The \$400 exemption clause must be now wants a lock-up. adopted whether the rest of the clauses are or not. The iniquity of taxing a been accepted by John Corkum of La Have, man's daily wages as income must be N.S. abated to this extent, at least.

The Custom House clearance, first below zero. authoritatively announced in THE TRI-BUNE last Friday, takes place to-day.

issued last week, the publishers evidently intending to have it out on time. The custom of ante-dating monthlies having footing. been firmly established, the projectors of style or appear to be in the rear. The first ed sunk at Baltimore, but afterwards raised new enterprises are forced to adopt the paper is a well written description of the and repaired, arrived at Halifax on Friday bays, fisheries, forests, agricultural capa- last. She presents a very dilapidated apilities and mineral resources of western pearance Newfoundland. It should be published in The inhabitants of Oak Point, King's Europe, and was perhaps published there Co., N. S, have changed the name of their simultaneously with the issue of the place to Plymouth, for the reason that the Maritime. It is interesting to any class of name had been previously appropriated by

readers, however, as it gives a great deal New Brunswick. of information in a readable and compact John Quicker, proprietor of the steam form. This number is peculiarly rich in machine mills at Mahone Bay, had the short stories, there being two really good second finger of his left hand torn off at ones-original in conception, rich in inci- the second joint, and two others fearfully dent, and lively in style. "Up and Down torn by having them caught in the planing the Riga" is one of the best short stories machine which he was attending. He ever published, and its author is destined saved his arm by throwing in a bar o to shine in this walk of literature. Here | iron. is a specimen of the author's lively de-

criptive style : Through niches in the human wall which prisoned me, I caught glimpses of a pano rama which filled my soul with awe. er the double chin of the fat Fren woman I saw that the waters of Lucerne wore blue and translucent as a turquoise; over the crown of the German's soft hat I saw Alp on Alp rising grandly from the gleaming marge. Through the apertures disclosed by the American's arms in the oourse of her gesticulations—and she gesticulated a great deal in the course of her arguments with her husband—I beheld the

ing trail of blended pearls and opals which marked the way we went. Indeed this story is so good that we should suspect that it had been stolen if we did not know the editor of the magazine too well to believe that he could be imsed upon in such a manner. "The New cowhiding, sought to gam \$100,000. He

for operating it has elicited many varying expressions of opinion. This joursmall incomes. That charge will be who makes it in the columns of a morning paper if he take the trouble to re_ nember that THE TRIBUNE has simply advocated the principle of exempting tion. If this is an extreme position our critic will have to place nine-tenths of the people of St. John among extremists. Very few intelligent men will philosophical reverie worthy of the author of "The Wisdom of the King." The man's daily wages on which he depends article on Lord Lytton does not do justice for his daily bread at the same rate as to the subject. In speaking of the comedy of "Money" he very unprofessionally says that "it is said to have attained great ing his hands. The cat weighs eleven popularity." The same article speaks of Lord Lytton's son as the author of "a The cattle trade of Chicago is represent-One of the anomalous practices under

poems." We never before heard of the to the inability or refusal of the managers novel. Canadian. British and Foreign. [To the Associated Press.]

LONDON, Feb. 1. The Portuguese railway engineers and okers are on a strike, and the running of freight trains is suspended. The first snow storm of the season in London happened this morning; the fall was light.
Disturbances are apprehended in the districts around Prague, and troops have been sent to those localities.

A special despatch states that a fire in the Military Academy at Woolwich last night, burned the library and clock tower. Consols 92; a 92;. Breadstuffs quiet.

NEW YORK, Feb. 1. Gold 113½; Exchange 109½ to 110½.
The establishment of Colisha, Ingalls & Co., upholsterers, was burned this morning; loss \$300,000; insurance \$265,000; Wood Bros., loss \$75,000.

James Gould & Sons woolen factory, Northfield, Ct., was burned last night; loss \$100,000

loss \$100,000.

(Special to the Tribune.) SMALL-POX AT WOODSTOCK. WOODSTOCK, Feb. 3. A supposed case of small-pox occurred here on Saturday. The Board of Health took charge and sent the patient to the hospital. The sick man died last night.

countrymen are afraid to come to town.

London, Feb. 2. A STORM OF UNPARALLELED VIOLENCE. The British isles were visited last-night by one of the most violent storms ever experienced, even at this season of the year. The snow fell to an extraordinary depth in the city and country. This morning it was MARSTERS six inches deep in London, and travel was almost wholly suspended. Omnibuses and cabs ceased running, and scarcely a vehicle of any description has been seen all day. In the provinces the fall was much heavier. A gale raged with great fury all around the English and Irish coasts. Many wrecks are already reported, and a fearful loss of life, especially at Torquay and around the Scilly islands. The steamer on Blackhead and became a total wreck.

It is feared that all on board were lost. The ship Sarah was wrecked on the Irish coast and fourteen of her crew drowned. KILLED ON THE RAIL. By an accident on the London and Northwestern railway at Stafford several

persons were killed.

EASTPORT, Me, Jan 30—The loss by the stmr Stroud, of Calais, which rulled over with a heavy deckload, will amount to some \$8 00 or \$10,900 Brown, of the Houlton Express, e-timates the loss of goods in his care at \$5,000. The International Company is not responsible, as the Stroud had lett the New York, and gone to another wharf Freights.

Freights.

New York. Jan 3—[From the Shipping List]—Business continues to be restricted by the scarcity of tonnage, and fr charter the market is strong particularly for petroleum to rans Atlantic ports, and general cargo to the Continent; berth rates for Continental ports are very firm, and for leading ports in the United Kingd m steady: small vessels are wanted for the West Indies and the Gulf at full figures. Long voyage business is slack, and the various sines to the Pacific are well snpplied with tonnage. There is a disposition to send ships to the Pacific, owing to the firm prospects there for business. Private desprehes frem San Francisco report an advance in grain treights thence to the United Kingdom to £1004 128 6d for vessels on the spot, and for a small American ship the latter rate was refused.

BOOK NOTES. PRET HARTE'S NEW BOOK, entitled— "Mrs. SKAGGS'S HUSBANDS and other SKETCHES," has greater variety than his pre-vious volume of Stories, "The Luck of Roaring Camp," etc., but his admirers will find it per-vaded by the same Dramatic power and exqui-site felicity of style.

J. T. Trowbridge's New Volume, "Coupon Bonds," &c., TS a collection of some of the most popular Short Stories ever written by an American Author. The leading story—"Coupon Bonde," has become a Yankee classic, and "The Man who stole a Meeting House," and several others of the Stories of this volume, are hardly less favorably known to the reading p. blic.

Above may be had at MOMILLAN'S, feb! 78 Prince Wm. street.
