REMARKS ON COURSE OF STUDY.

PENMANSHIP.

Daily exercises in Penmanship are required until good execution is attained.

READING AND SPELLING.

Particular attention is given to perfecting Students in these Branches.

COMPOSITION.

Composition is made a speciality, and will be required throughout the entire course, in forms varying with the advancement of the student. At a proper stage it will be connected with the principles and practice of literary criticism.

MUSIC.

Prominence is given to *Vocal Music*, in which all the Students receive instruction.

It is designed to afford the best facilities in the department both of Vocal and Instrumental Music. The selection of Music will be under constant supervision, and only that will be allowed which is conducive to the cultivation of the most pure and elevated taste, as well as the most rapid progress of the pupil in the acquisition of this delightful accomplishment.

Beyond this general training, those who desire it are instructed in select classes, and in private lessons.

Select musical and literary Soirees will be given at suitable intervals.

WAX FRUIT AND FLOWERS.

An accomplished Teacher will instruct in this beautiful art, if required.

DRAWING AND PAINTING.

The course of study in this art is systematic, comprehensive and artistic, laying a foundation in the laws of perspective, and proceeding so progressively as to lead the Student pleasantly on from elementary penciling from models to original sketching, and coloring in Oil, in Water, or in Pastel.

MISCELLANY.

LECTURES.

Frequent informal Lectures will be given upon topics connected with health, manners, &c.

Courses of Lectures will be delivered on Chemistry, Natural Philosophy, History and Aesthetics.

LIBRARY.

The institution is furnished with a Library of nearly 500 newly selected Volumes of general reading and for reference, also a Reading Room.

A Cabinet of Geological and Botanical Specimens, and of historical and general Curiosities and Illustrations of Natural History has been commenced and will be carried on as rapidly as circumstances will allow. More than a thousand Geological Specimens are in the Cabinet, containing an assortment of the Fossils of all the strata, both of this Continent and of Europe. Additions are constantly being made to this collection under the supervision of Prof. Wright. Contributions and exchanges are invited.

APPARATUS, MAPS, &c.

The Institution is furnished with a fine set of Maps, Globes, Physiological Charts, a Microscope and Philosophical and Chemical Apparatus.

SOCIETIES.

A Literary Society has been formed among the Students, styled the Society of "Reapers." It is presided over by a member of the Faculty. Its object is improvement in Composition, &c. Its paper is styled the "Sheaf," which is read at stated periods before the students.

MERIT ROLL.

A record of Standings, literary and moral, is daily kept, and cards corresponding to this record are given to students weekly, and should be transmitted to parents for their information. An Honor Card is received by pupils entitled to it, at the end of each term.

HONORS OF THE INSTITUTION.

Two courses of study have been established, a Classical and an English; and Diplomas will be given to those who have satisfactorily completed either of them. The title of M.L.A., or Mistress of Liberal Arts, is given for the former, and M. E. L., or Mistress of English Literature, for the latter. Certificates may be had by those who have passed examinations in a partial course.

A good moral standing is necessary in order to obtain either Certificate or Diploma.

BOARDING, &c.

The Institution, as a home, is designed to be the abode of comfort and pleasant associations.

Rooms are carpeted and furnished throughout, so that the pupil requires nothing in addition.

The provision for the table is wholesome and abundant.

GOVERNMENT.

It is intended that the Government of the Institution shall be firm without being arbitrary; that it shall be founded upon confidence in the

pupils, and that istendency shall be to teach them self-control, obedience to *principles*, and a conscientious regard for right.

No young lady will be allowed to retain her connection with the School whose example tends to encourage indolence or insubordination, or whose influence is in other respects injurious.

PRINCIPLES.

Truthfulness in opposition to pretence in anything, patriotism, love of home, devotion to parents, simplicity, inartificiality, avoidance of *heartlessness* and *display*.

PHYSICAL DEVELOPMENT.

The laws of hygiene are insisted upon in respect to dress and exercise.

Every student is required to bring a loose dress to be worn during the exercises in Gymnasium.

DRESS, &c.

Every young lady must be provided with umbrella and overshoes.

School-room dresses should be simple and inexpensive, with high necks and long sleeves.

Very little jewelry or spending money should be at her disposal.

Carelessness and the possibility of dishonesty in servants, &c., make it proper that all funds should be deposited with the officer appointed for that purpose.

SESSION HOURS.

For recitation and study, from 10 minutes to 9 to 12.15 A. M., and from 2.15 to 4 P. M. Evening study from 7 to 9.

It is understood to be necessary that Day Students should spend at least two hours in study at home. Parents may be assured that something is wrong unless this is done.

Punctuality in the attendance of Day Students is of the utmost consequence. Tardiness results not only in loss to themselves, but is injurious to classes, and tends to general disorder. Tardiness and unexcused absence will stand against Deportment on the Cards. All excuses must be signed by the name of Parent or Guardian.

VISITING AND RECEIVING VISITS.

STUDENTS' RECEPTION DAY.—Saturday afternoon.

All persons, except immediate relatives, wishing to visit Students, are expected to present a letter from parents or guardians, or to be otherwise suitably introduced.

Visits without this preliminary must be declined.

Students are allowed, at proper times, to visit such families as the parents or guardians may name to the Governor or Principal, but not to remain out over night, or over the Sabbath, except at the house of some near relative. The last Friday or Saturday of each month is the time appropriated for these visits. Friends who are visited must call for the young ladies and return with them.

Young ladies are not allowed to *receive* invitations until they have been submitted to the Principal or Governor.

It is hoped that friends *entitled* to call upon Students, will endeavor to adapt themselves to the hours of the Institution. Officers would not like to disoblige, but must refuse Students to see their friends at such times, except in *special* cases.

SHOPPING.

It is desired that Students should be supplied, if possible, with all necessary things before leaving home. To provide, however, for necessities that may occur, Students will be permitted to do shopping once a quarter, always accompanied by a teacher.

RELIGIOUS INSTRUCTION.

Bible Class every Sunday evening, under the care of the Governor, in addition to family worship and the usual religious exercises at the daily opening and close of the School.

Earnest efforts will be made to produce a strong conviction of the paramount importance of personal religion.

ATTENDING DIFFERENT CHURCHES.

The Students attend those Churches selected for them by their parents and guardians; and all the Students are required to attend on each Sabbath, unless excused.

The religious opinions of Students will be carefully guarded.
