N. B. Potato Growers' Convention

The Potato Show begins Wednesday, March 19 at 9 a.m. and continuing to the 20th at noon. Excellent program. Fine list of speakers. Fine prize list. Held in Agricultural School.

The United Farmers of New Brunswick

will hold their 2nd Annual Convention in Hayden-Gibson Theatre beginning Thursday, March 20 at 2 p.m. and all day of the 21st.

All who heard Mr. J. J. Morrison last year will want to hear him again; those who have not heard him should do so on March 20-21.

Mr. Kennedy of Winnipeg, representing the Canadian Council of Agricultural, will be at this convention. Come

and hear him!

This is the Farmer's Parliament. Come and help enact the laws by which you would live. Ladies invited to all sessions of these conventions. Full and free discussion by all United Farmers.

LIVE WIRES ARE THE FARMERS

Rather Than Putting Business on the Bar, It Looks as Though They Would Set a Pace That'll Make 'er Hum

In view of the opposition of certain individuals towards the Farmer's Movement kindly publish the following statement. We write because we are convinced that if the critics of this movement should look deeply enough they would quickly see that the organization is not founded upon the principle of self-interest but upon what benefits the country as a whole. The movement of the organized Farmers seeks not alone the improvement of the environment and condition of the farmer, but also aims to set in motion those forces and to create those ideal conditions which will develop a higher and purer standard of private and public service on the part of our people than we have in Canada today.

The United Farmers stand, not selfishly but unselfishly, in the defence of the rights of all and for the spoliation of none. It is because of this that the organization has championed from the beginning those worthy enterprises which look to a better Canada, such as better homes, women's suffrage, the abolition of the Liquor Traffic, direct taxation, recall and referendum, co-operation, lower tariff, extension of the parcel post, government control of waterways and natural resources that they may be developed in the public interest, and many other equally worthy objects.

It is time for all to recognize that the Farmers movement has come to stay and that not all the opposition in the world can drive it out of existence. The critic of this truly national and altruistic movement is in about the same position as the dog that runs barking after the train. The train is moving too fast in the first instance for the dog and then one wonders what the dog would do if he should set his teeth into it. Probably he would be jerked inside out.

The movement is abiding because it is founded upon the just principle of co-operation and not on cut-throat competition, because its chief aim is human and not material and because it is doing a legitimate business in a legitimate field. Services in the said test by which organizations are tried today. The farmer organization actually serves and not his interests alone but the interests of the whole public.

The East is experiencing what the West experienced in a small way in earlier days. A few self-seeking men in the town whose business motto was exploitation and not service, thought they would lose a dollar of profit and so set up a policy of opposition. Today the best business men in the West, the leading newspapers, the cities and towns co-operate with the Farmers' Organization. In illustration of this, the Regina Leader, the Regina Daily Post, and the Saskatoon Star (three leading western newspapers) give one whole page free to the farmers organization for publicity purposes.

There is keen bidding on the part of the larger cities each year for the Farmer's Convention. Right thinking business men know now what an advantage it is to a city to entertain the great Farmers' Parliament. Everything is done to make their stay pleasant and thus induce their return. For example the entertaining city for one thing gave the entire Convention free admission to a first class entertainment which was specially provided for them by the city. The best building in the city is placed at their disposal for convention purposes, either free or for a small nominal rental.

You may inquire what the business man gets in return for his generous co-operation. In the first place his city gets a real boost. Five or six thousand of the best citizens in the province gather to talk good things about the Convention city for years to come. In the second place, the business man gets the opportunity of putting across a fine piece of business advertising if he is awake to his opportunity. There is a lot of buying on the part of visiting farmers. The automobile dealers exhibit and demonstrate their automobiles; the machine dealers give exhibitions and demonstrations of all kinds of needed farm machinery. The dealer in electrical supplies shows a complete plant which may be used on a farm, the merchants exhibit in the most attractive manner possible the many things purchased by farmers. And so there is glad co-operation between business man and farmer which means more and better business for the business man. When the Convention is over everyone is better off and the cities are right glad to have the farmer in their midst.

We believe the policy of friendly co-operation between business men and farmer, between town and country, between press and the agents of the United Farmers is the only sound policy for all.

Sincerely and with thanks,
D. R. SHARPE,
Moose Jaw, Saskatchewan.

Reception to Returned Soldier

On Monday evening at the residence of C. S. Baker, the members of the Methodist church held a reception in honor of Private Percy O. Barter who last week returned from the theatre of war, where he had been, as he says, "such that no man should ever have seen." A pleasing program was given, an address of welcome was read, Rev. Barter was presented with a purse of gold. He replied briefly and with feeling. There were also present his brothers Will who only on Monday returned from France, and Sgt. H. A. Sippelle and Sgt. Burdon Clarke. Five Barter brothers were engaged in the war, all seeing bitter service at the front. Each was spared his life and one, only Samuel, was wounded. Percy, James and William have returned, and Samuel and John are yet to come.

See my different kinds of grass seeds at Bath and get my prices before buying. C. M. Sherwood.

On Mar. 27 Hartland merchants will have a race. Each will see who can give the best value for \$1.00. In this buyers are the winners.

WANT VALLEY R. R. COMPLETED

People of Victoria Co. Going After the Thing and Won't Be Happy Till They Get It

On Saturday afternoon last the following ratepayers of the county of Victoria, gathered at the Court House, Andover, to discuss the building of the Valley Railway from Centerville to Andover. Those present were: J. J. Scott, E. W. Sisson, Alex. Henderson, Henry Boone, Geo. H. McLaughlin, Wm. Curry, John Graham, Elijah Sisson, Bruce Irving, H. L. Bedell, LeBaron Anderson, J. E. Pickett, Wm. DeMerchant, P. T. Hefferman, J. E. Porter, D. W. Pickett, N. J. Wootton, N. N. McKinnon, W. N. McAlary, Frank Baird, J. W. Niles, J. E. Armstrong, Alex. Ogilvie, A. E. Kupke, Garfield Tomlinson and Robert Irvine.

The meeting was called to order at 2.30 o'clock, and on motion, J. J. Scott was elected chairman and N. J. Wootton, secretary. On taking the chair Mr. Scott thanked the meeting for the honor conferred on him, and explained the purpose of the meeting. He also mentioned that Victoria county is represented in the local house by Premier Foster and Hon. J. F. Tweeddale, Minister of Agriculture, and at Ottawa by Hon. F. B. Carvell, Minister of Public Works, and if Victoria county ever expected to get anything done for her, it should be now, with three cabinet ministers as her representatives.

The chairman then declared the meeting open for business and called upon those present to discuss the question for which the meeting was called.

The following gentlemen made brief remarks: J. E. Porter, A. E. Wm. Curry, J. E. Pickett, Frank Baird, LeBaron Anderson, J. W. Niles, John Graham and D. W. Pickett, who all expressed themselves favorable to having the Valley railway built to Andover, and felt that it was time for the people of this county to set party politics aside, and work for the interests of the county.

It was then resolved that a committee be appointed to draw up resolutions for the purpose of setting before the Government our views and strong sentiments, and submit the same at a meeting to be held at the Court House, Andover, next Friday afternoon, March 14, at the hour of 2.30. Every voter in the counties of Victoria and Carleton, interested in the completion of this railway as per contract, should be present at the meeting next Friday afternoon.

Lectures Next Week

On Sunday morning at 10.30 in Hagerman's Hall, Rev. Mrs. M. McKinstry will deliver the first of her series of lectures, which is on the Babylonian Empire. The second will be given on Sunday evening at 7.45 and there will be a lecture each evening next week, except Saturday, and two on Sunday, March 23. These lectures are of prophetic and historical nature and are intended to emphasize Bible truths. They will be illustrated by 150 feet of charts and pictures. This will be a real feast for bible students and lovers of history.

"FRUIT-A-LIVES" Conquered Dyspepsia and Restored His Health.

MR. ROBERT NEWTON.

Little Bras d'Or, C. B. "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep well at night. I lost so much weight—going from 155 pounds to 145 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-a-Lives'.

In a week, there was improvement. The constipation was corrected, and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous".

Miss McBride arrived this week to take charge of the Enterprise school across the river, for the remainder of the term.

Vernon and Olive Jenkins were visiting at Weaver last Sunday.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glazes with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

Meetings Held to Urge Building of Highway Bridge

Two public meetings were held at Bath, one on February 27, and the other on March 3. They were the result of a demand from the parishes of Kent and Wicklow, for a highway bridge across the St. John river at that point to connect these parishes.

For that purpose, an act was passed in 1907, by the government of that day. The money was voted for the erection of this bridge. This community proposes to insist that this contract, so long unconvenient and financially lost to the farmers, be carried out. For this purpose a strong delegation will in the near future go to Fredericton, fully armed with facts and figures.

SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapysin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas emanates from any gested food, in dyspepsia, flatulency, foul breath or headache.

Pape's Diapysin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach remedy in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent box of Pape's Diapysin from any drug store. You require in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

cases ended in death. So a recent Canadian investigation showed. These were not cases of infectious disease—of consumption—or typhoid! They were cases where a person had sustained some slight injury—a cut, a burn, a wire-prick—and where the wound, being thought not serious enough for careful treatment, had been neglected. Blood-poisoning and death resulted. Where you or your children sustain any injury, ensure against infection by applying Zam-Buk. This balm soothes the pain, stops bleeding, and by destroying all germs prevents blood-poisoning, etc. Hence the first need, be it from work or pleasure by those who use Zam-Buk. Always Had Headaches

Liver Was Torpid and Bilious Spells Brought Sick Headaches—Lost Much Time, But is Now Completely Cured.

Here is convincing evidence that however much you may suffer from liver trouble and consequent biliousness, you can be cured by Dr. Chase's Kidney-Liver Pills.

Overeating is the most common cause of sluggish liver action. You lose your appetite, have distressing bilious spells, usually accompanied by headache and vomiting, the bowels become irregular, constipation, and sometimes alternating diarrhea is upset and you get irritable and downhearted.

No treatment so quickly awakens the action of the liver and bowels as Dr. Chase's Kidney-Liver Pills. For this reason, this medicine is wonderfully popular and has enormous sales. Mr. Charles R. Tait, Newtown, N.B., writes: "I was nearly always troubled with headache and vomiting, and I tried doctors' medicines, and also many other patent medicines, it was without success. When I had these headaches I would vomit, and could keep nothing on my stomach.

I purchased a box of Dr. Chase's Kidney-Liver Pills from G. M. Fairweather, druggist, of Sussex, N.B., and after taking one box I was so much relieved that I continued to take them until I am now completely cured. My advice to anyone suffering from sick headaches is to try Dr. Chase's Kidney-Liver Pills and be completely cured."

Mr. A. S. Mac, J.P., endorses the above statement, and says:—"This is to certify that I am personally acquainted with Charles R. Tait, and believe his statement in every way to be true and correct." Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers or Edmondson, Baker & Co., Limited, Toronto & Suburbs. Will only disappoint. Insist on getting what you ask for.

GIVE "SYRU OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When poorish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhoea, full of cold, give a teaspoonful of "Fruit Laxative" Syrup. And in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without griping, and you have a well-pleased child, again! Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and the grown-ups.

10 CENT "CASCAETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how nervous, how constipated, indigestion, biliousness and sluggish bowels—you always get relief with Cascaets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases, take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and clear for months. They work while you sleep.

"CASCAETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Bilious Liver and Bowels—Take Cascaets tonight.

Purged Tongue, Bad Breath, Indigestion, Sallow Skin and Mucous Headache come from a torpid liver and sluggish bowels which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to relief—relaxation, food, gas, bad breath, yellow skin, neuralgia, everything that is horrible and nauseating. A Cascaet tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep. Beware of cheap copy brands, which have no action on the bowels.

Perth Locals

Mrs. Hattie M. Sherrer, who was one of a party of about 200 American nurses who went overseas from New York a year ago, landed in New York about two weeks ago. She gave her relatives and friends a very pleasant surprise on Thursday when she arrived here. She visited her sister, Mrs. A. D. Campbell, and daughter, Miss Natica Sherrer of Arthurette, for a few days coming down on Saturday to spend the week-end with her mother, Mrs. E. DeMerchant of Tobique Narrows. She returned to New York on Monday to the disappointment of her many friends who were anxious to have her remain for some time.

Mr. and Mrs. George Langan of South Tilly were in town on Saturday.

Miss Lillian Larlee of Wapske is spending a few days here.

Mr. and Mrs. F. D. Sadler and M. L. Wright were among those from here who attended the auto show at Fort Fairfield.

Mrs. E. W. Cox of Kilburn is visiting relatives and friends in Fort Fairfield this week.

Grover C. Craig, late of the Home Service, St. John, is spending the week-end with relatives on the Tobique.

Lieut. Charles Smith returned from the first of the week and spent several days in town where he was warmly welcomed.

Miss Nellie Ingraham, who has been the popular and efficient clerk for H. N. Dickinson for several years has resigned her position and after a visit with her friend, Mrs. Charles Raymond, will return to her home in Jar Co. During her long stay here Miss Ingraham has many warm friends who sincerely regret her departure.

Mr. and Mrs. B. L. Daggett of Kilburn were pleasant callers in the village during the week.

Quite a number of young folk from here, attended the basket supper and dance on the Indian Point on Monday night.

E. W. Larlee has reopened his bar shop and has secured the services of a first class barber.

Mrs. A. D. Campbell of Arthurette was in the village a few hours on Saturday.

On Sunday night, B. C. Palmer received the sad news of the death of his sister, Mrs. Arthur Holt, which occurred that morning at her home in Lawrence, Mass., following a short illness of influenza and pneumonia. Mr. Palmer has the sincere sympathy of many friends in his sorrow.

It is understood that we are soon to have another dentist in town.

MARCH MEETING OF TOWN COUNCIL

More By-Laws Passed—Budget Brought Down—A Variety of Matters Discussed

The March Town Meeting was held on Monday evening, the mayor presiding and all the Aldermen present excepting MacIntosh, and Nevers. Ald. Hagerman read a communication from Hon. F. B. Carvell with regard to the use of the basement of the Federal building as a jail. Mr. Carvell stated that the department was constantly in receipt of applications for the use of government buildings for purposes other than those for which they were intended and it was impossible to comply with the request in fairness to the others whom he had refused.

In the By-law relating to pool rooms the age limit for indulgents in this game is made 16 instead of 14 years.

The moving picture by-law was amended so that an operator may run three nights a week on the payment of \$25 annually instead of two nights.

A number of other by-laws were discussed and at times the interest ran high. The Observer regrets that pressure on space this week forbids more fully reporting the by-laws that were under discussion and finally adopted.

Those by-laws will, however, be issued in book form in due course and it should be the duty of every rate payer to possess himself of a copy and to with hold criticism until they have had time to read the full text of the same.

The finance committee brought down the following budget as the year's probable expenses:

Assessors	\$45.00
County purposes	996.00
Dis. on Taxes	300.00
Interest	25.00
Printing	75.00
Poor	200.00
Police	100.00
Salaries	25.00
Streets	1500.00
Miscellaneous	334.00

A. W. Glass was heard with regard to concessions regarding his electric light proposition. A committee was appointed to deal with this matter and a report was to be given next week.

A. W. Kyle asked to be heard with regard to rebuilding the river bridge of steel. The councillors were generally of the opinion that the structure should be of steel and the mayor was appointed a committee to interview the government in regard to it. The session adjourned to meet the first Monday in April.

Greatest Rule of Health

With all their differences in regard to disease, its cause and treatment, doctors are of one mind in regard to the one greatest rule of health, viz: "Daily movement of the Bowels." Unnumbered thousands of people suffer almost continuously as the result of constipation who could be readily cured by Dr. Chase's Kidney-Liver Pills.

More Doctors Needed

Since Dr. MacIntosh has removed from the town there is but one physician available in a very large territory. Dr. Curtis is one of the most faithful, devoted, and hardest-worked practitioners in this part of the country, but one man's flesh and blood cannot stand all the work there is for the doctor to do in this field. It would seem here was a splendid opportunity here for another physician.

Another need Hartland has experienced is the service of a dentist. Long ago as 1888 there was a resident dentist here—the late Robert C. Carr—but since his death no dentist has been permanently located here. A very good practitioner would be assured of a very good practice.

Will Instal Bigger Electric Plant

A. W. Glass has closed down his electric light plant for the time being, since he has found that the dynamo he uses is not capable of producing sufficient current for the requirements of his business. He has placed an order for a new generator of a capacity for 700 lights and soon as this arrives he will be prepared to supply lighting current to any person in any part of the town. While Mr. Glass's plant gave good service it was very highly appreciated by those who had put in fixtures. Mr. Glass has shown commendable enterprise and his industry should be rewarded by generous patronage on the part of the townspeople. It is a question if the Town Council will come in for most criticism if they do install street lights or if they do not do so this year.

The First Spring Poem

Youthful spring poets were abroad as early as St. Valentine's Day. One schoolboy received from his sweetheart a carefully-fashioned heart and dart and the following lines, which prove that the age of pure sentiment is past and replaced by hard common sense:

"The violet's blue,
The rose is pink;
If you'd wash your feet
They wouldn't stink."

THE LEGISLATURE

Fredericton, March 11.—In a statesmanlike address in which he reviewed the outstanding events of the year which has passed, outlined the legislation which will be brought before the house this year and effectively answered what few criticisms have been offered from the opposition benches, Premier Foster spoke for two hours this afternoon in the debate on the reply to the speech from the throne.

The broad grasp of public affairs and the able manner in which they were treated, the appreciation of the larger problems which the province faces and the statement of policies prepared to meet them, shown in the premier's address, placed it in sharp contrast to that of the leader of the opposition who spoke on the previous evening.

Hon. Mr. Foster was heard with close attention, not only by the members but also by an unusually large number of spectators in the galleries and at the close hearty applause showed the appreciation of his statements.

A glowing tribute to those who had fought in the great war and sympathetic eulogies for those who had fallen marked the opening of his address. He also paid hearty tribute to the work of those at home, the workers who had made the victory possible, the farmers who had helped to feed the empire and its Allies, and the women who had sacrificed so much and labored so earnestly in the cause.

His announcement that legislation would be brought in for the extension of the franchise to women was greeted with applause. Referring to the visit of Prince Arthur and the governor-general and the expected visit of the Prince of Wales, the premier suggested the need for more adequate facilities for the entertainment of notable guests.

Hon. Mr. Foster made it clear that the government intends to press the claims of the province for the absorption of the Valley railway and the National railways system and to continue to urge adequate recompense for this province if the public lands are transferred to the western provinces.

He also re-affirmed the government's intention of pressing to the utmost limit the claims against Flemming and Tennant for \$100,000 and \$153,000 respectively.

In conclusion the premier pledged the full efforts of the government to the solution of the problems of national reconstruction, with the suggestion that matters of party reconstruction would be left to the opposition.

Girl wanted to learn typesetting, apply at The Observer office.

Timothy and Cloverseed for sale at Bath, by C. M. Sherwood. He sells for less.

Miss King and Miss Chandler of Woodstock were guests of Mrs. Glass this week.

Elisha Crawford of Centreville, formerly of Carlisle, was calling on old friends here on Saturday.

On Friday evening Miss Sadie Barnett pleasantly entertained a number of her friends at her home.

Andrew Shaw, one of the bright young farmers of Florenceville, was caller at The Observer office this afternoon.

Mrs. N. E. Constantine on a recent evening entertained a number of her young lady friends very pleasantly at her attractive home.

Rev. C. O. Howlett, B.A., B.D., will preach on Sunday as follows: Wicklow at 11, Beechwood at 3, and Bath at 7 o'clock. Everybody welcome.

Church of England service will be held in the Town Hall at 10 and 7.30 on the coming Sunday. The Sunday school was recently re-organized and will meet at 2.30.

For sale: Two registered Shorthorn calves dairy strain, born Aug. 23 and Sept. 21, choice breeding, raised on the cows. H. C. Cochrane, Victoria, Farmers 6-32.

Reformed Baptist Dis. No. 1 will commence their quarterly sessions at Fort Fairfield and the meetings will continue over Sunday. A number will attend from here.

Word was received last week by Mrs. M. B. Hovey that her daughter Inez of Lowell, Mass., was suffering from a relapse of influenza from which she had been suffering severely.

On Tuesday evening the teaching staff and a number of their friends enjoyed a strawride to the home of one of their number, Miss Grace Bell, at East Florenceville and spent a delightful evening.

B. B. Dykeman the well known clothier of Woodstock has decided to open up business in Hartland and has rented the store now occupied by T. B. Thistle and will occupy it after April 1, with O. A. Hovey as manager.

On Friday evening last, Jan. 24 a quiet wedding took place at the Chinook parsonage, the Rev. G. H. Elliot officiating, when Frank Boyer was united in marriage to Miss Basha Giberson of Bristol, New Brunswick. We join in wishing the happy young couple every happiness and prosperity in their future life.—Chinook, Alberta, Advance.

On Friday evening Mrs. A. A. Campbell was hostess to a party of lady friends. About 25 were invited. Each guest was given needle and thread and material for making an apron and prizes were given to the first to complete her garment and to the one who made the neatest apron. The winner of the first was Mrs. H. A. Hall and of the second Mrs. C. B. Caldwell. When the work was done each was asked to buy the apron she made for a small sum and the money so contributed was paid over to the Serbian Relief Fund.

In these busy days at The Observer office much interesting matter has to be left out. Contrary to the idea held by most people, editors do not have to "hunt up something to fill up with." Their most arduous task is selecting what the available space will hold from a mass of contributions that come each week. As early as Monday evening The Observer was confronted with sufficient material—all of it good, and well written—to fill more than 100 columns while the space at his disposal for any week is no more than 18 columns, the capacity limit of our three trained compositors. Of course these young ladies could set twice as much type but there are other duties just as pressing which they must perform.

Farm for Sale

A farm for sale on Simon Ridge, 90 acres of good land handy to post office, two churches within 50 rods, good ten-roomed house with cellar, good big-roof barn 32x44 with basement, plenty fire wood and pulp wood. Young orchard; will sell with or without stock and machinery. All enquiries will be promptly answered. PERCY H. ELLIOTT
Simon Ridge, Vict. Co.

An Early Spring

is promised by all the weather signs. This so to the present time, has been the most open winter we have experienced for many years and is in direct contrast to the winter of a year ago. At that the woods was full of snow and ice and which made a very late and short spring.

An early spring means a better opportunity for the farmer to work his land, prepare the ground for extra large crops and a long planting season. Every farmer should be in position to take advantage of the promised weather conditions and a long spring season.

It is not desirable to get in the crops too early as often late spring rains and a late frost will undo all the work which the early spring allows, but the farmer should have his land ready, his seeds ready and his fertilizer ready which will give him an opportunity to get in a large acreage.

Whatever the conditions are from year to year the man who has the largest crop to sell at the selling season is the man who is the best off, and this true whether the prices are high or low.

Fertilizer is a necessity and if you have not arranged for your fertilizer already, it is time to do so now, as the time when you will need it is almost here.

Hon. Mr. Tweeddale Tells of New Policy of Improvement of New Brunswick Live Stock

Hon. J. F. Tweeddale, minister of agriculture for New Brunswick, announces that the livestock branch of his department and the Dominion livestock branch have agreed upon a policy which will do more than any attempt of the past towards improving the breed of horned cattle in New Brunswick.

The Dominion livestock branch has arranged with the provincial department to organize breeders' associations to be composed of not fewer than ten successful farmers resident in any one locality. Each association may adopt one of the breeds—Holstein, Ayrshire and Shorthorn—for improvement in its particular district. As soon as each association is organized its executive appointed, it may make application through the provincial department and on the recommendation of the latter the Dominion livestock branch will furnish the association with a purebred registered animal, delivered free of cost at the nearest railway station. The animal will be loaned on condition that it is to be used by the membership of the association and that when it has stayed in the district long enough to be in-breeding the Dominion livestock branch will take it back and replace it with another.

This is the most generous proposition ever made and will enable farmers of New Brunswick to bring about improvement in the breed of cattle at a cost much lower than by individual effort.

The stock breeders of this province will have the first opportunity to supply animals to the livestock branch and now are being asked to list their offerings for examination and purchase. In this way the policy will be an assistance to the breeders.

Hon. Mr. Tweeddale estimates that fifty bulls will be required in New Brunswick during the coming season under this arrangement.

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis. says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

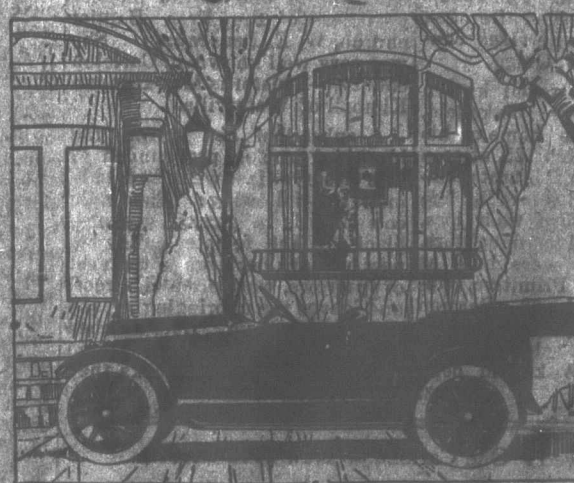

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them." Mrs. MARY BOYD, 1421 8th St., N. E., Canton, Ohio.

I want to help you!

I have made a careful study of the problem of bringing the
man who wants to buy into communication with the man who
wants to sell, and the results attained are a guarantee of
the success of my system of operation. During the eight
years of my experience in the Real Estate business nearly
two hundred farms have been sold through my agency, re-
presenting values aggregating over Half a Million Dollars.
I have at present thirty-two applications for farms in
Carleton County for the Spring 1918. If you want to sell
your farm at a fair value, communicate with me at once.

To the Co-Operative Farmers and Auto Owners Greeting:

I do not need to tell you that the winter months are fleeting; when
the snow is gone and the good roads come and you start out with
your car, if there are parts that need replacing you won't get very
far. Send in your orders early for the parts that you will need, so
you'll be in much less danger when you get above the speed. And
when you need repair work be sure to have it done where you will
get good satisfaction—by

Mrs. W. Sidney Smith died March 20, 1918.

I cannot say, I will not say
That she is dead; she is just away.
With a cheery smile and a wave of the hand,
She has wandered into an unknown land
And left us dreaming. How very fair
It needs must be, since she lingers there
And you—O, you who the wildest yearn
For the old-time step and the glad return,
Think of her still as the same, I say;
She is not dead. She is just away.

A delegation of the members of Centre Lodge I. O. O. F. is the number of thirty paid a fraternal visit to Brunswick Lodge at Florenceville on Wednesday evening. They were warmly welcomed by their brothers there as hosts and during the evening conferred the Second degree on a lusty candidate, a big two hundred pounder. After the usual program of felicitous speeches the visiting brothers were ushered over the river to Dow's hotel where a banquet was tendered them. The merry party dispersed about one o'clock and the lunch of visitors came away feeling that they had been very well treated and only hoping that they would not be a chance in the next future to return the compliment.

The W. M. S. of the Centreville Methodist church held their first post bellum supper on Thursday evening. The home of Mr. and Mrs. S. W. Niles was thrown open for the occasion and it proved fortunate that it was roomy, as nearly 100 were present. And it was some supper. All the heathen, both young and old, enjoyed the affair immensely and ate immensely, and yet there was enough and to spare. The ladies of the vicinity are sure "there" when it comes to cooking. I think all present would be glad if the heathen needed money often. The collections totalled \$30.

Roy McCall of Boston is spending a vacation with relatives here, having arrived on Monday.

Charles Gilland of Boston is visiting his brothers here. He has recently returned from overseas with an American unit, where he served on the hospital staff of the dispensing department.

Don Campbell of Fredericton spent Wednesday in town.

Mrs. J. Isaac Gallagher returned on Monday from Fredericton where she has been spending a month.

A number of people drove to the Methodist church at Williamstown on Tuesday evening and listened with a great deal of pleasure to an interesting lecture by Rev. G. M. Young of Fredericton, on the subject, "Difficulties of a Parson." Probably if we knew the inside history of all average parsons the parson wouldn't be sitting up on the top shelf with all the difficulties.

Mrs. Frances West, one of our oldest and most respected citizens, while visiting with her daughter, Mrs. Jas. Cronin, was taken suddenly ill on Thursday afternoon. We are glad to know, however, that her illness did not prove serious and that she is convalescing rapidly.

The United Farmers held a large mass meeting in the Opera House on Saturday afternoon.

Seymour Berg spent Monday and Tuesday in Presque Isle.

The Misses Faye and Daisy Bartt spent the week-end at Knoxford, the guests of Mr. and Mrs. T. C. Cain at their new home.

About 20 of the merry younger set attended the Ball given at Florenceville on Tuesday evening. All report a fine time. Blake's orchestra from Woodstock furnished the music for the affair.

The agricultural district to the south of us, adjoining Lakeville, feel keenly the serious loss incurred in the burning of all the warehouses in that town. The loss, although not irreparable, proves a great disadvantage to the buyers and a big handicap to the adjacent farmers who were wont to haul their produce shipments to this port. We can only hope that the enterprising owners will prove good losers and forthwith build greater.

Mrs. Randolph J. Clark left on Tuesday for Woodstock to spend a week with her sister, Mrs. Allan Baker.

T. W. Caldwell is Given Responsible Position—Which He is Qualified to Fill

T. W. Caldwell of Florenceville, who has been appointed chairman of the agricultural qualifications committee of the returned Soldier's Farm Settlement Board was in St. John a couple of days last week attending the first meeting of the Board. They expect to have their next meeting in Fredericton about Mar. 11th.

Mr. Caldwell should be well qualified for such a responsible position as he is well acquainted with farming conditions all over New Brunswick and as well as being a practical farmer himself, he has been in close touch with the different agricultural organizations of the Province. He was the first president of the N. B. Potato Growers' Association when it was formed a few years ago, and was re-elected to that position for a second term.

Mr. Caldwell is now vice-president of the United Farmers of N. B. and is one of the Directors of the U. F. Co-operative Co. of N. B., Ltd. and is also one of the executive committee of the management of the business of the latter company.

Two of Mr. Caldwell's sons have been through nearly the whole war, one having enlisted in 1914 and the other in 1915. The first one of the original 26th and just arrived back in Canada on March 1. The other is still in Belgium. They were both fortunate enough to come through whole.

Gunners Making Glorious Record. The gunners of the armed guards on merchantmen have made a record of which we may be justly proud. The contents of the Silver Shell, which sent down the submarine which attacked it; of the Moren, on which the men stayed at their guns until the flames flared up to the top of the smokestacks on the burning ship; of the Campana, whose gunners fought for hours until their ammunition was exhausted; of the J. B. Luckenbach, which, though under a hail of shells, hit nine times and temporarily disabled, fought a submarine for four hours before aid arrived and later managed to reach port under her own steam; of the Armetia, which, though torpedoed, was saved through the courage and resources of its captain, crew and armed guard; of the Navajo, the Mongols, the Petrolite and a dozen others are notable enough to be recorded in the naval history of the time.—Josephus Daniels in America Review of Reviews.
