887 the old church was renovated at a cost of \$19,000, but, becoming too small for the congregation, it was taken down in 1891, and a new church erected, which was opened on May 15th, 1892, by Rev. Dr. John Hall, of New York.

The year just closed has been a year of great financial depression in Toronto, and it is gratifying to know that during the year the congregation, besides meeting all its obligations, reduced its debt by nearly nine hundred dollars. What is still more encouraging is the fact that the contributions to Home and Foreign Missions and the other Schemes of the Church, for 1896, have increased sixty per cent. over the previous year, Let us take new courage, and do better in 1897.

The first time I preached in Cooke's Church, there were 87 people present, and when I received the call, it was signed by 80 members and 2 adherents. There were about 100 active members on the Communion Roll at that time, and since then 2,181 have united with the congregation—972 by certificate from other churches, and 1,209 by profession of faith. Many of our people have had to leave the city to seek employment elsewhere, owing to the dull times in the city. I am glad to be able to say that most of them took their Christianity with them, and are now working for the Lord in their new fields. I rarely, if ever, go to any of the American cities without finding former members of Cooke's Church, who are now actively engaged in Christian work.

During those ten years there have been organized, in connection with the congregation, a Women's Foreign Missionary Society, a Young Woman's Mission Band, a Dorcas Society, a Missionary Association, a Young Men's Prayer Meeting, a Young Women's Prayer Meeting, a Junior Endeavor Society,

and a Senior Christian Endeavor Society, which is now the largest in the world. All of these Societies have done, and are now doing, most excellent work. The Women's Association, which was organized many years ago, and until this year was known as the Ladies' Aid, is still doing splendid work.

Three of our members are now doing Foreign Mission work—one among the Indians in the North-West, one in China, and one in Africa; nine are ordained ministers and are settled in churches; fifteen are studying with a view to the ministry and work in the Mission Fields during the summer months.

Many of our young people are actively engaged in City Mission work, and their efforts are being blessed. The work among the Chinese is very encouraging, and three of them were baptized and united with the church in October last.

Brethren, the Lord has done great things for us as a congregation, and blessed us in the past. He has also given us great opportunities of doing good, but with these opportunities comes great responsibility. The congregation has become so large, and the work so great, that it can only be carried on by the hearty co-operation of all the members.

I regret that there are so many families I have been unable to visit during the year, although I have made more than 1,400 visits, most of them being upon the sick.

I thank you all for your sympathy and help, and I think we all ought to thank God for His great goodness to us as a people. Let us be a worshipping and a working people. If we are worshippers we will attend the services when it is possible to do so, and we will pray for the prosperity of Zion. If we are workers, we will not have time to find fault with others. May we realize that the harvest is great, that the labourers are few, that our day of opportunity will soon be over, and we will then have to give an account to God, not as to how others have used *their* time and *their* talents, but as to how we have used *our* time and *our* talents. Every one of us shall give an account of himself to God.

May the Lord help us to be faithful to that which He has committed to our trust.

Your affectionate pastor,

WM. PATTERSON.

ANNUAL REPORT
OF

FOR THE YEAR ENDING DECEMBER 31, 1896.

Minutes of the Forty-Fifth Annual Meeting of
Cooke's Church.

PURSUANT to notice duly given by the Pastor from the pulpit on the two previous Sabbaths, the Forty-Fifth Annual Meeting of the congregation of Cooke's Church was held on Wednesday, the 13th day of January, 1897, at 8 o'clock, in the lecture room of the church, Mr. P. G. Close, Chairman of the Board of Trustees, presiding.

The meeting was opened with devotional exercises.

Mr. Jno. P. Martin was appointed Secretary of the meeting.

The Chairman briefly stated the object of the meeting in accordance with the usual notice given.

The Minutes of the last annual meeting were read, and, on motion, confirmed.

Mr. S. Wallace, clerk, submitted the report of the Session, which, on motion, was adopted.

The Treasurer, Mr. James Alison, read the Financial Statement for the year 1896, showing the receipts and disbursements from the various sources, copies of which had been distributed to the congregation, and after being fully discussed, moved that the report be received and adopted. Carried.

The election of three trustees was then taken up, the retiring members being W. L. Wallace, J. R. Milligan and Jno. P. Martin.

The Chairman asked Messrs. Young, Moffatt and Cringan to act as scrutineers.

The following were nominated: Messrs. John McLeod, W. L. Wallace, S. Egan, A. W. Stevenson, J. R. Milligan, Wm. Forster, W. G. Wilson, Jno. P. Martin.

The scrutineers reported the result of the ballot to be in favor of Jno. P. Martin, W. L. Wallace and W. G. Wilson.

The following reports and financial statements of the different organizations in connection with the Church were then read and, on motion, were adopted, and ordered to be printed in the annual report in the usual way:—

The Sabbath School and Bible Class.

The Young People's Society of Christian Endeavor.

The Junior Christian Endeavor.

2 The Woman's Foreign Missionary Society.

The Young Women's Mission Band.

The Woman's Association.

The Young Men's Prayer Meeting.

The Young Women's Prayer Meeting.

The Dorcas Society.

The Missionary Association.

Moved by Mr. Kinnear, seconded by Mr. S. Wallace, that Messrs. McConnell and Caswell be the auditors for the year 1897. Carried.

The notice of motion to change the night of meeting of the congregation from the second to the third Wednesday in January, was withdrawn.

Mr. Thos. Humphries gave in the following notice of motion: "That at the next annual meeting of the congregation a nominating committee be appointed consisting of three members, whose duty it shall be to recommend those best qualified to act on the Board of Trustees, and that no candidate be balloted for whose name has not been submitted by the said committee."

Moved by Mr. S. Wallace and seconded by Mr. Thos. Humphries, "That the Chairman and Secretary of the Board of Trustees and John M. Poole be a committee to arrange for the printing of 1,000 copies of the Annual Report and have the same distributed to the members of the congregation as soon as possible." Carried.

Moved by Mr. Thos. Kinnear and seconded by Mr. A. C. Kilpatrick, "That this congregation extend a hearty vote of thanks to our beloved Pastor, Rev. Wm. Patterson and his wife, and that the Secretary is hereby authorized to convey the same to them in writing." Carried.

Mr. James Alison moved, seconded by Mr. R. Gilday, "That this congregation place on record their high appreciation of the work done by the Woman's Association in raising so ably such a large amount for the Board, and desire to acknowledge the great services and abundant efforts on behalf of this society by its former president, Mrs. Samuel Wallace, feeling that its success was due largely to her ability, tact and energy during the thirteen years she occupied the position." Carried.

The following votes of thanks were then moved, seconded and carried unanimously :

To Mr. James Alison, for his efficient services as Treasurer ;

To Mr. P. G. Close, Chairman of the Board, and the members thereof ;

To Mr. J. P. Martin, Secretary to the Board ;

To Mr. A. T. Cringan, Leader of the Choir, and the members of the Choir :

To Mr. A. E. Guest, Organist ;

To Mr. Geo. McLeary, Caretaker ;

Who duly acknowledged the same in short speeches.

There being no further business before the meeting, it adjourned after singing the Doxology.

Report of Session.

Another year has passed away in the history of the congregation: a year of joy and pleasure to some, and a year of care and grief to others.

As a Session we have great reason to thank God for His goodness in permitting us to see the beginning of another year with our number unbroken, and our prayer is, that God's blessing will rest upon our work during this year.

Although the membership of the congregation has not perceptibly increased, yet we believe God has blessed our work, and especially the preaching of the Word by our beloved Pastor; and, as the reports will show, all departments of our Church work are in a prosperous condition.

We refer with great pleasure to the fact that among those received into the membership of the Church during the year were three Chinamen, who had been attending the Chinese Bible Class for some time.

While our Pastor was absent on his holidays, the pulpit was ably filled by Rev. Dr. Hershey, of Boston.

As a Missionary Association was formed during the year, for the purpose of collecting for the Schemes of the Church, the Session will not report thereon, but leave that for a separate report from the Association.

We also beg leave to report that we secured the services of Mr. A. T. Cringan, as Choir Leader, from October first, after the Choir had been without a permanent leader for over a year, and we consider the improvement in our Choir and congregational singing justifies us in the choice we made.

May God continue to bless us in the future, as in the past, and even more abundantly, is the prayer of all the Session.

Respectfully submitted.

The Trustees' Report.

To the Congregation of Cooke's Church :

Your Board of Trustees beg to present its forty-fifth Annual Report, and in doing so would acknowledge the goodness of God in all His dealings with this congregation, and for the many tokens of His presence with us.

Your Board have again to thank the ladies for their cheerful and generous assistance in connection with the financial work of the congregation, which has aided us in laying before you a financial statement as encouraging as this one is.

Your Board also duly appreciate the efforts made by those who systematically contributed to the funds of the Church by the envelope system, and again appeal to those who have not yet adopted this plan, to do so at once, as it is yearly becoming a more important matter, and the earnest and prayerful consideration by members and adherents is urgently, yet respectfully, asked of this method of giving for the support of the Gospel in our congregation.

We trust it will be gratifying to you to learn from the Treasurer's Statement that the Church debt has been reduced, and that the rate of interest on the same has been lowered.

In conclusion your Board must bear testimony to the liberality and self-denial of our esteemed Pastor during the past year, and it is earnestly hoped he may long be spared to minister as faithfully in the future as he has in the past in Cooke's Church.

The Treasurer's statement of receipts and expenditures and liabilities is hereto attached.

All of which is respectfully submitted.

This department of our Church work has been carried on during the past year with, we believe, a deeper interest and a more earnest effort on the part of each member of the Association. The membership of our school has increased to 760, including the Bible Class, and the average attendance per Sabbath for 1896 has been largely in excess of that for 1895; and this, we believe, is greatly owing to the faithful efforts of the teachers and officers of the Association. We have supported, as usual, a cot in the Sick Children's Hospital and a pupil at the Pointe aux Trembles School in Quebec.

The average attendance of the Intermediate Classes was 169, the smallest being 106 on August 23—the largest being 271 on August 30th.

The average attendance of the Bible Class was 160. The smallest being 60 on August 9, and the largest attendance 236 on November 22nd.

The average attendance of the Primary Class was 74. The smallest being 47 on August 9th and the largest 92 on April 5th, 12th and 26th.

Before concluding our Report we wish to mention, with deep thankfulness, that several of the scholars have during the year made an open profession of their faith by uniting with the Church.

Superintendent.

"Go work to-day in My vineyard," is the command our Great Leader has given us. To obey this command is the aim of the members of the Christian Endeavor in their efforts to lead the young people of the congregation to consecrate their lives to His service. Realizing that in spiritual life, as in physical life, growth and strength come only by action, the Society seeks to have all its Active Members take a definite interest in some department of the work carried on by the Society. By doing so many members have for the first time realized the joy of active service for Christ.

Our Society is now the largest Christian Endeavor Society in the world. There has been a marked increase in Christian zeal and earnestness of purpose among the members, and there has been a great interest taken in missionary work, especially in this city. Gospel meetings are held in the King Street Mission every Friday evening, in the Haven once a month, in the Lombard Street Fire Hall every second Sunday evening after the Church service, in Temperance Hall every Sunday evening, and in the open air during the summer months when the weather permits.

The Chinese Class is held in the Lecture Room every Sunday evening after the service. Those in charge of the class were encouraged by seeing three of the members publicly profess their faith in Christ at a recent communion.

Of the funds raised during the year, \$100 was given to Foreign Missions and \$100 to the Building Fund.

During the year 9,930 tracts were distributed, and from ten to fifteen small bouquets of flowers, with Scripture texts attached, were sent every Sunday to those who were sick at the General Hospital or at their own homes.

A number of special meetings were held during the year. One was addressed by Mr. Gabriel McGuire, of Africa, and one by Mr. A. Sandham, of Toronto. A most enjoyable and profitable evening was spent in the month of August, when the members of Session responded to our invitation to meet with us and address us, the topic for the evening being, "The Duties and Joys of Church Membership."

A pic-nic and three socials were held during the year, when an opportunity was afforded of becoming acquainted with new members and strangers.

A hearty invitation is extended to all the congregation to attend our weekly services.

MABEL PENNINGTON,

Secretary

Christ not only said "feed My sheep," but also "feed My lambs." This we are trying, by His help and strength, to do. Our work for the past year has been to try to "scatter sunshine" amongst the lonely and to "send the Light" to those in spiritual darkness. To this end, we visited the Home for Incurables, taking flowers and a message from God in song. We were rejoiced to see how our efforts were appreciated, and gladly accepted their invitation to "come again." The aged ones were so rejoiced to see the children so happy in Christ's service! We also visited the General Hospital, taking flowers and passages from God's Word, which we distributed amongst the patients, thanking God for our health and the opportunity to do something for those less fortunate.

We also did some missionary work in the form of making comfort bags containing buttons, pins, needles, thread, etc., and a pocket Testament. These we sent, together with Library books, contributed by the Sabbath School to Mr. Beattie, one of the members of the Senior Christian Endeavor, who is labouring amongst the miners of British Columbia. We do trust and believe God will use them to advance his kingdom there.

For our boys, we have organized a Boys' Brigade, which meets every Friday evening at 8 o'clock, immediately after the close of our Prayer Meeting, which is held in the Infant Classroom from 7 to 8 o'clock.

We have at present 82 members: 53 active and 29 associate, with an average attendance of 60.

"For the love of Christ constraineth us."

Another year has drawn to a close, marking the end of the tenth year of our existence as an Auxiliary, and throughout its varied experience we have to acknowledge the faithfulness of our covenant-keeping God.

The Auxiliary has held during the year past, ten monthly meetings, with an average attendance of twenty-five. Our open meetings, which were three in number, were largely attended, and we hope and earnestly pray that in the coming year more of the ladies of the congregation will attend and lend their aid at the meetings of the Society.

Our meetings are held on the first Thursday of the month at eight o'clock in the evening in the Church parlor.

We have to report this year a most encouraging advance in the circulation of the "Letter Leaflet," and we feel that the

increased circulation will lead to increased interest in the work our lady missionaries are doing.

In April the meeting was addressed by Mr. Singer, a converted Jew who has been doing work among the Jews in the city.

In September Mr. Rutnam, a Hindoo, gave a most instructive address on India and the Hindoos.

In October our Thank-Offering Meeting was addressed by Mrs. Ball, who gave a most interesting account of the meetings held in Britain during the summer, especially of the Woman's Meeting held in Glasgow.

Our present membership is:

During the year one of the oldest members of our Society, Mrs. George Patterson, was removed by death. She was for many years a warm supporter of the Auxiliary.

In presenting our report for another year, we desire to acknowledge anew our gratitude to God for His goodness, and for the measure of prosperity which has attended our work in behalf of missions.

Our Society has met regularly during the year, on the third Thursday of each month, and the attendance has been good, there being an average of thirty-two at each meeting. We would like to see many more of the young women of the congregation interested in the work of our Society.

To the North-West 16 quilts and excellent second-hand clothing were sent out, to the amount of \$171.50; also prize bags, picture books and bandages to India.

In entering upon the work of another year, we desire to consecrate ourselves more fully to the great work of extending the knowledge of Christ "in the regions beyond." We look to Him who was the first and greatest foreign missionary, that He may abundantly bless us in our efforts, so that we may be able to report better and fuller service for Him during the coming year.

A kind Providence has brought us to the close of another year, and as we reflect on the work of the past, we feel that we have been abundantly blessed in our labors.

The Woman's Association, formerly known as the Ladies' Aid Society, has held its meetings monthly in the Church Parlor, and although the meetings have not been as well attended as could be wished, yet a spirit of harmony has always prevailed among the members.

We have not accomplished as much as we anticipated, but if more of the women of the congregation would meet with us once a month, we would be enabled to do a great deal more.

We mourn the loss by death of a very old and faithful member of the Society, one who always took an active part in all work connected with the Church, and one to whom we always looked for advice and counsel—Mrs. George Patterson. But we know that our loss has been her gain. Mrs. Dickson, who was also a member of the Association, was called to join the hosts above. To the members of both families we extend our sympathy.

During the year two lectures were given under the auspices of the Association, one by Mr. Patterson, and the other by Rev. Dr. Withrow, the latter being illustrated with lime-light views by Mr. Whittemore.

Several social gatherings were held in the Lecture Room, by which we sought not only a financial gain, but also a greater sociability among the members of the congregation.

Several years ago the Ladies' Aid Society undertook to pay for the furnishing of the Church, which was remodelled in 1888. This debt was almost paid when the present handsome edifice was erected. This incurred a much heavier expenditure, which the Society promised to meet. With the assistance of a number of the ladies of the congregation we have raised \$3,371, leaving still a balance of \$1,150, which amount we hope to raise during the current year.

At a meeting held on Dec. 28th, a large number of ladies brought in returns from mite boxes, talents and subscriptions, to the sum of \$230. The following is a list of the ladies who helped in this way: Miss M. Baillie, Miss M. Millar, Mrs. Sheridan, Mrs. Alison, Mrs. John Anderson, Mrs. McLeod, Miss Allie Patterson, Miss Minnie Sheridan, Mrs. McMullen, Mrs. W. L. Wallace, Mrs. W. Eagle, Mrs. Campbell, Mrs. Vance, Mrs. Rennie, Miss K. Moore, Mrs. Simpson, Mrs. Booth, Mrs. J. P. We have come to the close of another year, which, to most of us, has proved to be full of blessing. Our work is steadily progressing; more are interested in it, and thus the attendance has become larger. Still we feel if a greater number of the young ladies of the Congregation would attend our meeting every Sabbath morning they would be greatly helped. To those of us who are teachers the meetings are especially beneficial, as the members express the principal thoughts on the Sabbath School lesson.

MRS. PENNINGTON, JOHN M. POOLE, ALEX. SMITH,
JOHN RENNIE, GEORGE HENDERSON
AND HENRY BLATHERWICK.

The Association was formed about the end of February, and although about one-third of the year had passed before it got rightly started to work, the amount contributed for the Schemes of the Church was larger in 1896 than in any previous year.

One of the objects for which the Association was started was the dissemination of missionary information among the members and adherents of the congregation. Each Elder's district is in charge of one of the members of the Executive Committee. Collectors are appointed, who leave copies of the *Presbyterian Record* at the homes of the families and individuals connected

with the congregation, whether they are members of the Association or not. The *Record* gives an excellent account of Presbyterian Missions in general, and we believe that much good has resulted from the reading of these papers.

Those of the congregation wishing to become members of the Association can do so by contributing any sum they wish to the funds of the Association, for missionary purposes. Those who wish to contribute should endeavour to give their contributions to the collectors when they leave the *Record* each month.

The money collected is devoted to such Missionary Schemes of the Presbyterian Church as the Association may decide, after recommendation from the Session; but contributors may, at the time of subscribing, designate any special scheme they wish to assist.

We hope that during the current year a deeper and a wider interest may be awakened, and that everyone connected with the congregation may become a member of the Association.

The sum raised by the Association in 1896 amounted to \$1,123.65. After paying for the *Records* and sundry expenses, the sum of \$1,059.59 remained, which the Association have allocated as follows:

Foreign Missions	\$325 00
